Without limiting the generality of the foregoing, the Authority agrees to comply with the provisions of the Tax Agreement. This covenant shall survive payment in full or defeasance of the loan.

(c) The County covenants that it will pay any arbitrage rebate due to the United States of America in connection with this Loan Agreement and any Schedule hereto and that it will take any and all other actions lawfully within its powers and applicable to the acts done or omitted by the County so as to maintain an exclusion from gross income for federal income tax purposes of the interest on the loan repayment under any Schedule hereto, and that it will not perform any act or enter into any agreement or use or permit the use of the Project or any portion thereof in a manner that shall have the effect of terminating such exclusion from gross income for federal income tax purposes of the interest on the loan repayment received by the Lender. The County acknowledges having read the Tax Agreement and agrees to perform all duties imposed upon it by the Tax Agreement. This covenant shall survive payment in full or defeasance of the loan.

(b) The requirements of this Section 2.04 and the Tax Agreement may be modified or amended in whole or in part upon receipt by Authority and Lender of an opinion of Special Counsel to the effect that such modifications and amendments will not adversely affect the exclusion from gross income of the interest on any loan repayment.

Section 2.05. Self-Insurance Covenant. Notwithstanding anything in the Sublease to the contrary, as an alternative to providing the insurance required by the first paragraph of Section 5.01 of the Sublease, or any portion thereof, the County may, with the prior written consent of the Lender, provide a self insurance method or plan of protection if and to the extent such self insurance method or plan of protection shall afford reasonable coverage for the risks required to be insured against, in light of all circumstances, giving consideration to cost, availability and similar plans or methods of protection adopted by public entities in the State of California other than the County, and shall otherwise comply with the last paragraph of Section 5.01 of the Sublease.

Section 3.02. Loans to Finance Project. Upon execution of each Schedule, Lender shall pay to the Trustee the principal amount of the loan specified in such Schedule in order to finance the Project pursuant to the Trust Agreement. In exchange for such consideration, the Authority shall acknowledge and the Trustee shall authenticate the agreement as an Obligation issued under and secured by the Trust Agreement, payable from Revenues. As security for the Agreement issued under such Schedule, the Authority shall acknowledge the Agreement as an Obligation under the Trust Agreement secured by the pledge and assignment under the Trust Agreement.

ARTICLE V

LOAN PAYMENTS

Section 5.01. Payment of Loan Payments. The Authority shall pay or cause the Trustee to pay the principal of, premium if any, and interest on each loan made hereunder, but only out of Revenues, consisting primarily of the amounts paid by the County pursuant to the Sublease. As security for its obligation to pay the principal of, premium if any, and interest on the loan, the Authority has assigned to the Trustee all of its right to receive Base Rental Payments from the County, as well as all rights and remedies of the Authority as lessor under the Sublease and all of the Authority's rights, title and interest in the Site Lease; provided, that so long as no Event of Default (as defined in the Sublease) shall have occurred or be continuing, the Authority shall have and may exercise all rights as lessee under the Site Lease and of the Lessor under the Sublease other than the right to receive Base Rental Payments and Additional Rental Payments due and owing under the Sublease and the right to grant any waivers to the County under the Sublease. The County, pursuant to the Sublease, shall pay to the Trustee, as the assignee of the Authority, the Base Rental Payments in lawful money of the United States of America in the amounts and on the dates set forth in the Sublease. The County hereby consents and agrees to the foregoing assignments and agrees to make the Base Rental Payments directly to the Trustee. The Lender hereby acknowledges that the Authority has no liability to make payments on the loan, except from the Base Rental Payments that are paid by the County and other Revenues under the Trust Agreement. No provision, covenant or agreement contained in this Loan Agreement or any obligation herein imposed on Authority, or the breach thereof, shall constitute or give rise to or impose upon Authority a pecuniary liability, a charge upon its general credit, or a pledge of its general revenues. The Authority has no taxing power. In making the provisions, covenants and agreements set forth in this Loan Agreement, the Authority has not obligated itself except with respect to the Revenues held by the Trustee under the Trust Agreement.

The loan agreement obligations hereunder are limited obligations of the Authority and are not a lien or charge upon the funds or property of the Authority except to the extent of the aforementioned pledge and assignment. Neither the State nor the Authority shall be obligated to pay the loan or the interest thereon, except from Revenues and neither the faith and credit nor the taxing power of the State, or the Authority, or any political subdivision of the State is pledged to the payment of the principal of, premium, if any, or interest on the loan.

Section 5.02. Interest and Principal Components. A portion of each Loan Payment is paid as, and represents payment of, interest, and the balance of, each Loan Payment

is paid as, and represents payment of principal. Each Schedule hereto shall set forth the principal and interest components of each Loan Payment payable hereunder during the term of the loan.

Section 5.03. Loan Payments. As to each Agreement, the Trustee on behalf of the Authority shall be instructed to pay to the Lender the Loan Payments, including the interest components thereof, equal to the amounts specified in the Schedule comprising a part of such Agreement and equal to the principal and interest payable on the loan and shall pay to Lender and Authority all other payments and fees due hereunder from Additional Payments made by the County. The Loan Payments shall be payable without notice or demand when due at such place as the Lender shall direct in writing at the time the Schedule is executed or such other place as the Lender or the Authority, as the case may be, may from time to time designate in writing to the Trustee. The obligations of the Authority to make payment of the Loan Payments and all other payments and fees due hereunder, as well as to perform and observe all other covenants hereunder, shall be absolute and unconditional in all events, without abatement, diminution, deduction, set off or defense for any reason, except such payments shall be limited to Revenues.

Section 5.04. Appointment of Trustee. The Lender hereby acknowledges that the Trustee shall administer payment of the Loan Payments and the security thereof pursuant to the Trust Agreement.

Section 5.05. Non Liability of Authority. The Authority shall not be obligated to pay the principal of, and premium, if any, and interest on the Loan Payments, except from Revenues. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or premium or interest on the Loan Payments.

The County and Lender hereby acknowledge that the Authority's sole source of moneys to repay the loan will be provided by the payments made by the County pursuant to the Sublease and through the exercise by the Trustee of remedies pursuant to Section 6.01 of the Sublease or Article VII of the Trust Agreement.

ARTICLE VI

PREPAYMENT

Section 6.01. Prepayment Rights. The Authority shall be entitled to optionally prepay its Loan Payments with respect to a particular Schedule, as specified in such Schedule. With respect to Schedule No. 1, the Authority has the option to prepay the principal amount of the Loan Prepayments, in whole but not in part, on any date on and after February 5, 2021 at the principal amount thereof, plus accrued interest to the date of prepayment, without premium, upon written notice delivered at least thirty (30) days in advance of the prepayment date. The Authority shall have the extraordinary option to prepay all or a portion of the principal amount of the Loan on any date, upon at least thirty (30) days notice, at a Prepayment Price equal to the principal amount prepaid, without premium, if paid from prepayments made by the County pursuant to Section 7.02(a) of the Sublease due to a casualty or taking of the Facilities as provided in the Sublease.

ARTICLE VII

ASSIGNMENT

Section 7.01. Assignment by Lender. This Loan Agreement and/or an Agreement, the Obligations and the right to receive Loan Payments and the Prepayment Price from Authority hereunder, may be assigned and reassigned in whole or in part by the Lender at any time subsequent to its execution, without the necessity of obtaining the consent of the Authority or the County so long as notice is given to the Authority, the Trustee and the County and the assignee is a sophisticated investor and the Lender shall have obtained, prior to such assignment, a sophisticated investor's letter in the form of Exhibit D to the Trust Agreement; provided, however, that no such assignment shall be effective and binding on the Authority, the Trustee or the County unless and until the Authority, the Trustee and the County shall have received notice of the assignment disclosing the name and address of the assignee. Upon any such assignment of all or a portion of the Loan Agreement, the right to receive Loan Payments and the Prepayment Price from the Authority under the corresponding Agreement and other provisions of the Agreement shall also be registered under the Trust Agreement.

Section 7.02. Representations of Lender. The Lender has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by the Agreements and is able to bear the economic risk of such investment. The Lender has made its own inquiry and analysis with respect to the County, the Authority, the loan and the security therefor, and other material factors affecting the security and payment of the loan.

The Lender has either been supplied with or had access to information, including financial statements and other financial information, to which a reasonable investor would attach significance in making investment decisions, and has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the County, the Authority, the Obligations and the security therefor so that as a reasonable investor, it has been able to make its decision to enter into the Agreements.

The Lender represents to the Authority that it is making the loan for investment for its own account and not with a present view toward resale or the distribution thereof.

The Lender acknowledges that the Solar Electric Panels (as defined in the Trust Agreement) are encumbered under the Solar Electric Panels Facility Lease (as defined in the Trust Agreement) and all representations and warranties of the Authority and the County with respect to the Facilities are qualified by this acknowledgement of the prior encumbrance of the Solar Electric Panels Facility Lease until the Solar Electric Panels are released from such encumbrance pursuant to the terms of the Solar Electric Panels Facilities Lease. In the event of a casualty loss with respect to the Facilities, the insurance proceeds shall be allocated by the Trustee in accordance with Section 5.04 of the Trust Agreement.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

Section 8.01. Events of Default. The following constitute “Events of Default” under this Loan Agreement:

- (a) failure by the Authority to pay when due any Loan Payment (provided that the Lender shall give the Authority, the Trustee and the County written notice and two Business Days to cure); or
- (b) an “Event of Default” has occurred under the Trust Agreement; or
- (c) failure by the Authority or the County to observe and perform any other covenant, condition or agreement on its part to be observed or performed for a period of 60 days after written notice is given to the Authority or the County by the Lender, specifying such failure and requesting that it be remedied; or
