All Bonds so surrendered or otherwise substituted shall be cancelled by the Registrar. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same or cause the Bond to be paid, upon being indemnified as aforesaid, and if such Bonds be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this Section 2.07 shall constitute original, additional contractual obligations on the part of the Issuer whether or not the lost, stolen or destroyed Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on the Pledged Funds to the same extent as all other Bonds issued hereunder.

Upon the occurrence of an

Event of Default pursuant to Section 6.01 hereof which would require an Insurer or Credit Bank to make payments under its Bond Insurance Policy or guarantee, respectively, such Insurer or Credit Bank and their designated agents shall be provided with access to inspect and copy the registration books of the Issuer.

Each Bond shall be transferable only upon the books of the Issuer, at the office of the Registrar, under such reasonable regulations as the Issuer may prescribe, by the Holder thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed and guaranteed by the Holder or his duly authorized attorney. Execution of Bonds by the Chairman and Secretary for purposes of exchanging, replacing or transferring Bonds may occur at the time of the original delivery of the Series of which such Bonds are a part. All Bonds surrendered in any such exchanges or transfers shall be held by the Registrar in safekeeping until directed by the Issuer to be cancelled by the Registrar. For every such exchange or transfer of Bonds, the Issuer or the Registrar may make a charge sufficient to reimburse it for any tax, fee, expense or other governmental charge required to be paid with respect to such

exchange or transfer. The Issuer and the Registrar shall not be obligated to make any such exchange or transfer of Bonds of any Series during the fifteen (15) days next preceding an Interest Date on the Bonds of such Series (other than Capital Appreciation Bonds and Variable Rate Bonds), or, in the case of any proposed redemption of Bonds of such Series, then during the fifteen (15) days next preceding the date of the first mailing of notice of such redemption and continuing until such redemption date.

Upon the occurrence of an Event of Default which would require an Insurer to pay a claim under its bond insurance policy, said Insurer and its designated agent shall be provided with access to the registration books for the particular Series of insured Bonds.

The Issuer may elect to issue any Bonds as uncertificated registered public obligations (not represented by instruments), commonly known as book-entry obligations, provided it shall establish a system of registration therefor by Supplemental Resolution.

SECTION 2.09. COUPON BONDS. The Issuer, at its discretion, may by Supplemental Resolution authorize the issuance of coupon Bonds, registrable as to principal only or as to both principal and interest. Such Supplemental Resolution shall provide for the negotiability, transfer, interchangeability, denominations and form of such Bonds and coupons appertaining thereto. Coupon Bonds shall only be issued if an opinion of Bond Counsel is received to the effect that issuance of such coupon Bonds will not adversely affect the exclusion of interest earned on such Bonds (other than Taxable Bonds) from gross income for purposes of federal income taxation.

SECTION 2.10. FORM OF BONDS. The text of the Bonds, except as otherwise provided pursuant to Section 2.09 hereof and except for Capital Appreciation Bonds and Variable Rate Bonds, the form of which shall be provided by Supplemental Resolution, shall be in substantially the following form with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or the Secretary prior to the issuance thereof (which necessity and/or desirability and approval shall be presumed by such officer's execution of the Bonds and the Issuer's delivery of the Bonds to the purchaser or purchasers thereof):

Redemption of this Bond under the preceding paragraphs shall be made as provided in the Resolution upon notice given by first class mail sent at least thirty (30) days prior to the redemption date to the Registered Holder hereof at the address shown on the registration books maintained by the Registrar; provided, however, that failure to mail notice to the Registered Holder hereof, or any defect therein, shall not affect the validity of the proceedings for redemption of other Bonds as to which no such failure or defect has occurred. In the event that less than the full principal amount hereof shall have been called for redemption, the Registered Holder hereof shall surrender this Bond in exchange for one or more Bonds in an aggregate principal amount equal to the unredeemed portion of principal, as provided in the Resolution.

Reference to the Resolution and any and all resolutions supplemental thereto and modifications and amendments thereof and to the Act is made for a description of the pledge and covenants securing this Bond, the nature, manner and extent of enforcement of such pledge and covenants and the rights, duties, immunities and obligations of the Issuer.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen and to be performed precedent to and in connection with the issuance of this Bond, exist, have happened and have been performed, in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, and that the issuance of the Bonds does not violate any constitutional or statutory limitations or provisions.

ARTICLE III

REDEMPTION OF BONDS

SECTION 3.01. PRIVILEGE OF REDEMPTION. The terms of this Article III shall apply to redemption of Bonds other than Capital Appreciation Bonds or Variable Rate Bonds. The terms and provisions relating to redemption of Capital Appreciation Bonds and Variable Rate Bonds shall be provided by Supplemental Resolution.

SECTION 3.02. SELECTION OF BONDS TO BE REDEEMED. The Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. The Issuer shall, at least sixty (60) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Registrar) notify the Registrar of such redemption date and of the principal amount of Bonds to be redeemed. For purposes of any redemption of less than all of the Outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected not more than forty-five (45) days prior to the redemption date by the Registrar from the Outstanding Bonds of the maturity or maturities designated by the Issuer by lot within a maturity, in principal amounts of \$5,000 and integral multiples thereof.

If less than all of the Outstanding Bonds of a single maturity are to be redeemed, the Registrar shall promptly notify the Issuer and Paying Agent (if the Registrar is not the Paying Agent for such Bonds) in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

SECTION 3.03. NOTICE OF REDEMPTION. Notice of such redemption, which shall specify the Bond or Bonds (or portions thereof) to be redeemed and the date and place for redemption, shall be given by the Registrar on behalf of the Issuer, and (A) shall be filed with the Paying Agents of such Bonds, (B) shall be mailed first class, postage prepaid, at least thirty (30) days but no more than sixty (60) days prior to the redemption date to all Holders of Bonds to be redeemed at their addresses as they appear on the registration books kept by the Registrar, and (C) shall be mailed, registered or certified, postage prepaid, or by telecopy or facsimile transmission at least thirty-five (35) days prior to the redemption date to the holders of \$1,000,000 or more in aggregate principal amount of Bonds and to the registered securities depositories and two or more nationally recognized municipal bond information services. Failure to mail notice to the Holders of the Bonds to be redeemed, or any defect therein, shall not affect the validity of the proceedings of redemption of such Bonds as to which no such failure or defect has occurred. Notice of any redemption of Bonds at the option of the Issuer, other than notice that refers to Bonds that are the subject of an advance or

current refunding, shall be given only upon the prior deposit into the Debt Service Fund of sufficient amounts to effect such redemption. A second notice of redemption shall be mailed not more than 60 days after the redemption date, by the same means as the first notice, to any registered holder of Bonds who has not turned Bonds in for redemption within 30 days after the redemption date.

Each notice of redemption shall state: (1) the complete official name of the issue with Series designation, CUSIP numbers and certificate numbers of all Bonds being redeemed; (2) the original issue date of such Bonds; (3) the maturity date and rate of interest borne by each Bond being redeemed; (4) the redemption date; (5) the Redemption Price; (6) the date on which such notice is mailed; (7) if less than all Outstanding Bonds are to be redeemed the certificate number (and, in the case of a partial redemption of any Bond, the principal amount) of each Bond to be redeemed; (8) that on such redemption date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable; (9) that the Bonds to be redeemed, whether as a whole or in part, are to be surrendered for payment of the redemption price at the principal office of the Paying Agent at an address specified; and (10) the name and telephone number of a person designated by the Paying Agent to be responsible for such redemption.

SECTION 3.04. REDEMPTION OF PORTIONS OF BONDS. Any Bond which is to be redeemed only in part shall be surrendered at any place of payment specified in the notice of redemption (with due endorsement by, or written instrument of transfer in form satisfactory to the Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Issuer shall execute and the Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds, of the same interest rate and maturity, and of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bonds so surrendered.

SECTION 3.05. PAYMENT OF REDEEMED BONDS. Notice of redemption having been given substantially as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar and/or Paying Agent at the appropriate Redemption Price, plus accrued interest. All Bonds

which have been redeemed shall be cancelled by the Registrar and shall not be reissued. Amounts held by the Paying Agent for redemption of Bonds which are not presented for payment must be held until the later of (A) one year after the final maturity date of such Bonds or (B) the maximum period of time allowed by State law.

ARTICLE IV

SECURITY, SPECIAL FUNDS AND APPLICATION THEREOF

SECTION 4.01. BONDS NOT TO BE INDEBTEDNESS OF ISSUER. The Bonds shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of any constitutional or statutory provision, but shall be special obligations of the Issuer, payable solely from and secured by a prior lien upon and pledge of the Pledged Funds in accordance with the terms of this Resolution. No Holder of any Bond or any Credit Bank or Insurer shall ever have the right to compel the exercise of any ad valorem taxing power to pay such Bond, or be entitled to payment of such Bond from any moneys of the Issuer or the Port District except from the Pledged Funds in the manner provided herein.

The Pledged Funds shall immediately be subject to the lien of this pledge without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer.

SECTION 4.02. SECURITY FOR BONDS. The payment of the principal of or Redemption Price, if applicable, and interest on the Bonds and the payment of any amounts owed to the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit securing any Series of Bonds shall be secured forthwith equally and ratably by a pledge of and prior lien upon the Pledged Funds subject to the lien on and pledge of the Gross Revenues of the Senior Obligations; provided, however, a Series of Bonds may be further secured by a Credit Facility or Bond Insurance Policy in addition to the security provided herein; and provided further that each Series of Bonds shall be secured independently of any other Series of Bonds by the corresponding subaccount in the Reserve Account, except as otherwise provided herein. The pledge of the Pledged Funds with respect to any obligations owed to the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit shall be deemed to be subordinate to the lien on and pledge of the Pledged Funds to the holders of the Bonds. The Issuer does hereby irrevocably pledge the Pledged Funds to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds in accordance with the provisions hereof.

SECTION 4.03. CONSTRUCTION FUND. The Issuer covenants and agrees to establish a separate fund, to be known as the "Canaveral Port Authority Port Improvement Revenue Refunding Bond Construction Fund," which shall be used only for payment of the Costs of the Projects. Moneys in the Construction Fund, until applied in payment of any item of the Cost of a Project in the manner

hereinafter provided, shall be held in trust by the Issuer and shall be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders. There shall be paid into the Construction Fund the amounts required to be so paid by the provisions of this Resolution or Supplemental Resolution.

The Issuer shall establish within the Construction Fund a separate account for the 1992 Project and each Additional Project, the Cost of which is to be paid in whole or in part out of the Construction Fund.

The Issuer covenants that the acquisition, construction and installation of each Project will be completed without delay and in accordance with sound engineering practices. The Issuer shall make disbursements or payments from the Construction Fund to pay the Cost of a Project upon the filing with the Secretary of documents and/or certificates signed by an Authorized Issuer Officer, stating with respect to each disbursement or payment to be made: (1) the item number of the payment, (2) the name and address of the Person to whom payment is due, (3) the amount to be paid, (4) the Construction Fund account from which payment is to be made, (5) the purpose, by general classification, for which payment is to be made, and (6) that (A) each obligation, item of cost or expense mentioned therein has been properly incurred, is in payment of a part of the Cost of a Project and is a proper charge against the account of the Construction Fund from which payment is to be made and has not been the basis of any previous disbursement or payment, or (B) each obligation, item of cost or expense mentioned therein has been paid by the Issuer, is a reimbursement of a part of the Cost of a Project, is a proper charge against the account of the Construction Fund from which payment is to be made, has not been theretofore reimbursed to the Issuer or otherwise been the basis of any previous disbursement or payment and the Issuer is entitled to reimbursement thereof. The Secretary shall retain all such documents and/or certificates of the Authorized Issuer Officers for seven (7) years from the dates of such documents and/or certificates. The Secretary shall make available the documents and/or certificates at all reasonable times for inspection by any Holder of any of the Bonds or the agent or representative of any Holder of any of the Bonds.

Notwithstanding any of the other provisions of this Section 4.03, to the extent that other moneys are not available therefor, amounts in the Construction Fund shall be applied to the payment of principal and interest on Bonds when due.

The date of completion of any Project shall be determined by the Authorized Issuer Officer who shall certify such fact in writing to the Issuer. Promptly after the date of the completion of a Project, and after paying or making provisions for the payment of all unpaid items of the Cost of such Project, the Issuer shall

deposit in the following order of priority any balance of moneys remaining in the Construction Fund in (1) another account of the Construction Fund for which the Authorized Issuer Officer has stated that there are insufficient moneys present to pay the Cost of the related Project, (2) the Reserve Account, to the extent of a deficiency therein, and (3) such other fund or account established hereunder as shall be determined by the Issuer, provided the Issuer has received an opinion of Bond Counsel to the effect that such transfer shall not adversely affect the exclusion, if any, of interest on the Bonds from gross income for purposes of federal income taxation.

SECTION 4.04. FUNDS AND ACCOUNTS. The Issuer covenants and agrees to establish separate funds to be known as the "Canaveral Port Authority Port Improvement Revenue Refunding Bond Revenue Fund," the "Canaveral Port Authority Port Improvement Revenue Refunding Bond Debt Service Fund" and the "Canaveral Port Authority Port Improvement Revenue Refunding Bond Rebate Fund." The Issuer shall maintain in the Revenue Fund two accounts: the "Restricted Revenue Account" and the "Unrestricted Revenue Account." The Issuer shall maintain in the Debt Service Fund two accounts: the "Payment Account" and the "Reserve Account." Moneys in the aforementioned funds and accounts, other than the Rebate Fund and the Unrestricted Revenue Account, until applied in accordance with the provisions hereof, shall be subject to a prior lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

The Issuer shall at any time and from time to time appoint one or more depositories to hold, for the benefit of the Bondholders, any one or more of the funds and accounts established hereby. Such depository or depositories shall perform at the direction of the Issuer the duties of the Issuer in depositing, transferring and disbursing moneys to and from each of such funds and accounts as herein set forth, and all records of such depository in performing such duties shall be open at all reasonable times to inspection by the Issuer and its agent and employees. Any such depository shall be either the Florida State Board of Administration or a bank or trust company duly authorized to exercise corporate trust powers and subject to examination by federal or state authority, of good standing, and having a combined capital, surplus and undivided profits aggregating not less than fifty million dollars (\$50,000,000) or part of a state-wide banking system which in the aggregate meets such requirements and shall be eligible under the laws of the State to receive funds of the Issuer.

SECTION 4.05. FLOW OF FUNDS.

(A) The Issuer shall promptly deposit, after application in accordance with the Senior Resolution as long as the Senior Obligations are outstanding, the Gross Revenues into the Restricted

Revenue Account. The moneys in the Restricted Revenue Account shall be deposited or credited on or before the last day of each month, commencing in the month immediately following delivery of any of the Bonds to the purchasers thereof, or such later date as hereinafter provided, in the following manner and in the following order of priority:

(1) Operation and Maintenance Fund. Moneys in the Restricted Revenue Account shall first be used each month to deposit in the Operation and Maintenance Fund such sums as are necessary to pay Operating Expenses for the ensuing month which are not paid from amounts on deposit in the operation and maintenance fund established under the Senior Resolution; provided the Issuer may transfer moneys from the Revenue Fund to the Operation and Maintenance Fund at any time to pay Operating Expenses to the extent there is a deficiency in the Operation and Maintenance Fund for such purpose. Amounts in the Operation and Maintenance Fund shall be disbursed from time to time by the Issuer for reasonable and necessary Operating Expenses; provided, however, that no such disbursement shall be made unless the provisions of Section 5.03 hereof in regard to the current Annual Budget are complied with.

(2) Payment Account. The Issuer shall deposit or credit to the Payment Account the sum which, together with the balance on deposit in said Payment Account, shall equal (a) the interest on all Outstanding Bonds (other than Capital Appreciation Bonds) accrued and unpaid and to accrue to the end of such month, (b) the principal amounts on all Outstanding Bonds due and unpaid and that portion of the principal next due which would have accrued during such month if such principal amounts were deemed to accrue daily (assuming that a year consists of twelve (12) equivalent calendar months of thirty (30) days each) in equal amounts from the next preceding principal payment due date, or if there is no preceding principal payment due date, from a date one year preceding such principal payment due date, and (c) the Amortization Installments on all Bonds due and unpaid and the portion of the Amortization Installments on all Bonds Outstanding next due which would have accrued on such Bonds during such month as such Amortization Installments were deemed to accrue daily in the manner described above for principal payments. Moneys in the Payment Account shall be used to pay interest, principal and Amortization Installments on all Outstanding Bonds, on a pro-rata basis, as and when the same become due, whether by redemption or otherwise, and for no other purpose. The Issuer shall adjust the amount of the deposit into the Payment Account not later than the month immediately preceding any Interest Date so as to provide sufficient moneys in the Payment Account to pay the interest, principal and Amortization Installments on the Bonds coming due on such Interest Date.

Serial Capital Appreciation Bonds shall be payable from the Payment Account in the Bond Year in which such Bonds mature and monthly deposits or credits into the Payment Account shall commence

in the month which is one year prior to the date on which such Bonds mature.

Amounts accumulated in the Payment Account with respect to any Amortization Installment (together with amounts accumulated in the Payment Account with respect to interest, if any, on the Term Bonds for which such Amortization Installment was established) may be applied by the Issuer, on or prior to the sixtieth (60th) day preceding the due date of such Amortization Installment, (a) to the purchase of Term Bonds of the Series and maturity for which such Amortization Installment was established, or (b) to the redemption at the applicable Redemption Prices of such Term Bonds, if then redeemable by their terms. The applicable Redemption Price (or principal amount of maturing Term Bonds) of any Term Bonds so purchased or redeemed shall be deemed to constitute part of the Payment Account until such Amortization Installment date, for the purposes of calculating the amount of such Account. As soon as practicable after the sixtieth (60th) day preceding the due date of any such Amortization Installment, the Issuer shall proceed to call for redemption on such due date, by causing notice to be given as provided in Section 3.03 hereof, Term Bonds of the Series and maturity for which such Amortization Installment was established (except in the case of Term Bonds maturing on an Amortization Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Amortization Installment. The Issuer shall pay out of the Payment Account to the appropriate Paying Agents, on or before the day preceding such redemption date (or maturity date), the amount required for the redemption (or for the payment of such Term Bonds then maturing), and such amount shall be applied by such Paying Agents to such redemption (or payment). All expenses in connection with the purchase or redemption of Term Bonds shall be paid by the Issuer from the Revenue Fund.

(3) Reserve Account. The Issuer shall establish within the Reserve Account a separate subaccount for each Series of Bonds issued hereunder. The moneys on deposit in each such subaccount shall be applied in the manner provided herein solely for the payment of maturing principal of, Redemption Price, if applicable, or interest or Amortization Installments on the Series of Bonds for which it is designated and shall not be available to pay debt service on any other Series.

There shall be deposited to each subaccount of the Reserve Account such sum, if any, as will be necessary to immediately restore any funds on deposit in each such subaccount to an amount equal to the Reserve Account Requirement applicable thereto including the reinstatement of any Reserve Account Insurance Policy or Reserve Account Letter of Credit on deposit therein; provided, in no event shall the amount deposited in the subaccounts of the applicable Reserve Account be less than (a) one fourth (1/4) of the amount which would enable the Issuer to restore the funds on

deposit in each subaccount to an amount equal to the Reserve Account Requirement in four (4) months from the date of such shortfall in the event such shortfall is a result of a decrease in the market value of Authorized Investments on deposit therein, or (b) one twelfth (1/12) of the amount which would enable the Issuer to restore the funds on deposit in each such subaccount to an amount equal to the Reserve Account Requirement in one (1) year from the date of such shortfall if such shortfall is a result of a withdrawal from such subaccount(s). Such obligation to replenish the Reserve Account shall be payable from amounts on deposit in the Revenue Fund after the deposits required in paragraphs (1) and (2) above. To the extent there are insufficient moneys in the Revenue Fund to make the required monthly deposit into each subaccount of the Reserve Account, such deposits shall be made to each subaccount on a pro rata basis in relation to the amount of the deficiency existing in each subaccount. On or prior to each principal and interest payment date for the Bonds, moneys in each subaccount of the Reserve Account shall be applied by the Issuer to the payment of the principal of, or Redemption Price, if applicable, and interest on related Series of Bonds to the extent moneys in the Payment Account and the Restricted Revenue Account are insufficient therefor. Whenever there shall be surplus moneys in any subaccount of the Reserve Account by reason of a decrease in the Reserve Account Requirement or due to a deposit of a Reserve Account Letter of Credit or Reserve Account Insurance Policy, such surplus moneys shall be deposited by the Issuer, upon receipt of an approving opinion of Bond Counsel, on a pro rata basis into other subaccounts, if any, containing less than the Reserve Account Requirement applicable thereto, and otherwise, into the Payment Account.

Upon the issuance of any Series of Bonds under the terms, limitations and conditions as herein provided, the Issuer shall fund the corresponding subaccount of the Reserve Account established for such Series in an amount at least equal to the Reserve Account Requirement applicable to such Series of Bonds. Such required amount shall be paid in full from the proceeds of such Series of Bonds or other sources, on the date of delivery of such Series of Bonds.

Notwithstanding the foregoing provisions, in lieu of the required deposits into a subaccount of the Reserve Account, the Issuer may cause to be deposited into the Reserve Account a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit for the benefit of the Bondholders in an amount equal to the difference between the Reserve Account Requirement applicable thereto and the sums then on deposit in the subaccount of the Reserve Account, if any. Such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit shall be payable to the Paying Agent (upon the giving of notice as required thereunder) on any principal payment date or Interest Date on which a deficiency exists which cannot be cured by moneys in any other fund or account

held pursuant to this Resolution and available for such purpose. A Reserve Account Insurance Policy issued to the Paying Agent, as agent of the Bondholders, by a company licensed to issue an insurance policy guaranteeing the timely payment of debt service on the Bonds (a "municipal bond insurer") may be deposited in the Reserve Account to meet the Reserve Account Requirement if the claims-paying ability of the issuer thereof shall be rated at least "AAA" by Standard & Poor's Corporation or at least "Aaa" by Moody's. A Reserve Account Insurance Policy issued to the Paying Agent, as agent of the Bondholders, by an entity other than a municipal bond insurer, may be deposited in the Reserve Account to meet the Reserve Account Requirement if the form and substance of such Reserve Account Insurance Policy and the issuer thereof shall be approved by the Insurer.

A Reserve Account Letter of Credit issued to the Paying Agent, as agent of the Bondholders, by a bank may be deposited in the Reserve Account to meet the Reserve Account Requirement if the issuer thereof is rated at least "AA" by Standard & Poor's Corporation. The Reserve Account Letter of Credit shall be payable in one or more draws upon presentation by the beneficiary of a sight draft accompanied by its certificate that it then holds insufficient funds to make a required payment of principal or interest on the Bonds. The draws shall be payable within two days of presentation of the sight draft. The Reserve Account Letter of Credit shall be for a term of not less than three years and shall be subject to a revolving reinstatement feature so as to provide the Issuer with at least 30 months notice of termination. The issuer of the Reserve Account Letter of Credit shall be required to notify the Issuer and the Paying Agent, not later than 30 months prior to the stated expiration date of the Reserve Account Letter of Credit, as to whether such expiration date shall be extended, and if so, shall indicate the new expiration date. If such notice indicates that the expiration date shall not be extended, the Issuer shall deposit in the appropriate subaccount of the Reserve Account an amount sufficient to cause the cash or Authorized Investments on deposit in such subaccount of the Reserve Account, together with any other Reserve Account Insurance Policies and Reserve Account Letters of Credit, to equal the Reserve Account Requirement on all Outstanding Bonds, such deposit to be paid in equal installments on at least a semiannual basis over the remaining term of the Reserve Account Letter of Credit, unless the Reserve Account Letter of Credit is replaced by a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit meeting the requirements of this Section 4.05(A)(3). The Reserve Account Letter of Credit shall permit a draw in full not less than two weeks prior to the expiration or termination of such Reserve Account Letter of Credit if the Reserve Account Letter of Credit has not been replaced or renewed. The Paying Agent shall draw upon the Reserve Account Letter of Credit prior to its expiration or termination unless an acceptable replacement is in place or the

subaccount of the Reserve Account is fully funded in its required amount.

The use of any Reserve Account Insurance Policy or Reserve Account Letter of Credit pursuant to this Section 4.05(A)(3) shall be subject to receipt of an opinion of counsel acceptable to the Insurer, in form and substance satisfactory to the Insurer, as to the due authorization, execution, delivery and enforceability of such instrument in accordance with its terms, subject to applicable laws affecting creditors' rights generally, and, in the event the issuer of such Reserve Account Insurance Policy or Reserve Account Letter of Credit is not a domestic entity, an opinion of foreign counsel in form and substance satisfactory to the Insurer. In addition, the use of a Reserve Account Letter of Credit shall be subject to receipt of an opinion of counsel acceptable to the Insurer in form and substance satisfactory to the Insurer to the effect that payments under such Reserve Account Letter of Credit would not constitute avoidable preferences under Section 547 of the United States Bankruptcy Code or similar state laws with avoidable preference provisions in the event of the filing of a petition for relief under the United States Bankruptcy Code or similar state laws by or against the issuer of the Bonds (or any other account party under the Reserve Account Letter of Credit).

The obligation to reimburse the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit for any fees or expenses or claims or draws upon such Reserve Account Insurance Policy or Reserve Account Letter of Credit shall be subordinate to the payment of debt service on the Bonds. The right of the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit to payment or reimbursement of its fees and expenses shall be subordinated to cash replenishment of the appropriate subaccount of the Reserve Account, and, subject to the second succeeding sentence of this paragraph, its right to reimbursement for claims or draws shall be on a parity with the cash replenishment of such subaccount of the Reserve Account. Each Reserve Account Insurance Policy and Reserve Account Letter of Credit shall provide for a revolving feature under which the amount available thereunder will be reinstated to the extent of any reimbursement of draws or claims paid. If the revolving feature is suspended or terminated for any reason, the right of the issuer of the Reserve Account Insurance Policy or Reserve Account Letter of Credit to reimbursement will be further subordinated to cash replenishment of the appropriate subaccount of the Reserve Account to an amount equal to the difference between the full original amount available under the Reserve Account Insurance Policy or Reserve Account Letter of Credit and the amount then available for further draws or claims. In the event (a) the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit becomes insolvent, or (b) the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit defaults in its payment obligations thereunder, or (c) the claims-paying ability of the issuer of the Reserve

Account Insurance Policy falls below "AAA" by Standard & Poor's Corporation or "Aaa" by Moody's, or (d) the rating of the issuer of Reserve Account Letter of Credit falls below "AA" by Standard & Poor's Corporation, the obligation to reimburse the issuer of such Reserve Account Insurance Policy or Reserve Account Letter of Credit shall be subordinate to the cash replenishment of the appropriate subaccount of the Reserve Account.

In the event (a) the revolving reinstatement feature described in the preceding paragraph is suspended or terminated, or (b) the rating of the claims-paying ability of the issuer of the Reserve Account Insurance Policy falls below "AAA" by Standard & Poor's Corporation or "Aaa" by Moody's Investors Service, or (c) the rating of the issuer of the Reserve Account Letter of Credit falls below "AA" by Standard & Poor's Corporation, the Issuer shall either (i) deposit into the Reserve Account an amount sufficient to cause the cash or Authorized Investments on deposit in the appropriate subaccount of the Reserve Account to equal the Reserve Account Requirement on all outstanding Bonds, such amount to be paid over the ensuing five years in equal installments deposited at least semiannually or (ii) replace such Reserve Account Insurance Policy or Reserve Account Insurance Letter of Credit with a Reserve Account Insurance Policy or Reserve Account Letter of Credit meeting the requirements provided herein within six months of such occurrence. In the event (a) the rating of the claims-paying ability of the issuer of the Reserve Account Insurance Policy falls below "A", or (b) the rating of the issuer of the Reserve Account Letter of Credit falls below "A", or (c) the issuer of the Reserve Account Insurance Policy or Reserve Account Letter of Credit defaults in its payment obligations hereunder, or (d) the issuer of the Reserve Account Insurance Policy or Reserve Account Letter of Credit becomes insolvent, the Issuer shall either (i) deposit into the Reserve Account an amount sufficient to cause the cash or Authorized Investments on deposit in the Reserve Account to equal the Reserve Account Requirement on all Outstanding Bonds, such amount to be paid over the ensuing year in equal installments on at least a monthly basis, or (ii) replace such instrument with a Reserve Account Insurance Policy or Reserve Account Letter of Credit meeting the requirements provided herein within six months of such occurrence. The amount available for draws or claims under the Reserve Account Insurance Policy or Reserve Account Letter of Credit may be reduced by the amount of cash or Authorized Investments deposited in the appropriate subaccount of the Reserve Account.

Cash on deposit in the appropriate subaccount of the Reserve Account shall be used (or investments purchased with such cash shall be liquidated and the proceeds applied as required) prior to any drawing on any Reserve Account Insurance Policy or Reserve Account Letter of Credit. If and to the extent that more than one Reserve Account Insurance Policy or Reserve Account Letter of Credit is deposited in the Reserve Account, drawings thereunder and

repayments of costs associated therewith shall be made on a pro rata basis, calculated by reference to the maximum amounts available thereunder.

If a disbursement is made from a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit provided pursuant to this Section 4.05(A)(3), the Issuer shall reinstate the maximum limits of such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit immediately following such disbursement from Funds received in accordance with the provisions of this Section 4.05(A)(3).

If three (3) days prior to an interest payment or redemption date or such other time as may be provided by the terms of the Reserve Account Insurance Policy or Reserve Account Letter of Credit, the Issuer shall determine that a deficiency exists in the amount of moneys available to pay in accordance with the terms hereof interest and/or principal due on the Bonds on such date, the Issuer shall immediately notify (A) the issuer of the applicable Reserve Account Insurance Policy and/or the issuer of the Reserve Account Letter of Credit, and (B) the Insurer, if any, of the amount of such deficiency and the date on which such payment is due, and shall take all action to cause such issuer or Insurer to provide moneys sufficient to pay all amounts due on such interest payment date (subject to the provisions relating to use of cash in the Reserve Account provided herein).

The Issuer may evidence its obligation to reimburse the issuer of any Reserve Account Letter of Credit or Reserve Account Insurance Policy by executing and delivering to such issuer a promissory note therefor, provided, however, any such note (a) shall not be a general obligation of the Issuer the payment of which is secured by the full faith and credit or taxing power of the Issuer, and (b) shall be payable solely from the Pledged Funds in the manner provided herein.

Any consent or approval of the Insurer described in this Section 4.05(A)(3) shall be required only so long as there are outstanding Bonds secured by a Bond Insurance Policy issued by the Insurer which is in full force and effect. The term "Paying Agent" as used in this Section 4.05(A)(3) may include one or more Paying Agents for the outstanding Bonds.

The Issuer may also establish a separate subaccount in the Reserve Account for any Series of Bonds and provide a pledge of such subaccount to the payment of such Series of Bonds apart from the pledge provided herein. To the extent a Series of Bonds is secured separately by a subaccount of the Reserve Account, the Holders of such Bonds shall not be secured by any other moneys in the Reserve Account. Moneys in a separate subaccount of the Reserve Account shall be maintained at the Reserve Account Requirement applicable to such Series of Bonds secured by the

subaccount unless otherwise provided by Supplemental Resolution. Moneys shall be deposited to separate subaccounts in the Reserve Account on a pro-rata basis. In the event the Issuer shall maintain a Reserve Account Insurance Policy or Reserve Account Letter of Credit and moneys in such subaccount, the moneys shall be used prior to making any disbursements under such Reserve Account Insurance Policy or Reserve Account Letter of Credit.

(4) Unrestricted Revenue Account. The balance of any moneys remaining in the Restricted Revenue Account after the payments and deposits required by Section 4.05(A)(1) through (3) may be transferred, at the discretion of the Issuer, to the Unrestricted Revenue Account or any other appropriate fund or account of the Issuer and be used for any lawful purpose.

(B) Whenever the amount on deposit in a subaccount of the Reserve Account, together with the other amounts in the Debt Service Fund, are sufficient to fully pay the corresponding Series of all Outstanding Bonds in accordance with their terms (including principal or applicable Redemption Price and interest thereon), no further deposits to the Debt Service Fund for such Series need be made and the funds on deposit in such subaccount of the Reserve Account may be transferred to the other accounts of the Debt Service Fund for the payment of the Bonds.

The Issuer, in its discretion, may use moneys in the Payment Account to purchase or redeem Bonds coming due on the next principal payment date, provided such purchase or redemption does not adversely affect the Issuer's ability to pay the principal or interest coming due on such principal payment date on the Bonds not so purchased or redeemed.

(C) Prior to the close of business on the sixteenth Business Day (or, if no Reserve Account Letter of Credit or Reserve Account Insurance Policy is then in place, prior to the close of business on the third Business Day) prior to any date established for the payment of principal or Redemption Price, if applicable, or interest on any Series of Bonds, the Issuer shall certify to the Paying Agent that sufficient moneys are on deposit in the Payment Account to make all payments due on such forthcoming date. The Paying Agent shall be entitled to verify such certification by examination of any books, records or other proceedings deemed necessary by the Paying Agent to effectuate such verification and shall be entitled, at its request, to receive the certificate described in the preceding sentence in writing. At least one (1) business day prior to the date established for payment of any principal or Redemption Price, if applicable, or interest on the Bonds, the Issuer shall withdraw from the appropriate account of the Debt Service Fund sufficient moneys to pay such principal or Redemption Price, if applicable, or interest and deposit such moneys with the Paying Agent for the Bonds to be paid.

(D) In the event the Issuer shall issue a Series of Bonds secured by a Credit Facility, the Issuer may establish such separate subaccounts in the Payment Account, to provide for payment of the principal of and interest on such Series; provided one Series of Bonds shall not have preference in payment from Pledged Funds over any other Series of Bonds. The Issuer may also deposit moneys in such subaccounts at such other times and in such other amounts from those provided in this Section 4.05 as shall be necessary to pay the principal of and interest on such Bonds as the same shall become due, all as provided by the Supplemental Resolution authorizing such Bonds.

In the case of Bonds secured by a Credit Facility, amounts on deposit in any subaccounts established for such Bonds may be applied as provided in the applicable Supplemental Resolution to reimburse the Credit Bank for amounts drawn under such Credit Facility to pay the principal of or Redemption Price, if applicable, and interest on such Bonds; provided such Credit Facility shall have no priority over Bondholders or the Insurer to amounts on deposit in the Debt Service Fund.

SECTION 4.06. REBATE FUND. Amounts on deposit in the Rebate Fund shall be held in trust by the Issuer and used solely to make required rebates to the United States (except to the extent the same may be transferred to the Revenue Fund) and the Bondholders shall have no right to have the same applied for debt service on the Bonds. The Issuer agrees to undertake all actions required of it in its Certificate as to Arbitrage and Certain Other Tax Matters, dated the date of issuance of the Series 1992 Bonds, relating to such Bonds, as well as any successor Certificate thereto, including, but not limited to:

(A) making a determination in accordance with the Code of the amount required to be deposited in the Rebate Fund;

(B) depositing the amount determined in clause (A) above into the Rebate Fund;

(C) paying on the dates and in the manner required by the Code to the United States Treasury from the Rebate Fund and any other legally available moneys of the Issuer such amounts as shall be required by the Code to be rebated to the United States Treasury; and

(D) keeping such records of the determinations made pursuant to this Section 4.06 as shall be required by the Code, as well as evidence of the fair market value of any investments purchased with "gross proceeds" of the Bonds (as defined in the Code).

The provisions of the above-described Certificate may be amended from time to time as shall be necessary, in the opinion of Bond Counsel, to comply with the provisions of the Code.

SECTION 4.07. INVESTMENTS. The Construction Fund, the Restricted Revenue Account and the Debt Service Fund shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State. Moneys on deposit in the Construction Fund, the Operation and Maintenance Fund, the Restricted Revenue Account and the Debt Service Fund, other than the Reserve Account, may be invested and reinvested in Authorized Investments maturing not later than the date on which the moneys therein will be needed for the purposes of such fund or account. Moneys on deposit in the Reserve Account may be invested or reinvested in (A) Authorized Investments which shall mature no later than five (5) years from the date of acquisition thereof, or (B) investment agreements approved by each Insurer. Notwithstanding any other provision hereof, all amounts on deposit in the Construction Fund or Payment Account representing accrued or capitalized interest shall be held by the Issuer, shall be pledged solely to the payment of interest on the corresponding Series of Bonds and shall be invested only in United States Obligations maturing at such times and in such amounts as are necessary to pay the interest to which they are pledged.

Any and all income received by the Issuer from the investment of moneys in the Construction Fund, the Operation and Maintenance Fund, the Payment Account, the Restricted Revenue Account and each subaccount of the Reserve Account (to the extent such income and the other amounts therein are less than the Reserve Account Requirement applicable thereto), shall be retained in such respective Fund, Account or subaccount. Any and all income received by the Issuer from the investment of moneys in each subaccount of the Reserve Account (to the extent such income and the other amounts therein are greater than the Reserve Account Requirement applicable thereto) shall be deposited in the Payment Account. All investments shall be valued in accordance with generally accepted accounting principles.

Nothing contained in this Resolution shall prevent any Authorized Investments acquired as investments of or security for funds held under this Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

If at any time after investment of any funds under this Resolution an investment ceases to meet the criteria set forth in the definition of Authorized Investments and such obligation, aggregated with other non-conforming investments, exceeds ten percent (10%) of invested funds, such investment shall be sold or liquidated unless otherwise approved by each Insurer and Credit Bank.

The Issuer shall terminate any repurchase agreement upon a failure of the counterpart thereto to maintain the requisite

collateral percentage after the restoration period and, if not paid by the counterpart in federal funds against transfer of the repo securities, liquidate the collateral.

The Issuer shall give notice to any provider of an investment agreement in accordance with the terms of the investment agreement so as to receive funds thereunder with no penalty or premium paid.

The Paying Agent or the Issuer shall, upon actual knowledge of the withdrawal or suspension of either of the ratings of an investment agreement provider or a drop in the ratings thereon below "A", so notify each Insurer and Credit Bank and, if so directed by such Insurer or Credit Bank, shall demand further collateralization of the agreement or liquidation thereof.

SECTION 4.08. SEPARATE ACCOUNTS. The moneys required to be accounted for in each of the foregoing funds, accounts and subaccounts established herein may be deposited in a single bank account, and funds allocated to the various funds, accounts and subaccounts established herein may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds, accounts and subaccounts as herein provided.

The designation and establishment of the various funds, accounts and subaccounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

ARTICLE V

SUBORDINATED INDEBTEDNESS, ADDITIONAL BONDS, AND COVENANTS OF ISSUER

SECTION 5.01. GENERAL. The Issuer hereby makes the following covenants, in addition to all other covenants in this Resolution, with each and every successive Holder of any of the Bonds so long as any of said Bonds remain Outstanding.

SECTION 5.02. OPERATION AND MAINTENANCE. The Issuer will maintain or cause to be maintained the Marine Facilities and all portions thereof in good condition and will operate or cause to be operated the same in an efficient and economical manner, making or causing to be made such expenditures for equipment and for renewals, repairs and replacements as may be proper for the economical operation and maintenance thereof.

SECTION 5.03. ANNUAL BUDGET. The Issuer shall annually prepare and adopt, prior to the beginning of each Fiscal Year, an Annual Budget in accordance with applicable law. All expenditures for the operation and maintenance of the Marine Facilities shall be reflected in the interim financial statements approved monthly by the Issuer.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, other than the first Fiscal Year, the preliminary budget for such year prepared by the Issuer's finance director and submitted to the Issuer or, if no such preliminary budget has been prepared and submitted, the Annual Budget for the preceding Fiscal Year, shall be deemed to be in effect for such Fiscal Year until the Annual Budget for such Fiscal Year is adopted.

SECTION 5.04. RATES. The Issuer shall, to the extent permitted by law, fix, establish and maintain such rates and collect such fees, rates or other charges for the product, services and facilities of its Marine Facilities, and revise the same from time to time, whenever necessary, as will always provide in each Fiscal Year, (A) sufficient revenues to comply with all rate covenants contained in the Senior Resolution plus (B) Net Revenues adequate at all times to pay in each Fiscal Year at least one hundred twenty-five percent (125%) of the Annual Debt Service on all Outstanding Bonds and one hundred percent (100%) of any amounts required by the terms hereof to be deposited in the Reserve Account or with any issuer of a Reserve Account Letter of Credit or Reserve Account Insurance Policy as a result of a withdrawal from the Reserve Account. The Issuer hereby represents that it has the power to raise its rates and charges for the use of the Marine Facilities without the approval of any regulatory body. For purposes of the above-referenced covenant, Annual Debt Service with

respect to any Variable Rate Bonds shall be calculated based on an interest rate equal to the maximum rate on such Variable Rate Bonds during the preceding twelve-month period, not to exceed the Maximum Interest Rate.

SECTION 5.05. SUBORDINATED INDEBTEDNESS. The Issuer will not issue any other obligations, except under the conditions and in the manner provided herein, payable from the Pledged Funds or voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien thereon in favor of the Bonds and the interest thereon. The Issuer may at any time or from time to time issue evidences of indebtedness payable in whole or in part out of the Pledged Funds and which may be secured by a pledge of the Pledged Funds; provided, however, that such pledge shall be, and shall be expressed to be, subordinated in all respects to the pledge of the Pledged Funds created by this Resolution and provided, further, that such evidence of indebtedness shall provide by its terms that it cannot be accelerated unless the Bonds have been previously accelerated. The Issuer shall have the right to covenant with the holders from time to time of any Subordinated Indebtedness to add to the conditions, limitations and restrictions under which any Additional Bonds may be issued pursuant to Section 5.06 hereof. The Issuer agrees to pay promptly any Subordinated Indebtedness as the same shall become due.

SECTION 5.06. ISSUANCE OF ADDITIONAL BONDS. No Additional Bonds, payable on a parity with the Bonds then Outstanding pursuant to this Resolution, shall be issued except upon the conditions and in the manner herein provided. The Issuer may issue one or more Series of Additional Bonds for any one or more of the following purposes: financing the Cost of an Additional Project, or the completion thereof or of the 1992 Project, or refunding any or all Outstanding Bonds or of any Subordinated Indebtedness of the Issuer.

No such Additional Bonds shall be issued unless the following conditions are complied with:

(A) Except as otherwise provided in Section 5.06(E) hereof, there shall have been obtained and filed with the Issuer a statement of an independent certified public accountant of reasonable experience and responsibility: (1) stating that the books and records of the Issuer relating to the Net Revenues have been examined by him; (2) setting forth the amount of the Net Revenues which have been received by the Issuer during any twelve (12) consecutive months designated by the Issuer within the twenty-four (24) months immediately preceding the date of delivery of such Additional Bonds with respect to which such statement is made; and (3) stating that the amount of the Net Revenues, adjusted as hereinafter provided, received during the aforementioned 12-month period equals at least (a) 1.25 times the Maximum Annual Debt

Service of the Senior Obligations and all Bonds then Outstanding and such Additional Bonds with respect to which such statement is made and (b) 1.00 times any amounts required by the terms hereof to be deposited in the Reserve Account and any amounts then owing to the issuer of any Reserve Account Letter of Credit or Reserve Account Insurance Policy as a result of a drawdown on such Reserve Account Letter of Credit or Reserve Account Insurance Policy. Notwithstanding anything herein contained to the contrary, if amounts owed to the issuer of any Reserve Account Letter of Credit or Reserve Account Insurance Policy are unpaid, no Additional Bonds may be issued without the prior written consent of the issuer of such Reserve Account Letter of Credit or Reserve Account Insurance Policy.

(B) For the purpose of determining the Maximum Annual Debt Service under Section 5.06(A) hereof, the interest rate on additional parity Variable Rate Bonds then proposed to be issued and on Outstanding Variable Rate Bonds shall be deemed to be the Maximum Interest Rate.

(C) The Net Revenues calculated pursuant to the foregoing Section 5.06(A) may be adjusted by the independent certified public accountant upon the written advice of the Issuer's financial advisors, at the option of the Issuer, if the Issuer, (i) prior to the issuance of the proposed Additional Bonds, shall have increased the rates, fees or other charges for the product, services or facilities of the Marine Facilities, which increase shall be then in effect, the Net Revenues for the twelve (12) consecutive months shall be adjusted to show the Net Revenues which would have been derived from the Marine Facilities in such twelve (12) consecutive months as if such increased rates, fees or other charges for the product, services or facilities of the Marine Facilities had been in effect during all of such twelve (12) consecutive months; and/or (ii) in connection with the issuance of the Additional Bonds, the Issuer shall enter into a contract satisfactory to each Insurer to use proceeds of such Additional Bonds to purchase Authorized Investments satisfactory to each Insurer, the principal and interest on such Authorized Investments will be used solely to make payments when due on any Bonds Outstanding, the Net Revenues for the twelve (12) consecutive months shall be adjusted to show the Net Revenues which would have been derived in such twelve (12) consecutive months as if amounts to be derived from such Authorized Investments had been received during all of such twelve (12) consecutive months.

(D) Additional Bonds shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and all of the other covenants and other provisions of this Resolution (except as to details of such Additional Bonds inconsistent therewith) shall be for the equal benefit, protection and security of the Holders of all Bonds issued pursuant to this Resolution. Except as provided in Sections 4.02 and 4.05 hereof, all Bonds,

regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Pledged Funds and their sources and security for payment therefrom without preference of any Bonds over any other.

(E) In the event any Additional Bonds are issued for the purpose of refunding any Bonds then Outstanding, the conditions of Section 5.06(A) hereof shall not apply, provided that (1) the issuance of such Additional Bonds shall not result in an increase in the aggregate amount of principal of and interest on the Outstanding Bonds, (2) the issuance of such Additional Bonds shall not result in an increase in the Maximum Annual Debt Service on the Bonds, and (3) the Annual Debt Service on such Additional Bonds in any Fiscal Year does not exceed by more than ten percent (10%) the Annual Debt Service in any corresponding Fiscal Year on the Bonds being refunded. The conditions of Section 5.06(A) hereof shall apply to Additional Bonds issued to refund Subordinated Indebtedness and to Additional Bonds issued for refunding purposes which cannot meet the conditions of the first sentence in this paragraph.

(F) In the event that the total amount of Series 1992 Bonds herein authorized to be issued are not issued simultaneously, such Series 1992 Bonds which are subsequently issued shall be subject to the conditions of Section 5.06(A) hereof.

(G) No Additional Bonds shall be issued hereunder if any Event of Default shall have occurred and be continuing hereunder.

SECTION 5.07. BOND ANTICIPATION NOTES. The Issuer may issue notes in anticipation of the issuance of Bonds which shall have such terms and details and be secured in such manner, not inconsistent with this Resolution, as shall be provided by resolution of the Issuer.

SECTION 5.08. ACCESSION OF SUBORDINATED INDEBTEDNESS TO PARITY STATUS WITH BONDS. The Issuer may provide for the accession of Subordinated Indebtedness to the status of complete parity with the Bonds, if (A) the Issuer shall meet all the requirements imposed upon the issuance of Additional Bonds by Section 5.06 hereof, assuming, for purposes of said requirements, that such Subordinated Indebtedness shall be Additional Bonds, and (B) a subaccount in the Reserve Account is established, upon such accession, which shall contain an amount equal to the Reserve Account Requirement in accordance with Section 4.05(A)(3) hereof. If the aforementioned conditions are satisfied, the Subordinated Indebtedness shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and such Subordinated Indebtedness shall be considered Bonds for all purposes provided in this Resolution.

SECTION 5.09. BOOKS AND RECORDS. The Issuer will keep books and records of the receipt of the Gross Revenues, in accordance with generally accepted accounting principles, and any Credit Bank, Insurer, or Holder or Holders of Bonds shall have the right at all reasonable times to inspect the records, accounts and data of the Issuer relating thereto. The Issuer shall make available to Bondholders without charge upon request, outstanding balances by maturity, redemption history including redemption dates, amount, sources of funds and distribution of the call to maturities and the current status of insurance coverage.

SECTION 5.10. ANNUAL AUDIT. The Issuer shall, within 120 days after the close of each Fiscal Year, cause the financial statements of the Issuer to be properly audited by a recognized independent certified public accountant or recognized independent firm of certified public accountants, and shall require such accountants to complete their report on the annual financial statements in accordance with applicable law. Such annual financial statements shall be in accordance with generally accepted accounting principles, and a report by such accountants disclosing any material default on the part of the Issuer of any covenant or agreement herein which is disclosed by the audit of the financial statements. The annual financial statement shall be prepared in conformity with generally accepted accounting principles. A copy of the audited financial statements for each Fiscal Year shall be furnished to any Credit Bank or Insurer and to any Holder of a Bond who shall have furnished his address to the Secretary and requested in writing that the same be furnished to him. The Issuer shall be permitted to make a reasonable charge for furnishing such audited financial statements, except for copies furnished to any Insurer or Credit Bank.

SECTION 5.11. NO IMPAIRMENT. The pledging of the Pledged Funds in the manner provided herein shall not be subject to repeal, modification or impairment by any subsequent ordinance, resolution or other proceedings of the Issuer.

Such covenants may be set forth in the applicable Supplemental Resolution and shall be binding on the Issuer, the Registrar, the Paying Agent and all the Holders of Bonds the same as if such covenants were set forth in full in this Resolution.

SECTION 5.14. FEDERAL INCOME TAX COVENANTS; TAXABLE BONDS.

(A) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds), that it shall not use the proceeds of such Series of Bonds in any manner which would cause the interest on such Series of Bonds to be included in gross income for purposes of federal income taxation to the extent not otherwise included therein on the date of issuance of each such Series.

(B) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that neither the Issuer nor any Person under its control or direction will make any use of the proceeds of such Series of Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause such Series of Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and neither the Issuer nor any other Person shall do any act or fail to do any act which would cause the interest on such Series of Bonds to become subject to inclusion within gross income for purposes of federal income taxation.

(C) The Issuer hereby covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that it will comply with all provisions of the Code necessary to maintain the exclusion from gross income of interest on the Bonds for purposes of federal income taxation, including, in particular, the payment of any amount required to be rebated to the U.S. Treasury pursuant to the Code.

(D) The Issuer may, if it so elects, issue one or more Series of Taxable Bonds the interest on which is (or may be) includable in the gross income of the Holder thereof for federal income taxation purposes, so long as each Bond of such Series states in the body thereof that interest payable thereon is (or may be) subject to federal income taxation and provided that the issuance thereof will not cause the interest on any other Bonds theretofore issued hereunder to be or become subject to federal income

taxation. The covenants set forth in paragraphs (A), (B) and (C) above shall not apply to any Taxable Bonds.

SECTION 5.15. RESIGNATION AND REMOVAL OF PAYING AGENT AND REGISTRAR. of the State of Florida, or granted and contained in this Resolution, and may enforce and compel the performance of all duties required by this Resolution or by any applicable statutes to be performed by the Issuer or by any officer thereof.

The Holder or Holders of Bonds in an aggregate principal amount of not less than twenty-five percent (25%) of the Bonds then Outstanding may by a duly executed certificate in writing appoint a trustee for Holders of Bonds issued pursuant to this Resolution with authority to represent such Bondholders in any legal proceedings for the enforcement and protection of the rights of such Bondholders and such certificate shall be executed by such Bondholders or their duly authorized attorneys or representatives, and shall be filed in the office of the Secretary. Notice of such appointment, together with evidence of the requisite signatures of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding and the trust instrument under which the trustee shall have agreed to serve shall be filed with the Issuer and the trustee and notice of appointment shall be given to all Holders of Bonds in the same manner as notices of redemption are given hereunder. After the appointment of the first trustee hereunder, no further trustees may be appointed; however, the holders of a majority in aggregate principal amount of all the Bonds then Outstanding may remove the trustee initially appointed and appoint a successor and subsequent successors at any time.

SECTION 6.03. DIRECTIONS TO TRUSTEE AS TO REMEDIAL PROCEEDINGS. The Holders of a majority in principal amount of the Bonds then Outstanding (or any Insurer or Credit Bank insuring or guaranteeing any then Outstanding Bonds) have the right, by an instrument or concurrent instruments in writing executed and delivered to the trustee, to direct the method and place of conducting all remedial proceedings to be taken by the trustee hereunder with respect to the Series of Bonds owned by such Holders or insured by such Insurer or guaranteed by such Credit Bank, provided that such direction shall require the consent of any Insurer or Credit Bank for the corresponding Series of Bonds and shall not be otherwise than in accordance with law or the provisions hereof, and that the trustee shall have the right to decline to follow any such direction which in the opinion of the trustee would be unjustly prejudicial to Holders of Bonds not parties to such direction.

SECTION 6.04. REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Bondholders and any Insurers or Credit Banks is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 6.05. WAIVER OF DEFAULT. No delay or omission of any Bondholder to exercise any right or power accruing upon any

default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given by Section 6.02 hereof to the Bondholders may be exercised from time to time, and as often as may be deemed expedient. No waiver of any Event of Default hereunder shall be granted without the prior written consent of each Insurer and Credit Bank.

SECTION 6.06. APPLICATION OF MONEYS AFTER DEFAULT. If an Event of Default shall happen and shall not have been remedied, the Issuer or a trustee or receiver appointed for the purpose shall apply all Pledged Funds (except as for amounts in the subaccounts of the Reserve Account which shall be applied solely to the payment of the Series of Bonds for which they were established) as follows and in the following order:

A. To the payment of the reasonable and proper charges, expenses and liabilities of the trustee or receiver, Registrar and Paying Agent hereunder;

B. To the payment of the interest and principal or Redemption Price, if applicable, then due on the Bonds, as follows:

(1) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due, in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference;

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due at maturity or upon mandatory redemption prior to maturity (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of Section 8.01 of this Resolution), in the order of their due dates, with interest upon such Bonds from the respective dates upon which they became due, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Persons entitled thereto without any discrimination or preference; and

THIRD: to the payment of the Redemption Price of any Bonds called for optional redemption pursuant to the provisions of this Resolution.

(2) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, with interest thereon as aforesaid, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto without any discrimination or preference; and

(C) To the payment of all fees due any provider of a Reserve Account Insurance Policy or Reserve Account Letter of Credit.

SECTION 6.07. CONTROL BY INSURER OR CREDIT BANKS. Upon the occurrence and continuance of an Event of Default, each Insurer or Credit Bank, if such Insurer or Credit Bank is not in default in its payment obligations under its Bond Insurance Policy or guarantee, as applicable, shall be entitled to direct and control the enforcement of all right and remedies with respect to the Bonds it shall insure or guarantee. Any Insurer or Credit Bank may notify the Paying Agent of an event of default and the Paying Agent will be required to accept such notice of default from any Insurer or Credit Bank. Upon an Event of Default, any Insurer or Credit Bank shall have the right to accelerate the maturity of the Series of Bonds it insures or guarantees and may elect, in its sole discretion, to pay principal and interest accrued on such principal to the date of such payment by such Insurer or Credit Bank and the Paying Agent shall be required to accept such amounts. Payment of such amount shall discharge such Insurer or Credit Bank from all obligations under its Bond Insurance Policy or guarantee. Any Insurer or Credit Bank shall have the right to request the Issuer to intervene in judicial proceedings that affect the Bonds or the security therefor.

ARTICLE VII

SUPPLEMENTAL RESOLUTIONS

SECTION 7.01. SUPPLEMENTAL RESOLUTION WITHOUT BONDHOLDERS' CONSENT. The Issuer, from time to time and at any time, may adopt such Supplemental Resolutions without the consent of the Bondholders, but with the prior consent of the Insurer or Credit Bank with respect to a corresponding Series of Bonds with respect to paragraphs (A), (E), (H) and (J) below only, which Supplemental Resolution shall thereafter form a part hereof, for any of the following purposes:

(A) To cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Resolution or to clarify any matters or questions arising hereunder.

(B) To grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders.

(C) To add to the conditions, limitations and restrictions on the issuance of Bonds under the provisions of this Resolution other conditions, limitations and restrictions thereafter to be observed.

(D) To add to the covenants and agreements of the Issuer in this Resolution other covenants and agreements thereafter to be observed by the Issuer or to surrender any right or power herein reserved to or conferred upon the Issuer.

(E) To specify and determine the matters and things referred to in Sections 2.01, 2.02 or 2.09 hereof, and also any other matters and things relative to such Bonds which are not contrary to or inconsistent with this Resolution as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination at any time prior to the first delivery of such Bonds.

(F) To authorize Additional Projects or to change or modify the description of a Project.

(G) To specify and determine matters necessary or desirable for the issuance of Capital Appreciation Bonds or Variable Rate Bonds.

(H) To provide for the establishment of a subaccount in the Reserve Account which shall equally and ratably secure more than one Series of Bonds issued hereunder; provided the establishment of such subaccount shall not materially adversely affect the security of any Outstanding Bonds.

(I) To authorize the issuance of Additional Bonds pursuant to Section 5.02 hereof.

(J) To make any other change that, in the opinion of the Issuer, would not materially adversely affect the security for the Bonds. In making any such determination, the Issuer shall not take into account the existence of any Bond Insurance Policy.

SECTION 7.02. SUPPLEMENTAL RESOLUTION WITH BONDHOLDERS' AND INSURER'S OR CREDIT BANK'S CONSENT. Subject to the terms and provisions contained in this Section 7.02 and Section 7.01 hereof, the Holder or Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption of such Supplemental Resolution or Resolutions hereto as shall be deemed necessary or desirable by the Issuer for the purpose of supplementing, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series or maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 7.02. Any Supplemental Resolution which is adopted in accordance with the provisions of this Section 7.02 shall also require the written consent of the Insurer or Credit Bank guaranteeing or insuring any Bonds which are Outstanding at the time such Supplemental Resolution shall take effect. No Supplemental Resolution may be approved or adopted which shall permit or require (A) an extension of the maturity of the principal of or the payment of the interest on any Bond issued hereunder, (B) reduction in the principal amount of any Bond or the Redemption Price or the rate of interest thereon, (C) the creation of a lien upon or a pledge of the Pledged Funds other than the lien and pledge created by this Resolution which adversely affects any Bondholders, (D) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (E) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Resolution. Nothing herein contained, however, shall be construed as making necessary the approval by Bondholders or the Insurer of the adoption of any Supplemental Resolution as authorized in Section 7.01 hereof.

If at any time the Issuer shall determine that it is necessary or desirable to adopt any Supplemental Resolution pursuant to this Section 7.02, the Secretary shall cause the Registrar to give notice of the proposed adoption of such Supplemental Resolution and the form of consent to such adoption to be mailed, postage prepaid, to all Bondholders at their addresses as they appear on the

registration books. Such notice shall briefly set forth the nature of the proposed Supplemental Resolution and shall state that copies thereof are on file at the offices of the Secretary and the Registrar for inspection by all Bondholders. The Issuer shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause the notice required by this Section 7.02 to be mailed and any such failure shall not affect the validity of such Supplemental Resolution when consented to and approved as provided in this Section 7.02.

Whenever the Issuer shall deliver to the Secretary an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Issuer may adopt such Supplemental Resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such Supplemental Resolution shall have consented to and approved the adoption thereof as herein provided, no Holder of any Bond shall have any right to object to the adoption of such Supplemental Resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any Supplemental Resolution pursuant to the provisions of this Section 7.02, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Issuer and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

SECTION 7.03. AMENDMENT WITH CONSENT OF INSURER OR CREDIT BANK ONLY. If all of the Bonds Outstanding hereunder are insured or guaranteed as to payment of principal and interest by an Insurer or Insurers or Credit Bank or Credit Banks, and the Bonds, at the time of the hereinafter described amendment, shall be rated by the rating agencies which shall have rated the Bonds at the time such Bonds were insured or guaranteed no lower than the ratings assigned thereto by such rating agencies on the date of being insured or guaranteed, the Issuer may enact one or more Supplemental Resolutions amending all or any part of Articles I, IV, V and VI hereof with the written consent of said Insurer or Insurers or

Credit Bank or Credit Banks and the acknowledgment by said Insurer or Insurers or Credit Bank or Credit Banks, that its insurance or guaranty policy will remain in full force and effect. The consent of the Holders of any Bonds shall not be necessary. The foregoing right of amendment, however, does not apply to any amendment to Section 5.10 hereof with respect to the exclusion, if applicable, of interest on said Bonds from gross income for purposes of federal income taxation nor may any such amendment deprive the Holders of any Bond of right to payment of the Bonds from, and their lien on, the Pledged Funds to the extent provided herein. Upon filing with the Secretary of evidence of such consent of the Insurer or Insurers or Credit Bank or Credit Banks as aforesaid, the Issuer may adopt such Supplemental Resolution. After the adoption by the Issuer of such Supplemental Resolution, notice thereof shall be mailed in the same manner as notice of an amendment under Section 7.02 hereof. Copies of any Supplemental Resolution proposed to be adopted pursuant to this Section 7.03 shall be provided to Moody's and Standard & Poor's at least ten business days prior to such adoption.

SECTION 7.04. TRANSCRIPT OF DOCUMENTS TO INSURERS AND CREDIT BANKS. The Issuer shall provide each Insurer and Credit Bank with a complete transcript of all proceedings relating to the execution of any Supplemental Resolution.

ARTICLE VIII

MISCELLANEOUS

SECTION 8.01. DEFEASANCE. If the Issuer shall (i) pay or cause to be paid or there shall otherwise be paid to the Holders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution and (ii) shall cause to be paid all amounts owing to the issuer of any Reserve Account Insurance Policy or Reserve Account Letter of Credit, then the pledge of the Pledged Funds, and all covenants, agreements and other obligations of the Issuer to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Paying Agents shall pay over or deliver to the Issuer all money or securities held by them pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

Any Bonds or interest installments appertaining thereto, whether at or prior to the maturity or redemption date of such Bonds, shall be deemed to have been paid within the meaning of this Section 8.01 if (A) in case any such Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (B) there shall have been deposited in irrevocable trust with a banking institution or trust company by or on behalf of the Issuer either moneys in an amount which shall be sufficient, or Refunding Securities the principal of and the interest on which when due, as verified by a nationally recognized certified public accountant or firm of certified public accountants submitted to each Insurer and Credit Bank will provide moneys which, together with the moneys, if any, deposited with such bank or trust company at the same time shall be sufficient, to pay the principal of or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be. Except as hereafter provided, neither the Refunding Securities nor any moneys so deposited with such bank or trust company nor any moneys received by such bank or trust company on account of principal of or Redemption Price, if applicable, or interest on said Refunding Securities shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal of or Redemption Price, if applicable, of the Bonds for the payment or redemption of which they were deposited and the interest accruing thereon to the date of maturity or redemption; provided, however, the Issuer may substitute new Refunding Securities and moneys for the deposited Refunding Securities and moneys if the new Refunding Securities and moneys are sufficient to pay the principal of or Redemption Price,

if applicable, and interest on the refunded Bonds. The Issuer shall provide an opinion of Bond Counsel to the effect that such Bonds are no longer outstanding hereunder in connection with any defeasance of Bonds prior to the maturity date thereof in accordance with this Section 8.01. The accountant's verification and the legal opinion referenced in the preceding paragraph shall each be addressed to the Issuer and any Insurer or Credit Bank.

For purposes of determining whether Variable Rate Bonds shall be deemed to have been paid prior to the maturity or the redemption date thereof, as the case may be, by the deposit of moneys, or specified Refunding Securities and moneys, if any, in accordance with this Section 8.01, the interest to come due on such Variable Rate Bonds on or prior to the maturity or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than the Maximum Interest Rate for any period, the total amount of moneys and specified Refunding Securities on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to satisfy this Section 8.01, such excess shall be paid to the Issuer free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under this Resolution.

In the event the Bonds for which moneys are to be deposited for the payment thereof in accordance with this Section 8.01 are not by their terms subject to redemption within the next succeeding sixty (60) days, the Issuer shall cause the Registrar to mail a notice to the Holders of such Bonds that the deposit required by this Section 8.01 of moneys or Refunding Securities has been made and said Bonds are deemed to be paid in accordance with the provisions of this Section 8.01 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of or Redemption Price, if applicable, and interest on said Bonds.

Nothing herein shall be deemed to require the Issuer to call any of the Outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to impair the discretion of the Issuer in determining whether to exercise any such option for early redemption.

In the event that the principal of or Redemption Price, if applicable, and interest due on the Bonds shall be paid by an Insurer or Insurers or Credit Bank or Credit Banks, such Bonds shall remain Outstanding, shall not be defeased and shall not be considered paid by the Issuer, and the pledge of the Pledged Funds and all covenants, agreements and other obligations of the Issuer to the Bondholders shall continue to exist and such Insurer or

Insurers or Credit Bank or Credit Banks shall be subrogated to the rights of such Bondholders.

SECTION 8.02. CAPITAL APPRECIATION BONDS. For the purposes of (A) receiving payment of the Redemption Price if a Capital Appreciation Bond is redeemed prior to maturity, or (B) receiving payment of a Capital Appreciation Bond if the principal of all Bonds becomes due and payable under the provisions of this Resolution, or (C) computing the amount of Bonds held by the Holder of a Capital Appreciation Bond in giving to the Issuer or any trustee or receiver appointed to represent the Bondholders any notice, consent, request or demand pursuant to this Resolution for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value.

SECTION 8.03. SALE OF BONDS. The Bonds shall be issued and sold at public or private sale at one time or in installments from time to time and at such price or prices as shall be consistent with the provisions of the Act, the requirements of this Resolution and other applicable provisions of law.

SECTION 8.04. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants, agreements or provisions of this Resolution shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements and provisions of this Resolution and shall in no way affect the validity of any of the other covenants, agreements or provisions hereof or of the Bonds issued hereunder.

SECTION 8.05. VALIDATION AUTHORIZED. To the extent deemed necessary by Bond Counsel or desirable by Counsel for the Issuer, the Counsel for the Issuer is authorized to institute appropriate proceedings for validation of the Bonds herein authorized pursuant to Chapter 75, Florida Statutes.

SECTION 8.06. REPEAL OF INCONSISTENT RESOLUTIONS. All ordinances, resolutions or parts thereof in conflict herewith are hereby superseded and repealed to the extent of such conflict.

SECTION 8.07. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

DULY ADOPTED this 7th day of October, 1992.

BE IT RESOLVED BY THE CANAVERAL PORT AUTHORITY as follows:

SECTION 1. AMENDMENT AND RESTATEMENT OF RESOLUTION NO. 96-6. Resolution No. 96-6 of the Canaveral Port Authority, adopted April 17, 1996, is hereby amended and restated in its entirety to read as follows:

"SECTION 1. FINDINGS. It is hereby found and determined that:

(A) On October 7, 1992, the Canaveral Port Authority (the "Issuer") duly adopted Resolution No. 92-8. Resolution 92-8 has been supplemented by Resolution No. 92-9, adopted on October 7, 1992. Resolution 92-8 as supplemented prior to the date hereof, is referred to herein as the "Original Resolution."

(B) The Original Resolution, as supplemented hereby, is referred to herein as the "Bond Resolution".

(C) The Original Resolution provides for the issuance of Additional Bonds, upon meeting the requirements set forth in the Original Resolution.

(D) The Issuer deems it to be in the best interests of its citizens and taxpayers to issue its Port Improvement Revenue Bonds, Series 1996A (the "1996A Bonds") for purposes of funding the "1996A Project," as more fully described herein, and to issue its Port Improvement Revenue Refunding Bonds, Series 1996B (the "1996B Bonds") for the purpose of refunding all of the Issuer's Revenue Bonds, Series 1975-B and Refunding Revenue Bonds, Series 1976 (collectively, the "Refunded Bonds") and financing certain capital improvements within the Canaveral Port District (the "1996B Project," as more particularly described herein). The 1996A Bonds and 1996B Bonds are referred to collectively as the "Series 1996 Bonds."

(E) For the payment of said Refunded Bonds, the Issuer shall, as provided herein, deposit part of the proceeds derived from the sale of the 1996B Bonds in an irrevocable trust fund (the "Escrow Fund") which, together with other moneys deposited therein, shall be sufficient, at the time of such deposit, to pay and refund the Refunded Bonds as the same become due and payable or are redeemed prior to maturity, as provided in this Resolution and the Escrow Deposit Agreement (the "Escrow Agreement") between the Issuer and Sun Bank, National Association, Orlando, Florida (the "Escrow Agent").

(F) Except as expressly amended hereby, the covenants, pledges and conditions in the Original Resolution shall be applicable to the Series 1996 Bonds herein authorized to the same extent as the Issuer's outstanding Port Improvement Revenue Refunding Bonds, Series 1992 (the "Series 1992 Bonds"), and said Series 1996 Bonds shall constitute "Bonds" within the meaning of the Original Resolution.

(G) The principal of and interest on the Series 1996 Bonds and all required sinking fund, reserve and other payments shall be limited obligations of the Issuer, payable solely from the Pledged Funds, as provided in the Bond Resolution, on a parity with the Series 1992 Bonds. The Series 1996 Bonds shall not constitute a general obligation, or a pledge of the faith, credit or taxing power of the Issuer, the State of Florida, or any political subdivision thereof, within the meaning of any constitutional or statutory provisions. Neither the State of Florida, nor any political subdivision thereof, nor the Issuer shall be obligated (1) to exercise its ad valorem taxing power in any form on any real or personal property of or in the Issuer to pay the principal of the Series 1996 Bonds, the interest thereon, or other costs incidental thereto or (2) to pay the same from any other funds of

the Issuer except from the Pledged Funds, in the manner provided in the Bond Resolution.

(H) Due to the present volatility of the market for tax-exempt obligations such as the Series 1996 Bonds, it is in the best interest of the Issuer to sell the Series 1996 Bonds by a negotiated sale, allowing the Issuer to enter the market at the most advantageous time, rather than at a specified advertised date, thereby permitting the Issuer to obtain the best possible price and interest rate for the Series 1996 Bonds. The Issuer acknowledges receipt of the information required by Section 218.385, Florida Statutes, in connection with the negotiated sale of the Series 1996 Bonds. A copy of the letter of the underwriter for said Series 1996 Bonds containing the aforementioned information is required to be attached to the Purchase Contract referred to below.

(I) Smith Barney Inc. (the "Underwriter") expects to offer to purchase the Series 1996 Bonds from the Issuer and submit a Bond Purchase Contract in the form attached hereto as Exhibit A (the "Purchase Contract") expressing the terms of such offer, and, assuming compliance with the provisions of Section 8 hereof, the Issuer does hereby find and determine that it is in the best financial interest of the Issuer that the terms expressed in the Purchase Contract be accepted by the Issuer.

(J) The Original Resolution provides that Bonds such as the Series 1996 Bonds shall mature on such dates and in such amounts, shall bear such rates of interest, shall be payable in such places and shall be subject to such redemption provisions as shall be determined by Supplemental Resolution adopted by the Issuer; and it is now appropriate that the Issuer determine parameters for such terms and details.

SECTION 2. AUTHORITY FOR THIS SUPPLEMENTAL RESOLUTION. This Supplemental Resolution is adopted pursuant to Section 5.06 of Resolution 92-8, the provisions of the Act (as defined in the Original Resolution) and other applicable provisions of law. When used in this Supplemental Resolution, the terms defined in the Original Resolution shall have the meanings therein stated, except as set forth below.

SECTION 3. AUTHORIZATION AND DESCRIPTION OF THE SERIES 1996 BONDS. The Issuer hereby determines to issue a series of Bonds in an aggregate principal amount of not exceeding \$16,000,000, to be known as "Port Improvement Revenue Bonds, Series 1996A" for the principal purpose of funding a portion of the cost of the 1996A Project (as hereinafter defined), and to issue a series of Bonds in an aggregate principal amount of not exceeding \$16,000,000 to be known as "Port Improvement Revenue Refunding Bonds, Series 1996B," for the principal purpose of advance refunding the Refunded Bonds and funding a portion of the cost of the 1996B Project. The Series 1996 Bonds shall be deemed a single Series of Bonds for purposes of the Bond Resolution. The "1996A

Project" shall consist of the acquisition and construction of a cruise ship terminal facility and certain waterside improvements related thereto pursuant to that certain Marine Terminal Agreement, dated as of May 17, 1995, between the Authority and DCL Port Facilities Corporation. The "1996B Project" shall consist of capital improvements approved by the Board of the Issuer in its Capital Improvement Plan, as may be modified by Supplemental Resolution of the Issuer. The 1996A Project and the 1996B Project are referred to collectively herein as the "1996 Project."

The Series 1996 Bonds shall be dated as of the date set forth in the Purchase Contract; shall be issued as fully registered Bonds, numbered consecutively from one upward in order of maturity with the prefix "R"; shall bear interest from their dated date, payable semi-annually, on June 1 and December 1 of each year, commencing on December 1, 1996, at such rates and maturing in such amounts on June 1 of such years as set forth in the Purchase Contract. The Series 1996 Bonds shall be issued in denominations of \$5,000 and any integral multiple thereof.

The Series 1996 Bonds shall be subject to optional and mandatory redemption as set forth in the Purchase Contract.

The principal of, or redemption price, as applicable, or maturity amount, as applicable, of the Series 1996 Bonds, shall be payable at the corporate trust office of the Paying Agent for the Series 1996 Bonds appointed in Section 10 hereof, or its successor, upon presentation of the Series 1996 Bonds. Payment of interest on the Series 1996 Bonds shall be made to the owner thereof and shall be paid by check or draft of the Paying Agent to the Holder in whose name the Series 1996 Bond is registered at the close of business on the 15th day of the month (whether or not a business day) next preceding the interest payment date, or, unless otherwise provided by Supplemental Resolution, at the option of the Paying Agent, and at the request and expense of such Holder, by bank wire transfer for the account of such Holder. All payments shall be made in accordance with and pursuant to the terms of the Bond Resolution and the Series 1996 Bonds and shall be payable in any coin and currency of the United States of America which, at the time of payment, is legal tender for the payment of public or private debts.

SECTION 4. APPLICATION OF SERIES 1996 BOND PROCEEDS. (A)

The proceeds derived from the sale of the Series 1996A Bonds, including accrued interest, shall, simultaneously with the delivery of the Series 1996A Bonds to the Underwriter, be applied by the Issuer as follows:

(i) Accrued interest shall be deposited in the Payment Account and shall be used only for the purpose of paying the interest which shall thereafter become due on the Series 1996 Bonds.

(ii) A sufficient amount of Series 1996A Bond proceeds shall be deposited into the Reserve Account which, together with other amounts on deposit therein and any amounts transferred from the reserve account for the Refunded Bonds, proceeds of the Series 1996B Bonds and any Reserve Account Insurance Policy and/or Reserve Account Letter of Credit obtained in accordance with the provisions of the Bond Resolution, shall equal the Reserve Account Requirement.

(iii) An amount of Series 1996A Bond proceeds sufficient to repay all notes outstanding under the Line of Credit Agreement, dated as of November 15, 1995, between the Issuer and Barnett Bank of Central Florida, N.A., expended for the 1996A Project shall be applied for such purpose.

(iv) To the extent not paid or reimbursed by the Underwriter of the Series 1996A Bonds, proceeds shall be used to pay all costs and expenses in connection with the preparation, issuance and sale of the Series 1996A Bonds, including, without limitation, the fees and expenses of engineers, accountants, rating agencies, attorneys and financial advisors, and the premium for any municipal bond insurance and debt service reserve fund insurance policies, to those persons who shall be entitled to receive the same.

(v) Any remaining Series 1996A Bond proceeds shall be deposited into the Series 1996A Account of the Construction Fund and used to pay the costs of the acquisition and construction of the 1996A Project.

(B) The proceeds derived from the sale of the Series 1996B Bonds, including accrued interest, shall, simultaneously with the delivery of the Series 1996B Bonds to the Underwriter, be applied by the Issuer as follows:

(i) Accrued interest shall be deposited in the Payment Account and shall be used only for the purpose of paying the interest which shall thereafter become due on the Series 1996 Bonds.

(ii) A sufficient amount of Series 1996B Bond proceeds shall be deposited into the Reserve Account which, together with other amounts on deposit therein and any amounts transferred from the reserve account for the Refunded Bonds, proceeds of the Series 1996A Bonds and any Reserve Account Insurance Policy and/or Reserve Account Letter of Credit obtained in accordance with the provisions of the Bond Resolution, shall equal the Reserve Account Requirement.

(iii) An amount of Series 1996B Bond proceeds shall be deposited irrevocably in trust in the Escrow Fund under the terms and provisions of the Escrow Agreement. Such moneys, together with other amounts available therefor, shall be invested in obligations of the United States of America in the manner set forth in the

Escrow Agreement, which investments shall mature at such times and in such amounts as shall be sufficient to pay the principal of, redemption premium, if any, and interest on the Refunded Bonds as the same mature and become due and payable or are redeemed prior to maturity.

(iv) An amount of Series 1996B Bond proceeds sufficient to repay all notes outstanding under the Line of Credit Agreement, dated as of November 15, 1995, between the Issuer and Barnett Bank of Central Florida, N.A., expended for the 1996B Project shall be applied for such purpose.

(v) To the extent not paid or reimbursed by the Underwriter of the Series 1996B Bonds, proceeds shall be used to pay all costs and expenses in connection with the preparation, issuance and sale of the Series 1996B Bonds, including, without limitation, the fees and expenses of engineers, accountants, rating agencies, attorneys and financial advisors, and the premium for any municipal bond insurance and debt service reserve fund insurance policies, to those persons who shall be entitled to receive the same.

(vi) Any remaining Series 1996B Bond proceeds shall be deposited into the Series 1996B Account of the Construction Fund and used to pay the costs of the acquisition and construction of the 1996B Project.

SECTION 5. DEFINITIONS. (A) The following definition shall be added to the defined terms set forth in Article I of the Original Resolution: "Supplemental Revenues" shall mean amounts received by the Authority from amounts deposited into the State Transportation Trust Fund for purposes of funding the Florida Seaport Transportation and Economic Development Program pursuant to Section 320.20, Florida Statutes.

(B) With the prior written consent of each Insurer, the definition of "Pledged Funds" set forth in the Original Resolution may be amended to read as follows: "Pledged Funds" shall mean (1) the Gross Revenues, (2) the Supplemental Revenues (provided that such Supplemental Revenues shall only be available to secure such Series of Bonds as established by Supplemental Resolution of the Authority) and (3) until applied in accordance with the provisions of this Resolution, all moneys, including investments thereof, in the funds and accounts established hereunder, other than the Unrestricted Revenue Account and the Rebate Fund.

SECTION 6. RESERVE ACCOUNT. Section 4.05(A)(3) of the Original Resolution is hereby amended in its entirety to read as follows:

"(3) Reserve Account. There shall be deposited to the Reserve Account an amount which shall not be less than one twelfth (1/12) of the amount which would enable the

Issuer to restore the funds on deposit in the Reserve Account to an amount equal to the Reserve Account Requirement applicable thereto in one (1) year from the date of any shortfall, whether such shortfall was caused by decreased market value or withdrawal (whether from cash or a Reserve Account Insurance Policy or Reserve Account Letter of Credit); provided deficiencies resulting from a decrease in market value of investments in the Reserve Account must be remedied only if the market value of such investments is less than ninety-five percent (95%) of the Reserve Account Requirement on the immediately preceding date of valuation as provided in Section 4.07 hereof. On or prior to each principal payment date and Interest Date for the Bonds, moneys in the Reserve Account shall be applied by the Issuer to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds to the extent moneys in the Payment Account and Restricted Revenue Account shall be insufficient for such purpose. Whenever there shall be surplus moneys in the Reserve Account by reason of a decrease in the Reserve Account Requirement, such surplus moneys shall be deposited by the Issuer into the Payment Account. The Issuer shall inform each Insurer and Credit Bank of any draw upon the Reserve Account for purposes of paying the principal of and interest on the Bonds.

Upon the issuance of any Series of Bonds under the terms, limitations and conditions as herein provided, the Issuer shall, on the date of delivery of such Series of Bonds, fund the Reserve Account in an amount at least equal to the Reserve Account Requirement.

Notwithstanding the foregoing provisions, in lieu of the required deposits into the Reserve Account, the Issuer may cause to be deposited into the Reserve Account a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit for the benefit of the Bondholders in an amount equal to the difference between the Reserve Account Requirement applicable thereto and the sums then on deposit in the Reserve Account, if any. The Issuer may also substitute a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit for cash on deposit

in the Reserve Account upon compliance with the terms of this Section 4.05(A)(3). Such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit shall be payable to the Paying Agent (upon the giving of notice as required thereunder) on any principal payment date or Interest Date on which a deficiency exists which cannot be cured by moneys in any other fund or account held pursuant to this Resolution and available for such purpose. A Reserve Account Insurance Policy issued to the Paying Agent, as agent of the Bondholders, by a company licensed to issue an insurance policy guaranteeing the timely payment of debt service on the Bonds (a "municipal bond insurer") may be deposited in the Reserve Account to meet the Reserve Account Requirement if the claims-paying ability of the issuer thereof shall be rated at least "AAA" by S&P or at least "Aaa" by Moody's. A Reserve Account Insurance Policy issued to the Paying Agent, as agent of the Bondholders, by an entity other than a municipal bond insurer, may be deposited in the Reserve Account to meet the Reserve Account Requirement if the form and substance of such Reserve Account Insurance Policy and the issuer thereof shall be approved by each Insurer.

A Reserve Account Letter of Credit issued to the Paying Agent, as agent of the Bondholders, by a bank may be deposited in the Reserve Account to meet the Reserve Account Requirement if the issuer thereof is rated at least "AA" by S&P. The Reserve Account Letter of Credit shall be payable in one or more draws upon presentation by the beneficiary of a sight draft accompanied by its certificate that it then holds insufficient funds to make a required payment of principal or interest on the Bonds. The draws shall be payable within two days of presentation of the sight draft. The Reserve Account Letter of Credit shall be for a term of not less than three years and shall be subject to an "evergreening" feature so as to provide the Issuer with at least 30 months' notice of termination. The issuer of the Reserve Account Letter of Credit shall be required to notify the Issuer and the Paying Agent, not later than 30 months prior to the stated expiration date of the Reserve Account Letter of Credit, as to whether such

expiration date shall be extended, and if so, shall indicate the new expiration date. If such notice indicates that the expiration date shall not be extended, the Issuer shall deposit in the Reserve Account an amount sufficient to cause the cash or Authorized Investments on deposit in the Reserve Account, together with any other Reserve Account Insurance Policies and Reserve Account Letters of Credit, to equal the Reserve Account Requirement on all Outstanding Bonds, such deposit to be paid in equal installments on at least a semiannual basis over the remaining term of the Reserve Account Letter of Credit, unless the Reserve Account Letter of Credit is replaced by a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit meeting the requirements of this Section 4.05(A)(3). The Reserve Account Letter of Credit shall permit a draw in full not less than two weeks prior to the expiration or termination of such Reserve Account Letter of Credit if the Reserve Account Letter of Credit has not been replaced or renewed or the Reserve Account fully funded. The Paying Agent shall draw upon the Reserve Account Letter of Credit prior to its expiration or termination unless an acceptable replacement is in place or the Reserve Account is fully funded in its required amount.

The use of any Reserve Account Insurance Policy or Reserve Account Letter of Credit pursuant to this Section 4.05(A)(3) shall be subject to receipt of an opinion of counsel acceptable to each Insurer in form and substance satisfactory to each Insurer as to the due authorization, execution, delivery and enforceability of such instrument in accordance with its terms, subject to applicable laws affecting creditors' rights generally, and, in the event the issuer of such Reserve Account Insurance Policy or Reserve Account Letter of Credit is not a domestic entity, an opinion of foreign counsel in form and substance satisfactory to each Insurer. In addition, the use of a Reserve Account Letter of Credit shall be subject to receipt of an opinion of counsel acceptable to each Insurer in form and substance satisfactory to each Insurer to the effect that payments under such Reserve Account Letter of Credit would not constitute

avoidable preferences under Section 547 of the United States Bankruptcy Code or similar state laws with avoidable preference provisions in the event of the filing of a petition for relief under the United States Bankruptcy Code or similar state laws by or against the issuer of the Bonds (or any other account party under the Reserve Account Letter of Credit).

The obligation to reimburse the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit for any fees or expenses or claims or draws upon such Reserve Account Insurance Policy or Reserve Account Letter of Credit shall be subordinate to the payment of debt service on the Bonds. The right of the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit to payment or reimbursement of its fees and expenses shall be subordinated to cash replenishment of the Reserve Account, and, subject to the second succeeding sentence of this paragraph, its right to reimbursement for claims or draws shall be on a parity with the cash replenishment of the Reserve Account. Each Reserve Account Insurance Policy and Reserve Account Letter of Credit shall provide for a revolving feature under which the amount available thereunder will be reinstated to the extent of any reimbursement of draws or claims paid. If the revolving feature is suspended or terminated for any reason, the right of the issuer of the Reserve Account Insurance Policy or Reserve Account Letter of Credit to reimbursement will be further subordinated to cash replenishment of the Reserve Account to an amount equal to the difference between the full original amount available under the Reserve Account Insurance Policy or Reserve Account Letter of Credit and the amount then available for further draws or claims. In the event (a) the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit becomes insolvent, or (b) the issuer of a Reserve Account Insurance Policy or Reserve Account Letter of Credit defaults in its payment obligations thereunder, or (c) the claims-paying ability of the issuer of the Reserve Account Insurance Policy falls below "AAA" by S&P or "Aaa" by Moody's, or (d) the rating of the issuer of the Reserve Account Letter of Credit falls below "AA" by S&P, the obligation to reimburse the issuer of such

Reserve Account Insurance Policy or Reserve Account Letter of Credit shall be subordinate to the cash replenishment of the Reserve Account.

In the event (a) the revolving reinstatement feature described in the preceding paragraph is suspended or terminated, or (b) the rating of the claims-paying ability of the issuer of the Reserve Account Insurance Policy falls below "AAA" by S&P or "Aaa" by Moody's, or (c) the rating of the issuer of the Reserve Account Letter of Credit falls below "AA" by S&P, the Issuer shall either (i) deposit into the Reserve Account an amount sufficient to cause the cash or Authorized Investments on deposit in the Reserve Account to equal the Reserve Account Requirement on all Outstanding Bonds, such amount to be paid over the ensuing five years in equal installments deposited at least semiannually or (ii) replace such Reserve Account Insurance Policy or Reserve Account Insurance Letter of Credit with a Reserve Account Insurance Policy or Reserve Account Letter of Credit meeting the requirements provided herein within six months of such occurrence. In the event (a) the rating of the claims-paying ability of the issuer of the Reserve Account Insurance Policy falls below "A", or (b) the rating of the issuer of the Reserve Account Letter of Credit falls below "A", or (c) the issuer of the Reserve Account Insurance Policy or Reserve Account Letter of Credit defaults in its payment obligations hereunder, or (d) the issuer of the Reserve Account Insurance Policy or Reserve Account Letter of Credit becomes insolvent, the Issuer shall either (i) deposit into the Reserve Account an amount sufficient to cause the cash or Authorized Investments on deposit in the Reserve Account to equal the Reserve Account Requirement on all Outstanding Bonds, such amount to be paid over the ensuing year in equal installments on at least a monthly basis, or (ii) replace such instrument with a Reserve Account Insurance Policy or Reserve Account Letter of Credit meeting the requirements provided herein within six months of such occurrence. The amount available for draws or claims under the Reserve Account Insurance Policy or Reserve Account Letter of Credit may be reduced by the amount of cash or

Authorized Investments deposited in the Reserve Account.

Cash on deposit in the Reserve Account shall be used (or investments purchased with such cash shall be liquidated and the proceeds applied as required) prior to any drawing on any Reserve Account Insurance Policy or Reserve Account Letter of Credit. If and to the extent that more than one Reserve Account Insurance Policy or Reserve Account Letter of Credit is deposited in the Reserve Account, drawings thereunder and repayments of costs associated therewith shall be made on a pro rata basis, calculated by reference to the maximum amounts available thereunder.

If a disbursement is made from a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit provided pursuant to this Section 4.05(A)(3), the Issuer shall reinstate the maximum limits of such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit immediately following such disbursement from moneys received in accordance with the provisions of this Section 4.05(A)(3).

If three (3) days prior to an interest payment or redemption date, the Issuer shall determine that a deficiency exists in the amount of moneys available to pay in accordance with the terms hereof interest and/or principal due on the Bonds on such date, the Issuer shall immediately notify (A) the issuer of the applicable Reserve Account Insurance Policy and/or the issuer of the Reserve Account Letter of Credit, and (B) the Insurer, if any, of the amount of such deficiency and the date on which such payment is due, and shall take all action to cause such issuer or Insurer to provide moneys sufficient to pay all amounts due on such interest payment date.

The Issuer may evidence its obligation to reimburse the issuer of any Reserve Account Letter of Credit or Reserve Account Insurance Policy by executing and delivering to such issuer a promissory note therefor, provided, however, any such note (a) shall not be a general obligation of the Issuer the payment of which is secured by the full faith and

credit or taxing power of the Issuer, and (b) shall be payable solely from the Pledged Funds in the manner provided herein.

Any consent or approval of any Insurer described in this Section 4.05(A)(3) shall be required only so long as there are Outstanding Bonds secured by a Bond Insurance Policy issued by such Insurer which is in full force and effect and the commitments of which have been honored by such Insurer. The term "Paying Agent" as used in this Section 4.05(A)(3) may include one or more Paying Agents for the Outstanding Bonds.

If any Reserve Account Letter of Credit or Reserve Account Insurance Policy shall terminate prior to the stated expiration date thereof, the Issuer agrees that it shall fund the Reserve Account over a period not to exceed sixty (60) months during which it shall make consecutive equal monthly payments in order that the amount on deposit in the Reserve Account shall equal the Reserve Account Requirement; provided, the Issuer may obtain a new Reserve Account Letter of Credit or a new Reserve Account Insurance Policy in lieu of making the payments required by this paragraph.

Whenever the amount of cash or securities in the Reserve Account, together with the other amounts in the Debt Service Fund, are sufficient to fully pay all Outstanding Bonds in accordance with their terms (including principal or applicable Redemption Price and interest thereon), the funds on deposit in the Reserve Account may be transferred to the other Accounts of the Debt Service Fund for the payment of the Bonds.

The Issuer may also establish a separate subaccount in the Reserve Account for any Series of Bonds and provide a pledge of such subaccount to the payment of such Series of Bonds apart from the pledge provided herein. To the extent a Series of Bonds is secured separately by a subaccount of the Reserve Account, the Holders of such Bonds shall not be secured by any other moneys in the Reserve Account. Moneys in a separate subaccount of the Reserve Account shall be maintained at the Reserve Account Requirement applicable to such

Series of Bonds secured by the subaccount unless otherwise provided by Supplemental Resolution. Moneys shall be deposited to separate subaccounts in the Reserve Account on a pro rata basis. In the event the Issuer shall maintain a Reserve Account Insurance Policy or Reserve Account Letter of Credit and moneys in such subaccount, the moneys shall be used prior to making any disbursements under such Reserve Account Insurance Policy or Reserve Account Letter of Credit."

All provisions of the Original Resolution which reference a "subaccount" of the Reserve Account shall be deemed to refer to the entire Reserve Account unless the Issuer specifically establishes a subaccount pursuant to Section 4.05(A)(3). No subaccount shall be deemed to have been established with respect to the Series 1992 Bonds, and the Series 1992 Bonds shall be secured by the Reserve Account on the same basis as the Series 1996 Bonds and, unless a subaccount is established therefor, any Additional Bonds issued pursuant to the Resolution.

SECTION 7. RATE COVENANT. Section 5.04 of the Original Resolution is hereby amended to read as follows: "The Issuer shall, to the extent permitted by law, fix, establish and maintain such rates and collect such fees, rates or other charges for the product, services and facilities of its Marine Facilities, and revise the same from time to time, whenever necessary, as will always provide in each Fiscal Year, Net Revenues and, with the prior written consent of each Insurer, Supplemental Revenues adequate at all times to pay in each Fiscal Year at least one hundred twenty-five percent (125%) of the Annual Debt Service on all Outstanding Bonds and one hundred percent (100%) of any amounts required by the terms hereof to be deposited in the Reserve Account or with any issuer of a Reserve Account Letter of Credit or Reserve Account Insurance Policy as a result of a withdrawal from the Reserve Account. The Issuer hereby represents that it has the power to raise its rates and charges for the use of the Marine Facilities without the approval of any regulatory body. For purposes of the above-referenced covenant, Annual Debt Service with respect to any Variable Rate Bonds shall be calculated based on an interest rate equal to the maximum rate on such Variable Rate Bonds during the preceding twelve-month period, not to exceed the Maximum Interest Rate."

SECTION 8. ADDITIONAL BONDS. (A) Section 5.06(A) of the Original Resolution is hereby amended to read as follows: "Except as otherwise provided in Section 5.06(E) hereof, there shall have been obtained and filed with the Issuer a statement of an independent certified public accountant of reasonable experience and responsibility: (1) stating that the books and records of the Issuer relating to the Net Revenues and Supplemental Revenues have been examined by him; (2) setting forth the amount of the Net

Revenues and Supplemental Revenues which have been received by the Issuer during any twelve (12) consecutive months designated by the Issuer within the twenty-four (24) months immediately preceding the date of delivery of such Additional Bonds with respect to which such statement is made; and (3) stating that the amount of the Net Revenues and Supplemental Revenues, adjusted as hereinafter provided, received during the aforementioned 12-month period equals at least (a) 1.25 times the Maximum Annual Debt Service of the Senior Obligations and all Bonds then Outstanding; and such Additional Bonds with respect to which such statement is made and (b) 1.00 times any amounts required by the terms hereof to be deposited in the Reserve Account and any amounts then owing to the issuer of any Reserve Account Letter of Credit or Reserve Account Insurance Policy as a result of a drawdown on such Reserve Account Letter of Credit or Reserve Account Insurance Policy; provided, however that Supplemental Revenues may not be included in the aforesaid calculation without the prior written consent of each Insurer. Notwithstanding anything herein contained to the contrary, if amounts owed to the issuer of any Reserve Account Letter of Credit or Reserve Account Insurance Policy are unpaid, no Additional Bonds may be issued without the prior written consent of the issuer of such Reserve Account Letter of Credit or Reserve Account Insurance Policy."

(B) Supplemental Revenues may, with the prior written consent of each Insurer, be included in the calculation set forth in Section 5.06(A) of the Original Resolution if said Supplemental Revenues became available after or during the twenty-four month period described therein, by assuming the amount of Supplemental Revenues which the Issuer has received notification from the Florida Seaport Transportation and Economic Development Council or any successor thereto that it is entitled to receive for the twelve-month period commencing with the date of calculation.

SECTION 9. SPECIAL PURPOSE BONDS.

(A) The Original Resolution is hereby amended to authorize the issuance of Special Purpose Bonds. "Special Purpose Bonds" shall mean obligations of the Issuer issued to finance Special Purpose Facilities. "Special Purpose Facilities" shall mean lands, buildings, facilities and structures and the cost of construction or acquisition of which are authorized by the Act and are financed with the proceeds of Special Purpose Bonds issued pursuant to this Section.

(B) Before any Special Purpose Facilities shall be constructed or acquired by the Issuer, the Issuer, pursuant to this Section, shall adopt a resolution (i) describing in reasonable detail sufficient for identification thereof, the Special Purpose Facilities to be constructed or acquired by the Issuer, (ii) authorizing the issuance of Special Purpose Bonds to finance the cost of construction or acquisition of such Special Purpose Facilities and (iii) prescribing the rights, duties, remedies and

obligations of the Issuer and the holders, from time to time, of such Special Purpose Bonds.

(C) The Special Purpose Bonds authorized by the resolution referred to above shall be revenue bonds payable solely from rentals or other charges derived by the Issuer under and pursuant to a lease or leases relating to the Special Purpose Facilities entered into by and between the Issuer, as lessor, and such person, firm or corporation, either public or private, as shall lease, as lessee, the Special Purpose Facilities from the Issuer and may be issued by the Issuer notwithstanding the limitations, restrictions and conditions otherwise contained in the Bond Resolution relating to the issuance of Additional Bonds or other obligations; provided, however, that no Special Purpose Bonds shall be issued by the Issuer unless the Consulting Engineers shall have, prior thereto, filed with the Issuer a certificate, certifying that the estimated rentals or other charges to be derived by the Issuer under and pursuant to the lease or leases relating to the Special Purpose Facilities then being financed with such Special Purpose Bonds will be at least sufficient to pay (i) the principal of and interest on such Special Purpose Bonds as the same mature and become due, (ii) all costs of operating and maintaining such Special Purpose Facilities not paid for by the lessee thereof and (iii) all sinking fund, reserve or other payments required by the resolution authorizing the Special Purpose Bonds as the same become due, and further certifying that the construction and operation of such Special Purpose Facilities will not decrease the revenues to be derived by the Issuer from the Marine Facilities, and provided further that no such Special Purpose Bonds shall be issued by the Issuer until the Issuer has entered into a lease as aforesaid, which lease shall be for a term at least as long as the period during which such Special Purpose Bonds are outstanding and unpaid and except for the acquisition of property then under lease or purchase and lease-back agreements, which lease shall provide for annual payments to the Issuer, in addition to all rentals and other charges for the use of the Special Purpose Facilities, of ground rent in an amount which is determined by the parties to such lease to be a fair and reasonable rental for the land on which said Special Purpose Facilities are constructed.

(D) All ground rents received by the Issuer under and pursuant to the leases referred to above shall be deemed to be part of the Gross Revenues.

(E) All rentals and other charges received by the Issuer for the use of the services and facilities of Special Purpose Facilities under and pursuant to the leases referred to above, except ground rents hereinbefore referred to, shall be used by the Issuer to the full extent necessary for the payment of the principal of and interest on the Special Purpose Bonds issued to finance the cost of construction of the Special Purpose Facilities from which said rentals and other charges are derived and for all other payments required by the resolution authorizing the issuance

of such Special Purpose Bonds. After such Special Purpose Bonds have been fully paid and retired, all rentals and other charges derived by the Issuer from the lease or leases relating to the Special Purpose Facilities constructed or acquired with the proceeds of such Special Purpose Bonds shall be deemed to be part of the Gross Revenues and all costs of operating and maintaining such Special Purpose Facilities not paid for by the lessee thereof shall be deemed to be Operating Expenses and said Special Purpose Facilities shall be deemed to be part of the Marine Facilities of the Issuer.

(F) Special Purpose Bonds shall not constitute "Bonds" within the meaning of the Bond Resolution.

(G) All references to Special Purpose Bonds or Special Purpose Facilities in the Original Resolution to being described or defined in the Senior Resolution shall be amended to mean as described or defined in the Bond Resolution.

SECTION 10. SUPPLEMENTAL REVENUES FUND. (A) The Original Resolution is hereby amended to provide that the Authority shall maintain a special fund, to be known as the "Supplemental Revenues Fund." The Authority shall deposit all Supplemental Revenues, as received, into the Supplemental Revenues Fund until the amount on deposit therein is equal to the aggregate required deposits to the Payment Account on or before the last day of said month.

(B) On the last business day of each month, amounts on deposit in the Supplemental Revenues Fund shall be deposited or credited to the Payment Account, when the moneys therein are insufficient to pay the principal of and interest on the Bonds coming due, but only to the extent money transferred from the Unrestricted Revenue Account for such purpose shall be inadequate to fully provide for such insufficiency. Any funds on deposit in the Supplemental Revenues Fund not required for deposit or credit to the Payment Account shall be transferred out of the Supplemental Revenues Fund and may be used for any other lawful purpose of the Issuer.

SECTION 11. TRANSFER OF AMOUNTS IN FUNDS AND ACCOUNTS FOR THE REFUNDED BONDS. Upon issuance of the Series 1996 Bonds, all amounts on deposit in the funds and accounts established with respect to the Refunded Bonds shall be transferred to the funds and accounts established pursuant to the Bond Resolution as specified in the Issuer's Certificate as to Arbitrage and Certain Other Tax Matters executed at the time of issuance of the Series 1996 Bonds.

SECTION 12. SALE OF THE SERIES 1996 BONDS. Upon delivery to the Chairman or Vice Chairman and the Finance Director or the Issuer's Executive Director or his designee of a Purchase Contract substantially in the form of Exhibit A attached hereto, evidencing:

- (A) Series 1996A Bonds in an aggregate principal amount not exceeding \$16,000,000 and Series 1996B Bonds in an aggregate principal amount not exceeding \$16,000,000;

the Series 1996 Bonds shall be sold to the Underwriter pursuant to the Purchase Contract at the purchase price provided therein (including any original issue discounts), plus accrued interest on the Series 1996 Bonds from the date of the Series 1996 Bonds to the date of delivery and payment therefor; all terms and conditions set forth in said Purchase Contract being hereby approved. Upon compliance with the foregoing, the Chairman or Vice Chairman is hereby authorized and directed to execute said Purchase Contract and to deliver the same to the Underwriter.

SECTION 13. OFFICIAL STATEMENT; CONTINUING DISCLOSURE AGREEMENT.

The Chairman, Finance Director and Secretary, upon execution of the Purchase Contract described above, are hereby authorized and directed to execute and deliver the Official Statement in substantially the form of the Preliminary Official Statement in the name and on behalf of the Issuer, and thereupon to cause such Official Statement to be delivered to the Underwriter with such changes, amendments, omissions and additions as may be approved by the Chairman. The use of the Preliminary Official Statement in the marketing of the Series 1996 Bonds is hereby authorized and the Official Statement, including any such changes, amendments, modifications, omissions and additions as approved by the Chairman, and the information contained therein are hereby authorized to be used in connection with the sale of the Series 1996 Bonds to the public. Execution by the Chairman of the Official Statement shall be deemed to be conclusive evidence of approval of such changes, amendments, modifications, omissions and additions.

(B) In order to enable the Underwriter to comply with the provisions of SEC Rule 15c2-12 relating to secondary market disclosure, the Chairman is hereby authorized and directed to execute and deliver the Continuing Disclosure Agreement in the name and on behalf of the Issuer substantially in the form attached

hereto as Exhibit D with such changes, amendments, omissions and additions as shall be approved by the Chairman, his execution and delivery thereof being conclusive evidence of such approval.

SECTION 14. APPOINTMENT OF REGISTRAR AND PAYING AGENT. SunTrust Bank, Central Florida, National Association, Orlando, Florida, is hereby designated Registrar and Paying Agent for the Series 1996 Bonds. The Chairman and the Secretary are hereby authorized to enter into any agreement which may be necessary to effect the transactions contemplated by this Section 10.

SECTION 15. AUTHORIZATION OF EXECUTION OF ESCROW AGREEMENT. The Issuer hereby authorizes and directs the Chairman to execute, and the Secretary to attest under the corporate seal of the Issuer, the Escrow Agreement and to deliver the Escrow Agreement to SunTrust Bank, Central Florida, National Association, Orlando, Florida (the "Escrow Agent"), and does hereby authorize and direct the execution, sealing and delivery of the Escrow Agreement. Execution by the Chairman of the Escrow Agreement shall be deemed to be conclusive evidence of approval of such changes. The Chairman is further authorized to approve the purchase, from proceeds of the Series 1996 Bonds and other available moneys of the Issuer, of obligations of the United States of America which, together with other funds to be deposited pursuant to the Escrow Agreement, shall be sufficient at the time of such deposit to pay and refund the Refunded Bonds as the same become due and payable or are redeemed prior to maturity.

SECTION 16. PAYMENTS PURSUANT TO BOND INSURANCE POLICY FOR THE SERIES 1996 BONDS.

(A) If, on the third day preceding any interest payment date for the Series 1996 Bonds there is not on deposit in the Payment Account sufficient moneys available to pay all principal of and interest on the Series 1996 Bonds due on such date, the Paying Agent shall immediately notify the Bond Insurer and State Street Bank and Trust Co., N.A., New York, New York, or its successor as its Fiscal Agent (the "Fiscal Agent") of the amount of such deficiency. If, by said interest payment date, the Issuer has not provided the amount of such deficiency, the Paying Agent shall simultaneously make available to the Bond Insurer and to the Fiscal Agent the registration books for the Bonds maintained by the Paying Agent. In addition:

(i) The Paying Agent shall provide the Bond Insurer with a list of the Bondholders entitled to receive principal or interest payments from the Bond Insurer under the terms of the Bond Insurance Policy and shall make arrangements for the Bond Insurer and its Fiscal Agent (1) to mail checks or drafts to Bondholders entitled to receive full or partial interest payments from the Bond Insurer and (2) to pay principal of the Bonds surrendered to the Fiscal Agent by the Bondholders entitled to receive full or partial principal payments from the Bond Insurer; and

(ii) The Paying Agent shall, at the time it makes the registration books available to the Bond Insurer pursuant to (A) above, notify Bondholders entitled to receive the payment of principal of or interest on the Bonds from the Bond Insurer (1) as to the fact of such entitlement, (2) that the Bond Insurer will remit to them all or part of the interest payments coming due, (3) that, except as provided in paragraph (B) below, in the event that any Bondholder is entitled to receive full payment of principal from the Bond Insurer, such Bondholder must tender his Bond with the instrument of transfer in the form provided on the Bond executed in the name of the Bond Insurer, and (4) that, except as provided in paragraph (B) below, in the event that such Bondholder is entitled to receive partial payment of principal from the Bond Insurer, such Bondholder must tender his Bond for payment first to the Paying Agent, which shall note on such Bond the portion of principal paid by the Paying Agent, and then, with the form of transfer executed in the name of the Bond Insurer, to the Fiscal Agent, which will then pay the unpaid portion of principal to the Bondholder.

(B) In the event that the Paying Agent has notice that any payment of principal of or interest on a Series 1996 Bond has been recovered from a Bondholder pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Paying Agent shall, at the time it provides notice to the Bond Insurer, notify all Series 1996 Bondholders that, in the event that any Bondholder's payment is so recovered, such Bondholder will be entitled to payment from the Bond Insurer to the extent of such recovery, and the Paying Agent shall furnish to the Bond Insurer its records evidencing the payments of principal of and interest on the Bonds which have been made by the Paying Agent and subsequently recovered from Bondholders, and the dates on which such payments were made.

(C) The Bond Insurer shall, to the extent it makes payment of principal of or interest on the Series 1996 Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy and, to evidence such subrogation, (1) in the case of subrogation as to claims for past due interest, the Paying Agent shall note the Bond

Insurer's rights as subrogee on the registration books maintained by the Paying Agent upon receipt from the Bond Insurer of proof of the payment of interest thereon to the Bondholders of such Bonds and (2) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of proof of the payment of principal thereof to the Bondholders of such Bonds.

(D) The notice address for the Bond Insurer and the Fiscal Agent shall be included:

BE IT RESOLVED BY THE CANAVERAL PORT AUTHORITY as follows:

SECTION 1. FINDINGS. It is hereby found and determined that:

(A) On October 7, 1992, the Canaveral Port Authority (the "Issuer") duly adopted Resolution No. 92-8, as amended and supplemented (the "Bond Resolution").

(B) The Issuer currently has outstanding pursuant to the Bond Resolution Canaveral Port Authority Port Improvement Revenue Refunding Bonds, Series 1996B

(the "Series 1996B Bonds"), Canaveral Port Authority Port Revenue Refunding Bonds, Series 2002A (the "Series 2002A Bonds"), Canaveral Port Authority Port Improvement Revenue Bonds, Series 2002B (the "Series 2002B Bonds"), Canaveral Port Authority Port Revenue Refunding Bonds, Series 2005 (the "Series 2005 Bonds"), Canaveral Port Authority Port Revenue Refunding Bonds, Series 2006A (the "Series 2006A Bonds"), Canaveral Port Authority Port Improvement Revenue Bonds, Series 2006B (the "Series 2006B Bonds") and Canaveral Port Authority Port Improvement Revenue Bond, Series 2008 (the "Series 2008 Bonds"). The Series 1996B Bonds, the Series 2002A Bonds, the Series 2002B Bonds, the Series 2005 Bonds, the Series 2006A Bonds, the Series 2006B Bonds and the Series 2008 Bonds are collectively referred to herein as the "Parity Bonds."

(C) The Bond Resolution provides for the issuance of Additional Bonds upon meeting the requirements set forth in the Bond Resolution.

(D) The Issuer deems it in its best interests to issue its Canaveral Port Authority Port Improvement Revenue Bonds, Series 2010 (the "Series 2010 Bonds") in order to finance certain capital improvements (the "2010 Project") as described in Exhibit A attached hereto.

(E) The covenants, pledges and conditions in the Bond Resolution shall be applicable to the Series 2010 Bonds herein authorized to the same extent as for the Parity Bonds, and said Series 2010 Bonds shall constitute "Bonds" within the meaning of the Bond Resolution.

(F) The principal of and interest on the Series 2010 Bonds and all required sinking fund, reserve and other payments shall be limited obligations of the Issuer, payable solely from the Pledged Funds, as provided in the Bond Resolution, on a parity with the Parity Bonds. The Series 2010 Bonds shall not constitute a general obligation, or a pledge of the faith, credit or taxing power of the Issuer, the Port District, the State of Florida, or any political subdivision thereof, within the meaning of any constitutional or statutory provisions. Neither the State of Florida, any political subdivision thereof, the Issuer nor the Port District shall be obligated (1) to exercise its ad valorem taxing power in any form on any real or personal property of or in the Issuer to pay the principal of the Series 2010 Bonds, the interest thereon, or other costs incidental thereto or (2) to pay the same from any other funds of the Issuer except from the Pledged Funds, in the manner provided in the Bond Resolution.

(G) Due to the volatility of the market for tax-exempt obligations such as the Series 2010 Bonds and the nature of the transactions involving the Series 2010 Bonds, it is in the best interest of the Issuer to sell the Series 2010 Bonds by a negotiated sale, allowing the Issuer to enter the market at the most advantageous time, rather than at a specified advertised date, thereby permitting the Issuer to obtain the best possible price and interest rate for the Series 2010 Bonds.

(H) The Issuer has received a favorable offer to purchase the Series 2010 Bonds from PNC Bank, National Association (the "Bank") in the form of the Commitment attached hereto as Exhibit B (the "Commitment"), all within the parameters set forth herein.

(I) The Bond Resolution provides that Bonds such as the Series 2010 Bonds shall mature on such dates and in such amounts, shall bear such rates of interest, shall be payable in such places and shall be subject to such redemption provisions as shall be determined by Supplemental Resolution adopted by the Issuer; and it is now appropriate that the Issuer determine parameters for such terms and details.

SECTION 2. DEFINITIONS. When used in this Supplemental Resolution, the terms defined in the Bond Resolution shall have the meanings therein stated, except as such definitions may be hereinafter amended or defined.

SECTION 3. AUTHORITY FOR THIS SUPPLEMENTAL RESOLUTION. This Supplemental Resolution is adopted pursuant to the provisions of the Act and the Bond Resolution.

SECTION 4. DESCRIPTION OF THE SERIES 2010 BONDS. (A) The Issuer hereby authorizes the issuance of a Series of Bonds in the aggregate principal amount of \$42,000,000 to be known (notwithstanding any provision of Section 2.01 of the Bond Resolution to the contrary) as the "Canaveral Port Authority Port Improvement Revenue Bonds, Series 2010." The Series 2010 Bonds shall be issued for the principal purposes of financing the 2010 Project and paying costs of issuance of the Series 2010 Bonds.

The Series 2010 Bonds shall be dated as of the date of their delivery and shall be issued in the form of a fully registered bond or bonds. The Series 2010 Bonds shall bear interest computed on the basis of a 360-day year consisting of twelve 30-day months, from their dated date, payable on such dates (each an "Interest Date"), and at such interest rate or rates as shall be provided in the Commitment. Principal shall be payable in such amounts on such dates as shall be provided in the Commitment and approved by the Chief Executive Officer, subject to the conditions set forth herein. The Series 2010 Bonds shall be subject to such redemption provisions as shall be provided in the Commitment and approved by the Chief Executive Officer. The final maturity date shall be June 1, 2023.

Interest payable on the Series 2010 Bonds on any Interest Date and all principal payments coming due will be paid by check or draft mailed to the Holder in whose name such Series 2010 Bond shall be registered at the close of business on the date which shall be the fifth day (whether or not a business day) next preceding such payment date, or, at the request and expense of such Holder, by bank wire transfer for the account of such Holder. All payments of principal of and interest on the Series 2010 Bonds shall be

payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

(B) The form of the Commitment, with such amendments, changes and modifications as shall be approved by the Chief Executive Officer, is hereby approved subject to the conditions of this Section 2.01(B). Execution of the Commitment by the Chief Executive Officer shall be conclusive evidence of approval of any such amendments, changes and modifications. The Commitment shall not be executed by the Chief Executive Officer until such time as all of the following conditions have been satisfied:

(i) Receipt by the Chief Executive Officer of a disclosure statement and a truth-in-bonding statement of the Bank dated the date of the Commitment and complying with Section 218.385, Florida Statutes.

Upon satisfaction of all the requirements set forth in this Section 2.01(B), the Chief Executive Officer is authorized to execute and deliver the Commitment containing terms complying with the provisions of this Section 2.01(B) and the Series 2010 Bonds shall be sold to the Bank pursuant to the provisions of such Commitment.

SECTION 5. REDEMPTION PROVISIONS FOR SERIES 2010 BONDS. The Series 2010 Bonds may be redeemed prior to their respective maturities from any moneys legally available therefor upon the notice and conditions provided in the Bond Resolution and the Commitment.

SECTION 6. APPLICATION OF SERIES 2010 BOND PROCEEDS. The proceeds derived from the sale of the Series 2010 Bonds shall, simultaneously with the delivery of the Series 2010 Bonds to the Bank, be applied by the Issuer as follows:

(A) A sufficient amount of proceeds of the Series 2010 Bonds shall be used by the Issuer to pay all costs and expenses in connection with the preparation, issuance and sale of the Series 2010 Bonds.

Resolution or the Commitment for the full punctual and complete performance of all the terms, covenants and agreements contained herein or in the Series 2010 Bonds, the Bond Resolution and the Commitment and each member, employee, attorney and officer of the Issuer or the governing body is hereby authorized and directed to execute and deliver any and all papers and instruments and to do and cause to be done any and all acts and things necessary or proper for carrying out the transactions contemplated hereunder. (c) AS TO THE 2010 PROJECT:

(iv) Due Diligence. Work on the construction of the 2010 Project funded from the Original Proceeds will proceed with due diligence to the completion thereof.

(v) Disposal of 2010 Project. The 2010 Project is not expected to be sold or disposed of prior to the last maturity date of the Series 2010 Bonds, except such portions as may be disposed of in the normal course of business.

Amounts deposited in the Payment Account will be used to pay debt service on the Series 2010 Bonds within a 13 month period beginning on the date of deposit therein.

(iii) Reserve Account. The Authority has established a separate subaccount in the Reserve Account for the Series 2010 Bonds. The Reserve Account Requirement for such subaccount is \$0.00. The Series 2010 Bonds shall not be secured by any moneys or investments in the Reserve Account.

(iv) Construction Fund. Amounts in the Construction Fund shall be used for the purpose of paying the Costs of the 2010 Project. Amounts deposited in the Construction Fund may be used for the payment of debt service on the Series 2010 Bonds; however, the Authority does not expect that amounts in such Fund will be used to pay debt service on the Series 2010 Bonds and there is no assurance that any portion of the amounts deposited in such Fund will be available to pay such debt service.

(v) Investment Earnings. Any and all income received from the investment of moneys in the Construction Fund, Operation and Maintenance Fund, Restricted Revenue Account, the Payment Account and the Reserve Account (only to the extent such income and the other amounts in such Account does not exceed the Reserve Account Requirement) shall be retained in such respective Funds and Accounts and shall be expended or transferred to the Unrestricted Revenue Account within one year of receipt.

(vi) No Other Funds. Other than the funds and accounts described in this Certificate, no fund or account has been established pursuant to any instrument which secures or otherwise relates to the Series 2010 Bonds.

4. YIELD.

(a) GENERAL. For purposes of this Certificate, bond yield is, and shall be, calculated in the manner provided in Treasury Regulations Section 1.148-4, and the provisions therein will be complied with in all respects. The term "bond yield" means, with respect to a bond, the discount rate that when used in computing the present value of all the unconditionally payable payments of principal and interest and all the payments for qualified guarantees paid and to be paid with respect to the bond produces an amount equal to the present value of the issue price of the bond. In computing the purchase price of the Series 2010 Bonds, which is equal to the issue price, the Authority did not take into consideration the costs of issuance. The purchase price of the Series 2010 Bonds, therefore, is \$42,000,000. For purposes hereof, yield is, and shall be, calculated on a 360-day year basis with interest compounded semiannually. The yield on the Series 2010 Bonds calculated in the above-described manner is 3.144% (the "2010 Bond Yield"). Such yield calculation has been computed by RBC Capital Markets, Financial Adviser to the Authority. It should be noted, however, that such yield may, under certain circumstances set forth in the Treasury Regulations, be subject to recalculation.

The purchase price of all obligations other than certain Tax-Exempt Investments ("Taxable Obligations") to which restrictions as to yield or rebate of excess earnings under this Certificate applies shall be calculated using (i) the price, taking into account discount, premium, and accrued interest, as applicable, actually paid or (ii) the Fair Market Value (as described in the Arbitrage Rebate Statement attached hereto as Exhibit A) if less than the price actually paid and if such Taxable Obligations were not purchased directly from the United States Treasury. The Authority will acquire all such Taxable Obligations in accordance with the provisions set forth in Section 4 of the Arbitrage Rebate Statement.

Any amounts subject to yield restrictions may be subject to yield reduction payments pursuant to Treasury Regulations Section 1.148-5(c).

(b) RESTRICTED REVENUE ACCOUNT. Amounts in the Restricted Revenue Account shall be invested without regard to yield restrictions.

(c) RESERVE ACCOUNT. There shall be no amounts on deposit in the subaccount of the Reserve Account established for the Series 2010 Bonds.

(d) PAYMENT ACCOUNT – ACCRUED INTEREST. There is no accrued interest.

(e) PAYMENT ACCOUNT - DEBT SERVICE. Amounts held in the Payment Account which are set aside for the payment of the principal of and interest on the Bonds will be invested without regard to yield restrictions for a period not to exceed 13 months

from the date of deposit of such amounts in such Accounts. Any amounts not expended within the period set forth above shall be subject to yield restrictions.

(f) CONSTRUCTION FUND. Amounts deposited in the Construction Fund will be invested without regard to yield restrictions for a period not to exceed three years from the date hereof. Any such amounts not expended within such time period shall be invested at a yield not in excess of the 2010 Bond Yield.

(g) OPERATION AND MAINTENANCE FUND. Amounts held in the Operation and Maintenance Fund shall be invested without regard to yield restrictions.

(h) UNRESTRICTED REVENUE ACCOUNT. Amounts on deposit in the Unrestricted Revenue Account shall be invested without regard to yield restrictions.

(i) INVESTMENT EARNINGS. All investment earnings on amounts deposited in the Payment Account may be invested without regard to yield restrictions for a period not to exceed one year from the date of receipt of the amount earned. Any investment earnings not expended within the applicable period set forth above shall be subject to yield restrictions.

5. FURTHER CERTIFICATIONS. No bonds or other obligations of the Authority (a) were sold in the 15 days preceding the date of sale of the Series 2010 Bonds or (b) were sold or will be sold within the 15 days after the date of sale of the Series 2010 Bonds, pursuant to a common plan of financing with the plan for the issuance of the Series 2010 Bonds and payable out of substantially the same source of revenues.

The Authority does not expect that the proceeds of the Series 2010 Bonds will be used in a manner that would cause them to be arbitrage bonds under Section 148 of the Code. The Authority does not expect that the proceeds of the Series 2010 Bonds will be used in a manner that would cause the interest on the Series 2010 Bonds to be includable in the gross income of the holder of the Series 2010 Bonds under Section 103 of the Code.

6. REBATE. Pursuant to the Bond Resolution, the Authority has established a Rebate Fund for the Series 2010 Bonds and shall deposit moneys therein as required by the terms of the Arbitrage Rebate Statement attached hereto as Exhibit A. Moneys in the Rebate Fund shall be held in trust by the Authority and, subject to the provisions hereof, shall be held for the benefit of the United States Government as contemplated under the provisions hereof and shall not constitute part of the trust estate held for the benefit of the holder of the Series 2010 Bonds or the Authority. The Authority acknowledges and agrees to comply with the terms of the Arbitrage Rebate Statement attached hereto as Exhibit A.

7. **AMENDMENTS.** The provisions hereof need not be observed and this Certificate may be amended or supplemented at any time by the Authority if, in each case, the Authority receives an opinion or opinions of Bond Counsel that the failure to comply with such provisions will not cause, and that the terms of such amendment or supplement will not cause, the Series 2010 Bonds to become an arbitrage bond under Section 148 of the Code, or other applicable section of the Code, or otherwise cause interest on the Series 2010 Bonds to become includable in gross income for federal income tax purposes under the Code.

8. **SERIES 2010 BONDS NOT FEDERALLY GUARANTEED.** Payment of debt service on the Series 2010 Bonds is not directly or indirectly guaranteed in whole or in part by the United States, within the meaning of Section 149(b) of the Code.

9. **SERIES 2010 BONDS NOT HEDGE BONDS.** It is reasonably expected that not less than 85% of the Original Proceeds will be used to carry out the governmental purposes of the Series 2010 Bonds within three years from the date of its issuance. Not more than 50% of such Original Proceeds shall be invested in nonpurpose investments having a substantially guaranteed yield for four years or more (including but not limited to any investment contract or fixed yield investment having a maturity of four years or more). The reasonable expectations stated above are not based on and do not take into account any expectations or assumptions as to the occurrence of changes in market interest rates or of federal tax law or regulations or rulings thereunder. These reasonable expectations are not based on any prepayments of items other than items which are customarily prepaid.

10. **ADDITIONAL COVENANTS.** The Authority further agrees to (a) impose such limitations on the investment or use of moneys or investments related to the Series 2010 Bonds, (b) make such rebate payments to the United States Treasury, (c) maintain such records, (d) perform such calculations, (e) enter into such agreements, and (f) perform such other acts as may be necessary under the Code to preserve the exclusion from gross income for purposes of federal income taxation of interest on the Series 2010 Bonds, which it may lawfully do.

11. **INFORMATION.** The Authority agrees to file all information statements as may be required by the Code.

12. **VALUATION AND MARKET PRICE RULES.** In determining the amounts on deposit in any fund or account for purposes of this Certificate, the purchase price of the obligations, including accrued interest, shall be added together, adding to or subtracting from such purchase prices any discount or premium, computed ratably on an annual basis. With respect to any amounts required to be restricted as to yield, the "market price rules" set forth in Exhibit A attached hereto shall apply.

13. NO REPLACEMENT. No portion of the amounts received from the sale of the Series 2010 Bonds will be used as a substitute for other funds which were otherwise to be used for the payment of the 2010 Project or payment of debt service of the Series 2010 Bonds, and which have been or will be used to acquire, directly or indirectly, obligations producing a yield in excess of the 2010 Bond Yield. The weighted average maturity of the Series 2010 Bonds does not exceed 120% of the average reasonable expected economic life of the 2010 Project.

14. OTHER TAX REPRESENTATIONS. (a) Not less than 95% of the sum of (i) proceeds received from the sale of the Series 2010 Bonds and (ii) investment earnings on proceeds described in (i) above have been or will be used to pay Qualified Costs. Qualified Costs (a) consist of land or an improvement to land, or tangible personal property subject to the allowance for depreciation under Section 167 of the Code and having a useful life of more than one year; and (b) includes only (i) docks and wharves, and related storage and training facilities, or (ii) property that is (A) functionally related and subordinate to one or more items of property described in clause (i) of this sentence, and (B) of a character and size commensurate with the character and size of the item of property to which such property is functionally related and subordinate. For purposes of the preceding sentence, a "related storage facility" includes only those storage facilities which are both: (1) directly related to the docks and wharf facilities; and (2) physically located on or adjacent to such facilities. Except as provided below, docks and wharves include property such as structures alongside which vessel docks, the equipment needed to receive and to discharge cargo and passengers from vessels, such as cranes and conveyors, handling, office and passenger areas, and similar facilities. No portion of the Original Proceeds or investment earnings thereon shall be used to acquire (a) any lodging facility, (b) any retail facility (other than food and beverage facilities) in excess of a size necessary to serve passengers and employees, (c) any retail facility (other than parking) for passengers or the general public located outside the 2010 Project, (d) any office building for individuals who are not employees of the user of the 2010 Project or operating authority of the 2010 Project, and (i) any industrial park or manufacturing facility.

(b) Costs of issuance of the Series 2010 Bonds paid with proceeds of the Series 2010 Bonds will not exceed 2% of the "proceeds" of the Series 2010 Bonds within the meaning of Section 147(g) of the Code.

(c) Less than 25% of the "net proceeds" of the Series 2010 Bonds within the meaning of Section 147(c) of the Code will be used, either directly or indirectly, for the acquisition of land or an interest therein. No portion of such net proceeds will be used, either directly or indirectly, for land (or an interest therein) which was or is to be used for farming purposes.

(d) The first use of any property acquired as part of the 2010 Project (or with respect to which an interest was acquired) will be pursuant to such acquisition. No

existing building or previously used equipment will be acquired as part of the 2010 Project.

(e) Any office space included in the 2010 Project is located on the same premises and not more than a de minimis amount of the functions to be performed at the office is not directly related to the day-to-day operations of the 2010 Project.

(f) No portion of the proceeds of the Series 2010 Bonds will be used to provide an airplane, skybox or other private luxury box, any health club facility, any facility primarily used for gambling or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(g) The Authority will be the owner of the 2010 Project for federal income tax purposes.

15. RELIANCE. The Authority has relied on certain representations made by RBC Capital Markets in its certificate attached hereto as Exhibit B. The Authority is not aware of any facts or circumstances that would cause it to question the accuracy of such representations.

16. NO ADVERSE ACTION. The Authority has neither received notice that this Certificate may not be relied upon with respect to its issues, nor has it been advised that any adverse action by the Commissioner of Internal Revenue is contemplated.

To the best of my knowledge and belief there are no facts, estimates or circumstances other than those expressed herein that materially affect the expectations herein expressed, and, to the best of my knowledge and belief, the Authority's expectations are reasonable. I further represent that the Authority expects and intends to be able to comply with the provisions and procedures set forth herein, including Section 148 of the Code.

IN WITNESS WHEREOF, I have hereunto set my hand as of this 21st day of December, 2010.

EXHIBIT A

ARBITRAGE REBATE STATEMENT

This Arbitrage Rebate Statement (this "Statement") is intended to set forth certain duties and requirements necessary for compliance with Section 148(f) of the Code to the extent necessary to preserve the tax-exempt treatment of interest on the \$42,000,000 Canaveral Port Authority Port Improvement Revenue Bonds, Series 2010 (the "Series 2010 Bonds"). This Arbitrage Rebate Statement is based upon Section 148(f) of the Code and by analogy, to the Regulations. However, it is not intended to be exhaustive.

Since the requirements of such Section 148(f) are subject to amplification and clarification, it may be necessary to supplement or modify this Arbitrage Rebate Statement from time to time to reflect any additional or different requirements of such Section and the Regulations or to specify that action required hereunder is no longer required or that some further or different action is required to maintain or assure the exemption from federal income tax of interest with respect to the Series 2010 Bonds.

For purposes hereof, any covenant relating to a fund, account or subaccount established under the Bond Resolution shall be deemed to apply only to that portion of such fund, account or subaccount allocable to the Series 2010 Bonds.

SECTION 1. TAX COVENANTS. Pursuant to the Bond Resolution, the Authority has made certain covenants designed to assure that the interest with respect to the Series 2010 Bonds is and shall remain excludable from gross income for purposes of federal income taxation. The Authority shall not, directly or indirectly, use or permit the use of any proceeds of the Series 2010 Bonds or any other funds or take or omit to take any action that would cause the Series 2010 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or that would cause interest on the Series 2010 Bonds to be included in gross income for federal income tax purposes under the provisions of the Code. The Authority shall comply with all other requirements as shall be determined by Bond Counsel to be necessary or appropriate to assure that interest on the Series 2010 Bonds will be excludable from gross income for purposes of federal income taxation. To that end, the Authority shall comply with all requirements of Section 148 of the Code to the extent applicable to the Series 2010 Bonds.

SECTION 2. DEFINITIONS. Capitalized terms used herein, not otherwise defined herein, shall have the same meanings set forth in the Bond Resolution and in the Authority's Certificate as to Arbitrage and Certain Other Tax Matters relating to the Series 2010 Bonds.

"Bond Counsel" means Nabors, Giblin & Nickerson, P.A., Tampa, Florida or such other firm of nationally recognized bond counsel as may be selected by the Authority.

"Bond Year" means any one-year period (or shorter period from the Issue Date) ending on the close of business on the day preceding the anniversary of the Issue Date.

"Code" means the Internal Revenue Code of 1986, as amended.

"Computation Date" means each date selected by the Authority as a computation date pursuant to Section 1.148-3(e) of the Regulations and the Final Computation Date.

"Fair Market Value" means, when applied to a Nonpurpose Investment, the Fair Market Value of such Investment as determined in accordance with Section 4 hereof.

"Final Computation Date" means the date the Series 2010 Bonds are discharged.

"Gross Proceeds" means, with respect to the Series 2010 Bonds:

- (1) Amounts constituting Sale Proceeds of the Series 2010 Bonds.
- (2) Amounts constituting Investment Proceeds of the Series 2010 Bonds.
- (3) Amounts constituting Transferred Proceeds of the Series 2010 Bonds.
- (4) Other amounts constituting Replacement Proceeds of the Series 2010 Bonds, including Pledged Moneys.

"Investment Proceeds" means any amounts actually or constructively received from investing proceeds of the Series 2010 Bonds.

"Investment Property" shall have the meaning ascribed to such term in Section 148(b)(2) of the Code, which includes any security, obligation or other property held principally as a passive vehicle for the production of income, within the meaning of Section 1.148-1(e) of the Regulations.

"Issue Date" means December 21, 2010.

"Net Proceeds" means Sale Proceeds, less the portion of such Proceeds invested in a reasonably required reserve or replacement fund under the Code.

"Nonpurpose Investment" shall have the meaning ascribed to such term in Section 148(b)(2) of the Code and shall include any Investment Property in which Gross Proceeds are invested which is not an investment that is acquired to carry out the governmental purpose of the Series 2010 Bonds, e.g., obligations acquired with Gross Proceeds that are invested temporarily until needed for the governmental purpose of the Series 2010 Bonds, that are used to discharge a prior issue, or that are invested in a

reasonably required reserve or replacement fund, as referenced in Section 1.148-1(b) of the Regulations.

"Nonpurpose Payments" shall include the payments with respect to Nonpurpose Investments specified in Section 1.148-3(d)(1)(i)-(v) of the Regulations.

"Nonpurpose Receipts" shall include the receipts with respect to Nonpurpose Investments specified in Section 1.148-3(d)(2)(i)-(iii) of the Regulations.

"Pledged Moneys" means moneys that are reasonably expected to be used directly or indirectly to pay debt service on the Series 2010 Bonds or as to which there is a reasonable assurance that such moneys or the earnings thereon will be available directly or indirectly to pay debt service on the Series 2010 Bonds if the Authority encounters financial difficulties.

"Pre-Issuance Accrued Interest" means amounts representing interest that has accrued on an obligation for a period of not greater than one year before its issue date but only if those amounts are paid within one year after the Issue Date.

"Proceeds" means any Sale Proceeds, Investment Proceeds and Transferred Proceeds of the Series 2010 Bonds.

"Qualified Administrative Costs" means reasonable, direct administrative costs, other than carrying costs, such as separately stated brokerage and selling commissions that are comparable to those charged nongovernmental entities in transactions not involving tax-exempt bond proceeds, but not legal and accounting fees, recordkeeping, custody or similar costs. In addition, with respect to a guaranteed investment contract or investments purchased for a yield restricted defeasance escrow, such costs will be considered reasonable if (1) the amount of the fee the Authority treats as a Qualified Administrative Cost does not exceed the lesser of (a) \$35,000 (for calendar year 2010), or (b) the greater of (x) .2% of the "computational base", or (y) \$4,000; and (2) the Authority does not treat as Qualified Administrative Costs more than \$100,000 (for calendar year 2010) in brokers' commissions or similar fees with respect to all guaranteed investment contracts and investments for yield restricted defeasance escrows purchased with Gross Proceeds of the issue. For purposes of this definition only, "computational base" shall mean, with respect to guaranteed investment contracts, the amount of Gross Proceeds the Authority reasonably expects, as of the date the contract is acquired, to be deposited in the guaranteed investment contract over the term of the contract and for investments other than guaranteed investment contracts, "computational base" shall mean the amount of Gross Proceeds initially invested in such investments. The above-described safe harbor dollar amounts shall be increased each calendar year for cost-of-living adjustments pursuant to Section 1.148-5(c)(3) of the Regulations.

"Rebatable Arbitrage" means, as of any Computation Date, the excess of the future value of all Nonpurpose Receipts over the future value of all Nonpurpose Payments.

"Rebate Fund" means the Rebate Fund established pursuant to the Bond Resolution and described in Section 3 hereof.

"Regulations" means Treasury Regulations Sections 1.148-0 through 1.148-11, 1.149(b)-1 and (d)-1, and 1.150-0 through 1.150-2, as amended, and any regulations amendatory, supplementary or additional thereto.

"Replacement Proceeds" means amounts that have a sufficiently direct nexus to the Series 2010 Bonds or to the governmental purpose of the Series 2010 Bonds to conclude that the amounts would have been used for that governmental purpose if the Proceeds of the Series 2010 Bonds were not used or to be used for that governmental purpose. For this purpose, governmental purposes include the expected use of amounts for the payment of debt service on a particular date. The mere availability or preliminary earmarking of amounts for a governmental purpose, however, does not in itself establish a sufficient nexus to cause those amounts to be Replacement Proceeds. Replacement Proceeds include, but are not limited to, amounts held in a sinking fund or a pledged fund. For these purposes, an amount is pledged to pay principal of or interest on the Series 2010 Bonds if there is reasonable assurance that the amount will be available for such purposes in the event that the Authority encounters financial difficulties.

"Sale Proceeds" means any amounts actually or constructively received by the Authority from the sale of the Series 2010 Bonds, including amounts used to pay underwriters' discount or compensation and interest other than Pre-Issuance Accrued Interest. Sale Proceeds shall also include, but are not limited to, amounts derived from the sale of a right that is associated with a Series 2010 Bonds and that is described in Section 1.148-4(b)(4) of the Regulations.

"Tax-Exempt Investment" means (i) an obligation the interest on which is excluded from gross income pursuant to Section 103 of the Code, (ii) United States Treasury-State and Local Government Series, Demand Deposit Securities, and (iii) stock in a tax-exempt mutual fund as described in Section 1.150-1(b) of the Regulations. Tax-Exempt Investment shall not include a specified private activity bond as defined in Section 57(a)(5)(C) of the Code. For purposes of this Statement, a tax-exempt mutual fund includes any regulated investment company within the meaning of Section 851(a) of the Code meeting the requirements of Section 852(a) of the Code for the applicable taxable year; having only one class of stock authorized and outstanding; investing all of its assets in tax-exempt obligations to the extent practicable; and having at least 98% of (1) its gross income derived from interest on, or gain from the sale of or other disposition of, tax-exempt obligations or (2) the weighted average value of its assets represented by investments in tax-exempt obligations.

"Transferred Proceeds" shall have the meaning provided therefor in Section 1.148-9 of the Regulations.

"Universal Cap" means the value of all then outstanding Series 2010 Bonds.

"Value" (of a Series 2010 Bond) means with respect to a Series 2010 Bond issued with not more than two percent original issue discount or original issue premium, the outstanding principal amount, plus accrued unpaid interest; for any other Series 2010 Bonds, its present value.

"Value" (of an Investment) shall have the following meaning in the following circumstances:

(1) General Rules. Subject to the special rules in the following paragraph, an issuer may determine the value of an investment on a date using one of the following valuation methods consistently applied for all purposes relating to arbitrage and rebate with respect to that investment on that date:

(a) an investment with not more than two percent original issue discount or original issue premium may be valued at its outstanding stated principal amount, plus accrued unpaid interest on such date;

(b) a fixed rate investment may be valued at its present value on such date; and

(c) an investment may be valued at its Fair Market Value on such date.

(2) Special Rules. Yield restricted investments are to be valued at present value provided that (except for purposes of allocating Transferred Proceeds to an issue, for purposes of the Universal Cap and for investments in a commingled fund other than a bona fide debt service fund unless it is a certain commingled fund):

(a) an investment must be valued at its Fair Market Value when it is first allocated to an issue, when it is disposed of and when it is deemed acquired or deemed disposed of, and provided further that;

(b) in the case of Transferred Proceeds, the Value of a Nonpurpose Investment that is allocated to Transferred Proceeds of a refunding issue on a transfer date may not exceed the Value of that investment on the transfer date used for purposes of applying the arbitrage restrictions to the refunded issue.

"Yield on the Series 2010 Bonds," "2010 Bond Yield" or "Bond Yield" means, for all Computation Dates, the Yield expected as of the date hereof on the Series 2010 Bonds over the term of such Series 2010 Bonds computed by:

(1) using as the purchase price of the Series 2010 Bonds, the amount at which such Series 2010 Bonds were sold to the public within the meaning of Sections 1273 and 1274 of the Code; and

(2) assuming that all of the Series 2010 Bonds will be paid at their scheduled maturity dates or in accordance with any mandatory redemption requirements.

"Yield" means, generally, the discount rate which, when used in computing the present value of all the unconditionally payable payments of principal and interest on an obligation and all the payments for qualified guarantees paid and to be paid with respect to such obligation, produces an amount equal to the present value of the issue price of such obligation. Present value is computed as of the date of issue of the obligation. There are, however, many additional specific rules contained in the Regulations which apply to the calculation and recalculation of yield for particular obligations and such rules should be consulted prior to calculating the yield for the Series 2010 Bonds on any Computation Date. Yield shall be calculated on a 360-day year basis with interest compounded semi-annually. For this purpose the purchase price of a Nonpurpose Investment or a Tax-Exempt Investment is its Fair Market Value, as determined pursuant to Section 4 of this Statement, as of the date that it becomes allocated to Gross Proceeds of the Series 2010 Bonds.

SECTION 3. REBATE REQUIREMENTS.

(a) The Authority shall pay to the United States Government at the times and in the amounts determined hereunder, the Rebatable Arbitrage. For purposes of determining the Rebatable Arbitrage, the Authority shall cause the calculations to be made by competent tax counsel or other financial or accounting advisors or persons to ensure correct application of the rules contained in the Code and the Regulations relating to arbitrage rebate.

(b) Pursuant to the Bond Resolution, there has been established a fund separate from any other fund or account established and maintained under the Bond Resolution designated the "Rebate Fund." The Authority or its designated agent shall administer the Rebate Fund and continuously invest all amounts held in the Rebate Fund in investments authorized by clauses (1) and (2) of "Authorized Investments" (as set forth in the Bond Resolution) or Tax-Exempt Investments.

(c) Within 30 days after any Computation Date, the Authority shall calculate or cause to be calculated the Rebatable Arbitrage or any penalty due pursuant to Section 3(f) hereof. Immediately following such calculations, but in no event later than 60 days following the Computation Date (90 days in the case of any penalty payment due pursuant to Section 3(f) hereof), the Authority shall remit an amount which when added to the future value of previous rebate payments shall not be less than 90% (100% with

respect to the Computation Date on the final repayment or retirement of the Series 2010 Bonds) of the Rebatable Arbitrage or 100% of any penalty due pursuant to Section 3(f) hereof as of the applicable Computation Date.

Each payment shall be accompanied by Internal Revenue Service Form 8038-T.

(d) The obligation to pay Rebatable Arbitrage to the United States, as described herein, shall be treated as satisfied with respect to the Series 2010 Bonds if (i) Gross Proceeds are expended for the governmental purpose of the Series 2010 Bonds by no later than the date which is six months after the Issue Date and if it is not anticipated that any other Gross Proceeds will arise during the remainder of the term of the Series 2010 Bonds and (ii) the requirement to pay Rebatable Arbitrage, if any, to the United States with respect to the portion of the Reserve Account allocable to the Series 2010 Bonds is met. For purposes described above, Gross Proceeds do not include (i) amounts deposited in a bona fide debt service fund, so long as the funds therein constitute bona fide debt service funds, or a reasonably required reserve or replacement fund (meeting the requirements of Section 1.148-2(f) of the Regulations), (ii) amounts that, as of the Issue Date, are not reasonably expected to be Gross Proceeds but that become Gross Proceeds after the date which is six months after the Issue Date, (iii) amounts representing Sale or Investment Proceeds derived from any Purpose Investment (as defined in Section 1.148-1 of the Regulations) and earnings on those payments, and (iv) amounts representing any repayments of grants (as defined in Section 1.148-6(d)(4) of the Regulations). If Gross Proceeds are in fact expended by such date, then, except as to the Reserve Account, Rebatable Arbitrage with respect to such Gross Proceeds need not be calculated and no payment thereof to the United States Department of Treasury need be made. Use of Gross Proceeds to redeem the Series 2010 Bonds shall not be treated as an expenditure of such Gross Proceeds.

Notwithstanding the foregoing, if Gross Proceeds which were reasonably expected to be Gross Proceeds on the Issue Date actually become available after the date which is six months after the Issue Date, then the requirements described herein relating to the calculation of Rebatable Arbitrage and the payment thereof to the United States must be satisfied, except that no such calculation or payment need be made with respect to the initial six-month period. Any other amounts not described in this Section 3(d) which constitute proceeds of the Series 2010 Bonds, other than a bona fide debt service fund, will be subject to rebate.

(e) As an alternative to Section 3(d) above, the obligation of the Authority to pay Rebatable Arbitrage to the United States, as described herein, shall be treated as satisfied with respect to the Series 2010 Bonds if (i) the rebate requirement is met for all proceeds of the Series 2010 Bonds other than Gross Proceeds (as defined in Section 3(d) hereof) and (ii) the Gross Proceeds of the Series 2010 Bonds are expended for the governmental purposes of the issue within the periods set forth below:

(i) at least 15% of such Gross Proceeds are spent within the six-month period beginning on the Issue Date;

(ii) at least 60% of such Gross Proceeds are spent within the 1-year period beginning on the Issue Date; and

(iii) at least 100% of such Gross Proceeds are spent within the 18-month period beginning on the Issue Date.

As set forth in Section 1.148-7(d)(2) of the Regulations, for purposes of the expenditure requirements set forth in this Section 3(e), 100% of the Gross Proceeds of the Series 2010 Bonds shall be treated as expended for the governmental purposes of the issue within the 18-month period beginning on the Issue Date if such requirement is met within the 30-month period beginning on the Issue Date and such requirement would have been met within such 18-month period but for a reasonable retainage (not exceeding 5% of the Net Proceeds of the Series 2010 Bonds). If Gross Proceeds are in fact expended by such dates, then Rebutable Arbitrage need not be calculated and no payment thereof to the United States Department of Treasury need be made. Any failure to satisfy the final spending requirement shall be disregarded if the Authority exercises due diligence to complete the 2010 Project financed by the Series 2010 Bonds and the amount of the failure does not exceed the lesser of (i) 3% of the issue price of the Series 2010 Bonds or (ii) \$250,000. Use of Gross Proceeds to redeem the Series 2010 Bonds shall not be treated as an expenditure of such Gross Proceeds. For purposes of this Section 3(e), "Gross Proceeds" shall be modified as described in Section 3(d) above.

(f) As an alternative to Sections 3(d) and (e) above, the obligation to pay Rebutable Arbitrage to the United States, as described herein, shall be treated as satisfied with respect to the Series 2010 Bonds if the Available Construction Proceeds (as defined in Section 148(f)(4)(C)(vi) of the Code and described below) are expended for the governmental purposes of the issue within the periods set forth below:

(i) at least 10% of such Available Construction Proceeds are spent within the six-month period beginning on the Issue Date;

(ii) at least 45% of such Available Construction Proceeds are spent within the 1-year period beginning on the Issue Date;

(iii) at least 75% of such Available Construction Proceeds are spent within the eighteen-month period beginning on the Issue Date; and

(iv) at least 100% of such Available Construction Proceeds are spent within the 2-year period beginning on the Issue Date.

For purposes of this Section 3(f), the term Available Construction Proceeds means the Net Proceeds, increased by earnings on the Net Proceeds, earnings on amounts in the

Reserve Account to the extent that such amounts were not funded from proceeds of the Series 2010 Bonds, and earnings on all of the foregoing earnings, and reduced by the amount of the Net Proceeds deposited to the Reserve Account and amounts used to pay issuance costs. Notwithstanding the foregoing, the Authority elects pursuant to Section 148(f)(4)(C)(vi)(IV) of the Code not to include amounts earned on the Reserve Account in the definition of "Available Construction Proceeds." Any amounts which constitute proceeds of the Series 2010 Bonds other than Available Construction Proceeds and amounts on deposit in a bona fide debt service fund will be subject to rebate.

As set forth in Section 148(f)(4)(C)(iii) of the Code, for purposes of the expenditure requirements set forth in this Section 3(f), 100% of Available Construction Proceeds of the Series 2010 Bonds shall be treated as expended for the governmental purposes of the issue within the 2-year period beginning on the Issue Date if such requirement is met within the 3-year period beginning on the Issue Date and such requirement would have been met within such 2-year period but for a reasonable retainage (not exceeding 5% of the Net Proceeds). Use of Available Construction Proceeds to redeem the Series 2010 Bonds shall not be treated as an expenditure of such Proceeds.

Any failure to satisfy the final spending requirement shall be disregarded if the Authority exercises due diligence to complete the 2010 Project financed by the Series 2010 Bonds and the amount of the failure does not exceed the lesser of (i) 3% of the issue price of the Series 2010 Bonds or (ii) \$250,000.

For purposes of Section 148(f)(4)(C)(vii) of the Code, in the event the Authority fails to meet the expenditure requirements referred to above, the Authority may elect to pay, in lieu of the Rebutable Arbitrage otherwise required to be paid with respect to such Gross Proceeds, a penalty with respect to the close of each 6-month period after the Issue Date equal to 1.5% of the amount of the Available Construction Proceeds of the Series 2010 Bonds which, as of the close of such period, are not spent as required by the expenditure provisions set forth above. The penalty referred to above shall cease to apply only after the Series 2010 Bonds (including any refunding bonds issued with respect thereto) are no longer outstanding. The Authority makes no election in regard to the above-described penalty.

In order to qualify for the exemption from the obligation to pay Rebutable Arbitrage to the United States pursuant to this Section 3(f), at least 75% of the Available Construction Proceeds must be used for construction expenditures (as defined in Section 1.148-7(g) of the Regulations) with respect to property which is owned by a governmental unit or an organization described in Section 501(c)(3) of the Code. The term "construction" includes reconstruction and rehabilitation of existing property and rules similar to the rules of Section 142(b)(1)(B) of the Code shall apply. If only a portion of an issue is to be used for construction expenditures, such portion and the other portion of such issue may, at the election of the issuer, be treated as separate issues for purposes

of this Section 3(f) (although the remaining portion may not be entitled to the benefits of Section 3(d) hereof). The Authority does not elect to treat any portion of the Series 2010 Bonds as a separate issue for the purposes of this section.

(g) The Authority shall keep proper books of records and accounts containing complete and correct entries of all transactions relating to the receipt, investment, disbursement, allocation and application of the moneys related to the Series 2010 Bonds, including moneys derived from, pledged to, or to be used to make payments on the Series 2010 Bonds. Such records shall, at a minimum, be adequate to enable the Authority or its consultants to make the calculations for payment of Rebatale Arbitrage as required by this Statement. The records required to be maintained under this Section 3(g) shall be retained by the Authority until six years after the retirement of the last obligation of the Series 2010 Bonds or for such other period as the United States Treasury may by regulations otherwise provide. Such records shall at least specify the account or fund to which each investment (or portion thereof) is to be allocated and shall set forth, in the case of each investment security, (i) its purchase price (including the amount of accrued interest to be stated separately), (ii) identifying information, including par amount, coupon rate, and payment dates, (iii) the amount received at maturity or its sale price, as the case may be, including accrued interest, (iv) the amounts and dates of any payments made with respect thereto, (v) the dates of acquisition and disposition or maturity, (vi) the amount of original issue discount or premium (if any), (vii) the frequency of periodic payments (and actual dates and amounts of receipts), (viii) the period of compounding, (ix) the transaction costs (e.g., commissions) incurred in acquiring, carrying or disposing of the Nonpurpose Investments, and (x) market price data sufficient to establish that the purchase price (disposition price) was not greater than (less than) the arm's-length price (see Section 4 below) on the date of acquisition (disposition) or, if earlier, on the date of a binding contract to acquire (dispose of) such Nonpurpose Investment.

SECTION 4. MARKET PRICE RULES. Except as provided below, the Authority agrees to comply with the requirements relating to the "Fair Market Value" of acquired Nonpurpose Investments, as defined in Section 1.148-5(d) of the Regulations ("Fair Market Value"). All investments required to be made pursuant to this Statement shall be made to the extent permitted by law. In this regard, the Authority agrees, among other things, that it will not acquire or cause to be acquired a Nonpurpose Investment (or any other investment acquired with Gross Proceeds or on deposit in the Rebate Fund) for a price in excess of its Fair Market Value or sell any such investment at a price (determined without any reduction for transaction costs) less than its Fair Market Value, except as provided below. For this purpose, the following rules shall apply:

(a) Established securities markets. Except as otherwise provided below, any market especially established to provide a security or obligation to an issuer of municipal obligations shall not be treated as an established market and shall be rebuttably presumed to be acquired or disposed of for a price that is not its Fair Market Value.

(b) Arm's-length price. Any transaction in which a Nonpurpose Investment is directly purchased with Gross Proceeds, or in which a Nonpurpose Investment allocable to Gross Proceeds is disposed of, shall be undertaken in an arm's-length manner, and no amount shall be paid to reduce the yield on the Nonpurpose Investment.

(c) Safe harbor for establishing Fair Market Value for guaranteed investment contracts and Nonpurpose Investments purchased for a yield restricted defeasance escrow. In the case of a guaranteed investment contract or Nonpurpose Investments purchased for a yield restricted defeasance escrow, the purchase price shall not be considered to be an arm's-length price unless all the following conditions are met:

(i) The Authority makes a bona fide solicitation ("Bona Fide Solicitation") for the purchase of the investment that satisfies all of the following requirements:

(1) The bid specifications are in writing and are timely forwarded to potential providers;

(2) The bid specifications include all terms of the bid that may directly or indirectly affect the yield or the cost of the investment;

(3) The bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Authority or any other person (whether or not in connection with the bond issue), and that the bid is not being submitted solely as a courtesy to the Authority or any other person for purposes of satisfying these requirements;

(4) The terms of the bid specifications are such that there is a legitimate business purpose for each term other than to increase the purchase price or reduce the yield of the investment (e.g., for solicitations of Nonpurpose Investments for a yield restricted defeasance escrow, the hold firm period must be no longer than the Authority reasonably requires);

(5) For purchases of guaranteed investment contracts only, the terms of the solicitation take into account the Authority's reasonably expected deposit and draw down schedule for the amounts to be invested;

(6) All potential providers have an equal opportunity to bid (e.g., no potential provider is given the opportunity to review other bids before providing a bid); and

(7) At least three providers are solicited for bids that have an established industry reputation as a competitive provider of the type of investments being purchased.

(ii) The bids received by the Authority must meet all of the following requirements:

(1) The Authority receives at least three bids from providers that the Authority solicited under a Bona Fide Solicitation and that do not have a material financial interest in the issue. A lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the issue date of the issue. In addition, any entity acting as a financial advisor with respect to the purchase of the investment at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue. A provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(2) At least one of the three bids described in paragraph (c) (ii)(1) above is from a provider that has an established industry reputation as a competitive provider of the type of investments being purchased; and

(3) If the Authority uses an agent to conduct the bidding process, the agent did not bid to provide the investment.

(iii) The winning bid must meet the following requirements:

(1) *Guaranteed investment contracts.* If the investment is a guaranteed investment contract, the winning bid is the highest yielding bona fide bid (determined net of any broker's fees).

(2) *Other Nonpurpose Investments.* If the investment is not a guaranteed investment contract, the following requirements are met:

(A) The winning bid is the lowest cost bona fide bid (including any broker's fees). The lowest bid is either the lowest cost bid for the portfolio or, if the Authority compares the bids on an investment-by-investment basis, the aggregate cost of a portfolio comprised of the lowest cost bid for each investment. Any payment received by the Authority from a provider at the time a guaranteed investment contract is purchased (e.g., an escrow float contract) for a yield restricted defeasance escrow under a bidding procedure meeting these requirements is taken into account in determining the lowest cost bid.

(B) The lowest cost bona fide bid (including any broker's fees) is not greater than the cost of the most efficient portfolio comprised exclusively of State and Local Government Series Securities from the United States Department of the Treasury, Bureau of Public Debt. The cost of the most efficient portfolio of State and Local Government Series Securities is to be determined at the time that bids are required to be submitted pursuant to the terms of the bid specifications. If such State and Local Government Series Securities are not available for purchase on the day that bids are required to be submitted because sales of those securities have been suspended, the cost comparison described in this paragraph is not required.

(iv) The provider of the investments or the obligor on the guaranteed investment contract certifies the administrative costs that it pays (or expects to pay) to third parties in connection with supplying the investment.

(d) The Authority shall retain certificates and records documenting compliance with the above requirements until three years after the last outstanding Series 2010 Bonds is redeemed including, but not limited to, the following:

(i) For purchases of guaranteed investment contracts, a copy of the contract, and for purchases of Nonpurpose Investments other than guaranteed investment contracts, the purchase agreement or confirmation;

(ii) The receipt or other record of the amount actually paid by the Authority for the investments, including a record of any administrative costs paid by the Authority and the certification required in paragraph (c)(iv) above;

(iii) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results;

(iv) The bid solicitation form and, if the terms of the purchase agreement or the guaranteed investment contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation; and

(v) For purchase of Nonpurpose Investments other than guaranteed investment contracts, the cost of the most efficient portfolio of State and Local Government Series Securities, determined at the time that the bids were required to be submitted.

SECTION 5. MODIFICATION UPON RECEIPT OF BOND COUNSEL OPINION. Notwithstanding any provision of this Statement, if the Authority shall

receive an opinion of Bond Counsel that any specified action required under this Statement is no longer required or that some further or different action is required to maintain or assure the exclusion from federal gross income of interest with respect to the Series 2010 Bonds, the Authority may conclusively rely on such opinion in complying with the requirements of this Statement and the covenants herein shall be deemed to be modified to that extent. This Statement shall be amended or modified by the parties hereto in any manner which is necessary to comply with such regulations as may be promulgated by the United States Treasury Department from time to time.

SECTION 6. ACCOUNTING FOR GROSS PROCEEDS. In order to perform the calculations required by the Code and the Regulations, it is necessary to track the investment and expenditure of all Gross Proceeds. To that end, the Authority must adopt reasonable and consistently applied methods of accounting for all Gross Proceeds. Appendix I hereto sets forth a description of the required allocation and accounting rules with which the Authority agrees to comply.

SECTION 7. ADMINISTRATIVE COSTS OF INVESTMENTS. Except as otherwise provided in this Section 7, an allocation of Gross Proceeds to a payment or receipt on a Nonpurpose Investment is not adjusted to take into account any costs or expenses paid, directly or indirectly, to purchase, carry, sell or retire the Nonpurpose Investment (administrative costs). Thus, administrative costs generally do not increase the payments for, or reduce the receipts from, Nonpurpose Investments.

In determining payments and receipts on Nonpurpose Investments, Qualified Administrative Costs are taken into account by increasing payments for, or reducing the receipts from, the Nonpurpose Investments. Qualified Administrative Costs are reasonable, direct administrative costs, other than carrying costs, such as separately stated brokerage or selling commissions, but not legal and accounting fees, recordkeeping, custody and similar costs. General overhead costs and similar indirect costs of the Authority such as employee salaries and office expenses and costs associated with computing Rebutable Arbitrage are not Qualified Administrative Costs.

Allocation and accounting rules are provided in Appendix I attached hereto.

APPENDIX I

ALLOCATION AND ACCOUNTING RULES

(a) General Rule. Any issuer may use any reasonable, consistently applied accounting method to account for Gross Proceeds, investments and expenditures of an issue. An accounting method is "consistently applied" if it is applied uniformly within a Fiscal Period (as hereinafter defined) and between Fiscal Periods to account for Gross Proceeds of an issue and any amounts that are in a commingled fund.

(b) Allocation of Gross Proceeds to an Issue. Amounts are allocable to only one issue at a time as Gross Proceeds. Amounts cease to be allocated to an issue as Proceeds only when those amounts (i) are allocated to an expenditure for a governmental purpose; (ii) are allocated to Transferred Proceeds of another issue of obligations; or (iii) cease to be allocated to that issue at retirement of the issue or under the Universal Cap.

(c) Allocation of Gross Proceeds to Investments. Upon the purchase or sale of a Nonpurpose Investment, Gross Proceeds of an issue are not allocated to a payment for that Nonpurpose Investment in an amount greater than, or to a receipt from that Nonpurpose Investment in an amount less than, the Fair Market Value of the Nonpurpose Investment as of the purchase or sale date. The Fair Market Value of a Nonpurpose Investment is adjusted to take into account Qualified Administrative Costs allocable to the investment. Thus, Qualified Administrative Costs increase the payments for, or decrease the receipts from, a Nonpurpose Investment.

(d) Allocation of Gross Proceeds to Expenditures. Reasonable accounting methods for allocating funds from different sources to expenditures for the same governmental purpose include a "specific tracing" method, a "gross-proceeds-spent-first" method, a "first-in-first-out" method or a ratable allocation method, so long as the method used is consistently applied. An allocation of Gross Proceeds of an issue to an expenditure must involve a current outlay of cash for a governmental purpose of the issue. A current outlay of cash means an outlay reasonably expected to occur not later than five banking days after the date as of which the allocation of Gross Proceeds to the expenditure is made.

(e) Commingled Funds. Any fund or account that contains both Gross Proceeds of an issue and amounts in excess of \$25,000 that are not Gross Proceeds of that issue if the amounts in the fund or account are invested and accounted for collectively, without regard to the source of the funds deposited therein, constitutes a "commingled fund." All payments and receipts (including deemed payments and receipts) on investments held by a commingled fund must be allocated (but not necessarily distributed) among each different source of funds invested in the commingled fund in

accordance with a consistently applied, reasonable ratable allocation method. Reasonable ratable allocation methods include, without limitation, methods that allocate payments and receipts in proportion to either (i) the average daily balances of the amounts in the commingled fund from each different source of funds during any consistent time period within its fiscal year, but at least quarterly (the "Fiscal Period"); or (ii) the average of the beginning and ending balances of the amounts in the commingled fund from each different source of funds for a Fiscal Period that does not exceed one month.

Funds invested in the commingled fund may be allocated directly to expenditures for governmental purposes pursuant to a reasonable consistently applied accounting method. If a ratable allocation method is used to allocate expenditures from the commingled fund, the same ratable allocation method must be used to allocate payments and receipts on investments in the commingled fund.

Generally a commingled fund must treat all its investments as if sold at Fair Market Value either on the last day of the fiscal year or on the last day of each Fiscal Period. The net gains or losses from these deemed sales of investments must be allocated to each different source of funds invested in the commingled fund during the period since the last allocation. This mark-to-market requirement does not apply if (i) the remaining weighted average maturity of all investments held by a commingled fund during a particular fiscal year does not exceed 18 months, and the investments held by the commingled fund during that fiscal year consist exclusively of obligations; or (ii) the commingled fund operated exclusively as a reserve fund, sinking fund or replacement fund for two or more issues of the same issuer. Subject to the Universal Cap limitation, and the principle that amounts are allocable to only one issue at a time as Gross Proceeds, investments held by a commingled fund must be allocated ratably among the issues served by the commingled fund in proportion to either (i) the relative values of the bonds of those issues; (ii) the relative amounts of the remaining maximum annual debt service requirements on the outstanding principal amounts of those issues; or (iii) the relative original stated principal amounts of the outstanding issues.

(f) Universal Cap. Amounts that would otherwise be Gross Proceeds allocable to an issue are allocated (and remain allocated) to the issue only to the extent that the Value of the Nonpurpose Investments allocable to those Gross Proceeds does not exceed the Value of all outstanding bonds of the issue. Nonpurpose Investments allocated to Gross Proceeds in a bona fide debt service fund for an issue are not taken into account in determining the Value of the Nonpurpose Investments, and those Nonpurpose Investments remain allocated to the issue. To the extent that the Value of the Nonpurpose Investments allocable to the Gross Proceeds of an issue exceed the Value of all outstanding bonds of that issue, an issuer should seek the advice of Bond Counsel for the procedures necessary to comply with the Universal Cap.

(g) Expenditure for Working Capital Purposes. Subject to certain exceptions, the Proceeds of an issue may only be allocated to "working capital expenditures" as of any date to the extent that those expenditures exceed "available amounts" as of that date (i.e., "proceeds-spent-last").

For purposes of this section, "working capital expenditures" include all expenditures other than "capital expenditures." "Capital expenditures" are costs of a type properly chargeable (or chargeable upon proper election) to a capital account under general federal income tax principles. Such costs include, for example, costs incurred to acquire, construct or improve land, buildings and equipment having a reasonably expected useful life in excess of one year. Thus, working capital expenditures include, among other things, expenditures for current operating expenses and debt service.

For purposes of this section, "available amount" means any amount that is available to an issuer for working capital expenditure purposes of the type financed by the issue. Available amount excludes Proceeds of the issue but includes cash, investments and other amounts held in accounts or otherwise by an issuer for working capital expenditures of the type being financed by the issue without legislative or judicial action and without a legislative, judicial or contractual requirement that those amounts be reimbursed. Notwithstanding the preceding sentence, a "reasonable working capital reserve" is treated as unavailable. A working capital reserve is reasonable if it does not exceed five percent of the actual working capital expenditures of an issuer in the fiscal year before the year in which the determination of available amounts is made. For purpose of the preceding sentence only, in determining the working capital expenditures of an issuer for a prior fiscal year, any expenditures (whether capital or working capital expenditures) that are paid out of current revenues may be treated as working capital expenditures.

The proceeds-spent-last requirement does not apply to expenditures to pay (i) any Qualified Administrative Costs; (ii) fees for qualified guarantees of the issue or payments for a qualified hedge for the issue; (iii) interest on the issue for a period commencing on the Issue Date and ending on the date that is the later of three years from the Issue Date or one year after the date on which the financed 2010 Project is placed in service; (iv) the United States for yield reduction payments (including rebate payments) or penalties for the failure to meet the spend down requirements associated with certain spending exceptions to the rebate requirement; (v) costs, other than those described in (i) through (iv) above, that do not exceed five percent of the Sale Proceeds of an issue and that are directly related to capital expenditures financed by the issue (e.g., initial operating expenses for a new capital 2010 Project); (vi) principal or interest on an issue paid from unexpected excess sale or Investment Proceeds; (vii) principal or interest on an issue paid from investment earnings on a reserve or replacement fund that are deposited in a bona fide debt service fund; and (viii) principal, interest or redemption premium on a prior

issue and, for a crossover refunding issue, interest on that issue. Notwithstanding the preceding paragraph, the exceptions described above do not apply if the allocation merely substitutes Gross Proceeds for other amounts that would have been used to make those expenditures in a manner that gives rise to Replacement Proceeds.

Payment of any Amortization Installment shall not require presentment of this Bond at the office of the Issuer or the Paying Agent, and the Paying Agent shall make a notation of such payment in its records.

In the event that this Bond, or any portion thereof, is called for redemption other than an Amortization Installment, the Issuer shall provide notice as provided in the Bond Resolution.

This Bond is issued for the principal purpose of financing certain capital improvements relating to the Issuer's Cruise Terminal No. 6 and North Cargo Piers No. 5 and 8, under the authority of and full compliance with the Constitution and laws of the State of Florida, particularly Chapter 2003-335, Laws of Florida, Special Acts of 2003, as amended and supplemented, Chapter 315, Florida Statutes, and other applicable provisions of law (the "Act"), and Resolution No. 92-8 duly adopted by the Issuer on October 7, 1992, as amended and supplemented, particularly as supplemented by Resolution No. 2010-19, duly adopted by the Issuer on December 8, 2010 (collectively, the "Bond Resolution"), and is subject to all the terms and conditions of the Bond Resolution. Any capitalized term used in this Bond and not otherwise defined shall have the meaning ascribed to such term in the Bond Resolution.

In addition, if it is determined by PNC Bank, National Association (the "Bank"), as registered owner of the Bond, supported by an opinion of counsel experienced in tax matters relating to municipal bonds, or by the Internal Revenue Service, that interest on the Bonds is includable in gross income under Section 103 of the Internal Revenue Code of 1986, as amended, then the interest rate on the Bond shall be adjusted to such amount as shall be determined by the Bank as shall be necessary to provide to the Bank an after-tax yield on the then outstanding principal amount of the Bond equal to the after-tax yield the Bank would have received thereon if such determination had not been made, from the date such interest must be included in such gross income, whereupon the Issuer shall reimburse the Bank for the difference between (x) the interest then due computed at the adjusted rate, and (y) the interest previously paid on the Bond at the unadjusted rate, along with all costs, expenses, penalties, attorney's fees and all other losses incurred by the Bank as a result of such determination, within thirty (30) days after the date a written notice is delivered by the Bank to the Issuer stating that such a determination has been made and stating the amount that is then due. The obligation to pay such additional interest and such other costs, expenses, penalties, attorney's fees and other losses shall survive the payment of the principal of the Bond. The determination of any adjusted interest rate of the Bond pursuant to this paragraph (absent manifest error) shall be conclusive and binding upon the Issuer, and the Holder of the Bond.

In the event any payment of the principal of and interest on this Bond is not paid when due, the unpaid amounts shall bear interest, from and after five (5) days after the due date, at a default rate equal to 3% over the Bank's "Base Rate" (as hereinafter defined). The term "Base Rate" shall mean the highest of (i) the Prime Rate (as

hereinafter defined), (ii) the sum of the Federal Funds Open Rate (as hereinafter defined) plus fifty (50) basis points (0.50%), and (iii) the sum of the Daily LIBOR Rate (as hereinafter defined) plus one hundred (100) basis points (1.0%), so long as a Daily LIBOR Rate is offered, ascertainable and not unlawful. For purposes of the foregoing, the following terms be defined as follows:

"Daily LIBOR Rate" shall mean, for any day, the rate per annum determined by the Bank by dividing (x) the Published Rate (as hereinafter defined) by (y) a number equal to 1.00 minus the LIBOR Reserve Percentage (as hereinafter defined).

"Federal Funds Open Rate" shall mean, for any day, the rate per annum (based on a year of 360 days and actual days elapsed) which is the daily federal funds open rate as quoted by ICAP North America, Inc. (or any successor) as set forth on the Bloomberg Screen BTMM for that day opposite the caption "OPEN" (or on such other substitute Bloomberg Screen that displays such rate), or as set forth on such other recognized electronic source used for the purpose of displaying such rate as selected by the Bank (an "Alternate Source") (or if such rate for such day does not appear on the Bloomberg Screen-BTMM (or any substitute screen) or on any Alternate Source, or if there shall at any time, for any reason, no longer exist a Bloomberg Screen BTMM (or any substitute screen) or any Alternate Source, a comparable replacement rate determined by the Bank at such time (which determination shall be conclusive absent manifest error); provided however, that if such day is not a Business Day, the Federal Funds Open Rate for such day shall be the "open" rate on the immediately preceding Business Day. The rate of interest charged shall be adjusted as of each Business Day based on changes in the Federal Funds Open Rate without notice to the Borrower.

"LIBOR Reserve Percentage" shall mean the maximum effective percentage in effect on such day as prescribed by the Board of Governors of the Federal Reserve System (or any successor) for determining the reserve requirements (including, without limitation, supplemental, marginal and emergency reserve requirements) with respect to eurocurrency funding (currently referred to as "Eurocurrency liabilities").

"Prime Rate" shall mean the rate publicly announced by the Bank from time to time as its prime rate. The Prime Rate is determined from time to time by the Bank as a means of pricing some loans to its borrowers. The Prime Rate is not tied to any external rate of interest or index, and does not necessarily reflect the lowest rate of interest actually charged by the Bank to any particular class or category of customers.

"Published Rate" shall mean the rate of interest published each Business Day in the Wall Street Journal "Money Rates" listing under the caption "London

Interbank Offered Rates" for a one month period (or, if no such rate is published therein for any reason, then the Published Rate shall be the eurodollar rate for a one month period as published in another publication selected by the Bank).

This Bond and the interest hereon are payable solely from and secured by a parity lien upon and a parity pledge of (1) the Gross Revenues (as defined in the Bond Resolution) and (2) until applied in accordance with the provisions of the Bond Resolution, all moneys, including investments thereof, in certain of the funds and accounts established by the Bond Resolution, all in the manner and to the extent described in the Bond Resolution (collectively, the "Pledged Funds"). This Bond shall be issued on parity with certain other obligations of the Issuer.

Reference to the Bond Resolution is hereby made for a description of the funds charged with and pledged to the payment of the principal of and interest on this Bond, the nature and extent of the security for the payment of this Bond, a statement of the rights, duties and obligations of the Issuer, the rights of the Bondholder, to all the provisions of which Bond Resolution the holder hereof by the acceptance of this Bond assents. The Bond Resolution is incorporated by reference as if fully stated herein.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen and to be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, and that the issuance of this Bond of this issue does not violate any constitutional, statutory, or charter limitation or provision, and that provision has been made for the collection of a direct annual tax, without limitation, on all property in the Issuer taxable for such purpose sufficient to pay and discharge the principal hereof at maturity.

The transfer of this Bond is registrable by the Bondholder hereof in person or by his attorney or legal representative at the designated corporate trust office of the Registrar but only in the manner and subject to the conditions provided in the Bond Resolution and upon surrender and cancellation of this Bond.

On or prior to June 1, 2017, this Bond is subject to redemption upon notice prior to maturity, at the election of the Issuer, as a whole at any time, or in part on any Interest Date, at the redemption price of 100% of the principal amount of the Bond or portions thereof to be redeemed, together with accrued interest to the redemption date, plus the Cost of Prepayment. "Cost of Prepayment" means an amount equal to the present value, if positive, of the product of (a) the amount obtained by subtracting (i) the yield on the prepayment date of a U.S. Treasury obligation with a maturity similar to the remaining maturity of the Bond from (ii) the yield on the date of issuance of the Bond of a U.S. Treasury obligation with a maturity similar to the Bond and (b) the principal amount to be prepaid, and (c) the remaining average life of the Series 2010 Bonds immediately prior to the prepayment. The yield on any U.S. Treasury obligation shall be determined by

reference to Federal Reserve Statistical Release H.15 (519) "Selected Interest Rates". For purposes of making present value calculations, the yield to maturity of a similar maturity U.S. Treasury obligation on the prepayment date shall be deemed the discount rate. In the event of any such partial redemption, the principal amount of Series 2010 Bonds redeemed shall be applied to reduce pro rata, to the extent possible, each of the remaining Sinking Fund Installments on the Series 2010 Bonds.

On or after June 2, 2017 this Bond is subject to redemption upon notice prior to maturity, at the election of the Issuer, as a whole at any time, or in part on any Interest Date, at the redemption price of 100% of the principal amount of the Bond or portions thereof to be redeemed, together with accrued interest to the redemption date.

The Original Purchaser acknowledges and represents that it has been advised that the Series 2010 Bonds has not been registered under the Securities Act of 1933, as amended, in reliance upon the exemption contained in Section 3(a)(2) thereof, and that the Authority is not presently registered under Section 12 of the Securities and Exchange Act of 1934, as amended. Further, no trading market now exists for the Series 2010 Bonds. Accordingly, the Original Purchaser understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to the maturity of the Series 2010 Bonds may not be possible or may be at a price below that which the Original Purchaser is paying for the Series 2010 Bonds.

The Original Purchaser has conducted its own investigation to the extent it deemed necessary. The Original Purchaser has been offered an opportunity to have made available to it any and all such information it might request from the Authority. On this basis, it is agreed by acknowledgment of this letter that the Original Purchaser hereto is not relying on any

other party or person to undertake the furnishing or verification of information relating to this transaction.

The Original Purchaser acknowledges that the Series 2010 Bonds are being purchased as part of a private placement of the Series 2010 Bonds negotiated directly between the Authority and representatives of the undersigned. Accordingly, no Official Statement or other disclosure document has been prepared in connection with the issuance of the Series 2010 Bonds and we hereby acknowledge that we have made our own independent examination of all facts and circumstances surrounding the Series 2010 Bonds.

The Original Purchaser is purchasing the Series 2010 Bonds primarily for its own investment purposes and not with a present intent to distribute or resell the Series 2010 Bonds. The Original Purchaser hereby agrees that prior to any distribution or resale of the Series 2010 Bonds, it will comply in all respects with all applicable securities laws. Notwithstanding the foregoing, nothing contained herein shall otherwise restrict the assignability or transferability of the Bond.

The Original Purchaser further acknowledges and represents that (1) it is the only initial purchaser of the Series 2010 Bonds, (2) it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the Series 2010 Bonds, and (3) it is not currently purchasing the Series 2010 Bonds for more than one account or with a present view to distributing the Series 2010 Bonds. The Original Purchaser acknowledges that the representations contained in this paragraph are being made in order to meet one of the exceptions to the continuing disclosure requirements set forth in Rule 15c2-12 promulgated under the Securities Exchange Act of 1934.

Pursuant to the provisions of Section 218.385, Florida Statutes, the Original Purchaser is providing the following information with respect to the purchase of the Series 2010 Bonds. The Original Purchaser represents to you as follows:

- (a) The nature and estimated amounts of expenses to be incurred and paid by the Original Purchaser in connection with the issuance and sale of the Series 2010 Bonds are: \$8,000.00 fees and expenses of counsel to the Original Purchaser to be paid by you.
- (b) There are no "finders," as defined in Section 218.386, Florida Statutes, as amended, in connection with the issuance of the Series 2010 Bonds.
- (c) No underwriting fee will be charged by the Original Purchaser in connection with the issuance of the Series 2010 Bonds.

- (d) No management fee will be charged by the Original Purchaser in connection with the issuance of the Series 2010 Bonds.
- (e) No other fee, bonus or other compensation will be paid by the Original Purchaser in connection with the issuance of the Series 2010 Bonds to any person not regularly employed or retained by the Original Purchaser (including a "finder" as defined in Section 218.386, Florida Statutes).
- (f) The name and address of the Original Purchaser is:

PNC Bank, National Association
1600 Market Street, 22nd Floor
Philadelphia, Pennsylvania 19103

- (g) The Authority is proposing to issue the Series 2010 Bonds for the principal purpose of financing certain capital improvements relating to Cruise Terminal No. 6 and North Cargo Piers No. 5 and 8. The Series 2010 Bonds are expected to be repaid over approximately 12.5 years. The interest rate on the Series 2010 Bonds is 3.144%. Total interest paid over the life of the Series 2010 Bonds is estimated to be \$8,936,652.08. The expected source of repayment for the Series 2010 Bonds is gross revenue of the Authority. The Series 2010 Bonds will result in an estimated and approximate average of \$3,918,204.01 of such revenue of the Authority being expended to pay debt service on the Series 2010 Bonds each year and not being available to pay for other services or purposes of the Authority.

Canaveral Port Authority
Cape Canaveral, Florida

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance of \$42,000,000 Canaveral Port Authority Port Improvement Revenue Bonds, Series 2010 (the "Series 2010 Bonds"). The Series 2010 Bonds are issued under and pursuant to Chapter 315, Florida Statutes, Chapter 2003-335, Laws of Florida, Special Acts of 2003, as amended and supplemented, and Resolution No. 92-8 of the Canaveral Port Authority (the "Authority") adopted on October 7, 1992, as amended and supplemented, in particular as supplemented by Resolution No. 2010-19 adopted on December 8, 2010 (collectively, the "Bond Resolution").

The Series 2010 Bonds are dated and shall bear interest from the date hereof. The Series 2010 Bonds will be payable on the dates and in the principal amounts, and will bear interest at the rate per annum, as provided in the Bond Resolution and the Series 2010 Bonds. The Series 2010 Bonds are subject to redemption prior to maturity as provided in the Bond Resolution and the Series 2010 Bonds. The Series 2010 Bonds are being issued for the principal purpose of financing capital improvements relating to the Authority's Cruise Terminal No. 6 and North Cargo Piers No. 5 and 8 (the "2010 Project").

As to questions of fact material to our opinion, we have relied upon the representations of the Authority contained in the Bond Resolution and in the certified proceedings relating thereto and to the issuance of the Series 2010 Bonds and other certifications of public officials furnished to us in connection therewith without undertaking to verify the same by independent investigation.

Based on the foregoing, we are of the opinion that:

1. The Authority is a duly created and validly existing public body corporate and politic of the State of Florida.

2. The Authority has the right and power under the Constitution and Laws of the State of Florida to adopt the Bond Resolution, and the Bond Resolution has been duly and lawfully adopted by the Authority, is in full force and effect in accordance with its terms and is valid and binding upon the Authority and enforceable in accordance with its terms, and no other authorization for the Bond Resolution is required. The Bond Resolution creates the valid pledge which it purports to create of the Pledged Funds (as such term is defined in the Bond Resolution), subject to the provisions of the Bond Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Bond Resolution.

3. The Authority is duly authorized and entitled to issue the Series 2010 Bonds, and the Series 2010 Bonds have been duly and validly authorized and issued by the Authority in accordance with the Constitution and Laws of the State of Florida and the Bond Resolution. The Series 2010 Bonds constitute a valid and binding obligation of the Authority as provided in the Bond Resolution, is enforceable in accordance with its terms and the terms of the Bond Resolution and is entitled to the benefits of the Bond Resolution and the laws pursuant to which it is issued. The Series 2010 Bonds do not constitute a general indebtedness of the Authority, the Port District, the State of Florida or any agency, department or political subdivision thereof, or a pledge of the faith and credit of such entities, but is payable solely from the Pledged Funds in the manner and to the extent provided in the Bond Resolution. No holder of the Series 2010 Bonds shall ever have the right to compel the exercise of any ad valorem taxing power of the Authority, the Port District or the State of Florida or any political subdivision, agency or department thereof to pay the Series 2010 Bonds.

4. The Series 2010 Bonds and income thereon are exempt from taxation under existing laws of the State of Florida, except as to any tax imposed by Chapter 220, Florida Statutes, on income, interest or profits on debt obligations owned by corporations, as defined in said Chapter 220.

5. Under existing statutes, regulations, rulings and court decisions, the interest on the Series 2010 Bonds (a) is excluded from gross income for federal income tax purposes, except during any period while the Series 2010 Bonds are held by a

"substantial user" of the 2010 Project or a "related person" within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended (the "Code"), (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, and (c) is not taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on corporations. The opinion set forth in the first sentence of this paragraph is subject to the condition that the Authority comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2010 Bonds in order that interest thereon be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Series 2010 Bonds to be so included in gross income retroactive to the date of issuance of the Series 2010 Bonds. The Authority has covenanted to comply with all such requirements. Ownership of the Series 2010 Bonds may result in collateral federal tax consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Series 2010 Bonds.

It should be noted that we have not been engaged or undertaken to review the compliance with any federal or state law with regard to the sale or distribution of the Series 2010 Bonds and we express no opinion relating thereto.

The opinions expressed in paragraphs 2 and 3 hereof are qualified to the extent that the enforceability of the Bond Resolution and the Series 2010 Bonds may be limited by any applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity.

This opinion speaks only to the facts and circumstances expressly set forth herein as such exist as of the date hereof and we assume no obligation to update or supplement this opinion.

Respectfully submitted,

Mickerson, J. H. = Mickerson, P.A.

Canaveral Port Authority

PNC Bank, National Association
Philadelphia, Pennsylvania

Ladies and Gentlemen:

In connection with the issuance by the Authority of its \$42,000,000 principal amount of Port Improvement Revenue Bond, Series 2010 (the "Series 2010 Bonds") pursuant to Resolution No. 92-8 of the Authority adopted on October 7, 1992, as amended and supplemented, in particular as supplemented by Resolution No. 2010-19 adopted on December 8, 2010, (collectively, the "Bond Resolution"), I have participated in various proceedings in connection therewith. All terms not otherwise defined herein shall have the meanings ascribed thereto in the Bond Resolution.

I am of the opinion that:

1. The Authority is a duly existing public body politic and corporate of the State of Florida (the "State") and had and has good right and lawful authority under the Constitution and laws of the State, including the Act, (a) to adopt the Bond Resolution and (b) to authorize and issue the Series 2010 Bonds, and the Bond Resolution has been duly adopted by the Authority and is in full force and effect as of this date.

2. As of this date, the Authority has duly performed all obligations required to be performed by it pursuant to the Bond Resolution.

3. The adoption of the Bond Resolution and the authorization, execution and delivery of the Series 2010 Bonds, and all documents related thereto and compliance with the provisions thereof, will not conflict with, or constitute a breach of or default under, any law, administrative regulation, court decree, ordinance, resolution or any agreement or other instrument to which the Authority was or is subject, as the case may be, nor will such

enactment, adoption, execution, delivery, authorization or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Authority, or under the terms of any law, administrative regulation, ordinance, resolution or instrument, except as expressly provided in the Bond Resolution.

4. The Authority is lawfully empowered under the Act and Constitution and Laws of the State of Florida to pledge the Pledged Funds as security for the Series 2010 Bonds to the extent provided in the Bond Resolution, and upon issuance and delivery thereof, the Series 2010 Bonds will be secured by and payable from a valid and effective pledge of and first lien upon the Pledged Funds, on a parity with the Parity Bonds and any Additional Bonds thereafter issued pursuant to the Bond Resolution, to the extent provided in the Bond Resolution.

5. To the best of my knowledge after due inquiry with respect thereto, no litigation or other proceedings are pending or threatened in any court or other tribunal of competent jurisdiction, State or Federal, in any way (a) restraining or enjoining the issuance, sale or delivery of the Series 2010 Bonds, or (b) questioning or affecting the validity of the Series 2010 Bonds, the Bond Resolution or the pledge by the Authority of the Gross Revenues or Pledged Funds so pledged under the Bond Resolution and/or use of other funds as provided in the Bond Resolution, or (c) questioning or affecting the validity of any of the proceedings for the authorization, sale, execution, registration, issuance or delivery of the Series 2010 Bonds and the security therefor, or (d) questioning or affecting the organization or existence of the Authority or the Port District or the title to office of the Commissioners thereof, or (e) which could materially adversely affect the operations of the 2010 Project, the Marine Facilities or the financial condition of the Authority.

6. All approvals, consents, authorizations and orders of any governmental authority or agency having jurisdiction in any matter which would constitute a condition precedent to the performance by the Authority of its obligations under the Bond Resolution or any other documents related to the issuance of the Series 2010 Bonds have been obtained and are in full force and effect (except that no opinion is expressed with respect to approvals, consents, authorizations and orders relating to the Blue Sky or legal investment laws of any jurisdiction or with respect to Federal securities laws).
