

COUNTY OF CONTRA COSTA PUBLIC FINANCE AUTHORITY
LEASE REVENUE BONDS, 2009 SERIES A
(CAPITAL PROJECTS PROGRAM)
Dated Date: June 3, 2009

VOLUNTARY DISCLOSURE
(PRIVATE PLACEMENT)

The County of Contra Costa (the "County") hereby provides voluntary disclosure that the above-referenced Bonds (the "Bonds") were privately placed with Banc of America Public Capital Corp on June 3, 2009. The Bonds mature on June 1, 2024 and carry a coupon of 4.48%.

The County reports information regarding the Bonds in Note 10 of the Notes to the Basic Financial Statements in the Comprehensive Annual Financial Report, the latest version of which is as of June 30, 2011 and is separately posted on Digital Assurance Certification (DAC) and EMMA.

The Bonds were issued to finance improvements to certain of the County's Employment and Human Services Department facilities and examination rooms at the Martinez Health Clinic. The Bonds are limited obligations of the Authority payable solely from Revenues consisting primarily of certain base rental payments to be made by the County for the use of the County-pledged Discovery House and the District Attorney's Office (together, the "Facilities"), both located in Martinez, California. The Facilities are leased to the County by the Authority pursuant to the terms of a Facility Lease (the "Facility Lease"), dated as of June 1, 2009. The County covenanted under the Facility Lease that so long as the Facilities are available for the County's use and occupancy, it will take such action as may be necessary to include all Base Rental Payments and additional payments in its annual budgets and to make the necessary annual appropriations therefor. The obligation of the County to pay Base Rental Payments when due on the Bonds is an obligation payable from the General Fund of the County.

The County did not request ratings on the Bonds, nor were the Bonds insured under any municipal bond insurance policy. There was no reserve fund funded from proceeds of the Bonds.

Listed in EXHIBIT A hereto are the semi-annual debt service payments on the Bonds as of June 30, 2011. The County has never failed to timely make debt service payment on the Bonds.

Dated: February 16, 2012.
