ARTICLE III

THE LOAN

Section 3.1. Loan of Funds to the Corporation.

The Authority shall make the Loan to the Corporation, using the proceeds of the sale of the Notes upon receipt of a copy of a Request for Advance pursuant to the Continuing Covenant Agreement, and the Corporation shall receive such Loan from the Authority, for the purposes and upon the terms and conditions provided in this Loan Agreement and in the Indenture.

Section 3.2. Series 2016B Master Notes.

As an inducement for the Authority to issue the Notes and make the Loan to the Corporation, and as security for the Loan, and to further provide for the Loan Payments hereunder and the payment of the principal of, redemption premium, if any, and interest on the Notes, the Corporation shall cause the Series 2016B-1 Master Note to be issued under the Master Indenture, payable to the order of the Trustee, with interest rates, payment dates and prepayment provisions corresponding to the analogous provisions of the Notes and otherwise being in substantially the form specified by Supplemental Master Trust Indenture No. 21. The Trustee as holder of such Master Note shall be entitled to the benefit, security and protection of the Master Indenture.

As an inducement for the initial Purchaser to purchase the Notes and as security for the Continuing Covenant Agreement and all obligations thereunder, including without limitation the payment of all amounts due under the Continuing Covenant Agreement, the Corporation shall cause the Series 2016B-2 Master Note to be issued under the Master Indenture, to be outstanding so long as any obligations and amounts due under the Continuing Covenant Agreement remain contingent or outstanding and otherwise being in substantially the form specified by Supplemental Master Trust Indenture No. 21. The Corporation shall cause the Project as described in **Exhibit A** of the Indenture to be completed with reasonable dispatch, and shall provide (from its own funds if required) all moneys necessary to complete the Project substantially in accordance with the plans and specifications for the Project. The Corporation shall comply with all of the provisions and shall perform all obligations of the Corporation set forth in the Indenture with respect to the completion of the Project.

If the proceeds derived from the sale of the Notes issued for such purpose are not sufficient to pay in full the Costs of the Project, the Corporation shall pay so much of the cost thereof as may be in excess of the proceeds of the Notes and any investment income thereon available therefor. The Corporation agrees that if, after exhaustion of the proceeds of the Notes and investment income thereon, the Corporation should pay any portion of the Costs of the Project pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from the Authority or the Trustee nor shall it be entitled to any abatement, diminution or postponement of its payments hereunder.

In addition, the Corporation agrees to pay the costs of issuing the Notes which are not being paid with the proceeds of the sale of the Notes either by paying any or all of such costs directly or by depositing the same with the Trustee. Any moneys so deposited with the Trustee shall be disbursed by the Trustee in accordance with written instructions from the Corporation.

The completion of the Project shall be evidenced to the Trustee by an Officer's Certificate in the form set forth in the Indenture, delivered to the Trustee within **90** days of the date of completion of the Project pursuant to **Section 403** of the Indenture.

the Debt Service Fund as interest or principal shall be credited against the obligation of the Corporation to pay interest or principal, as the case may be, as the same become due.

Section 4.3. Liquidity Payments for Purchase Price of Tendered Notes.

The Corporation shall pay to the Trustee, at the times and in the amounts and manner therein specified, the amounts required in order to purchase any Notes tendered for purchase pursuant to the Indenture; provided, however, that the amounts required to be paid by the Corporation under this paragraph shall be reduced by the amounts made available for such purpose from the proceeds of the remarketing of such Notes by the Remarketing Agent deposited in the Note Purchase Fund or through payments by the Liquidity Provider (which may be a third-party liquidity provider or the Corporation as self-liquidity provider) under the Liquidity Facility deposited in the Note Purchase Fund under **Section 308** of the Indenture. The Corporation authorizes and directs the Trustee to demand money under the Liquidity Facility in accordance with and subject to the terms and conditions of the provisions of the Liquidity Agreement and the Indenture to the extent necessary for the purchase of Notes pursuant to the Indenture. The Corporation authorizes and directs the Trustee to apply the payments made by the Corporation under this paragraph to the payment of the purchase price of Notes.

Section 4.4. Additional Payments.

The Corporation shall make the following additional payments to the following Persons:

- (e) *Costs of Enforcement.* In the event the Corporation defaults under any of the provisions of this Loan Agreement and the Trustee or the Purchaser employs attorneys or incurs

other fees, charges and expenses for the collection of required payments or the enforcement of performance or observance of any obligation or agreement on the part of the Corporation contained in this Loan Agreement or the Continuing Covenant Agreement, the Corporation on demand therefor shall pay to the Trustee or the Purchaser, as applicable, the reasonable fees and expenses of such attorneys and such other fees, charges and expenses so incurred by the Trustee or the Purchaser, as applicable. The Corporation also shall pay, and shall indemnify the Authority, the Trustee and the Purchaser from and against, all costs, expenses and charges, including reasonable counsel fees and expenses, incurred for the collection of payments due or for the enforcement or performance or observance of any covenant or agreement of the Corporation under this Loan Agreement, the Indenture or any other Financing Document.

- (f) *Taxes and Assessments.* The Corporation shall pay all taxes and assessments of any type or character charged to the Authority or to the Trustee affecting the amount available to the Authority or the Trustee from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including property and other taxes and assessments assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding any taxes based upon the capital and/or income of the Trustee or any other Person other than the Corporation; provided, however, that the Corporation shall have the right to protest any such taxes or assessments and to require the Authority or the Trustee, as the case may be, at the Corporation's expense, to protest and contest any such taxes or assessments assessed or levied upon them and that the Corporation shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest, or contest would materially adversely affect the rights or interests of the Authority or the Trustee.
- (g) *Payments Under Continuing Covenant Agreement.* The Corporation shall pay to the Purchaser all amounts which are payable by the Corporation to the Purchaser under the Continuing Covenant Agreement or other instrument which secures the Corporation's obligations to the Purchaser and its obligation to repay the Notes.

Section 4.5. Prepayment of the Loan.

The Corporation may prepay from time to time the amounts payable under this Loan Agreement in sums sufficient to redeem or to pay or cause to be paid all or part of the Notes in accordance with the provisions of the Indenture. Upon written notice and direction by the Corporation to the Authority to redeem Notes subject to optional redemption under the Indenture, the Trustee shall forthwith take all steps (other than the payment of the money required for such redemption) necessary under the applicable redemption provisions of the Indenture to effect redemption of all or part of the then Outstanding Notes, as may be specified by the Corporation, on the date established for such redemption. Whenever any Notes shall have been called for optional redemption under any provision of the Indenture, the Corporation shall cause to be deposited with the Trustee moneys in such amounts and at such times required to redeem such Notes, including the principal, redemption premium, if any, and accrued interest thereon to the redemption date. The Corporation further agrees that in the event the payment of principal

of and interest on the Loan is accelerated upon the occurrence of an event of default under this Loan Agreement, all Loan Payments payable for the remainder of the term of this Loan Agreement shall be accelerated and prepayment shall be made on the Loan in such amounts. Any such prepayments shall be deposited in the Debt Service Fund, and applied by the Trustee in accordance with the provisions of the Indenture.

Section 4.6. Obligations Absolute and Unconditional.

The obligations of the Corporation under this Loan Agreement are general obligations of the Corporation, and the full faith and credit of the Corporation is pledged to the payment of all amounts due and payable by the Corporation under this Loan Agreement. The Corporation shall pay all such amounts due and payable under this Loan Agreement using any and all available resources of the Corporation, as necessary. The Corporation shall pay all Loan Payments and other payments due under this Loan Agreement and perform its obligations, covenants and agreements under this Loan Agreement, without notice or demand, and without abatement, deduction, set-off, counterclaim, recoupment, discrimination or defense or any right of termination or cancellation arising from any circumstances whatsoever, and regardless of the invalidity of any portion of this Loan Agreement, and, to the extent permitted by law, the Corporation waives the provisions of any statute or other law now or hereafter in effect contrary to any of its obligations, covenants or agreements under this Loan Agreement or which releases or purports to release the Corporation therefrom. Nothing in this Loan Agreement shall be construed as a waiver by the Corporation of any rights or claims the Corporation may have against the Authority or the Trustee under this Loan Agreement or otherwise, but any recovery upon such rights or claims shall be had from the Authority or the Trustee separately, it being the intent of this Loan Agreement that the Corporation shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Loan Agreement for the benefit of the Owners of the Notes.

Section 4.7. Extraordinary Optional Prepayment.

If any recalculation of the average reasonably expected economic life of the Project pursuant to **Section 5.5** demonstrates that the average maturity of the Notes exceeds 120% of the average reasonably expected economic life of the Project relating to the Notes, the Corporation covenants and agrees (a) to deposit in the Debt Service Fund established in **Section 401** of the Indenture an amount which, when applied by the Trustee to redeem or purchase the Notes, is sufficient, in the opinion of Note Counsel, to cause the average maturity of the Notes to be no more than 120% of the average reasonably expected economic life of the Project, or (b) to deliver to the Trustee an opinion of Note Counsel indicating that even though the average maturity of the Notes exceeds 120% of the average reasonably expected economic life of the Project, such fact will not adversely affect the validity of the Notes or adversely affect any exclusion from gross income for purposes of federal income taxation of the interest earned by the owners of the Notes. Such deposit shall be made at such time as to permit the Trustee to (1) call such Notes for optional redemption pursuant to **Section 301** of the Indenture not later than first day such Notes can be redeemed at a price of par, and (2) give proper notice of redemption pursuant to **Section 304** of the Indenture.

Notwithstanding the foregoing, the Corporation shall not be required to comply with the restrictive covenant contained in this subsection if it provides the Authority and the Trustee with an Opinion of Note Counsel to the effect that the action proposed to be taken is authorized or permitted by the Indenture and the Act and will not adversely affect the exclusion of interest on the Notes from gross income for purposes of federal income taxation under Section 103 of the Internal Revenue Code.

The provisions of subsections (a) and (c) above shall remain in full force and effect notwithstanding the termination of the Indenture and this Loan Agreement, but such provisions shall terminate and no longer have any force or effect upon payment in full of all payments due on the Notes.

The covenants and agreements contained in this Section need not be observed or may be modified if there is delivered to the Authority and the Trustee a an Opinion of Note Counsel to the effect that the action proposed to be taken is authorized or permitted by the Indenture and the Act and will not adversely affect the exclusion of interest on the Notes from gross income for purposes of federal income taxation under Section 103 of the Internal Revenue Code.

Section 5.3. Indemnity.

The Corporation shall pay and indemnify and save the Authority and the Trustee and their respective members, directors, officers, employees and agents harmless from and against all loss, liability, damage or expense (including, without limitation, reasonable attorneys fees and expenses) arising out of the Trustee's acceptance and/or administration of the trusts created under the Indenture, the issuance of the Notes and the execution of this Loan Agreement and the other Financing Documents, including, but not limited to, claims for loss or damage to any property or injury to or death of any person, asserted by or on behalf of any person, firm, corporation or governmental authority arising out of or in any way connected with any property of the Corporation, or the conditions, occupancy, use, possession, conduct or management of, or any work done in or about such property. If the Corporation fails to employ counsel or such counsel shall fail to actively defend such actions or protect the Authority or the Trustee, or both, the Authority and the Trustee may employ counsel at the expense of the Corporation to defend such action. The Corporation shall also pay and indemnify the Authority and the Trustee from and against all fees, costs, expenses and charges, including reasonable counsel fees and expenses, incurred after default of the Corporation in enforcing any covenant or agreement of the Corporation contained in this Loan Agreement, the Indenture or the other Financing Documents. Section 5.4. Continuing Disclosure.

The parties have been advised that the Notes are exempt from the disclosure requirements of Rule 15c2-12 (the "*Rule*") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, and neither the Corporation nor the Authority is under any obligation under the Rule to provide or cause to be provided any annual financial information, operating data or notices of certain material events with respect to the Notes. In the event such exemption from the Rule shall for any reason no longer apply, including but not limited to conversion of the Notes to a Fixed

Rate as provided in the Indenture, the Corporation will provide or cause to be provided, in accordance with the requirements of the Rule (a) certain annual financial information and operating data, if customarily prepared and publicly available, and (b) timely notice of the occurrence of certain material events with respect to the Notes, and will take all other actions as are necessary and appropriate to comply with and carry out the continuing disclosure requirements of the Rule.

Section 5.5. Tax Covenants.

The Corporation hereby represents, warrants and agrees that the Tax Compliance Agreement executed and delivered by the Corporation concurrently with the issuance and delivery of the Notes is true, accurate and complete in all material respects as of the date on which executed and delivered. The Corporation shall comply with the Tax Compliance Agreement and covenants and agrees that it will not take any action or permit any action to be taken that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes and will take whatever action, or refrain from whatever action, necessary to comply with the requirements of the Internal Revenue Code to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes.

The Corporation may make any deletions from or substitutions or additions to the Project in connection with a proposed use of any of the Project, if required to comply with the Tax Compliance Agreement, by delivering to the Trustee the Project Modification Certificate attached as **Exhibit G** to the Indenture and a favorable Opinion of Note Counsel addressed to the Authority, the Corporation and the Trustee, to the effect that the action proposed in the Project Modification Certificate is authorized or permitted by the Act and will not adversely affect the exclusion of interest on the Notes from gross income for purposes of federal income taxation under Section 103 of the Internal Revenue Code.

Section 5.6. Permitted Indebtedness.

The Corporation may issue or incur additional Indebtedness (as defined in the Master Indenture) for any proper corporate purpose if the conditions set forth in the Master Indenture are met.

Section 5.7. Covenants under Master Indenture and Other Financing Documents.

The Indenture, the Master Indenture and the other Financing Documents are an integral part of the terms and conditions of the Loan made by the Authority to the Corporation under this Loan Agreement and the execution of this Loan Agreement by the Corporation constitutes conclusive evidence of approval of the Indenture, the Master Indenture and the other Financing Documents by the Corporation to the extent such documents relate to the Corporation. Additionally, the Corporation agrees that, whenever the Indenture, the Master Indenture and any other Financing Documents by their terms impose a duty or obligation upon the Corporation, such duty or obligation shall be binding upon the Corporation to the same extent as if the Corporation were an express party to such documents, and the Corporation shall perform or cause to be performed all covenants and agreements required on the part of the Corporation under the Indenture, the Master Indenture and any other Financing Documents, and shall deliver to the Trustee all reports, opinions and other documents required by the Indenture, the Master Indenture and all other Financing Documents to be submitted to the Trustee at the times required by the Indenture, the Master Indenture and all other Financing Documents.

ARTICLE VI

ASSIGNMENTS

Section 6.1. Assignment of Authority's Rights.

Under the Indenture, the Authority has pledged, assigned, transferred in trust and granted a security interest to the Trustee in all of the Authority's rights, title and interest under this Loan Agreement (except for the Authority's rights to payment of its fees and expenses and the Authority's right to indemnification in certain circumstances and as otherwise expressly set forth in this Loan Agreement) as security for the Notes, and such rights, title and interest may be exercised, protected and enforced for or on behalf of the Owners of the Notes in conformity with this Loan Agreement, the Indenture and the Continuing Covenant Agreement. Each of the Trustee and the Purchaser is hereby given the right to enforce, as assignee of the Authority, the performance of the obligations of the Corporation under this Loan Agreement, and the Corporation hereby consents to the same and agrees that the Trustee and the Purchaser may enforce such rights as provided in this Loan Agreement, the Indenture and the Continuing Covenant Agreement. The Authority and the Corporation recognize that each of the Trustee and the Purchaser is a third party creditor-beneficiary of this Loan Agreement.

Section 6.2. Assignment by the Corporation.

The Corporation shall not assign this Loan Agreement, as a whole or in part, unless such assignment is pursuant to a merger, consolidation or transfer of the Corporation's property substantially as an entirety permitted under the Master Indenture, or unless the following conditions are met:

- (a) No assignment (other than an assignment to another member of the New Credit Group under a New Master Indenture (as defined in the Master Indenture) executed in accordance with **Section 901** of the Master Indenture) shall relieve the Corporation from primary liability for any of its obligations under this Loan Agreement, and in the event of any such assignment, (other than an assignment to another member of the New Credit Group under a New Master Indenture executed in accordance with **Section 901** of the Master Indenture) the Corporation shall continue to remain primarily liable for payment of the amounts specified in this Loan Agreement and the performance and observance of the other agreements to be performed and observed by the Corporation under this Loan Agreement to the same extent as though no assignment had been made.
- (b) The assignee shall assume the obligations of the Corporation under this Loan Agreement to the extent of the interest assigned.
- (c) The Trustee and the Authority shall have received an Opinion of Note Counsel, in form and substance satisfactory to the Trustee and the Authority, to the effect that under then existing law the consummation of such assignment would not adversely affect the exclusion of the interest payable on the Notes from gross income under the Internal Revenue Code.
- (d) The Corporation shall give prior written notice of such assignment to the Authority, the Trustee and the Purchaser, and, within **30** days after the delivery thereof, shall furnish or cause to be furnished to the Authority, the Trustee and the Purchaser a true and complete copy of each assignment and assumption of obligations and an Opinion of Counsel that

such assignment is permitted by and in compliance with the provisions of this Loan Agreement is delivered to the Trustee, the Purchaser and the Authority.

Notwithstanding the foregoing, while the Notes bear interest at Indexed Put Rates, the Corporation shall not assign this Loan Agreement, as a whole or in part, without the prior written consent of the Purchaser in its sole and absolute discretion.

ARTICLE VII

DEFAULT AND REMEDIES

Section 7.1. Events of Default.

The term “*event of default*”, wherever used in this Loan Agreement, means any one of the following events (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (a) default in the payment of any interest on the Loan when such interest becomes due and payable;
- (b) default in the payment of the principal of (or premium, if any, on) the Loan when the same becomes due and payable (whether at maturity, upon proceedings for redemption, by acceleration or otherwise);
- (c) default in the payment of the purchase price of tendered Notes required by **Section 4.3** hereof;
- (d) default in the performance, or breach, of any covenant or agreement of the Corporation in this Loan Agreement (other than a covenant or agreement a default in the performance or breach of which is specifically dealt with elsewhere in this Section), and continuance of such default or breach for a period of **60** days after there has been given to the Corporation by the Trustee or to the Corporation and the Trustee by the Owners of at least **25%** in Outstanding principal amount of the Notes, a written notice specifying such default or breach and requiring it to be remedied; provided, that if such default cannot be fully remedied within such **60**-day period, but can reasonably be expected to be fully remedied, such default shall not constitute an event of default if the Corporation shall promptly upon receipt of such notice commence the curing of such default and shall thereafter prosecute and complete the same with due diligence and dispatch;
- (e) any representation or warranty made by the Corporation in this Loan Agreement or in any written statement or certificate furnished to the Authority or the Trustee or the purchaser of any Note in connection with the sale of any Note or furnished by the Corporation pursuant to this Loan Agreement proves untrue in any material respect as of the date of the issuance or making thereof and shall not be corrected or brought into compliance within **60** days after there has been given to the Corporation by the Trustee or to the Corporation and the Trustee by the Owners of at least **25%** in Outstanding principal amount of the Notes, a written notice specifying such default or breach and

requiring it to be remedied; provided, that if such default cannot be fully remedied within such **60**-day period, but can reasonably be expected to be fully remedied, such default shall not constitute an event of default if the Corporation shall promptly upon receipt of such notice commence the curing of such default and shall thereafter prosecute and complete the same with due diligence and dispatch;

- (f) the entry of a decree or order by a court having jurisdiction in the premises for relief in respect of the Corporation, or adjudging the Corporation a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, adjustment or composition of or in respect of the Corporation under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of or for the Corporation or any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order remains unstayed and in effect for a period of **90** consecutive days;
- (g) the commencement by the Corporation of a voluntary case, or the institution by the Corporation of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization, arrangement or relief under the United States Bankruptcy Code or any other applicable federal or state law, or the consent or acquiescence by it to the filing of any such petition or the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Corporation or any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability or its failure to pay its debts generally as they become due, or the taking of corporate action by the Corporation in furtherance of any such action; or
- (h) the occurrence and continuance of any “event of default” specified in the Indenture or in the Master Indenture that has not been waived or cured.

Promptly after the chief executive officer or chief financial officer of the Corporation may reasonably be deemed to have knowledge of a default hereunder, the Corporation will deliver to the Trustee, the Liquidity Provider and the Purchaser a written notice specifying the nature and period of existence thereof and the action the Corporation is taking and proposes to take with respect thereto.

Section 7.2. Acceleration of Maturity; Rescission and Annulment.

If an event of default under this Loan Agreement occurs and is continuing, the Trustee, as assignee of the Authority, may, and if requested by the Owners of not less than **25%** in Outstanding principal amount of the Notes shall (a) by written notice to the Corporation and the Authority, declare the principal of the Loan and the interest accrued thereon to be due and payable, and upon any such declaration such principal and interest shall become immediately due and payable, or (b) by written notice to the Master Trustee, request that the Master Trustee declare the principal of the Series 2016B-1 Master Note (if not then due and payable) to be due and payable immediately subject to the provisions of **Section 709** of the Master Indenture regarding waiver of events of default, anything in the Master Indenture or in this Loan Agreement contained to the contrary notwithstanding.

At any time after such a declaration of acceleration has been made, but before any judgment or decree for payment of money due on the Loan has been obtained by the Trustee as hereinafter in this Article provided, the Trustee may, by written notice to the Corporation, rescind and annul such declaration and its consequences if:

- (a) the Corporation has deposited with the Trustee a sum sufficient to pay (1) all overdue installments of interest on the Loan, (2) the principal of (and premium, if any, on) the Loan which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Notes, and (3) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;
- (b) all events of default, other than the non-payment of the principal installments of the Loan which have become due solely by such declaration of acceleration, have been cured or have been waived as provided in **Section 7.7** of this Loan Agreement; and
- (c) with respect to Indexed Put Notes, the Trustee has received the prior written consent of the Purchaser in its sole and absolute discretion.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

Section 7.3. Exercise of Remedies by the Trustee.

Upon the occurrence and continuance of any event of default under this Loan Agreement, unless the same is waived as provided in this Loan Agreement, the Trustee, as assignee of the Authority, shall have the following rights and remedies, in addition to any other rights and remedies provided under this Loan Agreement or by law:

- (a) *Right to Bring Suit, Etc.* The Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of, premium, if any, and interest on the Loan, including interest on overdue principal (and premium, if any) and on overdue installments of interest, and any other sums due under this Loan Agreement, to realize on or to foreclose any of its interests or liens under this Loan Agreement, to enforce and compel the performance of the duties and obligations of the Corporation as set forth in this Loan Agreement and to enforce or preserve any other rights or interests of the Trustee under this Loan Agreement existing at law or in equity.
- (b) *Exercise of Remedies at Direction of Noteowners.* If requested in writing to do so by the Owners of not less than **25%** in Outstanding principal amount of the Notes and if indemnified as provided in the Indenture, the Trustee shall be obligated to exercise such one or more of the rights and remedies conferred by this Article as the Trustee shall deem most expedient in the interests of the Noteowners.
- (c) *Restoration of Positions.* If the Trustee has instituted any proceeding to enforce any right or remedy under this Loan Agreement by suit, foreclosure, the appointment of a receiver, or otherwise, and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, then and in every case the

Authority, the Corporation, the Trustee and the Noteowners shall, subject to any determination in such proceeding, be restored to their former positions and rights hereunder, and thereafter all rights and remedies of the Trustee shall continue as though no such proceeding had been instituted.

Section 7.4. Application of Moneys Collected.

Any moneys collected by the Trustee pursuant to this Article (after the deductions for payment of costs and expenses of proceedings resulting in the collection of such moneys) together with any other sums then held by the Trustee as part of the Trust Estate, shall be applied as provided in the Indenture and, in case of the distribution of such money on account of principal (or premium, if any) or interest on the Notes, shall be credited against amounts due on the Loan.

Section 7.5. Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or the Liquidity Provider is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 7.6. Delay or Omission Not Waiver.

No delay or omission of the Trustee to exercise any right or remedy accruing upon an event of default shall impair any such right or remedy or constitute a waiver of any such event of default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or the Noteowners may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Section 7.7. Waiver of Past Defaults.

Subject to the provisions of **Section 7.2** hereof and the provisions of the Indenture, before any judgment or decree for payment of money due has been obtained by the Trustee as provided in this Article, the Owners of a majority in Outstanding principal amount of the Notes may, by written notice delivered to the Trustee and the Corporation, on behalf of the Owners of all the Notes waive any past default hereunder and its consequences, except a default (a) in the payment of the principal of (or premium, if any) or interest on any Note, or (b) in respect of a covenant or provision hereof which under **Article VIII** cannot be modified or amended without the consent of the Owner of each Outstanding Note affected.

Upon any such waiver, such default shall cease to exist, and any event of default arising therefrom shall be deemed to have been cured, for every purpose of this Loan Agreement; but no such waiver shall extend to or affect any subsequent or other default or impair any right or remedy consequent thereon.

Notwithstanding anything to the contrary herein, with respect to Indexed Put Notes, the Authority and/or the Trustee may waive an event of default hereunder only with the prior written consent of the Purchaser in its sole and absolute discretion.

Section 7.8. Advances by Trustee.

If the Corporation fails to make any payment or perform any of its covenants in this Loan Agreement, the Trustee may, at any time and from time to time, use and apply any moneys held by it under the Indenture, or make advances, to effect payment or performance of any such covenant on behalf of the Corporation. All moneys so used or advanced by the Trustee, together with interest at the Trustee's announced prime rate per annum, shall be repaid by the Corporation upon demand and such advances shall be secured under the Indenture prior to the Notes. For the repayment of all such advances the Trustee shall have the right to use and apply any moneys at any time held by it under the Indenture but no such use of moneys or advance shall relieve the Corporation from any default hereunder.

ARTICLE VIII

SUPPLEMENTAL LOAN AGREEMENTS

Section 8.1. Supplemental Loan Agreements without Consent of Noteowners.

Without the consent of the Owners of any Notes, the Authority and the Corporation may from time to time enter into one or more Supplemental Loan Agreements, for any of the following purposes:

- (a) to more precisely identify any project financed or refinanced out of the proceeds of the Notes, or to substitute or add additional property thereto;
- (b) to add to the conditions, limitations and restrictions on the authorized amount, terms or purposes of the Loan, as herein set forth, additional conditions, limitations and restrictions thereafter to be observed;
- (c) to evidence the succession of another corporation to the Corporation and the assumption by any such successor of the covenants of the Corporation herein contained;
- (d) to add to the covenants of the Corporation or to the rights, powers and remedies of the Trustee for the benefit of the Owners of all Notes or to surrender any right or power herein conferred upon the Corporation;
- (e) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or to make any other changes, with respect to matters or questions arising under this Loan Agreement, provided such action shall not materially adversely affect the interests of the Owners of the Notes; or
- (f) to modify, amend, change or remove any covenant, agreement, term or provision of this Loan Agreement, including amending and restating this Loan Agreement in its entirety (but excluding any modification of the type prohibited in **Section 8.2** of this Loan Agreement without the consent of the Owner of each Outstanding Note affected thereby) in order to effect a New Master Debt Transaction permitted by and meeting each of the requirements of **Section 901(j)** of the Master Indenture.

Section 8.2. Supplemental Loan Agreements with Consent of Noteowners.

With the written consent of the Owners of not less than a majority in Outstanding principal amount of the Notes affected by such Supplemental Loan Agreement, the Authority and the Corporation may enter into Supplemental Loan Agreements for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Loan Agreement or of modifying in any manner the rights of the Trustee and the Owners of the Notes under this Loan Agreement; provided, however, that no such Supplemental Loan Agreement shall, without the written consent of the Owner of each Outstanding Note affected thereby, carry out any of the following:

- (a) change the stated maturity of the principal of, or any installment of interest on, the Loan, or reduce the principal amount thereof or the interest thereon or any premium payable upon the redemption thereof, or change any place of payment where, or the coin or currency in which, the Loan, or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the stated maturity thereof (or, in the case of redemption, on or after the redemption date);
- (b) reduce the percentage in principal amount of the Outstanding Notes, the consent of whose Owners is required for any such Supplemental Loan Agreement, or the consent of whose Owners is required for any waiver provided for in this Loan Agreement of compliance with certain provisions of this Loan Agreement or certain defaults hereunder and their consequences; or
- (c) modify any of the provisions of this Section or **Section 7.7** hereof, except to increase any percentage provided thereby or to provide that certain other provisions of this Loan Agreement cannot be modified or waived without the consent of the Owner of each Note affected thereby.

It shall not be necessary for the required percentage of Owners of Notes under this Section to approve the particular form of any proposed Supplemental Loan Agreement, but it shall be sufficient if such act shall approve the substance thereof.

Section 8.3. Execution of Supplemental Loan Agreements.

In executing or consenting to any Supplemental Loan Agreement permitted by this Article, the Authority and the Trustee shall receive, and shall be fully protected in relying upon, an Opinion of Note Counsel addressed to the Trustee and the Authority stating that the execution of such Supplemental Loan Agreement is authorized or permitted by this Loan Agreement, and that the execution and delivery thereof will not adversely affect the exclusion from federal gross income of interest on the Notes. The Trustee may, but shall not be obligated to, consent to any such Supplemental Loan Agreement which affects the Trustee's own rights, duties or immunities under this Loan Agreement or otherwise.

Section 8.4. Effect of Supplemental Loan Agreements.

Upon the execution of any Supplemental Loan Agreement under this Article, this Loan Agreement shall be modified in accordance therewith and such Supplemental Loan Agreement shall form a part of this Loan Agreement for all purposes; and the Corporation, the Authority, the Trustee and every Owner of Notes theretofore or thereafter authenticated and delivered under the Indenture shall be bound thereby.

Section 8.5. Reference in Notes to Supplemental Loan Agreements.

Notes authenticated and delivered after the execution of any Supplemental Loan Agreement pursuant to this Article may, and if required by the Authority shall, bear a notation in form approved by the Trustee as to any matter provided for in such Supplemental Loan Agreement. If the Authority shall so determine, new Notes so modified as to conform, in the opinion of the Authority, to any such Supplemental Loan Agreement may be prepared and executed by the Authority and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE IX

TERM AND TERMINATION OF LOAN AGREEMENT

Section 9.1. Term of Loan Agreement.

This Loan Agreement shall be effective concurrently with the initial issuance and delivery of the Notes and shall continue in force and effect until the principal of, redemption premium, if any, and interest on all of the Notes have been fully paid (or provision for their payment shall have been made in accordance with the Indenture) together with all sums to which the Authority, the Liquidity Provider, the Purchaser and the Trustee are entitled from the Corporation under this Loan Agreement; provided, however, the provisions of **Sections 4.4(e)** and **5.3** related to payment of fees and indemnification of the Authority, the Trustee and the Purchaser, as applicable, reimbursement payments and other amounts payable to the Liquidity Provider under the Liquidity Agreement and payable to the Purchaser under the Continuing Covenant Agreement, and arbitrage rebate payments shall remain in full force and effect.

Section 9.2. Termination and Discharge of Loan Agreement.

If the Corporation shall pay and discharge or provide for the payment or redemption and discharge of the whole amount of the principal of, redemption premium, if any, and interest on the Notes at the time Outstanding as provided in the Indenture, or shall make arrangements satisfactory to the Authority and the Trustee for such payment or redemption and discharge, and shall pay or cause to be paid all other sums payable under this Loan Agreement, then all right, title and interest of the Authority and the Trustee under this Loan Agreement shall thereupon cease, terminate and become void (except as provided in **Section 9.1** of this Loan Agreement), the Loan and the Notes shall cease to be entitled to any benefit under this Loan Agreement, and all covenants, agreements and obligations of the Corporation to the Trustee and the Owners of the Notes shall thereupon cease, terminate and become void; provided that the Owners of the Notes shall be entitled to payment thereof at the times and in the manner stipulated therein and in the Indenture from the sources provided for such payment.

Section 9.3. Amounts Remaining in Funds.

It is agreed by the parties hereto that any amounts remaining in any account of the Project Fund, the Debt Service Fund, the Note Purchase Fund and the Rebate Fund (other than the Liquidity Provider Purchase Account in the Note Purchase Fund) created under the Indenture upon expiration or earlier termination of this Loan Agreement, after payment in full of the Notes (or provision for payment thereof having been made in accordance with the provisions of the Indenture), the fees and expenses of the Trustee in accordance with the Indenture and the fees and expenses of the Authority in accordance with

this Loan Agreement, and after payment of the amounts, if any, required to be paid to the United States from the Rebate Fund in accordance with the Indenture, shall belong to and be paid to the Corporation by the Trustee; *provided, however*, moneys drawn on the Liquidity Facility and deposited in the Liquidity Provider Purchase Account shall be paid to the Liquidity Provider or as otherwise provided in the Indenture, and not to the Corporation.

ARTICLE X

LIQUIDITY FACILITY

Section 10.1. The Liquidity Facility.

The Corporation shall use its best efforts to cause the Liquidity Facility or a Substitute Liquidity Facility to be continuously maintained in full force and effect (except when not required pursuant to **Article V** of the Indenture or when the Notes are bearing interest at Indexed Put Rates) in an amount equal to the Outstanding principal amount of the Notes plus required interest coverage thereon, until all of the Notes have been paid in full or their payment provided for in accordance with the Indenture.

Unless the Corporation has elected to convert all of the Notes to the Fixed Rate and such Notes will not be secured by a Liquidity Facility after the Conversion Date, the Corporation will exercise its best efforts to extend the term of the Liquidity Facility currently in effect or to cause a Substitute Liquidity Facility to be delivered by the Liquidity Provider to the Trustee not less than **30** days prior to the termination date of the Liquidity Facility then in effect pursuant to the provisions of the Indenture.

Section 10.2. Substitute Liquidity Facility.

Subject to the conditions set forth in the Indenture, the Corporation may provide for the delivery to the Trustee of a Substitute Liquidity Facility in accordance with the provisions of the Indenture. The Corporation shall furnish written notice to the Trustee, as described in the Indenture, notifying the Trustee of the Corporation's intention to exercise its option to provide for the delivery of a Substitute Liquidity Facility to the Trustee and instructing the Trustee to furnish notice to the Noteowners and the then existing Liquidity Provider regarding the proposed delivery of the Substitute Liquidity Facility, as set forth in the Indenture.

If at any time there shall have been delivered to the Trustee a Substitute Liquidity Facility, together with the other documents and opinions required by the Indenture, then the Trustee shall accept such Substitute Liquidity Facility and promptly surrender the previously held Liquidity Facility to the issuer thereof for cancellation, in accordance with the terms of such Liquidity Facility. If at any time there shall cease to be any Notes outstanding under the Indenture, the Trustee shall promptly surrender the Liquidity Facility to the issuer thereof, in accordance with the terms of such Liquidity Facility, for cancellation. The Trustee shall comply with the procedures set forth in the Liquidity Facility relating to the termination thereof.

Section 10.3. Rights of Liquidity Provider.

The provisions in this Loan Agreement relating to the Liquidity Provider shall apply for so long as any amounts remain owing to the Liquidity Provider under the Liquidity Agreement and the Liquidity Provider has not failed to honor a properly presented purchase notice delivered in conformity with the

terms of the Liquidity Facility, unless any such provision is waived by the Liquidity Provider or modified by agreement between the Liquidity Provider and the Corporation. Anything contained in this Loan Agreement, the Indenture or the Notes to the contrary notwithstanding, the existence of all rights given to the Liquidity Provider under this Loan Agreement and the Indenture with respect to the giving of consents or approvals or the direction of proceedings are expressly conditioned upon its honoring of properly presented purchase notices delivered in conformity with the terms of the Liquidity Facility. Any such rights shall not apply at any time that the Liquidity Provider wrongfully fails to make any payment pursuant to a properly presented purchase notice delivered under the Liquidity Facility which failure has not been cured; provided, that this Loan Agreement shall not in any way limit or affect the rights of the Liquidity Provider as a Noteowner, or as subrogee of a Noteowner or as assignee of a Noteowner or to otherwise be reimbursed and indemnified for its costs and expenses and other payment on or in connection with the Notes or the Liquidity Facility either by operation of law or at equity or by contract. The rights, if any, given to the Liquidity Provider hereunder shall be further subject to the provisions of **Article V** of the Indenture.

Section 10.4. Payments by Liquidity Provider.

The Liquidity Provider shall, to the extent of any payments made by it pursuant to the Liquidity Facility, be subrogated to all rights of the Authority or its assigns (including, without limitation, the Trustee) as to all obligations of the Corporation with respect to which such payments shall be made by the Liquidity Provider, but, so long as any of the Notes remain Outstanding under the terms of the Indenture, such right of subrogation on the part of the Liquidity Provider shall be in all respects subordinate to all rights and claims of the Authority for all payments which are then due and payable under the Indenture or otherwise arising under this Loan Agreement, the Indenture or the Notes. The Trustee will, upon request, execute and deliver any instrument reasonably requested by the Liquidity Provider to evidence such subrogation and the Trustee shall assign to the Liquidity Provider its rights in any obligations of the Corporation with respect to which payment of the entire principal balance and accrued interest thereon shall be made by the Liquidity Provider.
