ARTICLE II REPRESENTATIONS OF COUNTY

The County represents and warrants to the Lender that:

Section 2.01 Powers of County. The County is a political subdivision of the State, duly organized and validly existing under the laws of the State. The County has the power under the Act to adopt the Resolution, to borrow the Loan Amount provided for in this Agreement, to execute and deliver the Loan Documents, to secure this Agreement and the Note in the manner contemplated hereby and to perform and observe all the terms and conditions of the Loan Documents on its part to be performed and observed and to carry out and consummate all other transactions contemplated hereby. The County may lawfully borrow funds hereunder in order to provide funds to finance or refinance the Costs of the Project, including paying the Costs of issuance of the Loan and the Note. The Project consists of a distinct undertaking, which has not been, is not pursuant hereto being, and will not be, financed with total indebtedness that exceeds the amount of the bonding limitation in effect pursuant to Section 5.2D of the Charter of the County.

Section 2.02 Authorization of Loan. The County has duly authorized the borrowing of the Loan Amount provided for in this Agreement, the execution and delivery of this Agreement, and the making and delivery of the Note to the Lender, and to that end the County warrants that it will, subject to the terms hereof and of the Note, take all action and do all things which it is authorized by law to take and to do in order to fulfill all covenants on its part to be performed and to provide for and to assure payment of the Note. The Note has been duly authorized, executed, issued and delivered to the Lender and constitutes the legal, valid and binding obligation of the County enforceable in accordance with the terms thereof and the terms hereof, and is entitled to the benefits and security of this Agreement, subject to the provisions of the bankruptcy laws of the United States of America and to other applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights, heretofore or hereinafter enacted, to the extent constitutionally applicable, and provided that its enforcement may also be subject to equitable principles that may affect remedies or other equitable relief, or to the exercise of judicial discretion in appropriate cases. All approvals, consents, and orders of and filings with any governmental authority or agency which would constitute a condition precedent to the issuance of the Note or the execution and delivery of or the performance by the County of its obligations under this Agreement and the Note have been obtained or made and any consents, approvals, and orders to be received or filings so made are in full force and effect. NOTWITHSTANDING THE FOREGOING, HOWEVER, OR ANYTHING ELSE HEREIN OR IN THE NOTE TO THE CONTRARY, NEITHER THIS AGREEMENT NOR THE NOTE SHALL CONSTITUTE A GENERAL OBLIGATION OR A PLEDGE OF THE FAITH AND CREDIT OF THE COUNTY, THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL, LEGISLATIVE OR CHARTER PROVISION OR LIMITATION, BUT SHALL BE PAYABLE SOLELY FROM THE PLEDGED FUNDS IN THE MANNER AND TO THE EXTENT PROVIDED HEREIN AND IN THE RESOLUTION. No holder or owner of the Note shall ever have the right, directly or indirectly, to require or compel the exercise of the ad valorem taxing

power of the County or any other political subdivision of the State of Florida or taxation in any form on any real or personal property for any purpose, including, without limitation, for the payment of debt service with respect thereto, or to maintain or continue any activities of the County which generate user service charges, regulatory fees or other non-ad valorem revenues, nor shall any holder or owner of the Note be entitled to payment of such principal and interest from any other funds of the County other than the Pledged Funds, all in the manner and to the extent herein and in the Resolution provided.

Section 2.03 Resolution. The Resolution has been duly adopted by the County, is in full force and effect and has not been amended, altered, repealed or revoked in any way.

ARTICLE III COVENANTS OF THE COUNTY

Section 3.01 Affirmative Covenants. For so long as any of the principal amount of or interest or any redemption or prepayment premium on the Note is outstanding hereunder or any duty or obligation of the County hereunder or under the Note remains unpaid or unperformed, the County covenants to the Lender as follows:

(a) Payment. The County shall pay, or cause to be paid, but solely from the sources and to the extent herein provided, the principal of and the interest or any redemption or prepayment premium on the Note and any other amounts due and payable under this Agreement at the times and place and in the manner provided herein and in the Note.

(b) Use of Proceeds. Proceeds from the Note will be used only to pay Costs of the Project, including the payment of closing Costs of the Loan and Costs of issuance of the Note, except as otherwise expressly provided hereby.

(c) Maintenance of Existence. The County will take all reasonable legal action within its control in order to maintain its existence until all amounts due and owing from the County to the Lender under this Agreement and the Note have been paid in full.

(d) Records. The County agrees that any and all records of the County with respect to the Loan shall be open to inspection by the Lender or its representatives at all reasonable times and after receipt by the County of reasonable notice from the Lender at the offices the County.

(e) Financial Statements. The County will cause an audit to be completed of its books and accounts and shall make available electronically to the Lender audited year-end financial statements of the County, including a balance sheet as of the end of such Fiscal Year and related statements of revenues, expenses and changes in net assets, certified by an independent certified public accountant to the effect that such audit has been conducted in accordance with generally accepted auditing standards and stating whether such financial statements present fairly in all material respects the financial position of the County and the results of its operations and cash flows for the periods covered by the audit report, all in conformity with generally accepted accounting principles applied on a consistent basis. The County shall make available electronically to the Lender the County's audited financial statements for each Fiscal Year ending on or after September 30, 2014, within two hundred ten (210) days after the end thereof.

(f) Compliance with Laws. The County shall comply with all applicable federal, state and local laws and regulatory requirements, the violation of which could reasonably be expected to have a material and adverse effect upon the financial condition of the County or upon the ability of the County to perform its obligation hereunder and under the Note.

Section 3.02 Negative Covenants. For so long as any of the principal amount of or interest on the Note is outstanding or any duty or obligation of the County hereunder or under the Note remains unpaid or unperformed, the County covenants to the Lender as follows:

Anti-Dilution. Except with respect to Non-Self-Supporting Revenue Debt issued to refund existing Non-Self-Supporting Revenue Debt where the aggregate debt service of the refunding Non-Self-Supporting Revenue Debt will not be greater than that for the Non-Self-Supporting Revenue Debt being refunded, the County may incur additional Non-Self-Supporting Revenue Debt only if the average amount of Non-Ad Valorem Revenues Available for Debt for the two Fiscal Years most recently concluded prior to the proposed incurrence of the Non-Self-Supporting Revenue Debt for which audited financial statements are available equal or exceed 1.50 times the Maximum Annual Debt Service in all future Bond Years on all outstanding Debt and the Non-Self-Supporting Revenue Debt proposed to be issued.

For purposes of calculating the foregoing, if any Non-Self-Supporting Revenue Debt bears a rate of interest that is not fixed for the entire term of the Non-Self-Supporting Revenue Debt (excluding any provisions that adjust the interest rate upon a change in tax law or in the tax treatment of interest on the debt or upon default or an event of default), then the interest rate on such Non-Self-Supporting Revenue Debt shall be assumed to bear interest at the higher of 6.00% per annum or the actual interest rate borne during the month immediately preceding the date of calculation and shall be assumed to amortize on a level basis over 20 years. For the purpose of calculating the foregoing, "balloon indebtedness" (as defined in the immediately succeeding sentence) shall be assumed to amortize over 20 years in substantially equal annual payments at its fixed interest rate and, if the interest rate is not fixed, at the rate calculated pursuant to the immediately preceding sentence. "Balloon indebtedness" is any Non-Self-Supporting Revenue Debt, twenty percent (20%) or more of the principal amount of which comes due in any single Fiscal Year. In addition, with respect to debt service on any Debt which is subject to an interest rate swap or interest rate hedge agreement, interest on such Debt during the term of such interest rate swap or hedge agreement shall be deemed to be the net hedge payments payable by the County under such agreement.

Section 3.03 Registration and Exchange of Note. The Note shall initially be owned by the Lender. The ownership of the Note may only be transferred in whole and not in part and the County will transfer the ownership of the Note, upon written request of the Lender to the County specifying the name, address and taxpayer identification number of the transferee, and the County will keep and maintain at all times a record setting forth the identification of the owner of the Note. For every such exchange or transfer of the Note, the County may make a charge sufficient to reimburse it for any tax, fee, expense or other governmental charge required to be paid with respect to such exchange or transfer. The Note may only be sold, assigned or otherwise transferred to a "qualified institutional buyer" within the meaning of Rule 144A promulgated under the Securities Act of 1933, as amended. The Person in whose name the Note shall be registered shall be deemed and regarded the absolute owner thereof for all purposes, and payment of principal and interest on such Note shall be made only to or upon the written order of

such Person. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid. During the term of this Agreement the County shall keep a complete and accurate record of all such transfers in form necessary to comply with Section 149(a) of the Code, and the regulations, proposed or existing, from time to time promulgated thereunder.

Section 3.04 Note Mutilated, Destroyed, Stolen or Lost. In case the Note shall become mutilated, or be destroyed, stolen or lost, the County shall issue and deliver a new Note, in exchange and in substitution for such mutilated Note, or in lieu of and in substitution for the Note destroyed, stolen or lost and upon the Lender furnishing the County proof of ownership thereof, an affidavit of lost or stolen instrument and indemnity reasonably satisfactory to the County and paying such expenses as the County may incur in connection therewith.

Section 3.05 Payment of Principal and Interest; Limited Obligation. The County promises that it will promptly pay the principal of and interest on and any prepayment or redemption premium on the Note, at the place, on the dates and in the manner provided therein according to the true intent and meaning thereof, provided that the County may only be compelled to pay the principal of and interest on and prepayment or redemption premium with respect to the Note solely from the Pledged Funds, and nothing in the Note, this Agreement or the Resolution shall be construed as pledging any other funds or assets of the County to such payment or as authorizing such payment to be made from any other source. The County is not and shall not be liable for the payment of the principal of and interest on the Note and any prepayment or redemption premium with respect to or for the performance of any pledge, obligation or agreement for payment undertaken by the County hereunder, under the Note or under the Resolution from any property other than the Pledged Funds. The Lender shall not have any right to resort to legal or equitable action to require or compel the County to make any payment required by the Note or this Agreement from any source other than the Pledged Funds and only to the extent and in the manner provided herein.

Section 3.06 Covenant to Budget and Appropriate. The County hereby covenants and agrees to, in accordance with budgetary processes, and to the extent permitted by and in accordance with applicable law, prepare, approve and appropriate in its Annual Budget for each Fiscal Year, by amendment if necessary, and to deposit to the credit of the Debt Service Account in a timely manner as needed to pay debt service on the Note, Non-Ad Valorem Revenues in an amount which is equal to the debt service with respect to the Note for the applicable Fiscal Year. Such covenant and agreement on the part of the County to budget and appropriate sufficient amounts of Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Non-Ad Valorem Revenues in amounts sufficient to make all required payments hereunder and under the Note as and when due, including any delinquent payments, shall have been budgeted, appropriated and actually paid into the Debt Service Account; provided, however, that such covenant shall not constitute a lien, either legal or equitable, on any of the County's Non-Ad Valorem Revenues or other revenues, nor shall it preclude the County from pledging in the future any of its Non-Ad Valorem Revenues or other revenues to other obligations, nor shall it give the holder or owner of the Note a prior claim on the Non-Ad Valorem Revenues. Anything herein to the contrary notwithstanding, all obligations of the County hereunder shall be secured only by the Non-Ad Valorem Revenues actually budgeted and appropriated and deposited into the Debt Service Account, as provided for herein. The County's obligation to make debt service payments on the Note from Pledged Funds shall be absolute and unconditional in all events

without abatement, diminution, deduction, or set-off for any reason, including, without limitation, any failure of the Project to be completed, any defect, malfunction, breakdown or infirmity in the Project or any accident, condemnation or unforeseen circumstance. The County is prohibited by law from expending moneys not appropriated or in excess of its current budgeted revenues and surpluses. The obligation of the County to budget, appropriate and make payments hereunder from its Non-Ad Valorem Revenues is subject to the availability of Non-Ad Valorem Revenues after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential governmental services of the County or which are legally mandated by applicable law. Notwithstanding the foregoing or anything herein to the contrary, the County has not covenanted to maintain any service or program now provided or maintained by the County which generates Non-Ad Valorem Revenues.

Section 3.07 Pledge. The payment of the principal of and interest on the Note and any other amounts due and payable under this Agreement and the Note shall be secured by an irrevocable lien on the Pledged Funds, all in the manner and to the extent provided herein and in the Resolution. The County does hereby pledge such Pledged Funds to the principal of and interest on the Note and for all other payments provided for herein.

Section 3.08 Debt Service Account; Project Account. The County shall apply all moneys on deposit in the Debt Service Account to the timely payment of the principal of and interest on the Note and other amounts due and payable under this Agreement and the Note. The proceeds of the Note shall be transferred to the County and the County shall deposit such proceeds into the Project Account and shall apply the same, together with any investment earnings thereon, to the Costs of the Project, including, without limitation, the costs of the Loan and costs of issuance of the Note. Funds in the Debt Service Account and the Project Account may be invested in investments permitted by law and meeting the requirements of the County's written investment policy and that mature not later than the dates that such funds will be needed for the purposes of such accounts. Any funds on deposit in the Project Account and determined by the County upon completion of the Project not to be needed to pay the Costs of the Project or the Costs of the Loan and Note shall be transferred by the County to the Debt Service Account. Any amounts on deposit in the Debt Service Account that are not proceeds of the Note, and are not required to pay principal of and/or interest next coming due on the Note, may be withdrawn by the County and applied to other lawful purposes. Money in the Debt Service Account and the Project Fund, until applied in accordance with the provisions hereof, shall be held in trust for and be subject to a lien and charge in favor of the registered owner of the Note.

Section 3.09 Officers and Employees of the County Exempt from Personal Liability. No personal recourse under or upon any obligation, covenant or agreement of this Agreement or the Note or for any claim based hereon or thereon or otherwise in respect thereof, shall be had against any officer, agent or employee, as such, of the County, past, present or future, it being expressly understood (a) that the obligation of the County under this Agreement and under the Note is solely a corporate one, limited as provided herein, (b) that no personal liability whatsoever shall attach to, or is or shall be incurred by, the officers, agents, or employees, as such, of the County, or any of them, under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom, and (c) that any and all such personal liability of, and any and all such rights and claims against, every such officer, agent, or employee, as such, of the County under or by reason of the obligations, covenants or agreements

contained in this Agreement and under the Note, or implied therefrom, are waived and released as a condition of, and as a consideration for, the execution of this Agreement and the issuance of the Note on the part of the County.

Section 3.10 Business Days. In any case where the due date of interest on or principal of the Note is not a Business Day, then payment of such principal or interest need not be made on such date but may be made on the next succeeding Business Day, provided that credit for payments made shall not be given until the payment is actually received by the Lender.

Section 3.11 Tax Representations, Warranties and Covenants of the County. It is the intention of the County that the interest on the Note be and remain excluded from gross income of the holders and owners of the Note for federal income tax purposes. The County hereby covenants and represents that it has taken and caused to be taken and shall make and take and cause to be made and taken all actions that may be required of it for the interest on the Note to be and remain excluded from the gross income of the registered owner and holder thereof for federal income tax purposes to the extent set forth in the Code, and that to the best of its knowledge it has not taken or permitted to be taken on its behalf, and covenants that to the best of its ability and within its control, it shall not make or take, or permit to be made or taken on its behalf, any action which, if made or taken, would adversely affect such exclusion under the provisions of the Code.

The County acknowledges that the continued exclusion of interest on the Note from gross income for federal income tax purposes depends, in part, upon compliance with the arbitrage limitations imposed by Sections 103(b)(2) and 148 of the Code. The County hereby acknowledges responsibility to take all reasonable actions necessary to comply with these requirements. The County hereby agrees and covenants that it shall not permit at any time or times any of the proceeds of the Note or other funds of the County to be intentionally used, directly or indirectly, to acquire or to replace funds which were used directly or indirectly to acquire any higher yielding investments (as defined in Section 148 of the Code), the acquisition of which would cause the Note to be an arbitrage bond for purposes of Sections 103(b)(2) and 148 of the Code. The County further agrees and covenants that it shall do and perform all acts and things necessary in order to assure that the requirements of Section 103(b)(2) and Part IV of Subchapter B of Chapter 1 of Subtitle A of the Code are met.

Specifically, without intending to limit in any way the generality of the foregoing, the County covenants and agrees:

(1) to make or cause to be made all necessary determinations and calculations of the excess of the amount earned on all non-purpose investments (as defined in Section 148(f)(6) of the Code) over the amount which would have been earned if such non-purpose investments were invested at a rate equal to the yield on the Note, plus any income attributable to such excess, but not including any amount exempted under Section 148(f) of the Code (the "Rebate Amount");

(2) to pay the Rebate Amount to the United States of America from legally available funds of the County at the times and to the extent required pursuant to Section 148(f) of the Code;

(3) to maintain and retain all records pertaining to and to be responsible for making or causing to be made all determinations and calculations of the Rebate Amount and required payments of the Rebate Amount for at least six years after the final maturity of the Note or such other period as shall be necessary to comply with the Code;

(4) to refrain from taking any action that would cause the Note to be classified as "private activity bond" under Section 141(a) of the Code; and

(5) to refrain from taking any action that would cause the Note to become an arbitrage bond under Section 148 of the Code.

The County understands that the foregoing covenants impose continuing obligations on it to comply with the requirements of Section 103 and Part IV of Subchapter B of Subpart A of Chapter 1 of the Code so long as such requirements are applicable.

The terms "debt service," "gross proceeds," "net proceeds," "proceeds," and "yield" have the meanings assigned to them for purposes of Section 148 of the Code.

Section 3.12 Separate Accounts. The moneys required to be accounted for the foregoing funds established herein may be deposited in a single bank account, and funds allocable to any fund or account established herein may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds and accounts as herein provided.

The designation and establishment of any funds or accounts and by this Agreement shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

To evidence the obligation of the County to repay the Loan, the County shall issue and deliver to the Lender the Note in the form attached hereto as Exhibit "B." Prepayment of principal may be made only as provided in the Note and the rate of interest on the Note, including any adjustments thereto, shall be as provided in the Note.

ARTICLE VI EVENTS OF DEFAULT

Section 6.01 General. An "Event of Default" shall be deemed to have occurred under this Agreement if:

(a) The County shall fail to make any payment of the principal of, premium, if any, or interest on the Loan when the same shall become due and payable; or

(b) The County shall default in the performance of or compliance with any term or covenant contained in this Agreement or the Note, other than a term or covenant a default in the

performance of which or noncompliance with which is elsewhere specifically dealt with in this Section 6.01, which default or non-compliance shall continue and not be cured within thirty (30) days after written notice thereof to the County by the Lender; or

(c) The County admits in writing its inability to pay its debts generally as they become due or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself; or

(d) The County is adjudged insolvent by a court of competent jurisdiction, or it is adjudged a bankrupt on a petition in bankruptcy filed by the County, or an order, judgment or decree is entered by any court of competent jurisdiction appointing, without the consent of the County, a receiver or trustee of the County or of the whole or any part of its property, and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) The County shall fail to make any payment of the principal of, premium, if any, or interest on any Non-Self-Supporting Revenue Debt when the same shall become due and payable which results in the acceleration of payment of such obligations; or

(f) The County shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or the State.

Notwithstanding the provisions of clause (b) above or anything to the contrary in Section 6.02 below, a default of any of the covenants contained in Section 3.11 hereof shall not be an "Event of Default" hereunder and the sole remedy of the Lender shall be an adjustment of the interest rate on the Note to the Taxable Rate (as defined in the Note) to the extent and in the manner described in the Note.

Section 6.02 Effect of Event of Default. Upon the occurrence and during the continuance of any Event of Default, the Note shall bear interest at the Default Rate and the Lender may seek enforcement of and exercise all remedies available to it under any applicable law. In no event shall an Event of Default result in the acceleration of any principal and interest payable under the Note. All payments made on the Note, after an Event of Default, shall be first applied to accrued interest then to any reasonable costs or expenses, including reasonable legal fees and expenses, that the Lender may have incurred in protecting or exercising its rights under the Loan Documents and the balance thereof shall apply to the principal sum due.

ARTICLE VII MISCELLANEOUS

Section 7.04 Severability. If any clause, provision or section of this Agreement shall be held illegal or invalid by any court, the invalidity of such clause, provision or section shall not affect any other provisions or sections hereof, and this Agreement shall be construed and enforced to the end that the transactions contemplated hereby be effected and the obligations contemplated hereby be enforced, as if such illegal or invalid clause, provision or section had not been contained herein.

The County and the Lender waive any objection either might otherwise have to venue in any judicial proceeding brought in connection herewith lying in the Sarasota County, Florida.

Section 7.08 Binding Effect; Assignment. This Agreement shall be binding upon and inure to the benefit of the successors in interest and permitted assigns of the parties. The County shall have no rights to assign any of its rights or obligations hereunder without the prior written consent of the Lender.

FORM OF PROMISSORY NOTE

THIS NOTE IS SUBJECT TO TRANSFER RESTRICTIONS, MORE FULLY DESCRIBED IN THE LOAN AGREEMENT REFERRED TO HEREIN, AND MAY NOT BE TRANSFERRED EXCEPT TO A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A PROMULGATED UNDER THE SECURITIES ACT OF 1933.

REVENUE NOTE, SERIES 2014B

SARASOTA COUNTY, FLORIDA (the "County"), a political subdivision of the State of Florida created and existing pursuant to the Constitution and the laws of the State of Florida, for value received, promises to pay, but solely from the sources hereinafter provided, to the order of DNT ASSET TRUST, a Delaware business trust or registered assigns (together with any other registered owner of this Note, hereinafter, the "Lender"), the principal sum of SEVENTEEN MILLION NINE HUNDRED FIFTY-FIVE THOUSAND DOLLARS (\$17,955,000) or such lesser amount as shall be outstanding hereunder, together with interest on the principal balance outstanding at the Interest Rate (defined below) (subject to adjustment as hereinafter provided), calculated based upon a year of 360 days consisting of twelve 30-day months, such amounts to be payable as provided herein. This Note is issued pursuant to a Resolution of the County adopted on October 22, 2014 (the "Resolution") and in conjunction with a Loan Agreement, dated as of October 24, 2014, between the County and the Lender (the "Loan Agreement") and is subject to all the terms and conditions of the Loan Agreement. All terms used herein in capitalized form and not otherwise defined herein shall have the meanings ascribed thereto, or referenced, in the Loan Agreement.

Principal of and interest on this Revenue Note, Series 2014B (the "Note") are payable in immediately available funds constituting lawful money of the United States of America at the Principal Office or such place as the Lender may designate in writing to the County at least 10 days prior to such payment date.

The County shall pay the Lender interest on the outstanding principal balance of this Note in arrears, on each October 1 and April 1, commencing April 1, 2015, to and including the Final Maturity Date (defined below). The principal amount of this Note shall be payable in annual installments in the amounts and on the dates set forth on Schedule A hereto, commencing on October 1, 2015, and with the final installment payable October 1, 2024 (the "Final Maturity Date"). If any date for the payment of principal or interest is not a Business Day, such payment shall be due on the next succeeding Business Day in the manner provided in the Loan Agreement.

All payments by the County pursuant to this Note shall apply first to accrued interest, then to other charges due the Lender, and the balance thereof shall apply to the principal sum due; provided, however, in an Event of Default, payment shall be applied in accordance with Section 6.02 of the Loan Agreement.

The "Interest Rate," as used herein, shall mean 2.30% per annum unless adjusted as provided herein.

In the event of a Determination of Taxability, the Interest Rate shall be adjusted to cause the after-tax yield on this Note to the Lender after such Determination of Taxability to equal what the yield would have been to the Lender in the absence of such Determination of Taxability (the "Taxable Rate"), effective retroactively to the date on which such Determination of Taxability was made.

In addition, the Lender or any subsequent owners of this Note, as appropriate, shall be paid an amount equal to any additions to tax, interest and penalties, and any arrears in interest that are required to be paid to the United States of America by the Lender or any subsequent owners of this Note as a result of such Determination of Taxability. All such additional interest, additions to tax, penalties and interest shall be paid by the County within sixty (60) days following the Determination of Taxability and demand by the Lender. A "Determination of Taxability" shall mean as a result of an action or inaction of the County (i) the issuance by the Internal Revenue Service of a statutory notice of deficiency or other written notification which holds in effect that the interest payable on this Note is includable for federal income tax purposes in the gross income of the Lender, which notice or notification is not contested by either the County or the Lender or any subsequent owners of this Note, or (ii) a determination by a court of competent jurisdiction that the interest payable on this Note is includable for federal income tax purposes in the gross income of the Lender or any subsequent owners thereof, which determination either is final and non-appealable or is not appealed within the requisite time period for appeal, or (iii) the admission in writing by the County to the Lender to the effect that interest on this Note is includable for federal income tax purposes in the gross income of the Lender or any subsequent owners thereof.

In the event that interest on this Note during any period becomes partially taxable as a result of a Determination of Taxability applicable to less than all of this Note, then the interest rate on this Note shall be increased during such period by an amount equal to: $(A-B) \times C$ where:

- (A) "A" equals the Taxable Rate (expressed as a percentage);
- (B) "B" equals the interest rate on this Note (expressed as a percentage); and
- (C) "C" equals the portion of this Note the interest on which has become taxable as the result of such tax change (expressed as a decimal).

In addition, the Lender or any subsequent owners of this Note, as appropriate, shall be paid an amount equal to any additions to tax, interest and penalties, and any arrears in interest that are required to be paid to the United States by the Lender or any subsequent owners of this Note as a result of such Determination of Taxability. All such additional interest, additions to tax, penalties and interest shall be paid by the County from Pledged Funds within sixty (60) days following the Determination of Taxability and demand by the Lender or any subsequent owners.

In the event of a change in the Corporate Tax Rate (as hereinafter defined) during any period where interest is accruing on a tax-exempt basis causes a reduction in the tax equivalent yield on this Note, the interest payable on this Note shall be increased to compensate for such change in the effective yield to a rate calculated by multiplying the Interest Rate by the ratio equal to $(1 \text{ minus } A) \text{ divided } (1 \text{ minus } B)$, where A equals the Corporate Tax Rate in effect as of the date of the corporate tax rate adjustment as announced by the IRS and B equals the Corporate Tax Rate in effect on the date of the original issuance of this Note. The Corporate Tax Rate shall mean the highest marginal statutory rate of federal income tax imposed on corporations and

applicable to the Lender (expressed as a decimal), provided however that the maximum corporate rate shall for purposes of this paragraph not be less than 30%.

Upon the occurrence and during the continuance of an Event of Default under the Loan Agreement, the Interest Rate shall be equal to the Default Rate.

Notwithstanding the foregoing, in no event shall the Interest Rate in any year exceed the maximum rate permitted by applicable law.

The County to the extent permitted by law hereby waives presentment, demand, protest and notice of dishonor.

This Note is payable solely from the Pledged Funds to the extent provided in the Loan Agreement and subject to the pledge of the Pledged Funds as more specifically provided in the Resolution and the Loan Agreement. Notwithstanding any other provision of this Note, the County is not and shall not be liable for the payment of the principal of and interest on this Note or otherwise monetarily liable in connection herewith from any property other than as provided in the Loan Agreement and the Resolution.

This Note shall not be prepayable prior to its maturity.

NOTWITHSTANDING ANYTHING HEREIN OR IN THE LOAN AGREEMENT OR THE RESOLUTION TO THE CONTRARY, THIS NOTE AND THE INTEREST HEREON DOES NOT AND SHALL NOT CONSTITUTE A GENERAL INDEBTEDNESS OF THE COUNTY BUT SHALL BE PAYABLE SOLELY FROM THE MONEYS AND SOURCES DESIGNATED THEREFOR PURSUANT TO THE LOAN AGREEMENT, THIS NOTE AND THE RESOLUTION. NEITHER THE FAITH AND CREDIT NOR ANY AD VALOREM TAXING POWER OF THE COUNTY IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THIS NOTE OR OTHER COSTS INCIDENTAL HERETO.

All terms, conditions and provisions of the Loan Agreement are by this reference thereto incorporated herein as a part of this Note.

This Note may be exchanged or transferred but only as provided in the Loan Agreement.

It is hereby certified, recited and declared that all acts, conditions and prerequisites required to exist, happen and be performed precedent to and in connection with the execution, delivery and the issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by law, and that the issuance of this Note is in full compliance with and does not exceed or violate any constitutional or statutory limitation.

IN WITNESS WHEREOF, the County has caused this Note to be executed in its name as of the date hereinafter set forth.

The date of this Note is October 24, 2014.
