ARTICLE IV INSTALLMENT PAYMENTS

Section 4.01. Repayment of Loan. The Corporation hereby covenants and agrees that it shall repay the Loan to the Authority by making installment payments, in the manner and at the times hereinafter set forth, in sums sufficient to pay the principal of, premium, if any, and interest payable on the Series 2010C Bonds, and to pay all other amounts payable under the terms of this Agreement.

Section 4.02. Time and Manner of Repayment. The Corporation agrees to make the following payments on the following dates:

(a) Payments Equal to Interest.

(i) With respect to any period during which Outstanding Series 2010C Bonds bear interest at either a Daily Rate, a Weekly Rate, an Index Rate or a Monthly Rate payments of interest shall be payable in installments equal to the interest coming due on such Series 2010C Bonds on the next succeeding Interest Payment Date, which installments shall be due and payable to the Trustee in immediately available funds on the third Business Day prior to each such Interest Payment Date; and

(ii) With respect to any period during which Outstanding Series 2010C Bonds bear interest at either a Semiannual Rate, an Annual Rate, a Term Rate or a Fixed Rate, payments of interest shall be payable in semi-annual installments equal to the amount of interest coming due on such Series 2010C Bonds on the next succeeding Interest Payment Date, which installments shall be due and payable to the Trustee in immediately available funds on or before the fifth Business Day next preceding each May 15 and November 15 until such time as all principal of and interest on the Series 2010C Bonds are paid in full.

(b) Payments Equal to Principal. On or before the third Business Date prior to each date on which payment of principal on the Series 2010C Bonds is required pursuant to the Indenture, an amount equal to the principal amount of the Series 2010C Bonds maturing by their terms on such date.

(c) Payments Required to Effect Mandatory Redemption. On or before the third Business Day prior to each mandatory redemption date, an amount equal to the amounts set forth in the Indenture with respect to the mandatory redemption of the Series 2010C Bonds on such mandatory redemption date.

(d) Payments Required to Effect Optional Redemption. On or before the Business Day next preceding the date of redemption of any Series 2010C Bonds to be optionally redeemed pursuant to Section 501(A) of the Indenture, an amount not less than the full amount required to pay the principal of and premium, if any, on such Series 2010C Bonds to be optionally redeemed.

(e) Reserved.

(f) Rebate to the United States. If there is any amount required to be paid to the United States pursuant to Section 148(f) of the Code, Section 306 of the Indenture and Section 5.05 hereof, the Corporation shall pay such amount to the Trustee for deposit to the Rebate Fund created under Section 306 of the Indenture, which will submit the payment to the United States.

(g) Trustee's Fee and Paying Agent's Fee. While the Series 2010C Bonds remain Outstanding, the reasonable compensation and expenses of the Trustee and Paying Agent under the Indenture shall be paid directly to such Trustee and Paying Agent, respectively, by the Corporation within thirty (30) days of receipt by the Corporation of a bill for such services from the Trustee or the Paying Agent (as applicable).

(h) Authority's Fees. The Corporation shall pay (i) the first installment of Authority's annual fee of \$7,500, (ii) the Authority's legal fee of \$5,000, and (iii) the Authority's closing fee of \$29,000 on or before the Closing Date. The Corporation also shall pay the Authority's annual fee in the amount of \$7,500, payable, and not subject to refund, on March 1 of each year, commencing March 1, 2011, while the Series 2010C Bonds remain Outstanding. The Corporation shall also pay any other administrative expenses incurred in connection with the financing of the Project, and any additional fees and expenses (including reasonable attorney's fees and expenses) reasonably incurred by the Authority in connection with inquiring into or enforcing the performance by the Corporation of its obligations hereunder, or incurred by the Authority in connection with any amendment or modification of this Agreement, the Indenture or any other document necessary or desirable to effect such amendment or modification, within thirty (30) days of receipt of a statement from the Authority, with supporting documentation as appropriate, requesting payment of such amounts.

Section 4.03. Payment Credits. To the extent that any payment required to be made to the Bond Fund pursuant to Section 4.02 would cause the amount in the Bond Fund in the Indenture to exceed the amount required to be transferred by the Trustee from the Bond Fund pursuant to the provisions of Article III of the Indenture on or before the next succeeding payment date, the payment required by Section 4.02 shall be reduced so that such excess will not occur.

The Corporation may make all or any part of any payment required by Section 4.02(b), 4.02(c) or 4.02(d) by delivering to the Trustee any Series 2010C Bond maturing, or subject to mandatory redemption or optional redemption (assuming notice in accordance with the Indenture has been timely delivered) on the maturity or redemption date immediately following the date of such delivery and having it credited at the face amount to the payment and canceled by the Trustee.

In addition, the Corporation shall be entitled to a credit during the last year of maturity to the extent that any payment required to be made pursuant to Section 4.02 (other than payments pursuant to (f), (g) or (h), hereof) would, together with the amount held by the Trustee in all funds (other than the Rebate Fund) under the Indenture, exceed the principal amount of the Series 2010C Bonds Outstanding and the amount of the interest due both at the final maturity date and the Interest Payment Date immediately preceding the final maturity date.

Section 4.04. Additional Amounts Payable by the Corporation. (a) If an Event of Default occurs under this Agreement or an Indenture Event of Default occurs under the Indenture, and the Authority or the Trustee (in its own name or in the name and on behalf of the Authority) employs attorneys or incurs other expenses for the collection of the payments

required hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the Corporation herein contained, the Corporation will, on demand therefor, pay to the Authority or the Trustee (as the case may be) the reasonable fees and expenses of such attorneys and such other reasonable expenses so incurred. The Corporation further agrees to pay all costs and expenses (including reasonable attorney's fees and expenses) of the Authority incurred in connection with the Series 2010C Bonds in the preparation of any responses, reproduction of any documentation or participation in any inquiries, investigations or audits from any Person in connection with the Series 2010C Bonds, including without limitation, the Internal Revenue Service, the Securities Exchange Commission or other governmental agency.

(b) In addition to the payments required to be made by this Article IV, the Corporation shall make any other deposits or payments required to be made pursuant to the Indenture.

Section 4.05. Payments to Trustee. All installment payments and other amounts payable by the Corporation hereunder shall be paid directly to the Trustee, except that indemnification payments due to the Authority pursuant to Section 5.02 and fees payable to the Authority pursuant to Section 4.02(h) shall be paid directly to the Authority.

Section 4.06. Payments Unconditional; No Defense or Set-Off.

(a) The obligations of the Corporation to pay the installments and other amounts payable hereunder shall be absolute and unconditional without defense or set-off by reason of any default by the Authority under this Agreement or under any other agreement between the Corporation and the Authority or for any other reason, including, without limitation, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the property, commercial frustration of purpose or failure of the Authority to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with this Agreement, it being the intention of the parties that such installment payments and other amounts will be paid in full when due without any delay and will be received by the Authority and the Trustee as a net sum without deduction, abatement, diminution or set-off of any kind whatsoever.

(b) Damage to or destruction of all or any portion of the Corporation's Property by fire or any other cause or taking of all or a portion of the Corporation's Property by condemnation shall not terminate this Agreement or cause any abatement of or reduction in the payments to be made by the Corporation hereunder, or otherwise alter the respective obligations of the Authority or the Corporation as set forth herein.

Section 4.07. Optional Prepayments By Corporation. The Corporation may prepay all or any portion of the Loan to the same extent and upon the same conditions that the Authority has the right to prepay or defease all or a portion of the Series 2010C Bonds in accordance with the Indenture. Any such amounts prepaid by the Corporation to the Trustee shall be credited against the outstanding balance of the Loan hereunder. Partial prepayments of the Loan made by

the Corporation hereunder shall be credited against the obligation of the Corporation to pay amounts equal to the principal due on the Series 2010C Bonds in such order as the Corporation shall elect prior to such prepayment or if no such election is made prior to such prepayment, in the inverse order thereof. Payments of principal installments and interest falling due shall continue to be made in accordance with Sections 4.01 and 4.02 until the entire outstanding balance of the Loan and all accrued interest have been paid or provision satisfactory to the Trustee has been made for the defeasance of the Series 2010C Bonds in accordance with Article X of the Indenture.

If there are sufficient moneys available with the Trustee to meet the payment of principal of, premium, if any, and interest on all the Outstanding Series 2010C Bonds and sufficient funds available with the Trustee to meet all remaining obligations of the Corporation to the Authority and the Trustee, the Trustee shall so notify the Corporation in writing, and the Corporation shall then be relieved of making any further payments hereunder, and this Agreement shall terminate, except for the obligation of the Corporation to indemnify the Authority and the Trustee pursuant to Section 5.02 hereof and to pay rebate amounts pursuant to Section 5.05 hereof.

ARTICLE V REPRESENTATIONS, WARRANTIES AND COVENANTS OF CORPORATION

Section 5.01. General Representations, Warranties and Covenants. The Corporation represents, warrants and agrees that:

(a) All information, representations and warranties set forth in the certificates executed and delivered by the Corporation in connection with the issuance of the Series 2010C Bonds by the Authority are true, correct and complete in all material respects as of the date thereof and as of the date of execution of this Agreement.

(b) The Corporation shall not take any action or fail to take any action that would cause the occurrence of an Indenture Event of Default or an Event of Default hereunder.

(c) The Corporation (i) is a nonprofit corporation duly organized and existing under the laws of the Commonwealth; (ii) is recognized as an organization exempt from federal income tax under Section 501(a) of the Code as an organization described in Section 501(c)(3) of the Code; and (iii) has the corporate power to own its property and to carry on its business.

(d) The Corporation has all requisite corporate power and corporate authority to execute and deliver the Documents to which it is a party, and to incur and perform the obligations provided for therein, all of which have been duly authorized by all proper and necessary corporate action and all material governmental licenses, authorizations, consents and approvals required. No consent or approval of any other Person or public authority or regulatory body (other than the Authority) is required as a condition to the validity or enforceability of any of the Documents to which the Corporation is a party or, if required, the same has been duly obtained.

(e) Each of the Documents to which the Corporation is a party has been properly executed by the Corporation, constitutes the valid and legally binding obligation of the Corporation and is enforceable against the Corporation in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights or by general principles of equity or public policy.

(f) There is no litigation or proceeding pending or, so far as the Corporation knows, threatened in writing before any court or administrative agency which, in the opinion of the Corporation, will materially adversely affect the financial condition or operations of the Corporation or the authority of the Corporation to enter into, or the validity or enforceability of, any of the Documents to which the Corporation is a party.

(g) There is (i) no provision of any existing mortgage, indenture, contract or agreement binding on the Corporation or affecting its property, and (ii) no law binding upon the Corporation or affecting any of its property, which would conflict in any material respect with or in any way prevent the execution, delivery or performance of any of the Documents to which the Corporation is a party or which would be in material default or violated in a material respect as a result of such execution, delivery or performance.

(h) The Corporation has filed all required federal, state and local tax returns which are required to be filed by the Corporation or has received extensions for filing the same and has paid all taxes as shown on such returns as they have become due. No claims have been assessed, and, except for any claims being contested in good faith, no claims are unpaid with respect to such taxes.

(i) There is no default by the Corporation under this Agreement or any other Documents and no event has occurred and is continuing, and no condition exists which, with notice or the passage of time or both, would constitute a default under any thereof.

Section 5.02. Indemnification of Authority and Trustee. The Corporation agrees that the Authority and the Trustee and the members, officers, directors, attorneys, agents and employees thereof shall not be liable for and the Corporation covenants and agrees to protect, exonerate, defend, indemnify and save the Authority and the members, officers, attorneys, agents and employees thereof and the Trustee, its officers, directors, agents and employees, harmless from and against (a) any and all liabilities, losses, damages, fines, suits, actions, demands, penalties, costs and expenses, including out-of-pocket, incidental expenses, legal fees and expenses, the allocated costs and expenses of in-house counsel and legal staff and the costs and expenses of defending or preparing to defend against any claim ("Losses") which may arise out of the issuance of the Series 2010C Bonds, the execution and performance of this Agreement or the Indenture, or arising from an Event of Default on the part of the Corporation in the performance of any covenant or agreement on the part of the Corporation to be performed pursuant to the terms of this Agreement and (b) all reasonable costs, counsel fees, expenses and liabilities incurred in or about the defense of any such claims or actions or proceedings brought thereon. The Corporation also covenants and agrees to indemnify and hold the Trustee and its directors, officers, agents and employees (collectively, the "Indemnitees") harmless from and

{J1375052.4}

against any Losses that may be imposed on, incurred by, or asserted against, the Indemnitees or any of them for following any instruction or other direction upon which the Trustee is authorized to rely pursuant to the terms of this Agreement and the Indenture. In addition to and not in limitation of the immediately preceding sentence, the Corporation also covenants and agrees to indemnify and hold the Indemnitees and each of them harmless from and against any and all Losses that may be imposed on, incurred by, or asserted against the Indemnitees or any of them in connection with or arising out of the Authority's or Trustee's performance under this Agreement and the Indenture provided the Trustee has not acted with gross negligence or engaged in willful misconduct. The Corporation may, at its cost and in its name or in the name of the Authority, prosecute or take any other action involving third persons which the Corporation deems necessary in order to insure or protect the Corporation's rights under this Agreement; in such event, the Authority will reasonably cooperate with the Corporation, but at the sole expense of the Corporation.

The Authority or the Trustee shall give prompt written notice to the Corporation of any claim asserted against the Authority, its members, officers, attorneys, directors, agents, or employees, or the Trustee when such claim becomes known and which, if sustained, may result in liability of the Corporation hereunder; provided, however, that the failure of the Authority or the Trustee or their respective officers, members, directors, agents, attorneys or employees to give such notice shall not relieve the Corporation from its obligations to protect, exonerate, defend, indemnify and save the Authority and its members, officers, attorneys, agents or employees or the Trustee and its officers, directors, agents and employees harmless as aforesaid, except to the extent that the failure to give such notice is a result of the Authority's or the Trustee's gross negligence or willful misconduct and results in actual loss or damage to the Corporation. In case any such action or proceeding is brought against the Authority, its members, officers, attorneys, agents or employees, or the Trustee, its officers, directors, agents or employees, by reason of any such claim, the Corporation, upon notice as aforesaid, covenants and agrees diligently to resist or defend such action or proceedings; provided, however, that the indemnified party or parties will, at the Corporation's expense, cooperate and assist in the defense of such action or proceeding if reasonably requested to do so by the Corporation. The foregoing indemnification obligations shall survive the termination of this Agreement and the Indenture and the resignation or removal of the Trustee for any reason.

Notwithstanding anything contained herein to the contrary, the Corporation shall not be obligated to indemnify or hold harmless the Authority or its members, officers or employees and the Trustee or its members, officers or employees for its or their gross negligence or willful misconduct.

Section 5.03. Reports and Audits. The Corporation shall:

(a) As soon as practicable but in no event later than five (5) months after the end of each Fiscal Year, file with the Authority, and, if requested by the Trustee, with the Trustee, Audited Financial Statements of the Corporation prepared as of the end of such Fiscal Year; and

(b) As soon as practicable but in no event later than five (5) months after the end of each Fiscal Year, file with the Authority and the Trustee an Officer's Certificate stating whether to the best knowledge of the signers, the Corporation is in default in the performance of any covenant contained in this Agreement and if so, specifying each such default of which the signers may have knowledge; and

(c) If an Event of Default shall have occurred and be continuing under this Agreement, (i) file with the Trustee and the Authority such other financial statements and information concerning the operations and financial affairs of the Corporation as the Trustee may from time to time reasonably request, and (ii) provide reasonable access to the facilities of the Corporation for the purpose of inspection by the Trustee during regular business hours or at such other times as the Trustee may reasonably request.

(d) Upon conversion of the Series 2010C Bonds to a Term Rate Mode or a Fixed Rate Mode to undertake in a written agreement or certificate to provide such information as necessary to comply with Rule 15c2-12 promulgated by the Securities and Exchange Commission.

Section 5.04. Taxes and Claims.
