The Authority issued the Indiana Finance Authority Tax-Exempt Private Activity Bonds (I-69 Section 5 Project), Series 2014 (the “I-69 Section 5 Project Bonds”), in the aggregate principal amount of \$243,845,000, pursuant to Indiana Code 4-4-10.9, as amended, and Indiana Code 4-4-11, as amended, a resolution adopted by the Authority on May 15, 2014, an Indenture of Trust, dated as of July 1, 2014, between the Authority and U.S. Bank National Association, as trustee, and a Senior Loan Agreement, dated as of July 1, 2014 (the “I-69 Section 5 Project Loan Agreement”), between the Authority and the I-69 Development Partners LLC, a Delaware limited liability company (“I-69 DP”). Pursuant to the I-69 Section 5 Project Loan Agreement, the Authority loaned the proceeds of the I-69 Section 5 Project Bonds to I-69 DP to pay a portion of the costs of the I-69 Section 5 Project. The Authority and I-69 DP entered into the Public-Private Agreement (I-69 Section 5 Project), dated as of April 8, 2014, as amended by the First Amendment to Public-Private Agreement (I-69 Section 5 Project), dated as of July 23, 2014, for the purpose of constructing the I-69 Section 5 Project. A rating reflects only the view of the agency assigning such rating and is not a recommendation to buy, sell or hold the Bonds. Generally, rating agencies base their ratings on the information and materials furnished to them and, in addition, on investigation, studies, and assumptions made by the rating agencies themselves. Such rating may be changed at any time, and no assurance can be given that it will not be subject to further revision or withdrawn entirely by Fitch if, in the judgment of Fitch, circumstances so warrant. Any downward revision or

withdrawal of such rating may have an adverse effect on the market prices of the Bonds. For any additional description of the ratings and their meanings, Fitch should be contacted.
