LOAN AGREEMENT

THIS LOAN AGREEMENT is entered into as of the 27th day of October, 2000, between the SOUTH CAROLINA WATER QUALITY REVOLVING FUND AUTHORITY, a public instrumentality of the State of South Carolina (the "Authority") and the GREENWOOD METROPOLITAN DISTRICT, a body politic and corporate of and a special purpose district in the State of South Carolina (the "Project Sponsor").

WITNESSETH:

WHEREAS, the Authority is authorized by Title 48, Chapter 5, Code of Laws of South Carolina, 1976, as amended (the "Act") to administer the South Carolina Water Pollution Control Revolving Fund (the "Fund") for the purpose of assisting Project Sponsors (as defined in the Act) in the construction of, among other things, publicly owned treatment works as defined in the Federal Water Pollution Control Act, Chapter 26, Title 33, United States Code, as amended; and

WHEREAS, the South Carolina Department of Health and Environmental Control (the "Department") is authorized by the Act to, among other things, develop a priority system and prepare an annual plan to insure compliance with the Federal Water Pollution Control Act; and

WHEREAS, the Authority is authorized by the Act to enter into Loan Agreements (as defined in the Act) with Project Sponsors in order to finance Projects (as defined in the Act); and

WHEREAS, the Act authorizes Project Sponsors, among other things, to undertake Projects, to receive assistance in the financing of such Projects by way of loans made from the Fund and to enter into loan agreements providing for the repayment of amounts received from the Fund, together with interest thereon; and

WHEREAS, the Project Sponsor proposes to acquire and construct the facilities described in Appendix "A" hereto (the "Project"), which Project will be part of the Project Sponsor's sewer system (the "System"); and

WHEREAS, the Project Sponsor proposes to finance the Project with a loan made from the Fund, such loan to be pursuant to, and on a parity with debt previously issued under, a resolution adopted by the Project Sponsor on September 17, 1998 entitled "A RESOLUTION AUTHORIZING AND PROVIDING FOR THE ISSUANCE OF GREENWOOD METROPOLITAN DISTRICT, SOUTH CAROLINA, SEWER SYSTEM REVENUE BONDS AND OTHER MATTERS PERTAINING THERETO; PRESCRIBING THE FORM OF REVENUE BONDS ISSUED HEREUNDER; COVENANTING AS TO THE REVENUES AND THE FIXING, ESTABLISHMENT, AND COLLECTION OF RATES AND CHARGES FOR THE USE OF THE SEWER SYSTEM; PLEDGING

THE REVENUES AND OTHER FUNDS TO THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; AND MAKING OTHER COVENANTS AND AGREEMENTS IN CONNECTION WITH THE FOREGOING" (the "General Bond Resolution");

NOW, THEREFORE, BE IT AGREED AS FOLLOWS:

ARTICLE I

LOAN

SECTION 1.1. Loan Made and Accepted; Repayment. In consideration of the mutual promises of this Agreement, and upon and subject to its terms and conditions, the Authority agrees to make, and the Project Sponsor agrees to accept, the loan herein provided for (the "Loan"). The obligation of the Project Sponsor to repay the Loan and interest thereon is evidenced by this Agreement and a promissory note (the "Note") registered in the name of the Authority. The amount of the Loan (the "Loan Amount"), the interest rate on the Loan and the repayment schedule with respect to the Loan (the "Repayment Schedule") shall be as set forth in Appendix "B" hereto, as may be changed or modified pursuant to Section 1.4 hereof; the terms and form of the Note are set out in Appendix "E". The Project Sponsor shall make payments with respect to the Loan at the times and in the amounts set forth in Appendix "B" as modified on the due date of any such payment.

SECTION 1.2. Purpose Limited to Project. The Project Sponsor shall use the proceeds of the Loan only to pay the actual eligible costs of the Project, including capitalized interest during the construction of the Project. The Project is described in Appendix "A" and more specifically as approved in the Project files of the Department. Except to the extent otherwise approved in writing by the Authority, only the costs shown in the Project budget set forth in Appendix "A" shall be allowed and only in the amounts provided for each category. Costs of construction shall be allowed only for work called for in plans and specifications approved by the Department. Proceeds may not be used to pay for labor performed by employees of the Project Sponsor but may be used to pay for materials installed by them.

SECTION 1.3. Disbursements.

1.3.1. The Authority shall make and the Project Sponsor shall accept full or partial disbursements only against incurred, actual eligible costs up to the Loan Amount and by category as provided in this Agreement.

1.3.2. For purposes of making requests for disbursement and representing the Project Sponsor in all administrative matters pertaining to administration of this Agreement, the Project Sponsor shall designate a single officer or employee (the "Sponsor Representative") prior to the first disbursement request.

1.3.3. In those cases when the Project Sponsor has paid the incurred Project costs and is seeking reimbursement for payment of such costs theretofore paid by the Project Sponsor, any check for disbursement from the Fund for reimbursement to the Project Sponsor shall be drawn and mailed to the Project Sponsor. In those cases when the Project Sponsor is seeking funds with which to pay incurred Project costs, any check for disbursement from the Fund to pay such costs may, at the option of the Authority, be drawn to the Project Sponsor alone or jointly to the Project Sponsor and contractor engaged by the Project Sponsor for the Project. Such check will be mailed to the Project Sponsor.

1.3.4. Before any disbursement the Project Sponsor shall execute any documents requested by the Authority reasonably necessary or convenient to the foregoing and shall have satisfied all conditions of Section 1.6 hereof.

1.3.5. Requests for disbursement may be made only after the costs for which the draw is requested have been incurred. The Project Sponsor may not request a disbursement until all construction contracts are signed. The first request for disbursement submitted by the Project Sponsor pursuant to this Agreement shall include an amount for incurred construction costs and all amounts requested by the Project Sponsor for payment or reimbursement of amounts set forth in any of the categories "Planning and Design Engineering", "Land Acquisition", and "Legal and Appraisal Fees" which appear in the Project Budget in Appendix "A" hereto. The Project Sponsor shall not request disbursement against retainage until retainage is paid and shall not request disbursement for change orders unless such change orders have been approved by the Department. Unless the Authority otherwise approves, when the Project budget indicates that the Loan shall bear only a portion of the eligible costs of the Project, or a portion of certain itemized costs, any draw shall not exceed the same proportion of such costs reported for disbursement.

1.3.6. Requests for disbursement shall be made on forms of the Department unless the Authority or Department otherwise directs, and shall be accompanied by such invoices and other proofs as the Authority and Department may reasonably require. The final disbursement shall not be released until the Permit to Operate is issued by the Department. No disbursement requests will be accepted more than one hundred twenty (120) days after the date of such Permit to Operate.

1.3.7. The Authority may require that each draw request shall be submitted to the Authority and Department at least twenty-one (21) days before the day disbursement is needed and may limit draw requests to one per month. The Authority will exert its best efforts to mail its check in response to a disbursement request within twenty-one (21) days of receiving such request, but no assurance is given by the Authority that such schedule will be met and the Authority shall incur no liability to any Project Sponsor. Processing on shorter notice or faster schedule shall not amend this provision.

SECTION 1.4. Changes in Payment Initiation Date, the Loan Amount and Repayment Schedule.

1.4.1. The Loan Amount has been determined, in part, upon the basis of the projected cost of the Project as shown in Appendix "A". The Payment Initiation Date shown in Appendix "B" (the "Payment Initiation Date") is determined by a combination of factors, including, but not limited to the expected Project schedule shown in Appendix "A". Appendix "B" shows the Repayment Schedule anticipated by the parties on this basis and provides for repayment of the Loan, including interest thereon, in eighty (80) equal, or approximately equal, quarterly payments beginning on the first day of the third month after the month of the Payment Initiation Date. The Loan Amount, the Payment Initiation Date and the Repayment Schedule may be changed but only as provided in paragraph 1.4.2, below.

1.4.2. (a) At the written request of the Project Sponsor, submitted to the Authority no later than sixty (60) days prior to the original Payment Initiation Date in Appendix "B", the Payment Initiation Date may be extended once by the Authority to any date not later than the earlier to occur of (i) six (6) months from the original Payment Initiation Date in Appendix "B", or (ii) thirty (30) months from the first day of the month following the date of this Agreement, or (iii) the first day of the month following the date of the permit issued by the Department for the operation of the Project.

(b) In the event the permit to operate the Project is issued by the Department more than one (1) month prior to the Payment Initiation Date stated in Appendix "B", the Authority shall require that either the Payment Initiation Date be accelerated to the first day of the month following the date of the permit issued by the Department for the operation of the Project, or the term of the loan be shortened by a minimum of three (3) months.

(c) The Project Sponsor may request that the Loan Amount be increased by including in principal on the Payment Initiation Date the interest which has accrued on amounts theretofore advanced from the Fund. Any such request shall be submitted in writing to the Authority by the Project Sponsor not less than thirty (30) days prior to the Payment Initiation Date.

(d) The Authority or the Project Sponsor may initiate a reduction to the Loan Amount at any time there is a determination that a lesser amount is required for completion of the Project.

(e) The initial Repayment Schedule with respect to the Loan set forth in Appendix "B" shall be modified to reflect (i) changes in the Loan Amount, (ii) extension or acceleration of the Payment Initiation Date, and (iii) any other modification thereto agreed to by the Authority and the Project Sponsor.

(f) Modification of the Repayment Schedule resulting from a change in the Loan Amount subsequent to the Payment Initiation Date shall be made such that:

(i) at the time of final disbursement pursuant to Section 1.3 the Authority shall determine the final Loan Amount;

(ii) a revised Repayment Schedule shall be calculated by the Authority based on the final Loan Amount, the interest rate set forth in Appendix "B" and payment in eighty (80) equal, or substantially equal, quarterly installments beginning on the first day of the third month after the month of the Payment Initiation Date; and

(iii) any difference between the amount theretofore paid by the Project Sponsor prior to the revision of the Repayment Schedule and the amount which would have been paid had the revised schedule been in effect from and after the Payment Initiation Date shall be credited against the next payment, or payments, due under the revised Repayment Schedule.

(g) For purposes of the Repayment Schedule, any amounts disbursed subsequent to the Payment Initiation Date shall be considered to have been advanced on the Payment Initiation Date.

1.4.3. Any change in the Loan Amount, extension or acceleration of the Payment Initiation Date or modification of the Loan Repayment Schedule shall be documented administratively by notice under this Agreement and shall be reflected in the substitution of a revised Appendix "B" hereto reflecting any such change or modification. In connection with any such change or modification, the Authority may, but need not, impose new terms and conditions, including cancellation of the Note and execution of a new Note.

SECTION 1.5. Deadline for Borrowing and Termination of Promise to Lend. The Authority, in its sole discretion, may terminate its promise to lend all, or any unadvanced portion of, the Loan Amount which has not been advanced if:

1.5.1. The Project Sponsor has not entered into a construction contract with respect to the Project within six (6) months of the date of this Agreement; or

1.5.2. The Project Sponsor does not request disbursement of the unborrowed balance of the Loan Amount on or before the one hundred twentieth (120th) day following the date of the permit issued by the Department for the operation of the Project; or

1.5.3. An Event of Default (as defined in Section 5.1 hereof) occurs (in which event the remedies for default likewise shall be available); or

1.5.4. A circumstance arises or becomes known which, in the Authority's sole discretion and opinion, (a) substantially impairs the ability of the Project Sponsor to complete the Project, to operate the Project or to repay the Loan, or (b) substantially impairs the merit of the Project.

SECTION 1.6. Conditions Precedent to Disbursement of Loan Proceeds. In addition to any other conditions herein provided, the Authority's obligation hereunder to make disbursements from the Fund for advances on the Loan shall be subject to satisfaction of the following conditions:

1.6.1. The Project Sponsor's representations and warranties shall remain true and correct;

1.6.2. No Event of Default shall have occurred under this Agreement or the Note;

1.6.3. The Project Sponsor has complied with the requirements of Sections 1.3, 1.4 and 1.5; and

1.6.4. There shall be on deposit in any debt service reserve fund required by this Agreement the amount required at such time to be on deposit therein.

1.6.5. The initial draw request, if received more than 90 days after the date of this Agreement, shall also be accompanied by the following:

(a) Evidence of the establishment of any debt service reserve fund required by this Agreement and the deposit therein of such amounts as shall be required by this Agreement; and

(b) A letter to the Authority from counsel for the Project Sponsor to the effect that the Project Sponsor has received its fully executed counterpart of this Agreement from the Authority; that no intervening circumstances or other factors detracted from the Project Sponsor's execution and delivery of this Agreement before its subsequent execution by the Authority; that the Note has been duly authorized, executed and delivered; that the opinions expressed in the letter of counsel submitted to the Authority by the Project Sponsor with this Agreement remain valid, including without limitation the advice that this Agreement and the Note are authorized, binding and of full force and effect; and that the Project Sponsor has filed a transcript of proceedings with respect to the Note and its obligations under this Agreement in accordance with Section 11-15-10, Code of Laws of South Carolina, 1976, as amended. Such opinion shall also address such other matters as may be requested by the Authority.

ARTICLE II

REPRESENTATIONS AND WARRANTIES

The Project Sponsor represents and warrants to the Authority as follows:

SECTION 2.1. Status of Project Sponsor. The Project Sponsor is a body politic and corporate of and a special purpose district in the State, authorized to acquire and construct the Project and to operate the Project and provide wastewater treatment services.

SECTION 2.2. Financial Statements. The financial statements of the Project Sponsor delivered to the Authority are true and correct in all respects, have been prepared in accordance with generally accepted accounting principles for units of government, consistently applied, and fairly present the respective financial condition of the subjects thereof as of the respective dates thereof. No material adverse change has occurred in the financial conditions reflected in the statements since their date and no additional borrowing has been made by the Project Sponsor since then other than borrowing specifically disclosed and approved by the Authority. All other information submitted by the Project Sponsor in support of its application for this Loan is true and correct as of the date of this Agreement, and no material adverse change with respect to the Project Sponsor has occurred.

SECTION 2.3. Pending Litigation. There are no actions, suits or proceedings, at law or in equity, in court or before any governmental or administrative agency, either pending or to the knowledge of the Project Sponsor reasonably to be considered threatened, which may impair the validity or enforceability of the Note or this Agreement or the Project Sponsor's ability to repay the Loan or to construct and operate the Project for revenue.

SECTION 2.4. No Conflicting Transactions. Consummation of the transactions hereby contemplated and performance of this Agreement will not result in any breach of, or constitute a default under, any deed to secure debt, mortgage, deed of trust, indenture, security agreement, lease, bank loan or credit agreement, municipal charter, ordinances, contracts or other instruments to which the Project Sponsor is a party or by which it may be bound or affected.

SECTION 2.5. Ownership of Premises. The Project Sponsor owns in fee simple the real property which presently constitutes or which will constitute the main operating facilities of the Project and of the System as a whole, and further owns in fee simple or by sufficient easement the real property upon, across or under which the Project Sponsor has or will have its collection or trunk lines, manholes, pump stations and the like including those to be a part of the Project and otherwise. Property of which the Project Sponsor has taken possession pursuant to Section 28-2-90 of the South Carolina Eminent Domain Procedure Act (Title 28, Chapter 2, Code of Laws of South Carolina, 1976, as amended), and in connection with which no action pursuant to Section 28-2-470 of such Act has been instituted within thirty (30) days of the

Condemnation Notice with respect to such property, shall be deemed owned in fee simple by the Project Sponsor pursuant to this Section 2.5. The Project Sponsor has good record title to the real property described above (or has possession pursuant to the Eminent Domain Procedure Act, as described above) with only such exceptions of record as do not limit the fee simple ownership and do not and will not interfere with the full use and enjoyment of the premises by the Project Sponsor. With respect to the personal property and fixtures of the Project Sponsor necessary or convenient to the System and its operation, there are no liens or other claims of record against such property or other evidence of adverse ownership, and the Project Sponsor owns such personal property and fixtures in fee simple without conflicting claim of ownership.

SECTION 2.6. Other Project Arrangements. The Project Sponsor has secured the utilities, access, governmental approvals and other arrangements reasonably to be considered necessary for the undertaking of the Project.

SECTION 2.7. No Construction Default. Neither the Project Sponsor nor its contractor, architect or engineer for the Project or any related project is in default of any agreement respecting the Project or a related project.

SECTION 2.8. No Default. There is no default on the part of the Project Sponsor under this Agreement or the Note, and no event has occurred and is continuing, which, with notice or the passage of time would constitute a default under any part of this Agreement or the Note.

SECTION 2.9. Governmental Purpose.

2.9.1. All property provided by the Loan will be owned by the Project Sponsor in accordance with the rules governing the ownership of property for federal income tax purposes.

2.9.2. The Project Sponsor is not party to any contracts with any person for the use or management of any facility provided with the proceeds of the Loan that do not conform to the guidelines set forth in Revenue Procedure 97-13.

2.9.3. Payment of amounts due with respect to the Note will not be federally guaranteed within the meaning of Section 149 (b) of the Internal Revenue Code of 1986, as amended (the "Code").

SECTION 2.10. Effect of Draw Request. Each request for and acceptance of disbursement by the Project Sponsor shall be affirmation that the representations and warranties of this Agreement remain true and correct as of the date of the request and acceptance, that no breach of other provisions hereof has occurred, and that no adverse developments affecting the financial condition of the Project Sponsor or its ability to complete the Project or to repay the Loan plus interest have occurred since the date of this Agreement unless specifically disclosed in writing by the Project Sponsor in the request for disbursement. Unless the Authority is notified to the contrary, such affirmations shall continue thereafter.

ARTICLE III

COVENANTS

SECTION 3.1. Contract Award, Construction Inspection and Completion.

3.1.1 The Project Sponsor should not execute construction contracts or issue the notice to proceed with respect to the Project prior to receiving written approval from the Department to award construction contracts.

3.1.2 The Project Sponsor shall provide and maintain competent and adequate engineering supervision and continuous inspection of the Project to insure that the construction conforms with the plans and specifications approved by the Department. A monthly inspection report shall accompany each disbursement request.

3.1.3 The Project Sponsor shall cause the Scope of Work identified in Appendix "A" to be completed pursuant to the Project Schedule also defined in Appendix "A" hereto. The Project Sponsor shall require all contractors to satisfactorily complete all work within the time stated in the executed construction contract. Extension of any contract completion date requires the Department's approval. Any costs incurred as a result of a time extension which has not received approval by the Department shall not be eligible for loan participation.

3.1.4 The Project Sponsor shall pay all costs to complete the Project not covered by the Loan and commits itself to complete the construction of the operable treatment works and to complete the treatment system of which this Project is a part.

SECTION 3.2. Disbursements. The Project Sponsor shall receive and promptly disburse the funds to be provided hereunder as trust funds for the purpose of paying the eligible costs of the Project and for no other purpose.

SECTION 3.3. Release of Responsibility. The Project Sponsor shall undertake the Project on its own responsibility and shall release and hold harmless the Authority, the Department, the State and their officers, members and employees from any claim arising in connection with the design, construction or operation of the Project or any other aspect of the System including any matter due solely to their negligence.

SECTION 3.4. Other Agreements. The Project Sponsor shall comply with all terms and conditions of any construction contracts, architectural or engineering agreements, trust indentures, security deeds, promissory notes, loan agreements, or the like affecting the Project, the premises of the System and its operation. The Project Sponsor shall require its construction contractor to furnish both a performance bond and payment bond in the full amount of the construction contract. The requirement of such bonds shall be for the convenience of the Authority only and shall not be an undertaking by the Authority to the Project Sponsor or any third party.

SECTION 3.5. Accounting and Auditing.

3.5.1. Accounting. The Project Sponsor shall account for the Project and the System according to Generally Accepted Governmental Accounting Principles as defined by Statement 1, Government Accounting and Financial Reporting Principles, National Council on Governmental Accounting, 1979 as adopted by the Governmental Accounting Standards Board, and revisions, updates or successor thereto. The Project Sponsor shall also account for the Project and the System in a manner consistent with Enterprise Fund Accounting in accordance with Interpretation 2, Segment Information for Enterprise Funds, National Council on Governmental Accounting, 1980, and revisions, updates or successors thereto.

3.5.2. Audit. Within six (6) months of the end of each fiscal year of the Project Sponsor, the Project Sponsor shall tender to the Authority an annual financial audit by a certified public accountant. The conduct of the audit and the audit shall conform to Generally Accepted Governmental Accounting Principles as defined in the subsection 3.5.1 above, and to Generally Accepted Auditing Standards as defined in Standards for Audit of Governmental Organizations, Programs, Activities, and Functions, Comptroller General of the United States, 1988, and revisions, updates or successors thereto. An audit, as required by the Single Audit Act of 1984, may be necessary for each year program funds are disbursed to the Project Sponsor (CFDA Number 66.458).

SECTION 3.6. Insurance. The Project Sponsor covenants and agrees that so long as any amount remains unpaid on the Note:

(A) It will insure and at all times keep the Project insured against physical loss or damage with a responsible insurance company or companies, authorized and qualified under the laws of the State of South Carolina, to assume the risks insured against, in an amount equal to the replacement cost of the Project;

(B) It will secure adequate fidelity bonds (blanket or individual) of a surety company doing business in the State, indemnifying the Project Sponsor against defalcation of all persons handling money derived from the System or signing checks on any bank accounts relating to the System;

(C) All insurance policies shall be open to the inspection of the Authority at any reasonable time;
and

(D) All money received by the Project Sponsor as a consequence of any defalcation, covered by any fidelity bond, shall be used to restore the fund depleted by the defalcation. All sums received by the Project Sponsor from insurance policies covering the Project may, to the extent necessary, be applied to the repair and replacement of the damaged or destroyed property, but, in the event that such money is not used for such purposes, then the same shall be applied to payment of the Note.

SECTION 3.7. Compliance with Governmental Authority. The Project Sponsor shall comply with all environmental laws, rules and other provisions of legal force and effect and all such other provisions which govern the construction or operation of the Project or the System.

SECTION 3.8. Adequate Rates. The Project Sponsor shall at all times establish and maintain in effect rates and charges for the services provided by, or made available by, the Project and the System as shall be sufficient to meet the requirements of this Agreement, and the Project Sponsor specifically covenants and agrees to maintain rates and charges for all services furnished by the System which shall at all times be sufficient:

3.8.1. To provide for the punctual payment of the principal of and interest on the Note and any other indebtedness of the Project Sponsor payable from revenues of the System that may from time to time hereafter be outstanding;

3.8.2. To maintain any Debt Service Reserve Fund required by this Agreement in accordance with the provisions hereof;

3.8.3. To provide for the payment of the expenses of administration and operation and such expenses for maintenance of the System as may be necessary to preserve the same in good repair and working order;

3.8.4. To build and maintain a reserve for depreciation of the System, for contingencies and for improvements, betterments and extensions to the System other than those necessary to maintain the same in good repair and working order; and

3.8.5. To discharge all other obligations imposed by the Act and by this Agreement.

The Project Sponsor further covenants and agrees that it shall at all times establish and maintain in effect rates and charges for the services provided by, or made available by, the Project and the System which, together with other income, are reasonably expected to yield annual Net Revenues, as defined in the General Bond Resolution, in any fiscal year equal to the greater of (i) one hundred ten percent (110%) of the annual principal and interest on all debt paid from or secured by revenues of the System; or (ii) such other percentage of the annual principal and interest on all debt paid from or secured by revenues of the System, as the Project Sponsor shall have covenanted that its Net Revenues would meet with respect to other outstanding indebtedness of the System.

SECTION 3.9. Review of Rates. The Project Sponsor covenants that, so long as any amount remains unpaid on the Note, it will review the adequacy of its rates and charges to comply with the requirements of this Agreement promptly upon any material changes in circumstances, but not less frequently than once in each fiscal year of the Project Sponsor. The Project Sponsor shall submit any adjustments to

its rates and charges to the Authority immediately upon adoption.

SECTION 3.10. Disclosure of Events to Authority. The Project Sponsor covenants that, so long as any amount remains unpaid on the Note, it will submit to the Authority event specific information within thirty days of an event adversely affecting more than five percent of revenues of the System and any other information which is released to a municipal bond information repository service.

SECTION 3.11. Procurement Requirements. The Project Sponsor shall comply with all procurement requirements of law and, to the extent compliance therewith does not contravene any provision of law applicable to the Project Sponsor, shall comply with the procurement requirements set forth in Appendix "C" hereto.

SECTION 3.12. Inspection and Information. On reasonable notice, the Authority or the Department shall have for its own convenience and benefit, and without obligation to the Project Sponsor or any third party, the right to audit the books and records of the Project Sponsor as they may pertain to or affect the System and this Agreement and to enter upon the premises to inspect the Project. The Project Sponsor shall cause its architects, engineers, contractors, and auditors to cooperate during such inspections including making available any documents, records, reports or other materials pertinent to the Project and the inspection. The Project Sponsor shall comply with all reasonable requests by the Authority or the Department for information pertaining to the Project Sponsor's compliance with this Agreement.

SECTION 3.13. Consent to Changes. Without consent of the Authority and Department, the Project Sponsor shall make no modifications or changes to the Project, or allow to continue any defect, which would damage or reduce the value of the Project or the System. The Project Sponsor shall not divide the Project into component projects in order or in effect, so as to defeat the provisions of this Agreement. The Project Sponsor covenants that it shall remain the owner of the Project and agrees that it will not convey, transfer, mortgage or otherwise encumber the Project, the System or the revenues derived therefrom (except with respect to the issuance of Additional Bonds pursuant to the terms of the General Bond Resolution) during the term of this Agreement without the express prior written approval of the Authority.

SECTION 3.14. Governmental Purpose. The Project Sponsor specifically covenants that:

3.14.1. It shall not permit the proceeds of the Loan (or the Project) to be used in any manner that would result in (a) ten percent (10%) or more of such proceeds being considered as having been used directly or indirectly in any trade or business carried on by any natural person or in any activity carried on by a person other than a natural person other than a governmental unit as provided in Section 141 (b) of the Code, or (b) five percent (5%) or more of such proceeds being considered as having been used directly or indirectly to make or finance loans to any person other than a governmental unit as provided in Section 141 (c) of the Code;

3.14.2. It will not enter into any contracts with any person for the use or management of any facility provided with the proceeds of the Loan that do not conform to the guidelines set forth in Revenue Procedure 97-13, as modified by subsequent pronouncements of the United States Treasury Department applicable thereto;

3.15.2. It will permit no free service to be rendered, or use to be made of the services and facilities of the System and for the services and facilities of the System used by the Project Sponsor, the reasonable cost and value of such services and facilities shall be paid as such services accrue. ARTICLE IV
ESTABLISHMENT OF FUNDS AND
DISPOSITION OF REVENUES

SECTION 4.1. Establishment of Gross Revenue Fund, Debt Service Fund, Operation and Maintenance Fund, Depreciation Fund and Contingent Fund. Beginning on the first day of the month following the delivery of the Note, except with respect to the Debt Service Fund, and continuing until all amounts due with respect to the Note have been paid in full, the following funds shall be established or continued and maintained:

4.1.1. The Project Sponsor shall establish a Gross Revenue Fund, into which shall be placed all receipts, income and revenue that the Project Sponsor shall derive, directly or indirectly, from the ownership of the System. The Revenue Fund established pursuant to the General Bond Resolution shall be maintained as the Gross Revenue Fund hereunder. Moneys in the Gross Revenue Fund may be withdrawn on order of the Project Sponsor, but shall be made use of only in the manner and in the order of priority specified in Article V of the General Bond Resolution and Section 4.3 hereof.

4.1.2 The Debt Service Fund established pursuant to the General Bond Resolution shall be maintained as the Debt Service Fund for the Note.

4.1.3. The Project Sponsor shall establish an Operation and Maintenance Fund in order to provide for the payment of all expenses incurred in connection with the administration and operation of the System, and such expenses as may be reasonably necessary to preserve the System in good repair and working order. As provided in the General Bond Resolution, so long as the Project Sponsor is not in default thereunder, the Gross Revenue Fund may act as the Operation and Maintenance Fund.

4.1.4. The Project Sponsor shall establish a Depreciation Fund in order to build up a reserve for the depreciation of the System. Moneys in this fund shall be used solely for the purpose of restoring depreciated or obsolete items of the System, but may be used pursuant to 5.06(a) of the General Bond Resolution to prevent a default in the Note or any Parity Debt (as defined in section 4.3.2 herein).

4.1.5. The Project Sponsor shall establish a Contingent Fund in order to build up a reasonable reserve for improvements, betterments and extensions to the System, other than the expenses which are reasonably necessary to maintain the System in good repair and working order, and to defray the cost of unforeseen contingencies. Pursuant to Section 5.07(a) of the General Bond Resolution, moneys in this fund may also be used to prevent a default in the Note or any Parity Debt.

4.1.6. In the event the Project Sponsor shall have established funds analogous to, or serving the purpose of, the funds required to be established by this Article IV, such funds may be continued and employed for the purposes of this Agreement, and the Project Sponsor shall not be required to establish duplicate funds.

SECTION 4.2. Establishment and Funding of Debt Service Reserve Fund.

4.2.1. The Debt Service Reserve Fund established pursuant to the General Bond Resolution shall be maintained for the security of the Note and a separate account shall be established therein for the Note, such account being designated the "2000 Debt Service Reserve Fund Account". The Debt Service Reserve Fund requirement (the "Reserve Requirement") with respect to the Note shall equal the maximum annual principal and interest requirements on the Note.

4.2.2. The 2000 Debt Service Reserve Fund Account is intended to insure the timely payment of the principal of and interest on the Note. Money in the 2000 Debt Service Reserve Fund Account shall be used only to prevent a default in the payment of the Note, by reason of the fact that money in the Debt Service Fund is insufficient for such purposes.

4.2.3. Prior to the delivery of this Agreement to the Authority, the Project Sponsor shall deposit, or cause to be deposited, in the 2000 Debt Service Reserve Fund Account funds in an amount, or investments permitted by subsection 4.4.3 having a value, equal to the Reserve Requirement. In the event that the Reserve Requirement shall increase due to an increase in the Loan Amount pursuant to subsection 1.4.2(c), the Project Sponsor shall immediately deposit, or cause to be deposited, in the 2000 Debt Service Reserve Fund Account funds in an amount equal to such increase in the Reserve Requirement.

SECTION 4.3. Disposition of Revenues. All revenues derived from the operation of the System shall be deposited in the Gross Revenue Fund as provided in Section 5.02 of the General Bond Resolution. Beginning in the month following the delivery of this Agreement with respect to payments pursuant to subsections 4.3.1 and 4.3.3 to 4.3.6, inclusive, and beginning in the month of the Payment Initiation Date with respect to payments made with respect to the Note pursuant to subsection 4.3.2, withdrawals from the Gross Revenue Fund shall be made in the following order of priority:

4.3.1. There shall be deposited into the Operation and Maintenance Fund on or before the fifteenth day of each month that sum which has been currently determined by the Project Sponsor to be the cost of operating and maintaining the System for the next ensuing month.

4.3.2. The monthly fraction of the next payment of principal and interest to become due on the Note on the next succeeding payment date shall be deposited in the Debt Service Fund on or before the fifteenth day of each month. Simultaneously with making the monthly deposit in the Debt Service Fund required by this Section 4.3.2, the Project Sponsor shall deposit (a) the monthly fraction of the next payment of principal and interest to become due on the Project Sponsor's Sewer System Revenue Bonds, Series 1998 (the "1998 Revenue Bonds"); and (b) the monthly fraction or fractions of the next payment or payments due with respect to any obligations of the Project Sponsor (the "Obligations") secured by a pledge of revenues on a parity with the pledge securing the Note and the 1998 Revenue Bonds. The 1998 Revenue Bonds and the Obligations are hereinafter sometimes referred to as "Parity Debt".

4.3.3. (a) In the event any amounts shall be withdrawn from the 2000 Debt Service Reserve Fund Account in order to provide for payment of any amounts due with respect to the Note, there shall be deposited on or before the fifteenth day of each month in the 2000 Debt Service Reserve Fund Account not less than one-twelfth (1/12) of the amount of any such withdrawal and such deposits with respect to any such withdrawal shall begin in the month following such withdrawal and shall continue in each month thereafter until the amount on deposit in the 2000 Debt Service Reserve Fund Account shall equal at least the Reserve Requirement.

(b) If the value of the 2000 Debt Service Reserve Fund Account is ever less than the Reserve Requirement, other than as provided in (a) above, or as provided in subsection 4.2.3 with respect to any increase in the Loan Amount, there shall be deposited on or before the fifteenth day of each month in the 2000 Debt Service Reserve Fund Account not less than one-fourth (1/4) of an amount equal to the total Reserve Requirement deficiency, beginning in the month following such a determination. Such deposits shall continue to be made until the amount on deposit in the 2000 Debt Service Reserve Fund Account shall equal at least the Reserve Requirement.

4.3.4. If, in any month, for any reason, the Project Sponsor shall fail to pay all or any part of the money it has herein agreed to pay into the Debt Service Fund for purposes of the Note or 2000 Debt Service Reserve Fund Account, the amount of any such deficiency shall be added to and shall become a part of the amount due and payable into said Debt Service Fund or 2000 Debt Service Reserve Fund Account in the next succeeding month.

4.3.5. There shall be deposited in the Depreciation Fund that sum which has been determined by the Project Sponsor to be needed for the Depreciation Fund as provided in Section 5.06 of the General Bond Resolution.

4.3.6. There shall be deposited in the Contingent Fund that sum which has been determined by the Project Sponsor to be needed for the Contingent Fund as provided in Section 5.07 of the General Bond Resolution.

4.3.7. Any revenues remaining at the end of each fiscal year after the foregoing deposits have been made shall be used by the Project Sponsor for any lawful purpose related to the System as provided in Section 5.08 of the General Bond Resolution.

SECTION 4.4. Concerning the Debt Service Fund and the 2000 Debt Service Reserve Fund Account. The Debt Service Fund continued pursuant to Section 4.1.2 hereof and the 2000 Debt Service Reserve Fund Account established pursuant to Section 4.2 hereof shall be held by First Union National Bank, as trustee under the General Bond Resolution (the "Trustee"). The Debt Service Fund and the 2000 Debt Service Reserve Fund Account shall be held and administered by the Trustee in accordance with the provisions of the General Bond Resolution and the following provisions of this Section 4.4. The Trustee shall acknowledge and accept its duties and responsibilities with respect to the Debt Service Fund and 2000 Debt Service Reserve Fund Account in a written instrument delivered to the Authority with this Agreement.

4.4.1. The Trustee shall notify the Authority in writing of the initial amount deposited in the Debt Service Fund and the 2000 Debt Service Reserve Fund Account for purposes of the Note. If the Project Sponsor fails to deposit the amount required by this Agreement in either fund at the time required for such deposit, the Trustee, no later than the fifth day after the date on which such deposit is to be made, shall provide written notification to the Project Sponsor, with a copy to the Authority, of the amount required for deposit into the Debt Service Fund for payment on the Note or the 2000 Debt Service Reserve Fund Account pursuant to the provisions of this Agreement. The Trustee shall also verify balances in the 2000 Debt Service Reserve Fund Account, as requested by the Authority, but no less often than semiannually during any period of monthly deposits and no less often than annually when the full Reserve Requirement is met and maintained.

4.4.2. From sums deposited in the Debt Service Fund by the Project Sponsor, the Trustee shall transmit to the Authority a check made payable to "Office of Local Government - SRF" in the amount, and at the times, required by the Agreement and Note. If insufficient sums exist in the Debt Service Fund for any payment then due, the Trustee shall transfer the amount needed for payment from the 2000 Debt Service Reserve Fund Account and the Trustee shall notify the Project Sponsor of the amounts required to be deposited in the 2000 Debt Service Reserve Fund Account in order to replenish such a withdrawal and have on deposit therein the amount required by this Agreement. A copy of any such notice shall be provided to the Authority by the Trustee.

4.4.3. Pending disbursement pursuant to this Section 4.4, money in the 2000 Debt Service Reserve Fund Account shall be invested and reinvested in insured interest bearing accounts, repurchase agreements collateralized by direct obligations of the United States, or in direct obligations of the United States having maturities not exceeding six (6) months. Subject to the remaining provisions of this subsection 4.4.3, the earnings from such investments shall be added to and become a part of the 2000 Debt Service Reserve Fund Account. Whenever, and as of any date of calculation, the value of the securities and money in the 2000 Debt Service Reserve Fund Account shall exceed the Reserve Requirement, such excess shall, at the direction of the Project Sponsor, either be used to effect partial prepayment of the Note, or shall be removed from the Debt Service Reserve Fund and transferred into the Debt Service Fund for payment of debt service on the Note.

4.4.4. Upon payment in full of all amounts due with respect to the Note, which payment shall be evidenced to the Trustee in writing by the Authority, the Trustee shall pay over all amounts remaining in the Debt Service Fund and 2000 Debt Service Reserve Fund Account to the Project Sponsor upon the receipt of written directions from the Project Sponsor and the Trustee shall thereafter have no further responsibilities under this Agreement, provided, however, that in the event any Parity Debt remains outstanding upon the payment in full of the Note, the disposition of funds then remaining in the Debt Service Fund and Debt Service Reserve Fund shall be controlled by the proceedings authorizing the issuance of such outstanding Parity Debt.

ARTICLE V

EVENTS OF DEFAULT

SECTION 5.1. Events of Default. The following occurrences shall constitute Events of Default hereunder:

(A) The Project Sponsor fails to comply with any of the covenants, terms and conditions made in this Agreement;

(B) The Project Sponsor fails to pay any amount due on the Note at the time and in the manner provided in the Note and this Agreement;

(H) The Authority reasonably suspects the occurrence of any default or Event of Default by the Project Sponsor, and following request by the Authority, the Project Sponsor fails to provide evidence reasonably satisfactory to the Authority that such default or Event of Default has not in fact occurred.

ARTICLE VI

REMEDIES

SECTION 6.1. Acceleration. Upon the occurrence of an Event of Default, the Authority may, by notice in writing to the Project Sponsor, declare the principal balance of the Note immediately due and payable; and such amount and all interest accrued thereon shall become and be immediately due and payable, anything in the Note or in this Agreement to the contrary notwithstanding. In such event, there shall be due and payable on the Note an amount equal to the total principal amount disbursed on the Note, plus all interest accrued thereon and which will accrue thereon to the date of payment.

SECTION 6.2. Additional Remedies and Enforcement of Remedies. Upon the occurrence and continuance of any Event of Default and subject to the terms of the General Bond Resolution, the Authority may proceed forthwith to protect and enforce its rights by such suits, actions or proceedings as the Authority shall deem expedient, including but not limited to:

(A) Requiring the Project Sponsor to carry out its duties and obligations under the terms of this Agreement and under the Act;

SECTION 6.3. Remedies Not Exclusive. No remedy by the terms of this Agreement conferred upon or reserved to the Authority is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or existing at law or in equity or by statute (including the Act) on or after the date hereof.

SECTION 6.4. Termination of Proceedings. In case any proceeding taken by the Authority on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Authority, the Authority and the Project Sponsor shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Authority shall continue as if no such proceeding had been taken.

ARTICLE VII

SECURITY

SECTION 7.1. Pledge of Revenues. For the payment of the Note and as security for its other obligations under this Agreement, the Project Sponsor hereby grants to the Authority a pledge of, and lien upon, the Revenues of the System after provision has been made for payment of Current Expenses (as defined in the General Bond Resolution) in the manner prescribed by the General Bond Resolution. Such pledge and lien upon the revenues shall be on a parity in all respects to the pledge and lien securing any Parity Debt (as defined in Section 4.3.2) and shall at all times and in all respects be and remain superior to any pledges made to secure any other obligations of the Project Sponsor payable from the revenues of the System except to the extent otherwise agreed to in writing by the Authority. Parity Debt may be issued only in compliance with Article II of the General Bond Resolution or, if the General Bond Resolution is no longer in effect, only with the prior written approval of the Authority.

SECTION 7.2. Statutory Lien. As additional security for the obligations of the Project Sponsor under this Agreement, there is hereby granted to the Authority a statutory lien upon the System, pursuant to Section 6-21-330 of the Code of Laws of South Carolina, 1976, as amended.

SECTION 7.3. Additional Security. Upon any failure of the Project Sponsor to make any payment to the Authority in accordance with the provisions of the Note and this Agreement, the Authority shall, without further action, require the State Treasurer to pay to the Authority, subject to the provisions of the Act, the amount of state appropriations as the Project Sponsor may become entitled to until all delinquent payments under the Note have been paid.

ARTICLE VIII

It is the Project Sponsor's obligation to request any required modification of applicable permit terms or other enforceable requirements.

SECTION 8.2. Standard Conditions. The Project Sponsor acknowledges and agrees to comply with the following Federal and/or State requirements:

Documentation of efforts made to utilize DBE firms shall be maintained by the Project Sponsor and its consulting firms and construction contractors.

(2) The Project Sponsor shall not award contracts to any firm that has been debarred for noncompliance with Federal Law where the contract amount equals or exceeds the federal small purchase procurement threshold.

(C) The Project Sponsor shall comply with all applicable provisions of the Uniform Relocation and Real Property Acquisition Act of 1970 (PL 92-646) in regard to acquisition of real property (including easements) for the Project and any resulting relocation of persons, business and farm operations.

ARTICLE IX

SECTION 9.3. Evidence. Any condition of this Agreement which requires a submission of evidence of the existence or nonexistence of facts shall imply as a condition the existence or nonexistence, as the case may be, of such fact or facts, and the Authority shall, at all times, be free independently to establish to its satisfaction and in its absolute discretion such existence or nonexistence.

STATE OF SOUTH CAROLINA

COUNTY OF GREENWOOD

**PROMISSORY NOTE TO SOUTH CAROLINA
WATER QUALITY REVOLVING FUND AUTHORITY FOR
SOUTH CAROLINA WATER POLLUTION CONTROL
REVOLVING FUND LOAN**

**GREENWOOD METROPOLITAN DISTRICT, SOUTH CAROLINA
SEWER SYSTEM REVENUE BOND, SERIES 2000**

FOR VALUE RECEIVED, the Greenwood Metropolitan District (the "Project Sponsor") promises to pay to the order of the South Carolina Water Quality Revolving Fund Authority (the "Authority") the principal sum owing from time to time by the Project Sponsor pursuant to, and in accordance with, the Loan Agreement (the "Agreement"), the terms of which are incorporated herein by reference, between the Project Sponsor and the Authority relating to Loan Number 1-063-00-368-17, Wilson Creek Wastewater Treatment Plant Sludge Facilities, principal sum, rate of interest and amount and due date of payments thereunder being set forth in Appendix "B" to the Loan Agreement. The records of the Authority with respect to the date and amount of payments on this Note shall be conclusive as to such matters. Interest shall be computed on a three hundred sixty-five-day year basis and compounded annually; the principal of this Note and any installment thereof shall bear interest until paid in full.

Time is of the essence of this Note.

This Note has been issued under the provisions of Title 6, Chapter 21, Code of Laws of South Carolina, 1976, as amended and does not constitute an indebtedness of the Project Sponsor within any State constitutional provisions or statutory limitation.

The Project Sponsor may prepay the outstanding principal balance of this Note in whole or in part, together with any accrued interest thereon, at any time without penalty or premium; all such prepayments shall be applied against principal installments due on this Note in the inverse order of the maturity dates thereof.

All payments of principal and interest shall be made in money of the United States at the office of the Authority in Columbia, South Carolina, or at such place as the Authority may designate in writing, and shall be made in funds immediately available in Columbia, South Carolina.

The Project Sponsor agrees to pay at the time any such late payment hereunder is made a late charge of three percent (3%) of any payment not made on or before the tenth day of the month in which such payment is due. Interest which accrues after maturity of this Note or after its earlier acceleration shall be due and payable upon demand.

Payments shall be applied first to any late charge, then to interest, then to principal. There is no intent for any payment to exceed any legal limit on interest, if any such legal limit applies. If an excess sum occurs, it shall be applied to principal unless the Project Sponsor elects its return in writing.

If the Project Sponsor fails to make any payment of principal or interest within thirty (30) days of the date when due, or if the Project Sponsor defaults in the performance of any of the terms, covenants or conditions of any agreement or other documents concerning this Note, including without limitation the Agreement, the Authority may declare the principal of this Note and all unpaid interest accrued on it to be due and payable immediately, without prior notice or demand to the Project Sponsor.

The failure of the Project Sponsor to make any payment of principal or interest or both shall not constitute a default until thirty (30) days following the due date but the Authority shall have no obligation to give the Project Sponsor notice of any failure to make such payments. Upon any such payment default, the Authority shall immediately avail itself of the provisions of Section 7.3 of the Agreement relating to additional security for payment of amounts due on this Note.

The Project Sponsor waives presentment for payment, demand, protest, and notice of non-payment. Neither a failure to accelerate for default nor acceptance of a past due installment shall be a novation of this Note or constitute a waiver of the right to insist upon strict compliance with it and any related agreements and documents.

The Project Sponsor shall pay all costs of collection, including but not limited to reasonable attorney's fees if the Authority endeavors to collect this Note in any manner through an attorney at law. The rights and remedies of the Authority provided in this Note are cumulative and not exclusive of any other rights and remedies afforded the Authority by law or by any other document.

This Note shall be governed by and construed and interpreted in accordance with the laws of the State of South Carolina.

IN WITNESS WHEREOF, the Project Sponsor has caused this Note to be executed under its seal and to be registered in the name of the South Carolina Water Quality Revolving Fund Authority as of this _____ day of October, 2000.

Dated as of

May 25, 2012

Relating to

South Carolina Water Pollution Control Revolving Fund

Loan Number: 1-063-00-368-17

FOURTH AMENDMENT TO LOAN AGREEMENT

^{25th} This **FOURTH AMENDMENT TO LOAN AGREEMENT** is entered into as of the day of May, 2012, between the **SOUTH CAROLINA WATER QUALITY REVOLVING FUND AUTHORITY** (the "**Authority**") and **GREENWOOD METROPOLITAN DISTRICT** (the "**Project Sponsor**"), in amendment of the Loan Agreement dated as of October 27, 2000, as amended, between the Authority and the Project Sponsor (the "**Loan Agreement**") with respect to South Carolina Water Pollution Control Revolving Fund Loan No. 1-063-00-368-17 (the "**Loan**").

WITNESSETH:

WHEREAS, the Authority is authorized by Title 48, Chapter 5 of the Code of Laws of South Carolina 1976, as amended (the "**Act**") to administer the South Carolina Water Pollution Control Revolving Fund (the "**Fund**") for the purpose of assisting Project Sponsors (as defined in the Act) in the construction of, among other things, publicly owned treatment and related works as defined in the Federal Water Pollution Control Act, Chapter 26, Title 33, United States Code, as amended; and

WHEREAS, pursuant to the Act and the terms of the Loan Agreement, and in order to finance the Project referred to in the Loan Agreement, the Authority extended the Loan to the Project Sponsor and, in connection therewith, the Project Sponsor delivered its Note (as defined in the Loan Agreement) to the Authority; and

WHEREAS, the Authority has adopted a Fiscal Year 2012 Amendment to all Prior Loan Policies (the "**Amended Loan Policies**"), which provide, among other things, for a reduction in certain circumstances of the debt service reserve requirements necessary to be maintained by borrowers in connection with loans made pursuant to the Act; and

WHEREAS, in accordance with the Amended Loan Policies, the Project Sponsor, which currently maintains published ratings by Standard & Poor's Rating Service and by Moody's Investors Services, Inc. of "AA-" and "Aa3", respectively, on its publicly issued revenue bond obligations, desires to take advantage of its current ability to proceed under the Loan Agreement with a Reserve Requirement equal to zero, and, accordingly, the Project Sponsor and the Authority desire to cause the Loan Agreement to be amended to provide for the same, as well as to provide for the circumstances under which the Reserve Requirement may have to be subsequently funded;

NOW, THEREFORE, BE IT AGREED AS FOLLOWS:

The Project Sponsor and the Authority have determined to amend the Loan Agreement as follows:

1. The following Section 3.6 is hereby added to the Loan Agreement. In connection therewith, all existing Sections 3.6 through 3.15, inclusive, of the Loan Agreement are hereby renumbered as Sections 3.7 through 3.16, inclusive, including all subsections therein:

SECTION 3.6. Ratings from Rating Agencies. If the Reserve Requirement, as defined in Section 4.2.1 herein, is initially, or at any time during the term of the Loan, set at a level that is less than the maximum amount due on the Note during any full calendar year, the Project Sponsor shall submit to the Authority, no later than January 31 of each year, a copy of its latest long-term, unenhanced underlying rating, or affirmation thereof, on the System and/or any Parity Debt, as defined in Section 4.3.2 hereof, from Standard & Poor's Rating Service, or its respective successors and assigns ("**S&P**"), or Moody's Investors Service, Inc., or its respective successors and assigns ("**Moody's**"), and from each if both S&P and Moody's have issued ratings. Additionally, the Project Sponsor shall promptly notify, and submit to, the Authority any commentaries, updated outlooks, CreditWatch placements, ratings downgrades, or other actions from S&P and/or Moody's with respect to the System and/or any Parity Debt.

2. Section 4.2 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

SECTION 4.2. Establishment and Funding of Debt Service Reserve Fund.

4.2.1. There shall be created within the Debt Service Reserve Fund established pursuant to the General Bond Resolution, a separate account to be maintained for the security of the Note, such account being designated as the "**2000 Debt Service Reserve Fund Account**". Based on the Project Sponsor's receipt of a long-term, unenhanced underlying rating on the System and/or any Parity Debt in at least the "AA" or "Aa" category from S&P or Moody's, respectively, and from each if both S&P and Moody's issued ratings, and the submission of such to the Authority, the Debt Service Reserve Fund Requirement with respect to the Note (the "**Reserve Requirement**") shall equal zero on the effective date of this Amendment No. 4 of the Loan Agreement and shall continue to be zero subject to the provisions of the following Section 4.2.2. At such time as the Reserve Requirement is greater than zero as provided in Section 4.2.2, the Project Sponsor shall fund the amount then required.

4.2.2. (a) The Reserve Requirement shall continue to be zero if the Project Sponsor fully complies with all requirements of Section 3.6 hereof for annually submitting S&P/Moody's ratings and/or affirmations thereof and for immediately providing any other rating agency actions related to the System and/or any Parity Debt, and all such ratings are maintained in at least the "AA" or "Aa" category.

(b) If either the S&P or Moody's rating is downgraded to the "A" category, the Reserve Requirement will immediately increase to one-half of the maximum annual amount due on the Note, and the Project Sponsor will be required to meet the new requirement within six months through six equal monthly deposits, beginning in the month following any such downgrade.

(c) If there is no longer any current rating or if either the S&P or Moody's rating is further downgraded below the "A" category, the Reserve Requirement will immediately increase to the maximum annual amount due on the Note, and the Project Sponsor will be required to meet the new requirement within twelve months through

twelve equal monthly deposits, beginning in the month following any such downgrade or loss of the rating for the System and/or Parity Debt.

(d) In the event the Reserve Requirement is ever increased as provided in Section 4.2.2 (b) or (c) above due to a rating downgrade and is subsequently upgraded to the levels established in this Section 4.2.2 (a) or (b), then the Reserve Requirement shall revert to zero or one-half of the maximum annual amount due on the Note, respectively, and any excess money in the Debt Service Reserve Fund shall be applied as provided in Section 4.4.3 hereof.

4.2.3. The 2000 Debt Service Reserve Fund Account is intended to insure the timely payment of the principal of and interest on the Note. Money in the 2000 Debt Service Reserve Fund Account shall be used only to prevent a default in the payment of the Note, by reason of the fact that money in the Debt Service Fund is insufficient for such purposes.

4.2.4. The Project Sponsor shall deposit, or cause to be deposited, in the 2000 Debt Service Reserve Fund Account, if required to be established pursuant to the provisions of this Section 4.2, funds in an amount, or investments permitted by Section 4.4.3 having a value, equal to the Reserve Requirement.

3. Subsection 4.3.3 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

4.3.3. (a) In the event any amounts shall be withdrawn from the 2000 Debt Service Reserve Fund Account in order to provide for payment of any amounts due with respect to the Note, there shall be deposited in the 2000 Debt Service Reserve Fund Account not less than one-twelfth (1/12) of the amount of any such withdrawal and such deposits with respect to any such withdrawal shall begin in the month following such withdrawal and shall continue in each month thereafter until the amount on deposit in the 2000 Debt Service Reserve Fund Account shall equal at least the Reserve Requirement.

(b) In the event the Reserve Requirement for the 2000 Debt Service Reserve Fund Account is increased pursuant to any provision of Section 4.2.2 hereof, there shall be deposited in the 2000 Debt Service Reserve Fund Account not less than the monthly amount prescribed in Section 4.2.2 according to the circumstances applicable to the increased Reserve Requirement, and such deposits shall begin as required by Section 4.2.2 and shall continue in each month thereafter until the amount on deposit in the 2000 Debt Service Reserve Fund Account shall equal such increased Reserve Requirement.

(c) If the value of the 2000 Debt Service Reserve Fund Account is ever less than the Reserve Requirement, other than as provided in (a) or (b) above, there shall be deposited in the 2000 Debt Service Reserve Fund Account not less than one-fourth (1/4) of an amount equal to the total Reserve Requirement deficiency, beginning in the month following such a determination. Such deposits shall continue to be made until the amount on deposit in the 2000 Debt Service Reserve Fund Account shall equal at least the Reserve Requirement.

4. Section 4.4 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

SECTION 4.4. Concerning the Debt Service Fund and the 2000 Debt Service Reserve Fund Account. The Debt Service Fund continued pursuant to Section 4.1.2 hereof and the 2000 Debt Service Reserve Fund Account, if established pursuant to Section 4.2 hereof, shall be held by the trustee under the General Bond Resolution (the "*Trustee*"). The Debt Service Fund and the 2000 Debt Service Reserve Fund Account, if established, shall be held and administered by the Trustee in accordance with provisions of the General Bond Resolution and the following provisions of this Section 4.4. The Trustee shall acknowledge and accept its duties and responsibilities with respect to the Debt Service Fund and the 2000 Debt Service Reserve Fund Account, if established, in one or more written instruments delivered to the Authority.

4.4.1. The Trustee shall notify the Authority in writing of the initial amount deposited in the Debt Service Fund for purposes of the Note and the 2000 Debt Service Reserve Fund Account. If the Project Sponsor fails to deposit the amount required by this Agreement in either fund at the time required for such deposit, the Trustee, no later than the fifth day after the date on which such deposit is to be made, shall provide written notification to the Project Sponsor, with a copy to the Authority, of the amount required for deposit into the Debt Service Fund for payment of the Note or the 2000 Debt Service Reserve Fund Account pursuant to the provisions of this Agreement. If the 2000 Debt Service Reserve Fund Account has been established, the Trustee shall also verify balances in the 2000 Debt Service Reserve Fund Account, as requested by the Authority, but no less often than semiannually during any period of monthly deposits and no less often than annually when the full Reserve Requirement is met and maintained.

4.4.2. From sums deposited in the Debt Service Fund by the Project Sponsor, the Trustee shall transmit to the Authority an electronic funds transfer or a check made payable to "Office of Local Government - SRF" in the amount, and at the times, required by this Agreement and Note. If insufficient sums exist in the Debt Service Fund for any payment then due and no 2000 Debt Service Reserve Fund Account has been established, the Trustee shall immediately notify the Project Sponsor of the amount to be transmitted to the Trustee for the payment then due. If insufficient sums exist in the Debt Service Fund for any payment then due and the 2000 Debt Service Reserve Fund Account has been established, the Trustee shall transfer the amount needed for payment from the 2000 Debt Service Reserve Fund Account and the Trustee shall notify the Project Sponsor of the amounts required to be deposited in the 2000 Debt Service Reserve Fund Account in order to replenish such a withdrawal and have on deposit therein the amount required by this Agreement. A copy of any such notice shall be provided to the Authority by the Trustee.

4.4.3. Pending disbursement pursuant to this Section 4.4, any money in the 2000 Debt Service Reserve Fund Account shall be invested and reinvested in insured interest bearing accounts, repurchase agreements collateralized by direct obligations of the United States, or in direct obligations of the United States having maturities not exceeding six (6) months. Subject to the remaining provisions of this Section 4.4.3, the earnings from such investments shall be added to and become a part of the 2000 Debt

Service Reserve Fund Account. Whenever, and as of any date of calculation, the value of the securities and money in the 2000 Debt Service Reserve Fund Account shall exceed the Reserve Requirement, such excess shall, at the direction of the Project Sponsor, either be used to effect partial prepayment of the Note, or shall be removed from the 2000 Debt Service Reserve Fund Account and transferred into the Debt Service Fund for payment of debt service on the Note; provided, if such excess is solely as a result of a reduction in the required level of the Reserve Requirement in accordance with Section 4.2.2, which excess shall be evidenced to the Trustee in writing by the Authority, the Trustee shall pay over such excess in the 2000 Debt Service Reserve Fund Account to the Project Sponsor.

4.4.4. Upon payment in full of all amounts due with respect to the Note, which payment shall be evidenced to the Trustee in writing by the Authority, the Trustee shall pay over all amounts remaining in the Debt Service Fund and the 2000 Debt Service Reserve Fund Account, if established, to the Project Sponsor upon the receipt of written directions from the Project Sponsor and the Trustee shall thereafter have no further responsibilities under this Agreement; provided, however, that in the event any Parity Debt remains outstanding upon the payment in full of the Note, the disposition of funds then remaining in the Debt Service Fund and Debt Service Reserve Fund shall be controlled by the proceedings authorizing the issuance of such outstanding Parity Debt.

5. All other terms and provisions of the Loan Agreement shall remain in full force and effect.

6. In accordance with the Amended Loan Policies and the aforesaid amendments, and based on the revenue bond ratings currently enjoyed by the Project Sponsor as recited above, the Authority will, promptly after the effective date of this Fourth Amendment to Loan Agreement, direct U.S. Bank National Association as custodian/trustee of the existing 2000 Debt Service Reserve Fund Account established pursuant to the Loan Agreement, to return all funds on deposit therein to the Project Sponsor.

7. This Fourth Amendment to Loan Agreement shall be effective as of the date first above written.

IN WITNESS WHEREOF, the parties have executed this Amendment as of this 25th day of May, 2012.
