ARTICLE II

THE LOAN

Section 2.01. The Loan. (a) The Bank hereby agrees, subject to the terms and conditions of this Agreement (including, without limitation, the provisions of this Article II) and upon satisfaction of the applicable conditions set forth in Article IV, to make available the Loan in a principal amount of up to twenty-five million dollars (\$25,000,000) (the “Commitment”) to the City from and after the Effective Date.

(b) From and after the Effective Date, the City may from time to time draw down portions of the Commitment in increments of no less than five hundred thousand dollars (\$500,000); *provided*, that (i) the City shall give the Bank at least three (3) Business Days’ notice of the amount of the draw substantially in the form set forth as Exhibit C hereto, (ii) the total amount of draws hereunder may not exceed in the aggregate the Commitment, and (iii) if the Commitment is less than five hundred thousand dollars (\$500,000), the City may make a final draw for the remaining balance of the Loan notwithstanding the foregoing provisions of this Section 2.01(b). If, based on the opinion of Bond Counsel, the City concludes that, as a result of

a change in law, interest on future draws will not be excluded from gross income for federal income tax purposes, no future draws may be made. The difference between the amounts advanced pursuant to this Section 2.01 and the amounts that remain available to be drawn under the Commitment from time to time is referred to as the “*Undrawn Amount*.” All amounts drawn against the Commitment will be evidenced by the Note, which Note will be held by the Bank.

(c) The Note shall not be (i) assigned a separate rating by any rating agency, (ii) registered with The Depository Trust Company or any other securities depository, (iii) issued pursuant to any type of offering document or official statement or (iv) assigned a CUSIP number by Standard & Poor’s CUSIP Service.

(d) Subject to its earlier prepayment or mandatory repayment in accordance with the provisions hereof, the Loan, including interest accrued thereon at the Index Rate to, but not including, the Mandatory Prepayment Date, shall be paid in full on the Mandatory Prepayment Date.

(e) Notwithstanding any provision of this Agreement to the contrary, amounts that have been advanced by the Bank pursuant to this Agreement that are subsequently repaid or prepaid by the City may not be re-borrowed hereunder.

Section 2.02. Prepayments. The City may, upon notice to the Bank, voluntarily prepay the Loan, in whole or in part, on any Business Day, without premium or penalty; *provided* that (i) such notice must be received by the Bank not later than 10:00 a.m. three (3) Business Days prior to any date of prepayment and (ii) any prepayment shall be in a principal amount of \$200,000 or a whole multiple of \$50,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment.

Section 2.03. Repayment of Loan. The City shall repay to the Bank the aggregate outstanding principal amount of the Loan on the Mandatory Prepayment Date; *provided* that if, as of the Mandatory Prepayment Date, (i) no Default or Event of Default shall have occurred and be continuing, (ii) the representations and warranties of the City set forth in Article V shall be true and correct and (iii) at least two of the rating agencies are then maintaining General Obligation Debt Ratings of at least “Baa1” (or its equivalent) or “BBB+” (or its equivalent) (collectively, the “*Amortization Requirements*”), then the City shall repay the outstanding principal amount of the Loan in principal installments on each Amortization Payment Date (each such payment, an “*Amortization Payment*”), with the final installment in an amount equal to the entire then outstanding principal amount of the Loan on the Amortization End Date (the period commencing on the Mandatory Prepayment Date and ending on the Amortization End Date is herein referred to as the “*Amortization Period*”). Each Amortization Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Amortization Payments over the Amortization Period. During the Amortization Period, interest on the Loan shall accrue at the Bank Rate and be paid monthly in arrears on the first Business Day of each calendar month and on the Amortization End Date. In the event that one or more of the Amortization Requirements is not satisfied on the Mandatory Prepayment Date, the principal amount of the Loan will bear interest at the Default Rate and will be due and payable in full on the one hundred eightieth (180th) day immediately following the Mandatory Prepayment Date.

In the event that the City terminates this Agreement prior to the Mandatory Prepayment Date, the principal amount of the Loan, together with all interest accrued thereon to the date of termination and all other unpaid Obligations hereunder and under the Note, will become due and payable on the date of termination and the provisions of this Section 2.03 regarding the Amortization Period will not be available in connection with the Loan. Notwithstanding any term to the contrary in this Agreement or the Note, all principal of and interest on the Loan shall be due and payable in full on the Maturity Date.

Section 2.04. Interest. (a) Except as otherwise provided in this Section 2.04, the Loan shall bear interest during each Interest Period it is outstanding to but not including the Mandatory Prepayment Date on the unpaid principal amount thereof at a fluctuating rate per annum equal to the Index Rate, rounded upward to the third decimal place.

(b) While the Loan accrues interest at the Index Rate, the Index Rate shall be reset each week and interest shall be paid on each Interest Payment Date.

(c) (i) From and after the occurrence of an Event of Default, the Loan shall bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(ii) If any amount payable by the City hereunder or under any other Loan Document is not paid when due (subject to any applicable grace periods), whether at stated maturity, scheduled amortization or otherwise, then such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iii) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable as provided in Section 8.02 hereof.

(d) Interest on the Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(e) Notwithstanding the foregoing provisions of this Section 2.04, from and after the Taxable Date, the Loan shall bear interest at the Taxable Rate.

(f) At least ten (10) calendar days prior to each Interest Payment Date, the Bank shall notify the City by first class mail or electronic mail of the amount of the interest payment required to be made by the City to the Bank on such Interest Payment Date; *provided*, that the failure of the Bank to so notify the City shall not affect the accrual of or obligation of the City to pay the interest due on such Interest Payment Date.

Section 2.05. Computation of Interest and Fees. All computations of fees (including the Commitment Fee) and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on the Loan for each day from and including the Effective Date, and shall not accrue on the Loan, or any portion thereof, for the day on which the Loan or such

portion is paid. Each determination by the Bank of an interest rate or fee hereunder (including the Commitment Fee) shall be conclusive and binding for all purposes, absent manifest error.

Section 2.06. Evidence of Debt. The Loan and the Undrawn Amount shall be evidenced by one or more accounts or records maintained by the Bank in the ordinary course of business. The accounts or records maintained by the Bank shall be conclusive absent plain error of the amount of the Loan made by the Bank to the City and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the City hereunder to pay any amount owing with respect to the Obligations. The City shall execute and deliver to the Bank the Note, which shall evidence the aggregate principal amount of the Commitment that has been advanced by the Bank and remains outstanding, together with the interest thereon, in addition to such accounts or records.

Section 2.07. Additional Payments. (a) *Determination of Taxability.* (i) In the event a Determination of Taxability occurs, the City hereby agrees to pay to the Bank (and, if applicable, each Participant) on demand therefor (1) an amount equal to the difference between (A) the amount of interest that would have been paid to the Bank (and, if applicable, each Participant) on the Loan during the period for which interest on the Loan is included in the gross income of the Bank (and, if applicable, each Participant) if the Loan had borne interest at the Taxable Rate, beginning on the Taxable Date (the "*Taxable Period*"), and (B) the amount of interest actually paid to the Bank (and, if applicable, each Participant) during the Taxable Period, and (2) an amount equal to any interest, penalties or charges owed by the Bank (and, if applicable, each Participant) as a result of interest on the Loan becoming included in the gross income of the Bank (and, if applicable, each Participant), together with any and all reasonable attorneys' fees, court costs, or other out-of-pocket costs incurred by the Bank (and, if applicable, each Participant) in connection therewith;

(ii) Subject to the provisions of clauses (iii) and (iv) below, the Bank (and, if applicable, each Participant) shall afford the City the opportunity, at the City's sole cost and expense, to contest (1) the validity of any amendment to the Code which causes the interest on the Loan to be included in the gross income of the Bank (and, if applicable, each Participant) or (2) any challenge to the validity of the tax exemption with respect to the interest on the Loan, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals);

(iii) As a condition precedent to the exercise by the City of its right to contest set forth in clause (ii) above, the City shall, on demand, immediately reimburse the Bank for any and all expenses (including reasonable attorneys' fees for services that may be required or desirable, as determined by the Bank in its sole discretion) that may be incurred by the Bank in connection with any such contest, and shall, on demand, immediately reimburse the Bank for any and all penalties or other charges payable by the Bank (and, if applicable, each Participant) for failure to include such interest in its gross income; and

(iv) The Bank may assert claims for additional payments as described in this Section 2.07 during the term of this Agreement and for up to two (2) years following the termination of this Agreement. The obligations of the City under this Section 2.07(a) shall

survive for up to two (2) years after the termination of this Agreement and the repayment or prepayment in full of the Loan.

(b) *Maximum Interest Rate.* (i) If the amount of interest payable for any period in accordance with the terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Rate, then interest for such period shall be payable in an amount calculated at the Maximum Rate.

(ii) Any interest that would have been due and payable for any period but for the operation of the immediately preceding subclause (i) shall accrue and be payable as provided in this subclause (ii) and shall, less interest actually paid to the Bank for such period, constitute the “*Excess Interest Amount.*” If there is any accrued and unpaid Excess Interest Amount as of any date, then the principal amount with respect to which interest is payable shall bear interest at the Maximum Rate until payment to the Bank of the entire Excess Interest Amount.

(iii) Notwithstanding the foregoing, on the date on which no principal amount with respect to the Loan remains unpaid, the City shall pay to the Bank a fee equal to any accrued and unpaid Excess Interest Amount.

(c) *Commitment Fee.* The City hereby agrees to pay to the Bank a commitment fee (the “*Commitment Fee*”) with respect to the Undrawn Amount at the rate of █% per annum, which Commitment Fee will be (i) payable quarterly in arrears against the Undrawn Amount outstanding on the first Business Day of each March, June, September and December, commencing on March 1, 2016, with the final such payment being due and payable on the earlier of the Mandatory Prepayment Date or, if sooner, the date that the City terminates this Agreement and (ii) calculated on the basis set forth in Section 2.05 hereof.

(d) *Survival.* The obligations of the City under this Section 2.07 shall survive the termination of this Agreement and the redemption or other payment in full of the Loan.

Section 2.08. Obligations Absolute. The payment obligations of the City under this Agreement shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances including, without limitation, the following:

(a) any lack of validity or enforceability of this Agreement, the Note or any of the other Loan Documents;

(b) any amendment or waiver of or any consent to departure from all or any of the Loan Documents;

(c) the existence of any claim, set-off, defense or other right which the City may have at any time against the Bank or any other Person, whether in connection with this Agreement, the other Loan Documents, the transactions contemplated herein or therein or any unrelated transaction; or

(d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Notwithstanding this Section, the Bank acknowledges the City may have the right to bring a collateral action with respect to one or more of the foregoing circumstances. The City's payment obligations shall remain in full force and effect pending the final disposition of any such action. All fees payable pursuant to this Agreement shall be deemed to be fully earned when due and non-refundable when paid.

Section 2.09. Payments Generally. All payments to be made by the City shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the City hereunder shall be made to the Bank, at the Lending Office, in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. All payments received by the Bank after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the City shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

ARTICLE III

WITHHOLDING AND YIELD PROTECTION

Section 3.01. Withholding.

(a) *Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.* Any and all payments by or on account of any Obligation of the City hereunder or under any other Loan Document shall to the fullest extent permitted by applicable Laws be made free and clear of and without reduction or set-off, notwithstanding the assertion of any right of recoupment or set-off or of any counterclaim by the City, and without any withholding on account of Taxes or any deduction whatsoever. If the City is required by law to withhold or deduct any sum from payments required by this Agreement or the Note, the City shall, to the fullest extent permitted by law, increase the amount paid by it to the Bank so that, after all withholdings and deductions, the amount received by the Bank shall equal the amount the Bank would have received without any such withholding or deduction.

(b) *Payment of Other Taxes by the City.* Without limiting the provisions of subsection (a) above, the City shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Laws.

(c) *Evidence of Payments.* Upon request by the City or the Bank, as the case may be, after any payment of Taxes by the City or by the Bank to a Governmental Authority as provided in this Section 3.01, the City shall deliver to the Bank or the Bank shall deliver to the City, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the City or the Bank, as the case may be.

Section 3.02. Increased Costs; Capital Adequacy.

(a) If, on or after the Effective Date, the adoption of any law or any governmental or quasi-governmental rule, regulation, policy, guideline or directive (whether or not having the force of law), or any change in the interpretation, promulgation, implementation or administration thereof by any governmental or quasi-governmental authority, central bank or comparable agency charged with the interpretation or administration thereof including, without limitation, all requests, rules, guidelines or directives in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act (or any other statute referred to therein or amended thereby) or any rules, guidelines, standards, or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority), regardless of the date enacted, adopted or issued, or compliance by the Bank with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency:

(i) subjects the Bank to any Taxes, or changes the basis of taxation of payments (other than with respect to Excluded Taxes) to the Bank in respect of the Loan, or

(ii) imposes, modifies or increases or deems applicable any reserve, assessment, insurance charge, special deposit or similar requirement against entering into this Agreement, or assets held by deposits with or for the account of the Bank, or

(iii) imposes any other condition regarding this Agreement, the result of which is to increase the cost to the Bank of entering into and maintaining this Agreement in making, funding or maintaining the Commitment, or reduces any amount receivable by the Bank hereunder or in connection with the Commitment or requires the Bank to make any payment in connection therewith by an amount deemed material by the Bank,

and the result of any of the foregoing is to increase the cost to the Bank of maintaining the Commitment or to reduce the return received by Bank, then, within thirty (30) days of demand by the Bank, the City shall pay the Bank such additional amount or amounts as will compensate the Bank for such increased cost or reduction in amount received.

(b) If the Bank determines the amount of capital required or expected to be maintained by the Bank, or any corporation controlling the Bank, is increased as a result of a Change in Law (as hereinafter defined), then, within thirty (30) days of demand by the Bank, the City shall pay to the Bank the amount necessary to compensate for any shortfall in the rate of return on the portion of such increased capital which the Bank determines is attributable to this Agreement or the Commitment (after taking into account the Bank's policies as to capital adequacy).

For purposes of this Section, "*Change in Law*" means (i) any change after the Effective Date in the "*Risk-Based Capital Guidelines*" (as hereinafter defined) or (ii) any adoption of or change in any other law, governmental or quasi-governmental rule, regulation, policy, guideline, interpretation, or directive (whether or not having the force of law) or in the interpretation, promulgation, implementation or administration thereof after the Effective Date which affects the amount of capital required or expected to be maintained by the Bank or any corporation

controlling the Bank. Notwithstanding the foregoing, for purposes of this Agreement, all requests, rules, guidelines or directives in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act (or any other statute referred to therein or amended thereby) shall be deemed to be a Change in Law regardless of the date enacted, adopted or issued and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority) or the United States financial regulatory authorities shall be deemed to be a Change in Law regardless of the date adopted, issued, promulgated or implemented. “*Risk-Based Capital Guidelines*” means (i) the risk-based capital guidelines in effect in the United States on the Effective Date, including transition rules, and (ii) the corresponding capital regulations promulgated by regulatory authorities outside the United States including transition rules, and any amendments to such regulations adopted prior to the Effective Date.

(c) Notwithstanding anything contained in paragraph (a) or (b) of this Section 3.02, the City shall have no liability to the Bank for any increased costs, increased capital or reduction in rate of return to the extent incurred or imposed by the Bank more than one hundred eighty (180) days prior to the date of demand by the Bank with respect thereto (the “*Cut-Off Date*”), except, where such increased costs, increased capital or reduction in rate of return apply to the Bank on a basis retroactive to a date prior to the Cut-Off Date.

(d) A certificate as to such increased cost incurred by the Bank as a result of any event mentioned in paragraph (a) or (b) of this Section 3.02 setting forth, in reasonable detail, the basis for calculation and the amount of such calculation shall be submitted by the Bank to the City and shall be conclusive (absent manifest error) as to the amount thereof.

(e) Upon notice from the Bank of additional costs or charges to be assessed to the City pursuant to Section 3.02(a) or 3.02(b), the City may prepay the Loan on any date upon three (3) days’ written notice to the Bank and without premium or penalty.

Section 3.03. Survival. All of the City’s Obligations under this Article III shall survive termination of the Commitment and repayment of all other Obligations hereunder.

ARTICLE IV

(g) Any fees required to be paid to the counsel for the Bank on or before the Effective Date shall have been paid or a mutually acceptable alternative therefor shall have been determined by the City and the Bank; and

(h) The Bank shall have received such other documents, certificates, opinions, approvals and filings with respect to this Agreement, the Note and the other Loan Documents as the Bank may reasonably request.

In addition to the foregoing, there shall not have occurred any material adverse change in the affairs, condition and/or operations, financial or otherwise, of the City since the date of the most recent financial information provided to the Bank, except as otherwise disclosed by the City to the Bank; and, on or prior to the Effective Date, no change shall have occurred in any law, rule or regulation or in any interpretation thereof that, in the opinion of counsel for the Bank, would make it illegal for the Bank to execute and deliver this Agreement.

Section 4.02. Conditions Precedent to Each Draw. Provided that the Commitment and the obligation of the Bank to advance funds hereunder shall not (i) have terminated pursuant to Section 8.02 hereof, (ii) have been suspended pursuant to a Draw Suspension Notice described in Section 8.02 hereof or (iii) been terminated at the option of the City, the obligation of the Bank to advance funds hereunder on any date is subject to the conditions precedent that on the date of the requested draw:

Section 5.02. Governmental Consent or Approval. Based solely on an opinion of Bond Counsel, the execution, delivery and performance of this Agreement and the other Loan Documents to which the City is a party, and the validity and enforceability of this Agreement and the other Loan Documents to which the City is a party, to the extent not already obtained, do not and will not require registration with, or the consent or approval of, or any other action by, any Federal, state or other governmental authority or regulatory body; *provided, however*, that the City has taken no action with respect to any filings or registration required by any state securities or “blue sky” laws.

Section 5.03. Authorization, Absence of Conflicts, Etc. The execution, delivery and performance of this Agreement and the Note (i) based solely on the opinion of Bond Counsel, have been duly authorized by the City, (ii) to the best knowledge of the Designated Officer, after

due investigation, do not and will not conflict with, or result in violation of, any material provision of law (Federal or state), or any material order, rule or regulation of any court or other Governmental Authority and (iii) do not and will not conflict with, result in a violation of or constitute a default under any material provision of the Resolution or, to the best knowledge of the Designated Officer, after due investigation, any other agreement or instrument to which the City is a party or by which the City or any of its assets is bound and will not result in the creation or the imposition of any security interest, lien, charge or encumbrance of any of its assets pursuant to the provisions of any of the foregoing except as provided therein.

Section 5.04. No Defaults. No Default or Event of Default has occurred and is continuing under this Agreement, and no event of default or condition, event or act which with notice or lapse of time or both would become or constitute a default or event of default under, or as such term or terms is defined in, any other Loan Document or agreements related thereto, has occurred and is continuing.

Section 5.05. Information Provided by City. To the best knowledge of the Designated Officer after due investigation, the representations and statements made by the City contained herein and in any other Loan Document were, to the knowledge of the City, when issued, correct in all material respects and did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. All financial statements of the City furnished to the Bank were prepared in accordance with generally accepted accounting principles for government entities and applied on a consistent basis throughout the periods involved. Since the date of the most recent financial statements referred to in the preceding sentence, to the knowledge of the City, no material adverse change has occurred in the business, operations or condition (financial or otherwise) of the City.

Section 5.06. Litigation. Based on the opinion of the City Attorney, there is no action or investigation pending or threatened against the City before any court or administrative agency which questions the existence or powers of the City, or which, if adversely determined, might result in any material adverse change in the financial condition, operations or prospects of the City, or which questions the validity of any proceeding held or action taken by the City in connection with the execution and delivery of this Agreement or any of the Loan Documents, or wherein an unfavorable decision, ruling or finding would in any way materially adversely affect the transactions contemplated by this Agreement or any of the Loan Documents or which in any way would adversely affect the validity or enforceability of the Agreement or any of the Loan Documents (or of any other instrument required or anticipated for use in consummating the transactions contemplated hereby).

Section 5.07. Complete and Correct Information. No fact is known to the City which materially and adversely affects or in the future may (so far as it can reasonably foresee) materially and adversely affect the business, assets or liabilities, financial condition, results of operations, or its business prospects which has not been set forth in the financial information referred to in Section 6.03(a) hereof or in other written materials provided to the Bank.

Section 5.08. Other Documents. The representations and warranties made by the City in each of the Loan Documents to which it is a party are hereby incorporated herein by this reference and are hereby reaffirmed and restated by the City for the benefit of the Bank as if such representations and warranties were fully set forth herein. Except as otherwise provided herein, no amendment, modification, termination or replacement of any such representations, warranties, covenants and definitions contained in the Loan Documents to which it is a party shall be effective to amend, modify, terminate or replace the representations, warranties, covenants and definitions incorporated herein by this reference, without the prior written consent of the Bank.

Section 5.09. Tax-Exempt Status. To the best knowledge of the Designated Officer, after due investigation, the City has not taken any action or omitted to take any action, and knows of no action taken or omitted to be taken by any other Person, which action, if taken or omitted, would adversely affect the exclusion of interest on the Note from gross income for Federal income tax purposes or the exclusion of such interest from the net taxable income of individuals, estates and trusts for State income tax purposes.

Section 5.10. Regulations U and X. The City is not engaged in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U or X issued by the Board of Governors of the Federal Reserve System); and no proceeds of the Loan have been used to extend credit to others for the purpose of purchasing or carrying any margin stock.

Section 5.11. General Obligation. The obligation of the City to pay the principal of and interest on the Loan is a general obligation of the City to which the City's full faith and credit is pledged. The Obligations of the City (other than the Obligation of the City to pay the principal of and interest on the Loan) constitute obligations of a general nature of the City payable from any and all legally available funds of the City.

Section 5.12. Reliance by the Bank. All representations and warranties made herein to the Bank (or incorporated by reference for the benefit of the Bank) have been made with the understanding that the Bank is relying upon the accuracy of such representations and warranties. Notwithstanding that the Bank may conduct its own investigation as to some or all of the matters covered by the representations and warranties in the Loan Documents, and any certificates, information, opinions or documents delivered in connection therewith, the Bank is entitled to rely on all representations and warranties as a material inducement to the Bank's extension of the credit evidenced by the Loan Documents.

Section 5.13. Usury. Based solely on an opinion of Bond Counsel, none of the Loan Documents provide for any payments that would violate any applicable law regarding permissible maximum rates of interest.

Section 5.14. Immunity. Based solely on an opinion of the City Attorney, the City is not entitled to raise the defense of immunity (sovereign or otherwise) in actions by the Bank against the City to enforce the provisions of this Agreement or any other Loan Document. The City irrevocably agrees, to the fullest extent permitted by applicable law, to waive any future right to immunity (sovereign or otherwise) in actions by the Bank against the City to enforce the provisions of this Agreement and each other Loan Document.

Section 5.15. Pending Legislation. To the best knowledge of the Designated Officer, after due investigation, there is no amendment or proposed amendment to the Constitution of the State or any State law (including, without limitation, the Improvement Bonds Act and the Public Debt Act) or any administrative interpretation of the Constitution of the State or any State law (including, without limitation, the Improvement Bonds Act and the Public Debt Act), or any legislation that has passed either house of the legislature of the State, or any judicial decision interpreting any of the foregoing, the effect of which could reasonably be expected to materially and adversely affect or, in the future may (so far as it can reasonably foresee) materially and adversely affect, the business, assets or liabilities, financial condition, results of operations, or the business prospects of the City.

Section 5.16. Compliance with Laws. To the best knowledge of the Designated Officer, after due investigation, the City is in compliance with all applicable Laws, including the Improvement Bonds Act, the Public Debt Act, the PERA Pension Statutes and required governmental approvals, except for noncompliance that, singly or in the aggregate, has not had and is not reasonably expected to have a material and adverse affect or, in the future may (so far as it can reasonably foresee) have a material and adverse affect, on the business, assets or liabilities, financial condition, results of operations, or the business prospects of the City. To the best knowledge of the Designated Officer, after due investigation, the City is not subject to ERISA.

ARTICLE VI

AFFIRMATIVE COVENANTS

So long as the Loan or any other Obligation hereunder shall remain unpaid or unsatisfied, the City shall:

Section 6.01. Payment Obligations. (a) The City shall promptly pay or cause to be paid all amounts payable by it hereunder and under the other Loan Documents, as applicable, according to the terms hereof or thereof and shall duly perform each of its obligations under this Agreement and the other Loan Documents. The City agrees to pay, on the Effective Date, the reasonable fees and expenses payable pursuant to Section 9.04 hereof.

(b) Pursuant to the Resolution, the City has pledged certain revenues to the payment of the principal of, premium, if any, and interest on the Loan, including the proceeds of special assessments imposed on real property benefitted by the Nicollet Mall Project. In addition, the full faith and credit of the City has been irrevocably pledged for the prompt and full payment of the principal of, premium, if any, and interest on the Loan when due. The City covenants and agrees that it shall (i) include all amounts payable as principal of and interest on the Loan for each Fiscal Year in which such amounts are due and payable in its budget for that Fiscal Year; (ii) appropriate such amounts from the proper funds for such payments; and (iii) duly and punctually pay or cause to be paid such payments of principal of and interest on the Loan.

Section 6.02. Loan Documents. (a) The City agrees that it will perform and comply with each and every covenant and agreement to be performed or observed by it in each of the

Loan Documents to which it is a party and each such covenant, together with the related definitions of terms contained therein, is hereby incorporated by reference herein with the same effect as if it were set forth herein in its entirety. No termination or amendment to such covenants and agreements or defined terms or release of the City with respect thereto as incorporated by reference herein are permitted without the prior written consent of the Bank. Notwithstanding any termination or expiration of a Loan Document, the City shall continue to observe the covenants set forth therein for the benefit of the Bank until the termination of this Agreement and the payment of all obligations of the City hereunder including, without limitation, the payment of the principal of and all accrued interest (including Excess Interest Amount) on the Loan. All such incorporated covenants shall be in addition to the express covenants contained herein and shall not be limited by the express covenants contained herein nor shall such incorporated covenants be a limitation on the express covenants contained herein.

(b) To the extent that any provision of any of the Loan Documents relating to the City's Obligations hereunder (including, without limitation, the City's obligation to pay principal and interest on the Loan) incorporated by reference pursuant to paragraph (a) above permits any Person to waive compliance with such provision or requires that a document, opinion or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Agreement, such provision shall be complied with only if it is waived by the Bank or such document, opinion or other instrument or event or condition, if material to the Bank, shall be acceptable or satisfactory only if it is acceptable or satisfactory to the Bank. No termination of or amendment or supplement to the covenants and agreements or definitions contained in the Loan Document relating to the City's obligations hereunder (including, without limitation, the City's obligation to pay principal and interest on the Loan) shall be effective to terminate or amend such covenants and agreements or definitions as incorporated by reference herein without the prior written consent of the Bank.

(c) The City shall give prior written notice to the Bank of any action referred to in this Section 6.02.

Section 6.03. Reporting Requirements; Inspection Rights. The City shall keep proper books of record and account in which full, true and correct entries will be made reflecting all financial transactions of the City in accordance with generally accepted accounting principles, consistently applied, and will furnish to the Bank a copy of each of the following; *provided* that, except with respect to the requirements of subsections (a), (c), (d) and (e) below, the City may satisfy its obligation to provide to the Bank copies of any items identified in this Section by giving written notice of the City having posted an electronic copy of such item on the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System ("EMMA") within the timeframe for delivery identified below:

(a) As soon as available and, in any event, within two hundred seventy (270) days after the close of each Fiscal Year of the City, (i) the audited financial statements of the City for such Fiscal Year and (ii) an audit report of the Minnesota Office of the State Auditor or an independent certified public accountant of recognized standing selected by the City, on such financial statements;

(b) Concurrently with the furnishing of the financial statements under Section 6.03(a) hereof, a certificate signed by the Designated Officer stating that (i) the City has complied with all of the terms, provisions and conditions of this Agreement and the other Loan Documents, (ii) to the best of its knowledge, the City has kept, observed, performed and fulfilled each and every covenant, provision and condition of this Agreement and the Loan Documents on the City's part to be performed and (iii) no Default or Event of Default has occurred or, if such Default or Event of Default has occurred, specifying the nature of such Default or Event of Default, the period of its existence, the nature and status thereof and any remedial steps taken or proposed to correct such Default or Event of Default;

(c) Promptly after the adoption thereof, copies of any amendments of or supplements to any of the other Loan Documents;

(d) In connection with any General Obligation Debt, immediately following any dissemination, distribution or provision thereof to any Person, a copy of any "material event notice" disseminated, distributed or provided in satisfaction of or as may be required by the provisions of Rule 15c2-12 promulgated pursuant to the Securities Exchange Act of 1934, as amended (17 C.F.R. Sec. 240-15c2-12), or any successor or similar legal requirement;

(e) Forthwith and, in any event, within ten (10) Business Days after the City obtains knowledge thereof, a certificate of the City setting forth the occurrence of any Default or Event of Default, the details thereof and the action which the City is taking or proposes to take with respect thereto; and

(f) Such other information respecting the affairs, condition and/or operations, financial or otherwise, of the City as the Bank may from time to time reasonably request.

The City shall at any and all times during regular business hours, upon the written request of the Bank, permit the Bank by its representatives to inspect the properties, books of account, records, reports and other papers of the City, to take copies and extracts therefrom, and to discuss the affairs, finances and accounts of the City with the Designated Officer or the independent public accountants of the City. The City will afford and procure a reasonable opportunity to make any such inspection, and the City will furnish to the Bank any and all information as the Bank may reasonably request, with respect to the performance by the City of the City's covenants in this Agreement.

Section 6.04. Compliance with Law. The City shall comply with all laws, ordinances, orders, rules and regulations (including, without limitation, Anti-Corruption Laws (including applicable Sanctions), the Improvement Bonds Act, the Public Debt Act and the PERA Pension Statutes) that may be applicable to it if the failure to comply could have a material adverse effect on the security for the Loan or the ability of the City to perform its obligations under this Agreement and the other Loan Documents.

Section 6.05. Notices. The Designated Officer will promptly furnish, or cause to be furnished, to the Bank (a) copies of any communications, reports or financial statements delivered or received by it from any taxing authority, securities regulatory authority or rating agency, (b) such further financial and other information with respect to the City and its affairs as

the Bank may reasonably request from time to time, (c) notice of the (i) existence and status of any litigation which individually or in the aggregate could, in the event of an unfavorable outcome, have a material adverse effect on or (ii) passage of any State or local ordinance, law or rule not of general applicability to all Persons, either of which could reasonably be expected to have a material adverse effect on (x) the financial condition or operations of the City or (y) the enforceability or validity of any of the Loan Documents, (d) written notice that each of the City's budget, capital budget and each material amendment to the foregoing has been posted on the City's website, promptly after such document has been posted, and (e) any change in any material fact or circumstance represented or warranted in this Agreement or in any of the Loan Documents.

Section 6.06. Maintenance of Approvals; Filings, Etc. The City shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, licenses, approvals and authorizations as may be necessary or appropriate under any applicable law or regulation for its execution, delivery and performance of this Agreement and the other Loan Documents.

Section 6.07. Taxes and Liabilities. The City will pay all its General Obligation Debt and Obligations promptly and in accordance with their terms (including, without limitation, amounts payable by the City under this Agreement and the other Loan Documents).

Section 6.08. Accuracy of Information. All data, certificates, reports, opinions of counsel, documents and other information furnished to the Bank, whether pursuant to this Agreement, or in connection with or pursuant to an amendment or modification of, or waiver under, this Agreement shall, at the time the same are so furnished, (a) be complete and correct in all material respect to the extent necessary to give the Bank true and accurate knowledge of the subject matter thereof, and (b) not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not misleading, and the furnishing of the same to the Bank shall constitute a representation and warrant by the City to that effect. Each audited financial statement furnished to the Bank, whether pursuant to this Agreement, or in connection with or pursuant to an amendment or modification of or waiver under, this Agreement, shall, as of the date of such audited financial statement, fairly present the financial condition of the City.

Section 6.09. Additional Documents. Upon written request from the Bank, the City shall furnish to the Bank from time to time, at the City's expense, all further instruments and documents, duly executed and delivered by the City, and take all further action that may be reasonably necessary, or that the Bank, may reasonably request, in order to (a) perfect and protect any security interest or other right or interest assigned, or purported to be assigned, to the Bank, under or in connection with this Agreement or any other Loan Documents, or (b) enable the Bank to exercise or enforce its rights or remedies under or in connection with this Agreement or any other Loan Document.

Section 6.10. Further Assurances. From time to time hereafter, the City will execute and deliver such additional instruments, certificates or documents, and will take all such actions as the Bank may reasonably request for the purposes of implementing or effectuating the provisions of the Loan Documents and this Agreement. Upon the exercise by the Bank of any power, right, privilege or remedy pursuant to this Agreement or the other Loan Documents which requires any

consent, approval, registration, qualification or authorization of any governmental authority or instrumentality, the City will execute and deliver all necessary applications, certifications, instruments and other documents and papers that the Bank may be required to obtain for such governmental consent, approval, registration, qualification or authorization.

Section 6.11. Credit Facilities. In the event that the City shall, directly or indirectly, enter into or otherwise consent to any credit agreement, bond purchase agreement, liquidity agreement or other agreement or instrument (or any amendment, supplement or modification thereto) under which, directly or indirectly, any Person or Persons undertakes to make loans or extend credit or liquidity to the City, which such agreement (or amendment thereto) provides such Person with more restrictive covenants and/or greater rights and remedies than are provided to the Bank in this Agreement, the City shall provide the Bank with a copy of each such agreement (or amendment thereto) and such more restrictive covenants and/or greater rights and remedies shall automatically be deemed to be incorporated into this Agreement and the Bank shall have the benefits of such more restrictive covenants and/or such greater rights and remedies as if specifically set forth herein. The City shall promptly enter into an amendment to this Agreement to include such more restrictive covenants and/or greater rights or remedies (*provided* that the Bank shall maintain the benefit of such more restrictive covenants and/or greater rights and remedies even if the City fails to provide such amendment). This Section 6.11 shall not apply to the City's pledge of certain sources of revenues for the payment of other General Obligation Debt or Obligations of the City. This Section 6.11 shall be further limited by the City's authority under its Charter and State law to comply with this provision.

Section 6.12. Preservation of Tax Exemption. The City covenants and agrees that, in order to assure that the interest on the Loan shall at all times be excludable from gross income for federal income purposes, the City represents and covenants that it will comply with the applicable provisions of Section 103 and Sections 141 through 150 of the Code as follows:

(a) The Nicollet Mall Project and all related and attendant facilities that are to be financed with the proceeds of the advances made hereunder (collectively, the "*Facilities*") are and will continue to be owned and operated by the City and no portion of the Facilities is or will be managed by anyone other than the City, another governmental entity, or pursuant to a "qualified management agreement" within the meaning of all pertinent provisions of law, including all relevant provisions of the Code and regulations, rulings and revenue procedures thereunder, including Revenue Procedure 97-13, 1997-1 C.B. 632 (February 3, 1997), as amended or supplemented.

(b) The City will not permit any private business use (as defined in Section 141(b)(1) of the Code) of the Facilities by any non-governmental organization, unless the City has first received an opinion from a nationally-recognized bond counsel to the effect that the proposed private business use of the Facilities by such non-governmental organization will not cause interest on the Loan to become includable in gross income for federal income tax purposes.

(c) The City will not permit any private security to be provided or any private payment to be made with respect to the Loan by any non-governmental organization, unless the City has first received an opinion from a nationally-recognized bond counsel to the effect that the

proposed private security or private payment by such non-governmental organization will not cause interest on the Loan to become includable in gross income for federal income tax purposes.

(d) At least ninety-five (95%) of the net proceeds of the Loan will be used for capital expenditures.

(e) The weighted average maturity of the Loan will not exceed one hundred twenty percent (120%) of the estimated economic life of the Facilities, all within the meaning of Section 147(b) of the Code.

(f) The City will take no action and will not fail to take any action the result of which would cause the Loan to be determined to be an “arbitrage bond,” within the meaning of Section 148 of the Code and applicable regulations promulgated thereunder.

Section 6.13. Sovereign Immunity. To the extent that the City has or hereafter may acquire under applicable law any right to immunity from set off or legal proceedings on the grounds of sovereignty or otherwise with respect to its obligations under this Agreement or any other Loan Document, the City hereby irrevocably waives, to the extent permitted by law, such rights to immunity for itself and agrees not to invoke any defense of immunity in respect of its obligations arising under or related to this Agreement and any of the other Loan Documents to which it is a party.

Section 6.14. Use of Proceeds; Equity Contribution; State Grant. The City irrevocably agrees, on the terms and conditions of this Agreement, to apply the proceeds of the Loan, as and when drawn, solely to finance a portion of the costs of the Facilities. In addition, the City agrees to provide the \$3,500,000 of cash equity to the financing and construction of the Facilities in order to comply in all respects with the State Grant Statute, and further agrees to maintain its eligibility for the State Grant, the proceeds of which will be applied, together with the cash equity, to finance the re-construction and upgrade of the Facilities, including the Nicollet Mall Project.

ARTICLE VII

NEGATIVE COVENANTS

Section 7.01. Negative Covenants. So long as the Commitment or any other Obligation hereunder shall remain unpaid or unsatisfied, the City shall not:

(a) use, or permit the use of, any proceeds of the Loan in any manner which would cause the Loan to be an “arbitrage bond” within the meaning of Section 148(a) of the Code; or

(b) take any action or omit to take any action which, if taken or omitted, would adversely affect (i) the exclusion of interest on the Loan from gross income for federal income tax purposes or (ii) the exclusion of interest on the Loan from taxable net income of individuals, estates, and trusts for State income tax purposes; or

(c) violate any law, rule, regulation, or governmental order to which it is subject, which violation involves a reasonable likelihood of adversely affecting the financial condition of the City or the City's ability to perform its obligations under this Agreement or any other Loan Document; or

(d) amend, modify or supplement, nor agree to any amendment or modification of, or supplement to, the Resolution or any of the other Loan Documents or consent to, or permit or suffer to occur any action, course of dealing or omission which results in, or is equivalent to, an amendment, supplementation, termination or modification of the Resolution or any of the other Loan Documents, without the prior written consent of the Bank, and any such amendment, supplementation, termination or modification made or entered into in violation of this subsection shall be deemed a nullity and of no force and effect; or

(e) to the extent that ERISA may become applicable to the City, violate ERISA in any way that could reasonably be expected to have a material adverse effect on the security for the Loan or the ability of the City to perform its obligations under this Agreement and the other Loan Documents; or

(f) enter into any Swap Contract hedging or otherwise relating to the Loan or this Agreement without the prior written consent of the Bank; or

(g) use the proceeds of the Loan in violation of Regulation U or X as the same may be amended or interpreted from time to time by the Board of Governors of the Federal Reserve System; or

(h) include in any offering document for General Obligation Debt any information concerning the Bank that is not supplied in writing by the Bank expressly for inclusion therein.

ARTICLE VIII

Section 8.02. Remedies Upon Event of Default. If an Event of Default specified in Section 8.01 hereof shall occur and be continuing then, in addition to any other rights or remedies available to the Bank under any other Loan Document or under applicable Law, the Bank may exercise any one or more of the following rights and remedies (regardless of whether the actions are taken at the same or different times):

(a) the Bank may provide written notice to the City of the occurrence of such Event of Default requiring the Note to become subject to special mandatory redemption (a “*Notice of Special Mandatory Redemption*”) and, upon delivery to the City of the Notice of Special Mandatory Redemption, the Note shall be subject to special mandatory redemption on the date specified in said Notice of Special Mandatory Redemption, which date (the “*Special Mandatory Redemption Date*”) shall be no later than the first to occur of (i) the one hundred eightieth (180th) day immediately following delivery of the Notice of Special Mandatory

Such Notice of Special Mandatory Redemption shall require that, on such Special Mandatory Redemption Date, the City pay to the Bank the redemption price of such Note (equal to 100% of the principal amount of the Note plus accrued interest to the Special Mandatory Redemption Date) and all other Obligations hereunder shall be immediately due and payable on such Date; and

(b) the Bank may (in addition to any other rights the Bank may have under Section 4.02 and this Section 8.02), at the same or different times, deliver to the City a written notice advising the City that the Bank has suspended its obligation to honor Draw Notices delivered by the City pursuant to Section 2.01 hereof (said written notice being referred to herein as a “*Draw Suspension Notice*”) until such time as either (i) the City has provided the Bank with written evidence, reasonably satisfactory to the Bank, that the Event(s) of Default specified in the Draw Suspension Notice has/have been cured or (ii) the Event(s) of Default described in the Draw Suspension Notice has/have been waived in writing by the Bank; and

(c) at any time after the occurrence of, and during the continuation of, an Event of Default, by notice to the City, declare all fees and expenses then outstanding and unpaid to be immediately due and payable and, thereupon, such amounts so declared to be due and payable, together with accrued interest thereon, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the City; and

(d) assess interest on all interest-bearing obligations of the City (including the Note) at the Default Rate upon the occurrence and during the continuation of any Event of Default (or the Taxable Rate in the event of an Event of Default occurring under Section 8.01(l) above); and

(e) exercise the Bank’s right of set off; and

(f) exercise any and all rights and remedies granted at law or in equity including, without limitation, the right to (i) proceed to protect the rights of the Bank by suit in equity, action at law or other appropriate proceedings, whether for specific performance of any covenant or agreement of the City herein contained or in the exercise of any power or remedy granted to the Bank under any of the other Loan Documents, or (ii) exercise any other rights or remedies available to it under any Loan Document, any other agreement or instrument or at law or in equity.

Section 8.03. No Waiver; Cumulative Remedies; Enforcement. No failure by the Bank to exercise, and no delay by the Bank in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the City therefrom, shall be effective unless in writing signed by the Bank and the City, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

Section 9.02. Notices; Effectiveness; Electronic Communication.

(a) *Notices Generally.* Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), and except as otherwise expressly provided herein, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number to the address, telecopier number, electronic mail address or telephone number specified for the City and the Bank on Schedule 9.02; and

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) *Electronic Communications.* Notices and other communications to the Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Bank. The Bank or the City may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Bank otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) *Change of Address, Etc.* Each of the City and the Bank may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto.

(d) *Reliance by Bank.* The Bank shall be entitled to rely and act upon any notices purportedly given by or on behalf of the City even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The City shall indemnify the Bank and its Affiliates from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the City. All telephonic notices to and other telephonic communications with the Bank may be recorded by the Bank, and each of the parties hereto hereby consents to such recording.

Section 9.03. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.04. Expenses; Indemnity; Damage Waiver.

(a) *Costs and Expenses.* The City shall pay (i) all reasonable out-of-pocket expenses incurred by the Bank and its Affiliates (including the reasonable fees, charges and disbursements of counsel for the Bank), in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), but in no event shall such costs exceed \$██████; (ii) all out-of-pocket expenses incurred by the Bank (including reasonable fees, charges and disbursements of any counsel for the Bank), and shall pay all reasonable fees and time charges for attorneys who may be employees of the Bank, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Commitment made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of the Commitment; and (iii) the necessary and reasonable fees, expenses and disbursements of counsel to the Bank in connection with each amendment to this Agreement or any other Loan Document or any approval, consent or waiver requested of the Bank with respect to any Loan Document, in each case, in a minimum amount of \$██████ plus the reasonable fees and expenses of counsel to the Bank or other reasonably required consultants to the Bank in connection with any such request for approvals, consents and waivers.

(b) To the extent permitted by law, the City agrees to indemnify and hold harmless the Bank from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever which the Bank may incur (or which may be claimed against the Bank by any Person) by reason of or in connection with the execution and delivery by the City of this Agreement and the transactions contemplated hereby; *provided, however*, that the City shall not be required to indemnify the Bank for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross

negligence of the Bank. Nothing in this Section 9.04 is intended to limit the obligations of the City under this Agreement or of the City to pay its obligations hereunder and under the Note.

(c) *Payments.* All amounts due under this Section shall be payable not later than ten (10) Business Days after demand therefor.

(d) *Survival.* The agreements in this Section shall survive the repayment of the Loan and the repayment, satisfaction or discharge of all the other Obligations.

Section 9.05. Payments Set Aside. To the extent that any payment by or on behalf of the City is made to the Bank, or the Bank exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Bank in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

Section 9.06. Successors and Assigns.

(a) *Successors and Assigns Generally.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the City may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Bank.

(b) *Parties to Whom Assignment/Transfer May be Made.* The Bank shall not assign or transfer this Agreement or the Loan without the prior written consent of the City (which consent shall not be unreasonably withheld or delayed); *provided, however,* that such limitation on assignment and transferability of this Agreement or the Loan shall not prohibit the Bank from transferring the Agreement or the Loan in whole to (i) an Affiliate of the Bank or (ii) a Person that is not an Affiliate of the Bank during a time where a Default or an Event of Default hereunder has occurred and is continuing; *provided, further, however,* that any assignment or transfer of this Agreement pursuant to this Section 9.06(b) shall only be made to a Person that is a Qualified Institutional Buyer or an institutional Accredited Investor that signs and delivers an Assignee/Transferee Letter, addressed to the City and the Bank, dated the effective date of such assignment or transfer and in substantially the same form as Exhibit B hereto. The Bank or assignee/transferee shall pay all reasonable expenses of the City, including reasonable fees and expenses of counsel, if any, in connection with such transfer and assignment.

(c) *Participations.* The Bank may at any time, without the consent of, or notice to, the City, sell participations to any Person (other than a natural person or the City or any of the City's Affiliates) (each, a "Participant") in all or a portion of the Bank's rights and/or obligations under this Agreement (including all or a portion of the Loan); *provided* that (i) the Bank's obligations under this Agreement shall remain unchanged, (ii) the Bank shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the City and the Bank shall continue to deal solely and directly with the Bank in connection with the Bank's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which the Bank sells such a participation shall provide that the Bank shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that the Bank will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the proviso to the first paragraph of this Section 9.06(c) that affects such Participant. Subject to subsection (c) of this Section and applicable Laws, the City agrees that each Participant shall be entitled to the benefits of Sections 2.07, 3.02 and 9.04 to the same extent as if it were the Bank.

(d) *Limitations upon Participant Rights.* A Participant shall not be entitled to receive any greater payment under Section 2.07, 3.02 or 9.04 (to the extent permitted by law) than the Bank would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the City's prior written consent.

(e) *Certain Pledges.* The Bank may at any time pledge or grant a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of the Bank, including any pledge or grant to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or grant shall release the Bank from any of its obligations hereunder or substitute any such pledgee or grantee for the Bank as a party hereto.

Section 9.07. Treatment of Certain Information; Confidentiality. The Bank agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it, (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee/transferee of or Participant in, or any prospective assignee/transferee of or Participant in, any of its rights or obligations under this Agreement or the Loan or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction obtained by the City and relating to the City and its obligations, (g) with the consent of the City or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Bank or any of its respective Affiliates on a non-confidential basis from a source other than the City.

For purposes of this Section, "*Information*" means all information received from the City relating to the City or any of its respective businesses, other than any such information that is available to the Bank on a non-confidential basis prior to disclosure by the City; *provided* that, in the case of information received from the City after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied

with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

The Bank acknowledges that (A) the Information may include material non-public information concerning the City, as the case may be, (B) it has developed compliance procedures regarding the use of material non-public information and (C) it will handle such material non-public information in accordance with applicable Laws, including United States Federal and state securities laws.

Section 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, the Bank and each of its respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other Obligations (in whatever currency) at any time owing by the Bank or any such Affiliate to or for the credit or the account of the City against any and all of the Obligations of the City now or hereafter existing under this Agreement or any other Loan Document to the Bank, irrespective of whether or not the Bank shall have made any demand under this Agreement or any other Loan Document and although such Obligations of the City may be contingent or unmatured or are owed to a branch or office of the Bank different from the branch or office holding such deposit or obligated on such indebtedness. For purposes of this Section 9.08, any money, balances, credits or deposits made by the City exclusively for the payment of any federal, state or local withholding taxes shall not be subject to setoff by the Bank. The rights of the Bank and its respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that the Bank or its respective Affiliates may have. The Bank agrees to notify the City promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 9.09. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Bank and when the Bank shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.10. Survival of Representations and Warranties. All covenants, agreements, representations and warranties made by the City herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Bank and shall survive the execution and delivery of this Agreement and the delivery of the Note, regardless of any investigation made by the Bank or on its behalf and notwithstanding that the Bank may have had notice or knowledge of any Default or Event of Default at the time any credit is or was extended pursuant to this Agreement, and shall

continue in full force and effect as long as the Commitment or any other Obligation hereunder shall remain unpaid or unsatisfied. The provisions of Section 2.07, Article III and Section 9.04 shall survive and remain in full force and effect as long as the Commitment or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 9.11. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.12. Governing Law. THE OBLIGATIONS OF THE BANK AND THE CITY PURSUANT TO THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE, WITHOUT REGARD TO CHOICE OF LAW RULES.

Section 9.13. Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY LAW, THE CITY AND THE BANK HEREBY IRREVOCABLY WAIVE ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 9.14. Venue. The City hereby irrevocably submits to the non-exclusive jurisdiction of the United States Federal Court sitting in Hennepin County, Minnesota, arising out of or relating to this Agreement or any other Loan Document and the City hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in any such court and irrevocably waives any such suit, action or proceeding brought in such a court or that such court is an inconvenient forum. Any judicial proceeding by the City against the Bank or any affiliate of the Bank involving, directly or indirectly, any matter in any way arising out of, related to, or connected with this Agreement or any other Loan Document shall be brought only in a United States Federal Court or State court sitting in Hennepin County, Minnesota. The City and the Bank also irrevocably consent to the service of any and all process in any such action or proceeding by the mailing of copies of such process to the respective address set forth for such party in Section 9.02. The City and the Bank agree that a final judgment in any suit, action or proceeding shall be conclusive and may be enforced in appropriate jurisdictions by suit on the judgment or in any other manner provided by law. All mailings under this Section 9.14 shall be by certified mail, return receipt requested.

Section 9.15. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the City acknowledges and agrees: (i) (A) the City has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (B) the City is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Bank has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an

advisor, agent or fiduciary for the City or any of its Affiliates, or any other Person and (B) the Bank has no obligation to the City or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Bank and its respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the City and its Affiliates, and the Bank has no obligation to disclose any of such interests to the City or its Affiliates. To the fullest extent permitted by law, the City hereby waives and releases any claims that it may have against the Bank with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.16. Electronic Signature; Electronically Signed Document. For purposes hereof, “electronic signature” means a manually-signed original signature that is then transmitted by electronic means; “transmitted by electronic means” means sent in the form of a facsimile or sent via the Internet as a pdf (portable document format) or other replicating image attached to an e-mail message; and, “electronically signed document” means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature. The parties agree that the electronic signature of a party to this Agreement (or any amendment or supplement of this Agreement) shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be “written” or “in writing,” (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or “printouts”, if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

Section 9.17. Patriot Act. The Bank hereby notifies the City that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the City, which information includes the name and address of the City and other information that will allow it to identify the City in accordance with the Patriot Act. The City shall, promptly following a request by the Bank, provide all documentation and other information that the Bank requests in order to comply with its ongoing obligations under applicable “know your customer,” the Anti-Terrorism Laws (including the Executive Order), including the Patriot Act.

Section 9.18. Document Conflict. In the event of a conflict between any Loan Document (other than this Agreement) and this Agreement, the provisions of this Agreement shall prevail.

FORM OF GENERAL OBLIGATION NOTE

**UNITED STATES OF AMERICA
STATE OF MINNESOTA
COUNTY OF HENNEPIN
CITY OF MINNEAPOLIS, MINNESOTA
GENERAL OBLIGATION NOTE
SERIES 2015A**

MANDATORY PREPAYMENT DATE:
December 18, 2017

DATED DATE:
December 18, 2015

The City of Minneapolis, a duly organized and existing municipal corporation in Hennepin County, Minnesota (the “City”), acknowledges itself to be indebted and for value received, hereby promises to pay U.S. Bank National Association, its successors and assigns (the “Bank” or “Registered Owner”), the aggregate unpaid principal amount of principal and interest on advances made by the Bank to the City from time to time pursuant to that certain Loan Agreement, dated as of December 18, 2015 (as amended, restated, extended, supplemented or otherwise modified in writing from time to time thereafter, the “Agreement”), between the City and the Bank, on the Mandatory Prepayment Date (as defined above), but in no event later than December 18, 2018, and to pay interest on the unpaid amount of such advances on the dates and at the rates specified in the Agreement. The aggregate principal amount of all advances that the Bank may be required to fund pursuant to the Agreement will not exceed Twenty-Five Million Dollars (\$25,000,000). All capitalized terms used herein have the meaning given such terms in the Agreement.

All payments of principal and interest shall be made to the Bank in immediately available funds at the Bank’s Lending Office. If any amount is not paid in full when due hereunder, such unpaid amount shall bear interest, to be paid as provided in the Agreement, from the due date thereof until the date of actual payment computed at the per annum rate set forth in the Agreement.

This Note evidences the City’s obligations to pay the principal of and interest on the Loan, as described in the Agreement. The Loan was obtained by the City pursuant to a resolution adopted by the City Council of the City on November 20, 2015 (the “Resolution”), for the purpose of providing money to finance a portion of the costs needed for the re-construction and upgrade of a portion of Nicollet Avenue located in downtown Minneapolis (the “Nicollet Mall Project”). The principal of and interest on the Loan are payable from certain revenues of the City including the proceeds of special assessments imposed on real property benefitted by the Nicollet Mall Project. The full faith and credit of the City are irrevocably pledged for payment of the Loan and the City has obligated itself to levy *ad valorem* taxes on all taxable property in the City in the event of any deficiency, which taxes may be levied without limitation as to rate or amount. This Note is issued only as a fully registered note in denominations of \$100,000 or any integral multiple thereof of single maturities.

So long as this Note is registered in the name of the Bank, it shall not be (a) assigned a separate rating by any rating agency, (b) registered with The Depository Trust Company or any other securities depository, (c) issued pursuant to any type of offering document or official statement or (d) assigned a CUSIP number by Standard & Poor's CUSIP Service.

The City hereby authorizes the Bank to make appropriate notations on the Schedule attached hereto of all advances evidenced hereby and all principal payments and prepayments made hereunder and of the date to which interest hereon has been paid; *provided, however*, that the Bank's failure to make any such notation shall not affect the obligations of the City to pay the full amount of the principal of and interest on all advances.

This Note is transferable upon the books of the City at the principal office of the Finance Officer of the City (the "Registrar"), by the Registered Owner hereof in person or by the owner's attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or the owner's attorney; and may also be surrendered in exchange for a note of other authorized denominations. Upon such transfer or exchange the City will cause a new note or notes to be issued in the name of the transferee or Registered Owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The City and the Registrar may deem and treat the person in whose name this Note is registered as the absolute owner hereof, whether this Note is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the City nor the Registrar will be affected by any notice to the contrary.

This Note is the Note referred to in the Agreement, is entitled to the benefits thereof and may be prepaid in whole or in part subject to the terms and conditions provided therein. Upon the occurrence and continuation of one or more of the Events of Default specified in the Agreement, this Note may become subject to special mandatory redemption, all as provided in the Agreement, and shall bear interest at the Default Rate (or the Taxable Rate upon the occurrence of an Event of Default described in Section 8.01(l) of the Agreement). The Loan made by the Bank shall be evidenced by one or more loan accounts or records maintained by the Bank in the ordinary course of business. In addition to the Schedule attached hereto, the Bank may also attach other schedules to this Note and endorse thereon the date, amount and payments with respect to the Loan.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that all acts, conditions and things required by the Charter of the City and the Constitution and laws of the State of Minnesota to be done, to exist, to happen and to be performed preliminary to and in the issuance of this Note in order to make it a valid and binding general obligation of the City in accordance with its terms, have been done, do exist, have happened and have been performed as so required, and that the issuance of this Note does not cause the indebtedness of the City to exceed any constitutional, statutory, or charter limitation of indebtedness.

This Note is not valid or obligatory for any purpose or entitled to any security or benefit under the Resolution until the Certificate of Authentication hereon has been executed by the Registrar by manual signature of one of its authorized representatives.

IN WITNESS WHEREOF, the City of Minneapolis has caused this Note to be executed in its name and on its behalf by the facsimile or manual signature of the Interim Finance Officer and its official seal to be affixed or imprinted hereon.
