

NEW ISSUE - BOOK ENTRY ONLY

**RATINGS: Moody's: Aa2
S&P: AA
(See "RATINGS" herein.)**

In the opinion of Bond Counsel, under existing law, interest on the Series 2017A Warrants (i) will be excludable from gross income for federal income tax purposes if the City complies with all requirements of the Internal Revenue Code that must be satisfied subsequent to the issuance of the Series 2017A Warrants in order that interest thereon be and remain excludable from gross income, and (ii) will not be an item of tax preference for purposes of the federal alternative minimum tax on individuals and corporations. Bond Counsel is also of the opinion that, under existing law, interest on the Series 2017A Warrants will be exempt from State of Alabama income taxation. See "TAX MATTERS" herein for further information and certain other tax consequences arising with respect to the Series 2017A Warrants.

**\$20,305,000
CITY OF OXFORD
General Obligation Warrants, Series 2017A**

Dated: Date of initial delivery

**Due: September 1, as shown on the
inside cover page**

The Series 2017A Warrants are issuable as fully registered warrants and, when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York, as described more particularly herein. Interest will be payable on the Series 2017A Warrants each March 1 and September 1, beginning September 1, 2017.

The Series 2017A Warrants will constitute general obligations of the City for the payment of which its full faith and credit are irrevocably pledged. The Series 2017A Warrants will be additionally secured by an irrevocable pledge of the revenues from the gross receipts tax levied by the City on businesses selling tangible personal property at retail within the corporate limits of the City and measured by gross receipts. The pledge thereof in favor of the Series 2017A Warrants will be on a parity of lien with the pledge thereof for the benefit of certain obligations heretofore issued by the City. The City will reserve the right to issue additional parity obligations subject to the terms and conditions of the Warrant Ordinance relating to the Series 2017A Warrants.

The Series 2017A Warrants will be subject to redemption prior to their respective maturities as described herein.

For a description of certain risk factors and other considerations involved in an investment in the Series 2017A Warrants, see "RISK FACTORS" and "DISCLAIMERS AND OTHER MISCELLANEOUS MATTERS".

FOR MATURITIES, AMOUNTS, RATES, PRICES, AND CUSIP NUMBERS, SEE INSIDE COVER.

The Series 2017A Warrants are offered when, as and if issued, subject to approval of validity by Bond Counsel, Maynard, Cooper & Gale, P.C., Birmingham, Alabama. Certain legal matters will be passed on by Disclosure Counsel, Maynard, Cooper & Gale, P.C., Birmingham, Alabama. Certain legal matters will be passed on for the City by its counsel, Merrill Mathews & Allen LLC, Anniston, Alabama. It is expected that the Series 2017A Warrants in definitive form will be available for delivery through the facilities of The Depository Trust Company in New York, New York on or about June 15, 2017.

This cover page contains certain information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision.

OFFICIAL STATEMENT

**Regarding
\$20,305,000
GENERAL OBLIGATION WARRANTS, SERIES 2017A
of the
CITY OF OXFORD**

INTRODUCTION

General

This Official Statement is furnished in connection with the issuance of the Series 2017A Warrants referred to above (the "Series 2017A Warrants") by the City of Oxford (the "City").

The City is a municipal corporation organized under the laws of the State of Alabama. The Series 2017A Warrants will be issued pursuant to an ordinance (the "Warrant Ordinance") adopted by the governing body of the City.

The Series 2017A Warrants will constitute general obligations of the City for the payment of which its full faith and credit are irrevocably pledged. The Series 2017A Warrants will be additionally secured by an irrevocable pledge of the revenues from the gross receipts tax levied by the City on businesses selling tangible personal property at retail within the corporate limits of the City and measured by gross receipts. The pledge thereof in favor of the Series 2017A Warrants will be on a parity of lien with the pledge thereof for the benefit of certain obligations heretofore issued by the City. The City will reserve the right to issue additional parity obligations subject to the terms and conditions of the Warrant Ordinance relating to the Series 2017A Warrants. See "SECURITY AND SOURCE OF PAYMENT".

For information regarding the tax treatment of the Series 2017A Warrants, see "TAX MATTERS".

The Series 2017A Warrants are being issued for the purpose of (i) refunding certain outstanding debt of the City and (ii) paying the costs of issuing the Series 2017A Warrants. See "THE PLAN OF FINANCING".

The Series 2017A Warrants are subject to optional and mandatory redemption at the times and under the circumstances set forth herein. See "DESCRIPTION OF THE SERIES 2017A WARRANTS - Redemption Prior to Maturity". The Series 2017A Warrants are being offered in the denomination of \$5,000 or any multiple thereof and may be transferred and exchanged subject to certain terms and conditions set forth herein. See "DESCRIPTION OF THE SERIES 2017A WARRANTS".

For a description of certain risk factors and other considerations involved in an investment in the Series 2017A Warrants, see "RISK FACTORS" and "DISCLAIMERS AND OTHER MISCELLANEOUS MATTERS".

The City has covenanted to undertake certain continuing disclosure pursuant to Rule 15c2-12 of the Securities and Exchange Commission. See "CONTINUING DISCLOSURE".

This Official Statement speaks only as of its date, and the information contained herein is subject to change. This introduction contains certain information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision.

Changes to the Preliminary Official Statement

The City previously distributed a Preliminary Official Statement dated May 19, 2017. The Preliminary Official Statement omitted selling compensation, delivery dates, and certain other information dependent on pricing of the Series 2017A Warrants. Further, for purposes of the Preliminary Official Statement, offering prices, interest

rates, aggregate principal amount, principal amount per maturity, and certain other information dependent on pricing of the Series 2017A Warrants was estimated. Actual information dependent on pricing is reflected in this final Official Statement. Other than information dependent on pricing, no information in this final Official Statement differs from the information contained in the Preliminary Official Statement.

GLOSSARY OF TERMS USED IN OFFICIAL STATEMENT

Certain capitalized terms used frequently in this Official Statement are defined in this section of the Official Statement.

“Additional Parity Obligations” means those obligations of the City described more particularly under **“SECURITY AND SOURCE OF PAYMENT”**.

“City” means the City of Oxford, a municipal corporation under the laws of the State of Alabama.

“Existing Parity Obligations” means those obligations of the City described more particularly under **“SECURITY AND SOURCE OF PAYMENT”**.

“Federal Securities” means direct obligations of, or obligations the payment of which is guaranteed by, the United States of America.

“Financing Documents” means the Warrant Ordinance and the warrant purchase agreement relating to the Series 2017A Warrants.

“Gross Receipts Tax” means that tax described more particularly under **“SECURITY AND SOURCE OF PAYMENT”**.

“Gross Receipts Tax Revenues” means those revenues described more particularly under **“SECURITY AND SOURCE OF PAYMENT”**.

“Internal Revenue Code” means the Internal Revenue Code of 1986, as amended.

“Paying Agent” means Regions Bank, Birmingham, Alabama, which is the paying agent and registrar for the Series 2017A Warrants.

“Parity Obligations” means those obligations of the City described more particularly under **“SECURITY AND SOURCE OF PAYMENT”**.

“Series 2017A Warrants” or **“Warrants”** means the City’s \$20,305,000 General Obligation Warrants, Series 2017A, which are being offered by this Official Statement.

“Warrant Ordinance” means the ordinance adopted by the governing body of the City authorizing the issuance of the Series 2017A Warrants.

DESCRIPTION OF THE SERIES 2017A WARRANTS

General Provisions

The Series 2017A Warrants will be fully registered warrants in the denomination of \$5,000 or any multiple thereof, will be dated the date of their initial delivery, and will be numbered separately from 1 upward.

The Series 2017A Warrants will mature annually on September 1 in the amounts and years set forth on the inside cover page hereof. The Series 2017A Warrants will bear interest at the applicable per annum rates set forth on the inside cover page hereof. All Series 2017A Warrants with the same maturity will bear interest at the same

rate. Interest shall be computed on the basis of a 360-day year with 12 months of 30 days each. Interest on the Series 2017A Warrants will be payable on each March 1 and September 1, beginning September 1, 2017.

Method and Place of Payment

The Series 2017A Warrants will be issued in book-entry only form, as described below under "Book-Entry Only System", and the method and place of payment will be as provided in the book-entry only system. The provisions set forth in this section below will apply in the event that the use of the Book-Entry Only System for the Series 2017A Warrants is discontinued.

Payment of interest due on each interest payment date will be made by check or draft mailed on such interest payment date to the persons who were registered holders of the Series 2017A Warrants on the regular record date for such interest payment date, which will be the 15th day of the month preceding such interest payment date. Payment of the principal of (and premium, if any, on) the Series 2017A Warrants and payment of accrued interest due upon redemption on any date other than an interest payment date will be made only upon surrender of the Series 2017A Warrants at the principal office of the Paying Agent (Regions Bank) in Birmingham, Alabama.

The holder of Series 2017A Warrants in an aggregate principal amount of \$100,000 or more may, upon the terms and conditions of the Warrant Ordinance, request payment of debt service by wire transfer to an account of such holder maintained at a bank in the continental United States or by any other method providing for payment in same-day funds that is acceptable to the Paying Agent.

Redemption Prior to Maturity

Optional Redemption. Series 2017A Warrants maturing on September 1, 2032, or thereafter, or any smaller principal amount of such Series 2017A Warrants that is a multiple of the smallest authorized denomination, may be redeemed at the option of the City on March 1, 2027, or any date thereafter at a redemption price equal to 100% of the principal to be redeemed plus accrued interest thereon to the redemption date.

Mandatory Redemption of Term Warrants. The Series 2017A Warrants maturing on September 1, 2042 (the "Term Warrants"), are subject to mandatory redemption, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed plus accrued interest thereon to the redemption date, on September 1 in years and principal amounts (after credits as provided below) as follows:

Year	Amount
2041	\$855,000

\$6,825,000 of the Term Warrants will be
retired at maturity

Not less than 45 or more than 60 days prior to each mandatory redemption date with respect to Term Warrants, the Paying Agent shall proceed to select for redemption, by lot, Term Warrants or portions thereof in an aggregate principal amount equal to the amount required to be redeemed and shall call such Term Warrants or portions thereof for redemption on such mandatory redemption date. The City may, not less than 60 days prior to any such mandatory redemption date, direct that any or all of the following amounts be credited against the Term Warrants scheduled for redemption on such date: (i) the principal amount of Term Warrants delivered by the City to the Paying Agent for cancellation and not previously claimed as a credit; (ii) the principal amount of Term Warrants previously redeemed (other than Term Warrants redeemed pursuant to this paragraph) and not previously claimed as a credit; and (iii) the principal amount of Term Warrants otherwise deemed paid in full and not previously claimed as a credit.

Other Matters Related to Redemption Prior to Maturity. Except in the case of mandatory redemption of Term Warrants, if less than all Series 2017A Warrants outstanding are to be redeemed, the particular Series 2017A Warrants to be redeemed may be specified by the City by written notice to the Paying Agent, or, in the absence of timely receipt by the Paying Agent of such notice, shall be selected by the Paying Agent by lot or by such other

method as the Paying Agent shall deem fair and appropriate; provided, however, that (i) the principal amount of Series 2017A Warrants of each maturity to be redeemed must be a multiple of the smallest authorized denomination of Series 2017A Warrants, and (ii) if less than all Series 2017A Warrants with the same stated maturity are to be redeemed, the Series 2017A Warrants of such maturity to be redeemed shall be selected by lot by the Paying Agent.

Any redemption will be made upon at least 30 days' notice by first-class mail to the holders of Series 2017A Warrants to be redeemed. A notice of optional redemption may state that the redemption of Series 2017A Warrants is contingent upon specified conditions such as receipt of a specified source of funds or the occurrence of specified events. If the conditions for such redemption are not met, the City shall not be required to redeem Series 2017A Warrants (or portions thereof) identified in such notice.

If a trust is established for payment of less than all Series 2017A Warrants of a particular maturity, the Series 2017A Warrants of such maturity to be paid from the trust shall be selected by the Paying Agent within 7 days after such trust is established and shall be identified by a separate CUSIP number or other designation satisfactory to the Paying Agent. The Paying Agent shall notify holders whose Series 2017A Warrants (or portions thereof) have been selected for payment from such trust and shall direct such holders to surrender their Series 2017A Warrants to the Paying Agent in exchange for Series 2017A Warrants with the appropriate designation.

Upon any partial redemption of a Series 2017A Warrant, such Series 2017A Warrant shall be surrendered to the Paying Agent in exchange for one or more new Series 2017A Warrants in authorized form for the unredeemed portion of principal.

Any Series 2017A Warrant (or portion thereof) which is to be redeemed must be surrendered to the Paying Agent for payment of the redemption price. Series 2017A Warrants (or portions thereof) duly called for redemption will cease to bear interest after the redemption date, unless the City defaults in payment of the redemption price.

Registration and Exchange

The Series 2017A Warrants will be issued in book-entry only form, as described below under "Book-Entry Only System", and the method for registration and exchange of the Series 2017A Warrants will be as provided in the book-entry only system. The provisions set forth in this section below will apply in the event that the use of the Book-Entry Only System for the Series 2017A Warrants is discontinued.

The Series 2017A Warrants are transferable only on the warrant register maintained at the principal office of the Paying Agent. Upon surrender of a Series 2017A Warrant to be transferred, properly endorsed, a new Series 2017A Warrant will be issued to the designated transferee.

The Series 2017A Warrants will be issued in denominations of \$5,000 or any multiple thereof and, subject to the provisions of the Warrant Ordinance, may be exchanged for a like aggregate principal amount of Series 2017A Warrants, of any authorized denominations and of the same maturity, as requested by the holder surrendering the same.

No service charge shall be made for any transfer or exchange, but the City may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Book-Entry Only System

The Series 2017A Warrants are issuable as fully registered warrants and, when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), New York, New York, to which debt service payments on the Series 2017A Warrants will be made so long as Cede & Co. is the registered owner of the Series 2017A Warrants. Individual purchases of the Series 2017A Warrants will be made in book-entry only form, and individual purchasers ("Beneficial Owners") of the Series 2017A Warrants will not receive physical delivery of bond certificates.

So long as DTC or its nominee is the registered owner of the Series 2017A Warrants, disbursement of debt service payments to DTC is the responsibility of the Paying Agent, disbursement of debt service payments to DTC

Participants is the responsibility of DTC, and disbursement of debt service payments to the Beneficial Owner is the responsibility of DTC Participants or Indirect Participants as more fully described herein.

For more details on DTC and the book-entry only system, see Appendix C to this Official Statement.

Authority for Issuance

The Series 2017A Warrants are being issued by the City under the authority of the constitution and laws of the State of Alabama, including particularly Section 11-47-2 and Section 11-81-4 of the Code of Alabama (1975).

Rights of Underwriters to Consent to Warrant Ordinance Amendments

The Warrant Ordinance provides that underwriters of Parity Obligations issued after the issuance of the Series 2017A Warrants may, on behalf of the Series 2017A Warrants and any Parity Obligations issued after the issuance of the Series 2017A Warrants (and without notice to or consent of holders of the Series 2017A Warrants and any Parity Obligations issued after the issuance of the Series 2017A Warrants), consent to any amendment of the Warrant Ordinance other than an amendment to the Warrant Ordinance that requires the consent of all holders of Warrants issued under the Warrant Ordinance.

SECURITY AND SOURCE OF PAYMENT

General

The Series 2017A Warrants will be general obligations of the City, for the payment of which the full faith and credit of the City will be irrevocably pledged. The Series 2017A Warrants will be additionally secured by an irrevocable pledge of the revenues from the gross receipts tax (the "Gross Receipts Tax Revenues") levied by the City on businesses selling tangible personal property at retail within the corporate limits of the City and measured by gross receipts (the "Gross Receipts Tax"). Information describing the Gross Receipts Tax is set forth in Appendix A of this Official Statement under the caption "FINANCIAL SYSTEM OF THE CITY".

The pledge of the Gross Receipts Tax Revenues will be on a parity of lien and pledge with a previous pledge thereof made for the benefit of (1) the City's General Obligation Warrants, Series 2012B, originally issued in the aggregate principal amount of \$9,245,000 and now outstanding in the aggregate principal amount of \$5,235,000, (2) the City's General Obligation Warrants, Series 2012C, originally issued in the aggregate principal amount of \$9,875,000 and now outstanding in the aggregate principal amount of \$9,875,000, (3) the City's General Obligation Warrants, Series 2013A, originally issued in the aggregate principal amount of \$10,295,000 and now outstanding in the aggregate principal amount of \$10,125,000, (4) the City's General Obligation Warrants, Series 2013B, originally issued in the aggregate principal amount of \$10,545,000 and now outstanding in the aggregate principal amount of \$1,275,000 (after giving effect to the issuance of the Series 2017B Warrants), (5) the City's General Obligation Warrants, Series 2014A, originally issued in the aggregate principal amount of \$17,570,000 and now outstanding in the aggregate principal amount of \$17,570,000, (6) the City's General Obligation Warrants, Series 2014B, originally issued in the aggregate principal amount of \$3,130,000 and now outstanding in the aggregate principal amount of \$3,130,000, (7) the City's General Obligation Warrants, Series 2015A, originally issued in the aggregate principal amount of \$22,925,000 and now outstanding in the aggregate principal amount of \$22,495,000, and (8) The Public Building Authority of the City of Oxford, Alabama's Revenue Bonds (City of Oxford Project), Series 2015A, originally issued in the aggregate principal amount of \$12,905,000 and now outstanding in the aggregate principal amount of \$12,520,000 (collectively, the "Existing Parity Obligations").

The City previously issued its Tax-Exempt General Obligation Warrants, Series 2016A (the "Series 2016A Warrants") on April 28, 2016, which originally were issued in the aggregate principal amount of \$12,745,000 and now outstanding in the aggregate principal amount of \$12,745,000; also, contemporaneously with the issuance of the Series 2017A Warrants, the City will issue its Taxable General Obligation Warrants, Series 2017B (the "Series 2017B Warrants") in the aggregate principal amount of \$6,185,000. The Series 2016A Warrants and the Series 2017B Warrants will be general obligations of the City, for the payment of which the full faith and credit of the City will be irrevocably pledged. The Series 2016A Warrants and the Series 2017B Warrants will be additionally

secured by an irrevocable pledge of the Gross Receipts Tax Revenues. The pledge of the Gross Receipts Tax Revenues in favor of the Series 2016A Warrants and the Series 2017B Warrants will be subordinate to the pledge of the Gross Receipts Tax Revenues in favor of the Parity Obligations (as defined below).

In addition to the Gross Receipts Tax Revenues, the City has other revenues available for payment of debt service on the Series 2017A Warrants including business license taxes and certain ad valorem taxes, revenues from the operation of certain City-owned enterprises and other general revenues of the City. **None of such legally available revenues are, however, specially pledged for payment of debt service on the Series 2017A Warrants.** Information describing certain taxes and other revenues of the City is set forth in Appendix A of this Official Statement under the caption "FINANCIAL SYSTEM OF THE CITY".

Collection of Gross Receipts Tax Revenues

The amount of Gross Receipts Tax Revenues collected by the City during each of the last 5 fiscal years is shown below.

Fiscal Year Ended September 30	Amount of Gross Receipts Tax Revenues Collected by the City
2016	\$29,421,006
2015	28,487,347
2014	26,350,528
2013	25,410,379
2012	24,954,372

The top ten payers of gross receipts taxes accounted for approximately 38.75% of all Gross Receipts Tax Revenues for the fiscal year ended September 30, 2016.

Disposition of Gross Receipts Tax Revenues

Pursuant to the Warrant Ordinance relating to the Series 2017A Warrants, the City will establish a special debt service fund (the "Debt Service Fund") which will be held by the Paying Agent. Money deposited in the Debt Service Fund is to be used exclusively for the payment of debt service on the Series 2017A Warrants and on all other securities that are secured by a first pledge of the Gross Receipts Tax Revenues. The Warrant Ordinance relating to the Series 2017A Warrants requires that there shall be deposited in the Debt Service Fund so much of the Gross Receipts Tax Revenues as may be necessary to provide for the payment of the principal of and the interest on the Series 2017A Warrants and the Existing Parity Obligations. Any balance of such revenues remaining after the making of such deposits may, so long as no deficiency or delinquency exists with respect to such deposits, be used by the City for any lawful purpose.

Provisions for Payment

The Series 2017A Warrants shall, prior to the maturity or redemption date thereof, be deemed to have been paid if there shall have been deposited with a banking institution cash and/or federal securities which (assuming due and punctual payment of the principal of and interest on such federal securities) will provide money sufficient to pay when due the debt service due and to become due on such Series 2017A Warrants on and prior to the redemption date or maturity date thereof, as the case may be.

Issuance of Parity Obligations

In Ordinance No. 251 of the City, which was adopted by its governing body on January 4, 1971, the City reserved the right to issue warrants or other obligations ("Additional Parity Obligations," together with the Series 2017A Warrants and the Existing Parity Obligations, the "Parity Obligations") for any lawful purpose, without limit as to aggregate principal amount, payable from and secured by a pledge of the Gross Receipts Tax Revenues equally and ratably with the Series 2017A Warrants and the Existing Parity Obligations, but only if the Gross Receipts Tax

Revenues received by the City during the twelve-month period next preceding the calendar month during which any such additional securities are issued shall be not less than one and one-half times the maximum principal and interest maturing during the then current or any subsequent calendar year with respect to all then outstanding securities that are secured by a pledge of the Gross Receipts Tax Revenues, as well as the additional securities proposed to be issued. The Series 2017A Warrants will constitute Additional Parity Obligations under Ordinance No. 251.

Remedies

The Treasurer of the City is, under existing law, subject to mandamus in the event that he or she has money available for payment of debt service on the Series 2017A Warrants and does not apply such money as and to the extent provided in the Warrant Ordinance relating to the Series 2017A Warrants. Rights of the holders of the Series 2017A Warrants and the enforceability thereof may also be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and the exercise of judicial discretion in appropriate cases, including the law-imposed requirement that the City may first use its taxes and other revenues to pay the expenses of providing necessary governmental services before paying debt service on the Series 2017A Warrants.

The United States Bankruptcy Code

Chapter 9 of the United States Bankruptcy Code permits municipal corporations, political subdivisions and public agencies or instrumentalities, including the City, that are insolvent or unable to meet their debts to file petitions for relief in the federal bankruptcy courts if authorized by state law. While the matter is not entirely free from doubt, prospective purchasers of the Series 2017A Warrants should assume that existing Alabama statutes presently authorize the City and other political subdivisions in Alabama to file such petitions for relief.

Bankruptcy proceedings by the City could have adverse effects on holders of the Series 2017A Warrants, including (i) a loss of the pledge to them of the Gross Receipts Tax Proceeds upon the initiation of bankruptcy proceedings, (ii) delay in the enforcement of their remedies, (iii) subordination of their claims to the claims of those supplying goods and services to the City after the initiation of bankruptcy proceedings and to the administrative expenses of bankruptcy proceedings, and (iv) imposition without their consent of a reorganization plan reducing or delaying payment on the Series 2017A Warrants. Such a reorganization plan, when confirmed by the bankruptcy court, binds all creditors who had timely notice or actual knowledge of the petition or plan and discharges all claims against the petitioning political subdivision provided for in the plan. No plan may, however, be confirmed by the court unless, among other conditions, either the plan has been accepted in writing by 2/3 in amount and more than 50% in number of the allowed claims of each class which is impaired by the plan, or the court finds that the plan does not discriminate unfairly, and is fair and equitable, with respect to each class of claims that is impaired under, and has not accepted, the plan.

THE PLAN OF FINANCING

The Series 2017A Warrants are being issued for the purpose of (i) refunding certain outstanding debt of the City and (ii) paying the costs of issuing the Series 2017A Warrants.

The City has heretofore issued its \$24,785,000 General Obligation Warrants, Series 2005A (the "Series 2005A Warrants"), which are outstanding in the aggregate principal amount of \$285,000. Series 2005A Warrants maturing in 2018 and thereafter (the "Refunded 2005A Warrants") will be refunded, on a current basis, with a portion of the proceeds of the Series 2017A Warrants.

The City has heretofore issued its \$42,260,000 General Obligation Warrants, 2007A (the "Series 2007A Warrants"), which are outstanding in the aggregate principal amount of \$16,245,000. Series 2007A Warrants maturing in 2020 and thereafter (the "Refunded 2007A Warrants") will be refunded, on a current basis, with a portion of the proceeds of the Series 2017A Warrants.

The City has heretofore issued its \$3,880,000 Taxable General Obligation Warrants, Series 2016B (the "Series 2016B Warrants"), which are outstanding in the aggregate principal amount of \$3,880,000. Series 2016B Warrants maturing in 2028 and thereafter (the "Refunded 2016B Warrants", together with the Refunded 2005A

Warrants and the Refunded 2007A Warrants, the "Refunded Warrants") will be refunded, on a current basis, with a portion of the proceeds of the Series 2017A Warrants.

In order to effect the refunding of the Refunded Warrants (other than the Refunded 2016B Warrants, which will be retired on or about the date of issuance of the Series 2017A Warrants), the City and Regions Bank, Birmingham, Alabama (the "Escrow Trustee"), will enter into an escrow trust agreement (the "Escrow Agreement") simultaneously with the issuance of the Series 2017A Warrants. Pursuant to the Escrow Agreement, the City will establish an irrevocable trust fund for the benefit of the holders of the Refunded Warrants (the "Escrow Fund") and will deposit therein a portion of the proceeds of the Series 2017A Warrants. The amount so deposited in the Escrow Fund will be used to purchase certain United States government securities (the "Escrow Securities"). The cash flow from the Escrow Securities, without reinvestment, when added to any uninvested cash in the Escrow Fund, will be sufficient to pay the redemption price (principal, premium, and accrued interest) of (i) Refunded 2005A Warrants maturing in 2018 and thereafter, which will be called for redemption on July 15, 2017, and (ii) Refunded 2007A Warrants maturing in 2020 and thereafter, which will be called for redemption on September 1, 2017. After the Escrow Fund is established, the Refunded Warrants will no longer be considered outstanding.

SOURCES AND USES OF FUNDS

The expected sources and uses of funds for the plan of financing are as follows (rounded to the nearest whole dollar):

Sources of Funds

Principal amount of Series 2017A Warrants	\$20,305,000
Plus: net original issue premium	<u>1,142,269</u>
Total	<u>\$21,447,269</u>

Uses of Funds

Retirement of Refunded Bonds	\$21,133,629
Expenses of issuance (including underwriter's discount, legal, accounting and other issuance expenses)	<u>313,640</u>
Total	<u>\$21,447,269</u>

DEBT SERVICE REQUIREMENTS

The following table contains debt service requirements on the Series 2017A Warrants. For a description of the debt service requirements on all general obligation indebtedness of the City, see "DEBT MANAGEMENT—Debt Service Requirements on General Obligation Debt" in Appendix A.

Fiscal Year Ended September 30	Principal ⁽¹⁾	Series 2017A Warrants Interest	Total
2017	--	\$179,392	\$ 179,392
2018	--	849,750	849,750
2019	--	849,750	849,750
2020	--	849,750	849,750
2021	--	849,750	849,750
2022	--	849,750	849,750
2023	--	849,750	849,750
2024	--	849,750	849,750
2025	--	849,750	849,750
2026	--	849,750	849,750
2027	--	849,750	849,750
2028	--	849,750	849,750
2029	--	849,750	849,750
2030	--	849,750	849,750
2031	--	849,750	849,750
2032	\$ 575,000	849,750	1,424,750
2033	555,000	826,750	1,381,750
2034	535,000	804,550	1,339,550
2035	520,000	777,800	1,297,800
2036	1,755,000	757,000	2,512,000
2037	1,625,000	686,800	2,311,800
2038		621,800	621,800
2039		621,800	621,800
2040		621,800	621,800
2041	855,000	621,800	1,476,800
2042	6,825,000	591,875	7,416,875
2043	<u>7,060,000</u>	<u>353,000</u>	<u>7,413,000</u>
Total	<u>\$20,305,000</u>	<u>\$20,210,617</u>	<u>\$40,515,617</u>

(1) For purposes of this table the principal amount of Series 2017A Warrants to be retired in a fiscal year pursuant to mandatory redemption provisions is shown as maturing in that fiscal year.

THE CITY

City of Oxford is a municipal corporation organized under the laws of the State of Alabama. For information on the City of Oxford, see "Appendix A—Information on the City of Oxford".

LITIGATION RELATING TO THE SERIES 2017A WARRANTS

There is no litigation pending or, to the knowledge of the City, threatened questioning the validity of the Series 2017A Warrants, the proceedings under which they are to be issued, the security for the Series 2017A Warrants provided by the Warrant Ordinance, the consummation of the transactions contemplated by the Warrant

Ordinance, the organization of the City, or the election or qualification of the City's officers. For certain additional information concerning litigation relating to the City, see Appendix A.

RISK FACTORS

General

An investment in the Series 2017A Warrants involves certain risks which should be carefully considered by investors. The sufficiency of revenues to pay debt service on the Series 2017A Warrants may be affected by events and conditions relating to, among other things, population and employment trends and economic conditions in the City, the nature and extent of which are not presently determinable.

Prospective investors should carefully examine this Official Statement and their own financial condition in order to make a judgment as to their ability to bear the economic risk of such an investment and whether or not the Series 2017A Warrants are an appropriate investment for them.

The risk factors discussed herein should be considered in evaluating the City's ability to make payments of the principal of and interest due on the Series 2017A Warrants. This discussion of risk factors is not intended to be exhaustive and should be read in conjunction with all other parts of this Official Statement, including Appendix A hereto.

Limitations on Rights of Holders of the Series 2017A Warrants/Limitations on City Revenue Increases

Holders of the Series 2017A Warrants should be aware that their rights and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and the exercise of judicial discretion in appropriate cases, including the law-imposed requirement that the City may first use its taxes and other revenues to pay the expenses of providing necessary governmental services before paying debt service on the Series 2017A Warrants.

Holders of the Series 2017A Warrants also should be aware that, under present law, the rates at which Alabama property taxes are levied may be increased only after approval by the legislature and a majority vote of the qualified electors of the affected jurisdiction, and that, under applicable judicial precedents, neither Alabama general sales and use taxes nor Alabama business license taxes may be levied at rates that are confiscatory or unreasonable. Additional information on these limitations on the City's power to increase its revenues is set forth under the caption "SECURITY AND SOURCE OF PAYMENT" and in Appendix A of this Official Statement under the captions "FINANCIAL SYSTEM OF THE CITY" and "AD VALOREM TAXATION".

The United States Bankruptcy Code

Information describing the applicability of the United States Bankruptcy Code to the City and the Series 2017A Warrants is set forth in this Official Statement under the caption "SECURITY AND SOURCE OF PAYMENT".

Tax-Exempt Status of Series 2017A Warrants

It is expected that the Series 2017A Warrants will qualify as tax-exempt obligations for federal income tax purposes as of the date of issuance. See "TAX MATTERS". It is anticipated that Bond Counsel will render an opinion substantially in the form attached hereto as Appendix D, which should be read in its entirety for a complete understanding of the scope of the opinions and the conclusions expressed therein. A legal opinion expresses the professional judgment of the attorney rendering the opinion as to the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

The tax status of the Series 2017A Warrants could be affected by post-issuance events. There are various requirements of the Internal Revenue Code of 1986, as amended, that must be observed or satisfied after the issuance of the Series 2017A Warrants in order for the Series 2017A Warrants to qualify for, and retain, tax-exempt status. These requirements include appropriate use of the proceeds of the Series 2017A Warrants, use of the facilities financed by the Series 2017A Warrants, investment of warrant proceeds, and the rebate of so-called excess arbitrage earnings. Compliance with these requirements is the responsibility of the City.

The Internal Revenue Service conducts an audit program to examine compliance with the requirements regarding tax-exempt status. Under current IRS procedures, in the initial stages of an audit with respect to the Series 2017A Warrants, the City would be treated as the taxpayer, and the owners of the Series 2017A Warrants may have limited rights to participate in the audit process. The initiation of an audit with respect to the Series 2017A Warrants could adversely affect the market value and liquidity of the Series 2017A Warrants, even though no final determination about the tax-exempt status has been made. If an audit results in a final determination that the Series 2017A Warrants do not qualify as tax-exempt obligations, such a determination could be retroactive in effect to the date of issuance of the Series 2017A Warrants.

In addition to post-issuance compliance, a change in law after the date of issuance of the Series 2017A Warrants could affect the tax-exempt status of the Series 2017A Warrants or the effect of investing in the Series 2017A Warrants. For example, the United States Congress could eliminate or limit the exemption for interest on the Series 2017A Warrants, or it could reduce or eliminate the federal income tax, or it could adopt a so-called flat tax. It cannot be predicted whether or in what form any such change in law may be enacted or whether, if enacted, any such change in law would apply to the Series 2017A Warrants.

The Warrant Ordinance does not require the City to redeem the Series 2017A Warrants and does not provide for the payment of any additional interest or penalty if a determination is made that the Series 2017A Warrants do not comply with the existing requirements of the Internal Revenue Code of 1986, as amended, or if a subsequent change in law adversely affects the tax-exempt status of the Series 2017A Warrants or the effect of investing in the Series 2017A Warrants.

LEGAL MATTERS

The legality and validity of the Series 2017A Warrants will be approved by Bond Counsel, Maynard, Cooper & Gale, P.C., Birmingham, Alabama. Bond Counsel has been employed primarily for the purpose of preparing certain legal documents and supporting certificates, reviewing the transcript of proceedings by which the Series 2017A Warrants have been authorized to be issued, and rendering an opinion in conventional form as to the validity and legality of the Series 2017A Warrants and the exemption of interest thereon from federal and State of Alabama income taxes. Bond Counsel also served as Disclosure Counsel and assisted in the preparation of this Official Statement.

It is anticipated that Bond Counsel will render an opinion substantially in the form attached hereto as Appendix D. In connection with the rendering of such opinion, Bond Counsel is serving as counsel to the City. Certain legal matters will be passed upon for the City by its counsel, Merrill Merrill Mathews & Allen LLC, Anniston, Alabama.

The various legal opinions to be delivered concurrently with the delivery of the Series 2017A Warrants express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

TAX MATTERS

General

In the opinion of Bond Counsel, under existing law, interest on the Series 2017A Warrants will be excludable from gross income for federal income tax purposes if the City complies with all requirements of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), that must be satisfied subsequent to the issuance of the Series 2017A Warrants in order that interest thereon be and remain excludable from gross income. Failure to comply with certain of such requirements could cause the interest on the Series 2017A Warrants to be included in gross income, retroactive to the date of issuance of the Series 2017A Warrants. The City has covenanted to comply with all such requirements.

Bond Counsel is also of the opinion that, under existing law, interest on the Series 2017A Warrants will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that, with respect to corporations, such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on such corporations.

Bond Counsel will express no opinion regarding federal tax consequences arising with regard to the Series 2017A Warrants other than the opinions expressed in the two preceding paragraphs. The form of Bond Counsel's opinion is expected to be substantially as set forth in Appendix D to this Official Statement.

Prospective purchasers of the Series 2017A Warrants should be aware that ownership of the Series 2017A Warrants may result in collateral and federal and state tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income", foreign corporations subject to a branch profits tax and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry the Series 2017A Warrants. Bond Counsel will not express any opinion as to such collateral tax consequences. Prospective purchasers of the Series 2017A Warrants should consult their tax advisors as to collateral tax consequences.

Bond Counsel is also of the opinion that, under existing law, interest on the Series 2017A Warrants will be exempt from State of Alabama income taxation.

Original Issue Discount

In the opinion of Bond Counsel, under existing law, the original issue discount in the selling price of a Series 2017A Warrant, to the extent properly allocable to each owner of such Series 2017A Warrant, is excludable from gross income for federal income tax purposes with respect to such owner. The original issue discount is the excess of the stated redemption price at maturity of such Series 2017A Warrant over the initial offering price to the public, excluding underwriters and other intermediaries, at which price a substantial amount of the Series 2017A Warrants of such maturity were sold.

Under Section 1288 of the Internal Revenue Code of 1986, as amended, original issue discount on tax-exempt bonds accrues on a compound basis. The amount of original issue discount that accrues to an owner of a Series 2017A Warrant during any accrual period generally equals (i) the issue price of such Series 2017A Warrant plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (ii) the yield to maturity of such Series 2017A Warrant (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), less (iii) any interest payable on such Series 2017A Warrant during such accrual period. The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purposes, and will increase the owner's tax basis in such Series 2017A Warrant. Any gain realized by an owner from a sale, exchange, payment or redemption of a Series 2017A Warrant will be treated as gain from the sale or exchange of such Series 2017A Warrant.

Premium

An amount equal to the excess of the purchase price of a Series 2017A Warrant over its stated redemption price at maturity constitutes premium on such Series 2017A Warrant. A purchaser of a Series 2017A Warrant must amortize any premium over such Series 2017A Warrant's term using constant yield principles, based on the purchaser's yield to maturity. As premium is amortized, the purchaser's basis in such Series 2017A Warrant is reduced by a corresponding amount, resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Series 2017A Warrant prior to its maturity. Even though the purchaser's basis is reduced, no federal income tax deduction is allowed. Purchasers of any Series 2017A Warrants at a premium, whether at the time of initial issuance or subsequent thereto, should consult with their own tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to state and local tax consequences of owning such Series 2017A Warrants.

NO BANK QUALIFICATION

The City will not designate the Series 2017A Warrants as "qualified tax-exempt obligations" under Section 265(b) of the Internal Revenue Code. As a result, the Series 2017A Warrants may not be treated by financial institutions as though they were acquired on August 7, 1986, and there may not be allowed to such financial institutions that purchase the Series 2017A Warrants a deduction of up to 80% of the interest paid to depositors that is allocable to the Series 2017A Warrants by such financial institutions.

UNDERWRITING

The Series 2017A Warrants are being purchased from the City by The Frazer Lanier Company Incorporated (the "Underwriter"). The Underwriter has agreed to purchase the Series 2017A Warrants for an aggregate purchase price of \$21,244,219.15 (which represents the face amount of the Series 2017A Warrants less underwriter's discount of \$203,050.00 and plus net original issue premium of \$1,142,269.15) plus accrued interest. The initial public offering price set forth on the inside cover page may be changed by the Underwriter, and the Underwriter may offer and sell the Series 2017A Warrants to certain dealers (including dealers depositing the Series 2017A Warrants into investment trusts) and others at prices lower than the offering price set forth on the inside cover page. The Underwriter will purchase all the Series 2017A Warrants if any are purchased.

CONTINUING DISCLOSURE

General

The City has covenanted for the benefit of the holders of the Series 2017A Warrants to provide the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System ("EMMA") with (i) certain financial information and operating data relating to the City on an annual basis (the "Annual Financial Information") within 180 days after the end of its fiscal year and (ii) notices ("Material Event Notices") of the occurrence of the following events in a timely manner not in excess of 10 business days after the occurrence of the event:

1. A delinquency in payment of principal of or interest on the Series 2017A Warrants.
2. Non-payment related defaults under the proceedings of the City authorizing the Series 2017A Warrants, whether or not such defaults constitute an event of default thereunder, if material.
3. Unscheduled draws on any debt service reserve fund reflecting financial difficulties of the City.
4. Unscheduled draws on any credit enhancement or liquidity facility with respect to the Series 2017A Warrants reflecting financial difficulties of the City.

5. Substitution of a credit enhancer for the one originally described in the Official Statement (if any), or the failure of any credit enhancer respecting the Series 2017A Warrants to perform its obligations under the agreement between the City and such credit enhancer.

6. The existence of any adverse tax opinion with respect to the Series 2017A Warrants, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701 TEB) or other material notices or determinations with respect to the tax status of the Series 2017A Warrants, or other material events affecting the tax status of the Series 2017A Warrants.

7. Any modification of the rights of the registered owners of the Series 2017A Warrants, if material.

8. Redemption of any of the Series 2017A Warrants prior to the stated maturity or mandatory redemption date thereof, if material, and tender offers with respect to the Series 2017A Warrants.

9. Defeasance of the lien of any of the Series 2017A Warrants or the occurrence of circumstances which, pursuant to such authorizing proceedings, would cause the Series 2017A Warrants, or any of them, to be no longer regarded as outstanding thereunder.

10. The release, substitution or sale of the property securing repayment of the Series 2017A Warrants, if material.

11. Any changes in published ratings affecting the Series 2017A Warrants.

12. Bankruptcy, insolvency, receivership or similar event of the City.

13. The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.

14. Appointment of a successor or additional trustee or the change of name of a trustee, if material.

In addition, the City has covenanted to provide in a timely manner to EMMA notice of the City's failure to provide the Annual Financial Information on or before the date specified herein.

The Annual Financial Information will include financial information and operating data relating to the City of the type found in the section of this Official Statement called "RESULTS OF OPERATIONS" in Appendix A. In addition, the City will provide to EMMA, when and if available, audited financial statements prepared in accordance with accounting principles described in the audited financial statements included in this Official Statement as an appendix.

The City shall never be subject to money damages for its failure to comply with its obligations to provide the required information. The only remedy available to the holders of the Series 2017A Warrants for breach by the City of its obligations to provide the required information shall be the remedy of specific performance or mandamus against appropriate officials of the City. The failure by the City to provide the required information shall not be an event of default with respect to the Series 2017A Warrants under the Warrant Ordinance. A failure by the City to comply with its obligations to provide the required information must be reported as described above and must be considered by any broker, dealer, or municipal securities dealer before recommending the purchase or sale of the Series 2017A Warrants in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2017A Warrants and their market price.

No person other than the City shall have any liability or responsibility for compliance by the City with its obligations to provide information. The Paying Agent has not undertaken any responsibility with respect to any required reports, notices or disclosures.

The City retains the right to modify its obligations described above as long as such modification is done in a manner consistent with Rule 15c2-12 of the Securities and Exchange Commission.

Compliance with Prior Undertakings

In four of the last five years, although available publicly, the City failed to file its Annual Financial Information with EMMA on or before the due date as required by Rule 15c2-12 and the terms of continuing disclosure agreements executed by the City in connection with the issuance of certain of its existing indebtedness. The City now has filed such information. The City also did not file a notice in accordance with Rule 15c2-12 with respect to its failure to provide its annual financial information for the fiscal years noted above.

In one of the City's continuing disclosure agreements entered into in 2011, the City covenanted to provide certain financial information and operating data relating to the City (including assessed values of taxable property in the City and the ten largest property tax payers in the City). In four of the last five years, the City failed to include this financial information and operating data in its Annual Financial Information filings.

Certain outstanding indebtedness of the City has been secured by various forms of credit enhancement, including bond insurance. The ratings of the providers of this credit enhancement have been downgraded at various times in the last five years. Information about the downgrades was publicly reported. The City did not file a notice in accordance with Rule 15c2-12 with respect to each downgrade.

Engagement of Disclosure Dissemination Agent

The City has engaged Digital Assurance Certification, LLC ("DAC") as its disclosure dissemination agent for the purpose of assisting it with ongoing compliance with its continuing disclosure filing requirements. DAC provides its clients with automated filing of rating events, templates consolidating all outstanding filing requirements that accompany reminder notices of annual or interim mandatory filings, review of all template filings by professional accountants, as well as a time and date stamp record of each filing along with the unique identification number from EMMA accompanying the copy of the actual document filed. DAC also offers its clients a series of training webinars each year qualified for 15-20 NASBA certified CPE credits, as well as model secondary market compliance policies and procedures.

Implementation of Continuing Disclosure Compliance and Control Procedures

The City has adopted controls and procedures to ensure the timely filing of information required by Rule 15c2-12 of the Securities and Exchange Commission and the continuing disclosure agreements described in this Official Statement.

RATINGS

Moody's Investors Service, Inc. and Standard & Poor's Financial Services LLC, a subsidiary of The McGraw-Hill Companies, Inc., have assigned ratings to the Series 2017A Warrants as indicated on the cover page.

Any definitive explanation of the significance of any such ratings may be obtained only from the appropriate rating agency. The City furnished to each rating agency the information contained in this Official Statement and certain other information respecting the City and the Series 2017A Warrants. Generally, rating agencies base their ratings on such materials and information, as well as on their own investigations, studies and assumptions.

The above ratings are not recommendations to buy, sell or hold the Series 2017A Warrants, and any such ratings may be subject to revision or withdrawal at any time by any such rating agency. Any downward revision or

withdrawal of any or all of such ratings may have an adverse effect on the market price of the affected Series 2017A Warrants. Except as may be required in connection with the obligations described under the heading "CONTINUING DISCLOSURE", neither the City nor the Underwriter has undertaken any responsibility either to bring to the attention of the Series 2017A Warrantholders any proposed revision, suspension or withdrawal of a rating or to oppose any such revision, suspension or withdrawal.

INDEPENDENT AUDITORS

The financial statements of the City included in Appendix B to this Official Statement have been audited by MDA Professional Group, P.C., Oxford, Alabama, independent certified public accountants, as stated in their report appearing herein as Appendix B to this Official Statement. Such financial statements speak only as of September 30, 2016, and have been included as a matter of public record. MDA Professional Group, P.C. (1) has not been engaged to perform, and has not performed, any procedures with respect to such financial statements since the date of its report on such financial statements and (2) has not performed any procedures relating to this Official Statement. The permission of MDA Professional Group, P.C. for the use herein of its report on such financial statements has been sought and obtained.

DISCLAIMERS AND OTHER MISCELLANEOUS MATTERS

This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or holders of any of the Series 2017A Warrants.

All quotations from and summaries and explanations of provisions of laws and documents herein do not purport to be complete, and reference is made to such laws and documents for full and complete statements of their provisions.

The order and placement of material in this Official Statement, including its appendices, are not to be deemed a determination of relevance, materiality or importance, and all material in this Official Statement, including its appendices, must be considered in its entirety.

The information in this Official Statement has been obtained from sources which are considered dependable and which are customarily relied upon in the preparation of similar official statements, but such information is not guaranteed as to accuracy or completeness.

The delivery of this Official Statement at any time does not imply that any information herein is correct as of any time subsequent to the date of this Official Statement.

All estimates and assumptions contained herein are believed to be reliable, but no representation is made that such estimates or assumptions are correct or will be realized.

No person, including any broker, dealer or salesman, has been authorized to give any information or to make any representation other than those contained in this Official Statement, and if given or made, such other information or representations must not be relied upon as having been authorized by the City.

The Series 2017A Warrants will not be registered under the Securities Act of 1933, as amended, or any state securities laws and will not be listed on any stock or other securities exchange, and neither the Securities and Exchange Commission nor any federal, state, municipal or other governmental agency will pass upon the accuracy, completeness or adequacy of this Official Statement. Any representation to the contrary is a criminal offense. The Warrant Ordinance has not been qualified under the Trust Indenture Act of 1939, as amended.

Any information or expressions of opinion herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale hereunder shall under any circumstances create an implication that there has been no change as to the affairs of the City since the date hereof.

Certain statements contained in this Official Statement including, without limitation, statements containing the words “estimates,” “believes,” “anticipates,” “expects,” and words of similar import, constitute “forward-looking” statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the City to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include, among others, population trends and political and economic developments that could adversely impact the collection of revenues. Such factors include, among others, those described under “RISK FACTORS”. Given these uncertainties, prospective investors are cautioned not to place undue reliance on such forward-looking statements. The City disclaims any obligation to update any such factors or to publicly announce the results of any revision to any of the forward-looking statements contained herein to reflect future events or developments.

In connection with this offering, the Underwriter may over allot or effect transactions which stabilize or maintain the market price of the Series 2017A Warrants offered hereby at a level above that which might otherwise prevail in the open market, and such stabilizing, if commenced, may be discontinued at any time. The prices and other terms of the offering and sale of the Series 2017A Warrants may be changed from time to time by the Underwriter after the Series 2017A Warrants are released for sale, and the Series 2017A Warrants may be offered and sold at prices other than the initial offering prices, including sales to dealers, without prior notice.

The Underwriter has provided the following sentence for inclusion in this Official Statement: The Underwriter has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guarantee the accuracy or completeness of such information.

This Official Statement is being provided to prospective purchasers either in bound printed format or in electronic format. This Official Statement may be relied upon only if it is in its bound printed format or as printed in its entirety in such electronic format.

ADDITIONAL INFORMATION

For further information during the initial offering period with respect to the Series 2017A Warrants, contact Alton Craft, Mayor, City of Oxford, 145 Hamrick Drive East, Oxford, Alabama 36203 (telephone number (256) 835-6114), or Andy Waid, The Frazer Lanier Company Incorporated, 300 Water Street, Montgomery, Alabama 36104 (telephone number (334) 265-8483).

THE CITY

General

The City is a municipal corporation organized under the laws of the State of Alabama. The City is located in northeast Alabama in Calhoun, Cleburne, and Talladega Counties. The current estimated population of the City is 21,348 according to City records and projections. Incorporated since 1852, the City is located approximately 60 miles east of Birmingham and 90 miles west of Atlanta and is traversed by Interstate Highway 20, the main artery between these two cities.

Recent City Annexations

Since 2000, the City has annexed approximately 6,500 acres of land into its corporate limits. These annexations have added approximately 6,400 new City residents, increasing the City's population to its current 21,348 residents. The City is located in Calhoun County and Talladega County; also, through recent annexations, a small portion of the City now is located in Cleburne County.

Governance and Administration

The City is governed under the mayor-council form of government. The Mayor is elected on an at-large basis for a 4-year term and five City Council members are elected on an at-large basis, each for a 4-year term. The Mayor serves as chief executive officer of the City and is responsible for the daily operations of all departments of the City. The City Council acts as the legislative branch of the City. The next municipal election will be held in 2016.

Executive, Legislative and Administrative Officials

Alton L. Craft, Mayor

City Council Members

Chris Spurlin, Council President

Phil Gardner

Mike Henderson

Charlotte Hubbard

Steven Waits

Shirley Henson, City Clerk

Aimee Birchfield, City Treasurer

Services, Departments and Agencies

City Departments. The City's current-year budget authorizes the employment of 231 full-time and 52 part-time employees in its various departments or agencies, which include the following:

Administration. 14 employees in the Mayor's Office, Finance Department, and City Clerk's Office.

Civil Service. Civil Service Board with 5 members appointed by the State of Alabama Legislature every 6 years.

Police Department/Fire Department. The police department consists of 1 police chief, 3 captains, 3 lieutenants, 3 sergeants, 6 dispatchers, 5 administrative workers, and 41 full-time patrolmen. The fire department consists of 1 fire chief, 1 assistant fire chief, 3 captains, 23 volunteer fire fighters, and 24 full-time fire fighters. The police department and fire department recently were consolidated into a single public safety department.

Municipal Court. 1 judge, 1 city prosecutor and 1 magistrate.

Building Department. 1 engineer, 1 building official, 2 inspectors, 1 project manager, and 1 clerk.

Street Department. 1 supervisor, 1 assistant supervisor, 1 clerk, and 28 employees.

Maintenance/Garage Department. 2 supervisors and 12 employees.

Parks and Recreation. 1 supervisor, 1 performing arts director, 37 full-time employees, and 31 part-time employees.

Information Technology. 1 supervisor and 1 employee.

Library. 1 supervisor and 7 employees.

Public Relations/Marketing. 1 employee.

Performing Arts Center. 1 director, 1 assistant director and 7 employees.

Independent Agencies and Public Corporations. There are several independent public corporations or agencies that have responsibility for providing governmental services. Each of these corporations or agencies has its own governing body, all or a majority of the members of which are elected by the City's Mayor or Council. These agencies and public corporations, and their relationship to the City, are described more particularly in the notes to the financial statements included in Appendix B.

Summary of Governmental Services. The following table lists the governmental services provided by the City, other levels of government or independently appointed or elected agencies.

**Governmental Services Provided
by the City and Others**

	City	County	State	Independent
Police protection ⁽¹⁾	Principal	Shared	Shared	
Fire protection	Exclusive			
Street maintenance and repair ⁽²⁾	Principal		Shared	
Solid waste disposal	Exclusive			
Water service ⁽³⁾				Exclusive
Sanitary sewer service ⁽³⁾				Exclusive
Storm water sewers	Exclusive			
Gas and electric services ⁽⁴⁾				Exclusive
Courts ⁽⁵⁾	Shared		Principal	
Road construction ⁽⁶⁾	Shared		Principal	
Education ⁽⁷⁾				Exclusive
Health ⁽⁸⁾	Shared	Principal		
Recreation ⁽⁹⁾	Exclusive			
Social welfare		Shared	Principal	
Aviation ⁽¹⁰⁾				Exclusive

⁽¹⁾ The City, the County and the State have co-extensive law enforcement jurisdiction.

⁽²⁾ The State is responsible for maintaining state and federal highways in the city limits.

⁽³⁾ The Water Works and Sewer Board of the City of Oxford provides water and sewer services.

⁽⁴⁾ Gas and electric services are provided by investor-owned public utility corporations, Alabama Gas Corporation and Alabama Power Company.

⁽⁵⁾ The City operates a municipal court, a limited jurisdiction court which is a component of the Unified Judicial System of the State.

⁽⁶⁾ The City builds and maintains streets that are not state or federal highways.

⁽⁷⁾ The Oxford City Board of Education, whose members are appointed by the City Council, operates schools with local ad valorem and other taxes and state and federal funds.

⁽⁸⁾ The County, the City and other cities in the County contribute to the County Health Department on a formula basis.

⁽⁹⁾ The City finances all major public recreation facilities in its jurisdiction.

⁽¹⁰⁾ The state-licensed airport is operated by the City of Anniston (2 miles from the City). No commercial airline service is available at the airport. The nearest commercial airline is Birmingham-Shuttlesworth International Airport (approximately 60 miles).

Employee Relations

The City considers relations with its employees to be satisfactory. No employees of the City are represented by labor unions or similar employee organizations. The City does not bargain collectively with any labor union or employee organization.

Personnel, Retirement System, and Other Post-Employment Benefits

The City employed approximately 187 full-time personnel in its several departments as of a recent date. The benefits and compensation for all employees of the City's several departments are established by the City Council and are paid from the City's general fund.

The employees of the City participate in a retirement system established by the Legislature of Alabama and known as the Employees' Retirement System of Alabama (the "Retirement System"). Contributions to the Retirement System are made by both the employees and the City. The respective amounts of such contributions are established by the Legislature of Alabama. For further discussion of the City's participation in the Retirement System, see the notes to the financial statements included in Appendix B.

The City also offers a deferred compensation plan. For further discussion of this plan, see the notes to the financial statements included in Appendix B.

The City offers post-employment medical and dental benefits. For further discussion of these post-employment benefit obligations, see the notes to the financial statements included in Appendix B.

FINANCIAL SYSTEM OF THE CITY

General

The City operates on a fiscal year basis beginning October 1 and ending September 30. The City prepares a budget for each fiscal year. The significant accounting practices for City finances are summarized in the notes to the excerpts from the audited financial statements of the City included in Appendix B to this Official Statement. All revenues and expenditures of the City are accounted for in a series of funds (including a General Fund, which is the City's primary operating fund), which are described in the City's financial statements.

Description of Major Sources of General Fund Revenues

The City's major sources of revenues for its General Fund are as follows:

Gross Receipts Tax. The City levies a gross receipts tax (the "Gross Receipts Tax") on businesses selling tangible personal property at retail within the corporate limits of the City and measured by gross receipts. The Gross Receipts Tax proceeds constitute a major portion of the revenues of the General Fund.

The Gross Receipts Tax, levied by the City pursuant to Act No. 917 (now codified at Sections 11-51-200 *et seq.*, Code of Alabama (1975)) adopted by the Alabama Legislature at the 1969 Regular Session ("Act No. 917"), generally parallels the state-wide sales and use taxes levied by the State of Alabama and consists of (i) a privilege or license (commonly called sales) tax on persons engaged in the business of selling at retail in the City any tangible personal property or in the business of conducting or operating places of amusement or entertainment in the City, generally measured by the gross receipts or sales of such businesses, and (ii) an excise (commonly called use) tax on the storage, use or other consumption of tangible personal property in the City, generally measured by the sales price of the property. The excise or use tax complements the sales tax and applies only where property placed in use was not purchased in a retail sale in which the sales tax was collected.

The general rate for the Gross Receipts Tax is 5% of the gross receipts or sales price (1% of which is dedicated to local schools); however, there is a lower rate for certain types of tangible personal property. Act No. 917 incorporates by reference the definitions, exemptions, deductions and certain other provisions of the state-wide sales and use tax laws.

Act No. 917 provides that, upon the request of a municipality, the State Department of Revenue, which collects the State-wide sales and use taxes, shall collect the Gross Receipts Tax. The Gross Receipts Tax generally is added to the purchase price and collected by retail sellers, who are required to register as such with the Department of Revenue. Remittances by sellers to the Department of Revenue are due on the 20th day of the month following the month in which the sale is made (or, in the case of use tax collections, on the 20th day of the month following the calendar quarter in which the property is placed in use in the corporate limits of the City). Act No. 917 authorizes the Department of Revenue to charge a fee for collecting the Gross Receipts Tax. The Department of Revenue's fee shall be equal to the cost to the Department of Revenue of making such collections provided that such charge cannot exceed 2% of the amount collected. Such charges are deducted by the Department of Revenue once each month from the Gross Receipts Tax collections payable to the City.

The amount of Gross Receipts Tax Revenues collected by the Department of Revenue each month, after deducting the cost of collection, is paid to the Treasurer of the City.

Business Licenses. The City levies, under general authority granted by the Legislature of Alabama, business license taxes on the privilege of engaging in certain businesses and professions within the corporate limits of the City. Businesses and professions are usually taxed the amount stated for their respective type of business or profession plus a percentage of their respective estimated annual gross receipts. The business license taxes are collected by the City's License Department. Enforcement of these collections is monitored by the License Department's auditing staff and by a staff of field license inspectors.

Ad Valorem Taxes. Property or ad valorem taxes are levied under various provisions of the constitution and statutes of Alabama and may be used only for the purpose or purposes for which they are levied. The City levies a 10-mill tax for general municipal purposes, proceeds of which are deposited in the General Fund. Under present law, the rates at which local ad valorem taxes are levied may be increased only after approval by the legislature and a majority vote of the qualified electors of the affected jurisdiction. See "AD VALOREM TAXATION".

Under applicable judicial precedents, neither the general sales and use tax nor any business license tax may be levied at rates that are confiscatory or unreasonable, nor may the rate of any such taxes in the police jurisdiction of a municipality be fixed at a rate that will yield an amount in excess of the cost of furnishing police and fire protection and other essential services to the activity or person being taxed. At present, the City maintains no police jurisdiction outside its corporate limits.

For a table setting forth the gross revenues for the City's General Fund, see "RESULTS OF OPERATIONS - Major Sources of General Fund Revenues".

RESULTS OF OPERATIONS

General

This section of the Official Statement presents certain historical financial information concerning the City. The information in this section will be updated annually and such annual report will be filed with the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System in accordance with the requirements of Rule 15c2-12 of the Securities and Exchange Commission. See "CONTINUING DISCLOSURE".

Comparative Summary Statement of General Fund Revenues and Expenditures

The following table sets forth revenues, expenditures and changes in fund balance for the City's General Fund for the five fiscal years ended September 30, 2012 through 2016. This information was extracted from the audited financial statements of the City for fiscal years ending September 30, 2012 through September 30, 2016. The audited financial statements for fiscal year 2016 are included in Appendix B to this Official Statement. Audited financial statements for prior fiscal years may be obtained from the City upon request or from the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System.

Comparative Summary Statement of General Fund Revenues and Expenditures and Changes in Fund Balance

	Fiscal Year (Ended 9/30)				
	<u>2012</u>	<u>2013</u>	<u>2014</u>	<u>2015⁽¹⁾</u>	<u>2016⁽¹⁾</u>

Transfers in (out)	<u>(21,710,219)</u>	<u>(14,507,113)</u>	<u>5,714,167</u>	<u>(28,257,347)</u>	<u>(32,346,587)</u>
Total other financing sources (uses)	(21,710,219)	(14,507,113)	5,714,167	(28,257,347)	(32,309,149)
Net change in fund balances	(9,713,575)	(5,887,793)	13,876,664	(22,565,960)	(25,512,578)
Beginning Fund Balance	117,852,528	108,138,953	102,251,160	116,127,824	93,561,864
Ending Fund Balance	<u>\$108,138,953</u>	<u>\$102,251,160</u>	<u>\$116,127,824</u>	<u>\$93,561,864</u>	<u>\$68,049,286</u>

⁽¹⁾The transfers out for the fiscal years ended September 30, 2015, and September 30, 2016, include the expenditure of proceeds from prior debt issuances by the City, debt service payment transfers, and capital projects fund transfers.

Major Sources of General Fund Revenues

The principal General Fund revenue sources for the fiscal years ending September 30, 2014 through 2016 are summarized in the following table. For a description of the major sources of General Fund revenues, see "FINANCIAL SYSTEM OF THE CITY - Description of Major Sources of General Fund Revenues".

Principal General Fund Revenue Sources

	Amount of Revenues		
	2014	2015	2016
General fund:			
Property Taxes	\$3,595,390	\$3,461,939	\$3,619,901
Other Local Taxes ⁽¹⁾	27,863,531	30,196,924	31,245,842
Licenses and Permits	3,308,128	3,404,976	3,947,523
Police Department	493,987	373,851	-
Services, sales and recoveries	1,611,804	1,013,207	1,012,207
Parks and Recreation	1,470,786	1,721,926	1,755,610
Intergovernmental	421,482	417,796	599,057
Other Revenues ⁽²⁾	<u>227,543</u>	<u>224,393</u>	<u>203,660</u>
Total Revenues	<u>\$38,992,651</u>	<u>\$40,815,012</u>	<u>\$42,383,800</u>

⁽¹⁾ Includes Gross Receipts Tax revenues in the following years (amounts noted in parentheses): 2014 (\$26,350,528), 2015 (\$28,487,347), and 2016 (\$29,421,006). For a description of the Gross Receipts Tax, see "FINANCIAL SYSTEM OF THE CITY-Description of Major Sources of General Fund Revenues".

⁽²⁾ Includes interest income.

GENERAL FUND BUDGET INFORMATION

The following table sets forth the following budget information for the City's General Fund: (1) approved budget for the City's General Fund for the fiscal year ending September 30, 2015; (2) approved budget for the City's General Fund for the fiscal year ending September 30, 2016; and (3) approved budget for the City's General Fund for the fiscal year ending September 30, 2017. The information shown below is unaudited.

RECENT DEVELOPMENTS

Recent Economic Development Events

The City and the surrounding area have experienced significant industrial and commercial growth in recent years. Highlights of this growth include the capital projects at the Honda of Alabama manufacturing facility in Lincoln, Alabama, approximately eight miles from the city limits of the City, and development of the Oxford Exchange and Oxford Commons shopping centers. Oxford Exchange opened in 2006, and Oxford Commons opened in February 2013.

Honda Lincoln Plant

Honda of Alabama opened a manufacturing facility in Lincoln, Alabama, in 2001. The Lincoln plant is the exclusive global production location for the Odyssey minivan, the Pilot SUV, the Ridgeline pickup, the Acura MDX and V-6 engines for each of those products. All four vehicle models produced at the Lincoln plant have gone through a redesign within the past 5 years, which has increased the demand for those models. Honda is planning an \$85 million expansion that is expected to be completed by 2018, for which site work began in early 2017. As of March 2017, the Lincoln plant has over 4,500 employees and produces more than 340,000 vehicles and engines yearly. Overall, Honda has invested more than \$2.2 billion dollars at its Lincoln plant, including \$750 million since 2011.

Kronospan Oxford Facility

Kronospan, an international wood-based products manufacturer based in Austria, announced in 2016 that it would be expanding its Oxford, Alabama, operations. The company plans to spend over \$360 million and hire an additional 160 employees at its location in Oxford. Kronospan has been manufacturing wood-based products in Oxford since 2008, and once the current capital project is completed, will have 270 permanent employees and a total investment of \$650 million in the Oxford facility.

Regional Medical Center

Regional Medical Center opened an \$11 million Mediplex outpatient facility in Oxford in April of 2017. The facility is comprised of 24,000 square feet of space with physician offices, imaging and laboratory technology, occupational health and orthopedic services.

Anniston Army Depot

The City is located adjacent to the United States Department of Defense's Anniston Army Depot, which, along with its private contractors, account for thousands of jobs in the area. The Anniston Army Depot's annual revenue is approximately \$1.5 billion and its annual payroll is over \$400 million. Certain military installations around the United States have been ordered closed during recent years. The Anniston Army Depot has not appeared on any closure list, and, during the most recent round of military installation closures recommended in 2005 by the federal government's Base Realignment and Closure Commission, no significant changes were recommended for the Anniston Army Depot. However, the City can give no assurance that the Anniston Army Depot will not be ordered closed during the life of the obligations offered by this Official Statement or that its employment levels will not be reduced in future years. Further, the City can give no assurance that fluctuations in employment at the Anniston Army Depot will not occur from time to time.

DEBT MANAGEMENT

General

The principal forms of indebtedness that the City is authorized to incur include general obligation bonds, general obligation warrants, general obligation bond anticipation notes, revenue anticipation notes, gasoline tax anticipation bonds, and various revenue anticipation bonds and warrants relating to enterprises. In addition, the City has the power to enter into certain leases which constitute a charge upon the general credit of the City and to guarantee obligations of certain public corporations affiliated with the City.

In general, the issuance of general obligation bonds requires voter approval. The following types of obligations may be issued or incurred without voter approval: (1) general obligation warrants; (2) general obligation refunding bonds; (3) certain revenue anticipation bonds, warrants and notes; (4) general and special obligation bonds financing street, sidewalk and sewer improvements supported, in whole or in part, by assessments; and (5) capitalized lease obligations that are funded on a “year-to-year basis”. The issuance of the City’s General Obligation Warrants, Series 2017A and the City’s Taxable General Obligation Warrants, Series 2017B does not require voter approval.

The City has never defaulted in the payment of debt service on its bonds, warrants or other funded indebtedness, nor has the City ever refunded any funded indebtedness for the purpose of preventing or avoiding such a default.

Issuance of Series 2017A Warrants and Series 2017B Warrants

The City expects that, on or about June 15, 2017, it will issue its General Obligation Warrants, Series 2017A (the “Series 2017A Warrants”) and its Taxable General Obligation Warrants, Series 2017B (the “Series 2017B Warrants”).

Outstanding Indebtedness

Long-Term Indebtedness. Following the issuance of the Series 2017A Warrants and the Series 2017B Warrants, the City will have long-term, general obligation indebtedness outstanding as set forth below.

Description of Indebtedness	Source of Payment	Principal Balance
General Obligation Warrants, Series 2017A	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	\$20,305,000
General Obligation Warrants, Series 2017B	general obligation; secured by subordinate pledge of Gross Receipts Tax ⁽¹⁾	6,185,000
Tax-Exempt General Obligation Warrants, Series 2016A	general obligation; secured by subordinate pledge of Gross Receipts Tax ⁽¹⁾	12,745,000
General Obligation Warrants, Series 2015A	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	22,495,000
PBA Lease Agreement (2015)	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	12,520,000
General Obligation Warrants, Series 2014A	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	17,570,000
General Obligation Warrants, Series 2014B	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	3,130,000
General Obligation Warrants, Series 2013A	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	10,125,000
General Obligation Warrants, Series 2013B	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	1,275,000
General Obligation School Warrants, Series 2012A	general obligation ⁽²⁾	18,675,000
General Obligation Warrants, Series 2012B	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	5,235,000
General Obligation Warrants, Series 2012C	general obligation; secured by pledge of Gross Receipts Tax ⁽¹⁾	9,875,000
CDA Funding Agreement (2011)	general obligation ⁽²⁾	<u>5,635,000</u>
TOTAL		<u>\$145,770,000</u>

⁽¹⁾ The City previously has pledged the Gross Receipts Tax Revenues for the benefit of certain existing indebtedness. The pledge of the Gross Receipts Tax in favor of the Series 2016A Warrants and the Series 2017B Warrants will be subordinate to the pledge thereof for the benefit of certain obligations heretofore issued by the City.

⁽²⁾ As described more particularly under "Funding Agreements, Capital Leases, and Related Arrangements", the City has entered into funding agreements, capital leases, and other arrangements with respect to certain of the City's outstanding indebtedness.

Short-Term Indebtedness. Other than portions of long-term indebtedness due in the current fiscal year, the City has no short-term indebtedness outstanding.

Funding Agreements, Capital Leases, and Related Arrangements

Board of Education Funding Agreement. The Oxford City Board of Education (the "Board of Education") has agreed to pay debt service on the City's General Obligation School Warrants, Series 2012A. Should the Board of Education not have sufficient funds to make its contractual payments in amounts sufficient to

make timely and full payment of the principal of and interest on such warrants, then the City will be required to make such payments.

CDA Funding Agreement. In 2011 the City entered into a funding agreement with The Commercial Development Authority of the City of Oxford in connection with bonds issued by such authority to finance public infrastructure improvements necessary for the construction of a retail shopping development in the City. The City has agreed to pay debt service on such bonds.

PBA Lease Agreement. The City previously has caused The Public Building Authority of the City of Oxford, Alabama (the “PBA”) to issue its Revenue Bonds (City of Oxford Project), Series 2015A (the “Series 2015A PBA Bonds”) for the benefit of the City. The Series 2015A PBA Bonds are special, limited obligations of the PBA, payable solely from, and secured by a pledge of, the revenues and receipts derived by the PBA from the leasing of certain facilities to the City. Such facilities are leased to the City pursuant to a lease agreement for a term not longer than the current fiscal year of the City; provided, however, that such lease agreement contains a grant to the City of successive options to renew the term of the lease agreement annually until the Series 2015A PBA Bonds are paid in full.

Other Indebtedness

In October 2009, the City and GRC Management LLC (“GRC”) entered into a revenue-sharing arrangement intended to incentivize economic development at an existing shopping mall within the City. The revenue-sharing arrangement is a limited obligation of the City and is payable solely out of and secured by a portion of the city sales taxes collected within such shopping mall until 2023, provided that the amount to be remitted shall not exceed \$2,850,000.

Anticipated Indebtedness

The City has no authorized but unissued debt outstanding, other than the Series 2017A Warrants and the Series 2017B Warrants. Except as described in this section, the City does not expect to incur additional long-term indebtedness within the next 12 months.

Within the next six weeks, the City expects to incur additional long-term, general obligation indebtedness in the approximate amount of \$22 million in order to finance certain capital improvements in the City, including redevelopment of a shopping mall. The City estimates that incurrence of this indebtedness will increase the City’s annual debt service payments by approximately \$875,000 from 2017 to 2042 and by approximately \$7 million to \$8 million from 2044 to 2046.

Repurchase Requirements Relating to Certain Indebtedness and the City’s Liquidity Position

Repurchase Requirements on Series 2016A Warrants. The Series 2016A Warrants are subject to repurchase requirements resulting from optional tender rights of the holders or mandatory tender upon the occurrence of certain events. At present, the Series 2016A Warrants are in weekly rate mode and are subject to repurchase on seven days’ notice. The City expects the Series 2016A Warrants to be remarketed in the ordinary course of business after repurchase; however, the ability to complete any such remarketing can be affected by general market conditions at the time and the credit rating of the City. Since the City is providing the liquidity for the Series 2016A Warrants, if the Series 2016A Warrants cannot be remarketed, the City will be required to fund the repurchase of the Series 2016A Warrants with its own funds; no moneys or assets of the City have been earmarked or restricted for such purpose. In that event, the City may elect to convert the Series 2016A Warrants to another interest rate mode or to refinance the debt. If the debt is refinanced, the amortization schedule for the debt is expected to be different from what is shown herein. Additional information regarding the repurchase requirements on the Series 2016A Warrants may be obtained from the City upon request or from the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access System.

Repurchase Requirements on Series 2017B Warrants. The Series 2017B Warrants are subject to repurchase requirements resulting from optional tender rights of the holders or mandatory tender upon the occurrence of certain events. At present, the Series 2017B Warrants are in a term rate mode that ends on September 1, 2021, on which date all Series 2017B Warrants will be subject to mandatory tender. The City expects the Series 2017B Warrants to be remarketed in the ordinary course of business after repurchase; however, the ability to

complete any such remarketing can be affected by general market conditions at the time and the credit rating of the City. Since the City is providing the liquidity for the Series 2017B Warrants, if the Series 2017B Warrants cannot be remarketed, the City will be required to fund the repurchase of the Series 2017B Warrants with its own funds; no moneys or assets of the City have been earmarked or restricted for such purpose. In that event, the City may elect to convert the Series 2017B Warrants to another interest rate mode or to refinance the debt. If the debt is refinanced, the amortization schedule for the debt is expected to be different from what is shown herein. Additional information regarding the repurchase requirements on the Series 2017B Warrants may be obtained from the City upon request or from the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System.

Failed Remarketings and City's Liquidity Position. As described above, while the Series 2016A Warrants and the Series 2017B Warrants remain outstanding, the City will be required to fund the repurchase of such warrants with its own funds if such warrants cannot be remarketed. Such a circumstance is referred to as a failed remarketing. The City has a number of potential sources of funds which it would access in order to respond to a failed remarketing event for such warrants. Among the sources of funds available to the City, the City could elect to liquidate investments held in its General Fund in order to meet any failed remarketing funding requirement on such warrants. At March 31, 2017, the General Fund consisted largely of a diversified portfolio of certificates of deposits approximately \$72 million of which are unrestricted as to use. Additional information regarding the City's liquidity position at March 31, 2017, as well as information regarding the City's liquidity position for prior fiscal periods, may be obtained from the City upon request or from the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System.

Constitutional Debt Limit

Constitutional Debt Limit—General. The City's present constitutional debt limit is based on two provisions of the Alabama Constitution of 1901, namely, Section 225 of the Alabama Constitution of 1901 and Amendment No. 772 to the Alabama Constitution of 1901. Obligations chargeable against debt limit for purposes of Section 225 of the Alabama Constitution of 1901 are not chargeable against debt limit for purposes of Amendment No. 772 to the Alabama Constitution of 1901, and obligations chargeable against debt limit for purposes of Amendment No. 772 to the Alabama Constitution of 1901 are not chargeable against debt limit for purposes of Section 225 of the Alabama Constitution of 1901.

Constitutional Debt Limit—Section 225. Under Section 225 of the Alabama Constitution of 1901, the City's present constitutional debt limit is an amount equal to 20% of the assessed value of the taxable property located within its corporate limits; however, under existing law, the following are not chargeable against the City's constitutional debt limit: (1) obligations chargeable against debt limit for purposes of Amendment No. 772 to the Alabama Constitution of 1901; (2) obligations issued for the purpose of acquiring, providing or constructing schools, water works or sewers; (3) obligations incurred for street or sidewalk improvements where the costs thereof, in whole or in part, are to be assessed against the property abutting such improvements; (4) tax anticipation notes not exceeding one-fourth of general revenues; (5) revenue securities payable solely from the revenues of water, sewer, gas or electric systems; and (6) capitalized lease obligations that are funded on a "year-to-year basis".

The following statement reflects the City's legal debt margin under Section 225 of the Alabama Constitution of 1901 after the issuance of the Series 2017A Warrants and the Series 2017B Warrants:

City of Oxford
Statement of Legal Debt Margin—Section 225

Assessed value of taxable property (including motor vehicles) (as of September 30, 2016)	\$307,846,560
Basic debt limit (20% of assessed value)	61,569,312
Total indebtedness:	
General obligation indebtedness ⁽¹⁾	145,770,000
Less: Non-chargeable indebtedness ⁽²⁾	<u>(100,037,567)</u>
Total indebtedness chargeable against debt limit	<u>45,732,433</u>
Legal debt margin	<u>\$15,836,879</u>

⁽¹⁾ See "Outstanding Indebtedness"

⁽²⁾ The following indebtedness (in the amounts noted in parentheses) is not chargeable against debt limit: (a) CDA Funding Agreement (2011) (\$5,635,000); (b) General Obligation School Warrants, Series 2012A (\$18,675,000); (c) General Obligation Warrants, Series 2012B (\$1,479,217); (d) General Obligation Warrants, Series 2013B (\$1,165,350); (e) General Obligation Warrants, Series 2014A (\$17,570,000); (f) General Obligation Warrants, Series 2015A (\$19,345,700); (g) PBA Lease Agreement (2015) (\$12,520,000); (h) General Obligation Warrants, Series 2017A (\$17,462,200); and (i) Taxable General Obligation Warrants, Series 2017B (\$6,185,000). See "Outstanding Indebtedness".

Constitutional Debt Limit—Amendment No. 772. Under Amendment No. 772 to the Alabama Constitution of 1901, the City may become indebted and issue bonds, warrants which may be payable from funds to be realized in future years, notes, or other obligations, or evidences of indebtedness to a principal amount not exceeding 50% of the assessed value of the taxable property located within its corporate limits in order to secure funds for any of the economic and industrial development powers or authorities granted in such amendment; however, under existing law, obligations chargeable against debt limit for purposes of Section 225 of the Alabama Constitution of 1901 are not chargeable against the City's constitutional debt limit.

The following statement reflects the City's legal debt margin under Amendment No. 772 to the Alabama Constitution of 1901 after the issuance of the Series 2017A Warrants and the Series 2017B Warrants:

City of Oxford
Statement of Legal Debt Margin—Amendment No. 772

Assessed value of taxable property (including motor vehicles) (as of September 30, 2016)	\$307,846,560
Basic debt limit (50% of assessed value)	153,923,280
Total indebtedness chargeable against debt limit ⁽¹⁾	<u>(26,055,000)</u>
Legal debt margin	<u>\$127,868,280</u>

⁽¹⁾ The following indebtedness (in the amounts noted in parentheses) is chargeable against debt limit for purposes of Amendment No. 772 to the Alabama Constitution of 1901: (a) Quintard Mall, Ltd. Project (\$2,850,000); (b) CDA Funding Agreement (2011) (\$5,635,000); and (c) General Obligation Warrants, Series 2014A (\$17,570,000). See "Outstanding Indebtedness", "Funding Agreements, Capital Leases, and Related Arrangements", and "Other Indebtedness". Because obligations chargeable against debt limit for purposes of Section 225 of the Alabama Constitution of 1901 are not chargeable against debt limit for purposes of Amendment No. 772 to the Alabama Constitution of 1901, except for the CDA Funding Agreement, the indebtedness described more particularly under "Outstanding Indebtedness—Long-Term Indebtedness" is excluded from this table.

Debt Service Requirements on General Obligation Debt

The following table contains the debt service requirements on all long-term, general obligation debt of the City that will be outstanding after the issuance of the Series 2017A Warrants and the Series 2017B Warrants.

City of Oxford Debt Service Requirements on General Obligation Debt⁽¹⁾

Fiscal Year Ended	Other General Obligation Indebtedness ⁽¹⁾⁽²⁾⁽³⁾	General Obligation Indebtedness Supported by BOE Funding Agreements ⁽¹⁾⁽²⁾	Total Debt Service
2017	\$6,887,701	\$834,813	\$7,722,513
2018	6,972,506	828,363	7,800,869
2019	6,870,056	836,863	7,706,919
2020	6,797,163	830,219	7,627,381
2021	6,714,050	828,531	7,542,581
2022	7,707,244	826,750	8,533,994
2023	7,639,569	829,513	8,469,081
2024	7,566,281	831,831	8,398,113
2025	7,495,444	833,988	8,329,431
2026	7,695,700	831,063	8,526,763
2027	7,745,488	828,138	8,573,625
2028	7,791,250	830,013	8,621,263
2029	7,827,225	826,688	8,653,913
2030	7,870,100	833,188	8,703,288
2031	7,919,613	1,847,600	9,767,213
2032	7,414,844	1,843,725	9,258,569
2033	7,415,561	1,843,400	9,258,961
2034	7,415,725	1,846,900	9,262,625
2035	7,416,108	1,848,200	9,264,308
2036	7,417,599	1,847,300	9,264,899
2037	7,414,881	1,844,200	9,259,081
2038	7,874,700	1,843,800	9,718,500
2039	7,875,900	1,845,900	9,721,800
2040	7,796,700	1,845,400	9,642,100
2041	7,418,300	1,847,200	9,265,500
2042	7,416,875	1,846,200	9,263,075
2043	<u>7,413,000</u>	<u>-</u>	<u>7,413,000</u>
	<u>\$201,789,582</u>	<u>\$33,779,781</u>	<u>\$235,096,600</u>

⁽¹⁾ Includes the indebtedness shown under "Outstanding Indebtedness". As described more particularly under "Funding Agreements, Capital Leases, and Related Arrangements", the Oxford City Board of Education has agreed to pay debt service on the City's General Obligation School Warrants, Series 2012A.

⁽²⁾ For purposes of this table the principal amount of indebtedness to be retired in a fiscal year pursuant to mandatory redemption provisions is shown as maturing in that fiscal year. For a breakdown of debt service by principal and interest for the Series 2017A Warrants, see "DEBT SERVICE REQUIREMENTS".

⁽³⁾ Interest on the Series 2016A Warrants is variable and is based on an assumed average interest rate of 2%. Interest on the Series 2017B Warrants is variable and is based on an assumed average interest rate of 3%. For a description of the repurchase requirements related to the Series 2016A Warrants and the Series 2017B Warrants (including the potential requirement that the City repay the full principal amount of the Series 2016A Warrants and the Series 2017B Warrants plus accrued interest), see "DEBT MANAGEMENT – Repurchase Requirements Relating to Certain Indebtedness and the City's Liquidity Position".

Direct and Overlapping Debt

The following table reflects the direct debt of the City that will be outstanding after the issuance of the Series 2017A Warrants and the Series 2017B Warrants and the overlapping debt of Calhoun County and governmental entities subordinate to Calhoun County and the City. The table also reflects the overlapping debt of Talladega County. Debt of the State of Alabama is not included in overlapping debt. For purposes of this table, direct and overlapping debt includes only general obligation debt or debt payable from taxes levied by Calhoun

County, Talladega County, and the City or a governmental entity subordinate to Calhoun County, Talladega County, or the City.

Pro Forma Direct and Overlapping Indebtedness

	Principal Balance	Percent of Debt Allocable To City ⁽¹⁾	City's Allocable Share of Debt
<u>Direct Debt</u>			
General obligation bonds or warrants ⁽²⁾	\$145,770,000	100%	\$145,770,000
<u>Overlapping Debt</u> ⁽³⁾			
Oxford City Board of Education	13,659,206	100%	13,659,206
Calhoun County	17,167,604	24%	4,202,393
Talladega County	24,625,000	4%	<u>1,035,016</u>
Total Direct and Overlapping Debt			<u>\$164,666,615</u>

⁽¹⁾ The City's portion of the said overlapping debt of Calhoun County and Talladega County is computed by using a percentage of that debt that corresponds to the percentage of total assessed value of taxable property in Calhoun County and Talladega County that is located in the City.

⁽²⁾ After giving effect to the issuance of the Series 2017A Warrants and the Series 2017B Warrants. See "Outstanding Indebtedness" for a description of the City's outstanding indebtedness.

⁽³⁾ Includes all general obligation debt and other Calhoun County and Talladega County debt payable from county-wide taxes as of September 30, 2016. Includes indebtedness for Oxford City Board of Education as of September 30, 2016 other than indebtedness issued by the City on behalf of the Board of Education and other than debt secured by State of Alabama funds and appropriations.

Debt Ratios

The following table sets forth certain debt ratios applicable to the City:

City of Oxford Debt Ratios	
Population ⁽¹⁾	21,348
Assessed Value of Taxable Property ⁽²⁾	\$307,846,560
Estimated True Value of Taxable Property ⁽³⁾	\$2,301,680,767
General Obligation Debt ⁽⁴⁾	\$145,770,000
General Obligation Debt Per Capita	\$6,828
Ratio of General Obligation Debt to Assessed Value	47.4%
Ratio of General Obligation Debt to Estimated True Value	6.3%
Direct and Overlapping Debt ⁽⁴⁾	\$164,666,615
Ratio of Direct and Overlapping Debt Per Capita	\$7,713
Ratio of Direct and Overlapping Debt to Assessed Value	53.5%
Ratio of Direct and Overlapping Debt to Estimated True Value	7.2 %

⁽¹⁾ Based on 2010 census of U.S. Bureau of the Census.

⁽²⁾ Sources: Calhoun County Revenue Commissioner, Calhoun County License Commissioner, and Talladega County Revenue Commissioner.

⁽³⁾ The estimated true value of taxable property in the City is based on the assessed values provided by the taxing authorities divided by the assessment ratios described more particularly under "AD VALOREM TAXATION".

⁽⁴⁾ After giving effect to the issuance of the Series 2017A Warrants and the Series 2017B Warrants.

AD VALOREM TAXATION

General

The levy and collection of ad valorem taxes in Alabama are subject to the Alabama Constitution, which, among other things, fixes the percentage of market value at which property can be assessed for taxation, limits the tax rates that can be levied against property and places a ceiling on the aggregate ad valorem taxes that can be levied

by all taxing authorities on any property in any tax year. The amount of an ad valorem tax in Alabama is computed by multiplying the applicable tax rate by the assessed value of the taxable property. The assessed value of taxable property is a specified percentage (the "assessment ratio") of its fair and reasonable market value or, in certain circumstances, its current use value. Ad valorem tax rates are stated in terms of mills per dollar of assessed value. Each mill represents a tax equal to one-tenth of one percent of the assessed value of such property.

Classification of Taxable Property

Amendment No. 373 to the Alabama Constitution divides all taxable property into the following four classes valued for taxation according to the assessment ratios shown below:

Class I	All property owned by utilities	30%
Class II	All property not otherwise classified	20%
Class III	All agricultural, forest and single-family, owner-occupied residential property and historic buildings and sites	10%
Class IV	Private passenger automobiles and pickup trucks owned and operated by an individual for personal or private use	15%

Amendment No. 373 permits the owner of Class III property to elect to have such property appraised at its "current use value" rather than its "fair and reasonable market value". "Current use value" has been defined statutorily as the value of such property based on the use being made of it on October 1 of the preceding year, without taking into consideration the prospective value such property might have if it were put to some other possible use.

Assessment Ratio Adjustment

The Alabama Legislature has no power to adjust assessment ratios pertaining to local (as distinguished from state) taxes but does have the power to approve or disapprove an adjustment proposed by a local taxing authority. The governing body of any county, municipality or other local taxing authority may increase or decrease the assessment ratio with respect to any class of property subject to the following conditions: (i) the governing body of such county, municipality or other taxing authority must hold a public hearing on the proposed adjustment before authorizing the adjustment, (ii) the Legislature must adopt an act approving the adjustment and (iii) a majority of the electors of such county, municipality or other taxing authority must approve the adjustment in a special election. In addition, the Legislature has placed the following restrictions on the adjustment of assessment ratios:

(1) If the total assessed value of all property of a single class located within a taxing authority's jurisdiction exceeds 50% of the total assessed value of all taxable property located within the jurisdiction of such authority, then the assessment ratio with respect to that class of property may be decreased by no more than 5% from the ratio otherwise prescribed for such class;

(2) If the total assessed value of all properties of a single class located within the jurisdiction of a local taxing authority is less than 20% of the total assessed value of all taxable property located within such jurisdiction, then the assessment ratio with respect to that class of property may be increased by no more than 5% from the ratio otherwise prescribed for such class; and

(3) If the total assessed value of all property of a single class located within the jurisdiction of a local taxing authority exceeds 75% of the total assessed value of all taxable property located within such jurisdiction, then (i) the assessment ratio with respect to that class of property may be decreased by no more than 5% from the ratio otherwise prescribed for such class and (ii) the prospective assessment ratio for all other classes of property may be increased by no more than 5% from the ratio otherwise prescribed for such classes.

The governing body of the City has not sought to adjust the assessment ratio applicable to any class of taxable property nor does the City have any present plan for any such adjustment.

Rate Adjustments

Amendment No. 373 authorizes any county, municipality or other local taxing authority to decrease any ad valorem tax rate at any time, provided that such decrease does not jeopardize the payment of any bonded indebtedness secured by such tax. Amendment No. 373 also permits a county, municipality or other local taxing authority to increase the rate at which any ad valorem tax is levied, but only if (i) the governing body of such county, municipality or other taxing authority holds a public hearing on the proposed increase before authorizing the increase, (ii) the Legislature adopts an act approving the increase and (iii) a majority of the electors of such county, municipality or other taxing authority subsequently approves the increase in a special election.

Ceiling on Ad Valorem Taxes

Amendment No. 373 also limits the total amount of state, county, municipal and other ad valorem taxes that may be imposed on any class of property in any one tax year. This limitation is expressed in terms of a specified percentage of the fair and reasonable market value of such property. The applicable percentages to the four classes of property are as follows:

Class I	2%
Class II	1 1/2%
Class III	1%
Class IV	1 1/4%

If the total amount of tax otherwise payable with respect to a class of property would exceed the maximum tax limit, the millage rate of each separate tax to which such property is subject must be reduced in the same proportion that the millage levied by or for the benefit of each taxing authority bears to the total millage levied by or for the benefit of all applicable taxing authorities. This provision becomes operative as to the several classes of property only if the total tax rate exceeds the following:

Class I	66 2/3 mills
Class II	75 mills
Class III	100 mills
Class IV	83 1/3 mills

Ad Valorem Tax Rates

Calhoun County. Ad valorem taxes on property in the jurisdiction of the City situated in Calhoun County are currently levied at the following rates:

Taxing Authority	Mills
State of Alabama	6.5
Calhoun County:	
General Fund	6.5
Road & Bridge	3.0
Fire Protection	3.0
Schools	18.5
City of Oxford	<u>10.0</u>
Total	<u>47.5</u>

Source Alabama Department of Revenue.

Talladega County. Ad valorem taxes on property in the jurisdiction of the City situated in Talladega County are currently levied at the following rates:

Taxing Authority	Mills
State of Alabama	6.5
Talladega County:	
General Fund	5.0
Road & Bridge	2.5
Special County Road	2.0
Schools	17.0
City of Oxford	<u>10.0</u>
Total	<u>43.0</u>

Source Alabama Department of Revenue.

Assessed Valuation of Taxable Property

The following table contains the assessed value of taxable property (including motor vehicles but excluding exempt property) in the City (including the portions thereof in Calhoun County and Talladega County) for the tax years ended September 30 of the years indicated.

Year	Assessed Value
2016	\$307,846,560
2015	303,393,060
2014	300,986,560
2013	304,484,280
2012	300,973,040

Sources Calhoun County Revenue Commissioner, Calhoun County License Commissioner, and Talladega County Revenue Commissioner

Largest Ad Valorem Taxpayers

Listed below are the ten largest ad valorem taxpayers in the City and the total amount of ad valorem taxes paid by each during the tax year ended September 30, 2016 (the most recent year for which definitive information is available). The amounts shown under the heading "Total Ad Valorem Taxes Paid" represent the collections during the tax year ended September 30, 2016 from the total state, county, municipal and school district levies (47.5-mills) on property in the City's jurisdiction.

Name of Taxpayer	Total Ad Valorem Taxes Paid	Assessed Value
Calhoun Power Company I, LLC	\$1,282,448	\$26,998,900
Alabama Power Co.	276,916	5,829,820

Wal-Mart Real Estate Business Trust	97,404	2,050,600

Source: Calhoun County Revenue Commissioner

LITIGATION RELATING TO THE CITY

The City is a defendant in several suits and has been notified of various claims against it arising from matters relating to normal operations of a municipality. The City believes that any liability resulting from these suits and claims will be covered by the City's liability insurance, which has customary deductible amounts, or by other funds of the City which will be available to discharge such liability without impairing its ability to perform any of its other obligations.

Recent court decisions have substantially eroded the immunity from tort liability formerly enjoyed by local governmental units in Alabama; however, Chapter 93 of Title 11 of the Code of Alabama (1975) now prescribes certain limits on the liability of local governmental units for bodily injury or death and for damage or loss of property. The limits are presently \$100,000 in the case of bodily injury or death of one person in any single occurrence, \$300,000 in the aggregate where more than two persons have claims or judgments on account of bodily injury or death arising out of any single occurrence, and \$100,000 for damage or loss of property arising out of any single occurrence. The Alabama Supreme Court has held that the limitations prescribed by Chapter 93 are constitutional.

Local governmental units throughout the country increasingly have been subjected to lawsuits - many of which claim damages in large amounts - for alleged denials of civil rights under the provisions of Section 1983 of Title 42 of the United States Code. While the question is not free from doubt, it should be assumed that existing Alabama statutory limitations on liability for personal injury would not serve to limit liability under Section 1983.

ECONOMIC AND DEMOGRAPHIC INFORMATION

General

The City is located in northeastern Alabama. Although a portion of the City lies within Talladega County and Cleburne County, most of the City lies within Calhoun County. Hence, the information presented in this "ECONOMIC AND DEMOGRAPHIC INFORMATION" section relates to Calhoun County.

Population

The City estimates that, due to recent annexations (see "THE CITY – Recent City Annexations") and general growth, its current population is 21,348. The following table sets forth population statistics for the State of Alabama, Calhoun County, and the City for the years indicated.

	1970	1980	1990	2000	2010
State of Alabama	3,444,354	3,894,025	4,040,389	4,447,100	4,779,736
Calhoun County	103,092	119,761	116,032	112,249	118,572
City of Oxford	4,361	8,939	9,362	14,592	21,348

Source: U.S. Census Bureau; City of Oxford.

Employment

The following table sets forth estimated nonagricultural wage and salary employment statistics for Calhoun County as of a recent date:

Calhoun County Nonagricultural Employment by Industry

	Number Employed	%
Public Administration	6,258	16.5%
Manufacturing	5,924	15.6%
Retail Trade	5,889	15.5%

⁽²⁾ Located in Talladega County, which is adjacent to Calhoun County.

Source Economic Development Partnership of Alabama.

Income Levels

Median family income is defined by the U.S. Census Bureau as the amount which divides the income distribution of families into two equal groups, half having incomes above the median, half having incomes below the median. For the year 2017, the U.S. Department of Housing and Urban Development estimates the following with respect to median family income levels in the jurisdictions indicated:

	Median Family Income
Calhoun County	\$53,000
State of Alabama	55,500
United States	68,000

Source: University of Alabama, Center for Business and Economic Research

Education

The County is home to Jacksonville State University, which has a total current enrollment of 8,514 students, and Gadsden State Community College (Ayers Campus). Although enrollment information is not available for the Ayers Campus, total enrollment for all six of Gadsden State's campuses (some of which are located outside Calhoun County) is over 5,109 students. The Calhoun County Board of Education's primary and secondary school system consists of 18 schools with an enrollment of approximately 8,716 students.

The Oxford City Board of Education operates 4 elementary schools, 1 middle school and 1 high school. There are presently enrolled in these schools approximately 4,107 students (approximately 2,229 elementary school students, 598 middle school students, and 1,280 senior high school students). Present enrollment in the system has increased from approximately 3,000 in 2000. In order to accommodate the school system's rising enrollment, since 2000, the Board of Education has undertaken approximately \$46 million in capital improvements. The present middle school facility opened in 1998. The facility which houses fifth and sixth grade programs was opened in 2006. A new k-4 grade building opened at DeArmanville Elementary in fall 2011. A facility for the remaining grades at Oxford High School opened in 2010. A new career technical education building opened in fall 2015.

Health Care Services

In September of 2016, the Board of Directors of Regional Medical Center was restructured into The Health Care Authority of the City of Anniston. As a result, the following two hospitals are located in the County: Regional Medical Center, Anniston, Alabama, a 323-bed facility; and Regional Medical Center, Jacksonville, Alabama, a 104-bed facility. Additionally, the operator of Regional Medical Center opened RMC Oxford Mediplex, a new outpatient specialty clinic in the City of Oxford, in April 2017. In March of 2017, Community Health Systems announced it is selling Stringfellow Memorial Hospital, Anniston, Alabama, a 125-bed facility, to The Health Care Authority of the City of Anniston. The deal closed in April 2017.

Utilities

Electricity is supplied to the residents of the City by Alabama Power Company. Natural gas service is supplied by Alabama Gas Corporation. Water and sewer services are supplied by The Water Works and Sewer Board of the City of Oxford.

Recreational Facilities

Recreational assets of the City of Oxford include a children's playground, tennis courts, covered picnic pavilions, horseshoe pits, and volleyball area, swimming pool and separate ball complexes consisting of softball fields, soccer fields, and baseball fields along with batting cages all make up an area around Oxford Lake. Construction is complete on the renovations at the Oxford Lake area. These changes include 3 new boathouse pavilions, a new walking track, lake improvements which included a new retaining wall, fountains, security cameras, and new lighting and softball complex improvements. In 2004, the City purchased Cider Ridge an 18-hole public golf course, clubhouse and related amenities that previously were owned by the Public Parks and Recreation

Board of the City of Oxford. The City has recently completed cart path, drainage, and irrigation system improvements at the course.

The City has also completed renovations to the Oxford Civic Center. These changes include an additional 26,000 square feet to the Civic Center, which doubled the size, new meeting rooms, and gym upgrades. The City also has completed renovations to the old City Hall in downtown Oxford for use as a performing arts center. The performing arts center seats over 1,100 people and holds various concerts.

The City has constructed a new Miracle Field for handicapped children, which is located beside the current softball complex. This field was dedicated in March 2015.

The City has constructed Choccolocco Park, which includes baseball, softball, soccer, and track and field facilities, as well as a walking track, and several playgrounds. Choccolocco Park opened in October 2016. The baseball facility at Choccolocco Park consists of four baseball fields and a signature baseball field. Additionally, it features 16 batting cages; the City expects that the facility will host showcases, Baseball for Youth games and tournaments, travel ball tournaments, college baseball games and tournaments, and junior college games and tournaments. The softball facility at Choccolocco Park consists of five softball fields and a signature softball field; besides serving as the new Oxford High School Yellow Jackets home field, the City expects that the facility will host showcases, college games and tournaments, junior college games and tournaments, travel ball tournaments, and slow pitch softball tournaments. Choccolocco Park features four soccer fields. It serves as home for all Oxford Parks and Recreation Department soccer leagues; the City expects that the fields will be used to host travel soccer tournaments, clinics, camps, and other regional and state events. The City expects that the track and field facility at Choccolocco Park will host Oxford High School track meets as well as regional and state track meets, travel circuit meets, and college events.

Transportation

The City is served and traversed by Interstate Highway 20, U.S. Highways 78 and 431, and Alabama Highways 21 and 202. Amtrak provides passenger rail service to adjoining Anniston, Alabama. Also, Greyhound provides bus service to nearby Anniston, Alabama.

The City is also served by Anniston Regional Airport, a city-owned public-use airport located six miles southwest of the City of Anniston. The airport covers an area of 596 acres, and has one asphalt runway 7,000 feet by 150 feet, and over 500,000 square feet of paved apron and seal coated tile ramp. This facility accommodates dual wheel aircraft up to 500,000 pounds. An FAA Flight Service Station is located on the field, as well as fire and emergency support 24 hours a day, 7 days a week. There is no commercial airline service available at the airport. The nearest commercial airline service is at the Birmingham-Shuttlesworth International Airport, which is approximately 60 miles from the City.

MANAGEMENT'S DISCUSSION AND ANALYSIS

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

The City of Oxford, Alabama (the City)'s discussion and analysis is a narrative overview designed to:

- (a) assist the reader in focusing on significant financial issues
- (b) provide an overview of the City's financial activity
- (c) identify changes in the City's financial position (revealing the ability to address future challenges)
- (d) identify any material deviations from the financial plan (the approved budget)
- (e) identify individual fund issues and concerns

The Management's Discussion and Analysis (MD&A) focuses on the activities of the City of Oxford, Alabama for the fiscal year ended September 30, 2016. Please consider the information in this MD&A in conjunction with the City's financial statements.

Financial Highlights

- The total net position of the City of Oxford's primary government was \$128,804,724, at the close of the fiscal year ended September 30, 2016.
- As of the close of the current fiscal year, the City of Oxford's governmental funds reported combined ending fund balance of \$90,658,176 a decrease of \$12,796,842 in comparison with the prior year. The general fund unassigned fund balance is \$56,578,142, the restricted fund balance was \$8,565,215, the assigned fund balance was \$2,702,530, and the non-spendable fund balance was \$203,399.
- The City of Oxford again supported its school system with an appropriation of \$5,541,384. Over the past 30 years the City has appropriated more than \$100,000,000 making the school system the recipient of the City's most substantial appropriation.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

Financial Highlights (Continued)

The City of Oxford's total bonded indebtedness increased by \$10,190,000 during the current fiscal year. The increase was due the issuance of the 2016-A and 2016-B G.O. Warrants.

During fiscal year 2016, the City of Oxford added two bond issues, one was for the partial refunding of the 2007-A G O Warrants. Bond proceeds and the portion of the savings from the partial refunding will be spent to fund certain capital improvements within in the City.

- The City of Oxford's total fund balance remained over one hundred million for ten consecutive years. However, this went from 103,455,018 to 90,658,176 in 2016

Total of all City Fund Balances for Last 13 years

City General Fund Unreserved Balances Last 13 years
Average past 12 years \$91,301,509

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City of Oxford's basic financial statements. The City of Oxford's basic financial statements comprise of three components:

- (1) government-wide financial statements
- (2) fund financial statements
- (3) notes to the financial statements

This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide Financial Statements

The *government-wide financial statements* are designed to provide readers with an overview of the City of Oxford's finances, in a format similar to private-sector business. In these statements only governmental activities are reflected due to the nature of operations of the City of Oxford's primary government.

The *statement of net position* (See Table 1) presents information on all of the City of Oxford's assets and deferred outflows of resources and liabilities and deferred inflows of resources, with the difference between the two reported as *net position*. This statement combines and consolidates governmental funds current financial resources (short-term spendable resources) with capital assets and long-term debt. Over time, increases or decreases in net position may serve as a useful indicator as to whether the overall financial position of the City of Oxford is improving or deteriorating.

The *statement of activities* (See Table 2) presents information focused on both gross and net costs and reflects how the City's net position changed during the most recent fiscal year. This statement is intended to summarize and simplify the user's analysis of the costs of various governmental services and/or subsidies to various charges for related services. Revenues are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City of Oxford that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to typically recover all or a significant portion of the costs of operation, including depreciation, through user fees and charges for services. The governmental activities of the City of Oxford include general government, public safety, public works, health and welfare, civil service, and culture and recreation.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

Fund Financial Statements

Traditional users of governmental financial statements will find the fund financial statements presentation more familiar. This focus is on major funds, rather than fund types, as reflected in the previous model's statements prior to the implementation of GASB 34. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Oxford, like other state and local governments, uses fund accounting to ensure and to demonstrate compliance with finance-related legal requirements. Governmental, proprietary, and fiduciary are the three fund types.

The *Fund Financial Statement* allows the demonstration of sources and users and/or budgeting compliance associated therewith. Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*. The *Governmental Funds* are presented on a "sources and uses" of liquid resources basis. This is the manner in which the financial plan (the budget) is typically developed. The flow and availability of liquid resources is a clear and appropriate focus of any analysis of a government. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. Unlike the government wide financial statements, governmental fund financial statements focus on *near-term inflows, outflows, and balances of spendable resources*.

The City of Oxford maintains four individual governmental fund types—the general fund, the special revenue funds, the debt service fund, and the capital projects fund. Information is presented as "major funds" or as "non-major funds". Based on criteria set forth by GAAP, the funds qualifying as a major fund are the general fund, debt service fund and the capital project fund. The remaining funds are presented as "other governmental funds" in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balance.

The City of Oxford adopts an annual appropriated budget for its general, special revenue, debt service, and capital projects funds. A budgetary comparison statement has been provided for each major fund to demonstrate compliance with the budget applicable to each respective fund.

Proprietary Funds. There are no proprietary funds in the primary government of the City of Oxford; however, the City maintains two discretely presented component units, which are proprietary funds (The Oxford Water Works and Sewer Board and Oxford Emergency Medical Services, Inc.). *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

Fund Financial Statements (Continued)

The Governmental Funds total column requires reconciliation because of the different measurement focus (current financial resources versus total economic resources) which is reflected on the page following each statement. The flow of current financial resources will reflect bond proceeds and inter-fund transfers as other financial sources, as well as capital expenditures and bond principal payments as expenditures. The reconciliation will eliminate these transactions and incorporate the capital assets and long-term obligations (bonds and others) into the Governmental Activities column (in the government-wide statements).

Infrastructure Assets. Until the implementation of Governmental Accounting Standards Board (GASB) Statement 34, the City's general fund assets were not reported nor depreciated in the governmental financial statements. The City elected to depreciate these assets over their useful life. The infrastructure portion related to general governmental activities, as stated in GASB Statement 34, requires that these assets (infrastructure-roads, bridges, traffic signals, underground pipes [not associated with the water or sewer departments], etc.) be valued and reported within the Governmental column of the Government-wide Statement.

Notes to the financial statements. The notes provided in this report convey additional essential information that will provide on the understanding of the data in the government-wide and fund financial statements.

Additional information. In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* concerning the City of Oxford's progress in funding its obligation to provide pension benefits to its employees. This information also gives details of budget and actual comparisons, along with other useful information.

The combining statements are presented as supplemental information immediately following the notes to the financial statements.

Government-wide Financial Analysis

The City's net position of the primary government increased by \$2,052,638. Management will continue to monitor this amount because the variance is a useful indicator of the City's financial position.

The portion of the City of Oxford's net position that reflects the total investment in capital assets (e.g., land, building, machinery, and equipment) less any related outstanding debt used to acquire those assets is 35% of the total net position. The City of Oxford uses these capital assets to provide services to citizens. These assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets cannot be used to pay for or liquidate these liabilities.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

Government-wide Financial Analysis (Continued)

Normal Impacts Affecting the Statement of Net Position

There are six basic/normal transactions that will affect the comparability of the Statement of Net Position summary presentation.

Net results of activities – will either increase or decrease current assets and unrestricted net position.

Incurring debt for capital outlay – will increase current assets and long-term debt.

Spending borrowed funds on capital outlay – will reduce current assets and increase capital assets. There is a second impact, however, an increase in invested-in capital assets and an increase in related net debt which will not change the invested-in capital assets, net of debt.

Spending of non-borrowed current assets on new capital outlay – will (a) reduce current assets and increase capital assets and (b) reduce unrestricted net position and increase invested-in capital assets, net of debt.

Principal payment on debt – will (a) reduce current assets and reduce long-term debt and (b) reduce unrestricted net assets and increase invested-in capital assets, net of debt.

Reduction of capital assets through depreciation – will reduce capital assets and invested-in capital assets, net of debt.

The reduction in the fund balance was due to transfers to the capital projects fund for payment of ongoing capital projects in the City.

While the results of operations is a significant measure of the City's activities, the explanation of changes in unrestricted net position provides a clear measure of change in the City's financial position.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

Statement of Activities

General fund budget for operating revenues increased by \$1,167,015. The reason for the increase in revenues during the fiscal year 2016 was due to the completion of construction projects resulting in new revenues and an increase in sales tax.

- The City of Oxford experienced a \$933,659 increase in gross receipts tax revenue which totaled \$29,421,006 for the fiscal year 2016. This increase was due to new businesses and increased sales in the city.
- The City of Oxford experienced an \$89,101 increase in Parks and Recreation revenue for FY 2016 which totaled \$996,708 (excluding Cider Ridge). The increase was due to the finalizing the construction at PARD which enabled the department to offer more programs and an increase in ticket sales at the Performing Arts Center.
- As of the end of the current fiscal year, the City of Oxford's governmental funds reported combined ending fund balances of \$90,658,176 a decrease of \$12,796,842 when compared with the prior year. Of this total fund balance, \$64,907,151 constitutes the *unassigned fund balance* for all governmental funds, which is available for spending at the government's discretion. Inventories and prepaid inventories have a non-spendable fund balance of \$203,399, and Cider Ridge has an assigned fund balance of \$2,702,530. The remainder of the fund balance is *restricted* to indicate the amount not available for new spending because of previous contractual commitments for the prior period. Law enforcement has a reserved fund balance of \$9,618, and the restricted fund balance for construction projects are \$8,484,488. Fund balance reserved for debt service is \$2,939,952 and fund balance reserved for street construction and improvements is \$4,747,805.

The general fund is the primary operating fund of the City of Oxford. At the end of the current fiscal year, the unassigned fund balance of the General Fund was \$56,578,142, while the total general fund balance reached \$68,049,286. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. This is relevant in assessing the City of Oxford's financing requirements. In particular, unassigned fund balance may serve as a measure of a government's net resources available for spending at the end of the fiscal year. The total fund balance for the general fund exceeds total general fund expenditures by \$32,462,058 while total fund balance of all governmental funds exceeds total expenditures by \$17,970,767.

The unassigned fund balance of the City of Oxford's general fund decreased by \$10,782,810 during the current fiscal year.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

Budgetary Highlights

The budget for the City of Oxford has historically remained relatively constant as to the revenues and expenditures for each fund. Some highlights of significant variances are discussed below:

- Budgeted expenditures in the General Fund allocated for increases in salaries and related benefits. The increase comes from cost-of-living adjustments, additional personnel, and various incentives offered to its retirees by the City.
- The initial budget for the general fund's operating expenditures increased \$316,781. With this increase the City is able to continue to offer its citizens services, such as, free garbage pickup and free debris removal.
- The City of Oxford decreased budgeted expenditures to the School Board by \$33,000 from the previous year. The decrease was the budgeted for the decrease in fuel expense. The remaining budgeted amount reflects 1% gross receipts tax budgeted for the City of Oxford, which is allocated for educational purposes.

The City of Oxford issued 2016-A and 2016-B G O Warrants to partially refund the 2007-A GO Warrants for a cost savings to the City and to fund several capital improvements within the city..

Capital Assets

At the end of September 30, 2016, the City had \$169,554,304 invested in a broad range of capital assets, including police and fire equipment, buildings, park facilities, roads, bridges, and water and sewer lines (see table below). This amount represents a net increase (including additions and deductions) of \$23,738,950 over last year.

Capital Assets at Year-end

Governmental Activities:

	<u>2016</u>	<u>2015</u>	<u>Change</u>
Land and Improvements	\$ 32,274,987	\$ 31,834,305	\$ 440,682

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF OXFORD, ALABAMA

September 30, 2016

Capital Assets (Continued)

Major additions to construction in progress included expenses associated with the Athletic Complex, garage/street facility, maintenance department facility, special operations building, Veteran's Park, and a fire station in the Friendship community.

Debt Outstanding

As of the fiscal year end, the City of Oxford had \$127,130,000 gross bonded debt outstanding compared to \$116,940,000 last fiscal year end. The total debt increased by \$10,190,000 during the current fiscal year due to issuance of the 2016-A GO Warrants and the advanced refunding of the 2007-A GO Warrants with the issuance of the 2016-B GO Warrants.

Outstanding Debt at Year-end

Governmental Activities:

	<u>2016</u>	<u>2015</u>	<u>Change</u>
General Obligation Bonds	<u>\$ 127,130,000</u>	<u>\$ 116,940,000</u>	<u>\$ 10,190,000</u>

Additional information on the City of Oxford's long-term debt can be found in *Note 10—Long Term Debt* of this report.

Economic Factors

The City relies on taxes (sales, gross receipts, rental, gasoline, etc.), fees (licenses, permits, etc.), and fines (public safety) for their governmental activities. The primary source of revenue is gross receipts taxes. There are a limited number of state-shared revenues and recurring and non-recurring (one-time) grants from both state and federal governments.

In the business-type and certain governmental activities (water, sewer, recreational programs, etc.) the user pays a related fee or charge associated with the service.

The levels of taxes, fees, and charges for services have a direct bearing on the City's ability to (a) annex additional land into its corporate limits and (b) encourage development (office, retail, residential and commercial) to locate in the jurisdiction. The City places significant emphasis on encouraging both annexation and economic development.

Financial Information Contact

The City of Oxford's financial statements are designed to present users (citizens, taxpayers, customers, investors, and creditors) with a general overview of the City's finances and to demonstrate the City's accountability. If you have any questions about the report or need additional financial information, contact the City's Finance Director, Aimee Birchfield, at 145 Hamric Drive East, Oxford, Alabama 36203.

INDEPENDENT AUDITORS' REPORT

To the Mayor and City Council
City of Oxford, Alabama

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Oxford, Alabama, as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Oxford Water Works and Sewer Board, the discretely presented component unit, whose statements reflect total assets of \$49,536,865 as of September 30, 2016, and total revenues of \$5,851,032 for the year then ended. Those financial statements were audited by other auditors whose report has been furnished to use, and our opinion, insofar as it relates to the amounts included for the Oxford Water Works and Sewer Board is based solely on the report of the other auditors. We audited the financial statements of the Oxford City Board of Education and the Oxford Emergency Medical Services, Inc., the discretely presented component units, as part of separate audit engagements, and issued our report thereon dated February 21, 2017 and February 14, 2017, respectively. Our opinions, insofar as it relates to the amounts included in the Oxford City Board of Education and the Oxford Emergency Medical Services, Inc., is based solely on the reports dated February 21, 2017 and February 14, 2017, respectively. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit, the report of other audits on the financial statements of the Oxford Water Works and Sewer Board, and on our reports on the financial statements of the Oxford City Board of Education on Oxford Emergency Medical Services, Inc., the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Oxford, Alabama, as of September 30, 2016, and the respective changes in financial position and where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis (pages i through xi), the pension related schedules (pages 55 through 58), retiree health plan schedules (page 59), and the budgetary comparison schedules (pages 60 through 63), respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Oxford, Alabama's basic financial statements. The combining and comparative fund statements and the detailed budgetary comparison schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and comparative fund statements and the detailed budgetary comparison schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. We have applied certain limited procedures to the supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 28, 2017, on our consideration of the City of Oxford, Alabama's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Oxford, Alabama's internal control over financial reporting and compliance.

CITY OF OXFORD, ALABAMA

RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION

FOR THE YEAR ENDED SEPTEMBER 30, 2016

Fund Balances - Total Governmental Funds	\$ 90,658,176
--	---------------

Amounts reported for governmental activities in the Statement of Net Position
are different because:

Capital assets and other long term assets used in governmental activities are not financial
resources and, therefore, are not reported in the funds.

Total Governmental Capital Assets	\$ 173,941,740	
Less: Depreciation Expense	<u>(4,387,436)</u>	169,554,304

Contributions to the pension plan and pension earnings in the current fiscal year are deferred outflows of resources on the statement of net position.	2,145,712
---	-----------

Interest on long-term debt and interest receivable on long-term revenue is not accrued in governmental funds, but rather is recognized as an expenditure when due and as revenue when earned. This amount is accrued interest payable at September 30, 2016.	(1,242,927)
--	-------------

Bond discounts, premiums, and deferred (gain)loss on refunding are not amortized in
governmental funds. In preparing the government-wide financial statements, these items
are amortized over the life of the bond. The unamortized portion is reported in the statement
of net position as a deferred outflow of resources or a deferred inflow of resources.

Bond Discounts	\$ 980,143	
Deferred Charges on Advanced Refundings	5,497,987	
Bond Premium	<u>(4,407,606)</u>	2,070,524

Long-term liabilities are not due and payable in the current period and therefore are not
reported as liabilities in the governmental funds. These liabilities at the year end consist of:

Bonds and Warrants Payable	\$ (127,130,000)	
Net Pension Liability	(4,652,314)	
Net Other Post Employment Benefit Obligation	<u>(2,598,751)</u>	<u>(134,381,065)</u>

Net Position - Total Governmental Activities	<u><u>\$ 128,804,724</u></u>
--	------------------------------

The accompanying Notes to the Financial Statements are an integral part of this statement.

CITY OF OXFORD, ALABAMA

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES
IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

FOR THE YEAR ENDED SEPTEMBER 30, 2016

 Net Changes in Fund Balances - Total Governmental Funds \$ (12,796,842)

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays were exceeded by depreciation and other adjustments in the current period.

Capital Outlay	\$ 28,126,386	
Less: Depreciation Expense	<u>(4,387,436)</u>	23,738,950

Revenues (expenses) in the statement of activities that do not provide current financial resources (uses) are not reported as revenues (expenses) in the funds. This amount is the net effect of these differences in the treatment of revenues (expenses) and receivables (payables) on both the fund level and government-wide level financial statements.

Accrued Interest Payable as of September 30, 2015:	\$ 1,189,580	
Accrued Interest Payable as of September 30, 2016:	<u>(1,242,927)</u>	
Net Change in Accrued Interest Payable:		(53,347)

The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Those transactions have no effect on net position.

Proceeds from Issuance of Long-Term Debt	\$ (16,625,000)	
Principal Payments	6,435,000	
Current Year Deferred Loss on Refunding	181,920	
Current Year Bond Discount	<u>170,208</u>	(9,837,872)

Expenses reported in the Statement of Activities that do not require use of current resources and are not reported as expenditures in government funds:

Net Other Post Employment Benefits Obligation	\$ (507,122)	
Amortization of Interest on Bond Refund Gain/Loss	(293,797)	
Amortization of Interest on Bond Premium	341,380	
Amortization of Interest on Bond Discounts	(41,305)	
Compensated Absences	851,399	
Pension Expense	<u>528,534</u>	879,089

Contributions to the pension plan in the current fiscal year are not included on the statement of activities.

Contributions in Current Fiscal Year	\$ 818,309	
Contributions in Prior Fiscal Year	<u>(695,649)</u>	<u>122,660</u>

Change in Net Position of Governmental Activities - Primary Government	<u>\$ 2,052,638</u>
--	---------------------

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

The City of Oxford, Alabama (the City) was originally incorporated in 1852. In 1860, Benton County, Alabama became Calhoun County, Alabama and the City reincorporated. The form of government for the City is a Council / Mayor form, where the legislative functions of the City are exercised by the council. The City is governed by an elected mayor and five-member council who are elected at large for concurrent terms of four years from the City. The City complies with accounting principles generally accepted in the United States of America (GAAP). The City's reporting entity applies all relevant Governmental Accounting Standards Board (GASB) pronouncements.

Accounting principles generally accepted in the United States of America require that the City report the entire reporting entity which consists of the City of Oxford, Alabama (the primary government) and its component units, entities for which the City is considered to be financially accountable. The City has six blended component units, which are part of the government's operations and are included with the City's primary government. The City has three discretely presented component units, which is presented in separate columns in the basic financial statements to emphasize the fact that it is legally separate from the City. The component units discussed below are included in the City's reporting entity because of the significance of their operation or financial relationships with the City. All presented component units have a September 30 year end.

The blended component units include the Oxford Civil Service Board, the Oxford Public Library, the Oxford Planning Commission, Cider Ridge Golf Club, the Public Building Authority, and the Commercial Development Authority. These component units are financially dependent upon the City since (a) the governing boards of these component units are selected by the City Council, (b) the City must approve key management designations by the governing boards, (c) the annual operating budgets, if applicable, of these component units require approval of the City prior to adoption, and (d) the City has absolute authority over all funds of these component units.

The discretely presented component units include the Oxford City Board of Education, the Oxford Water Works and Sewer Board, and the Oxford Emergency Medical Services, Inc. The discretely presented component unit columns in the government-wide financial statements include financial data of these component units. These component units are reported in a separate column to emphasize they are legally separate from the City.

Oxford City Board of Education – The Oxford City Board of Education's governing body is appointed by the City. The City has issued bonds for the board of education and is obligated for the debt. The City also provides annual appropriations to the Board.

(Continued)

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

A. REPORTING ENTITY (Continued)

Oxford Water Works and Sewer Board – The City appoints the members of the governing board and City has the ability to modify or approve water rates. The City has built, by bond indebtedness, a water and sewer facility from which the Board receives all revenues. The City pays debt service for the bond issues. The City has issued bonds to upgrade the sewer facilities. At the end of the construction period, these assets were transferred to the Oxford Water Works and Sewer Board. The City also provides the employees of the Board with pensions through the City's retirement pension plan.

Oxford Emergency Medical Services, Inc. – The City Council appoints the members of the governing board of the Oxford Emergency Medical Services, Inc. The Board establishes, maintains, and operates ambulance services within the municipality of the City of Oxford, Alabama. The City provides annual appropriations to assist with the daily operations of the Board.

Complete financial statements for the City's major discretely presented component units may be obtained directly at each respective administrative office.

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government and its discretely presented component units. For the most part, the effect of any interfund activity has been removed from these statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support. Likewise, the *primary government* is reported separately from certain legally separate *discretely presented component units* for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function. *Program revenues* include: (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Major individual governmental funds are reported as separate columns in the fund financial statements. Nonmajor funds are combined in a column in the fund financial statements and detailed in the combining section. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements. The City of Oxford, Alabama's primary government currently has no proprietary or fiduciary funds to report.

(Continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. MEASUREMENT FOCUS BASIS OF ACCOUNTING AND FINANCIAL STATEMENT PRESENTATION

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental funds are used to account for the City's general government activities. Governmental fund financial statements use the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they are "measurable and available"). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within sixty (60) days of the end of the fiscal period. Expenditures generally are recorded when the related fund liability is incurred, as in accrual accounting. However, debt service expenditures are recognized only when payment is due. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

Licenses and permits, charges for services, fines and forfeitures and miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded as earned since they are measurable and available. Property taxes collected by the county on behalf of the City are recorded as earned since they are measurable and available, and recorded as receivables when their amount becomes known.

Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the government-wide financial statements, a reconciliation is presented on the page following each statement, which briefly explains the adjustments necessary to transform the fund-based financial statements into the governmental column of the government-wide presentation.

The City reports the following major governmental funds:

General Fund – The General Fund is a major fund and is the principal fund of the City and is used to account for all revenues and expenditures applicable to the general operations of the City government, which are not properly accounted for in another fund.

Debt Service Fund – The Debt Service Fund is used to account for the accumulation of resources for, and the payment of, general long-term debt, including principal, interest, and related costs.

Capital Projects Fund – The Capital Projects Fund is used to account for and demonstrate compliance with legal and contractual provisions and to compile cost data related to financial resources designed to construct or acquire general fixed assets and major improvements.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. MEASUREMENT FOCUS BASIS OF ACCOUNTING AND FINANCIAL STATEMENT PRESENTATION (Continued)

The City reports the following governmental fund types in the "Nonmajor Funds" column:

Special Revenue Funds – The Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted or designated by outside sources to expenditures for specific purposes.

Public Building Authority – The Public Building Authority is a blended component unit of the City of Oxford, Alabama. It was established to provide rental property to the City.

Commercial Development Authority – The Commercial Development Authority is a blended component unit of the City of Oxford, Alabama.

The activities in these funds are reported as governmental activities in the government-wide financial statements.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the government-wide financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board (GASB).

During the course of normal operations, the City has numerous transactions between funds to provide services, to pay debt, etc. These transactions are generally reflected as operating transfers except for transactions reimbursing a fund for expenditures made by it for the benefit of another fund. These transactions are recorded as expenditures in the reimbursing fund and as reductions of the expenditures in the fund reimbursed. As a general rule, the effects of interfund activity have been eliminated from the government-wide financial statements.

D. ASSETS, LIABILITIES, AND NET POSITION OR EQUITY

1. Deposits and Investments

The City's cash and cash equivalents are considered to be cash on hand, demand deposits, or short-term investments with original maturities of three months or less from the date of acquisition. State statutes authorize the City to invest in obligations of the U.S. Treasury, State of Alabama, Alabama counties, or the general obligations of Alabama municipalities. Cash in excess of current City requirements are invested in various savings accounts or certificates of deposit.

Investments for the City are certificates of deposit from local banks with varying maturities and interest rates. They are stated at the face value of the certificate. Accrued interest income on investments is reported separately on the financial statements.

2. Receivables

All trade and note receivables are shown net of an allowance for uncollectibles.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. ASSETS, LIABILITIES, AND NET POSITION OR EQUITY (Continued)

3. Property Tax

All property taxes levied by the State, County, and any local municipality in Calhoun County are assessed by the Tax Assessor and collected by the Tax Collector of Calhoun County. The Calhoun County property tax calendar specifies the following actions and rates:

Levy (assessment) Date	September 30
Lien Date	September 30
Due Date	October 1
Collection Dates	October 1 to December 31
Delinquent Date	January 1

Tax collections received by the Tax Collector of Calhoun County are remitted to the City on a monthly basis. All amounts remitted to the City within the bill paying period are included in revenue. Taxes collected by the Tax Collector of Calhoun County within the fiscal year, but remitted to the City after the fiscal year end is accrued.

4. Inventories and Prepaid Expenses

Inventories consist of various supplies held for consumption. Inventories are carried at the lower of cost or market using the first-in, first-out method.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid expenses in both the government-wide and fund financial statements.

The cost of inventory and prepaid items are equally offset by a net position / fund balance reserve which indicates that they do not constitute "available, spendable resources" even though they are a component of assets.

5. Interfund Activity

Interfund activity is reported as either "Due to / from Other Funds" in the fund level Balance Sheet – Governmental Funds or "Transfer to / from Other City Funds" in the fund level Statement of Revenues, Expenditures, and Changes in Fund Balances – Governmental Funds. These items represent loans, services provided, reimbursements, or transfers between governmental funds. All interfund transactions between governmental funds are eliminated as part of the reconciliation to the government-wide financial statements.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. ASSETS, LIABILITIES, AND NET POSITION OR EQUITY (Continued)

6. Capital Assets

Capital assets, which include land, buildings and improvements, machinery and equipment, vehicles, and infrastructure (i.e., roads, sidewalks, and bridges) are reported in the governmental activities column in the government-wide financial statements. Capital assets are recorded at historical stated cost if purchased or constructed, or estimated historical cost if inadequate records were available to determine the actual cost. Donated capital assets are recorded at estimated fair market value at the date of donation. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Capital assets of the primary government are depreciated using the straight line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and Building Improvements	25 - 40
Machinery and Equipment	5 - 10
Vehicles	5 - 10
Infrastructure	20 - 40

The City has a collection of artifacts and books presented for public exhibition and education that is being preserved for future generations. The proceeds from sales of any pieces of the collection are used to purchase other acquisitions. The collections are not capitalized or depreciated as part of capital assets.

7. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position and/or balance sheet – governmental funds will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has four items that qualifies for reporting in this category. One item is deferred charges on refundings reported in the government-wide statement of net position. A deferred charge on refunded debt results from the difference in carrying value of the refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The second item is discounts on bond issuances and is being amortized over the remaining life of the bond as part of interest expense. The other two items that qualify for reporting in this category is the contributions to the pension plan subsequent to the plan measurement date and the net difference between projected and actual earnings on plan investments, and is reported only in the governmental activities statement of net position. No deferred outflows of resources affect the governmental fund financial statements.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. ASSETS, LIABILITIES, AND NET POSITION OR EQUITY (Continued)

7. Deferred Outflows/Inflows of Resources (Continued)

In addition to liabilities, the statement of net position and/or balance sheet – governmental funds will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The government has one item that qualifies for reporting this category. The item is premiums on bond issuances and is being amortized over the remaining life of the bond as part of interest expense. No deferred inflows of resources affect the governmental fund financial statements.

8. Compensated Absences

Accrued Vacation: City employees earn vacation leave at graduated rates based on the employee's years of service. All accrued vacation must be used or bought out by December 31 of the following calendar year end, and all accrued vacation balances will be paid upon termination or retirement. A current liability of \$349,029 as of September 30, 2016 has been accrued, which represents vacation leave earned by employees for services rendered in the current year.

Accrued Sick: City employees earn sick leave at a rate as follows: eight hours per month for employees who work an eight hour day, twelve hours per month for employees who work a twelve hour day, and twenty-four hours per month for employees who work a twenty-four hour day. When an employee terminates his/her employment in good standing, he/she will be entitled to be paid for accumulated sick leave on a graduated scale based the employees' years of service and as a percentage of a 960-hour base. No accumulated sick leave was accrued as of September 30, 2016.

9. Pensions

The Employees' Retirement System of Alabama (the Plan) financial statements are prepared using the economic resources measurement focus and accrual basis of accounting. Contributions are recognized as revenues when earned, pursuant to the plan requirements. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. Expenses are recognized when the corresponding liability is incurred, regardless of when the payment is made. Investments are reported as fair value. Financial statements are prepared in accordance with the requirements of the Governmental Accounting Standards Board (GASB). Under these requirements, the Plan is considered a component unit of the State of Alabama and is included on the State's Comprehensive Annual Financial Report.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. ASSETS, LIABILITIES, AND NET POSITION OR EQUITY (Continued)

10. Long-Term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of applicable bond premium or discount. Bond issuance costs are expensed as interest costs as incurred.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

11. Equity Classifications

Government-wide statements - Equity is classified as net position, and displayed in the following three components:

- a) Invested in Capital Assets, Net of Related Debt - consists of capital assets including restricted capital assets, net of accumulated depreciation and outstanding balances of any bonds, mortgages, notes, or other debt attributable to the acquisition, construction, or improvement of those assets.
- b) Restricted Net Position - consists of net position with constraints placed on the use either by (a) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or (b) law through constitutional provisions or enabling legislation.
- c) Unrestricted Net Position - consists of all other net position that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

Fund equity is reported in the fund financial statements as fund balances. The following classifications of fund balances are reported in the fund financial statements:

- a) Nonspendable - This classification includes amounts that cannot be spent because they are either (1) not in spendable form (i.e., inventories and prepaid expenses); or (2) legally or contractually required to be maintained intact (i.e., the corpus or principal of a permanent fund).

(Continued)

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. ASSETS, LIABILITIES, AND NET POSITION OR EQUITY (Continued)

11. Equity Classifications

- b) Restricted - This classification includes amounts that have constraints placed on the use of resources imposed either (1) externally by creditors, grantors, contributors, or laws or regulations of other governments; or (2) by law through constitutional provisions or enabling legislation.
- c) Committed - This classification includes amounts that can only be used for specific purposes. It is the practice of the City to present assets in this classification pursuant to constraints imposed by formal action of the Council before the end of the fiscal year, and require the same level of formal action to remove the constraint. No amounts were reported as committed as of September 30, 2016.
- d) Assigned - This classification includes amounts that are intended to be used for specific purposes, but are neither restricted nor committed. The assignment should be expressed by (1) the governing body itself; or (2) a body or official to which the governing body has delegated the authority to assign amounts to be used for specific purposes (i.e., a budget or finance committee). Such assignments may not exceed the available (spendable, unrestricted, or uncommitted) fund balance in any particular fund.
- e) Unassigned - This classification is the residual classification for the general fund, and represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund. In other governmental funds, if expenditures incurred for specific purposes exceed the amounts restricted, committed, or assigned to those purposes, it may be necessary to report a negative unassigned fund balance.

When both restricted and unrestricted resources are available for use, it is the City's practice to use restricted resources first, then unrestricted resources as they are needed, except in the case of grant monies which are used for their required purpose. When an expenditure is incurred for the purposes for which amounts in any of the unrestricted fund balance classifications could be used, it is the practice of the City that committed amounts would be reduced first, followed by assigned amounts, and then unassigned amounts.

12. Use of Estimates in the Preparation of Financial Statements

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

13. Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through March 28, 2017, which is the date the financial statements were available to be issued.

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. BUDGETARY INFORMATION

The City legally adopts an annual budget for the General Fund, Special Revenue Funds, Debt Service Funds, and Capital Projects Fund.

The City follows these procedures in establishing the budgetary data reflected in the financial statements.

1. Prior to October 1 each year, the Mayor submits to the City Council proposed operation budgets for the fiscal year commencing October 1.
2. Public hearings are conducted at City Hall to obtain taxpayer comments.
3. Prior to October each year, the budget is generally enacted legally through action of the Council.
4. All unencumbered appropriations automatically lapse at September 30.
5. State law prohibits any municipality from making expenditures in excess of budgeted amounts unless the actual revenue is more than the budgeted amount.
6. Budgets for all funds are prepared in accordance with the modified accrual basis of accounting.
7. Budget amounts are as originally adopted by the City Council on or before September 30, and budget amendments are approved by the City Council for various items throughout the year.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (Continued)**B. EXCESS OF EXPENDITURES OVER APPROPRIATIONS**

The City maintains a level of control at the department level and at the fund level. The following departments and funds had expenditures exceeding appropriations as of September 30, 2016:

<u>Fund</u>	<u>Department</u>	<u>Final Budget</u>	<u>Actual</u>	<u>Negative Variance</u>
General	General Government	\$ 7,212,600	\$ 7,711,587	\$ (498,987)
	Police Department	5,693,482	5,752,198	(58,716)
	Street Department	2,080,250	2,348,221	(267,971)
	Fire Department	1,822,500	2,031,641	(209,141)
	Garage Department	745,500	920,013	(174,513)
	Cemetery Department	213,550	231,759	(18,209)
	Maintenance Department	96,050	105,546	(9,496)
	Capital Outlay	32,438	2,393,101	(2,360,663)
Debt				
Service	Principal Payments	\$ 3,795,000	\$ 5,495,000	\$ (1,700,000)
	Bond Issuance Costs	-	30,323	(30,323)

The City's general fund total expenditures exceeded total appropriations by \$2,422,556 and debt service fund expenditures exceeded total appropriations by \$1,474,197. Expenditures may exceed appropriations when revenues and other sources are sufficient to prevent a deficiency from occurring.

NOTE 3 - DEPOSITS AND INVESTMENTS

At September 30, 2016, the carrying amount of the City's deposits with four financial institutions was as follows:

	<u>Carrying Amount</u>
Demand Deposit Accounts	\$ 48,900,620
Certificates of Deposit	<u>38,697,230</u>
Total	<u>\$ 87,597,850</u>

(Continued)

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 3 - DEPOSITS AND INVESTMENTS (Continued)

Deposits at year-end were held by financial institutions in the State of Alabama's Security of Alabama Funds Enhancement (SAFE) Program. The SAFE Program was established by the Alabama Legislature and is governed by the provisions contained in the Code of Alabama 1974, Sections 41-14A-1 through 41-14A-14. Under the SAFE Program all public funds are protected through a collateral pool administered by the Alabama State Treasurer's Office. Under this program, financial institutions holding deposits of public funds must pledge securities as collateral against those deposits. In the event of a failure of a financial institution, securities pledged by that financial institution would be liquidated by the State Treasurer to replace the public deposits not covered by the Federal Depository Insurance Corporation (FDIC). If the securities pledged fail to produce adequate funds, every institution participating in the pool would share the liability for the remaining balance. All deposits of the City as of September 30, 2016, are held by financial institutions in the SAFE Program.

At September 30, 2016, the City had the following short-term investments held by two financial institutions:

<u>Fund</u>	<u>Investment</u>	<u>Fair Value</u>	<u>Weighted Average Maturity (Days)</u>
Debt Service	Dreyfus Treasury Securities Cash Management, Product 761	\$ 2,782	44 Days
Capital Projects	Fidelity Investments Money Market Treasury Only - Select Class	\$ 5,421,361	53 Days

Interest rate risk - The City manages its exposure to declines in fair values by limiting the weighted average maturity of its investment portfolio to less than one year.

Credit risk - State statutes limit the City's investments to U.S. Treasury obligations, State of Alabama and Alabama County obligations, and general obligations of Alabama municipalities. At September 30, 2016, the City's short-term investments consisted of Dreyfus Corporation Treasury Securities and Fidelity Investments Money Market Treasury Only funds. These funds are comprised of U.S. Treasury Bills and are rated AAAM by Standard & Poor's Ratings Group.

Custodial credit risk - This is the risk that in the event of the failure of the counterparty, the government will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 4 – RESTRICTED CASH

Restricted cash and cash equivalents as of September 30, 2016, consisted of the following:

Police Department Improvements and Equipment	\$ 9,618
Capital Projects	8,483,013
Debt Service	2,939,952
Commercial Development Authority	1,112,173
Public Building Authority	551,060
Street Improvements	<u>4,747,805</u>
	<u>\$ 17,843,621</u>

NOTE 5 – RECEIVABLES

Receivables as of September 30, 2016, for the City's individual major and nonmajor funds are as follows:

	<u>General Fund</u>	<u>Gas Tax Fund</u>	<u>Total</u>
Amounts Due from Other Governmental Units:			
State of Alabama	\$ 2,486,924	\$ 12,859	\$ 2,499,783
County	67,341	-	67,341
Local	<u>133,423</u>	<u>-</u>	<u>133,423</u>
	<u>\$ 2,687,688</u>	<u>\$ 12,859</u>	<u>\$ 2,700,547</u>

Municipal Court receivables consist of uncollected police fines, totaling \$530,997, less an allowance of doubtful accounts of \$85,491.

NOTE 6 - NOTE RECEIVABLE

Note receivable consists of a loan made to the Oxford Water Works and Sewer Board (a discretely presented component unit) during December 2010 in the amount of \$5,000,000.

The note was restructured on June 10, 2014. The principal plus accrued interest due is payable to the City on October 18, 2018. Interest of 0.50% is due on a monthly basis. The interest rate will be adjusted annually to reflect the current municipal certificates of deposit rates.

NOTE 8 – CONSTRUCTION IN PROGRESS

Construction in progress for the fiscal year ended September 30, 2016, consists of the following projects:

- Total costs incurred for the construction of an athletic complex in the amount of \$39,542,356. Current year expenditures for the project were \$17,444,675. The athletic complex was opened during October 2016.
- Total costs incurred for intersection improvements on Boiling Springs Road in Oxford, Alabama in the amount of \$51,471, which were incurred in the current year. The improvements were completed during the fall of 2016.
- Total costs incurred for the construction of a building to be used by the garage and street departments in the amount of \$4,351,403. Current year expenditures for the project were \$3,360,956.
- Total costs incurred for the construction of a fire station for the Friendship community in the amount of \$111,519. Current year expenditures for the project were \$107,400.
- Total costs incurred for the construction of a maintenance department facility in the amount of \$168,283, which were incurred in the current year. The facility was completed during January 2017.
- Total costs incurred for the construction of a park to honor of veterans and law enforcement officers who have died in the line of duty in the amount of \$470,157, which were incurred in the current year. The park was completed during November 2016.
- Total costs incurred for the construction of a special operations building at the police department to store the helicopter and other special operations equipment in the amount of \$1,277,108, which were incurred in the current year. The building was completed during January 2017.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 9 - INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS

The composition of interfund receivables and payables balance as of September 30, 2016, are as follows:

<u>Payable Fund</u>		<u>Receivable Fund</u>	
General Fund	\$ 7,174,244	Capital Projects Fund	\$ 7,174,244
General Fund	1,146,906	Nonmajor Funds	1,146,906
Nonmajor Funds	<u>5,000</u>	General Fund	<u>5,000</u>
	<u>\$ 8,326,150</u>		<u>\$ 8,326,150</u>

The composition of interfund transfers in (out) for the year ended September 30, 2016, is as follows:

<u>Transfer From</u>	<u>Transfer To</u>	
General Fund	Debt Service Fund	\$ 5,799,662
General Fund	Capital Projects Fund	24,656,076
General Fund	Nonmajor Funds	<u>1,890,849</u>
		<u>\$ 32,346,587</u>

Transfers are used to: (1) move revenues from the fund that collects them, as required by statute or budget, to the fund that expends them, as required by statute or budget, (2) move receipts restricted to debt services from the funds collecting the receipts to the debt service fund as debt service payments become due, and (3) use unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds, including capital projects, in accordance with budgetary operations.

In the government-wide financial statements, the interfund receivables, payables, and transfers are eliminated so that the Statement of Net Position reflects a more structuralized focus on the sustainability of the City as an entity.

Total	<u>\$ 127,130,000</u>	<u>\$ 64,341,259</u>	<u>\$ 191,471,259</u>

School Warrants – Oxford City Board of Education

Series 2012-A School Warrants were issued by the City of Oxford, Alabama and are general obligations of the City; however, they are recognized on the financial statements of the Oxford City Schools. Certain property taxes of the School Board are pledged for payment of the warrants. These warrants were issued to refund the Series 2004 General Obligation School Warrants and to provide additional funding for the constructing and equipping of various improvements to the schools of the City. The outstanding warrants as recognized on the financial statements of the Oxford City Schools total \$18,750,000.

City Warrants / Bonds – City of Oxford, Alabama

On August 1, 2005, the City of Oxford issued the Series 2005 General Obligation Refunding Warrants, totaling \$24,785.00. The proceeds of these warrants were used to refund the Series 2000 General Obligation Warrants (which are now a defeased debt of the City) and for capital improvements to property. Interest is payable semi-annually each May 1 and November 1, with principal due on May 1 of each year until maturity on May 1, 2025. Interest rates range from 2.75% to 4.25%. Principal in the amount of \$3,215,000 was paid on this warrant with a portion of the proceeds from the issuance of 2012-B General Obligation Warrants dated June 1, 2012. The outstanding balance was \$315,000 as of September 30, 2016.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 10 - LONG-TERM DEBT (Continued)

On October 1, 2007, the City of Oxford issued the Series 2007-A General Obligation Warrants in the amount of \$42,260,000. This warrant was partially refunded in the amount of \$21,865,000 with proceeds from the issuance of Series 2015-A General Obligation Warrants dated January 1, 2015 issued in the total amount of \$22,925,000. This warrant was partially refunded again in the amount of \$3,625,000 with proceeds from the issuance of Series 2016-B General Obligation Warrants dated June 1, 2016 issued in the total amount of \$3,880,000. For the remaining Series 2007-A General Obligation Warrants, interest is payable semi-annually each March 1 and September 1, with principal due each September beginning in 2020 until maturity on September 1, 2037. Interest rates range from 4.25% to 5.00%. The outstanding balance was \$16,245,000 as of September 30, 2016.

On June 1, 2012, the City of Oxford issued the Series 2012-B General Obligation Warrants in the amount of \$9,245,000. The proceeds of these warrants were used for the advanced refunding of Series 2004 General Obligation Recreation Warrants, the partial advanced refunding of Series 2005 General Obligation Refunding Warrants, and the retirement of the Series 1999 General Obligation Warrants. Interest is payable semi-annually each May 1 and November 1, with principal due on May 1 of each year until maturity on May 1, 2025. Interest rates range from 2.00% to 5.00%. The outstanding balance was \$5,720,000 as of September 30, 2016.

On November 1, 2012, the City of Oxford issued the Series 2012-C General Obligation Warrants in the amount of \$9,875,000. The proceeds of these warrants were used to purchase United States government securities for the partial advanced refunding of Series 2006-A General Obligation Warrants, maturities scheduled for 2031 through 2036 in the amount of \$9,035,000. The securities were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments related to the defeased Series 2006-A warrants. Interest is payable semi-annually each April 1 and October 1, with principal due each October beginning in 2028 until maturity on October 1, 2037. Interest rates range from 3.00% to 5.00%. The outstanding balance was \$9,875,000 as of September 30, 2016.

On February 1, 2013, the City of Oxford issued the Series 2013-A General Obligation Warrants in the amount of \$10,295,000. The proceeds of these warrants were used to purchase United States government securities for the partial advanced refunding of Series 2006-A General Obligation Warrants, maturities scheduled for 2021 through 2024, 2026, and remaining unfunded balance in 2036 in the amount of \$8,725,000. The securities were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments related to the defeased Series 2006-A warrants. Interest is payable semi-annually each April 1 and October 1, with principal due on October 1 of each year until maturity on October 1, 2037. Interest rates range from 2.00% to 3.25%. The outstanding balance was \$10,125,000 as of September 30, 2016.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 10 - LONG-TERM DEBT (Continued)

On June 1, 2013, the City of Oxford issued the Series 2013-B General Obligation Warrants in the amount of \$10,690,000. The proceeds of these warrants were used to purchase United States government securities for the advanced refunding of Series 2004 General Obligation Warrants, maturities scheduled for 2014 through 2021, and to fund capital projects for the City. The securities were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments related to the defeased Series 2004 warrants. Interest is payable semi-annually each March 1 and September 1, with principal due on September 1 of each year until maturity on September 1, 2021. Interest rates range from 2.00% to 4.00%. The outstanding balance was \$6,875,000 as of September 30, 2016.

On July 21, 2014, the City of Oxford issued the Series 2014-A General Obligation Warrants in the amount of \$17,570,000. The proceeds from the bonds were issued for various capital improvements of the City, including a new recreational complex. The Series 2014-A General Obligation Warrants are secured by revenues from the gross receipts tax levied by the City. Interest is payable semi-annually each June 1 and December 1, with principal due each June beginning in 2034 until maturity on June 1, 2039. Interest rates range from 3.75% to 4.00%. The outstanding balance was \$17,570,000 as of September 30, 2016.

On July 21, 2014, the City of Oxford issued the Series 2014-B General Obligation Warrants in the amount of \$3,130,000. The proceeds from the bonds were issued for various capital improvements of the City, including a fire department and maintenance building. The Series 2014-B General Obligation Warrants are secured by revenues from the gross receipts tax levied by the City. Interest is payable semi-annually each June 1 and December 1, with principal due each June beginning in 2027 until maturity on June 1, 2039. Interest rates range from 3.25% to 4.00%. The outstanding balance was \$3,130,000 as of September 30, 2016.

On January 1, 2015, the City of Oxford issued the Series 2015-A General Obligation Warrants in the amount of \$22,925,000, of which \$21,865,000 were used to partially advance refund 2007-A General Obligation Warrants. The remaining portion is to be used for capital projects in the City. Interest is payable semi-annually each March 1 and September 1, with principal due on September 1 of each year until maturity on September 1, 2035. Interest rates range from 1.00% to 5.00%. The outstanding balance was \$22,495,000 as of September 30, 2016.

On April 1, 2016, the City of Oxford issued the Series 2016-A General Obligation Warrants in the amount of \$12,745,000. The proceeds from the bonds were issued for the acquisition and construction of certain municipal facilities of the City. The Series 2016-A General Obligation Warrants are secured by revenues from the gross receipts tax levied by the City. Interest is payable quarterly each January 1, April 1, July 1, and October, with principal payments due and maturing in 2040 and 2041. Interest rates are based on variable weekly rates, with an assumed average interest rate of 2.00%. The outstanding balance was \$12,745,000 as of September 30, 2016.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 10 - LONG-TERM DEBT (Continued)

On June 1, 2016, the City of Oxford issued the Series 2016-B General Obligation Warrants in the amount of \$3,880,000, of which \$3,625,000 were used to partially advance refund 2007-A General Obligation Warrants, maturities scheduled for 2016 through 2019. The remaining portion is to be used for capital projects in the City. Interest is payable semi-annually each March 1 and September 1, with principal due each September beginning in 2020 until maturity on September 1, 2028. Interest rates are based on variable weekly rates, with an assumed average interest rate of 2.00%. The outstanding balance was \$3,880,000 as of September 30, 2016.

On September 1, 2011, the Commercial Development Authority issued commercial development bonds in the amount of \$7,725,000. The proceeds from the bonds were issued for the construction of public improvements to assist in the development of a retail facility in the City of Oxford, Alabama. Interest is payable semi-annually each April 1 and October 1, with principal due on October 1 of each year until maturity on October 1, 2024. Interest rates range from 1.00% to 5.00%. The outstanding balance was \$5,635,000 as of September 30, 2016.

On September 1, 2006, the Public Building Authority authorized the issue of Series 2006-A Revenue Bonds in the amount of \$16,920,000 for the construction of a new library and judicial building for the City of Oxford. This warrant was fully advanced refunded in the amount of \$12,905,000 with proceeds from the issuance of Series 2015-A Revenue Bonds dated January 1, 2015 issued in the total amount of \$12,905,000. The securities were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments related to the defeased Series 2006 warrants. The 2015-A Revenue Bonds are secured by a pledge of revenues. Interest is payable semi-annually each April 1 and October 1, with principal due on October 1 of each year until maturity on October 1, 2036. Interest rates range from 3.00% to 5.00%. The outstanding balance was \$12,520,000 as of September 30, 2016.

All general obligation warrants, revenue bonds, and the funding agreement with the Commercial Development Authority and the Public Building Authority are guaranteed by the full faith, credit, and taxing powers of the City.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 11 - EMPLOYEE RETIREMENT PLAN

The City of Oxford, Alabama provides the employees of the City and of the Oxford Water Works and Sewer Board (a discretely presented component unit) with pension through the pension plan as described below.

A. PLAN DESCRIPTION

The Employees' Retirement System of Alabama, an agency multiple-employer plan, was established October 1, 1945 under the provisions of Act 515 of the Legislature of 1945 for the purpose of providing retirement allowances and other specified benefits for state employees, State Police, and on an elective basis, to all cities, counties, towns and quasi-public organizations. The responsibility for the general administration and operation of ERS is vested in its Board of Control. The ERS Board of Control consists of 13 trustees. The Plan is administered by the Retirement Systems of Alabama (RSA). Title 36-Chapter 27 of the Code of Alabama grants the authority to establish and amend the benefit terms to the ERS Board of Control. The Plan issues a publicly available financial report that can be obtained at www.rsa-al.gov

B. BENEFITS PROVIDED

State law establishes retirement benefits as well as death and disability benefits and any ad hoc increase in postretirement benefits for the ERS. Benefits for ERS members vest after 10 years of creditable service. State employees who retire after age 60 with 10 years or more of creditable service or with 25 years of service (regardless of age) are entitled to an annual retirement benefit, payable monthly for life. Local employees who retire after age 60 with 10 years or more of creditable service or with 25 or 30 years of service (regardless of age), depending on the particular entity's election, are entitled to an annual retirement benefit, payable monthly for life. Service and disability retirement benefits are based on a guaranteed minimum or a formula method, with the member receiving payment under the method that yields the highest monthly benefit. Under the formula method, members of the ERS are allowed 2.0125% of their average final compensation (highest 3 of the last 10 years) for each year of service.

Act 377 of the Legislature of 2012 established a new tier of benefits (Tier 2) for members hired on or after January 1, 2013. Tier 2 ERS members are eligible for retirement after age 62 with 10 years or more of creditable service and are entitled to an annual retirement benefit, payable monthly for life. Service and disability retirement benefits are based on a guaranteed minimum or a formula method, with the member receiving payment under the method that yields the highest monthly benefit. Under the formula method, Tier 2 members of the ERS are allowed 1.65% of their average final compensation (highest 5 of the last 10 years) for each year of service.

Members are eligible for disability retirement if they have 10 years of credible service, are currently in-service, and determined by the RSA Medical Board to be permanently incapacitated from further performance of duty. Preretirement death benefits are calculated and paid to the beneficiary on the member's age, service credit, employment status and eligibility for retirement.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 11 - EMPLOYEE RETIREMENT PLAN (Continued)

C. CONTRIBUTIONS

Covered members of the ERS contributed 5% of earnable compensation to the ERS as required by statute until September 30, 2011. From October 1, 2011, to September 30, 2012, covered members of the ERS were required by statute to contribute 7.25% of earnable compensation. Effective October 1, 2012, covered members of the ERS are required by statute to contribute 7.50% of earnable compensation.

Tier 2 covered members of the ERS contribute 6% of earnable compensation to the ERS as required by statute.

The ERS established rates based upon an actuarially determined rate recommended by an independent actuary. The actuarially determined rate is the estimated amount necessary to finance costs of benefits earned by employees during the year, with additional amounts to finance any unfunded accrued liability, the pre-retirement death benefit, and administrative expenses of the Plan. For the year ended September 30, 2016, the City's active employee contribution rate was 5% of covered employee payroll for Tier 1 Employees (6% for Tier 2 Employees), and the City's average contribution rate to fund the normal and accrued liability costs was 3.04% and 4.12%, respectively, of covered employee payroll for Tier 1 Employees [0.31% and 4.12%, respectively, for Tier 2 Employees].

The City's contractually required contribution rate for the year ended September 30, 2016 was 7.53% of pensionable pay for Tier 1 employees, and 4.80% for Tier 2 employees. These required contribution rates are based upon the actuarial valuation dated September 30, 2015, a percent of annual pensionable payroll, and actuarially determined as an amount that, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, with an additional amount to finance any unfunded accrued liability. Total employer contributions to the pension plan from the City and Water Board were \$975,527 for the year ended September 30, 2016.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 11 - EMPLOYEE RETIREMENT PLAN (Continued)

D. NET PENSION LIABILITY

The City's net pension liability was measured as of September 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of September 30, 2014 rolled forward to September 30, 2015 using standard roll-forward techniques as shown the following table:

	City of Oxford		Oxford Water Works and Sewer Board	
	Expected	Actual	Expected	Actual
(a) Total Pension Liability as of September 30, 2014	\$ 22,145,576	\$ 22,918,312	\$ 4,841,478	\$ 5,010,414
(b) Entry Age Normal Cost for October 1, 2014 - September 30, 2015	710,542	710,542	131,432	131,432
(c) Actual Benefit Payments and Refund for October 1, 2014 - September 30, 2015	<u>(933,721)</u>	<u>(933,721)</u>	<u>(172,715)</u>	<u>(172,715)</u>
(d) Total Pension Liability as of September 30, 2015 [(a) x (1.08)] + (b) - [(c) x (1.04)]	<u>\$ 23,656,694</u>	<u>\$ 24,491,249</u>	<u>\$ 5,180,605</u>	<u>\$ 5,363,056</u>
(e) Difference between Expected and Actual Experience (Gain) / Loss		\$ 834,555		\$ 182,451

Actuarial Assumptions

The total pension liability in the September 30, 2013 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.00%
Salary increases	3.75% - 7.25%
Investment rate of return*	8.00%

*Net of pension plan investment expense

Mortality rates for ERS were based on the RP-2000 Combined Mortality Table Projected with Scale AA to 2015 set forward three years for males and two years for females. The rates of mortality for the period after disability retirement are according to the sex distinct RP-2000 Disability Mortality Table.

The actuarial assumptions used in the September 30, 2013 valuation were based on the results of an investigation of the economic and demographic experience for the ERS based upon participant data as of September 30, 2012. The Board of Control accepted and approved these changes on January 27, 2012, which became effective at the beginning of fiscal year 2012.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 11 - EMPLOYEE RETIREMENT PLAN (Continued)

E. DISCOUNT RATE

The discount rate used to measure the total pension liability was the long term rate of return, 8%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the employer contributions will be made in accordance with the funding policy adopted by the ERS Board of Control. Based on those assumptions, components of the pension plan's fiduciary net position were projected to be available to make all projected future benefit payments of current pan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

F. CHANGES IN NET PENSION LIABILITY

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability
	(a)	(b)	(a) - (b)
Balances at September 30, 2014	\$ 22,145,576	\$ 18,795,036	\$ 3,350,540
Changes for the year:			
Service Cost	710,542	-	710,542
Interest	1,734,297	-	1,734,297
Difference between expected and actual experience	834,555	-	834,555
Contributions - employer	-	693,647	(693,647)
Contributions - employee	-	557,800	(557,800)
Net Investment Income	-	232,778	(232,778)
Benefit payments, including refunds of employee contributions	(933,721)	(933,721)	-
Transfers Among Employers	-	493,395	(493,395)
Net Changes	2,345,673	1,043,899	1,301,774
Balances at September 30, 2015	<u>\$ 24,491,249</u>	<u>\$ 19,838,935</u>	<u>\$ 4,652,314</u>

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 11 - EMPLOYEE RETIREMENT PLAN (Continued)Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following table presents the City's net pension liability calculated using the discount rate of 8%, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (7%) or 1-percentage-point higher (9%) than the current rate:

	1% Decrease (7.00%)	Current Discount Rate (8.00%)	1% Increase (9.00%)
City's Net Pension Liability	\$ 7,532,840	\$ 4,652,314	\$ 2,231,227
Water's Net Pension Liability	<u>2,009,250</u>	<u>1,240,921</u>	<u>595,139</u>
Plan's Total Net Pension Liability	<u>\$ 9,542,090</u>	<u>\$ 5,893,235</u>	<u>\$ 2,826,366</u>

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued RSA Comprehensive Annual Report for the fiscal year ended September 30, 2015. The supporting actuarial information is included in the GASB Statement No. 68 Report for the ERS prepared as of September 30, 2015. The auditor's report dated April 5, 2017 on the Schedule of Changes in Fiduciary Net Position by Employer and accompanying notes is also available. The additional financial and actuarial information is available at www.rsa-al.gov.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 11 - EMPLOYEE RETIREMENT PLAN (Continued)Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

For the year ended September 30, 2016, the City recognized pension expense of \$125,690 as follows:

Service cost	\$ 710,542
Interest on the total pension liability	1,734,297
Expensed portion of current-period differences between expected and actual experience in the total pension liability	117,551
Member contributions	(557,800)
Projected earnings on plan investments	(1,526,437)
Expensed portion of current-period differences between actual and projected earnings on plan investments	272,370
Transfers among employers	(493,395)
Recognition of beginning deferred inflows of resources as pension expense	<u>(131,438)</u>
Pension Expense	<u>\$ 125,690</u>

At September 30, 2016, the City reported deferred outflows of resources and deferred inflows of resources related to pensions of the following sources:

	City of Oxford		Oxford Water Works and Sewer Board	
	Outflows of Resources	Inflows of Resources	Outflows of Resources	Inflows of Resources
Differences between expected and actual experience	\$ 717,004	\$ -	\$ 156,762	\$ -
Changes of assumptions	-	-	-	-

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 12 - POST EMPLOYMENT BENEFITS

A. PLAN DESCRIPTION

The City of Oxford, Alabama provides certain post-employment medical and dental benefits to eligible retired employees until age 65, through a single-employer defined benefit plan, an OPEB plan as defined by GASB Statement No. 45. The retiree pays a fixed dollar amount of the current monthly contribution rate for individual coverage based on the years of credited service at the date of retirement. All active employees who retire directly from the City and meet the eligible criteria may participate. For eligible retired employees age 65 and over, a Medicare supplement option is available with the City reimbursing the cost of coverage up to \$150 per month. No dependent coverage is provided to retirees.

All OPEB benefits are administered by City personnel. At October 01, 2015, the actuarial valuation date, the City's OPEB plan had 20 retired members and 234 active members. There are no separate financial statements published or available for the plan.

B. FUNDING POLICY

The City currently pays for post-employment health care benefits on a projected pay-as-you-go basis, as of October 1, 2010. Although the City could establish a trust to accumulate and invest assets necessary to pay for the accumulated liability, these financial statements assume that pay-as-you-go funding will continue.

C. ANNUAL OPEB COST AND NET OPEB OBLIGATION

The City's annual other post-employment benefit cost (expense) is calculated based on the annual required contribution of the employer ("ARC"), an amount actuarially determined in accordance with the parameters of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period of 30 years.

(Continued)

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 12 - POST EMPLOYMENT BENEFITS (Continued)

The City's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for September 30, 2016, are as follows:

Annual required contribution	\$ 641,685
Interest on net OPEB obligation	83,665
Amortization on net OPEB obligation	<u>(87,084)</u>
Annual OPEB Cost	638,266
Contributions made	<u>(131,144)</u>
Change in Net OPEB obligation	507,122
Net OPEB obligation - Beginning	<u>2,091,629</u>
Net OPEB obligation - Ending	<u>\$ 2,598,751</u>

The table below shows the City's net other post-employment benefit (OPEB) obligation as of October 01, 2015:

<u>Fiscal Year Ended</u>	<u>Annual OPEB Cost</u>	<u>Percentage of Annual OPEB Cost Contributed</u>	<u>Net OPEB Obligation</u>
2014	\$ 534,588	16.25%	\$ 1,617,611
2015	\$ 570,247	16.87%	\$ 2,091,629
2016	\$ 638,266	20.55%	\$ 2,598,751

D. ACTUARIAL METHODS AND ASSUMPTIONS

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of event far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Actuarially determined amounts are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

(Continued)

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 12 - POST EMPLOYMENT BENEFITS (Continued)

D. ACTUARIAL METHODS AND ASSUMPTIONS

The required contribution was determined as part of the October 01, 2015, actuarial valuation using the projected unit credit actuarial cost method. The actuarial assumptions included a (1) 4% investment rate of return with an inflation rate of 3.00%; (2) 5.00% medical cost trend; (3) 100% participation rate; (4) a thirty-year amortization period of the actuarial liability as a level period; and (5) a salary increase of 2.50% per annum. Retiree contributions are \$200 per month for coverage up to age 65 for 20 years or more of service at the date of retirement and \$300 per month if 10 years of service but less than 20 years of service. Retirees at age 65 or older are reimbursed up to \$150 per month for the cost of a Medical supplement benefit.

NOTE 13 - RESTRICTED NET POSITION AND FUND BALANCE CLASSIFICATION

The statement of net position shows certain amounts as restricted net position. These amounts are restricted in their use by parties outside the City (such as creditors, grantors, and contributors) or restricted by law or regulation. Components of restricted net position include:

Governmental Activities		
Net Position	Restricted By	
Law Enforcement	Law	\$ 9,618
Other Receivables	Nonspendable Item	5,000,000
Inventories	Nonspendable Item	83,477
Prepaid Items	Nonspendable Item	119,922
Capital Projects	Law	8,484,488
Debt Service	General Obligation Warrants	2,939,952
Special Revenue Funds	Council Resolution	6,411,038

NOTE 14 - LEASE AGREEMENTS

The City of Oxford entered into a lease agreement with the Public Building Authority on September 1, 2006. In the Lease, the Authority agrees to construct, acquire, install and equip the Project, and to carry out all other Project Development Work to completion, in accordance with plans, specifications and directions to be provided by the City. During each Renewal Term of the Lease, the City is obligated to pay installments of Basic Rent for the use and occupancy of the Project during each term. Each installment of basic rent is to be paid with immediately available funds and is required to be in an amount equal to (a) on or before the 25th day of each month, 1/6 of the aggregate amount of interest on the Series 2015-A Revenue Bonds (advanced refunded the 2006-A Revenue bonds during 2015) becoming due and payable on the next interest payment date; and (b) on or before the 25th day of each month, 1/12 of the aggregate amount of principal on the Series 2015-A Revenue Bonds becoming due and payable on the next principle payment date or mandatory redemption date.

In February 2010, the City of Oxford entered into an agreement with Honours Golf Company, L.L.C. to outsource the management of Cider Ridge Golf Course on a five year term to commence on April 1, 2010 at an annual rate of \$120,000 with a rate increase of 3% per annum.

CITY OF OXFORD, ALABAMA

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2016

NOTE 15 – DEFERRED COMPENSATION PLAN

Employees of the City of Oxford may participate in a deferred compensation plan adopted under the provisions of Internal Revenue Code Section 457 (Deferred Compensation Plans with Respect to Service for State and Local Governments). The plan (RSA-1) is administered by the Retirement Systems of Alabama. The deferred compensation plan is available to all employees of the City. Under the plan, employees may elect to contribute an additional portion of their salaries to the RSA-1 plan and defer tax on the contributions until the withdrawal date. The deferred compensation amount is not available for withdrawal by employees until termination, retirement, death, or unforeseeable emergency. The value of the plan assets and liabilities are the property of the participants and will not be reported on the financial statements of the City.

NOTE 16 – CLAIMS AND JUDGMENTS

The City participates in a number of federal, state, and county programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulation, the City may be required to reimburse the grantor government.

As of September 30, 2016, various lawsuits are pending against the City; however, in the opinion of the City Attorney, the potential adverse impact of these suits would not have a material effect on the financial position of the City of Oxford as insurance coverage should be adequate to cover any claims and judgments.

NOTE 17 - RISK MANAGEMENT

The City of Oxford is a member of the Alabama Municipal Insurance Corporation (AMIC), a mutual insurance company organized pursuant to Alabama law governing such companies.

The City currently purchases liability insurance from AMIC. The AMIC has approximately 116 cities that are participants of the company. The City also carries property and equipment coverage, and fiduciary bonds with commercial insurance companies. Each covered employee additionally receives a \$15,000 life and accidental death and dismemberment insurance through a commercial carrier.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

SEPTEMBER 30, 2016

NOTE 1 - GASB 68 PENSION RELATED SCHEDULES

In accordance with GASB Statement No. 68 - *Accounting and Financial Reporting for Pensions*, the City is required to disclose historical data for each of the prior ten years within the following schedules:

- Schedule of the Net Pension Liability
- Schedule of Employer Contributions
- Schedule of Pension Investment Returns

The information presented in the Schedule of the Net Pension Liability is determined as of the measurement date of the collective net pension liability. The Schedule of Employer Contributions actuarially determined contribution rates are calculated as of September 30, two years prior to the end of the fiscal year in which contributions are reported. Contributions for fiscal year 2016 were based on the September 30, 2013 actuarial valuation. Subsequent year's information will be added as it becomes available until the ten year requirement is met.

NOTE 2 - GASB 45 RETIREE HEALTH PLAN SCHEDULES

The City is required to prepare its financial statements in accordance with accounting principles generally accepted in the United States of America. Accordingly, the City is required to disclose its obligations for post-employment benefits. In addition to pensions, these benefits include health insurance paid on behalf of retirees. As part of the disclosure the City is required to include as required supplementary information the Schedule of Funding Progress - Retiree Health Plan for the most recent actuarial valuation and the two preceding valuations.

NOTE 3 - BUDGETARY INFORMATION

An annual budget is prepared for the City's general fund and adopted on the modified accrual basis. All annual appropriations lapse at fiscal year end. Accounting principles generally accepted in the United States of America require that budget comparisons be presented for special revenue funds if a budget is legally adopted. Such a presentation has not been made because the City does not adopt budgets for these funds. The Mayor and City Council approve, by ordinance, total general fund budget appropriations only. The City is authorized to transfer budget amounts between departments within any funds; however, any revisions that alter the total appropriations of any fund must be approved by the Council. Also, there was an unfavorable variance between the general fund budgeted and actual expenditures of approximately \$2,423,000 and between the debt service fund budgeted and actual expenditures of approximately \$1,477,000.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Mayor and City Council
City of Oxford, Alabama

We have audited, in accordance with auditing standards general accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Oxford, Alabama, as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise the City of Oxford, Alabama's basic financial statements, and have issued our report thereon dated March 28, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Oxford, Alabama's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Oxford, Alabama's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Oxford, Alabama's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Oxford, Alabama's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose to this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

APPENDIX C

Book-Entry Only System

[THIS PAGE INTENTIONALLY LEFT BLANK.]

The information contained in this section concerning The Depository Trust Company and its book-entry only system has been obtained from materials furnished by The Depository Trust Company to the City. The City and the Underwriter do not make any representation or warranty as to the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2017A Warrants. The Series 2017A Warrants will be issued as fully-registered securities registered in the name of Cede & Co., DTC's partnership nominee or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2017A Warrant certificate will be issued for each maturity of the Series 2017A Warrants, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2017A Warrants under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2017A Warrants on DTC's records. The ownership interest of each actual purchaser of each Series 2017A Warrant (a "Beneficial Owner") is in turn to be recorded on the Direct Participants' and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2017A Warrants are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2017A Warrants, except in the event that use of the book-entry system for the Series 2017A Warrants is discontinued.

To facilitate subsequent transfers, all Series 2017A Warrants deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2017A Warrants with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2017A Warrants. DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2017A Warrants are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2017A Warrants may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2017A

Warrants, such as redemptions, tenders, defaults, and proposed amendments to the documents governing the terms of the Series 2017A Warrants. For example, Beneficial Owners of Series 2017A Warrants may wish to ascertain that the nominee holding the Series 2017A Warrants for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Paying Agent and request that copies of notices be provided to them directly.

Redemption notices shall be sent to DTC. If less than all of the Series 2017A Warrants are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2017A Warrants unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an "Omnibus Proxy" to the City as soon as possible after the record date. The "Omnibus Proxy" assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2017A Warrants are credited on the record date (identified in a listing attached to the "Omnibus Proxy").

Principal, premium and interest payments on the Series 2017A Warrants will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon receipt of funds and corresponding detail information, in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Paying Agent or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payments of principal, premium (if any) and interest to Cede & Co. (or such other DTC nominee as may be requested by an authorized representative of DTC) is the responsibility of the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2017A Warrants at any time by giving reasonable notice to the City and the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, certificates for the Series 2017A Warrants are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates for the Series 2017A Warrants will be printed and delivered to DTC.

The City, the Paying Agent and the Underwriter cannot and do not give any assurances that DTC, the Direct Participants or the Indirect Participants will distribute to the Beneficial Owners of the Series 2017A Warrants (1) payments of principal, redemption price or interest on the Series 2017A Warrants; (2) certificates representing an ownership interest or other confirmation of beneficial ownership interests in Series 2017A Warrants; or (3) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Series 2017A Warrants, or that they will do so on a timely basis or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement. The current "rules" applicable to DTC are on file with the United States Securities and Exchange Commission, and the current "procedures" of DTC to be followed in dealing with DTC participants are on file with DTC.

Neither the City, the Paying Agent nor the Underwriter will have any responsibility or obligation to any Direct Participant, Indirect Participant or any Beneficial Owner or any other person with respect to: (1) the Series 2017A Warrants; (2) the accuracy of any records maintained by DTC or any Direct Participant or Indirect Participant; (3) the payment by DTC or any Direct Participant or Indirect Participant of any amount due to any Beneficial Owner in respect of the principal or redemption price of or interest on the Series 2017A Warrants; (4) the delivery by DTC or any Direct Participant or Indirect Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Warrant Ordinance to be given to holders of the Series 2017A Warrants; (5) the selection of the Beneficial Owners to receive

payment in the event of any partial redemption of the Series 2017A Warrants; or (6) any consent given or other action taken by DTC as a holder of the Series 2017A Warrants.

APPENDIX D

Proposed Opinion of Bond Counsel

[THIS PAGE INTENTIONALLY LEFT BLANK.]

(Form of Opinion of Bond Counsel)

[Closing Date]

Holders of the Series 2017A Warrants
referred to below

Re: \$20,305,000 General Obligation Warrants, Series 2017A, issued by the City of Oxford

We have acted as bond counsel in connection with the issuance of the above-referenced warrants (the "Series 2017A Warrants") by the City of Oxford, a municipal corporation organized under the laws of the State of Alabama (the "City"). In such capacity, we have examined such law and such certified proceedings and other documents as we have deemed necessary to render this opinion. The Series 2017A Warrants will be issued pursuant to an ordinance (the "Warrant Ordinance") adopted by the governing body of the City. Capitalized terms not otherwise defined in this opinion shall have the meaning assigned in the Warrant Ordinance.

As to various questions of fact material to our opinion, we have relied upon the certified proceedings and other certificates of public officials and others furnished to us without undertaking to verify the same by independent investigation.

In connection with the rendering of this opinion, we have served as counsel to the City.

Based on the foregoing, we are of the opinion that, under existing law:

1. The Series 2017A Warrants constitute valid and binding orders on the Treasurer of the City for the payment thereof as therein provided. The indebtedness evidenced by the Series 2017A Warrants is a general obligation of the City for the payment of which the City has validly and irrevocably pledged its full faith and credit.
2. The Warrant Ordinance creates a valid lien on the Gross Receipts Tax Revenues for the security of the Series 2017A Warrants on a parity with other warrants (if any) issued or to be issued by the City
3. Interest on the Series 2017A Warrants (including any original issue discount properly allocable to an owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; it should be noted, however, that, for the purpose of computing the alternative minimum tax imposed on certain corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings. The opinion set forth in the preceding sentence is subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Series 2017A Warrants in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The City has covenanted to comply with all such requirements. Failure to comply with certain of such requirements may cause interest on the Series 2017A Warrants to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2017A Warrants.
4. Interest on the Series 2017A Warrants is exempt from State of Alabama income taxation.

We express no opinion regarding federal or state tax consequences arising with regard to the Series 2017A Warrants, other than the opinions expressed in paragraphs 3 and 4 above.

The rights of the holders of the Series 2017A Warrants and the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and the exercise of judicial discretion in appropriate cases.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement relating to the Series 2017A Warrants.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Faithfully yours,
