NEW ISSUE

RATING: See “RATING” herein

In the opinion of GluckWalrath LLP, Bond Counsel interest on the Notes is not excluded from gross income for Federal tax purposes. Under the laws of the State of New Jersey, as enacted and construed on the date of original delivery of the Notes, interest on the Notes and any gain from the sale thereof is excludable from gross income under the New Jersey Gross Income Tax Act. See “TAX MATTERS” herein for a description of certain provisions of the Internal Revenue Code of 1986, as amended, that may affect the federal tax treatment of interest on the Notes.

**CITY OF JERSEY CITY
(Hudson County, New Jersey)**

\$6,955,000 BOND ANTICIPATION NOTES, SERIES 2017B (FEDERALLY TAXABLE)

Dated: June 22, 2017

Due: June 22, 2018

The \$6,955,000 Bond Anticipation Notes, Series 2017B (Federally Taxable) of the City of Jersey City, in the County of Hudson, New Jersey (the “City”), (the “Notes”), will be issued as fully registered Notes in the form of one certificate for the aggregate principal amount of Notes and, when issued, will be registered in the name of and held by Cede & Co., as nominee for The Depository Trust Company (“DTC”). Purchases of the Notes will be made in book-entry-only form (without certificates) in denominations of \$5,000 or more. So long as DTC, or its nominee Cede & Co., is the registered owner of the Notes, payments of the principal of and interest on the Notes are to be made directly to Cede & Co., which is to remit such payments to DTC participants, which in turn is to remit such payments to be beneficial owners of the Notes (see “THE NOTES – Book Entry Only System” herein). Interest on the Notes is payable at maturity. The Notes are not subject to redemption prior to their maturity.

\$6,955,000 1.875%, Due June 22, 2018– Price 100.468%

The Notes constitute general obligations of the City, and the full faith and credit and unlimited taxing power of the City are pledged to the payment of the principal of, applicable premium, if any, and interest on the Notes. The City shall be required to levy *ad valorem* taxes upon all taxable real property within the City for the payment of the principal of and interest on the Notes without limitation as to rate or amount. The Notes are not a debt or obligation, legal, moral, or otherwise, of the State of New Jersey, or any county, municipality or political subdivision thereof, other than the City.

The Notes are offered when, as and if issued by the City and delivered to the purchasers, subject to the approval of legality by GluckWalrath LLP, Trenton, New Jersey, Bond Counsel, and other conditions described herein. NW Financial Group, LLC, Hoboken, New Jersey, has served as financial advisor in connection with the issuance of the Notes. It is expected that the Notes will be available for delivery on or about June 22, 2017. The Notes are to be delivered through the facilities of DTC in Jersey City, New Jersey.

Dated: June 7, 2017

No broker, dealer, salesperson or other person has been authorized by the City or the Underwriter to give any information or to make any representations with respect to the Notes other than those contained in this Official Statement, and, if given or made, such other information or representations must not be relied upon as having been authorized by the City or the Underwriter. The information contained herein has been obtained from the City, DTC and other sources which are believed to be reliable; however, such information is not guaranteed as to accuracy or completeness, and is not to be construed as a representation or warranty of the City or the Underwriter. The information and expressions of opinion herein are subject to change without notice and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in any of the information herein since the date hereof, or the date as of which such information is given, if earlier.

References in this Official Statement to laws, rules, regulations, ordinances, resolutions, agreements, reports and documents do not purport to be comprehensive or definitive. All references to such documents are qualified in their entirety by reference to the particular document, the full text of which may contain qualifications of and exceptions to statements made herein, and copies of which may be inspected at the offices of the City during normal business hours. References to website addresses presented herein are for informational purposes only and may be in the form of a hyperlink solely for the reader's convenience. Unless specified otherwise, such websites and the information or links contained therein are not incorporated into, and are not part of, this Official Statement.

The order and placement of materials in this Official Statement, including the Appendices, are not deemed to be a determination of relevance, materiality or importance, and this Official Statement, including the Appendices, must be considered in its entirety.

In order to facilitate the distribution of the Notes, the Underwriter may engage in transactions intended to stabilize the price of the Notes at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time. The prices at which the Notes are offered to the public by the Underwriter and the yields resulting therefrom may vary from the initial public offering prices or yields shown on the cover and the inside front cover page hereof. In addition, the Underwriter may allow concessions or discounts from such initial public offering prices or yields to dealers and others.

This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Notes in any jurisdiction in which it is unlawful for any person to make such an offer, solicitation or sale.

The Underwriter has reviewed the information in this Official Statement in accordance with and as part of its responsibilities to investors under the Federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guaranty the accuracy or completeness of such information.

\$6,955,000 BOND ANTICIPATION NOTES, SERIES 2017B (FEDERALLY TAXABLE)

INTRODUCTION

This Official Statement of the City of Jersey City (the "City"), in the County of Hudson (the "County"), State of New Jersey (the "State"), including cover pages and appendices, is provided for the purpose of presenting certain information relating to the City in connection with the sale of the City's \$6,955,000 Bond Anticipation Notes, Series 2017B (Federally Taxable) (the "Notes").

The Notes are dated June 22, 2017 and are payable on June 22, 2018. See "THE NOTES" and "SECURITY FOR THE NOTES" herein for a description of the Notes and the security therefor. The terms of the Notes are described generally in this Official Statement, which should be read together with the entire attachment hereto.

All quotations from and summaries and explanations of provisions of laws of the State herein do not purport to be complete and are qualified in their entirety by reference to the official compilations thereof and all reference to the definitive forms of the Notes and their statutory authority.

Authorization for the Notes

The Notes have been authorized and are to be issued pursuant to the Local Bond Law, N.J.S.A. 40A:2-1 et seq. of the New Jersey Statutes (the "Act") and, a bond ordinance numbered 10-085 finally adopted by the Municipal Council of the City on July 14, 2010 as amended by bond ordinance numbered 15.125 finally adopted by the Municipal Council of the City on October 14, 2015 (collectively, the "Bond Ordinance"). By resolutions adopted on July 14, 2010 the New Jersey Local Finance Board approved the issuance of the Notes. The Local Finance Board is authorized to establish certain conditions and requirements that the City must meet before approval for issuance is given.

Purpose of the Notes and Application of Proceeds

The City will apply the proceeds from the sale of the Notes to pay a portion of the maturing principal of the City's \$7,085,000 Bond Anticipation Notes, Series 2016A (Federally Taxable) which were issued on June 24, 2016 and mature on June 23, 2017 (the "2016 Notes"), and used to refinance certain capital improvements and pay a portion of the costs of issuing the Notes. The remaining \$130,000 of maturing principal of the 2016 Notes will be paid from budgeted appropriations.

THE NOTES

General

The Notes are dated June 22, 2017 and mature on June 22, 2018. Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months. Principal of and interest on the Notes will be paid when due and at maturity at the office of the Chief Financial Officer of the City (unless a Paying Agent is appointed by the City). So long as The Depository Trust Company, Jersey City, New Jersey ("DTC") or its nominee is the registered owner of the Notes, payments of the principal of and interest on the Notes are to be made directly to Cede & Co., as nominee for DTC; disbursements of such payments to the DTC Participants is the responsibility of DTC, and disbursements of such payments to the beneficial owners of the Notes is the responsibility of the DTC Participants. See "THE NOTES – Book Entry Only System" herein. The Notes will be issued in fully

registered form in the denomination of \$5,000 or more, and, under certain circumstances, are exchangeable for one or more fully registered Notes of like principal amount, series and maturity in the denomination of \$5,000 or more.

Book Entry Only System

DTC will act as securities depository for the Notes. One fully registered bond certificate will be issued in the aggregate principal amount of the Notes. The Notes will be registered in the name of Cede & Co. (DTC's partnership nominee) and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Direct and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Notes on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, however, Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Notes are to be accomplished by entries made on the books of the Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Notes, except in the event that use of the book-entry only system for the Notes is discontinued.

To facilitate subsequent transfers, all Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co, or such other nominee as may be requested by an authorized representative of DTC. The deposit of Notes with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Notes may wish to take certain steps to augment the transmission to

them of notices of significant events with respect to the Notes, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of the Notes may wish to ascertain that the nominee holding the Notes for their benefit has agreed to obtain and transmit notices to Beneficial Owners, or in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Notes within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Notes. Under its usual procedures, DTC mails an omnibus proxy (the "Omnibus Proxy") to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and redemption premium, if any, of and interest payments on the Notes will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the payment date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the payment date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption premium, if any, and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Paying Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payment to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Notes at any time by giving reasonable notice to the City or the Paying Agent and discharging its responsibilities with respect thereto under applicable law, or the City may terminate its participation in the system of book-entry transfer through DTC at any time by giving notice to DTC. In either event, the City may retain another securities depository for the Notes or deliver Note certificates in accordance with instructions from DTC or its successors.

The Paying Agent and the City will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting, and so long as a book-entry-only system is used, will send any notice of redemption or other notices to Bondholders only to DTC. Any failure of DTC to advise any DTC Participants or of any DTC Participant to notify the Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of the Notes called for redemption or of any other action premised on such notice.

The Paying Agent and the City cannot and do not give any assurance that DTC will distribute payments of debt service to DTC Participants or that the DTC Participants or others will distribute payments of debt service on the Notes paid to DTC or its nominee, as the registered owner thereof, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or that DTC will serve and act in a manner described in this Official Statement.

The information in this section concerning DTC and DTC's book-entry-only system is based upon information obtained from DTC. The City believes the information to be reliable but assumes no responsibility as to accuracy, sufficiency, or completeness thereof.

THE CITY AND THE PAYING AGENT MAY TREAT DTC (OR ITS NOMINEE) AS THE SOLE AND EXCLUSIVE REGISTERED OWNER OF THE NOTES REGISTERED IN ITS NAME FOR THE PURPOSES OF PAYMENT OF THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OF,

OR INTEREST ON, THE NOTES, GIVING ANY NOTICE PERMITTED OR REQUIRED TO BE GIVEN TO REGISTERED OWNERS, REGISTERING THE TRANSFER OF THE NOTES, OR OTHER ACTION TO BE TAKEN BY REGISTERED OWNERS AND FOR ALL OTHER PURPOSES WHATSOEVER. THE CITY AND THE PAYING AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY PARTICIPANT, ANY PERSON CLAIMING A BENEFICIAL OWNERSHIP INTEREST IN THE NOTES UNDER OR THROUGH DTC OR ANY PARTICIPANT, OR ANY OTHER PERSON WHICH IS NOT SHOWN ON THE REGISTRATION BOOKS OF THE CITY (KEPT BY THE REGISTRAR AND PAYING AGENT) AS BEING A REGISTERED OWNER, WITH RESPECT TO THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT IN RESPECT OF THE PRINCIPAL, REDEMPTION PREMIUM, IF ANY, OR INTEREST ON THE NOTES; ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO REGISTERED OWNERS THEREUNDER OR UNDER THE CONDITIONS TO TRANSFERS OR EXCHANGES ADOPTED BY THE CITY; OR OTHER ACTION TAKEN BY DTC AS A REGISTERED OWNER. PAYMENTS MADE TO DTC OR ITS NOMINEE SHALL SATISFY THE CITY'S OBLIGATIONS UNDER THE ACT AND THE ORDINANCES TO THE EXTENT OF SUCH PAYMENTS. SO LONG AS CEDE & CO., AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF ALL THE NOTES, REFERENCES HEREIN TO THE OWNERS, HOLDERS OR REGISTERED OWNERS OF THE NOTES (OTHER THAN UNDER THE CAPTION "TAX MATTERS" HEREIN) SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE NOTES.

In the event that the book entry only system is discontinued, the City will authenticate and make available for delivery Notes in the form of registered certificates. In addition, the following provisions would apply to such Notes: Principal of and interest on the Notes will be payable in lawful money of the United States of America at the office of the Paying Agent, designated by the City, and interest on the Notes will be payable by wire transfer or check mailed to the respective addresses of the registered owners thereof as shown on the registration books of the City as of the close of business on the fifteenth day preceding the maturity date.

SECURITY FOR THE NOTES

General Obligations of the City

The Notes constitute general obligations of the City and the full faith and credit and unlimited taxing power of the City are pledged to the payment of principal of, and interest on the Notes. The City is authorized and required by law to levy *ad valorem* taxes on all real property taxable by the City for the payment of the principal of and the interest on the Notes without limitation as to rate or amount. Payment of such principal and interest is not limited, however, to any particular fund or source of revenue of the City. The City is required to include in its annual municipal budget the total amount of interest and principal charges on all of its general obligation indebtedness for the current year.

THE NOTES ARE NOT ENTITLED TO THE BENEFITS OF THE MUNICIPAL QUALIFIED BOND ACT.

The Notes are not a debt or obligation, legal, moral or otherwise, of the State of New Jersey, or any county, municipality or political subdivision thereof, other than the City.

NO DEFAULT

The City has never defaulted in the payment of principal of, redemption premium, if any, and interest on any bonds or notes or other obligations of the City, nor are any payments of principal of or interest on the City's indebtedness past due.

MARKET PROTECTION

Other than the Notes, the City anticipates issuing approximately \$82,000,000 in general improvement refunding bonds, and additional series of notes in 2017, including approximately \$3,775,000 in new money bond anticipation notes, \$7,980,028 in rollover bond anticipation notes and approximately \$13,700,000 in rollover special emergency notes in December 2017. The City may also issue additional bond anticipation notes from time to time to finance additional capital projects.

CITY OF JERSEY CITY

The City is New Jersey's second largest municipality with a population of 247,597 according to the United States Department of Commerce's 2010 Census. The City is located on the west side of the Hudson River, directly across from lower Manhattan in New York City, and is part of the major business and industrial concentration spanning the New York - Northern New Jersey metropolitan area.

The City's land area is 15.8 square miles, including a five mile long stretch of Hudson River waterfront that has experienced considerable high rise office tower, residential and multi-family development over the past ten years. The City is connected to New York City by the Holland Tunnel and the PATH railroad tubes and is within ten miles of Newark International Airport and the container and cargo facilities of Port Newark-Elizabeth. The City is located in the County of Hudson. The City's size and current development activity cause it to dominate the economy of Hudson County (the Jersey City Labor Area). The City also serves as the seat of the County government. Of the approximately 275,000 persons employed in the County, approximately 43% are employed in Jersey City. For additional information regarding the City and its finances, see "APPENDIX A - Certain Information Regarding the City of Jersey City".

RECENT FINANCIAL RESULTS AND FINANCIAL OUTLOOK

Financial Overview

Appendix A contains information relative to the financial operations of the City. Over the last few years, the City's financial position has improved due to structurally balanced operations and strong prospects for continued tax base growth. The City has benefited from successful efforts to raise additional recurring revenues while reducing personnel related expenditures.

The calendar year that ended December 31, 2016 resulted in an excess of \$29,344,622 in operations and the City's fund balance was \$59,304,581, unaudited. The calendar year that ended December 31, 2015 resulted in an excess of \$20,295,394 in operations and the City's audited fund balance was \$50,705,610. The calendar year that ended December 31, 2014 resulted in an excess of \$33,812,449 in operations and the City's audited fund balance was \$56,132,966. The calendar year that ended December 31, 2013 resulted in an excess of \$12,410,182 in operations and the City's audited fund balance was \$38,733,517.

The City restructured its debt on March 30, 2006, providing Fiscal Year 2006 debt service relief of \$18 million and another approximately \$69 million in Fiscal Years 2007-2011 combined, and was intended to produce approximately level debt service through Fiscal Year 2022.

Financial Results

2017 Budget. The City's budget for the 2017 Calendar year was introduced on March 22, 2017. The Municipal Tax levy increased to \$228,298,260. The City's 2017 budget anticipates \$67,113,917 in State Aid.

2016 Budget. The City's budget for the 2016 Calendar year was introduced on February 24, 2016 and adopted on July 20, 2016. The Municipal Tax levy increased to \$223,276,028. The City's 2016 budget anticipated \$69,198,542 in State Aid.

2015 Results. The City's budget for the 2015 Calendar year was introduced on March 11, 2015 and adopted on July 28, 2015. The Municipal Tax levy increased to \$219,785,389. The City's 2015 budget realized \$68,430,369 in State Aid.

2014 Results. The City's budget for the 2014 Calendar year was introduced on March 12, 2014 and adopted on September 23, 2014. The Municipal Tax levy decreased to \$217,414,170. The City's budget realized \$68,569,897 in State Aid.

2013 Results. The City's budget for the 2013 Calendar year was introduced on February 27, 2013 and adopted on July 17, 2013. The Municipal Tax levy increased to \$217,730,857. The City's budget realized \$69,336,338 in State Aid.

2012 Results. The City's budget for the 2012 Calendar year was introduced on February 22, 2012 and adopted on July 31, 2012. The Municipal Tax levy increased to \$208,175,697. The City's budget realized \$69,509,094 in State Aid.

2011 Results. The City's budget for the 2011 Calendar year was introduced on March 9, 2011 and adopted on September 27, 2011. The Municipal Tax levy increased to \$201,000,000. The City's budget realized \$70,488,976 in State Aid.

CERTAIN STATUTORY PROVISIONS FOR THE PROTECTION OF GENERAL OBLIGATION DEBT

Local Bond Law (N.J.S.A. 40A:2-1 et seq.)

The Local Bond Law governs the issuance of bonds and notes to finance certain municipal capital expenditures. Among its provisions are requirements that bonds must mature within the statutory period of usefulness of the projects bonded and that bonds be retired in serial or sinking fund installments. A five percent (5%) cash down payment is generally required to be appropriated for the financing of expenditures for municipal purposes for which bonds are authorized.

The Local Fiscal Affairs Law (N.J.S.A. 40A:5-1 et seq.)

This law regulates the non-budgetary financial activities of local governments. An annual, independent audit of the local unit's accounts for the previous year must be performed by a licensed Registered Municipal Accountant. The audit, conforming to the Division of Local Government Services' "Requirements of Audit," includes recommendations for improvement of the local unit's financial procedures and must be filed with the Director (as defined herein) within six (6) months after the close of the fiscal year. A synopsis of the audit report, together with all recommendations made, must be published in a local newspaper within thirty (30) days of its completion.

The chief financial officer of every local unit must file annually with the Director a verified statement of financial condition of the local unit and all constituent boards, agencies and commissions.

The annual audit report is filed with the City Clerk and is available for review during business hours.

Debt Limits (N.J.S.A. 40A:2-6)

The authorized bonded indebtedness of a municipality in the State is limited by statute, subject to the exceptions noted below, to an amount equal to 3.50% of its equalized valuation basis. The equalized valuation basis of a municipality is set by statute as the average for the last three years of the equalized value of all taxable real property and improvements and certain class II railroad property within its boundaries as annually determined by the State Board of Taxation.

Certain categories of debt are permitted by statute to be deducted for purposes of computing the statutory debt limit.

On December 31, 2016, the City's percentage of statutory net debt was 2.04% and was comprised of the following:

	<u>Gross Debt</u>	<u>Deductions</u>	<u>Net Debt</u>
Municipal Purposes	\$720,645,887	\$264,941,826	\$455,704,061
School Purposes	\$28,742,258	\$28,742,258	\$0

Exceptions to Debt Limits - Extensions of Credit (N.J.S.A. 40A:2-7)

The debt limit of the City may be exceeded with the approval of the Local Finance Board, a State regulatory agency. If all or any part of a proposed debt authorization would exceed its debt limit, the City must apply to the Local Finance Board for an extension of credit. If the Local Finance Board determines that a proposed debt authorization would not materially impair the ability of the City to meet its obligations or to provide essential services, or makes other statutory determinations, approval may be granted. In addition to the aforesaid, debt in excess of the debt limit may be issued without the approval of the Local Finance Board to fund certain bonds for self-liquidating purposes and, in each fiscal year, in an amount not exceeding two-thirds of the amount budgeted in such fiscal year for the retirement of outstanding obligations (exclusive of obligations issued for utility or assessment purposes).

Short-Term Financing

The City may issue short term "bond anticipation notes" to temporarily finance a capital improvement or project in anticipation of the issuance of bonds if the bond ordinance or a subsequent resolution so provides. Bond anticipation notes, which are general obligations of the City, may be issued for a period not exceeding one (1) year. Generally, bond anticipation notes may not be outstanding for longer than ten (10) years. An additional period may be available following the tenth anniversary date equal to the period from the notes' maturity to the end of the tenth fiscal year in which the notes mature plus four (4) months in the next following fiscal year from the date of original issuance. Beginning in the third year, the amount of outstanding notes that may be renewed is decreased by the minimum amount required for the first year's principal payment of bonds in anticipation of which such notes are issued.

MUNICIPAL BUDGET

Pursuant to the Local Budget Law, N.J.S.A. 40A:4-1 et seq., as amended and supplemented (the "Local Budget Law"), the City is required to have a balanced budget in which debt service is included in full for each fiscal year.

The Local Budget Law (N.J.S.A. 40A:4-1 et seq.)

The foundation of the New Jersey local finance system is the annual cash basis budget. The City must adopt an operating budget in the form required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"). Items of revenue and appropriation are regulated by law and must be certified by the Director prior to final adoption of the budget. The Local Budget Law requires each local unit to appropriate sufficient funds for payment of current debt service and the Director of the Division (the "Director") is required to review the adequacy of such appropriations, among others, for certification.

The Director has no authority over individual operating appropriations, unless a specific amount is required by law, but the review functions focusing on anticipated revenues serve to protect the solvency of all

local units. Local budgets, by law and regulation, must be in balance on a "cash basis". No budget or amendment thereof shall be adopted unless the Director shall have previously certified his approval thereof (N.J.S.A. 40A:4-10).

The principal sources of City revenues are real estate taxes, State Aid, Federal Aid and miscellaneous revenues.

In any year, the municipality may authorize, by resolution, the issuance of tax anticipation notes which may be issued in anticipation of the collection of taxes for such year. Tax anticipation notes are limited in amount by law and must be paid off in full by a municipality within one hundred twenty (120) days after the close of the fiscal year.

Real Estate Taxes

The general principle that revenue cannot be anticipated in a budget in excess of that realized in the preceding year applies to property taxes. N.J.S.A. 40A:4-29 delineates anticipation of delinquent tax collections: "The maximum which may be anticipated is the sum produced by the multiplication of the amount of delinquent taxes unpaid and owing to the local unit on the first day of the current fiscal year by the percentage of collection of delinquent taxes for the year immediately preceding the current fiscal year."

Section 41 of the Local Budget Law provides with regard to current taxes that: "Receipts from the collection of taxes levied or to be levied in the municipality, or in the case of a county for general county purposes and payable in the fiscal year, shall be anticipated in an amount which is not in excess of the percentage of taxes levied and payable during the next preceding fiscal year which was received in cash by the last day of such preceding fiscal year."

The provision requires that an additional amount (the "reserve for uncollected taxes") be added to the tax levy required to balance the budget so that when the percentage of the prior year's tax collection is applied to the combined total, the product will at least be equal to the tax levy required to balance the budget. The reserve requirement is calculated as follows:

$$\frac{\text{Cash Required from Taxes to Support Local Municipal Budget and Other Taxes}}{\text{Prior Year's Percentage of Current Tax Collection (or Lesser \%)}} = \frac{\text{Amount to be Raised by Taxation}}{\text{Prior Year's Percentage of Current Tax Collection (or Lesser \%)}}$$

Miscellaneous Revenues

Section 26 of the Local Budget Law provides: "no miscellaneous revenues from any source shall be included as an anticipated revenue in the budget in an amount in excess of the amount actually realized in cash from the same source during the preceding fiscal year, unless the Director shall determine upon application by the governing body that the facts clearly warrant the expectation that such excess amount will actually be realized in cash during the fiscal year and shall certify such determination, in writing, to the local unit." No budget or amendment thereof shall be adopted unless the Director shall have previously certified his approval thereof (N.J.S.A. 40A:4-10). The exception to this is the inclusion of categorical grants-in-aid contracts for their face amount with an offsetting appropriation. The fiscal years for such grants rarely coincide with the municipality's calendar fiscal year.

Limitations on Expenditures ("Cap Law") and Property Tax Levy Cap

N.J.S.A. 40A:4-45.3 places limits on municipal tax levies and expenditures. This law is commonly known as the "Cap Law" (the "Cap Law"). The Cap Law was amended and became effective on July 7, 2004. The Cap Law provides that the City shall limit any increase in its budget to 2.5% or the Cost-Of-Living Adjustment, whichever is less, of the previous year's final appropriations, subject to certain exceptions. The Cost-Of-Living Adjustment is defined as the rate of annual percentage increase, rounded to nearest half percent, in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services produced by the United States Department of Commerce for the year preceding the current year as announced by the Director.

However, in each year in which the Cost-Of-Living Adjustment is equal to or less than 2.5%, the City may, by ordinance approved by a majority vote of the full membership of the governing body, provide that the final appropriations of the City for such year be increased by a percentage rate that is greater than the Cost-Of-Living Adjustment, but not more than 3.5% over the previous year's final appropriations. See N.J.S.A. 40A:4-45.14. In addition, N.J.S.A. 40A:4-45.15b restored "CAP" banking to the Local Budget Law. Municipalities are permitted to appropriate available "CAP Bank" in either of the next two (2) succeeding years' final appropriations. Along with the permitted increases for total general appropriations there are certain items that are allowed to increase outside the "CAP".

Additionally, P.L. 2010, c.44, effective July 13, 2010, imposes a two percent (2%) cap on the tax levy of a municipality, county, fire district or solid waste collection district, with certain exceptions and subject to a number of adjustments. The exclusions from the limit include increases required to be raised for capital expenditures, including debt service, increases in pension contributions in excess of two percent (2%), certain increases in health care costs in excess of two percent (2%), and extraordinary costs incurred by a local unit directly related to a declared emergency. The governing body of a local unit may request approval, through a public question submitted to the legal voters residing in its territory, to increase the amount to be raised by taxation, and voters may approve increases above two percent (2%) not otherwise permitted under the law by an affirmative vote in excess of fifty percent (50%).

The Division has advised that counties and municipalities must comply with both the budget Cap Law and the tax levy limitation. Neither the tax levy limitation nor the Cap Law, however, limits the obligation of the City to levy *ad valorem* taxes upon all taxable property within the boundaries of the City to pay debt service on bonds and notes.

Deferral of Current Expenses

Supplemental appropriations made after the adoption of the budget and determination of the tax rate may be authorized by the governing body of a local unit, including the City, but only to meet unforeseen circumstances, to protect or promote public health, safety, morals or welfare, or to provide temporary housing or public assistance prior to the next succeeding fiscal year. However, with certain exceptions described below, such appropriations must be included in full as a deferred charge in the following year's budget. Any emergency appropriation must be declared by resolution according to the definition provided in N.J.S.A. 40A:4-48, and approved by at least two-thirds of the full membership of the governing body and shall be filed with the Director. If such emergency appropriations exceed three percent (3%) of the adopted operating budget, consent of the Director is required. N.J.S.A. 40A:4-49.

The exceptions are certain enumerated quasi-capital projects ("special emergencies") such as (i) the repair and reconstruction of streets, roads or bridges damaged by snow, ice, frost, or floods, which may be amortized over three (3) years, and (ii) the repair and reconstruction of streets, roads, bridges or other public property damaged by flood or hurricane, where such expense was unforeseen at the time of budget adoption, the repair and reconstruction of private property damaged by flood or hurricane, tax map preparation, reevaluation programs, revision and codification of ordinances, master plan preparations, drainage map preparation for flood control purposes, studies and planning associated with the construction and installation of sanitary sewers, authorized expenses of a consolidated commission, contractually required severance liabilities resulting from the layoff or retirement of employees and the preparation of sanitary and storm system maps, all of which projects set forth in this section (ii) may be amortized over five (5) years. N.J.S.A. 40A:4-53, -54, -55, -55.1. Emergency appropriations for capital projects may be financed through the adoption of a bond ordinance and amortized over the useful life of the project as described above.

Budget Transfers

Budget transfers provide a degree of flexibility and afford a control mechanism. Pursuant to N.J.S.A. 40A:4-58, transfers between major appropriation accounts are prohibited until the last two (2) months of the municipality's fiscal year. Appropriation reserves may be transferred during the first three (3) months of the current fiscal year to the previous fiscal year's budget. N.J.S.A. 40A:4-59. Both types of transfers require a two-thirds vote of the full membership of the governing body. Although sub-accounts within an appropriation are not subject to the same year-end transfer restriction, they are subject to internal review and approval. Generally, transfers cannot be made from the down payment account, the capital improvement fund, contingent expenses or from other sources as provided in the statute.

Fiscal Year

In 2010, the City changed its fiscal year from a June 30th year end to a December 31st year end. The City adopted a transition year budget for the period July 1, 2010 through December 31, 2010 and introduced a full calendar year budget for the period commencing January 1, 2011 and in each calendar year thereafter.

Budget Process

Primary responsibility for the City's budget process lies with the City Council. As prescribed by the Local Budget Law, adoption should occur by the end of March; however, extensions may be granted by the Division to any local governmental unit. In the first quarter in which the budget formulation is taking place, the City operates under a temporary budget which may not exceed 26.25% of the previous fiscal year's adopted budget. In addition to the temporary budget, the City may approve emergency temporary appropriations for any purpose for which appropriations may lawfully be made.

TAX INFORMATION ON THE CITY

Property valuations (assessments) are determined on true values as arrived at by the cost approach, market data approach and capitalization of net income (where applicable). Current assessments are the result of maintaining new assessments on a "like" basis with established comparable properties for newly assessed or purchased properties resulting in a decline of the assessment ratio to true value to its present level. This method assures equitable treatment to like property owners. Because of the escalation of property resale values, annual adjustments could not keep pace with the rising values.

Upon the filing of certified adopted budgets by the City, the school district and the County, the tax rate is struck by the County Board of Taxation based on the certified amounts in each of the taxing districts for collection to fund the budgets. The statutory provisions for the assessment of property, levying of taxes and the collection thereof are set forth in N.J.S.A. 54:4-1 et seq. Special taxing districts are permitted in New Jersey for various special services rendered to the properties located within the special district.

For calendar year municipalities, tax bills are generally sent in June of the current fiscal year. Taxes are payable in four quarterly installments on February 1, May 1, August 1 and November 1. The August and November tax bills are determined as the full tax levied for municipal, school district or county purposes for the current municipal fiscal year, less the amount charged as the February and May installments for municipal, school district or county purposes in the current fiscal year. The amounts due for the February and May installments are determined as by the municipal governing body as either one-quarter or one-half of the full tax levied for municipal, school district or county purposes for the preceding fiscal year.

Tax installments not paid on or before the due date are subject to interest penalties of eight percent (8%) on the first \$1,500 of the delinquency and, then eighteen percent (18%) per annum on any amount in excess of \$1,500. A penalty of up to six percent (6%) of the delinquency in excess of \$10,000 may be imposed on a

taxpayer who fails to pay that delinquency prior to the end of the tax year in which the taxes become delinquent. Delinquent taxes open for one year or more are annually included in a tax sale in accordance with State Statutes. Tax title liens are periodically assigned to the Corporation Counsel (as defined herein) for in rem foreclosures in order to acquire title to these properties.

The provisions of Chapter 99 of the Laws of New Jersey of 1997 allow a municipality to sell its total property tax levy to the highest bidder either by public sale with sealed bids or by public auction. The purchaser shall pay the total property tax levy bid amount in quarterly installments or in one annual installment. Property taxes will continue to be collected by the municipal tax collector and the purchaser will receive as a credit against his payment obligation the amount of taxes paid to the tax collector. The purchaser is required to secure his payment obligation to the municipality by an irrevocable letter of credit or surety bond. The purchaser is entitled to receive, all delinquent taxes and other municipal charges owing, due and payable upon collection by the tax collector. The statute sets forth bidding procedures, minimum bidding terms and requires the review and approval of the sale by the Division.

Tax Appeals

New Jersey Statutes provide a taxpayer with remedial procedures for appealing an assessed valuation that the taxpayer deems excessive. The taxpayer has a right to file a petition on or before the 1st day of April (1st day of May in a revaluation year) of the current tax year for its review. The County Board of Taxation and the Tax Court of New Jersey have the authority after a hearing to increase, decrease or reject the appeal petition. Adjustments by the County Board of Taxation are usually concluded within the current tax year and reductions are shown as cancelled or remitted taxes for that year. If the taxpayer believes the decision of the County Board of Taxation to be incorrect, appeal of the decision may be made to the Tax Court of New Jersey. State tax court appeals tend to take several years to conclude by settlement or trial and any losses in tax collection from prior years, after an unsuccessful trial or by settlement, are charged directly to operations.

DEBT INFORMATION ON THE CITY

Debt Statements

The City must report all new authorizations of debt or changes in previously authorized debt to the Division. The Supplemental Debt Statement, as this report is known, must be submitted to the Division before final passage of any debt authorization. Before January 31 of each year, the City must file an Annual Debt Statement with the Division. This report is made under oath and states the authorized, issued and unissued debt of the City as of the previous December 31. Through the Annual and Supplemental Debt Statements, the Division monitors all local borrowing.

TAX MATTERS

The following is a general discussion of certain of the anticipated federal tax consequences of the purchase, ownership and disposition of the Notes by the original purchasers of the Notes. Investors should consult their own tax advisors in determining the federal, state, local or other tax consequences to them of purchase, ownership and disposition of the Notes. This discussion is based upon the Internal Revenue Code of 1986, as amended (the "Code") regulations, rulings and decisions now in effect, all of which are subject to change at any time, possibly with retroactive effect, and does not purport to deal with federal income tax consequences applicable to all categories of investors, some of which will be subject to special rules. This discussion assumes that the Notes will be held as "capital assets" under the Code and that the Notes are owned by U.S. Holders (as defined below). Investors should consult their own tax advisors in determining the federal, state, local or other tax consequences to them of purchase, ownership and disposition of the Notes.

As used herein, the term "U.S. Holder" means a beneficial owner of a Bond that is for United States federal income tax purposes (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or any State or any political subdivision

thereof, (iii) an estate the income of which is subject to United States federal income taxation regardless of its source or (iv) a trust whose administration is subject to the primary jurisdiction of a court within the United States and which has one or more United States fiduciaries who have the authority to control all substantial decisions of the trust.

Interest Income

INTEREST ON THE NOTES IS NOT EXCLUDED FROM GROSS INCOME FOR FEDERAL INCOME TAX PURPOSES. The City will report annually (or more frequently if required) to owners of record and to the Internal Revenue Service in respect of interest paid on the Notes.

Backup Withholding

Under the Code, payments on the Notes may under certain circumstances, be subject to "backup withholding" at a rate equal to the fourth lowest rate of tax applicable under Section 1(c) of the Internal Revenue Code of 1986, as amended (the "Code"). This withholding generally applies if the owner (i) fails to furnish such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnishes an incorrect TIN, (iii) fails to properly report interest, dividends or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide such owner's securities broker with a certified statement, signed under penalties of perjury, that the TIN is correct and that such Noteholder is not subject to backup withholding. Owners of the Notes should consult their own tax advisors as to their qualification for exemption for backup withholding and the procedures for obtaining the exemption.

Disposition and Defeasance

Generally, upon the sale, exchange, redemption, or other disposition (which would include a legal defeasance) of a Note, a holder generally will recognize taxable gain or loss in an amount equal to the difference between the amount realized (other than amounts attributable to accrued interest not previously includable in income) and such holder's adjusted tax basis in the Note.

The City may cause the deposit of moneys or securities in escrow in such amount and manner as to cause the Notes to be deemed to be no longer outstanding under the Resolution (a "defeasance"). For Federal income tax purposes, such defeasance could result in a deemed exchange under Section 1001 of the Code and a recognition by such owner of taxable income or loss, without any corresponding receipt of moneys. In addition, the character and timing of receipt of payments on the Notes subsequent to any such defeasance could also be affected.

State Taxation

Bond Counsel is of the opinion, based upon existing statutes and judicial decisions, that interest on the Notes and net gains from the sale of the Notes is not included as gross income under the New Jersey Gross Income Tax Act. Potential purchasers of the Notes should consult with their tax advisors.

THE FOREGOING IS NOT INTENDED AS AN EXHAUSTIVE RECITAL OF THE POTENTIAL TAX CONSEQUENCES OF HOLDING THE NOTES. PROSPECTIVE PURCHASERS OF THE NOTES SHOULD CONSULT THEIR TAX ADVISORS WITH RESPECT TO THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES OF OWNERSHIP OF THE NOTES.

LITIGATION

To the knowledge of the City's Corporation Counsel, Jeremy Farrell, Esq. (the "Corporation Counsel"), there is no litigation of any nature now pending or threatened, restraining or enjoining the issuance or the delivery of the Notes, or the levy or the collection of taxes to pay the principal of or the interest on the Notes, or in any manner questioning the authority or the proceedings for the issuance of the Notes or for the levy or the

collection of taxes to pay the principal of or the interest on the Notes, or contesting the corporate existence or the boundaries of the City or the title of any of the present officers. Moreover, to the knowledge of the Corporation Counsel, except as set forth in Appendix A under the section entitled "Pending Litigation", no litigation is presently pending or threatened that, in the opinion of the Corporation Counsel, would have a material adverse impact on the financial condition of the City if adversely decided. A certificate or opinion to such effect will be executed by the Corporation Counsel and delivered to the Underwriters at the closing.

On November 12, 2015, a lawsuit was filed against the City in New Jersey Superior Court, Law Division, Hudson County seeking to invalidate bond ordinance 15.125 by way of an action in lieu of prerogative writs, on the grounds that said ordinance was adopted in violation of certain requirements of the Act. Bond ordinance 15.125 constitutes an amendment to bond ordinance 10-185 (which was adopted in 2010), having the principal effect of expanding the purposes for which the proceeds of the authorized bonds or notes may be used. The Notes (as well as all predecessor note issues dating back to 2011) are authorized under ordinance 10-185, the validity of which is not being challenged in the above-referenced litigation. On May 5, 2016, judgment was entered in favor of the City on all counts. The plaintiffs filed an appeal with the New Jersey Superior Court, Appellate Division on June 21, 2016. Briefing is complete, but oral arguments have not yet been scheduled. If the plaintiffs are ultimately successful on appeal, the permitted uses of the proceeds of the original notes could be limited to those listed in ordinance 10-185, but neither the issuance and delivery of the Notes, nor the levy or collection of taxes to pay the principal of or the interest on the Notes, would be impaired.

APPROVAL OF LEGAL PROCEEDINGS

All legal matters incident to the authorization, the issuance, the sale and the delivery of the Notes are subject to the approval of GluckWalrath LLP, Trenton, New Jersey, Bond Counsel to the City, whose approving legal opinion will be delivered with the Notes substantially in the form set forth in Appendix C hereto. Certain legal matters will be passed on for the City by its Corporation Counsel.

MUNICIPAL BANKRUPTCY

The undertakings of the City should be considered with reference to 11 U.S.C. § 101 et seq., as amended and supplemented (the "Bankruptcy Code"), and other bankruptcy laws affecting creditors' rights and municipalities in general. The Bankruptcy Code permits the State or any political subdivision, public agency, or instrumentality that is insolvent or unable to meet its debts to commence a voluntary bankruptcy case by filing a petition with a bankruptcy court for the purpose of effecting a plan to adjust its debts; directs such a petitioner to file with the court a list of petitioner's creditors; provides that a petition filed under this chapter shall operate as a stay of the commencement or continuation of any judicial or other proceeding against the petitioner; grants priority to certain debts owed; and provides that the plan must be accepted in writing by or on behalf of creditors holding at least two-thirds in amount and more than one half in number of the allowed claims of at least one (1) impaired class. The Bankruptcy Code specifically does not limit or impair the power of a state to control by legislation or otherwise, the procedures that a municipality must follow in order to take advantage of the provisions of the Bankruptcy Code.

The Bankruptcy Code provides that special revenue acquired by the debtor after the commencement of the case shall remain subject to any lien resulting from any security agreement entered into by such debtor before the commencement of such bankruptcy case. However, special revenues acquired by the debtor after commencement of the case shall continue to be available to pay debt service secured by those revenues. Furthermore, the Bankruptcy Code provides that a transfer of property of a debtor to or for the benefit of any holder of a bond or note, on account of such bond or note, may not be avoided pursuant to certain preferential transfer provisions set forth in such code.

Reference should also be made to N.J.S.A. 52:27-40 et seq., which provides that a local unit, including the City, has the power to file a petition in bankruptcy with any United States court or court in bankruptcy under the provisions of the Bankruptcy Code, for the purpose of effecting a plan of readjustment of its debts or for the composition of its debts; provided, however, the approval of the Local Finance Board, as successor to the Municipal Finance Commission, must be obtained.

The City has not authorized the filing of a bankruptcy petition. This reference to the Bankruptcy Code or the State statute should not create any implication that the City expects to utilize the benefits of their provisions, or that if utilized, such action would be approved by the Local Finance Board, or that any proposed plan would include a dilution of the source of payment of and security for the Notes, or that the Bankruptcy Code could not be amended after the date hereof.

CONTINUING DISCLOSURE

The City has covenanted for the benefit of bondholders and noteholders to provide certain financial information and operating data on the City and to comply with the provisions of Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended and supplemented, and as detailed in Continuing Disclosure Certificate (the “Certificate”) to be executed on behalf of the City by its Chief Financial Officer, in the forms appearing in Appendix D hereto, such Certificate to be delivered concurrently with the delivery of the Notes. These covenants are being made by the City to assist the purchasers of the Notes in complying with the Rule.

The City has previously failed to file, in a timely manner, its Annual Reports in accordance with the Rule for the calendar years ended December 31, 2011, 2012 and 2013. Generally, the City had previously filed, in a timely manner, the required audited financial statements, but did not timely file all required operating data for the periods referenced above. Additionally, the City had failed to file, in a timely manner, certain material event notices relating to rating changes of the City, the Municipal Qualified Bond Act, the School Qualified Bond Act, the School Bond Reserve Act and various bond insurance companies. Such notices were filed on November 13, 2014. Further, the City recently determined that it inadvertently failed to comply with prior undertakings to provide its Annual Report for the calendar years ended December 31, 2013 and December 31, 2014 with respect to bonds issued by the Jersey City Municipal Utilities Authority (the “JCMUA Undertaking”). However, portions of such Annual Reports were filed with the Municipal Securities Rulemaking Board (the “MSRB”) with respect to the City’s bonds. The City has since corrected this oversight by linking the required Annual Reports to the JCMUA Undertaking. The City has implemented certain procedures to file its Annual Reports on a more consistent and timely basis in future years. The City’s implementation of procedures to file its Annual Reports also includes the continued utilization of Digital Assurance Certification, LLC (DAC) to assist with the City’s disclosure requirements.

LEGALITY FOR INVESTMENT

The State and all public officers, municipalities, counties, political subdivisions and public bodies, and agencies thereof, all banks, bankers, trust companies, savings and loan associations, savings banks and institutions, building and loan associations, investment companies, and other persons carrying on banking business, all insurance companies, and all executors, administrators, guardians, trustees, and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds of the City, including the Notes, and such Notes are authorized security for any and all public deposits.

FINANCIAL ADVISOR

NW Financial Group, LLC, Hoboken, New Jersey has served as Financial Advisor to the City with respect to the issuance of the Notes (the “Financial Advisor”). The Financial Advisor is not obligated to undertake, and has not undertaken, either to make an independent verification of, or to assume responsibility for the accuracy, completeness, or fairness of the information contained in the Official Statement and the Appendices hereto. The Financial Advisor is an independent firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities.

UNDERWRITING

The Notes are being purchased by Oppenheimer & Co., Inc. (the "Underwriter") at an aggregate price of \$6,961,538.00. The Notes are being reoffered to the public at a price of \$6,987,549.40. The Underwriter is obligated to purchase all of the Notes if any Notes are purchased.

The initial public offering yields of the Notes set forth on the cover and the inside cover page may be changed without notice by the Underwriters. The Underwriters may offer and sell the Notes to certain dealers (including dealers depositing Notes into investment trusts, certain of which may be sponsored or managed by the Underwriters) and others at yields higher than the offering yields set forth on the inside cover page hereof.

RATING

The City has requested that the Notes be rated by and has furnished information to S&P Global Ratings, acting through Standard & Poor's Financial Services LLC ("S&P") including information that may not be included in this Official Statement. S&P has assigned a rating of "SP-1+" to the Notes.

An explanation of the significance of such rating may be obtained only from S&P. The rating reflects only the views of S&P. Generally, rating agencies base their ratings upon information and materials provided to them and upon investigations, studies and assumptions by the particular rating agency. There can be no assurance that the rating will be maintained for any given period of time or that the rating may not be lowered or withdrawn entirely, if in S&P judgment, circumstances so warrant. Such action, any downward change in, or withdrawal of such rating, may have an adverse effect on the market price of the Notes. The City has not undertaken any responsibility after the issuance of the Notes to assure maintenance of the rating or to oppose any such revision or withdrawal.

CLOSING CERTIFICATES

Upon the delivery of the Notes, the Underwriter will be furnished with the following items: (i) a Certificate executed by the Business Administrator and the Chief Financial Officer of the City (or officers otherwise titled serving in equivalent capacities) to the effect that as of the date of this Official Statement and at all times subsequent thereto, up to and including the time of the delivery of the Notes, this Official Statement did not and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements herein, in the light of the circumstances under which they were made, not misleading, and further stating that there has been no adverse material change in the financial condition of the City since the date of this Official Statement to the date of issuance of the Notes, as appropriate, and having attached thereto a copy of this Official Statement, (ii) a Certificate signed by an officer of the City evidencing payment for the Notes, (iii) a Certificate signed by the Mayor, Business Administrator, Chief Financial Officer and City Clerk evidencing the due execution of the Notes, including statements that (a) no litigation of any nature is pending or, to the knowledge of the signers, threatened, restraining or enjoining the issuance and delivery of the Notes, or the levy and collection of taxes to pay the principal of and interest thereon, nor in any manner questioning the proceedings and authority under which the Notes were authorized or affecting the validity of the Notes thereunder, (b) neither the corporate existence or boundaries of the City nor the title of the signers to their respective offices is being contested, and (c) no authority or proceedings for the issuance of the Notes have been repealed, revoked or rescinded, and (iv) the Continuing Disclosure Certificate; each executed by the Chief Financial Officer.

PREPARATION OF OFFICIAL STATEMENT

The firm of Donohue, Gironda, Doria & Tomkins, LLC, Bayonne, New Jersey, Certified Public Accountants and Registered Municipal Accountants, assisted in the preparation of information contained in this Official Statement, and takes responsibility for the financial statements to the extent specified in the Independent Auditors' Report.

All information has been obtained from sources which Donohue, Gironda, Doria & Tomkins, LLC, considers to be reliable but it makes no warranty, guarantee or other representation with respect to the accuracy and completeness of such information.

NW Financial Group, LLC has not participated in the preparation of the financial or statistical information in this Official Statement, nor has it verified the accuracy, completeness or fairness thereof and, accordingly, expresses no opinion with respect thereto.

GluckWalrath LLP has not participated in the preparation of the financial or statistical information in this Official Statement, nor has it verified the accuracy, completeness or fairness thereof and, accordingly, expresses no opinion with respect thereto.

FINANCIAL STATEMENTS

The comparative balance sheets – regulatory basis of the various funds of the City as of and for the years ended December 31, 2015 and 2014, and the related comparative statement of operations and changes in fund balance – regulatory basis, statement of revenues – regulatory basis and statement of appropriations – regulatory basis, of the Current Fund, and the related statement of changes in Fund Balance – regulatory basis, of the General Capital Fund, for the years then ended, together with the related Notes to the Financial Statements for the years then ended, are presented in Appendix B to the Official Statement. The financial statements referred to above have been audited by Donohue, Gironda, Doria & Tomkins, LLC, Bayonne, New Jersey, independent auditor, as stated in its report appearing in Appendix B.

Also included in Appendix B are unaudited balance sheets – regulatory basis of the various funds of the City as of December 31, 2016 and the related unaudited statement of operations and changes in fund balance – regulatory basis for the year ended December 31, 2016, without accompanying note disclosures. The unaudited financial statements referred to above have been abstracted from the annual financial statement (unaudited) of the City for the year ended December 31, 2016, as stated in the accountant's compilation report prepared by Donohue, Gironda, Doria & Tomkins, LLC, Bayonne, New Jersey, independent auditor.

ADDITIONAL INFORMATION

Inquiries regarding this Official Statement, including requests for information additional to that contained herein, may be directed to Donna L. Mauer, CMFO, Chief Financial Officer, City of Jersey City, 280 Grove Street, Jersey City, New Jersey 07302, (201) 547-5042.

MISCELLANEOUS

This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or holders of any of the Notes. Any statements made in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended merely as opinions and not as representations of fact. The information and expressions of opinion herein are subject to change without notice and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there have been no changes in the affairs in the City since the date thereof. The information contained in this Official Statement is not guaranteed as to accuracy or completeness.

This Official Statement has been duly approved, executed and delivered by the City.

APPENDIX A

CERTAIN INFORMATION REGARDING THE CITY OF JERSEY CITY

[THIS PAGE INTENTIONALLY LEFT BLANK]

THE CITY OF JERSEY CITY

The legislative power of the City of Jersey City (the “City”) is vested in the Municipal Council (the “Council”), which is composed of nine members, six of whom are elected from the City's six wards and three of whom are elected at large. The Council meets regularly and operates in accordance with the Optional Municipal Form of Government, Section 40:69A-1 *et seq.*, of the New Jersey statutes. The Council members serve four-year terms beginning on the first day of July following their election. Their current term commenced July 1, 2013. The current members of the Council, their titles and the date they first took office are shown on the following table:

MUNICIPAL COUNCIL

<u>Name</u>	<u>Title</u>	<u>Date First In Office</u>
Rolando R. Lavarro	Council President	November 14, 2011
Daniel Rivera	Councilman-at-Large	July 1, 2013
Joyce Watterman	Councilwoman-at-Large	July 1, 2013
Frank Gajewski	Ward A Councilman	July 1, 2013
Chris L. Gadsden	Ward B Councilman	November 13, 2016
Richard Boggiano	Ward C Councilman	July 1, 2013
Michael Yun	Ward D Councilman	July 1, 2013
Candice Osborne	Ward E Councilwoman	July 1, 2013
Jermaine Robinson	Ward F Councilwoman	January 21, 2017

On January 12, 2016, the Municipal Council adopted an ordinance authorizing a binding referendum on the question of amending the City’s charter to provide for the holding of its municipal elections on the same dates as the November general elections. The voters approved such referendum at the November 8, 2016 general election. Accordingly, the next election for Mayor and Council will take place in November 2017 and the current terms of office will be extended from June 30, 2017 to December 31, 2017, with the new four-year terms beginning on January 1, 2018.

The executive power of the City is exercised by the Mayor, who is responsible for administering the charter and ordinances and general laws of the City. The Mayor is responsible for preparing and administering the City's annual expense and capital budgets. The Mayor supervises all of the departments in the City and reports annually to the Council and the public the results of the previous year's operations. The Mayor has the power to approve ordinances adopted by the Council or to return them to the Council with a statement of his objections. A vote by two-thirds of the members of the Council may override the Mayor's veto. The Mayor may attend meetings of the Council and may take part in discussions. The Mayor has no vote in the proceedings of the Council except to fill a vacancy in the Council, in which case he may cast the deciding vote. The Mayor appoints the Business Administrator and the Directors of nine City departments with the advice and consent of the Council. In the event that the Mayor is unable to fulfill his responsibilities under the applicable provisions of the New Jersey Statutes and the Jersey City Charter, the Council is required to appoint a Mayor to serve until the next election. There are no term limits for the office of Mayor or for any Council member.

Administration

Following are biographical sketches of the City officials with responsibility for financial management:

STEVEN M. FULOP, Mayor

Steven Michael Fulop, a democrat, is the 49th and current Mayor of Jersey City, New Jersey. He is the youngest mayor in the country of a city with a population larger than 250,000. Mayor Fulop was elected Mayor on May 14, 2013, defeating a three term incumbent mayor and the political establishment. Prior to serving as Mayor, Steven Fulop served as the Ward E Councilman of the City for eight years.

A first generation American, Mayor Fulop grew up in an immigrant family in Edison, New Jersey. His father owned a delicatessen in Newark, where Mayor Fulop often worked. His mother, the daughter of Holocaust survivors, worked in an immigration services office helping others gain citizenship.

Mayor Fulop graduated from Binghamton University in 1999, and in 2006 completed both his Masters in Business Administration at the New York University Stern School of Business and his Masters in Public Administration at Columbia University School of International and Public Affairs (SIPA). While attending Binghamton University, he spent time abroad studying at Oxford University in England.

Upon graduating from college, Mayor Fulop joined Goldman Sachs. After working in financial services for several years and seeing first hand the effects of the September 11 attacks, he decided to put his career at Goldman Sachs on hold and join the United States Marine Corps. Shortly after completion of Marine Corps boot camp on January 14, 2003, Mayor Fulop was deployed to Iraq, where he served as part of the 6th Engineer Support Battalion. He and his unit were recipients of numerous awards and recognition for service including the Overseas Service Ribbon, Meritorious Masts, and the Presidential Unit Citation.

Currently, Mayor Fulop is a trustee of the Liberty Science Center, and previously served on the Board of Directors for the Columbia University Alumni Association and the board for the Learning Community Charter School. He is an avid tri-athlete completing the 2012 NY Ironman Championship in less than 12 hours.

ROBERT J. KAKOLESKI, Business Administrator

Robert J. Kakoleski was named Acting Director of the Department of Administration on August 1, 2013. Mr. Kakoleski received a Masters of Public Administration degree in 2002 from Fairleigh Dickinson University. He also earned his bachelor's degree from Rutgers University. Mr. Kakoleski worked for more than 16 years as the Jersey City Police Department's fiscal officer, deputy director and department director. He became Assistant Business Administrator for the City in 2004 and named the City's budget director in 2010. Mr. Kakoleski is also a New Jersey Certified Municipal Finance Officer and he has completed a certification program in labor relations at Rutgers University. On March 26, 2014, the Mayor appointed Mr. Kakoleski as Business Administrator of the City.

MARK ALBIEZ, Mayor's Chief of Staff

Mark Albiez began his career in public service in 2003 as Program Coordinator with the Jersey City Department of Recreation, where he was responsible for overseeing various recreational programs and grant writing for the department.

In 2008, Mr. Albiez was named the Chief of Staff to New Jersey Assemblyman Ruben Ramos, Jr. (January of 2008 – December of 2011) then began working for State Senator Brian P. Stack (January of 2009 – July of 2014) in the same role, directing the daily functions of both offices, which operated in a joint capacity, focusing on constituent services, drafting of legislation, legislative processes, and interaction with government offices, public agencies and members of the media. Mr. Albiez was then employed as Deputy Director of the Union City Department of Recreation, Parks and Public Property (January of 2012 – July of 2014), advancing the creation and refurbishment of parks and recreational facilities and securing funding streams for respective projects.

Mr. Albiez joined the administration of Jersey City Mayor Steven Fulop in July of 2014 and was appointed as Chief of Staff. Mr. Albiez earned a degree in Bachelor of Arts in Philosophy from Rutgers University, New Brunswick.

JEREMY A. FARRELL, ESQ., Corporation Counsel

On July 1, 2013, Jeremy A. Farrell was appointed Corporation Counsel for the City. Mr. Farrell heads the Department of Law, which represents the City in all legal matters and advises the Mayor and City Council on policy initiatives.

Mr. Farrell is a 2003 graduate of McGill University where he received a Bachelor of Arts degree in Political Science and International Development. He received his Juris Doctorate from Seton Hall University

School of Law in 2007. While attending Seton Hall Law School, Mr. Farrell was a Chancellor Scholar and Distinguished Scholar. He also served as a member of the Seton Hall Sports and Entertainment Law Journal and a Student Bar Association Senator.

Upon graduating from law school in 2007, Mr. Farrell joined McElroy, Deutsch, Mulvaney & Carpenter, LLP ("McElroy"), one of New Jersey's prominent law firms. In 2008, he left McElroy to serve as Judicial Law Clerk to the Honorable Dennis M. Cavanaugh, United States District Judge for the District of New Jersey. He returned to the firm in the fall of 2009. At McElroy, Mr. Farrell practiced Commercial Litigation, Municipal Law, Condemnation Law, Construction Litigation, and Bankruptcy.

ANTHONY CRUZ, Director of Housing, Economic Development and Commerce

Mr. Cruz worked for a planning and designing firm, SAM Inc., in the mid 1980's and left the firm to start a career in government in 1992. That year he was appointed by the Hudson County Executive as the Director of Constituent Services for the County of Hudson where he was responsible for building partnerships with non-profit organizations. In 2000, Mr. Cruz became a Special Projects Manager for United States Senator Jon Corzine where he worked on Police/ Fire Grants and Environmental issues. He left the State to become a Senior Advisor and Deputy Mayor under the late Mayor Glenn D. Cunningham. Mr. Cruz was also responsible for running a state funded program that helped homeowners rehabilitate their homes and started the largest Special Improvement District in the City. On March 26, 2014, Mr. Cruz was appointed Director of Housing, Economic Development and Commerce.

DONNA MAUER, Chief Financial Officer

Donna Mauer holds a B.S. in Business Administration from New Jersey City University and a Masters of Public Administration from Fairleigh Dickinson University. She started employment with the Department of Finance of the City in 1987. Since that time, she held various positions, including Assistant Budget Officer. On December 14, 2005, Ms. Mauer was appointed Chief Financial Officer and reappointed on December 17, 2008 and acquired tenure in the position on January 1, 2009.

City Employees

As of December 31, 2016, the City had 2,923 employees. The following table shows a breakdown of the City's employees over the past five years:

CITY EMPLOYEES

	<u>Permanent</u>	<u>Temporary</u>	<u>Grants/ Enterprise Fund</u>	<u>Water Utility</u>	<u>Total⁽¹⁾</u>
December 31, 2016	2,793	90	36	4	2,923
December 31, 2015	2,581	76	67	5	2,729
December 31, 2014	2,392	70	34	6	2,502
December 31, 2013	2,381	68	55	6	2,510
December 31, 2012	2,408	41	33	7	2,489

⁽¹⁾ Total does not include Seasonal Employees

Approximately 2,256 of the City's employees are represented by one of 9 different bargaining units. The New Jersey Public Employee Relations Act, as amended, specifies a negotiation and advisory fact finding process (civilian unions) or interest arbitration (uniformed service unions) in the event of a negotiations impasse. The major public employee unions of the City are set forth below with a description of each:

LOCAL 1064 represent approximately one hundred fifty six (156) fire officers in the rank of Captain, Battalion Chief and Deputy Chief. A new four (4) year collective bargaining agreement was reached in March 2013 for the period January 1, 2013 to December 31, 2016. The basic financial terms were as

follows: January 2013 – 0%; July 2013 – 2.5%; January 2014 2.15%; January 2015 – 2.25%; January 2016 – 1.95%. Negotiations are ongoing and moving in a positive direction. A successor agreement is expected soon.

LOCAL 1066 represent approximately four hundred and two (402) fire fighters. A new collective bargaining agreement was reached. The basic financial terms were January 1, 2016 – 1.95%, January 1, 2017 – 1.5%, April 1, 2018 – 1.5%; June 1, 2019 – 1.5%..

THE POLICE SUPERIOR OFFICERS' ASSOCIATION represents approximately one hundred forty seven (147) Superior Officers in the rank of Sergeant, Lieutenant, Captain and Inspector. A new four (4) year collective bargaining agreement was reached in March 2013 for the period January 1, 2013 to December 31, 2016. The basic financial terms were as follows: January 2013 – 0%; July 2013 – 2.5%; January 2014 2.15%; January 2015 – 2.25%; January 2016 – 1.95%. Negotiations are ongoing and moving in a positive direction. A successor agreement is expected soon.

THE POLICE OFFICERS' BENEVOLENT ASSOCIATION represents approximately six hundred and forty eight (648) Police Officers and Detectives below the rank of Sergeant. A new four (4) year collective bargaining agreement was reached in March 2013 for the period January 1, 2013 to December 31, 2016. The basic financial terms were as follows: January 2013 – 0%; July 2013 – 2.5%; January 2014 2.3%; January 2015 – 2.25%; January 2016 – 1.95%. The contract also included the lowering of the starting salary for new hires and other significant reduction in benefits for additional cost savings. Negotiations have begun but not as far along as the public safety unions.

JERSEY CITY SCHOOL TRAFFIC GUARDS ASSOCIATION represents approximately two hundred (200) employees who tend the crosswalks near elementary schools in the City to safely assist children. A successor agreement was reached October 2013 for a four (4) year January 1, 2012 to December 31, 2015. The basic financial terms were as follows: January 2012 – 3.5%; January 2013 – 3.25%; January 2014 – 2.75%; January 2015 – 2.25%. Also, new crossing guard hires will no longer receive medical benefits. There are no changes to date. Negotiations have not yet begun.

JERSEY CITY SUPERVISORS' ASSOCIATION represents approximately eighty five (85) civilian Supervisors holding titles above the rank of “foreman”, but below the level of Division Head. A new three and half year contract was ratified by the City Council May 2013. The agreement calls for the following salary increases: effective July 1, 2011 - \$0; January 1, 2012 - \$0; April 1, 2012 - \$1,350; January 1, 2013 - \$1,400 and January 1, 2014 - \$1,500. Negotiations are currently ongoing. A tentative agreement has been reached but not ratified by the membership of City Council yet.

JERSEY CITY PUBLIC EMPLOYEES, LOCAL 245, represents approximately one hundred thirty seven (137) foremen and their subordinates, in the Department of Public Works and the Department of Recreation. A new three and half year contract was ratified by the City Council May 2013. The agreement calls for the following salary increases: effective July 1, 2011 - \$350; January 1, 2012 - \$1,000; January 1, 2013 - \$1,000 and January 1, 2014 - \$1,000. Negotiations are currently ongoing.

JERSEY CITY PUBLIC EMPLOYEES, LOCAL 246, represents approximately four hundred eighty (480) employees who are subordinate to Supervisors in the Mayor's Office, the Department of Administration, the Department of Finance, the Department of Law, the Department of Health and Human Services, and the Department of Housing, Economic Development and Commerce, the Office of the City Clerk, the Office of the Tax Assessor, the Department of Fire (non-uniformed) and the Department of Public Safety (non-uniformed). A new three and half year contract was ratified by the City Council in May 2013. The agreement calls for the following salary increases: effective July 1, 2011 - \$0; January 1, 2012 - \$0; April 1, 2012 - \$1,000; January 1, 2013 - \$1,000 and January 1, 2014 - \$1,250. A 4-year deal has been agreed to as follows: January 1, 2015 - \$1,125, January 1, 2016 - \$1,125; January 1, 2017 - \$1,400 and January 1, 2018 - \$1,500.

INTERNATIONAL UNION OF OPERATING ENGINEERS LOCAL 68-68A-68B, AFL-CIO represents three (3) employees holding titles of boiler operators or chief engineer. A new three and half

year contract was ratified by the City Council May 2013. The agreement calls for the following salary increases: effective July 1, 2012 - \$0; January 1, 2013 - \$0; April 1, 2013 - \$1,350; January 1, 2014 - \$1,400 and January 1, 2015 - \$1,500. Negotiations have not begun.

The Jersey City Public Schools

The public school system of the City, the second largest school district in the State, served a total enrollment of approximately 27,672 students for school fiscal year 2016-17. The system employs professional and non-professional personnel, including teacher's aides. The student population is provided with a comprehensive school program including college preparatory programs, vocational training and special education classes housed in regular elementary and secondary schools. In school fiscal year 2016-17, the school district had 4,665 full-time employees. The school system currently includes 25 elementary schools, four middle schools, eight high schools, one regional day, one adult education school and 40 childcare sites.

Since October 1989, the school system has been operated by the State of New Jersey pursuant to the New Jersey Public School Education Act of 1975, as amended, N.J.S.A. 18A:7A-1 *et seq.* The Commissioner of Education appointed a State Superintendent to manage the district.

The State-operated school district enabling legislation, N.J.S.A. 18A:7A-34 *et seq.*, makes provision for the City to provide moneys to the State-operated school district for the payment of operating expenditures. Chapter 139 of the Pamphlet Laws of 1991 provided a mechanism similar to the pre-existing one for the authorization and issuance of school promissory notes and school serial bonds by the City secured by the power and authority of the City to levy ad valorem real property taxes. The Capital Project Control Board of the City's Public Schools has the authority to review and recommend the necessity for capital projects proposed by the Superintendent. Following the adoption of a resolution by the Capital Project Control Board, the Municipal Council of the City shall consider a School bond ordinance. The State, by the takeover of the school system in the City, has not affected, modified or impaired the authority or the obligation of the City for the levy and collection of sufficient real property taxes to pay the interest and principal on outstanding school debt.

Related Authorities and Functions

Sewer services are provided to the City through the Jersey City Municipal Utilities Authority (the "JCMUA") and solid waste disposal is provided by the Jersey City Incinerator Authority (the "JCIA"). On December 10, 1997, the Jersey City Sewerage Authority was reorganized to form the JCMUA. On January 15, 1998, the City and the JCMUA executed a Franchise and Service Agreement pursuant to which the JCMUA assumed operation of the City's Water Utility until January 31, 2008. In May 2003, the City and the JCMUA executed an amended and restated franchise and service agreement pursuant to which the JCMUA's obligations to operate the City's Water Utility was extended through March 31, 2028. See "Jersey City Municipal Utilities Authority" and "The Jersey City Incinerator Authority" under "CITY INDEBTEDNESS AND DEBT LIMITS – Other City-Related Obligations" herein.

City Budget Requirements - General

State law imposes specific budgetary procedures upon local government units such as the City. Pursuant to the Local Budget Law, the City is required to have an operating budget, which provides for sufficient cash collections to pay all debt service and operating costs during the fiscal year and, in addition, provide for any statutory and mandatory payments, such as pension and insurance costs, required to be made during the fiscal year.

The City's operating budget must be in the form required by the Division of Local Government Services in the Department of Community Affairs, State of New Jersey (the "Division"). Items of revenue and appropriation are statutorily regulated and must be certified by the Director of the Division (the "Director") prior to final adoption of the budget by the Council. The Director is required to review the adequacy of such appropriations for certification. The Director has no authority over individual operating appropriations, unless a specific amount is required by law, but the review, which focuses on anticipated revenues, is intended to insure revenues are sufficient to pay expenses.

The Business Administrator and Budget Director prepare the Municipal Budget of the City for the Mayor. During the month of November, all department heads are required to submit requests for appropriations for the next budget year and appear before the Business Administrator, the Budget Director and the Council at public hearings to explain their departmental requests. The Mayor then submits his recommended budget to the Council. The Council may reduce any item or items in the budget by a majority vote but may increase any item or items only upon an affirmative vote of two-thirds of the members of the Council. After the budget is introduced, it may be approved on first reading by majority vote of the Council. After the Council approves the budget, it is submitted to the Director for approval and advertised. A public hearing is held. Upon completion of the public hearing, the budget is adopted by the Council and submitted to the Division for certification.

The City has transitioned from a State fiscal year to a calendar fiscal year. Under State law, the City is required to have a budget adopted by March 20, although the Director, with the approval of the Local Finance Board, may extend this date and the Municipal Council may adopt the budget within ten days after the Director shall have certified his approval thereof pursuant to N.J.S.A. 40A:4-5.1. For Calendar Year 2012, the budget was introduced on February 22, 2012 and adopted on July 31, 2012. For Calendar Year 2013, the budget was introduced on February 27, 2013 and adopted on July 17, 2013. For Calendar Year 2014, the budget was introduced on March 12, 2014 and adopted on September 23, 2014. For Calendar Year 2015, the budget was introduced on March 11, 2015 and adopted on July 28, 2015. For Calendar Year 2016, the budget was introduced on February 24, 2016 and adopted on July 20, 2016.

Prior to formal budget adoption, the City uses a temporary operating budget to guide expenditures. Temporary appropriations may be made pursuant to N.J.S.A. 40A:4-19.1 and, in addition, emergency temporary appropriations may be made pursuant to N.J.S.A. 40A:4-20. The City's budget for the first quarter of its calendar year (January 1 through March 31) is equal to one-fourth of the annual budget for the preceding calendar year. If a budget for a calendar year is not adopted by March 31, the City establishes periodic temporary budgets.

The monitoring of the budget is a continuous process, and encompasses financial controls in the areas of encumbrance of obligations and public contracts law. Under State law, expenditures cannot be made unless there is a certification as to availability of funds from the operating or capital budget. The budget is utilized throughout the operating year as a management tool and policy instrument representing the City's plan of action for the provision of services. Expenditures are monitored throughout the year and, two months before the end of the fiscal year, the budget may be amended to transfer expenditures from one line item to another. Emergency appropriations may be made to the extent revenues are insufficient to pay expenditures, with the amounts so appropriated raised in the succeeding fiscal year.

No local unit in New Jersey is permitted to issue long-term bonds for the payment of current expenses or to pay outstanding obligations (except for the refunding or repayment of successful real property tax appeals and certain statutorily authorized non-recurring expenses, which requires the approval of the Local Finance Board). Like other New Jersey municipalities, the City makes a major portion of its expenditures early in each year while receipts are heaviest late in the year. The City has managed this cash flow imbalance through temporary transfers from its capital and grant accounts, and restoring these funds by year end with the tax and State aid revenues received. A local unit may issue tax anticipation notes for the payment of current expenses under the Local Budget Law. The City has not issued tax anticipation notes since April 1991.

Public School Budgeting Process

Under the provisions of the New Jersey Public Education Act of 1975, as amended, the Superintendent of a State-operated school district, after preparation of and hearing on a proposed budget, is required to fix and determine the amount of money necessary to be appropriated for the school year and is required to certify the amounts to be raised by taxes. The City may appeal to the Commissioner of Education the amount determined necessary. The Commissioner, upon receipt of such appeal and completion of the hearing process, shall determine the amount necessary for the district to provide a thorough and efficient educational program including the implementation of the plan to correct deficiencies. The City may apply to the Director of the Division for a determination that the local share of revenues needed to support the district's budget results in an unreasonable tax burden. Based upon this review, the Director certifies the amount of revenues, which can be raised locally to support the budget of the State-operated district. Any difference between the amount which the Director certifies and the total amount of local

revenues required by the budget approved by the Commissioner is paid by the State in the fiscal year in which the expenditures are made, subject to the availability of appropriations. The State supplemented the City's school tax revenues with \$20,000,000 for the Fiscal Year 1999. Since Fiscal Year 2000, the State has not supplemented the City's school tax revenues.

Limitation on Expenditures

Section 40A:4-45.3 of the Local Budget Law, commonly known as the "Cap Law," as enacted provided that a municipality shall limit any increase in its operating budget to five percent or the calculated Index Rate, whichever is less, over the previous year's final appropriations, subject to certain exceptions. The Local Finance Board has the authority, under Section 40A:4-45.3 of the Local Budget Law, to grant additional exceptions to the Cap Law under certain circumstances. The Index Rate is defined as the annual percentage increase in the Implicit Price Deflator for State and Local Government Purchasers of Goods and Services produced by the United States Department of Commerce as announced by the Director. Municipalities may elect, upon adoption of an ordinance, to approve an increase in appropriations that is greater than the Index Rate, not to exceed five percent, when the Index Rate is less than five percent. Major exceptions not subject to the spending limitation include: capital expenditures and debt service; State and Federal appropriations; expenditures mandated as a consequence of certain public emergencies; certain expenditures mandated by law; cash deficits of the preceding year approved by the Local Finance Board; amounts required to be paid pursuant to any contract with respect to use, services or provision of any project, facility or public improvement for water, sewer, solid waste, parking, senior citizen housing or similar purpose, or payments on account of debt service therefor or lease payments as made with respect to a facility owned by a county improvement authority where such lease payments are a necessity to amortize debt of the authority; amounts expended to meet the standards established by the New Jersey Public Employees' Occupational Safety and Health Act; amounts appropriated for expenditures resulting from impact of a hazardous waste facility; any expenditure mandated as a result of a natural disaster, civil disturbance or other emergency that is specifically authorized pursuant to a declaration of an emergency by the President of the United States or by the Governor; expenditures for the cost of services mandated by any order of court, statute or administrative rule issued by a State agency which has identified such cost as mandated expenditures on certification to the Local Finance Board by the State agency; and amounts reserved for uncollected taxes. The "Cap Law" does not limit the obligation of the City to levy ad valorem taxes upon all taxable real property within the City to pay debt service.

On June 21, 2004, the Legislature enacted amendments to the "Cap Law", under which municipalities are required to limit any increase in its operating budget to 2.5% or the "cost-of-living adjustment" (formerly known as the "Index Rate"), whichever is less, over the previous year's final appropriations, subject to certain exceptions. Municipalities are permitted to elect, upon adoption of an ordinance, to approve an increase in appropriations that is greater than the cost-of-living adjustment, not to exceed 3.5%, when the cost-of-living adjustment is less than or equal to 2.5%. However, the amendment eliminates the existing option to exceed the current 5% increase, but not to exceed the Index Rate, when the Index Rate is greater than 5%. The amendment also eliminates certain of the exceptions to the spending limitation, including: amounts expended to meet the standards established by the New Jersey Public Employees' Occupational Safety and Health Act; amounts appropriated for expenditures resulting from the impact of a hazardous waste facility; amounts appropriated for the cost of administering a joint insurance fund; amounts appropriated for the cost of implementing an estimated tax billing system and the issuance of tax bills thereunder; and amounts expended to pay the salaries of police officers hired under the federal "Community Oriented Policing Services" program. The amendment also requires Local Finance Board approval to utilize existing exceptions for: expenditures of amounts actually realized in the local budget year from the sale of municipal assets; and expenditures related to the cost of conducting and implementing a total property tax levy sale. The exception for amounts expended for the staffing and operation of the municipal court was replaced with an exception for newly authorized operating appropriations for the municipal court or violations bureau when approved by the vicinage Presiding Judge of the Municipal Court after consultation with the mayor and governing body of the municipality.

The "Cap Law" is subject to frequent amendment by the Legislature. See "CITY REVENUES - Property Tax Reform" below.

Additionally, legislation constituting P.L. 2010, c. 44, effective July 13, 2010, imposes a two percent (2%) cap on the tax levy of a municipality, county, fire district or solid waste collection district, with certain exceptions

and subject to a number of adjustments. The exclusions from the limit include increases required for capital expenditures, including debt service, increases in pension contributions in excess of 2%, certain increases in health care over 2%, and extraordinary costs incurred by a local unit directly related to a declared emergency. The governing body of a local unit may request approval, through a public question submitted to the legal voters residing in its territory, to increase the amount to be raised by taxation, and voters may approve increases above 2% not otherwise permitted under the law by an affirmative vote in excess of 50%.

The Division has advised that counties and municipalities must comply with both budget "CAP" and the tax levy limitation. Neither the tax levy limitation nor the "CAP" law, however, limits the obligation of the City to levy ad valorem taxes upon all taxable property within the boundaries of the City to pay debt service on bonds and notes.

In accordance with the Local Budget Law, each local unit must adopt and may from time to time amend rules and regulations for capital budgets, which rules and regulations must require a statement of capital undertakings underway or projected for a period not greater than over the next ensuing six years as a general improvement program. The capital budget, when adopted, does not constitute the approval or appropriation of funds, but sets forth a plan of the possible capital expenditures, which the local unit may contemplate over the next six years. Expenditures for capital purposes may be made either by ordinances adopted by the governing body setting forth the items and the method of financing or from the annual operating budget if the terms were detailed.

Anticipation of Real Estate Taxes

With regard to current taxes, Section 40A:4-41 of the Local Budget Law provides that "receipts from the collection of taxes levied or to be levied in the municipality, or in the case of a county for general county purposes and payable in the fiscal year shall be anticipated in an amount which is not in excess of the percentage of taxes levied and payable during the next preceding fiscal year which was received in cash by the last day of the preceding fiscal year."

This provision requires that the City establish a non-spending appropriation reserve for uncollected taxes in the current year as a percentage of the current levy equal to the percent uncollected of the prior year's levy. This additional amount must be added to the tax levy required in order to balance the budget.

Section 40A:4-29 of the Local Budget Law sets limits on the anticipation of delinquent tax collections: "The maximum which may be anticipated is the sum produced by the multiplication of the amount of delinquent taxes unpaid and owing to the local unit on the first day of the current fiscal year by the percentage of collection of delinquent taxes for the year immediately preceding the current fiscal year."

The City school district and the County receive 100% of their tax levies, which are collected and paid to them by the City. As a result of the structure of the State's system of taxation, the City, along with other similarly situated municipalities, bears the full burden of the uncollected taxes.

Anticipation of Miscellaneous Revenues

Section 40A:4-26 of the Local Budget Law provides: "No miscellaneous revenues from any source shall be included as an anticipated revenue in the budget in an amount in excess of the amount actually realized in cash from the same source during the next preceding fiscal year, unless the Director shall determine upon application by the governing body that the facts clearly warrant the expectation that such excess amount will actually be realized in cash during the fiscal year and shall certify such determination, in writing, to the local unit."

Deferral of Current Expenses

Supplemental emergency appropriations may be authorized by the governing body of the City after the adoption of the budget and determination of the tax rate. However, with minor exceptions, such appropriations must be included in full in the following year's budget. Under Sections 40A:4-48 and 40A:4-49 of the Local Budget Law, any emergency appropriation must be declared by resolution according to the definition provided in Section 40A:4-46 of the Local Budget Law, approved by at least two-thirds of the governing body and must also be

approved by the Director if all emergency appropriations made during the year exceeds 3% of the total current and utility operating appropriations in the budget for that year.

Protection of Municipal Funds and Investment Policy

The City complies with the State statutory and regulatory requirements for the deposit and investment of public monies. The City on a daily basis deposits cash receipts in institutions located in New Jersey which are approved by the State and are insured by the Federal Deposit Insurance Corporation or by other agencies of the United States (although the amount of the City's deposit may exceed the insurance coverage limits) or in the State of New Jersey Cash Management Fund. The Cash Management Fund, which was established in 1977, is a short-term investment pool for the State and its cities, towns and school districts. The investments held by the Cash Management Fund must have average maturities not exceeding one year. The types of investments are regulated by the State Investment Council. The regulations allow investment in repurchase agreements with the purchased securities held by a custodian. The regulations also permit reverse repurchase agreements; however, the proceeds are invested in the Cash Management Fund.

In addition to making deposits with the above described financial institutions, pursuant to N.J.S.A.40A:5-15.1, the City is permitted to purchase the following types of securities as investments:

- 1) Bonds or other obligations of the United States of America or obligations guaranteed by the United States of America (Treasury Bills, notes and bonds).
- 2) U.S. Government money market funds.
- 3) Any obligation that a Federal agency or a Federal instrumentality has issued in accordance with an Act of Congress, which security has a maturity date not greater than 397 days from the date of purchase, provided that such obligation bears a fixed rate of interest not dependable on any index or other external factor.
- 4) Bonds or other obligations of the local unit or bonds or other obligations of school districts of which the local unit is a part or within which the school district is located.
- 5) Bonds or other obligations, having a maturity date not more than 397 days from the date of purchase, approved by The Department of Treasury, Division of Investments.
- 6) Local government investment pools, such as New Jersey Class, and the New Jersey Arbitrage Rebate Management Program.
- 7) Deposits with the State of New Jersey Cash Management Fund.
- 8) Repurchase agreements of fully collateralized securities, if:
 - a) The underlying securities are permitted investments pursuant to N.J.S.A. 40A: 5-15.1;
 - b) The custody of the collateral is transferred to a third party;
 - c) The maturity of the agreement is not more than 30 days;
 - d) The underlying securities are purchased through banks approved by the Department of Banking and Insurance under the Government Unit Depository Projection Act. ("GUDPA").
 - e) A master repurchase agreement providing for the custody and security of the collateral is executed.

Compliance with the State statutes may not assure that the City's investments will have the liquidity, security or adequate deposit insurance to protect the City against all losses. For example, the relevant deposit statute, N.J.S.A.17:9-44, only requires public depository banks to maintain collateral for deposits of public funds exceeding insurance limits (\$100,000) generally equal to five percent of the average daily balance of public funds. Additionally, the State has the power to require that all banks holding public funds contribute amounts sufficient to

reimburse an eligible municipality if any bank holding public funds becomes insolvent. However, it is unclear how quickly other state-qualified depositories could act to reimburse an exposed municipality through the State supervised program which may result in limited liquidity and a shortage of cash for the City and other municipalities in the State. Furthermore, it is currently unclear whether the State of New Jersey Cash Management Fund could maintain sufficient liquidity during a period of economic stress if many municipalities including the City sought the immediate return of cash.

CITY INDEBTEDNESS AND DEBT LIMITS

State law regulates the issuance of debt by local government units. No local unit is permitted to issue bonds for the payment of current expenses or to pay outstanding obligations, except for, among certain other limited purposes, refunding purposes with the approval of the Local Finance Board. Like other New Jersey municipalities, the City makes a major portion of expenditures early in each year while receipts are heaviest late in the year. Historically, the City has managed this cash flow imbalance through temporary transfers from its capital and grant accounts and restores these funds with the tax and State aid revenues received by year-end. The City also has options, which it may exercise to reduce, defer or fund appropriations remaining at the end of a fiscal year for which insufficient cash is available. The Local Budget Law empowers the City to issue, but limits the amount of, tax anticipation notes ("TANs") that may be issued and requires the repayment of such notes within four months of the end of the fiscal year in which issued. The City has not issued TANs since April 1, 1991.

Debt Limits

State statutes set forth debt limits for counties and municipalities. The City's net debt is limited by the Local Bond Law to an amount equal to 3.50% of its average equalized valuation basis. The average equalized valuation basis of the City is set by statute as the average for the last three preceding years of the sum total of (a) the aggregate equalized valuation of real property together with improvements and (b) the assessed valuation of Class II railroad property within its boundaries as annually determined by the State Board of Taxation. See "CITY REVENUES – Equalization Rate and Tax Collection Rates" herein for a discussion of the City's assessed valuations. The debt limit pursuant to Title 18A of the New Jersey Statutes for the City school district, a Type I district of the first class, is 8% of such average valuation basis. Certain categories of debt are permitted by statute to be deducted for purposes of computing the statutory debt limit. Pursuant to law, the City has deducted the amount of authorized school debt.

Exception to Debt Limit - Extensions of Credit

The debt limit of the City may be exceeded only with the approval of the Local Finance Board. If all or any part of a proposed debt authorization would exceed its debt limit, the City must apply to the Local Finance Board for an extension of credit. An extension of credit may be granted based on a formula tied to the annual retirement of principal or need to protect the health, welfare or safety of the residents in a municipality. The Local Finance Board considers the request, concentrating its review on the effect of the proposed authorization on outstanding obligations. If the Local Finance Board determines pursuant to statute and regulation that a proposed debt authorization would materially impair the ability of the City to meet its obligations or to provide essential services, approval is denied.

In calendar years ending December 31, 2014, December 31, 2015 and December 31, 2016, total debt as a percentage of the equalized value of the City was 2.59%, 2.26% and 2.04%, respectively.

State law permits the City school district acting through the Municipal Council to authorize debt in excess of its individual debt limit. It does so by using the borrowing capacity of the City for school purposes after the school debt margin has been exhausted. The Local Finance Board is involved only if the proposed debt authorization exceeds the debt limit of both the City and the City school district.

Exception to Debt Limit - Real Property Tax Appeal Refunding Notes

The City revalued the real property located in the City in 1988. See "CITY REVENUES -- Equalization Rate and Tax Collection Rates". After the revaluation, the number of tax appeals increased substantially. In order

to file a tax appeal, a property owner must first pay the taxes that are owed. If the appeal is successful, the taxes are then refunded to the owner. The refund may occur in a fiscal year subsequent to the fiscal year in which the owner paid the taxes. Because of the magnitude of the tax appeals and the amount that was required to be refunded, the Local Finance Board and the Municipal Council have allowed the City to issue tax refunding obligations to finance the tax refunds. The tax refunding obligations issued to date are one-year notes, renewable annually for five to seven years after their date of issuance, with the amortization schedule approved by the Local Finance Board. As of December 31, 2015, \$2,738,740 principal amount of real property tax appeal refunding notes were outstanding. As of December 31, 2016 principal amount was fully paid and none were outstanding.

Debt Statements

The City must report all new authorizations of debt or changes in previously authorized debt to the Division through the filing of Supplemental and Annual Debt Statements. The Supplemental Debt Statement must be submitted to the Division before final passage of any debt authorization. Before the end of the first month of each fiscal year, the City must file an Annual Debt Statement as of the last day of the preceding fiscal year with the Division. Through the Annual and Supplemental Debt Statements, the Division monitors all local borrowing.

In calculating the debt limit, the City is allowed to deduct certain types of debt. Deductions from gross debt are allowed for school purposes of an amount equal to 8% of average equalized valuations and for any additional State School Building Aid Bonds authorized (P.L. 1968, c. 177, as amended P.L. 1971, c. 10, as amended and P.L. 1978, c. 74). The deduction from municipal gross debt includes bonds issued and bonds authorized but not issued to meet cash grants-in-aid for a housing authority, redevelopment agency or municipality acting as its local redevelopment entity (Section 40A:12A-37(d) of the Local Redevelopment and Housing Law) and funds in hand (including proceeds of bonds held to pay other bonds).

The following table sets forth the amount of debt that the City has outstanding, authorized but not yet issued as well as deductions for each purpose (school, municipal and water) and the amount of debt that the City has authorized for each purpose but has not yet incurred. In addition, the table sets forth the amount of debt that has been issued by public bodies but that the City is or may be responsible for paying. See “Other City-Related Indebtedness”. The table then sets forth the amount of the debt that, pursuant to State law, is excluded from the calculation of the debt limitations imposed on the City. Such deductions include debt for school purposes (a portion of which are subject to their own debt limitation), debt for the water utility because it operates on a self-liquidating basis, refunding debt, debt issued in anticipation of grants and bonds issued by public entities (even though the City may be responsible for all or a portion of the debt service on such debt). As shown in the table, although the City's gross debt as of December 31, 2016 was \$749,388,145, only \$455,704,061 of that debt is included for purposes of calculating the debt limitation on the City.

The table also shows the statutory net debt as a percentage of the average equalized value of property in the City (the average calculated for the past three years). See “CITY REVENUES - Real Estate Tax” herein. In addition to the debt detailed on this table, since 1990 the City has issued real property tax appeal refunding notes in each year. Prior to February 3, 2003, such real property tax appeal refunding notes were not included in the City's debt statements. After that date, newly authorized real property tax appeal refunding notes are included in gross debt, but are deducted in calculating net debt. See “Exception to Debt Limit – Real Property Tax Appeal Refunding Notes” herein.

**Annual Debt Statement
As of December 31, 2016**

Gross Debt:

School Purposes:

Issued and Outstanding:

Bonds	\$27,155,000	
Authorized But Not Issued	1,587,258	
Total School		\$28,742,258

Municipal Purposes:

Issued and Outstanding:

Bonds	465,793,000	
Notes	26,898,194	
Green Trust Loan	1,056,008	
Authorized But Not Issued	27,443,458

Source: Derived from the Annual Debt Statements of the City.

Included in the debt shown on this table are tax appeal refunding notes of the City outstanding for the 5 year period. The following table sets forth the amount of tax appeal refunding notes that were issued and outstanding in each of the four years preceding such date.

Real Property Tax Appeal Refunding Notes Outstanding

<u>Year</u>	<u>Amount Issued⁽¹⁾</u>	<u>Balance end of year</u>
December 31, 2016	-0-	-0-
December 31, 2015	-0-	2,738,740
December 31, 2014	-0-	6,917,870
December 31, 2013	-0-	11,097,000
December 31, 2012	-0-	15,276,196

Source: Derived from the Calendar Year 2011-2015 Audited Financial Statements of the City and unaudited Calendar Year 2016 Annual Financial Statement.

⁽¹⁾ These amounts do not include tax appeal refunding notes issued to refund prior issues of tax refunding notes.

The table below sets forth the total overlapping debt of the City for the last five years. The County of Hudson (the "County") debt overlap was 34.28% in 2016, 33.84% in 2015, 32.42% in 2014, 31.54% in 2013, and 32.35% in 2012. The overlap for all other debt was 100%. The City's percentage of overlap for County debt is determined by the State based on (i) the assessed value of Class II Railroad Property in the City and (ii) the true value of real property in the City. The sum of these two figures is used to calculate a percentage of the sum of the assessed value of Class II Railroad Property in the County, plus the true value of real property in the County. Overlapping debt is debt for which the City is not required to levy taxes.

Schedule of Overlapping Debt ⁽¹⁾

	<u>December 31, 2016</u>	<u>December 31, 2015</u>	<u>December 31, 2014</u>	<u>December 31, 2013</u>	<u>December 31, 2012</u>

2040	6,130,500	6,130,500	-	-	-	
				-	-	
TOTAL	<u>\$ 676,455,449</u>	<u>\$ 555,672,844</u>	<u>\$ 54,246,357</u>	<u>\$ 29,499,000</u>	<u>\$ 30,687,613</u>	

In addition to the debt service requirements on outstanding bonds, the City also pays debt service on notes. Notes generally mature within one year from their date of issuance. Notes, other than tax appeal refunding notes, may be renewed three times without principal payments and must then be amortized over a ten-year period (unless refunded by bonds). The debt service payable on notes depends on the interest rate established upon the renewal of the notes. For Calendar Year 2013 the amount was \$5,543,710, for Calendar Year 2014 the amount was \$5,634,563, for Calendar Year 2015 the amount was \$5,108,063 and for Calendar Year 2016 the amount was \$6,928,999. For Calendar Year 2017, the City budgeted \$2,619,270 for debt service on the notes.

Other City-Related Obligations

Rockaway Valley Regional Sewerage Authority. In compliance with a court decree, the City entered into an agreement, dated July 30, 1971, with the Rockaway Valley Regional Sewerage Authority ("RVRSA"), whereby the City agreed to share in the operating costs of the RVRSA which provides sewerage treatment services in the vicinity of the City's watershed properties. In 2013, 2014 and 2015, the JCMUA contributed \$2,730,857.

Under the same agreement, the City is also required to pay a share of the capital and operating cost of construction of an advanced treatment sewerage facility, which the RVRSA has designed. Under the current plans,

the cost of construction is estimated to be \$60,000,000, less any federal funds, the amount of which is presently uncertain. Based upon the design capacity, the City will be responsible for 37 1/2% of the excess cost of financing construction over available federal funds. The amount of the City's contribution for the new facility is a portion of the City's share of the operating costs outlined in the immediately preceding paragraph. The RVRSA has permanently financed substantially all of the non-grant share of project costs with the sale of long-term tax-exempt bonds.

Jersey City Incinerator Authority. The City and the JCIA have entered into a Service Agreement pursuant to which the JCIA is responsible for the collection and disposal of all residential and municipal solid waste for the City, mechanical and manual street sweeping, cleaning of City owned lots, roll-off container service, recycling, demolition, and snow plowing, salting and snow removal. The City does not provide other disposal services. The JCIA does not collect service fees from individual property owners.

The City appropriated \$26,300,000 in Calendar Year 2011, \$31,300,000 in Calendar Year 2012, \$33,993,916 in Calendar Year 2013, \$34,600,000 in Calendar Year 2014 and \$37,100,000 in Calendar Year 2015 to the JCIA.

On October 14, 2015, the City adopted an ordinance dissolving the JCIA and assigning its powers to City departments. The JCIA was officially dissolved April 1, 2016. The City has merged all of the responsibilities of the JCIA into the City Department of Public Works without interruption of services. As the JCIA annual budget was approximately 95% funded by City appropriations, the dissolution is not expected to have any material impact on the financial strength of the City.

Jersey City Municipal Utilities Authority. The JCMUA, formerly the Jersey City Sewerage Authority, is responsible for the construction and operation of two pumping stations, at which sewage collected from the City and portions of the City of Union City is pumped to the secondary sewage treatment plant of the Passaic Valley Sewerage Commissioners ("PVSC") at Newark, New Jersey. The JCMUA formerly operated primary sewage treatment plants at the sites of the pumping stations. The Passaic Valley Connection Project, consisting of the pumping stations and connecting sewer lines, was commenced in 1985 and completed in 1989, using certain federal and state grants and funds of the JCMUA, for which the JCMUA issued its bonds. The City of Bayonne and the Town of Kearny each, separately, sought and obtained permission to hook up their own sewage transmission lines to a portion of the JCMUA 's lines, and have agreed to share the costs of the common portions used by them.

The indebtedness of the JCMUA as of December 31, 2016 was \$199,455,227. The JCMUA imposes user charges on all sewer users in its service area, at the rate of \$5.64 per 100 cubic feet of water consumption. The JCMUA imposes user charges on all water users in its service area, at the rate of \$4.14 per 100 cubic feet of water consumption. From its user charge revenues, the JCMUA is required to pay its debt service costs and operating costs of the pumping stations and collector system. The JCMUA also pays, from user charges, operating charges of PVSC which are the obligation of the City.

Pursuant to a Sewer Service Contract between the City and the JCMUA, dated as of December 1, 1985 (the "Sewer Service Agreement"), the City is obligated to pay to the JCMUA any amounts by which the JCMUA's sewer operating expenses and amounts required to be paid or set aside under the JCMUA's bond resolution for its sewer bonds exceed the JCMUA's revenues from user charges. The JCMUA is obligated to increase user charges in future years to make up any such deficiency, and to pay back sums advanced by the City under the Service Contract. No payments by the City have been required since the execution of the Sewer Service Contract.

The Municipal Council adopted an ordinance on December 10, 1997 to reorganize the Sewerage Authority as the JCMUA. The JCMUA and the City initially entered into a water services franchise and service agreement on April 1, 1998 (the "Initial Water Franchise Agreement") pursuant to which a) the JCMUA obtained a franchise from the City to operate the City's Water System for a ten year period which was to terminate on March 31, 2008 and b) the City agreed to provide security for the holders of the obligations of the JCMUA related to the Water System.

The JCMUA and the City agreed in the Amended and Restated Water Services Franchise and Service Agreement dated as of May 1, 2003 (the "2003 Amended Water Franchise Agreement") to: a) provide for the acquisition by the JCMUA from the City of an extension of the franchise granted under the Initial Water Franchise

Agreement, in order to operate the Water System through March 31, 2028 (the “2003 Project”) and b) provide for the City to continue to provide security to the holders of obligations of the JCMUA which are issued for or with respect to the Water System for the extended franchise period.

In September 2005, the City and the JCMUA entered into the 2005 Amended and Restated Water Services Franchise and Service Agreement (the “2005 Amended Agreement” and together with the Initial Franchise Agreement and the 2003 Amended Water Franchise Agreement, the “Water Franchise Agreement”) to reflect a payment schedule for the cost of acquiring the City’s water franchise that more accurately reflects the projected availability of revenues to the JCMUA. Pursuant to the Water Franchise Agreement, the JCMUA has agreed to pay the City certain amounts annually from January 1, 2005 to December 31, 2027 for the rights to such franchise, and the City has agreed to convey such franchise rights to the JCMUA and to provide for the payment annually, if necessary, of any deficiencies in Water Revenues of the JCMUA in connection with the Water System. As required by the Water Franchise Agreement, the City, by ordinance adopted on September 14, 2005, consented to the JCMUA’s issuance of \$17,000,000 Water Revenue Refunding Bonds on December 13, 2005, which are secured by the provisions of the Water Franchise Agreement and the Sewer Service Contract.

The Water Franchise Agreement is subject to the existing private management operating agreement in effect between the City and United Water Resources executed in 1996.

Under the Water Franchise Agreement, the City will continue to authorize indebtedness for necessary water capital improvements and the JCMUA will continue to be responsible to reimburse the City for debt service on this indebtedness. The City will also continue its obligation to make payments of any necessary annual charges or deficiency payments in the event the JCMUA does not collect sufficient revenues in any year to provide for the expenses of operation of the Water System, to maintain required reserves, and to pay annual water related debt service when due. Since 1998, the City has not been required to make any annual payment to the JCMUA under the Water Franchise Agreement. The JCMUA has taken a number of financial measures to assure that it can meet all of its operations, maintenance and debt service obligations, including required payments to the City pursuant to the Water Franchise Agreement. These measures include (i) the provision of necessary improvements from time to time to the water and sewer system, (ii) the amendment of the Water Franchise Agreement in order to reschedule the annual payments to the City to more accurately match the revenues projected to be generated by the JCMUA during the life of the Water Franchise Agreement, which runs through December 31, 2027, (iii) a rate increase of 15% effective July 1, 2005, (iv) the approval by the JCMUA of annual CPI rate increases, and (v) the restructuring of certain outstanding water and sewer system debt of the Authority based upon the projected revenues once the rate increases are in effect and the financial measures implemented.

Jersey City Medical Center. The Jersey City Medical Center is a voluntary not-for-profit hospital independent of the City. Previously, the Medical Center had been a public hospital.

The City contributed \$12 million for the construction cost of a new hospital facility in the Liberty Harbor North Redevelopment Area to replace the old Medical Center's buildings. The new building started operation on May 15, 2004.

The County of Hudson

The City is located in the County and, in accordance with the regulations governing financial reporting for New Jersey Municipalities, a pro rata share of certain direct debt of the County is treated as “Overlapping Debt” of the City for financial reporting purposes. See “Schedule of Overlapping Debt” herein.

The County issues its bonds and notes for the financing of capital projects of the County, including County roads, buildings, parks and educational facilities. Major facilities of the County that were financed in recent years include a golf course and administration building. In addition, the County guarantees certain of the debt of the Hudson County Improvement Authority.

The gross debt of the County as of December 31, 2016 was \$984,702,577 and its net statutory debt was \$554,555,286.

Municipal Qualified Bond Act

In addition to being secured by the pledge of the City's full faith and credit, certain bonds of the City are entitled to the benefits of the Municipal Qualified Bond Act, Title 40A of the New Jersey Statutes, Section 40A:3-1, et seq., as amended (the "Municipal Qualified Bond Act"). Pursuant to the Municipal Qualified Bond Act, a portion of certain State aid allocated to the City, in amounts sufficient to pay debt service on such bonds, is to be withheld by the State Treasurer and forwarded to the paying agent on or before the principal and interest payment dates for such bonds for deposit into accounts established for the purpose of paying debt service on such bonds.

Pursuant to the provisions of the Municipal Qualified Bond Act, the City shall certify to the State Treasurer the name and address of the paying agent, maturity schedule, interest rate or rates and dates of payment of debt service on any Qualified Bonds within ten days after the issuance thereof. After receipt of such certificate, the State Treasurer is required to withhold with respect to such bonds from the amount of business personal property tax replacement revenues, gross receipts tax revenues (now known as "energy receipts" tax revenues), municipal purposes tax assistance fund distributions and certain other funds appropriated as State aid payable to the City and not dedicated to a specific purpose by the State (the "municipal qualified revenues") an amount which will be sufficient to pay debt service on such bonds as it becomes due. Municipal qualified revenues do not include Aid to Distressed Cities.

The Municipal Qualified Bond Act provides that the municipal qualified revenues so withheld and paid or to be paid to and held by the paying agent are deemed to be held in trust and exempt from being levied upon, taken, sequestered or applied toward paying the debts of the City other than the payment of debt service on any such Qualified Bonds of the City issued for municipal purposes (including fiscal year adjustment or pension obligation purposes) or water utility purposes and entitled to the benefits of the Municipal Qualified Bond Act.

The Municipal Qualified Bond Act does not relieve the City of its obligation to include in its annual budget amounts necessary to pay, in each year, the principal of and interest becoming due on any such Qualified Bonds. However, such budgeted amounts may be applied to the payment of operating expenses of the City for the then current year to the extent that appropriated amounts have been withheld from the municipal qualified revenues payable to the City and have been forwarded to the paying agent. Such budgeted amounts must be used to pay debt service becoming due on any such Qualified Bonds of the City issued for municipal purposes (including fiscal year adjustment or pension obligation purposes) or water utility purposes and entitled to the benefits of the Municipal Qualified Bond Act in any year in which sufficient municipal qualified revenues are not appropriated.

The State has covenanted in the Municipal Qualified Bond Act with the holders of bonds entitled to the benefits of such act, that it will not repeal, revoke, rescind, modify or amend the provisions of such act providing for the withholding of municipal qualified revenues and payment of such revenues to the paying agent for such bonds so as to create any lien or charge on or pledge, assignment, diversion, withholding payment or other use of or deduction from such revenues which is prior in time or superior in right to the payment of debt service on such bonds.

The Municipal Qualified Bond Act does not contain a pledge or guarantee that any amounts payable to the Paying Agent will, in fact, be made or continued. Each such annual amount is subject to appropriation by the State Legislature. Moreover, the State is not required to continue to make appropriations of such amounts, nor is the State limited or prohibited from repealing or amending any law heretofore or hereafter enacted for the payment or apportionment of such amounts or in the manner, time or amount thereof. Further, the amount payable to the Paying Agent does not constitute an additional source of revenues available to the City.

The table below shows the qualified revenues, debt service on bonds subject to the Municipal Qualified Bond Act, and coverage ratios for the last five years. State aid is distributed by the State to the City on a "phased aid" schedule.

	<u>December 31, 2016</u>	<u>December 31, 2015</u>	<u>December 31, 2014</u>	<u>December 31, 2013</u>	<u>December 31, 2012</u>

Source: Derived from the Calendar Year 2012-2015 Audited Financial Statements of the City and Calendar Year 2016 Unaudited Annual Financial Statements

The City has outstanding bonds, notes and loans for municipal purposes which are not entitled to the benefits of the Municipal Qualified Bond Act. The debt service for the calendar year ending December 31, 2016 was \$19,657,505 for such bonds, \$6,929,000 for notes and \$126,223 for such loans. The debt service for the calendar year ending December 31, 2015 was \$6,934,388 for such bonds, \$5,108,103 for such notes and \$531,945 for such loans. The debt service for the calendar year ending December 31, 2014 was \$5,507,931 for such bonds, \$5,108,063 for such notes and \$531,945 for such loans. The debt service for the calendar year ending December 31, 2013 was \$4,781,723 for such bonds, \$5,543,710 for such notes, and \$527,833 for such loans. The debt service for the calendar year ending December 31, 2012 was \$4,153,674 for such bonds, \$7,996,577 for such notes and \$606,233 for such loans. The City may also be responsible for the payment of debt service on the bonds issued by certain independent authorities. See "CITY INDEBTEDNESS AND DEBT LIMITS -- Other City-Related Obligations" herein.

Certain outstanding issues of General Improvement Bonds, Pension Obligation Bonds, Water Bonds and FYABs of the City are entitled to the benefits of the Municipal Qualified Bond Act and certain School Bonds of the City are entitled to the benefits of the School Qualified Bond Act, Title 18A of the New Jersey Statutes, Section 18A:24-85 *et seq.*

School Qualified Bond Act

In addition to being secured by the pledge of the City's full faith and credit, certain bonds of the City are entitled to the benefits of The School Qualified Bond Act, Title 18A of the New Jersey Statutes, Section 18A:24-85 *et seq.*, as amended (the "School Qualified Bond Act"). Pursuant to the School Qualified Bond Act, a portion of the amount of State school aid payable to the school district, in amounts sufficient to pay debt service on such bonds, is to be withheld by the State Treasurer and forwarded directly to the paying agent on or before the principal and interest payment dates for such bonds. Those funds are further deposited into accounts established for the purpose of paying debt service on such bonds.

Pursuant to the provisions of The School Qualified Bond Act, the City shall certify to the State Treasurer the name and address of the paying agent, maturity schedule, interest rate or rates and dates of payment of debt service on such bonds within ten days after the issuance thereof. After receipt of such certificate, the State Treasurer is required to withhold with respect to such bonds from the amount of State school aid payable to the school district

an amount which will be sufficient to pay debt service on such bonds as it becomes due. For purposes of The School Qualified Bond Act, "State school aid" means funds made available to local school districts pursuant to the Quality Education Act of 1990, N.J.S.A. 18A:7D-4.

The School Qualified Bond Act provides that the State school aid so withheld and paid or to be paid to and held by the paying agent are deemed to be held in trust and exempt from being levied upon, taken, sequestered or applied toward paying the debts of the City other than the payment of debt service on such bonds and other bonds of the City issued for school purposes and entitled to the benefits of the School Qualified Bond Act.

The School Qualified Bond Act does not relieve the City of its obligation to include in its annual budget amounts necessary to pay, in each year, the principal of and interest becoming due on such bonds. However, such budgeted amounts will be forwarded by the City to the school district, to the extent that appropriated amounts have been withheld from the State school aid payable to the school district and have been forwarded to the paying agent. Such budgeted amounts must be used to pay debt service becoming due on such bonds and other bonds of the City issued for school purposes and entitled to the benefits of the School Qualified Bond Act in any year in which sufficient State school aid is not appropriated.

The State has covenanted in The School Qualified Bond Act with the holders of bonds entitled to the benefits of such act, that it will not repeal, revoke, rescind, modify or amend the provisions of such act providing for the withholding of State school aid and payment of such monies to the paying agent for such bonds so as to create any lien or charge on or pledge, assignment, diversion, withholding payment or other use of or deduction from such monies which is prior in time or superior in right to the payment of debt service on such bonds.

The School Qualified Bond Act does not contain a pledge or guarantee that any amounts payable to the Paying Agent will, in fact, be made or continued. Each such annual amount is subject to appropriation by the State Legislature. Moreover, the State is not required to continue to make appropriations of such amounts, nor is the State limited or prohibited from repealing or amending any law heretofore or hereafter enacted for the payment of such amounts or in the manner, time or amount thereof. Further, the amount payable to the paying agent does not constitute an additional source of revenues available to the City.

The table below shows the qualified revenues, debt service on bonds subject to the School Qualified Bond Act, and coverage ratios for the last five years.

	<u>December 31, 2016</u>	<u>December 31, 2015</u>	<u>December 31, 2014</u>	<u>December 31, 2013</u>	<u>December 31, 2012</u>
Qualified School Revenues:	\$422,092,541	\$417,805,515	\$ 417,859,150	\$ 419,644,829	\$ 475,981,648
Total School Debt Service:	13,361,441	9,999,304	10,483,807	12,190,025	12,574,607
Coverage Ratio:	31.59	41.78	39.86	34.43	37.85

New Jersey School Bond Reserve Act

All school bonds issued are also entitled to the benefits of the provisions of the New Jersey School Bond Reserve Act, P.L. 1980 (N.J.S.A. 18A:56-17 et seq.) (the "School Bond Reserve Act").

In accordance with the School Bond Reserve Act, there is established within the State Fund for the Support of Free Public Schools (the "Fund") a school bond reserve (the "Reserve"), which is pledged by law to secure payments of principal and interest due on such bonds in the event of the inability of any issuer thereof to make payments. The school bond reserve consists of two accounts, the old school bond reserve account and the new school bond reserve account. The old school bond reserve account is to be funded in an amount equal to 1.5% of the aggregate of such issued and outstanding bonded indebtedness for all counties, municipalities and school districts in the State for school purposes for all such indebtedness issued prior to July 1, 2003. The new school bond reserve

account is to be funded in an amount equal to 1% of the aggregate of such issued and outstanding bonded indebtedness for all such indebtedness issued on or after July 1, 2003.

The Fund was established in 1817. The present State Constitution, adopted in 1947, provides that “the Legislature shall only appropriate Fund moneys for Public School purposes.” A Constitutional Amendment ratified in 1958 provides that “the Legislature may also appropriate Fund moneys for the payment of principal or interest on any school related Bonds of counties, municipalities or school districts of the State.”

Trustees of the Fund are charged with making an annual determination of the amount of school bonds outstanding and with adjusting the level of the Reserve accordingly, to the extent that moneys are available in the Fund. The State may, but is not required to, appropriate amounts to be deposited in the Fund. The School Bond Reserve Act provides that moneys received from the sale of lands belonging to the State as of 1980 or formerly lying under water are dedicated to the support of public schools and shall constitute a part of the Fund. In the event that proceeds from the sale of State riparian interests are, in the future, made payable by law to purposes other than the Fund, they may not be applied to such purposes so long as there is a deficit in the Reserve.

The State Constitution also provides that the Fund be “securely invested and perpetual in nature.” The School Bond Reserve Act requires that the Reserve be made up entirely of obligations of, or guaranteed by, the United States Government, at least one third of which must mature within one year of issuance or purchase. Investments in the Fund may include stocks, bonds and other investments prescribed by the State Investment Council Regulations.

Under the School Bond Reserve Act, the old school bond reserve account and the new school bond reserve account respectively, are pledged as security for the prompt payment of principal of and interest on bonds issued by counties, municipalities or school districts for school purposes prior to July 1, 2003 (in the case of the old school bond reserve account) or on or after July 1, 2003 (in the case of the new school bond reserve account), in the event any issuer thereof is unable to make payment. Any issuer which anticipates that it will be unable to make such payment is instructed to certify its inability to the Commissioner of Education and the Director of the Division of Local Finance at least 10 days prior to the date payment is due. If the Commissioner and the Director approve the certification, they then certify the same to the Fund Trustees. On receipt of the certification or other notice, the Trustees are required, within the limits of the Reserve, to purchase such bonds at the face amount or pay such interest when due. The amount which may be applied to any one issuer's bonds is not limited. The amount of any such payment of interest or purchase price shall be deducted from the appropriation or apportionment of State aid payable to the issuer and shall not obligate the State to make, nor entitle the issuer to receive, any additional appropriation or apportionment. There have not been any required withdrawals from the Reserve since its establishment.

The School Bond Reserve Act does not contain a covenant by the State to refrain from repealing, revoking, rescinding, modifying or amending the provisions of that act.

CITY FINANCIAL INFORMATION

Audit Requirement

State law requires every municipality to have an annual audit of its books and accounts to be completed within six months after the close of its fiscal year. The audit must be conducted by a registered municipal accountant and the audit report must be filed with the municipal clerk and with the Director.

Copies of the Annual Financial Statements are available for inspection during normal business hours at the office of the City Clerk and a copy of the City's Audited Financial Statements for the Calendar Year ended December 31, 2015 is set forth at APPENDIX B.

Accounting Principles and Fund Structure

Accounting Principles.

The City does not prepare its financial statements in accordance with generally accepted accounting principles (“GAAP”). The City prepares its financial statements in accordance with the accounting policies prescribed by the Division, which differ from those prescribed under GAAP. The accounting policies prescribed by the Division are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. See “FINANCIAL STATEMENTS OF THE CITY OF JERSEY CITY” in APPENDIX B for a more complete discussion of the City's accounting policies.

Fund Structure.

Under the method of accounting prescribed by the Division, the City accounts for its financial transactions through separate funds which differ from the fund structure required by GAAP. See “FINANCIAL STATEMENTS OF THE CITY OF JERSEY CITY” in APPENDIX B herein for a detailed description of the fund structure utilized by the City.

Basic Financial Statements.

The City presents the financial statements which are required by the Division and which differ from the financial statements required by GAAP. In addition, the Division requires the financial statements to be referenced to the supplementary schedules. This practice differs from GAAP.

Reporting Entity.

The Division requires the financial statements of component units of the City to be reported separately unlike GAAP pursuant to which there are criteria to be used to determine which component units should be included in the financial statements of the oversight entity. Inasmuch as their activities are administered by separate boards, the financial statements of the Jersey City Board of Education, Jersey City Public Library, Jersey City Incinerator Authority, Jersey City Municipal Utilities Authority, Jersey City Parking Authority, Jersey City Municipal Port Authority and Jersey City Redevelopment Agency are reported separately.

Uniform Chart of Accounts

In an attempt to instill uniformity in financial reporting among the numerous municipal and county entities in New Jersey, the Division of Local Government Services has required the implementation of a Flexible Chart of Accounts (“FCOA”) and Other Comprehensive Basis of Accounting — Comprehensive Annual Financial Report (“OCBOA-CAFR”) by all New Jersey local and governmental entities. Procedures as to implementation dates are still pending by the State.

An important goal of the FCOA is to enable a comparison of local unit expenditures and revenues. Because municipalities and counties have different approaches to budgeting, common budget activity categories have been developed to facilitate comparison. These categories are necessary to prepare the Comprehensive Annual Financial Report and comply with budget regulations.

In order for each municipality and county to maintain the same minimum number of financial records and classify financial transactions in similar account classification structure, a uniform, flexible chart of accounts is already in place. This standardized chart of accounts, (“FCOA”), facilitates the electronic filing of budgets and other financial documents. The City converted its existing account numbers to that of FCOA and OCBOA-CAFR.

Current Fund – Revenues and Expenditures

The Current Fund is used to account for the revenues and expenditures for governmental operations of a general nature, including debt service on general improvement and school bonds, and tax appeal refunding notes. The fund balance in the Current Fund at the end of each fiscal year is comprised of cash, investments and certain receivables. Under State law, only the amount of Current Fund balance held in cash or quick assets may be included as anticipated surplus in the succeeding fiscal year's budget, unless the Director gives written consent to an exception.

The information presented in the following tables has been derived from the City's Audited Financial Statements for fiscal years ending December 31, 2012, December 31, 2013, December 31, 2014, December 31, 2015 and Unaudited Annual Financial Statement ending December 31, 2016. The fund balance does not reflect a cash surplus and the balance consists primarily of receivables. The amount of the fund balance that may be used in the succeeding year's budget consists of receivables which have a high probability of being realized in the succeeding fiscal year and which are permitted by the Director to be included in the succeeding year's budget. The fund balances as of 2011 through 2015, and the amounts included in the budget for each succeeding year are shown below:

Fiscal Year Ending	Current Fund Fund Balance	Used in Succeeding Year Budget
December 31, 2016	\$59,304,581	\$24,576,596
December 31, 2015	50,705,610	20,745,651
December 31, 2014	56,132,966	25,722,750
December 31, 2013	38,733,517	16,413,000
December 31, 2012	33,530,567	16,707,232

CITY REVENUES

Overview

The City derives its revenues from a variety of local taxes, user charges and miscellaneous revenues, as well as from Federal and State unrestricted and categorical grants. Local revenues provided approximately 8% of total revenues in Calendar Year 2016 while Federal and State aid, including unrestricted aid and categorical grants, provided 11.6%. A discussion of the City's principal revenue sources follows.

Cash Flow Management

While State law requires the City to adopt and operate under a balanced budget and the City has not had a cash deficit at the end of any of the last ten fiscal years, the City's historic experience in the timing of the receipt of its various revenues has shown significant variance. The management of matching receipts and expenditures for operating purposes has required the use of significant amounts of temporary interfund transfers between operating and capital accounts. The City has undertaken an initiative to analyze and report cash flows (receipts and expenditures) on a monthly cycle to enable better matching of receipts with expenditures during each fiscal year. However, as long as the receipt of substantial appropriated revenues is dependent upon State, Federal and special program sources, there is no certainty that additional temporary interfund transfers or other short-term funding mechanisms will not be required should temporary cash flow imbalances persist.

Real Estate Tax

The real estate tax, the single largest source of the City's local revenues, is the primary source of funds for the City's Current Fund. The City derived approximately 39.86% of its total revenues for Calendar Year 2016 from the City's portion of the real estate tax.

The amount of real property taxes payable by a property owner is based on the assessed value of the property taxed and the combined tax rate for the City, the County and the School District. The assessed value of property is determined by the City's Tax Assessor. Although property may be reassessed at any time, the Tax Assessor generally reassesses property upon a revaluation and upon a resale. The last revaluation took place in 1988. The City's tax rate is determined by the City after adopting the final budget. The City's tax rate is determined based on the amount of budgeted expenditures, the amount of other available revenues and the aggregate assessed value of all taxable property in the City. The tax rates allocable to the County and School District are determined based on their respective budgets. The City must submit its tax rate to the County which certifies the aggregate rate to be levied.

Tax Collection Procedure. Taxes are payable quarterly on February 1, May 1, August 1 and November 1. Tax bills are sent out twice during the year, generally in June and December. The bill for taxes payable in February and May is based on the assessed value of the property as of January of the preceding year. The bill for taxes payable in August and November reflects adjustments made so that the taxes paid for the calendar year reflect the assessed value of the property as of January of the current year.

The City is required to send out tax bills at least 45 days before the taxes are due; however, if the budget has not been adopted by that time, the City may delay sending out the bills to a date at least 25 days before the taxes are payable. If the budget has not been adopted by that time, the bill is based on an estimated rate and the second bill will be adjusted to compensate for any difference between the actual rate and the estimated rate. Taxpayers are allowed a 10-day grace period for paying their taxes. Interest is charged on any late payments of taxes from the date the taxes were due until they are paid at a rate of 8% per annum for the first \$1,500 of delinquent taxes and 18% on any delinquent amount in excess of \$1,500. All unpaid taxes for the previous year are annually placed in a tax sale prior to putting a lien on the property, in accordance with the New Jersey Statutes. If the tax lien is sold, depending upon the amount of the lien sold, there is an additional penalty of 2%, 4% or 6%. *In rem* tax foreclosure proceedings may be instituted to enforce the tax collection or acquisition of title to the property by the City.

The City collects taxes for itself and for the County and the School District. The City pays to the County and the School District 100% of the amount of taxes billed by those entities, regardless of the number of taxpayers that are delinquent. The City pays the County its share of real property taxes quarterly (on February 15, May 15, July 15 and November 15) and pays the School District its share monthly.

Equalization Rate and Tax Collection Rates

The State determines, based on market data, the relationship between the assessed value of property and the “true value” or market value of the property. The State then calculates the equalization rate, which is the assessed value divided by the true value, expressed as a percentage. The assessed value divided by the equalization rate provides the equalized value, which is the value used to calculate the City's debt limit. See “CITY INDEBTEDNESS AND DEBT LIMITS - Debt Limits” herein. The following table sets forth the assessed valuation, equalization rate and equalized value of property in the City of the last 7 calendar years.

⁽¹⁾ Includes partial exemptions and abatements.

⁽²⁾ Excludes properties exempt from real property taxes.

Taxpayers are required to pay taxes based on the assessed value of their property and then are permitted to appeal. If the taxpayers are successful on appeal, they will receive a refund. Appeals by property owners required the City to make refunds of tax payments in the amounts of approximately \$4.3 million in 2012, \$7.4 million in 2013, \$5.4 million in 2014 and \$5.2 million in 2015. The City is authorized to issue bonds to reimburse itself for payments made pursuant to successful tax appeals. The City has not authorized the issuance of bonds to fund tax appeals since 2012. See “CITY INDEBTEDNESS AND DEBT LIMITS – Exception to Debt Limit - Real Property Tax Appeal Refunding Notes” herein.

On September 14, 2016, the City adopted a special emergency appropriation of \$5 million for the preparation and execution of a complete program of revaluation of real property for the use of the local assessor.

The following table sets forth the amount of taxes levied in each year and the amount and percentage of such levy collected or canceled. In addition, the table sets forth the amount and percentage of delinquent taxes from all prior years collected in a particular year, the amount transferred to tax lien, the tax lien balance, and the value of foreclosed property acquired by the City. The tax collection rate in the Calendar Year ending December 31, 2016 was 98.70%.

Properties in Tax Abatement

Under the provisions of State law, the City may abate the taxes payable on newly constructed commercial and residential properties. The owners of such properties generally pay taxes on the value of the land on which the property is located but, pursuant to agreements with the City, pay payments-in-lieu-of-taxes (“PILOTS”) on the value of the improvements on the property instead of taxes. Such abatements are used as an incentive to encourage development in areas within the City. State law provides different abatement programs for commercial and residential development. The law allows a 15-year abatement period during which the taxes on the improvements on property could be abated and PILOTS charged instead. The PILOTS for commercial properties were based on the construction cost of the property (initially 2% of the costs) or on the revenues received from leasing of the property. The law also allows for a 5-year short-term abatement period in which PILOTS are based on a percentage of what the tax bill otherwise would have been. Residential property is eligible for a 30-year abatement period and the PILOTS for residential property are based either on the sale price of the property (if condominiums are involved) or the rent roll (for a rental property). In April 1992, the law was amended to allow an abatement period of up to 30 years for commercial property, also during which PILOT

payments are the higher of an amount based on construction costs and a percentage of the taxes that would have been payable. However, the City has made it a policy to only grant 30 year abatements for affordable housing projects.

In addition to the difference between the amount of a PILOT and the amount of taxes, PILOTs differ from taxes in two other ways. First, PILOTs are paid to the City and no portion of the PILOT is payable to the County or the School District. Second, there is no incentive for a property owner to appeal the assessed value of the property while it is subject to abatement. Therefore, it is not clear whether the assessed value determined during the abatement period will be appealed when the property is no longer subject to abatement. When the abatement period ends, the property becomes subject to taxation on both the land and improvements. See “CITY ECONOMIC AND DEMOGRAPHIC INFORMATION” and “ECONOMIC DEVELOPMENT” herein.

The City's authority to enforce payments in lieu of taxes and the remedies available to it for delinquent payments are the same as those for real property taxes, including sale of liens and foreclosures. In addition, the City may revoke the taxpayers' ability to make payments in lieu of taxes. Further, the City has engaged the services of several independent accounting firms to review the records of properties in abatement to ensure the accurate reporting of development costs upon which payments in lieu of taxes are calculated.

**Municipal Revenues From Payments In Lieu Of Taxes (PILOT)
On Properties In Tax Abatement**

<u>Year Ending</u>	<u>PILOT Revenue</u>
December 31, 2016	\$137,388,598
December 31, 2015	130,861,698
December 31, 2014	121,966,019
December 31, 2013	122,615,865
December 31, 2012	115,715,886

Delinquent Taxes

Delinquent taxes can be anticipated only to the extent of the last preceding year's delinquent tax collection percentage.

The following chart shows the amount and percentage of delinquent taxes budgeted for collection by the City and the amount and percentage of delinquent taxes which were actually collected in such fiscal year, for the last five years. The amount of delinquent taxes represents an aggregate amount of unpaid taxes for all prior years.

Delinquent Taxes and Tax Title Liens

<u>Year Ending</u>	<u>Balance of Delinquent Taxes at Start of Year</u>	<u>Budgeted Amount of Delinquent Taxes to Be Collected</u>	<u>Percent of Delinquent Taxes Budgeted to be Collected</u>	<u>Amount of Delinquent Taxes Collected</u>	<u>Percent of Delinquent Taxes Collected</u>
December 31, 2016	\$3,784,760	\$1,160,785	30.67%	\$586,859	15.51%
December 31, 2015	3,125,278	2,100,000	0.67%	1,461,339	0.47%

Source: Derived from the Calendar Year 2016 Unaudited Financial Statement of the City.

The City currently reviews the status of real property with outstanding delinquent taxes to institute a more rapid disposition of property through foreclosure and sale. The City usually sells tax liens annually at auction and retains unsold liens. In 2014 and 2015 the City sold an aggregate of \$14,805,574 and \$23,996,324 of tax title lien certificates, respectively.

Property Tax Reform

In recent years, the New Jersey Legislature has considered various proposals to lessen the dependence of local governments on property taxes and to find alternative means to fund vital governmental services.

On July 13, 2010, the Governor approved legislation which, in addition to the "Cap Law" described under "THE CITY OF JERSEY CITY - Limitation on Expenditures" above, amends the property tax levy cap that was initially enacted in 2007. This law puts a limitation of 2% on the property tax levy set in the annual budget. The law allows for exclusions for capital expenditures, debt service, increases in pension contributions and accrued liability for pension contributions in excess of 2%, and increases in health care costs in excess of 2%. This limitation may be exceeded by approval of an affirmative vote in excess of 50% of the people voting at a special referendum held for such purpose.

The tax levy limitation does not limit the obligation of the City to levy ad valorem taxes upon all taxable real property within the City to pay debt service on the Notes.

Any legislation or constitutional amendments which alter the existing system of real property taxation in New Jersey may adversely affect the security and/or market value of bonds, notes and other obligations of counties and municipalities (such as the City).

State Aid Programs

The State of New Jersey provides financial support to local governments and school systems through various programs aimed at reducing reliance on the local property tax base. As described below, the City received or receives (i) urban enterprise aid, (ii) aid on distributed tax and (iii) aid on State reimbursement for certain categories of taxpayers. The State maintains a variety of smaller programs of grants-in-aid to municipalities in such fields as housing,

neighborhood preservation, health, and social services, and has assumed funding of other programs previously financed by the City, thereby relieving the City from funding such costly programs. The City is allowed a credit for certain administrative charges under Federal programs.

Urban Enterprise Zone Funds. Under the State's Urban Enterprise Zone program which is administered by the State Department of Commerce and Economic Development, Division of New Jersey Urban Enterprise Zones, three percent (3%) of the sales tax levied by the State on certain specified goods and services paid by certified businesses operating within specially-created urban enterprise zones is paid into a segregated account within the State's Zone Assistance Fund for the benefit of the municipality in which the zone is located. To encourage businesses to locate in urban enterprise zones, the State exempts certified urban enterprise zone businesses from State sales taxes on equipment and supplies utilized in daily operations, as well as building materials. Monies held for the account of a municipality within the Zone Assistance Fund may be used to pay for capital projects or municipal services, following the filing of an application by the municipality and approval of the application by the members of the State Urban Enterprise Zone Authority.

One-third of the City's total acreage qualifies as a State-approved "urban enterprise zone". The City's urban enterprise zone incorporates the major retail corridors located within the City, as well as its primary commercial and industrial areas. In the past, the City utilized the funds it has received under the State Urban Enterprise Zone Program for capital improvements, economic development, redevelopment, special improvement districts and business improvement districts. However, the City has not received any funds since 2009 due to State budgetary constraints.

Distributed Taxes. The State collects various taxes for distribution to local governments. Of these, Energy Receipt Tax (formerly known as Public Utilities Franchise and Gross Receipts Taxes) and Consolidated Municipal Property Tax Relief Aid are the two largest programs of State Aid in New Jersey and the major sources of state aid to the City. The energy receipt tax represents taxes received by the State on properties and right-of-ways owned by public utilities. These funds are disbursed to municipalities based on a formula reflecting such property located within each municipality. The consolidated municipal property tax relief aid, created in fiscal year 1996, consolidated 14 separate state programs (i.e., urban aid, business personal property tax replacement aid and municipal revitalization aid) into a single aid program. Building Aid Allowance for School represents state aid to support the public educational programs in the City including aid on facilities construction and improvements.

The chart below provides the amount of State aid received by the City in the last five fiscal years. Certain State aid is required to be withheld by the State Treasurer and paid to the paying agents for certain bonds of the City in an amount sufficient to pay debt service on such bonds. See "CITY INDEBTEDNESS AND DEBT LIMITS — Municipal Qualified Bond Act" and "— School Qualified Bond Act" herein.

State Aid to Jersey City

	December 31, 2016	December 31, 2015	December 31, 2014	December 31, 2013	December 31, 2012
Urban Enterprise Zone Funds	\$ -	\$ -	\$ -	\$ 501,725	\$ 2,010,808

⁽¹⁾ Supplemental School Tax Relief allows state-operated schools to reduce the tax levy for school purposes.

Tax Exemption Reimbursement. The State reimburses municipalities for the full cost of mandated property tax deductions and exemptions for certain categories of taxpayers. The State reimbursed the City for

seniors/veterans/disabled citizens for the calendar years ending December 31, 2012, December 31, 2013, December 31, 2014, December 31, 2015 and December 31, 2016, \$708,973, \$653,544, \$408,960, \$516,989 and \$401,802, respectively.

Summary of State/Federal Aid to School Districts

In 1973, the Supreme Court of the State ruled in Robinson v. Cahill that the existing method of financing, school costs principally through property taxation was unconstitutional. Pursuant to the Supreme Court's ruling, the State Legislature enacted the Public School Education Act of 1975 (P.L. 1975, Ch. 212) which required funding of the State's School Aid through the New Jersey Gross Income Tax Act (P.L. 1975, Ch. 47) enacted for the purpose of providing property tax relief.

On June 5, 1990, the Supreme Court ruled in Abbott v. Burke, that the school aid formula enacted under the Public School Education Act was unconstitutional as applied. The Court found that poorer urban districts were significantly disadvantaged under that school funding formula because school revenues were derived primarily from property taxes. The Court found that wealthy districts were able to spend more, yet tax less for educational purposes.

The Quality Education Act of 1990

The Legislative response to Abbott v. Burke was the passage of the QEA (P.L. 1990, C. 52), which was signed into law on July 3, 1990. This law established a new formula for the distribution of State aid for public education commencing with the 1991-92 fiscal year. The law provided a formula that took into account property value and personal income to determine a district's capacity to raise money for public education. A budgetary limitation or "CAP" on expenditures was also provided in the law. The "CAP" was intended to control the growth in local property taxes. The QEA was amended and revised by Chapter 62 of the Pamphlet Laws of 1991 of New Jersey, effective March 14, 1991 and further amended by Chapter 7 of the Pamphlet Laws of 1993 effective December 14, 1993.

On July 12, 1994, the Supreme Court of New Jersey declared the school aid formula under the QEA, as amended, unconstitutional on several grounds as it is applied to the 30 special needs districts designated by the State in ongoing litigation commonly known as Abbott v. Burke II. The City's school district is a special needs district. No specific remediation was ordered, but the Supreme Court ultimately held that the Legislature and the Governor were required to have a new funding formula in effect by December 31, 1996, so that the new formula would be implemented in the 1997-98 fiscal year.

Comprehensive Educational Improvement and Financing Act of 1996

In keeping with the Supreme Court's deadline, Governor Christine Todd Whitman signed into law on December 20, 1996, the *Comprehensive Educational Improvement and Financing Act of 1996* ("CEIFA"). CEIFA affects how public schools are funded by the State, beginning in the 1997-98 fiscal year.

CEIFA departs from other funding formulas adopted in New Jersey by defining what constitutes a "thorough and efficient" education, which is what the New Jersey Constitution requires every public school student to receive. CEIFA further establishes the costs to provide each student with an education that is "thorough and efficient."

In defining what constitutes a "thorough" education, the New Jersey State Board of Education adopted a set of Core Curriculum Content Standards. The purpose of these standards is to provide all students with the knowledge and skills that will enable them to be productive citizens when they graduate from any New Jersey high school, regardless of the school's location or socioeconomic condition. CEIFA provides State aid assistance in the form of Core Curriculum Standards Aid based on a school district's financial ability to raise sufficient tax revenue for its students to achieve the Core Curriculum Content Standards.

The definition of an "efficient" education under CEIFA determines the cost to provide each student with an education that fulfills the requirements for the Core Curriculum Content Standards. The efficiency standard defines such things as optimal class size, administrators/teachers per student, schools per district, and the types and amount of classroom supplies, services, and materials. CEIFA establishes an approximate amount per student to educate each student at various grade levels in the Core Curriculum Content Standards. This amount will be adjusted biennially for inflation by the consumer price index.

In determining how much Core Curriculum Standards Aid a school district will receive, CEIFA considers each school district's financial ability to fund such a level of education. This component of CEIFA is referred to as the local share requirement, namely, the amount of taxes that a school district can raise relative to other school districts based on property wealth and income levels. The purpose of the Core Curriculum Standards Aid is to provide school districts with adequate State assistance that is proportionate to their ability to pay. The purpose of this type of aid is to ensure that all school districts have the economic ability to provide their students with the ability to achieve the Core Curriculum Content Standards. In addition to the Core Curriculum Standards Aid, CEIFA also provides per pupil assistance from the State for special education, early childhood programs, demonstrably effective programs, instructional supplement, bilingual education, county vocational schools, and distance learning network. For Fiscal Year 2015-2016, the school district received Equalization Aid (formerly known as Core Curriculum Standards Aid) in the amount of \$270,661,365.

Another form of aid that is provided by CEIFA is school facilities aid. During the 1997-1998 fiscal period, this type of aid was provided to those school districts that qualified for aid under the QEA. The amount of school facilities aid that the State provided during the 1997-98 fiscal year was determined by the amount budgeted in the approved State budget.

Beginning in the 1998-99 fiscal year, State aid for school facilities was supposed to consist of a ratio that divides (i) the amount of debt service or the amount of facilities rent for lease terms that exceed five years required to be budgeted for a fiscal period into (ii) the costs that are approved by the New Jersey Department of Education for a proposed building or renovation project. The approved facility costs under CEIFA have not yet been determined. CEIFA required the governor to submit to the legislature 60 days prior to the 1998 budget address, criteria for determining approved facilities costs, State support levels, and maintenance incentives applicable to the 1998-99 fiscal period. The Legislature enacted and the Governor signed into law the Educational Facilities Construction and Financing Act ("EFCFA"), constituting Chapter 72 of the Pamphlet Laws of 2000, effective July 18, 2000. That law provides full funding for qualified costs of facilities required for Abbott Districts and funding for qualified costs of facilities for all other districts in an amount equal to the ratio between their core curriculum facilities aid and their T&E budget times 115% or 40% of the qualified costs, whichever is greater. In lieu of debt service aid, school districts may receive grants for the State share of the project and authorize bonds only for the local share of the project. School districts may receive debt service aid under that formula for certain projects begun prior to the effective date of the law. On December 28, 2000, a Complaint was filed in the Superior Court of New Jersey challenging the authority of the Economic Development Authority under the State Constitution's Debt Limitation clause to issue bonds secured by a contract with the State Treasurer, the funding of which is subject to annual appropriation, and requesting that the Court grant an injunction restraining the State and the New Jersey Economic Development Authority from issuing bonds to fund the State's financial obligation under the Educational Facilities Construction and Financing Act. On January 24, 2001, the Superior Court of New Jersey granted the State's motion to dismiss the case as a matter of law. The Plaintiff filed a notice of appeal on February 5, 2001.

CEIFA also limits the amount school districts can increase their annual current expenses and capital outlay budgets. Generally, these budgets can increase by either 3% or the consumer price index, whichever is greater. Budgets can also increase because of certain adjustments for enrollment increases, certain capital outlay expenditures, pupil transportation costs, and special education costs that exceed \$40,000 per pupil. Waivers are available from the Commissioner based on increasing enrollments and other fairly narrow grounds or by approval of the voters at the annual school election.

Under CEIFA, rent payments made pursuant to a facilities lease purchase agreement for a term that exceeds five years are treated as debt service. Such rent payments are not included in the spending limits and receive aid at the same level as debt service. Rent payments under a facilities lease with a term of five years or less are budgeted in the general fund and are subject to a school district's spending growth limitation amounts under CEIFA.

On May 14, 1997, the New Jersey Supreme Court held that CEIFA is unconstitutional as applied to the 28 special needs districts because (1) its funding provisions fail to assure that students in such districts will receive a thorough and efficient education and (2) supplemental programs to increase student performance in such districts have neither been adequately identified nor funded. The Court recognized the Core Curriculum Standards as a valid means of identifying what is a "thorough and efficient" education under the State Constitution, but found that the State did not adequately determine or provide the adequate funding level to allow those standards to be met in the special needs

districts. CEIFA was not held unconstitutional as applied to the non-special needs districts. The School District is not a special needs district.

The Court ordered the State (1) to increase State aid to the special needs districts for the 1997-98 school year to a level such that the per-pupil expenditure in such districts is equivalent to the average per-pupil expenditure in wealthy suburban districts, (2) through the Commissioner, to manage the additional spending to assure that it will be used to allow the students to meet the educational content standards and (3) under the supervision of the Superior Court, Chancery Division, to determine a plan to provide supplemental educational and facilities programs in the special needs districts.

Provisions for the additional amounts of money were appropriated in the 1997-98 State budget. The Court has ruled that the Commissioner and the State Department of Education will be responsible for maintaining the educational system in accordance with the orders of the Court.

In response to the Court's order and in an attempt to remedy inadequacies that exist in the safety, the quality and the utility of state-wide school facilities, the New Jersey Legislature enacted the EFCFA. See "Summary of Educational Facilities Construction and Financing Act" herein. The EFCFA provides certain levels of funding for facilities' improvements for both special needs and non-special needs districts. Under EFCFA, special needs districts will receive State funding of 100% of the eligible costs of a school facilities project. The State will provide non-special needs districts with facilities aid of at least 40% of the eligible costs of a school facilities project. A non-special needs district must elect to receive its level of facilities aid in either the form of a grant or ongoing annual debt service aid.

On June 27, 2001, the Superior Court of New Jersey, Appellate Division, affirmed the trial court's decision that no public referendum is required for the State's bonds under the EFCFA. By a 2-to-1 majority, the Appellate Division held that the Debt Limitation Clause of the State Constitution is not violated by the EFCFA. On appeal, the New Jersey Supreme Court held that the EFCFA and its provisions authorizing the EDA's issuance of bonds do not violate the Debt Limitation Clause of the State Constitution.

On June 24, 2004, the Legislature enacted amendments to CEIFA, which amendments impose strict limits on annual increases in their operating budgets. Commencing with the 2005-06 school year, boards of education will be required to submit proposed budgets in which the advertised per pupil administrative costs do not exceed the lower of (i) the prior year per pupil administrative costs for the district's region inflated by the greater of 2.5% or the "cost of living" (defined as the average annual increase in the consumer price index for the New York City and Philadelphia areas) and (ii) the district's per pupil administrative costs, increased (by up to the greater of 2.5% or the cost of living) by such additional costs as may be approved by the Commissioner of Education due to increases in enrollment, administrative positions necessary as a result of mandated programs, administrative vacancies, nondiscretionary fixed costs, and such other items as may be permitted by regulation (provided, that for the 2005-06 school year the amount in clause (ii) shall instead be the per pupil administrative cost limits for the district's region as determined by the Commissioner of Education). Various existing limitations on budget increases were amended from the greater of 3% or the consumer price index to the greater of the cost of living or 2.5%. Under this amendment, proposals to exceed these limits cannot (i) include any new programs and services necessary for students to achieve the thoroughness standards established pursuant to CEIFA, (ii) include any programs or services that were included in the prior year's budget unless approved by the Commissioner, and (iii) be submitted to the voters or the board of school estimate if the county superintendent of schools determines that the district has not implemented all potential efficiencies in the administrative operations of the district. This bill also reduces the amount of surplus that may be maintained by a school district from 6% to 2% (2% for the 2005-06 school year) of the general fund balance.

Summary of Federal Aid to School Districts

Federal funds are available for certain programs approved by the federal government with allocation decided by the State, which assigns a proportion to each local school district. The Elementary and Secondary Education Act, as amended by the Improving America's Act of 1994 is a federal assistance program for which a school district qualifies to receive aid. A remedial enrichment program for children of low income families is available under Title I Aid. Federal aid is generally received in the form of block grants.

Welfare

The State pays the entire nonfederal share of Medicaid. As of July 1, 1991, the State also assumed one hundred percent of the costs of the nonfederal share of federal welfare programs managed by County governments and one hundred percent of the costs of General Assistance, the program of financial aid to needy people who are not otherwise provided for under New Jersey Laws that is managed by municipalities. Thus, New Jersey municipalities have no financial obligation for these programs.

As of January 1, 1999, the City consolidated the General Assistance Program into the County's Welfare Program, as permitted by State Law, and has retained its case records per State mandate.

Transit

The subsidization of public mass transit is the responsibility of the State. Municipalities are not required to make financial contributions.

Higher Education

The State subsidizes the system of State colleges and universities, with no municipal financial obligation. County colleges are supported by county governments with State assistance. Municipalities have no financial responsibility for the county college system.

Medical Care Services

The Jersey City Medical Center, which is an established New Jersey not-for-profit medical and health care corporation, provides certain hospital and medical care services for persons residing in the City and in the adjacent communities. For many years, the City provided direct and indirect financial assistance to the Jersey City Medical Center. The several agreements and programs have generally been consolidated. The City assisted the Jersey City Medical Center in the development and construction of a new hospital and medical care facility located at Grand and Jersey Avenues in the City. The City made a capital contribution of \$12,000,000 for the acquisition of the real property for the new hospital and for certain preliminary development expenses. This contribution was funded through the issuance of serial bonds. The new medical center has an obligation to provide hospital and certain medical care services for all persons residing in the City regardless of their ability to pay. The operating and debt service expenses for the new facility are being met through Federal and State health care payments and third-party reimbursements.

CITY EXPENDITURES

The City has historically spent the largest percentage of its operating budget on public safety and statutory expenditures. For Calendar Year 2016, appropriations for public safety personnel equaled 31.65% of the budget and statutory expenditures were 10% of the budget as adopted. The remaining 58.35% of the municipal budget was appropriated for the legal, financial and administrative management of the City, and the provision of public works, human resources, recreation and housing and development services and programs.

CAPITAL IMPROVEMENT PROGRAM

The City maintains and continuously reviews a six-year program for capital improvements. Priority within the program is given to the maintenance of the existing infrastructure, to completion of projects under construction and to projects deemed necessary to the economic strength of the City. For the calendar years 2016 to 2021, inclusive, the City expects to appropriate approximately \$25 to \$35 million annually for capital projects for the City. The City anticipates the funding of these projects to be provided through the future sale of notes or bonds and grant programs.

Major projects of the general capital program of the City for the calendar years 2016 to 2021, inclusive, are: acquisition of new fire apparatus and public works equipment and machinery; continued development of recreation facilities building reconstruction; acquisition and installation of new computer systems; street resurfacing and widening; construction of a new police precinct building; cleaning and re-lining the City's 150-year-old aqueduct system; improvements to public libraries; bridge improvements; and sewer reconstruction. The City estimates that its funding

needs to meet general capital improvement program objectives (excluding water utility payments) for the six-year period will be \$205 million. The City is also making major infrastructure improvements, including the construction of new water and sewer lines and roads in connection with major development projects in the City. See “CITY ECONOMIC AND DEMOGRAPHIC INFORMATION” and “ECONOMIC DEVELOPMENT” herein. Many of these projects will be financed primarily through direct developer contributions or local improvement assessments.

THE WATER SYSTEM

Background

Prior to the reorganization of the Municipal Utilities Authority, the City operated the Water System as a self-liquidating utility within the City’s budget. The City determined that it was in the best interest of the users of the Water System to reorganize the Jersey City Sewerage Authority as the Jersey City Municipal Utilities Authority to operate both the Sewerage System and the Water System, creating economies for both systems. On January 15, 1998, the Municipal Utilities Authority assumed the operation, maintenance and management of the Water System, subject to the short-term private operating agreement then in existence between the City and United Water. The agreement with the MUA was subsequently amended and extended to run through December 31, 2027 in order to better plan for long term improvements and operations. The City will continue to be responsible for the financing of all extensions and improvements to the Water System, but the Authority has assumed the responsibility for the payment of debt service on any future bonds issued by the City for such purposes as well as the responsibility for payment of debt service on the outstanding bonds of the City issued to finance the Water System. Debt service on the First Lien City Water Obligations has previously been paid from revenues collected by the City in connection with the use of the Water System.

General Description

The Water System consists of five major components, impoundment, water treatment facilities, water transmission facilities, water distribution facilities and land. Much of the Water System is located outside City limits. All of the water for the City is supplied by the Boonton Reservoir which is located in the Town of Boonton and the Township of Parsippany-Troy Hills, Morris County, New Jersey. The Splitrock Reservoir, located in the Township of Rockaway, Morris County, New Jersey is an emergency source of water. A water treatment plant, located next to the Boonton Reservoir was completed in 1978. The water treatment plant capacity is 80 million gallons per day (“MGD”). Its current peak usage is 60 MGD while its average usage is 45 MGD and its safe yield is 56.8 MGD. Water is conveyed from the Boonton Reservoir by an extensive gravity piping and tunnel system, approximately 23 miles in length, to the City’s Reservoir Tank at the end of Troy Street in the City. The distribution system consists basically of the Troy Street Pump Station and adjacent Reservoir Tank and the piping network that supplies water throughout the City. Each residence or apartment unit and business concern in the City must be connected to the Water System. The City owns over 2,500 acres of land related to the Water System.

United Water is responsible for the full operation of the Water System under a contract with the MUA expiring March 31, 2018, and currently bills all of the users of the Water System. The City has estimated that economic benefits will be derived from the privatization of the operation of the Water System over the term of the contract with United Water (which ends in 2018) due to the sale of excess water to United Water, anticipated savings in costs of operations, anticipated increases in revenues from the Water System due to repairs of leaking pipes, and improvements in billing and collection. Upon expiration of the current contract with United Water, it is expected that the Authority will use its resources and personnel to operate the Water System or enter into a similar short-term private operating agreement. The Authority does not expect that, after the expiration of the operating contract with United Water, the cost to the Authority of either operating the Water System or entering into a similar short-term operating agreement will be significantly greater than the annual service fee currently paid by the MUA to United Water.

Water Rate Covenant

Under the terms of the Water System Service Contract, the Authority has covenanted to make, impose, charge and collect Water Service Charges in each fiscal year in accordance with the provisions of the Act so that Water Revenues for each fiscal year will be at least sufficient to pay (a) Water Operating Expenses in such fiscal year, (b) all interest on and principal of all Water Bonds and the City Water Bonds (as defined in the Water System Service Contract) as the same shall become due and payable without recourse to or withdrawal from the Water Bond Reserve Fund, (c)

payments to the City required under the Water System Service Contract, and (d) all other amounts that are required to be paid pursuant to the Water System Service Contract. Water Revenues include any excess sewer revenues anticipated to be available for deposit in the Water Revenue Fund established by the Water System Service Contract.

PENSION FINANCING

Substantially all City employees who are eligible for pension coverage are enrolled in either a State or City administered retirement plan.

State Plans

The three State-administered plans are the Public Employees' Retirement System, the Consolidated Police and Firemen's Pension Fund and the Police and Firemen's Retirement System. The Public Employees' Retirement System includes all non-uniformed City employees who are not eligible for enrollment in the City's Municipal Employees' Pension Fund. The Consolidated Police and Firemen's Pension Fund includes uniformed employees who were employees before 1944, while the Police and Firemen's Retirement System enrolls all uniformed employees who began employment after 1944.

The Division of Pensions in the State Department of Treasury administers the plans and charges municipalities annually for their respective contributions. The charges are based on actuarial valuations. The City pays such charges on a monthly basis.

City Plans

All permanent City employees who are age 39 or younger when commencing employment with the City are required to enroll in the Employees' Retirement System of the City as of date of hire. All temporary employees who are age 39 or younger when commencing employment with the City are required to work one year before they are enrolled in the Employees' Retirement System of the City which is administered by a Pension Commission consisting of the Mayor, Chief Financial Officer, two elected employee representatives, and one appointed citizen member. Buck Consultants an ACS Company, serves as consulting actuary ("Actuary") for the system. In its latest report dated January 1, 2016, the Actuary reported:

GASB Statement No. 27 only requires valuation be performed every two years. The Annual Recommended Contributions payable for calendar years 2016 and 2017 are as follows:

	<u>December</u> <u>31, 2016</u>	<u>December</u> <u>31, 2017</u>
Normal Contribution ⁽¹⁾	\$ 1,667,756	\$ 1,734,467
Accrued Liability contribution	<u>7,173,577</u>	<u>7,459,249</u>
Total contribution	<u>\$ 8,841,333</u>	<u>\$ 9,193,716</u>

⁽¹⁾The Normal Contribution amounts are 4.99% of estimated salaries of \$33,421,968 and \$34,758,847 for the 2016 and 2017 calendar years respectively. The actual normal contribution to the trust should be 4.99% of Actual salaries for each year.

Three other City pension plans are not maintained on an actuarial basis, but the City appropriates funds annually as required to provide benefit payments for the year. The plans are Employees' Non-Contributory Pension, Pensioned Employees and Payments to Widows and Dependents – Members of Police and Fire Departments.

In December 1996, the City received a bill from the Police and Firemen's Retirement System (PFRS) for approximately \$18,500,000 to pay for accrued pension liability due to an early retirement incentive program established in 1994. Legislation (P.L. 2002, c.42) was enacted that permitted the City to sell refunding bonds pursuant to the Local Bond Law to retire the present value of the unfunded accrued liability to PFRS. With an approval from the Local Finance Board, the City financed said liability through the issuance of \$23,595,000 Pension Obligation Refunding Bonds

Series 2003A dated January 15, 2003 (Federally Taxable) and \$17,456,000 Pension Obligation Refunding Bonds Series 2003B dated March 15, 2003 (Federally Taxable).

The following table shows the City's contributions to the respective pension systems for the last five years.

City Contributions to Employee Pensions

	<u>December 31, 2016</u>	<u>December 31, 2015</u>	<u>December 31, 2014</u>	<u>December 31, 2013</u>	<u>December 31, 2012</u>
State of New Jersey

Post-Employment Benefits

The City provides eligible retirees with medical, prescription drug and life insurance benefits. Based on an assumed discount rate of 4.50%, as of June 30, 2015 the Unfunded Actuarial Accrued Liability for such post-employment benefits was \$976,949,569, and the Annual Required Contribution was as follows:

Normal Cost	\$35,135,265
Annual Amount Toward Unfunded Actuarial Accrued Liability	<u>57,393,724</u>
Annual Required Contribution	\$92,528,989
Less: Actuarial Determined City Contribution (Estimated)	<u>26,167,422</u>
Net Increase	\$66,361,567

See Note G to the audited financial statements for a more detailed discussion of the City's post-employment benefits.

INSURANCE

Insurance Fund Commission

The Jersey City Insurance Fund Commission was established in 1984 pursuant to N.J.S.A. 40A:10-1, *et seq.* The members of the Commission are the City's Business Administrator (who serves as Chairperson) and two members of the Municipal Council. All insurance upon property owned or controlled by the City or any of its departments, boards, agencies or commissions, is required to be placed and effected by the Commission. The powers of the Commission are statutory and include the power to invest the funds and all additions and accretions thereto in such securities as they shall deem best suited for the purposes of the statute; keep on hand at all times sufficient money, or have the same invested in such securities as can be immediately sold for cash, for the payment of losses to any buildings or property of the City, or liability resulting from the operation of publicly owned motor vehicles, equipment or apparatus; and fix reasonable rates of premium for all insurance carried by the insurance fund, and shall effect all insurance in the insurance fund or with any insurance company or companies authorized to do business in this State.

LITIGATION

General

The City, its officers and employees are defendants in a number of lawsuits including, but not limited to, lawsuits arising out of alleged torts, alleged breaches of contract and alleged violations of civil rights. The City is also engaged in activities, such as police protection and public works construction, which could result in future litigation with a possible significant monetary exposure to the City.

Based upon the information available to date, it does not appear that any individual lawsuit or the cumulative effect of these lawsuits will impair the City's ability to pay any judgments or settlements in an orderly manner, since the likelihood is that the amount of any judgments and eventual settlements will be much less than the amount claimed, and payments can be spread over two or more fiscal years. Because many lawsuits are still in the discovery stage, the Corporation Counsel is unable to determine the probability of a successful defense to them at this time.

The City self-insures against tort claims, which include general liability, automobile liability, employment practices, public officials and police professional and workers compensation lawsuits. The self-insured retention depends upon the date of incident and which of two excess policies provides coverage.

Pending Litigation

The following information has been compiled as of April 2017. The cases listed below have a potential monetary exposure in excess of \$500,000.00.

Valerie Montone v. Jersey City Police Department et al.

This federal lawsuit involves allegations by a retired police sergeant that the defendants (former Mayor Healy and former Chief of Police Troy) did not promote her because of her political affiliation and gender. This matter has been litigated in state and federal court. After discovery, summary judgment was granted to the Jersey City defendants on both the state and federal causes of action; however, the plaintiff appealed the matter to the Third Circuit Court of Appeals. The Third Circuit reversed the district courts holding and remanded the matter to the lower court. Although the reversal of the order for summary judgment is a setback, the defendants are prepared to defend this lawsuit on the merits. Recently, at a conference before the Federal trial judge, the plaintiff's attorney made an "informal" demand, \$5,000,000 to settle. Thus, there is a significant monetary exposure for economic damages and attorney fees. Retired Judge Faith Hochberg is currently mediating the matter. If the matter does not settle, a trial date will be set.

Astriab et al v. City of Jersey City.

This lawsuit is the companion case to Montone matter. In this case, eight other sergeants allege that because Montone was wrongfully not promoted to Lieutenant, they could not be promoted since they were behind her on the promotion list. With regard to damages, they claim they are entitled to the difference in pay and benefits between what

they would have received if they had been promoted and what they actually have received, including pay, benefits and pension contributions/value. These claimed damages continue to accrue as the case proceeds. This matter has the same procedural history as Montone case. Although the Summary Judgment obtained in this case was reversed, the defendants maintain that the defenses to the plaintiffs' claims are viable and the case will be defended on its merits. The plaintiffs also claim attorney fees and back pay. If they prevail, the combined award could exceed \$1,000,000.00.

212 Marin Blvd. v. City of Jersey City (Sixth Street Embankment cases).

Various lawsuits brought by several entities regarding the property known as the Sixth Street Embankment. The alleged owners contend that the City has interfered with their development rights and violated their constitutional rights. These matters have been pending for several years despite numerous attempts to achieve a settlement. The City continues to defend against all claims.

Realty Appraisal v. City of Jersey City.

Plaintiff alleges that the City unlawfully terminated a contract to conduct a citywide property revaluation. The City lost the bench trial. The City has filed an appeal. If the appeal is unsuccessful, the City owes more than \$1,000,000.00 in damages for services performed and lost profit.

Bruno v. City of Jersey City.

This matter involves claims for wrongful death and personal injury. Plaintiffs allege in their complaints that on July 27, 2012, co-defendant Frederico Bruno illegally entered their apartment located at 110-112 Rutgers Avenue, Jersey City. Mr. Bruno waited for Ms. Figueroa, Ms. Calderon and infant Damien Rose Bruno to arrive. Upon their arrival, Mr. Bruno violently attacked plaintiffs resulting in the death of Damien Rose Bruno, and bodily injuries to Ms. Figueroa and Ms. Calderon. Plaintiffs allege that the day before incident, Bruno appeared at a Jersey City police station to inquire about any open arrest warrants. Plaintiffs allege that Bruno had open warrants at the time, but was not detained. Plaintiffs allege that the Police Department failed to enforce the restraining order or act on the outstanding warrant. The trial is scheduled for June 24, 2017. Plaintiffs demand is \$12,000,000.

Mays v City of Jersey City.

Plaintiff, the City's Deputy Tax Assessor, has brought a claim in federal court for race discrimination and retaliation. She also alleges a whistleblower claim under CEPA. Discovery is ongoing. Written discovery is complete, plaintiff has been deposed, and plaintiff's counsel has deposed approximately ten defense witnesses. If plaintiff is able to prove her claims at trial, she could obtain an award between \$200,000 - \$300,000 for her severe emotional distress, as well as an attorneys' fees award between \$250,000 - \$300,000.

Anglin et al v. Jersey City Fire Dispatch.

Plaintiffs are the Administrators of the Estates of four decedents who died in a house fire, and five relatives who claim emotional distress damages from perceiving the death of their family members in the fire. In the lawsuit, they claim that a City dispatcher sent the firefighters to the wrong address resulting in the deaths. The City has asserted various immunities and the plaintiffs contend that they have overcome the bar of the immunities. Discovery is in the preliminary states. Exposure could surpass \$1,000,000.

MEPT v. City of Jersey City, et al.

In 2009, the City of Jersey City entered into financial agreements with MEPT Journal Square, LLC, MEPT Journal Square Tower North Urban Renewal, LLC, and MEPT Journal Square Tower South Urban Renewal, LLC (collectively the "Plaintiffs") for long term tax abatements (30 years) for the development of certain real property. The agreements were entered into pursuant to the appropriate ordinance and resolution. Plaintiffs agreed to and made a contribution to the City's Affordable Housing Trust Fund (\$710,769). Plaintiffs also entered into a Prepayment and Contribution Agreement under which the Plaintiffs agreed to and did prepay a certain amount of money (\$2 million) that was to be credited against the service charges to be collected over the first four years following completion of construction of their projects. Approximately six years after the financial agreements were executed, Plaintiffs

abandoned this project and sold the property. Indeed, the Plaintiffs failed to develop the property as originally intended. In 2015, Plaintiffs filed this declaratory action seeking the refund of the prepayment and the Affordable Housing Trust Fund payment for a total sum of \$2,710,769. On December 4, 2015, Plaintiffs moved for a summary proceeding for a declaratory judgment under N.J.S.A. 2A:16-50 in order to have all monies refunded to them. On October 4, 2016, the court entered an order of judgment in favor of the Plaintiffs directing the City to pay \$2,710,769 to Plaintiffs. Shortly thereafter, the City moved for reconsideration of the court's order and this motion was denied. The City filed a notice of appeal, which is currently pending. The City also filed a motion to stay the enforcement of the October 4 order pending the appeal. The motion for a stay is currently pending.

Wriedan v. City of Jersey City et al.

Plaintiff Daniel Wrieden has filed claims against the City of Jersey City and director Anthony Cruz. Mr. Wrieden alleges that the defendants discriminated and harassed him on the basis of his sexual orientation. He also alleges that the City violated his first amendment rights. If Mr. Wrieden prevails, the defendants could be liable for lost wage damages, punitive damages, emotional distress damages, and plaintiff's attorney's fees, in excess of \$500,000.

Pych et al. v. City of Jersey City et al.

On December 31, 2013, the Plaintiffs' decedent drowned as a result of him losing control of his motor vehicle which became submerged in the waters of the Morris Canal. Plaintiffs allege that the accident occurred on dangerous property owned, controlled or maintained by the City. The City contends that the accident occurred on privately owned property. Discovery is ongoing. If the City is unsuccessful, exposure for the wrongful death and survivorship claim could exceed \$500,000.

D'Onofrio v. City of Jersey City, et al.

The plaintiffs' decedent was struck and killed by a vehicle while crossing Baldwin Avenue. Plaintiffs claim that there was a nonfunctioning street light in the area that contributed to the accident. The City contends that the accident occurred as a result the negligence of the decedent and co-defendant. If plaintiff prevails, exposure could surpass \$500,000.

Estate of Lavon King v. City of Jersey City, et al.

In this matter, a Jersey City police officer fatally shot decedent after he tried to disarm the officer. Plaintiffs contend that the officer unnecessarily used excessive force in violation of the decedent's constitutional rights. The City contends that the officer used reasonable force. If plaintiff succeeds, exposure could surpass \$500,000.

In addition to the cases listed above, the City, its officers and employees are defendants in a number of lawsuits, none of which is unusual for a city of its size. These lawsuits include but are not limited to lawsuits arising out of alleged torts by the City and its employees, alleged breaches of contract and alleged violations of civil rights.

During the calendar years 2012 through 2016, the City paid the following amounts in judgments and settlements:

<u>Year</u>	<u>Amount Paid*</u>
CY 2016	\$2,348,280
CY 2015	1,181,928
CY 2014	1,460,362
CY 2013	494,286
CY 2012	324,735

*Source: Jersey City Insurance Fund Commission

Environmental Issues

There are many privately and governmentally owned parcels of real estate in the City containing various levels of environmental contaminants. With respect to privately owned real estate, the City, State and Federal health and safety officers have undertaken and continue to compel compliance by the owners with the existing regulations. The City aggressively uses its building inspectors and health officers to monitor and compel abatement of harmful environmental hazards. With respect to environmental contamination which does not pose an immediate or substantial public safety or health issue, the City is increasingly using local business incentives to stimulate previously dormant property for conversion to useful economic initiatives including the removal of environmental contaminants. The City itself monitors its own real estate and has undertaken and is currently performing building and facility improvement programs to remove all violations of Federal, State and City environmental regulations.

CITY ECONOMIC AND DEMOGRAPHIC INFORMATION

The City is New Jersey's second largest municipality with a population of 247,597 according to the United States Department of Commerce's 2010 Census. The City is located on the west side of the Hudson River, directly across from lower Manhattan in New York City, and is part of the major business and industrial concentration spanning the New York – Northern New Jersey metropolitan area.

The City's land area is 15.8 square miles, including a five mile long stretch of Hudson River waterfront that has experienced considerable high rise office tower, residential and multi-family development over the past ten years. The City is connected to New York City by the Holland Tunnel and the PATH railroad tubes and is within ten miles of Newark International Airport and the container and cargo facilities of Port Newark-Elizabeth. The City's size and current development activity cause it to dominate the economy of the County (the Jersey City Labor Area). The City also serves as the seat of the County government. Of the approximately 275,000 persons employed in the County, approximately 43% are employed in the City.

Population

The City had experienced a population decline from 1970 through 1980, however due to increased residential housing developments, the population has shown a trend toward increasing.

Population Trend (Calendar Year)

<u>Year</u>	<u>City</u>	<u>County</u>	<u>State</u>
2010	247,597	634,266	8,791,894
2000	240,055	608,975	8,414,350
1990	228,537	553,099	7,730,188
1980	223,532	556,972	7,364,823
1970	260,545	609,065	7,192,805

Overview of Jersey City

Founded in 1630 and incorporated in 1820, Jersey City once served as a shipping, manufacturing, and rail transportation hub. Home to Ellis Island, Jersey City has served as the gateway to the United States for millions of immigrants.

Today Jersey City is a vibrant and thriving city, where rail yards, factories, and warehouses have been transformed into parks, restaurants, shops, and modern skyscrapers. Seven of the ten tallest buildings in the state are found in Jersey City, with construction recently starting on what will soon be the tallest building in the State and the tallest residential building in the western hemisphere outside of New York City. Jersey City residents and visitors enjoy spectacular views of the New York City skyline with miles of Hudson River waterfront. Jersey City's robust transportation infrastructure allows for easy access to New York City using the PATH train subway system, NY

Waterway Ferries, or the Holland Tunnel. An expansive above-ground light rail system that opened in April of 2000 connects Jersey City to neighboring municipalities.

The 2010 Census population of Jersey City is currently 247,597. It has been growing steadily at a rate of 3-6 % since a low of 223,532 in 1980. According to estimates based on the United States Census Bureau American Community Survey, Jersey City will be the largest city in New Jersey by the end of 2016. At the present time, Jersey City has established itself as a leader in urban development within the State of New Jersey. Jersey City is experiencing its highest level of residential construction in recorded history, with over 6,100 units currently under construction in Downtown and Journal Square alone (including 8 new towers over 15 stories), and over 18,000 more units approved to begin construction in the next few years.

Employment

From January to December of 2015 Jersey City's unemployment dropped from 6.0% to 5.3%. The significant unemployment rate decrease is due to several large firms either relocating to Jersey City or expanding current operations within existing Jersey City facilities. JPMorgan Chase, RBC, Forbes, Imperial Bag, Nautica, and Ahold are some of the largest companies relocating or expanding Jersey City operations. Jersey City has also seen an increase in construction jobs with more than 4,000 jobs recently started or planned as part of approved upcoming projects.

Tourism

Tourism is a growing industry for Jersey City with three new hotels (700 new hotel rooms) under construction. While Liberty State Park, Liberty National Golf Course, Ellis Island, and the Statue of Liberty attract millions of visitors each year, in 2014, Jersey City proudly hosted the Seattle Seahawks and Denver Broncos, their families, and many of

their fans for the week leading up to the Super Bowl. Jersey City is also home to one of the largest 4th of July fireworks displays in the country.

Higher Education

Jersey City is home to St. Peter's University, with an enrollment of approximately 3,400 students in 2015, and New Jersey City University, with an estimated enrollment of 8,200 students, both of which offer full and part-time undergraduate studies in liberal arts, business and the natural and social sciences. In addition, St. Peter's has graduate programs in education, nursing, accounting, and business administration and New Jersey City University offers a wide variety of graduate programs. Jersey City is also the home to Hudson County Community College, which offers entry-level occupational and career certificates and associate degrees to prepare students for employment and to upgrade existing skills. The Community College has an estimated enrollment of over 10,000.

Healthcare

The Jersey City Medical Center, a voluntary not-for-profit hospital, moved to a new hospital facility in 2004 at a site on Grand Street and Jersey Avenue to replace the Medical Center complex built in the 1930s. The facility is currently operated by Liberty Health and is the region's "state designated trauma center" and the only hospital in Hudson County approved for open heart surgery. A new 5-story Medical Office Building was completed in 2010 and is fully leased, including the Cristie Kerr Women's Health Center. See "CITY INDEBTEDNESS AND DEBT LIMITS – Other City-Related Obligations" herein.

Economic Incentives

Jersey City's Urban Enterprise Zone (UEZ) is one of the top performing zones in the state. It is comprised of approximately 1/3 of the city's total land acreage. Revenue from the UEZ Program has funded many development initiatives throughout the City, such as national and international marketing campaigns, special events, preservation, city beautification projects, CCTV program, job training, tourism (www.destinationjerseycity.com), and business improvement and relocation grants. In the past, the City received approximately \$16.2 million annually to be used for various programs. However, the City has not received any funds since 2009 due to State budgetary constraints.

The Jersey City Economic Development Corporation manages and maintains business and employment support systems. Some of the benefits available to Jersey City UEZ-certified businesses are listed below:

- Reduced sales tax for certified retail businesses
- Employee tax credits for each UEZ municipality resident hired
- Jersey City Employment & Training Program
- City Beautification Program
- Closed Circuit TV Neighborhood Watch Program
- Customer Service Skills Center

Additionally, the JCEDC has expanded opportunities for local small business owners to access capital, through partnerships with private and non-profit lenders. The Jersey City Fund is a \$10 million dollar loan program targeting small businesses with small lending needs; the EDC also has a microloan program based on geographic location, meant to support businesses opening in the city's traditionally underserved neighborhoods.

The Hudson River Waterfront

Recently dominated by the financial services industry, as more new skyscrapers with class A office space are constructed a more diverse workforce has developed.

Since the early 1980's, more than 18 million square feet of office space, and over 18,000 new residential units, and five hotels providing nearly 1,500 rooms have been completed. Redevelopment of the waterfront and nearby

neighborhoods has been brisk, accelerating with the construction and opening of the Hudson Bergen Light Rail system. Plans for the redevelopment of formerly industrial land along Jersey City's waterfront currently include as much as 30 million square feet of office space and more than 35,000 new residential units.

The number of new residences authorized by building permits city wide, from 1995 through 2007, totals over 17,000 residences while and non-residential office space authorized by building permits exceeded 7 million square feet. The Newport Neighborhood is the largest single development on the Hudson River Waterfront. Built on 300 acres of abandoned rail yards at the edge of the river, this area now is home to 4,000 residential units and 14 residential towers, a park with a man made beach overlooking the river, the Newport Centre Mall, and a variety of office buildings.

The Hackensack River Waterfront

The Hackensack River Waterfront is another powerful City resource whose value has only recently been re-discovered. The improved environmental quality of the Hackensack River and the return of water-related recreation to the river have helped to reinforce its value. The first signs of its rebirth include: the fully sold out Society Hill and Droyer's Point development, a 1,400 Dwelling unit condominium community; the establishment of Meadows Path which is a planned pedestrian walkway along the Hackensack River stretching from Bergen County to Bayonne; commitment by the County of Hudson to establish an extension to the county park system; the completion of the 9 hole Golf course within the Hackensack River Edge Redevelopment Area; implementation of the City homes at Westside Station loft style residential project within the Water Street Redevelopment Plan area; transformation of a 32-acre former federal superfund site into the "Marion Greenway" - Phase I involves the remediation and capping of the site for passive recreation and Phase II includes a 2000 foot waterfront walkway, soccer fields, jogging paths and an Environmental Center; implementation of the remediation plan and environmental clean-up of the 100 acre former Honeywell site for the creation of a mixed use new-urbanist neighborhood within the Bayfront I Redevelopment Plan Area. This development will include the creation of over 15 acres of parkland in the form of a bikeway, central greenway, new pedestrian-friendly streets and infrastructure, approximately 4,200 to 8,100 new dwelling units, 700,000 to 1 Million sq. ft. of office floor area, and 200,000 to 600,000 sq. ft. of retail space.

All this development is part of a larger plan for the Jersey City western waterfront known as the Bayside Study Area. The study establishes the ground work for the creation of new-urbanist neighborhoods and new streets to connect into the existing neighborhoods of Greenville. The Bayside Study Area anticipates the redevelopment of land both east and west of Route 440, the re-design of Route 440 through federal funding appropriated to Jersey City, the expansion of the New Jersey City University Campus as an integral part of this new neighborhood, and ultimately leading to the extension of the Hudson-Bergen Light Rail System roughly ¼ of a mile to the west in order to access the Bayfront 1/Honeywell Project and the Hackensack River.

The old Department of Public Works facility along the Hackensack River (Bayfront 1/Honeywell Project) will soon begin redevelopment into hundreds of residential units as well as retail shops and entertainment and dining options.

Journal Square

Functioning as a major regional transportation hub, Journal Square encompasses the neighborhood surrounding the Journal Square PATH station and bus terminal, which provides access to New York City, Newark, Hoboken, and Harrison via the PATH subway train system and bus service throughout the region via 7 different bus lines. The first significant construction in Journal Square in decades is nearly complete with the first of three towers in the "Journal Squared" development project. Upon completion, this development will consist of a 54 story tower, a 60 story tower, and a 70 story tower. As of February 2016, there are 5,284 dwelling units, 195,055 square feet of office and 432,787 square feet of retail space approved for development in the Journal Square area. Under construction there are currently, 1,334 dwelling units, 70,070 square feet of office and 13,267 square feet of retail space to come on line within the next eighteen months.

The Loew's Jersey Theatre, a 3,000 seat "movie palace" originally opened in 1929, is a priority restoration project for Jersey City. The facility will soon undergo an extensive multi-million dollar renovation to restore the energy, glory, and full functionality to the theatre and to the neighborhood as a whole. AEG Live, the second largest event promotion company in the world, is planned to manage programming (along with partnerships with NJCU, Mana

Contemporary, and a variety of community groups) and ACE Theatrical Group, the premiere theatre restoration company in the country, is planned to manage the construction and renovation of the facility.

On the periphery of the square is the adaptive re-use of the old American Can Factory. The CANCOloft project entails the creation of over 1,300 new loft style residential units and associated retail services. The new CANCOPark, completed in 2010, features an "orchard" of trees that is lit up at night by ground lighting, park benches, and a terraced layout. The park's perimeter is lined with bamboo shoots in raised planters. Manna Contemporary Fine Arts is truly a diamond in the rough with art exhibits almost every weekend. Several other smaller projects, like 25 Senate Place or the Kennedy Lofts at 100 Newkirk Street, continue to make this the new hip artist community in the New York Metropolitan region.

Transportation Improvements and Funding

The City received federal high priority project funding for transportation access in the amount of approximately \$26 Million and the creation of an urban boulevard along Routes 440/1&9 Truck in the amount of \$1.8 Million.

North Jersey Transportation Planning Authority, (NJTPA) Area metropolitan Planning Organization awarded Jersey City the following grants:

- FY 2008-2009 Subregional Study Program grant for Update to the Circulation Element of the Jersey City Master Plan in the amount of \$250,000;
- FY 2010 – 2011 Subregional Study Program Grant co-sponsored with Hudson County for a Study to improve transportation connections between the Cities of Hoboken and Jersey City in the amount of \$300,000;
- FY 2012-2013 Subregional Study Program grant for the Liberty State Park Circulator Cost-Benefit Analysis in the amount of \$220,000;
- FY 2012-2013 Subregional Study Program grant for the Morris Canal Greenway Plan in the amount of \$220,000; and
- FY 2012-2013 Subregional Study Program grant co-sponsored with Hudson County for The Jersey City/Journal Square/Bayonne Bus Rapid Transit Study in the amount of \$250,000.

Over \$1 million in FY 2012 Local Safety Program grants for pedestrian improvements along Summit Avenue

- FY 2017-2018 Subregional Study Program grant for pedestrian enhancement plan in the amount of \$180,000.

NJ Transit has completed the Hudson-Bergen Light Rail 440 Extension Alternatives Analysis, which identified the extension of the HBLR from its current terminus at West Side Avenue station across Route 440 to a new station at the northern boundary of the Bayfront I Redevelopment Plan area as a locally-preferred alternative.

Miscellaneous Infrastructure Improvements and Public Amenities

- The Exchange Place PATH station was renovated in 1990 at a cost of \$65,000,000. The PATH provides a 3-minute ride from Exchange Place to the World Trade Center Station. The Port Authority's \$1.3 billion project to replace PATH's entire 340 car fleet and to overhaul the PATH signal system thereby enabling a significant increase in the number of train movements while improving on-time performance and efficiency is underway, with the entire rolling stock upgraded between 2008 and 2012 and signal system enhancements still underway.
- The \$1 billion Hudson Bergen Light Rail Transit System (HBLR) launched operation on April 15, 2000. Since then ridership has steadily grown as the system expands further north and south. It now connects with Hoboken's Lackawanna Station, which is adjacent to Jersey City and is a hub for regional commuter train service. It also now connects to a new Park & Ride station on Tonelle Avenue in North Bergen that attracts commuters from Bergen County and other North Jersey locations, and which has been highly successful. Direct service is provided between the Park & Ride and the Jersey City waterfront employment center. A new

extension to 8th Street in Bayonne opened in January 2011. Hudson County and Bergen County municipalities have urged NJTransit to expand the HBLR into Bergen County, with all municipalities with current or potential HBLR infrastructure passing resolutions in favor of this plan.

- Ferry service connects the Exchange Place/Paulus Hook, Hudson Exchange, Port Liberté and Liberty Harbor North areas to lower Manhattan, and also connects Exchange Place/Paulus Hook to 39th Street in Manhattan.
- The City has completed its renovations of the Owen Grundy Pier Park at the foot of Exchange Place. This is one of several significant public spaces that exist along the Jersey City Waterfront.
- The Hudson River Waterfront Walkway is advancing toward completion along the waterfront as development of properties adjacent to the waterfront continues. It is now possible to walk from the Goldman-Sachs tower at the south eastern corner of Paulus Hook and Downtown to the Newport area and into Hoboken. The Newport Walkway now connects to Hoboken at the Hoboken Train Station and Newport Associates Development Co. has completed “Newport Green” a Waterfront park at Fourteenth Street. The development of Veterans Park will include the critical portion of the waterfront walkway at the park’s edges along the Hudson River and the Morris Canal.
- New Jersey Department of Transportation is in the process of the reconstruction of the 12th and 14th Street viaducts from Route 139 to Jersey Avenue. The next phase will be the reconstruction of Route 139. NJ DOT is planning to construct a new Wittpenn Bridge over the Hackensack River and a new St. Pauls Avenue Viaduct that will link the bridge to Route 139, Tonnelle Avenue, Route 1&9 Truck, and a proposed new road parallel to Tonnelle Avenue. NJDOT is also planning to build a bridge on Jersey Avenue across the Morris Canal to allow easier travel from downtown Jersey City into Liberty State Park, Bergen Lafayette, and other parts of the city. Currently only a small foot bridge exists.
- Capital Improvement, Federal Grant, and UEZ Funding have been pooled to finance the re-surfacing and beautification of Christopher Columbus Drive. This is the main and most visible travel route from the NJ Turnpike to downtown neighborhoods and the waterfront.
- Jersey City launched the CitiBike bike-share system in September 2015. Because CitiBike is the same system used in New York City, residents can now seamlessly integrate into the broader regional bike-share network across the Hudson River. As of March 2016, only six months after the programs launch, 75,000 rides had already been taken.

Key districts and development areas within Jersey City

Hackensack River Edge Redevelopment Area. The City Council has adopted a new redevelopment plan that encompasses a number of properties on the City’s western waterfront, the redevelopment of which will include the remediation of the PJP landfill. An Urban Transit Hub tax credit package of \$34.6 million over ten years has been approved by the Board of the New Jersey Economic Development Authority which allowed Peapod and Ahold to utilize 344,000 square feet of the Pulaski Distribution Center, an 878,564 square foot warehouse recently completed along Route 1 & 9 by Prologis.

Claremont Industrial Center. West of Caven Point, the Claremont Industrial Center was developed on a 30-acre site by the New Jersey Economic Development Authority. Hartz Mountain Industries built and leased a 175,000 square foot warehouse for Walong Marketing, a food distributor and importer in the summer of 2002. Demand for warehouse space here dropped as the recession hit and the City responded by amending the Zoning to allow entertainment venues. In January 2011, “Pole Position Raceway” opened an 80,000 square foot facility featuring two quarter-mile tracks. The high-performing all electric karts can reach speeds of 45 miles per hour. The facility features a Tailgate Café, video and arcade games, meeting and party rooms, and an impressive display of racing memorabilia.

Liberty Industrial Park. In January 1996 construction was completed by the New York Daily News of a new 410,000 square foot printing plant. The Daily News has moved both their Brooklyn and Kearny operations to this new facility. The project represents a \$180 million investment by the Daily News. Sysco Food Services of Metro New York has renovated the former Allied/Sterns building into 345,000 square feet of freezer/warehouse space. This project

provides over 500 jobs. The total project cost was \$25 million, \$ 8 million of which was provided through the City and HUD by a Section 108 Loan.

Port Jersey/Greenville Yards. On the southernmost portion of the waterfront, the Port Jersey Corporation has developed 3,000,000 square feet for industrial distribution buildings since assuming control of the urban renewal project in 1969. The Corporation has invested \$150 million to date. The Port Authority of New York and New Jersey has constructed an imported automobile facility on its 80-acre portion of Port Jersey and on 65 acres of the Greenville Yards. Iron Mountain Information Management has leased 123,000 square feet at 100 Harbor Drive, providing more than 100 full time jobs. In addition, Summit Import Corp. and Preferred Freezer Services have recently opened warehouse facilities in Greenville Yards. Preferred Freezer is also undertaking building a second new facility freezer. Keystone Properties constructed two warehouse facilities consisting of over 500,000 square feet of available warehouse space.

Jersey Eagle Sales Co. A 100% minority owned business exclusively distributing for Anheuser-Busch in Hudson County has completed construction of a 70,000 square foot, \$4.5 million chilled warehouse and distribution facility, providing nearly 100 full-time jobs.

Montgomery Industrial Center. The 32-acre industrial park adjacent to **The Beacon** was developed by the New Jersey Economic Development Authority, which also makes development bond financing available to potential tenants. The firms in the Montgomery Industrial Center have created more than 300 construction jobs and 600 permanent jobs. Rajbhog Foods, makers of Indian bread, constructed a new plant with assistance from the New Jersey Business Employment Incentive Program and the New Jersey Local Development Finance Fund, and a \$50,000 relocation grant from the Jersey City Urban Enterprise Zone. Other food related services attracted to this location are Wei Chuan USA and Woolco Foods. DeBragga & Spitler relocated to 55-77 Amity Street from the Meatpacking District in Manhattan. They are leasing an existing warehouse and purchasing the adjacent vacant land for parking and eventual expansion. They certified into the UEZ Program and took advantage of Jersey City's \$50,000 relocation grant.

Newport Redevelopment Area Project The Newport Center project is a 300-acre, master-planned mixed use community consisting of retail, residential, office, leisure, and entertainment facilities. In December 1982, Jersey City received approval of a \$40 million Urban Development Action Grant (UDAG), the largest ever awarded in the history of that Federal program, that effectively jump started the Newport development. The first building constructed was the Newport Centre Mall. It is a premier shopping center with 130 individual stores, anchored by 4 major department stores, a multiplex movie theater, and a food court. Since that time, development has continued in earnest, extending roadways, transportation choices and other community amenities. The Newport Associates Development Co. has just completed "Newport Green", a new 5-acre playground and park connecting Washington Boulevard to the Waterfront Walkway at Fourteenth Street. It includes the first urban beach in New Jersey, a recreational field, an outdoor ping pong table, and several landscaped gardens.

"The Laguna", the most recent tower to complete construction, was fully leased within 6 months of opening in 2013. This 17-story residential tower along the Waterfront Walkway at Fourteenth Street includes 158 rental apartments and 5,500 square feet of ground-floor retail.

Over \$2 billion has been invested and more than 11 million square feet has been constructed at Newport. When completed, the \$10 billion investment into the Newport community will provide housing for approximately 30,000 residents in 9,000 apartments and have a 1.5 mile section of the Hudson River Waterfront Walkway., 7 million sq. ft. of prestigious office space and two million square feet of retail and shopping opportunities. The Newport Redevelopment Area has developed into another new thriving neighborhood of the city. In addition to the mall, area residents and visitors can take advantage of 14 acres of green space, educational facilities, health and wellness facilities, and even a yacht club.

Powerhouse Arts District Redevelopment Area. The Powerhouse Arts District Redevelopment Plan area includes a collection of historic warehouses that have been re-used for residential, art, and entertainment uses. The district is unique and lends itself to conversion to a funky, trendy, retail and entertainment center. This district is 2-4 blocks west of the waterfront and is anchored by the Powerhouse building, an historic structure formerly the power station for the Hudson and Manhattan Railroad. The 100-year-old castle-like building near the waterfront is owned by the City of Jersey City. The Cordish Company in conjunction with the NY/NJ Port Authority and the Jersey City Redevelopment Agency have entered into a memorandum of agreement to stabilize and rehabilitate the former

powerhouse into an entertainment destination for the waterfront. The Cordish Company plans to breathe life into the deteriorating power plant just as it has successfully done in the Baltimore Inner Harbor.

Toll Brothers City Living recently completed the Provost Square development, a 3 acre site in downtown Jersey City just a block from the Grove Street PATH station. The development includes 3 high-rise towers, 38, 33, and 28 stories, totaling 927 units, 960 parking spaces, 45,000 square feet of retail, and a state of the art 24,000 square foot theater as well as 17,000 square feet of art related space. In between the buildings is a half acre public plaza.

Liberty Harbor North. This highly successful project does not look like a project at all. It is designed to be an extension of the existing neighborhoods that surround it. This project has two marinas, several miles of waterfront walkway, direct connections to Liberty State Park, ferry service to NYC, two Light Rail Stations and enjoys sweeping views of Liberty State Park, Lower Manhattan and the NY Harbor. It was designed and master planned by the Congress for New Urbanism co-founders Andres Duany and Elizabeth Plater-Zybek. Phase one is complete with 600 residential units. New retail establishments have opened, including the immensely popular Zeppelin Hall Beer Garden, Surf City Beach Bar, Tilted Kilt Pub, and Brew Shot Coffee Shop. Several mixed use projects by a number of different developers have also followed on the coattails of this project, including Gulls Cove, a 320 Condominium building, completed in 2007, “225 Grand”, completed in the summer of 2010 with 348 unit rental building by Ironstate Development, Inc. and the KRE Group, and “18Park”, completed in the spring of 2014 with over 400 units. The 11 story 18Park facility also includes space for the Boys and Girls Club of Hudson County.

The planning board has also approved a mixed use building that includes a full service flagship Marriott hotel and 475 residences. As many as eleven (11) other buildings are already approved for the area, including a new waterfront park, central park and civic plaza.

Harborside Financial Center. The Harborside Financial Center began with a successful warehouse conversion from a refrigerated rail warehouse to Class A office space, which was followed by the construction of new office towers. It is an office and commercial holding of Mack-Cali Realty located on the Hudson River Waterfront. The complex includes restaurants, a retail promenade, two tiered waterfront walkway with outdoor dining and additional service amenities. The Harborside Financial Center currently consists of six office buildings, an indoor and outdoor garden/plaza, and a HBLRT Station. It is all just minutes away from downtown Manhattan via PATH train or ferry. The complex also contains luxury rental apartments on the North Pier and a full service hotel on the South Pier. The Hyatt Regency Jersey City was the first full-service hotel on the Jersey City waterfront. It features 350 guest rooms, over 19,000 square feet of meeting and facility space, a 165-seat restaurant, and a 75-seat lounge and incredible views of Manhattan and the New York Harbor. The current Master Plan for Harborside envisions one more office tower for Plaza 4 and six residential towers on Plazas 6, 7, 8 & 9, new roadway extensions and a widening of the pedestrian plaza adjacent to the light rail station.

Existing Commercial/office building of Harborside are as follows:

Harborside Plaza 1	400,000 Sq. ft.	Re-Use
Harborside Plaza 2	761,200 Sq. ft.	Re-Use
Harborside Plaza 3	725,600 Sq. ft.	Re-Use
Harborside Plaza 4a	207,670 Sq. ft.	New Construction
Harborside Plaza 5	977,225 Sq. ft.	New Construction
Harborside Plaza 10	577,575 Sq. ft.	New Construction

There are approximately 13,600 employees in the existing office towers.

Hamilton Square. The Hamilton Square project accomplishes adaptive re-use of the former St. Francis Hospital complex. The old hospital formed an artificial barrier, separating Hamilton Park, a 2 acre Victorian Square, from the east side of the neighborhood. The first phase of this development is complete. The new retail includes a restaurant (GP's), an ice cream parlor that has received significant press and very positive reviews (Milk Sugar Love), wine store, pet store, and vintage department store. It brings the neighborhood together once again by re-establishing the

cobblestone street leading to the park, rehabilitating some building, and replacing others. The blocks in the Hamilton Park historic district neighborhood are filled with classic row houses and lush, tree-lined streets.

Colgate. Colgate Redevelopment Area is a 24 acre, 10 block site of Jersey City waterfront south of Exchange Place. It was formerly the location of the manufacturing facility for the Colgate Palmolive Company. This area has experienced rapid growth over the past five years and is approaching its planned build-out of six million square feet of office space and close to 2,000 residential units. The first major project in the Colgate Redevelopment Area was 101 Hudson Street with 1.2 million square feet of office space in a well designed Art DECO Revival style skyscraper. Next, developed by Hartz Mountain Industries were 70 and 90 Hudson Street, two office towers on the riverfront with 358,000 and 372,000 square feet. SJP Properties' renovation of 95 Greene Street, 280,000 square feet of office space in the former Colgate Perfume Building, has been completely leased by Merrill-Lynch. Goldman Sachs' now controls three site within the redevelopment plan area and treats this facility and the Sussex Street pier that they renovated as a public campus with ferry and helicopter access to their sister campus on the Manhattan side of the River. Goldman Sachs has completed their owner occupied office building, a 42 story, 793 feet tall tower with 1.5 million square feet of space, 1,000 underground car garage, ground floor pedestrian and retail amenities. This tower, the tallest building in the state of New Jersey, provides a unique identity and profile for the Jersey City skyline.

Tidewater Basin Redevelopment Area. The Tidewater Basin Redevelopment Area links new waterfront development with the existing Paulus Hook Historic District. The charm of this area is especially enhanced by watching cars share the path of the light rail trolley along the historic cobblestone street. The 324-unit Windsor at Liberty House was completed in September 2000. Other projects include the Pier House (106 condo units) and Hudson Point (181 rental units), two projects at the foot of Warren Street, Liberty Pointe, a 32 unit condo project just up Warren Street from those previously described, Fulton's Landing with 105 condominium units, and K. Hovnanian at Paulus Hook with 71 condominium units are all occupied and complete. 198 Van Vorst Street, a 131 unit, 7-story residential project with 4,426 square feet of retail, is completed and occupied.

Harsimus Cove Station Redevelopment Area. Several residential projects have been completed and leased. Among the completed projects are the following condominium and rental units: Avalon Cove, Mandalay Bay on the Hudson, Portofino, Marbella, and the 'A'. These residential building encompass over 2,000 market rate units. Metro Plaza shopping center contains four retail buildings totaling 255,000 square feet. The Doubletree Hotel contains 200 rooms. The most recent project to be completed in the area is the Monaco, a residential development of 524 rental units in two 39 story towers atop a 10 story 558 space parking garage and 6,100 square feet of ground floor retail on what is was the Doubletree Hotel's parking lot. The Redevelopment Plan calls for a residential-commercial mixed-use district where certain lands are dedicated to the City of Jersey City for streets and parks. Projects recently completed include 110 First Street and Maribella phase II.

Port Liberté, Liberty National Golf Course and Country Club, and the Residences at Liberty. Redevelopment of this scenic area adjacent to Liberty State Park began in 1985 with the development of docks, jetties, and canals for luxury residential apartments and town homes, some with private boat slips at their front door. Later phases replaced new canal construction with an 18-hole professional Majors golf course and private club. Liberty National Golf Course hosted its first international PGA TOUR event, the Barclays, in August of 2009 and again in August 2013. In 2017 it will host the President's Cup. More than 1600 condominium units are completed with another 1500 planned for the Port Liberté development area.

The Residences at Liberté is the residential development associated with the golf course. Construction has begun on 60 low-rise luxury units along the waterfront walkway and adjacent to the golf club house. When completed, the Residences at Liberté will produce over 1,000 new condominium units located within three towers on the northern slope of the golf course.

Liberty State Park and Ellis Island. Over 2,000,000 persons visit Liberty State Park annually, making it the most popular of all state parks in New Jersey. It is the largest urban park in the state, at approximately 1,200 acres. It currently houses, two Marinas, a boat launch, the Liberty House (a 15,000 square foot restaurant and banquet facility), the recently expanded Liberty Science Center, the restored historic Central Railroad of New Jersey Terminal, and an award-winning Interpretive Center. Maritime Parc Restaurant & Catering opened in October 2010 with a 30,000 square foot event space.

The restoration of Ellis Island is ongoing and the result of a partnership between the National Parks Service and Save Ellis Island, Inc. The South Side of the island contains valuable historic resources such as the hospital facility, laundry and luggage building, open space and recreation area, nursing residence and other various support building, totaling 30 in all, built at the turn of the century to welcome immigrants to our land. It is the intent of the National Park Service to renovate these buildings and keep them in public use. The American Family Immigration History Center was unveiled in 2001. Given its national and international stature, the Ellis Island Institute is proposed to be a unique cultural, educational and conferencing facility that will use the power of place to create a venue for international cultural events and meetings. It will involve reuse of the 29 existing buildings on the island and new construction of a hotel, museum and educational facilities. At completion, it will employ 275 full-time and 350 part-time workers.

Ferries to the Statue of Liberty and Ellis Island leave from Jersey City, Liberty State Park throughout the day. The park, a state and regional amenity that attracts visitors from a wide area, is frequently the site of State wide events, including concerts, festivals, and tournaments.

The Division of Planning has conducted a Liberty State Park Circulator Cost-Benefit Analysis. This study is an important first step in restoring transit service to destinations within Liberty State Park. A circulator would build on the City's public transportation network that currently serves the edge of the park. This potential service would make the park more accessible to the 40% of Jersey City households that do not have access to a vehicle..

The Beacon. This central City project is the rehabilitation of a monumental Art Deco New Deal Governmental/Hospital Complex. It consists of the adaptive re-use and renovation of ten (10) high rise structures, interior and exterior historic renovation of significant Art Deco and WP Project artifacts, including two theaters, meeting rooms, and lobby space, and new construction of a multi level garage, health spa, pool, museum, and various types of amenity space. Completion of this project, which is the largest historic restoration project in the nation, is expected to create approximately 1,200 market rate residential units. This project represents a significant private investment that is outside of the City's downtown waterfront financial center. Shuttle and full concierge services are provide to various mass transit choices throughout the city.

Grove Plaza. As recently as 2000, the Grove Plaza area was considered to be too far from the waterfront to be desirable for high end market rate units. Today, Grove Plaza is considered the heart of downtown. The newly renovated and re-designed Grove Street PATH Station Plaza has served as a festival site and farmers market adding to the vitality of the shopping destination. 2 new 60-story residential towers, 70 and 90 Columbus, will rise connected by a hotel in a 150 foot base. New residential construction is moving west along Newark Avenue, including 8 new restaurants along a pedestrian walkway has been completed.

Martin Luther King Drive. The redevelopment of Martin Luther King Drive began as a grassroots community based initiative with far-reaching support. Since the adoption of the MLK Drive Redevelopment Plan by the City Council in December 1993, the development of the MLK HUB Shopping Plaza has been accomplished. A 55,000 square feet supermarket and ancillary stores are in place. The HUB development is now under new ownership. Through a partnership of the Jersey City Redevelopment Agency, Universal Companies of Philadelphia, and Brandywine Corp., MLK Drive will be receiving approximately 205 units of work force housing to be built on City land in and around the HUB. Goldman-Sachs has sponsored a 20 unit housing development just north of the HUB Plaza and light rail station, which has been completed and sold as affordable condominiums.

The Fred W. Martin Apartments offer 39 affordable units in a 4-story building with 12,000 square feet of retail space along the Drive. Many other mixed-use and residential projects are underway along the Drive.

In 2015, The Jersey City Employment and Training Program (JCETP) relocated to the HUB, with Speaker of the House of Representatives Nancy Pelosi, New Jersey Governor Chris Christie, Senator Robert Menendez, NAACP President Cornell Brooks, Congressman Donald Payne Jr., Congressman Albio Sires, and former New Jersey Governors Brendan Byrne and Thomas Keane all attending the ribbon cutting ceremony. JCETP includes the prisoner re-entry program that provides addiction treatment, housing, and employment services as well as standard employment programs for youth, seniors, veterans, and welfare recipients. Former Governor James McGreevey is the director of the JCETP.

Monticello Avenue. The Monticello Redevelopment Plan covers Monticello Avenue between Communipaw Avenue and Montgomery Street. It encompasses 19 blocks geographically located at the center of Jersey City. The goal

is to establish a historically preserved and revitalized neighborhood - a shopping district with a mix of retail, restaurant and service businesses, as well as arts-related venues and activities that reflect the diversity and strong sense of community that prevail in the area. The 12 unit "Rock Garden Plaza" and the 6 unit "120-122 Monticello Avenue" with approximately 7,000 square feet of childcare space on the ground floor, have been completed.

Canal Crossing. The proposed Canal Crossing Redevelopment Plan Area is approximately 111 acres in area and is located in the southeastern section of the City of Jersey City. It establishes a new-urbanist community with varied housing type, variable uses, a central boulevard and central park, high density around the Garfield Avenue Light Rail Station and accommodations for various types of open space and educational facilities.

Berry Lane Park. Berry Lane Park is a 17.5 acre park was recently completed on a former brownfield site in the Communipaw-Lafayette Section of Jersey City, New Jersey. Construction of the park began in 2012 and opened in the summer of 2016. The park is located between Garfield Avenue and Woodward Street near the Garfield Avenue Hudson Bergen Light Rail station. Directly south of Berry Lane Park is Canal Crossing, an adjacent brownfield site slated for a future residential development.

Berry Lane Park is the largest municipal park in Jersey City. The site includes two basketball courts, two tennis courts, a baseball field, a soccer field, a playground, a rain garden, 600 new trees, and a splash pad water park. New park features coexist with older existing structures that will be preserved or modified: for example, the large concrete silos from a former rail yard will be renovated to contain water features.

Holland Tunnel and Jersey Avenue Redevelopment Area. The expanse of land bounded by the entry/exit of the Holland Tunnel, the base of the Palisade Cliffs and neighboring the City of Hoboken, had remained unnoticed for many years. Its newly discovered attractiveness has accelerated an effort to re-connect existing streets, create more building lots and street frontages. There are current NJ Transit approvals for the creation of a new HBLRT Station at Jersey Avenue and Eighteenth Street. Residential re-development of the 10th Street corridor is almost complete; with the latest addition of the 58 condominium unit Schroeder Loft project adding to the LeFrak-developed apartments that presently line the corridor. In November 2007, The Home Depot opened a 105,121 square feet multi-level store, which employs 177 people and generating \$50 million in annual sales. Other recently completed residential additions include The Cliffs, 700 Grove Street, Cast Iron Lofts, and Zephyr Lofts.

Proposed plans include the Hoboken Redevelopment Plan area and the New York Avenue Redevelopment Plan area. The 7 acre Van Leer Chocolate Factory site is slated to have up to 90-percent energy savings compared to traditional buildings through the use of geothermal and solar energy, as well as other green technologies and has been recognized in the 11th annual Governor's Environmental Excellence Awards in December 2010.

Majestic Theater and the Majestic II Projects. The adaptive re-use of the historic Majestic Theater across from City Hall including the three adjacent historic revival mixed use properties that were vacant and dilapidated, and development of a new adjoining 45 unit residential building. All of the constructed residential units have been sold or rented, and all of the highly desirable commercial spaces have been filled. Majestic II, which is a new mixed use classic mid-rise building with ground floor retail, will complete the third corner of the Montgomery Street & Grove Street intersection, connecting the eclectic buildings of the Van Vorst Historic District to the new City Hall neighborhood redevelopment. Across the street from the Majestic Projects and City Hall is an additional 99 unit 7 story building with ground floor retail space, which opened in early 2016.

New Jersey City Medical Center and Grand Jersey Redevelopment Plan Area. The Jersey City Medical Center opened its 325 bed medical facility at Grand and Jersey Avenues in 2004. This \$180 million facility was financed by the FHA. Liberty Health has just completed a 5-story Medical Arts Building adjacent to the Medical Center. There are also plans to triple the capacity of the Emergency Department. New infrastructure, new streets, public garage, and new residential building are planned for this area to mirror the street grid and density of Liberty Harbor North. NJDEP has awarded Jersey City a special representative to coordinate the clean-up of the area to accelerate its redevelopment. Several projects within the area have already achieved site plan approvals and are ready to move forward. This redevelopment plan will also incorporate the re-location of the Mill Creek Sewage outfall, allow for the creation of new wetlands adjacent to Liberty State Park and replace the pedestrian bridge with a pedestrian and bicycle friendly vehicular connection from downtown Jersey City to the Park.

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members
of the City Council
City of Jersey City, New Jersey

Report on the Financial Statements

We have audited the accompanying financial statements – regulatory basis of the City of Jersey City, New Jersey (the “City”), which comprise the comparative balance sheet – regulatory basis, of each fund and General Fixed Assets as of December 31, 2015 and 2014, and the related comparative statement of operations and changes in fund balance – regulatory basis, statement of revenues – regulatory basis and statement of appropriations – regulatory basis, of the Current Fund, and the related statement of changes in Fund Balance – regulatory basis, of the General Capital Fund, for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the “Division”). Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, audit requirements prescribed by the Division and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note A, the financial statements are prepared by the City on the basis of the financial reporting provisions of the Division, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Division.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note A and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2015 and 2014, and the changes in its financial position for the years then ended.

Unmodified Opinion on Regulatory Basis Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the comparative financial position – regulatory basis, of each fund and General Fixed Assets of the City as of December 31, 2015 and 2014, the Current Fund's respective operations and changes in fund balance – regulatory basis, revenues – regulatory basis and appropriations – regulatory basis, the General Capital Fund's changes in fund balance – regulatory basis, for the years then ended, in accordance with the financial reporting provisions of the Division as described in Note A.

Other Matters

Management Discussion and Analysis

Management has omitted the management discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context, but is not required by the financial reporting provisions of the Division. Our opinion on the basic financial statements is not affected by the missing information.

Other Information

Management has omitted the supplementary data section, general comments and comments and recommendations which are required by the Division for purposes of additional analysis and are not required part of the basic financial statements. Management has also omitted the schedule of expenditures of federal awards and the schedule of expenditures of state financial assistance as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and N.J. Office of Management and Budget Circular 15-08, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*, respectively, for purposes of additional analysis and are also not required parts of the basic financial statements. Our opinion on the basic financial statements is not affected by the missing information.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

REPORTING ENTITY

The City of Jersey City (the “City”) is organized as a Mayor – Council municipality under the provisions of N.J.S.A. 40:69A. The City is governed by an elected Mayor and Council, and by such other officers and employees as may be duly appointed. The Council consists of nine members, six of whom are elected from the City’s six wards and three of whom are elected at-large by voters of the City. The Mayor is also elected directly by the voters of the City. The Mayor and each Council member serve a term of four years beginning on the first day of July next following their election.

The financial statements of the City include every board, body, officer or commission supported and maintained wholly or in part by funds appropriated by the City, as required by N.J.S.A. 40A:5-5. The Governmental Accounting Standards Board (herein referred to as “GASB”) establishes criteria to be used to determine which component units should be included in the financial statements of the primary government (the City). The State of New Jersey, Department of Community Affairs, Division of Local Government Services (the “Division”) requires the financial statements of the City to be reported separately from its component units. If the provisions of GASB had been complied with, the financial statements of the following component units would have been discretely presented with the financial statements of the City:

Jersey City Board of Education (3)	Jersey City Free Public Library
Jersey City Incinerator Authority (1)	Jersey City Economic Development Corp
Jersey City Central Ave SID	Jersey City Historic Downtown SID
Jersey City Journal Square SID	Jersey City McGinley Square SID
Jackson Hill Main Street SID	Jersey City Parking Authority (2)
Jersey City Housing Authority	Jersey City Redevelopment Agency
Jersey City Municipal Utilities Authority	Jersey City Employees' Retirement System
Jersey City Employment and Training Program, Inc.	

- (1) The City dissolved and assumed control of the Jersey City Incinerator Authority on April 1, 2016. See also “Note V. Subsequent Events”.
- (2) The City dissolved and assumed control of the Jersey City Parking Authority on January 1, 2015.
- (3) The Jersey City Board of Education became a Type II School District effective November 4, 2008. However, material outstanding bonds remain on the City’s books which were originally issued prior to this date when the City operated as a Type I School District, meeting the financial burden criteria for inclusion as a component unit. See also “Note O. Related Party Transactions”.

Audit reports of the component units are available at the offices of each of the respective component units.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

BASIS OF PRESENTATION

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. GASB codification establishes three fund categories to be used by general purpose governmental units when reporting financial position and results of operations in accordance with accounting principles generally accepted in the United States of America (GAAP).

The financial statements of the City have been prepared in conformity with accounting principles and practices prescribed by the Division, which differ from GAAP. The principles and practices prescribed by the Division are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the City accounts for its financial transactions through the following separate funds and account group, which differ from the fund structure required by GAAP.

DESCRIPTION OF FUNDS

Current Fund - is used to account for all resources and expenditures for governmental operations of a general nature.

Trust Funds - is used to account for receipts, custodianship and disbursement of dedicated revenues in accordance with the purpose for which each reserve was created, subject to available cash in each individual trust fund reserve established pursuant to applicable state statutes or as an agent for individuals and other governmental agencies. The City also includes the State and Federal Grants Fund as part of its Trust Fund, as opposed to the Current Fund as is common practice for many other New Jersey municipalities.

General Capital Fund - is used to account for the receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund or other funds. Also included in this fund are bonds and notes payable offset by deferred charges to future taxation and deferred charges to future water rents.

General Fixed Assets - is not a separate fund type, but is an account group used to account for all fixed assets of the City.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

DESCRIPTION OF FUNDS (continued)

The accounts of the City are maintained in accordance with the Division's principles of fund accounting to ensure observance of limitations and restrictions on resources available. The Division's principles of fund accounting require that resources be classified for accounting and reporting purposes into funds in accordance with activities or objectives specified for the resources. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures. Resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The General Fixed Assets account group, on the other hand, is a financial reporting device designed to provide accountability for certain fixed assets and the investment in those fixed assets that are not recorded in the funds because they do not directly affect net expendable available financial resources.

BASIS OF ACCOUNTING

The City prepares its financial statements on a basis of accounting prescribed by the Division that demonstrates compliance with a modified accrual basis and the budget laws of the State of New Jersey, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The current financial resources focus and modified accrual basis of accounting is generally followed with significant exceptions which are explained as follows:

Revenues – Revenues are realized when received in cash except for certain amounts which are due from other governmental units. Receipts from Federal revenue sharing funds and other Federal and State grants are realized as revenue when anticipated in the budget. Receivables for property taxes and other amounts that are due to the City are recorded with offsetting reserves on the balance sheet of the Current Fund. Such amounts are not recorded as revenue until collected. Accordingly, no provision has been made to estimate that portion of receivables that are uncollectible. Taxes and payments in lieu of taxes collected in advance are recorded as cash liabilities in the financial statements. GAAP requires revenues to be recognized in the accounting period when they become measurable and available and in certain instances reduced by an allowance for doubtful accounts.

Reserve for Uncollected Taxes – Reserve for Uncollected Taxes is required to provide assurance that cash collected for taxes in the current year will provide sufficient cash flow to meet expected obligations. The minimum amount of Reserve for Uncollected Taxes is determined on the percentage of collections experienced in the immediate preceding year, unless allowable alternative methods are utilized. A Reserve for Uncollected Taxes is not established under GAAP.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

BASIS OF ACCOUNTING (continued)

Expenditures – Expenditures are recorded on the “budgetary” basis of accounting. Generally, expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with the encumbrance accounting system. Appropriation reserves covering unexpended appropriation balances are automatically created at the end of each year and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriations for principal and interest payments on general capital indebtedness are provided on the cash basis. GAAP requires expenditures in the current (or general) fund, to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for un-matured interest on general long-term debt, which should be recognized when due.

Encumbrances – Encumbrances are contractual orders outstanding at year end reported as expenditures through the establishment of an encumbrance payable. Outstanding encumbrances at year end are reported as a cash liability in the financial statements. Encumbrances do not constitute expenditures under GAAP.

Appropriation Reserves – Appropriations are available until lapsed at the close of the succeeding year to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Transfers are allowed between certain line items during the first three months of the fiscal year. Lapsed appropriation reserves are recorded as other credits to income. Appropriation Reserves do not exist under GAAP.

Interfunds - Advances from the current fund are reported as interfunds receivable with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfunds receivable in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve.

Inventories of Supplies - The costs of inventories of supplies for all funds are recorded as expenditures at the time the individual items are purchased. The costs of inventories are not included on the various balance sheets. GAAP requires the cost of inventories to be reported as a current asset and equally offset by a fund balance reserve.

Property Acquired for Taxes – Property Acquired for Taxes is recorded in the current fund at the assessed valuation when the property was acquired and is subsequently updated for revaluations. The value of the property is fully reserved. GAAP requires such property to be recorded as a fixed asset at market value on the date of acquisition.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

BASIS OF ACCOUNTING (continued)

Deferred Charges to Future Taxation (Funded and Unfunded) - Upon the authorization of general capital projects, the City establishes deferred charges for the costs of the capital projects to be raised by future taxation. Funded deferred charges relate to permanent debt issued, whereas unfunded deferred charges relate to temporary or non-funding of the authorized costs of capital projects. The City may levy taxes on all taxable property within the City to repay the debt. Annually, the City raises the debt requirements for that particular year in the current budget. As the funds are raised by taxation, the deferred charges are reduced. GAAP does not require the establishment of deferred charges to future taxation.

Deferred Charges to Future Water Rents – Upon the authorization of water capital projects, the City establishes deferred charges for the costs of the capital projects to be raised by future water rents. Funded deferred water rents relate to permanent debt issued. The City may impose water rents on all water users within the City to repay the debt. GAAP does not require the establishment of deferred charges to future water rents.

Compensated Absences and Post-Employment Benefits - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for post-employment benefits, if any, which are also funded on a pay-as-you-go basis. GAAP requires that the amount that would normally be liquidated with expendable financial resources to be recorded as an expenditure in the operating funds and the remaining obligations be recorded as long-term obligations.

Improvement Authorizations – Improvement Authorizations in the general capital fund represent the unexpended balance of an ordinance appropriation and is similar to the unexpended portion of the budget in the current fund. GAAP does not recognize these amounts as liabilities.

General Fixed Assets - Accounting for Governmental Fixed Assets as promulgated by the Division differs in certain respects from GAAP, and requires the inclusion of a statement of general fixed assets as part of the City's basic financial statements.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

BASIS OF ACCOUNTING (continued)

Fixed assets used in governmental operations (general fixed assets) are accounted for in an account group identified as "General Fixed Assets" and are not included within the records of any fund types. Purchases from these funds for fixed assets are recorded as expenditures within the fund. Public domain (infrastructure) general fixed assets consisting of certain improvements, other than improvements to buildings, such as improvements to roads, bridges, curbs and gutters, streets and sidewalks and drainage systems, are not capitalized.

All fixed assets, except land, are valued at historical cost or estimated historical cost if actual historical cost is not available. Expenditures for construction in progress are recorded in the Capital Fund against authorizations under which the project was approved until such time as the construction is completed and put into operation.

The City is required to maintain a subsidiary ledger of detailed records of fixed assets and to provide property management standards to control fixed assets. General fixed assets are defined as non-expendable personal property having a physical existence, a useful life of more than five years and an acquisition cost of \$5,000 or more per unit.

The City has developed a fixed assets accounting and reporting system based on an inspection and appraisal prepared by an independent appraisal firm.

Fixed assets acquired through grants in aid or contributed capital have not been accounted for separately.

No depreciation has been provided in the financial statements.

GAAP requires the recording of infrastructure assets and requires capital assets be depreciated over their estimated useful life unless they are either inexhaustible or are infrastructure assets reported using the modified approach.

Use of Estimates - The preparation of financial statements requires management to make estimates and assumptions that affect: the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

BASIS OF ACCOUNTING (continued)

Cash and Investments - New Jersey governmental units are required to deposit public funds in a public depository. Public depositories are defined by statutes as any state or federally chartered bank, savings bank or an association located in New Jersey or a state or federally chartered bank, savings bank or an association located in another state with a branch office in New Jersey, the deposits of which are insured by the Federal Deposit Insurance Corporation ("FDIC") and which receives or holds public funds on deposit, but does not include deposits held by the State of New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of securities which may be purchased by New Jersey municipal units.

The City is also required to annually adopt a cash management plan and to deposit or invest its funds pursuant to the cash management plan. The cash management plan adopted by the City requires it to deposit funds as permitted in N.J.S.A 40:5-15.1, so long as the funds are deposited in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). GUDPA was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey and requires all public depositories pledge collateral, having a market value of five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories in the collateral pool, is available to pay the full amount of their deposits to the governmental units.

In 2009, legislation revised GUDPA to provide higher levels of security and oversight. The revised GUDPA ensures a common level of deposit risk for each bank choosing to accept local government deposits. It requires banks to fully collateralize deposits over \$200 million, implements enforcement protocol which allows the Department of Banking and Insurance to institute risk-based collateral requirements promptly when a bank shows signs of stress, provides enhanced oversight by the Department of Banking and Insurance and permits GUDPA certificates to be provided through an online system.

Cash Equivalents include certificate of deposits with a maturity date of less than three (3) months.

Also see Note B - Cash and Cash Equivalents.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

BASIS OF ACCOUNTING (continued)

Budgets and Budgetary Accounting - An annual budget is required to be adopted and integrated into the accounting system to provide budgetary control over revenues and expenditures. Budget amounts presented in the accompanying financial statements represent amounts adopted by the City and approved by the Division in accordance with the Local Budget Law. Budgets are adopted on the same basis of accounting utilized for the preparation of the City's financial statements. The budgetary requirements herein outlined are applicable to only the Current Fund, and not the Trust Fund, Capital Fund or the General Fixed Assets account group. However, statutes require the City to adopt annually a six-year capital plan. This plan allows the governing body to expend or incur obligations for capital purposes only. Such projects under the plan must be adopted through capital ordinance.

The City must adhere to procedures for adoption of its annual budget as established by the Division. These procedures include statutory deadlines of: February 20 for introduction and approval and March 20 for adoption. These dates are subject to extension by the Division by approval of the Local Finance Board. Appropriations within the adopted budget cannot be modified until the final two months of the year at which time transfers between certain line items are allowed. Transfers from appropriations excluded from "CAPS" are prohibited unless they are between debt service appropriations. Under certain circumstances emergency authorizations and insertions of items of revenue and appropriation are allowed by authorization of the governing body, subject to approval of the Division.

The City must prepare its budgets in compliance with applicable laws capping the amounts by which both the budgeted appropriations and tax levy can be increased. A description of both "CAPS" follows:

1977 Appropriation "CAP": The 1977 Appropriation Cap is calculated using the formulas and provisions of N.J.S.A. 40A:4-45.1 through 4-45.43a. The law was originally adopted in 1976 and was most recently amended in 2003. Under this law, the City is permitted to increase its overall appropriations (with certain exceptions) by 2.5% or the "cost of living adjustment" (COLA), whichever is less. The COLA is calculated based on the traditional Federal government inflation calculation. The City can, when the COLA is less than or equal to 2.5%, increase its allowable inside-the-cap spending to 3.5%, upon passage of a COLA Rate Ordinance.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

BASIS OF ACCOUNTING (continued)

Budgets and Budgetary Accounting – continued

2010 Levy "CAP": The 2010 Levy Cap is calculated using the formulas and provisions of N.J.S.A 40A:4-45.44 through 45.47. It establishes limits on the increase in the total City amount to be raised by taxation (tax levy). The core of the levy cap formula is a 2% increase to the previous year's amount to be raised by taxation, net of any applicable cap base adjustments and emergency or special emergency appropriations.

Long-Term Obligations - General long-term debt is recognized as a liability of the General Capital Fund for the full principal amount.

Reserves (Other than Reserve for Receivables) - Reserves, other than reserve for receivables, are considered liabilities, and not as a reservation of fund balance.

Reserves for Receivables – Receivables of the City, with the exception of certain intergovernmental receivables, are offset on the balance sheet with a credit that is created to preserve the revenue recognition basis required by the Division's accounting policies. The reserve delays the recognition of these revenues until they are received in cash.

Advertising Costs - Advertising costs are charged against the appropriate budget line as they occur. The City does not engage in direct-response advertising.

Sale of Municipal Assets - The proceeds of the sale of municipal assets can be held until made available through a future budget appropriation. GAAP requires such proceeds to be recorded as revenue in the year of sale.

Fund Balance - Fund equity represented on the financial statements consists solely of Fund Balance, which is not further categorized with respect to reservations (portions of fund equity not available for appropriation for expenditure or legally segregated for a specific future use) or designations (plans for future use of financial resources).

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

BASIC FINANCIAL STATEMENTS

The GASB Codification also requires the financial statements of a governmental unit presented in the general purpose financial statements to be in accordance with GAAP. The City presents financial statements which are required by the Division and which differ from the financial statements required by GAAP. These financial statements are listed in the table of contents.

Comparative Data - Comparative data for the prior year has been presented in the accompanying balance sheets and statements of operations in order to provide an understanding of changes in the City's financial position and operations. Comparative data is not presented in all statements because their inclusion would make certain statements unduly complex and difficult to understand.

Reclassifications – Certain reclassifications have been made to the prior year financial statement presentation to correspond to the current year's format. These reclassifications had no effect on fund balance and changes in fund balance.

Reconciliation of Accounting Basis – As described throughout Note A, substantial differences exist between GAAP and the budgetary basis prescribed by the Division. Reconciliation between the two would not be meaningful or informative and therefore is not provided herein.

NOTE B. CASH AND CASH EQUIVALENTS

DEPOSITS

Cash and cash equivalents on deposit as of the years ended December 31, 2015 and 2014 are partially insured by the FDIC up to \$250,000 for each depository. Deposits in excess of FDIC limits, as noted below, are insured or collateralized by a collateral pool maintained by public depositories as required by GUDPA (see Note A - Cash and Investments) or are on deposit with the New Jersey Cash Management Fund or Municipal Investors Service Corporation.

Custodial Credit Risk - Custodial credit risk is the risk that, in the event of a bank failure, the City will not be able to recover deposits or collateral securities that are in the possession of an outside party. The City does not have a deposit policy for custodial credit risk.

CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

NOTE B. CASH AND CASH EQUIVALENTS (continued)

DEPOSITS (continued)

Custodial Credit Risk – continued

Deposits are exposed to custodial credit risk if they are not covered by depository insurance and the deposits are:

- a. Uncollateralized.
- b. Collateralized with securities held by the pledging financial institution.
- c. Collateralized with securities held by the pledging financial institution's trust department or agent but not in the City's name.

The City's deposits of cash and cash equivalents at December 31, 2015 and 2014 are summarized in the following table. As of December 31, 2015, 44% of the City's deposits were with one financial institution and 38% with another. The remaining 18% of deposits were distributed among seven financial institutions. As of December 31, 2014, 40% of the City's deposits were with one financial institution and 31% with another. The remaining 29% of deposits were distributed among seven financial institutions.

	At December 31,	
	2015	2014
FDIC Insured	\$ 2,075,057	\$ 1,843,438
GUDPA Insured	192,405,439	191,348,229
New Jersey Cash Management Fund	113,271	113,156
	<u>\$ 194,593,767</u>	<u>\$ 193,304,823</u>

Foreign Currency Risk - Foreign currency risk is the risk that changes in exchange rates will adversely affect deposits. None of the City's deposits as of December 31, 2015 and 2014 are known to be held in foreign currency.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE B. CASH AND CASH EQUIVALENTS (continued)

INVESTMENTS

New Jersey statutes permit the City to purchase the following types of securities when authorized by the cash management plan (described in note A):

- Bonds or other obligations of the United States of America or obligations guaranteed by the United States of America.
- Government money market mutual funds.
- Any obligation that a federal agency or a federal instrumentality has issued in accordance with an act of Congress, which security has a maturity date not greater than 397 days from the date of purchase, provided that such obligation bears a fixed rate of interest not dependent on any index or other external factor.
- Bonds or other obligations of the local unit or bonds or other obligations of school districts of which the local unit is a part or within which the school district is located.
- Bonds or other obligations having a maturity date not more than 397 days from the date of purchase, approved by the Division of Investment of the Department of the Treasury for investment by local units.
- Local government investment pools.
- Deposits with the State of New Jersey Cash Management Fund.
- Agreements for the repurchase of fully collateralized securities if (a) the underlying securities are permitted investments pursuant to the first and third bullets of this section, (b) the custody of collateral is transferred to a third party, (c) the maturity of the agreement is not more than 30 days, (d) the underlying securities are purchased through a public depository and (e) a master repurchase agreement providing for the custody and security of collateral is executed.

Custodial Credit Risk - In the case of investments, custodial credit risk is the risk that, in the event of failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities in the possession of an outside party. Investments are exposed to custodial credit risk if they are uninsured, are not registered in the City's name and are held by either the counterparty or its trust department or agent, but not in the City's name.

Foreign Currency Risk - Investments are also exposed to the same foreign currency risk as deposits. It is the risk that changes in exchange rates will adversely affect investments. The City does not have any investments denominated in foreign currency as of December 31, 2015 and 2014.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE B. CASH AND CASH EQUIVALENTS (continued)

INVESTMENTS (continued)

Interest Rate Risk – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk – Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The City does not have an investment policy regarding the management of credit risk.

Concentration of Credit Risk - The City places no formal limit on the amount it may invest in any one issuer. New Jersey Statutes limit municipal investments to those specified and summarily identified in the first paragraph of the “Investments” section of this Note. Currently, the City’s only investments consist of deposits in the New Jersey Cash Management Fund and MBIA Municipal Investors Service Corporation, which are both classified as Government Investment Pools.

The City’s investments at December 31, 2015 and 2014 are presented as follows:

Investment Type	Fair Value*	Investment Maturities (in Years)			
		< 1	1 - 5	6 - 10	> 10
At December 31, 2015:					
Government Investment Pools	\$ 113,271	\$ 113,271	\$ -	\$ -	\$ -
At December 31, 2014:					
Government Investment Pools	\$ 113,156	\$ 113,156	\$ -	\$ -	\$ -

* Short-term investments are carried at cost, which approximates fair value.

Government Investment Pools consists of investments in the New Jersey Cash Management Fund and MBIA Municipal Investors Service Corporation. Because of their liquidity, these investments are classified as cash and cash equivalents on the financial statements of the City.

These investments are described in more detail on the following page.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE B. CASH AND CASH EQUIVALENTS (continued)

INVESTMENTS (continued)

New Jersey Cash Management Fund - All investments in the New Jersey Cash Management Fund are governed by the regulations of the State Investment Council, which prescribe specific standards designed to insure the quality of investments and to minimize the risks related to investments. In addition to the Investment Council regulations, the Division of Investment sets further standards for specific investments and monitors the credit of all eligible securities issues on a regular basis. In all the years of the Division of Investment's existence, it has never suffered a default of principal or interest on any short-term security held by it due to the bankruptcy of a securities issuer; nevertheless, the possibility always exists, and for this reason a reserve is being accumulated in the New Jersey Cash Management Fund as additional protection for the other-than-State participants, which includes the City. The City does not own specific identifiable securities, but instead has a net realizable interest in the joint value of the fund. There is no available credit rating for the New Jersey Cash Management Fund. As of December 31, 2015 and 2014, the City had a balance of \$113,271 and \$113,156, respectively, in the New Jersey Cash Management Fund.

NOTE C. PROPERTY TAXES

PROPERTY TAX CALENDAR

Property tax revenues are collected in quarterly installments due February 1, May 1, August 1 and November 1. The City annually holds an accelerated tax sale which includes unpaid taxes, as well as assessments and other municipal charges, as of November 11 of the current year.

The amount of tax levied includes not only the amount required in support of the City's annual budget, but also the amounts required in support of the budget of the following entities:

County Taxes - The City is responsible for levying, collecting and remitting county taxes for the County of Hudson. Operations is charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. Monies are forwarded to the County quarterly. In addition, operations is charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10 of the current year, and due to be paid to the County by February 15 of the following year. As of December 31, 2015 and 2014, the City had County taxes payable of \$850,340 and \$2,160,316, respectively.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE C. PROPERTY TAXES (continued)

PROPERTY TAX CALENDAR (continued)

School Taxes - The City is responsible for levying, collecting and remitting school taxes for the local school district. Monies are forwarded to the school district monthly. Operations is charged for the full amount due to operate the local school district, and is based upon the annual County certification of apportionment of levies. As of December 31, 2015 and 2014, the City had no school taxes payable.

Special Improvement District - The City is responsible for levying, collecting and remitting Special Improvement District (SID) taxes for the Central Ave SID, Journal Square Restoration Corp. SID, Historic Downtown / Newark Ave SID, McGinley Square Partnership SID and the Jackson Hill Main Street SID. The SID taxes are derived from assessments made upon the members within the SID. Monies are forwarded to the SIDs monthly. As of December 31, 2015 and 2014, the City had on reserve for SIDs \$193,787 and \$234,067, respectively.

PROPERTY TAXES RECEIVABLE

Reserve for Uncollected Taxes - Reserve for Uncollected Taxes is a non-spending item of appropriation required by statute to be included in the City's annual budget. This appropriation protects the City from taxes not paid currently by providing assurance that cash collected in the current year will provide sufficient cash flow to meet obligations as they become due. The minimum amount required to be appropriated in the budget is determined on the percentage of collections experiences in the immediate preceding year, unless the three-year average option is chosen. For the years ended December 31, 2015 and 2014, the budgeted reserve for uncollected taxes was \$3,499,995 and \$1,846,737, respectively.

Delinquent Taxes and Tax Title Liens - As described in Note A, taxes receivable and tax title liens are realized as revenue when collected. Uncollected receivables are fully reserved, so no provision is made for the uncollectible portions of these taxes. As of December 31, 2015 and 2014, property taxes receivable were \$3,125,278 and \$3,660,742, respectively, and tax title liens receivable were \$659,482 and \$422,969, respectively.

Prepaid Taxes - Taxes collected in advance are recorded as cash liabilities in the financial statements. Prepaid taxes as of December 31, 2015 and 2014 were \$2,485,961 and \$2,061,721, respectively.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE C. PROPERTY TAXES (continued)

PROPERTY TAXES RECEIVABLE (continued)

Tax Overpayments - Overpaid taxes collected during the year and due to taxpayers either as a refund or tax credit are recorded as cash liabilities in the financial statements. Tax overpayments as of December 31, 2015 and 2014 were \$3,139,995 and \$5,249,320, respectively.

Property Acquired by Tax Title Lien Liquidation – The City held its annual accelerated tax sale on December 18, 2014. The value of properties acquired by tax title liens at December 31, 2015 and 2014 were \$1,680,900 and \$1,455,500, respectively.

When such property is sold in the manner provided by statute and sales contracts are entered into in lieu of cash sales, a separate account must be maintained for “Sales Contracts Receivable – Property Acquired for Taxes”. The value of such receivables at December 31, 2015 and 2014 were \$430,550 and \$285,550, respectively.

NOTE D. MUNICIPAL DEBT

SUMMARY OF MUNICIPAL DEBT

The Local Bond Law governs the issuance of bonds to finance general municipal and utility capital expenditures. Most bonds are retired in serial installments within the statutory period of usefulness. Other bonds may be term bonds with sinking fund requirements. Bonds issued by the City are general obligation bonds, backed by the full faith and credit of the City. Bond Anticipation Notes, which are issued to temporarily finance capital projects, must be paid off within ten years or retired by the issuance of bonds.

School Debt (Included as Obligations of the City) – In the general election of November 4, 2008, the Jersey City Board of Education was voted to become a Type II School District. As such, statutes require bonds and notes issued and authorized by the Board of Education to be included in the City’s statutory gross debt, but are not obligations of the City. Only the amount of school district debt exceeding the school district’s debt limit, if any, is included in the net debt of the City.

However, prior to the general election of November 4, 2008, including its time as a State-Operated School District from October 4, 1989 through April 17, 2008, the Jersey City Board of Education operated as a Type I school district. Therefore any bonds and notes issued and authorized by the Board of Education prior to November 4, 2008, and still outstanding as of December 31, 2015 and 2014, remain general obligations of the City.

(1) New issues and retirements are shown net of amounts refunded, which are described more fully as follows.

Debt Refunding

On November 25, 2015, the City issued General Obligation Refunding Bonds, Series 2015, in the amount of \$22,890,000, consisting of:

- \$13,060,000 General Improvement Refunding Bonds, Series 2015A, the proceeds of which refunded \$13,217,000 of the remaining principal balance of \$16,322,000 of the Qualified General Improvement Bonds, Series 2007 issued on December 7, 2007 in the original amount of \$26,242,000.
- \$9,830,000 School Refunding Bonds, Series 2015B, the proceeds of which refunded \$10,170,000 of the remaining principal balance of \$11,770,000 of the Qualified Public Improvement Refunding Bonds, Series 2007A issued on February 3, 2007 in the original amount of \$17,050,000.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE D. MUNICIPAL DEBT (continued)

SUMMARY OF MUNICIPAL DEBT (continued)

Debt Refunding (continued)

On November 20, 2014, the City issued refunding bonds in the amount of \$71,135,000, consisting of:

- \$16,590,000 Qualified General Obligation Refunding Bonds, Series 2014A, the proceeds of which refunded \$17,068,000 of the remaining principal balance of \$21,083,000 of the Qualified General Improvement Bonds, Series 2006A issued on November 2, 2006 in the original amount of \$32,163,000.
- \$29,945,000 Taxable Qualified Public Improvement Refunding Bonds, Series 2014B, the proceeds of which refunded the remaining principal balance of \$27,155,000 of the Qualified Public Improvement Refunding Bonds, Series 2006A issued on March 30, 2006 in the original amount of \$27,155,000. The additional \$2,790,000 of new principal was used to pay the full redemption price and interest on the bonds, costs of issuance and underwriters' discount.
- \$1,990,000 Qualified Water Improvement Refunding Bonds, Series 2014A, the proceeds of which refunded \$2,005,000 of the remaining principal balance of \$2,700,000 of the Qualified Water Improvement Bonds, Series 2006B issued on November 2, 2006 in the original amount of \$5,000,000.
- \$22,610,000 Taxable Qualified School Refunding Bonds, Series 2014B, the proceeds of which refunded the remaining principal balance of \$22,755,000 of the Qualified School Refunding Bonds, Series 2005C issued on June 16, 2005 in the original amount of \$33,100,000.

The City also renewed or refunded Tax Refunding Notes, Bond Anticipation Notes and Special Emergency Notes. Proceeds of the renewed or refunded notes were used to pay the principal of the maturing notes less statutory minimum payments appropriated through the Current Fund budget. Tax Refunding Notes, Bond Anticipation Notes and Special Emergency Notes are more fully discussed herein.

CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

NOTE D. MUNICIPAL DEBT (continued)

SUMMARY OF MUNICIPAL DEBT (continued)

Qualified Bonds

Certain bonds of the City are issued pursuant to the Municipal Qualified Bond Act. Under this act, portions of State Aid revenues are withheld by the State of New Jersey and forwarded directly to paying agents for principal and interest payments of such bonds. The City is responsible to certify maturity schedules of the qualified bonds to the State. Qualified bonds are identified within each of bond schedules that follow. During the years ended December 31, 2015 and 2014, the State of New Jersey paid \$46,585,295 and \$45,189,790, respectively, of qualified bond interest and principal maturities on behalf of the City in lieu of direct State Aid payments to the City.

BONDS PAYABLE

General Serial and Term Bonds Payable

The City has outstanding at December 31, 2015 and 2014 various general serial and term bonds. The following table, which includes fiscal year adjustment bonds in addition to the general improvement bonds, is a summary of the activity for such debt during the year ended December 31, 2015 and the short term liability for each bond outstanding at year end:

2015 Summary of General Serial Bonds Activity					
Description	Balance Dec. 31, 2014	Increase	Decrease	Balance Dec. 31, 2015	Due by Dec. 31, 2016
General Qualified Refunding Bonds Issued 12/01/2002 for \$38,020,000 Maturing annually from 2002 to 2016 Bearing interest rates of 5-5.25%	\$ 5,620,000	\$ -	\$ 2,755,000	\$ 2,865,000	\$ 2,865,000

NOTES PAYABLE

Bond Anticipation Notes

The City issues bond anticipation notes to temporarily fund various capital projects prior to the issuance of serial bonds. The term of the notes cannot exceed one year, but the notes may be renewed from time to time for a period not exceeding one year. Generally, such notes may be paid no later than the close of the tenth fiscal year next following the date of the original notes.

The Division also prescribes that notes cannot be renewed past the third anniversary date of the original note unless an amount equal to at least the first legally required installment is paid prior to each anniversary date.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE D. MUNICIPAL DEBT (continued)

NOTES PAYABLE (continued)

Bond Anticipation Notes (continued)

Landfill and Streetscape – On January 20, 2010, the City issued Bond Anticipation Notes in the amount of \$11,176,000 to fund two separate authorizations: the acquisition of the PJP Landfill for \$8,700,000 and the Newark Ave Streetscape for \$2,476,000, as authorized by Ordinance No. 09-127.

Sixth Street Embankment – On August 31, 2010, the City issued Bond Anticipation Notes in the amount of \$7,500,000 to fund costs to obtain the property known as the Sixth Street in accordance with a legal settlement of January, 2010, as authorized by Ordinance No. 10-085.

Hurricane Sandy Recovery – On December 12, 2013, the City issued Bond Anticipation Notes in the amount of \$10,000,000 to fund costs associated with efforts to recover, repair or replace streets, roads and other public property lost or damaged in Hurricane Sandy, as authorized by Ordinance No. 13.031.

Greene Street Improvements – On December 11, 2015, the City issued Bond Anticipation Notes in the amount of \$11,821,159 to fund costs associated with the undertaking of various public improvements to Greene Street as authorized by Ordinance No. 01-057.

Tax Refunding Notes

The City issues tax refunding notes in order to finance tax refunds arising from successful appeals by property owners. Taxpayers are obligated to pay taxes owed to the City as they become due, or have their property subject to tax sale. However, taxpayers may appeal their property assessments and, if successful, be granted a refund, often in a year subsequent to when the taxes were paid. The Division has allowed the City to issue notes to finance such refunds. The tax refunding notes are one year notes, renewable annually for five to seven years.

NOTE D. MUNICIPAL DEBT (continued)

NOTES PAYABLE (continued)

Special Emergency Notes

Statutes allow the City to adopt ordinances authorizing special emergency appropriations for the carrying out of certain specific purposes, including the revaluation of real property and contractually required severance liabilities resulting from the layoff or retirement of employees. Statutes further provide for the borrowing of money and the issuance of Special Emergency Notes to finance such special emergency appropriations, which may be renewed from time to time, but at least 1/5 of all such notes, and the renewals thereof, shall mature and be paid in each year, so that all notes and renewals shall have matured and have been paid not later than the last day of the fifth year following the date of the emergency resolution.

The following is a schedule of special emergency note activity for the year ended December 31, 2015.

DECEMBER 31, 2015 AND 2014

NOTE D. MUNICIPAL DEBT (continued)

SUMMARY OF STATUTORY DEBT CONDITION - ANNUAL DEBT STATEMENT

The summarized statement of debt condition which follows is prepared in accordance with the required method of setting up the Annual Debt Statement.

At December 31, 2015: Net Debt of \$450,701,445 divided by Equalized Valuation Basis per N.J.S.A. 40A:2-2 as amended, \$19,967,470,207 = 2.26%.

	Gross Debt	Deductions	Net Debt
Local School District Debt	\$ 43,775,245	\$ 43,775,245	\$ -
General Debt	731,114,568	280,413,123	450,701,445
	<u>\$ 774,889,813</u>	<u>\$ 324,188,368</u>	<u>\$ 450,701,445</u>

At December 31, 2014: Net Debt of \$483,983,848 divided by Equalized Valuation Basis per N.J.S.A. 40A:2-2 as amended, \$18,647,777,424 = 2.60%.

	Gross Debt	Deductions	Net Debt
Local School District Debt	\$ 53,346,027	\$ 53,346,027	\$ -
General Debt	793,391,753	309,407,905	483,983,848
	<u>\$ 846,737,780</u>	<u>\$ 362,753,932</u>	<u>\$ 483,983,848</u>

Equalized valuation basis is the average of the equalized valuations of real estate, including improvements, and the assessed valuation of class II Railroad Property of the County for the last 3 preceding years.

BORROWING POWER UNDER N.J.S.A. 40A:2-6 AS AMENDED

	At December 31,	
	2015	2014
Three-Year Average Equalized Valuation	\$ 19,967,470,207	\$ 18,647,777,424
3 1/2 % of Equalized Valuation Basis	698,861,457	652,672,210
Net Debt	450,701,445	483,983,848
Excess Borrowing Power	<u>\$ 248,160,012</u>	<u>\$ 168,688,362</u>

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE D. MUNICIPAL DEBT (continued)

CITY-GUARANTEE OF OTHER PUBLIC BODY DEBT

The City has adopted various ordinances over the years guaranteeing the payment of principal and interest on debt issues of the Jersey City Municipal Utilities Authority (MUA), for the purpose of providing additional security therefor. The amount of debt guaranteed by the City on behalf of the MUA as of December 31, 2015 and 2014 was \$199,163,381 and \$208,862,507, respectively.

NOTE E. FUND BALANCES APPROPRIATED

Fund balance of the City consists of cash surplus and non-cash surplus. The City can anticipate fund balance to support its budget of the succeeding year, however, the use of non-cash surplus is subject to the prior written consent of the Division. Fund balances at December 31, 2015 and 2014 which were appropriated and included as anticipated revenue in the current fund budget of the succeeding year were as follows:

	<u>Fund Balance Dec. 31, 2014</u>	<u>Utilized in 2015 Budget</u>	<u>Fund Balance Dec. 31, 2015</u>	<u>Utilized in 2016 Budget</u>
Current Fund	\$ 56,132,966	\$ 25,722,750	\$ 50,705,610	\$ 20,745,651
Capital Fund	3,656,256	-	3,431,247	-

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION

Substantially all City employees participate in the Consolidated Police and Fireman's Pension Fund (CPFPPF), Public Employees Retirement System (PERS), Police and Fireman's Retirement System of New Jersey (PFRS) or the Defined Contribution Retirement Program (DCRP), all of which are multiple employer plans sponsored and administered by the State of New Jersey, with the exception of the CPFPPF, which is a single employer plan. The CPFPPF, PERS and PFRS are cost sharing contributory defined benefit public employee retirement systems. The DCRP is a defined contribution plan.

In addition, certain employees participate in the Employees' Retirement System of the City of Jersey City (JCERS) and the City's Deferred Compensation Plan.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – CPFPPF

The Consolidated Police and Fireman's Pension Fund (CPFPPF) is a single employer contributory defined benefit plan which was established on January 1, 1952, under the provisions of N.J.S.A. 43:16 to provide retirement, death and disability benefits to county and municipal police and firemen who were appointed prior to July 1, 1944. The fund is a closed system with no active member and therefore no base payroll. The City currently only makes contributions for its retirees who are enrolled in this pension fund. During the years ended December 31, 2015, 2014 and 2013, the City contributed \$46,592, \$46,542 and \$107,170, respectively.

STATE-MANAGED PENSION PLANS – PERS

Plan Description and Eligibility

The PERS was established in January, 1955 under provisions of N.J.S.A. 43:15A and provides retirement, death, disability and post-retirement medical benefits to certain qualifying Plan members and beneficiaries. Membership is mandatory to substantially all full time employees and vesting occurs after 8 to 10 years of service for pension benefits. Significant modifications to enrollment, benefits and eligibility for benefits under the plan were made in 2007, 2008, 2010 and 2011. These changes resulted in various “tiers” which distinguish period of eligibility for enrollment. The delineation of these tiers is as follows:

- Tier 1: Employees enrolled before July 1, 2007.
- Tier 2: Employees eligible for enrollment after June 30, 2007 but before November 2, 2008.
- Tier 3: Employees eligible for enrollment after November 1, 2008 but before May 22, 2010.
- Tier 4: Employees eligible for enrollment after May 21, 2010 but before June 28, 2011.
- Tier 5: Employees eligible for enrollment after June 27, 2011.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – PERS (continued)

Tier 1 and 2 employees must earn a base salary of \$1,500 or more to enroll in the plan. Pensionable salaries are limited to the IRS maximum salary compensation limits for Tier 1 employees and social security maximum wage for Tier 2 employees. Tier 2 employees earning over the social security maximum wage are eligible to participate in DCRP for the excess amount. Tier 3 employees must earn a base salary that is annually adjusted. For the fiscal year ended December 31, 2015 and 2014 this base salary amount was \$8,200 and \$8,100, respectively. Employees earning between \$5,000 and the Tier 3 minimum base salary are eligible for participation in DCRP. Pensionable salaries are limited to the social security maximum wage. Employees earning over the social security maximum wage are eligible to participate in DCRP for the excess amount. Tier 4 and 5 employees do not have a minimum salary requirement to enroll, but must work a minimum of 32 hours per week. Employees not meeting the minimum hour requirement but that make over \$5,000 are eligible to enroll in DCRP. Pensionable salaries are limited to the social security maximum wage. Employees earning over the social security maximum wage are eligible to participate in DCRP for the excess amount.

Plan Benefits

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 64. Early retirement benefits are available to tiers 1 and 2 members before reaching age 60, tiers 3 and 4 before age 62 and tier 5 with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the retirement age of their respective tier. Deferred retirement is available to members who have at least 10 years of service credit and have not reached the service retirement age for the respective tier.

Each of the 5 Tiers have eligibility requirements and benefit calculations which vary for deferred retirements, early retirements, veteran retirements, ordinary disability retirements and accidental disability retirements. There is no minimum service requirement to receive these pension benefits. State-paid insurance coverage may be obtained after 25 years of service for employees in Tiers 1 through 4 and 30 years of service for Tier 5 employees.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – PERS (continued)

Contributions and Liability

The contribution policy for PERS is set by N.J.S.A. 43:15A and requires contributions by active members and their employers. Such contributions may be amended by State legislation. Employers' contribution amounts are based on an actuarially determined rate. The annual employer contributions include funding for basic retirement allowances and non-contributory death benefits. The employee contributions include funding for basic retirement allowances and contributory death benefits. Contributions made by the City and its employees for the previous three years are as follows:

Year Ended December 31,	City Contribution		Base Wages Subject to Contributions	Employee Contributions	
	Amount Paid or Charged	As a Percentage of Base Wages		As a Percentage of Base Wages	Amount Contributed
2015	\$ 2,767,056	14.6%	\$ 19,018,935	7.06% (1)	\$ 1,330,083
2014	2,147,151	12.9%	16,648,901	6.92% (1)	1,140,521
2013	2,473,583	15.3%	16,165,521	6.78% (1)	1,086,804

(1) The rate noted took effect on July 1.

The net pension liability was measured as of June 30, 2015 and 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportion of the net pension liability was based on a projection of the City's long-term share of contributions to the pension plan relative to the projected contributions of all participating entities, actuarially determined. At June 30, 2015 and 2014, the City's net pension liability for PERS, including the City's proportionate share, was as follows:

Year Ended June 30,	Proportionate Share		Net Pension Liability
	Rate	Change	
2015	0.23997%	0.00145%	\$ 53,867,949
2014	0.23851%	0.00335%	44,656,726

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – PERS (continued)

Sensitivity of the City's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the City's proportionate share of the net pension liability of the as of June 30, 2015 and 2014, calculated using the discount rate as disclosed above as well as what the collective net pension liability would be if it was calculated using a discount rate that is 1% lower or 1% higher than the current rate:

At:	2015		2014	
	Rate	Amount	Rate	Amount
1% Decrease	3.90%	\$ 66,951,270	4.39%	\$ 56,179,116
Current Discount Rate	4.90%	53,867,949	5.39%	44,656,276
1% Increase	5.90%	42,898,988	6.39%	34,980,023

Actuarial Assumptions

The total pension liability for the June 30, 2015 and June 30, 2014 measurement dates were determined by actuarial valuations as of July 1, 2014 and 2013, respectively, which were rolled forward to June 30, 2015 and 2014, respectively. The total pension liability for the June 30, 2013 measurement date was determined by an actuarial valuation as of July 1, 2013. These actuarial valuations used the following actuarial assumptions, applied to all periods in the measurement:

	For Measurement Date of:	
	June 30, 2015	June 30, 2014
Inflation Rate	3.04%	3.01%
Salary Increases:		
2012-2021	2.15-4.40%	2.15-4.40%
	based on age	based on age
Thereafter	3.15-5.40%	3.15-5.40%
	based on age	based on age
Investment Rate of Return	7.90%	7.90%

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – PERS (continued)

Actuarial Assumptions (continued)

Mortality - For the June 30, 2015 Measurement Date, mortality rates were based on the RP-2000 Combined Healthy Male and Female Mortality Tables (setback 1 year for males and females) for service retirement and beneficiaries of former members with adjustments for mortality improvements from the base year of 2012 based on Projection Scale AA. The RP-2000 Disabled Mortality Tables (setback 3 years for males and setback 1 year for females) are used to value disabled retirees. The actuarial assumptions used in the July 1, 2014 valuation were based on the results of an actuarial experience study for the period July 1, 2008 to June 30, 2011. It is likely that future experience will not exactly conform to these assumptions. To the extent that actual experience deviates from these assumptions, the emerging liabilities may be higher or lower than anticipated. The more the experience deviates, the larger the impact on future financial statements will be.

For the June 30, 2014 Measurement Date, mortality rates were based on the RP-2000 Combined Healthy Male and Female Mortality Tables (setback 1 year for females) with adjustments for mortality improvements from the base year of 2012 based on Projection Scale AA. The actuarial assumptions used in the July 1, 2013 valuation were based on the results of an actuarial experience study for the period July 1, 2008 to June 30, 2011.

Long-Term Expected Rate of Return - In accordance with State statute, the long-term expected rate of return on plan investments (7.90% at June 30, 2015 and 2014) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic rates of return for each major asset class included in PERS target asset allocations as of June 30, 2015 and 2014 are summarized in the following table:

REIT	4.25%	*	5.12%	*
Core Bonds	*	1.00%	*	2.49%
Intermediate-Term Bonds	*	11.20%	*	2.26%

Discount Rate - The discount rate used to measure the total pension liability was 4.90% and 5.39% as of June 30, 2015 and 2014, respectively. This single blend discount rate was based on the long-term expected rate of return on pension plan investments of 7.9%, and a municipal bond rate of 3.80% and 4.29% as of June 30, 2015 and 2014, respectively, based on the Bond Buyer Go 20-Bond Municipal Bond Index which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be made based on the average of the last five years of contributions made in relation to the last five years of actuarially determined contributions.

Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through 2033. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments through 2033, and the municipal bond rate was applied to projected benefit payments after that date in determining the total pension liability.

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – PFRS

Plan Description and Eligibility

The PFRS was established in July, 1944, under the provisions of N.J.S.A. 43:16A to provide coverage to substantially all full time county and municipal police or firefighters and state police appointed after June 30, 1944. Membership is mandatory for such employees with vesting occurring after 10 years of membership. Significant modifications to enrollment, benefits and eligibility for benefits under the plan were made in 2010 and 2011. These changes resulted in various “tiers” which distinguish period of eligibility for enrollment. The delineation of these tiers is noted as follows:

- Tier 1: Employees enrolled before May 22, 2010.
- Tier 2: Employees enrolled after May 21, 2010 but before June 29, 2011.
- Tier 3: Employees enrolled after June 28, 2011.

There is no minimum salary requirement to enroll, regardless of tier. Pensionable salaries are limited to the social security maximum wage for Tier 2 and 3 employees and federal pensionable maximum for Tier 1 employees. Employees earning over the social security maximum wage are eligible to participate in DCRP for the excess amount.

Plan Benefits

Service retirement benefits are available at age 55 and are generally determined to be 2% of final compensation for each year of creditable service, as defined, up to 30 years plus 1% for each year of service in excess of 30 years. Members may seek special retirement after achieving 25 years of creditable service, in which benefits would equal 65% (tiers 1 and 2 members) and 60% (tier 3 members) of final compensation plus 1% for each year of creditable service over 25 years but not to exceed 30 years. Members may elect deferred retirement benefits after achieving ten years of service, in which case benefits would begin at age 55 equal to 2% of final compensation for each year of service.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – PFRS (continued)

Contributions and Liability

The contribution policy for PFRS is set by N.J.S.A. 43:16A and requires contributions by active members and their employers. Such contributions may be amended by State legislation. Employers' contribution amounts are based on an actuarially determined rate which includes the normal cost and unfunded accrued liability. The annual employer contributions include funding for basic retirement allowances and non-contributory death benefits. The employee contributions include funding for basic retirement allowances and contributory death benefits. Contributions made by the City and its employees for the previous three years are as follows:

Under N.J.S.A. 43:16A-15, local participating employers are responsible for their own contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State if certain circumstances occurred. The legislation which legally obligates the State is as follows: Chapter 8, P.L. 2000, Chapter 318, P.L. 2001, Chapter 86, P.L. 2001, Chapter 511, P.L. 1991, Chapter 109, P.L. 1979, Chapter 247, P.L. 1993 and Chapter 201, P.L. 2001.

Year Ended December 31,	City Contribution		Base Wages Subject to Contributions	Employee Contributions	
	Amount Paid or Charged	As a Percentage of Base Wages		As a Percentage of Base Wages	Amount Contributed
2015	\$ 34,790,479	24.4%	\$ 142,418,958	10.00%	\$ 14,241,896
2014	33,817,251	24.3%	139,132,920	10.00%	13,913,164
2013	34,982,452	25.9%	134,886,784	10.00%	13,487,904

The amounts contributed on behalf of the City under this legislation are considered to be a special funding situation. As such, the State is treated as a non-employer contributing entity. Since the City does not contribute under this legislation directly to the plan (except for employer specified financed amounts), there is no net pension liability to report in the financial statements of the City related to this legislation. However, the notes to the financial statements of the City must disclose the portion of the State's total proportionate share of the collective net pension liability that is associated with the City.

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – PFRS (continued)

Actuarial Assumptions

The total pension liability for the June 30, 2015 and June 30, 2014 measurement dates were determined by actuarial valuations as of July 1, 2014 and 2013, respectively, which were rolled forward to June 30, 2015 and 2014, respectively. The total pension liability for the June 30, 2013 measurement date was determined by an actuarial valuation as of July 1, 2013. These actuarial valuations used the following actuarial assumptions:

	For Measurement Date of:	
	June 30, 2015	June 30, 2014
Inflation Rate	3.04%	3.01%
Salary Increases:		
2012-2021	2.60-9.48%	3.95-8.62%
	based on age	based on age
Thereafter	3.60-10.48%	4.95-9.62%
	based on age	based on age
Investment Rate of Return	7.90%	7.90%

Mortality - For the June 30, 2015 Measurement Date, mortality rates were based on the RP-2000 Combined Healthy Mortality Tables projected one year using Projection Scale BB for male service retirements with adjustments for mortality improvements from the base year based on Projection Scale BB. Mortality rates were based on the RP-2000 Combined Healthy Mortality Tables projected fourteen years using Projection Scale BB for female service retirements and beneficiaries with adjustments for mortality improvements from the base year 2014 based on Projection Scale BB. The actuarial assumptions used in the July 1, 2014 valuation were based on the results of an actuarial experience study for the period July 1, 2010 to June 30, 2013.

For the June 30, 2014 Measurement Date, mortality rates were based on the RP-2000 Combined Healthy Male and Female Mortality Tables with adjustments for mortality improvements from the base year of 2011 based on Projection Scale AA. The actuarial assumptions used in the July 1, 2013 valuation were based on the results of an actuarial experience study for the period July 1, 2007 to June 30, 2010.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS – PFRS (continued)

Actuarial Assumptions (continued)

Long-Term Expected Rate of Return - In accordance with State statute, the long-term expected rate of return on plan investments (7.90% at June 30, 2015 and 2014) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Discount Rate - The discount rate used to measure the total pension liability was 5.79% and 6.32% as of June 30, 2015 and 2014, respectively. This single blend discount rate was based on the long-term expected rate of return on pension plan investments of 7.9%, and a municipal bond rate of 3.80% and 4.29% as of June 30, 2015 and 2014, respectively, based on the Bond Buyer Go 20-Bond Municipal Bond Index which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be made based on the average of the last five years of contributions made in relation to the last five years of actuarially determined contributions. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through 2045. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments through 2045, and the municipal bond rate was applied to projected benefit payments after that date in determining the total pension liability.

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

STATE-MANAGED PENSION PLANS - GENERAL

The State established and administers a Supplemental Annuity Collective Trust Fund (SACT) which is available to active members of several State-administered retirement systems to purchase annuities to supplement the guaranteed benefits provided by their retirement system. The State or local government employers do not appropriate funds to SACT.

The State also administers the Pension Adjustment Fund (PAF) which provides cost of living increases, equal to 60 percent of the change in the average consumer price index, to eligible retirees in all State-sponsored pension systems except SACT. The cost of living increases for PFRS and PERS are funded directly by each of the respective systems and are considered in the annual actuarial calculation of the required State contribution for that system.

According to state statutes, all obligations of PERS and PFRS will be assumed by the State of New Jersey should the PERS and PFRS be terminated.

The State of New Jersey issues publicly available financial reports that include the financial statements and required supplementary information of the PERS and PFRS. This report may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey 08625-0295.

PERS and PFRS Fiduciary Net Position

Detailed information about the pension plans' fiduciary net position are available in the separately issued financial reports. These reports may be accessed via the New Jersey Division of Pension and Benefits website at www.state.nj.us/treasury/pensions.

STATE-MANAGED PENSION PLANS – PENSION DEFERRAL

Legislation, known as Chapter 19 of the Public Laws of 2009 (P.L. 2009, c. 19), was enacted and effective on March 17, 2009 allowing for an adjustment in the contributions that local employers, such as the City, must make to the PERS and PFRS during the year ended June 30, 2009. Under this legislation, local governments were given the option to defer exactly 50% of their required pension contribution as certified by the State of New Jersey, Department of the Treasury, Division of Pensions and Benefits or pay the full amount of the required contribution for the year ended June 30, 2009.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

The City elected the 50% deferral, totaling \$14,826,590, consisting of \$14,129,001 for PFRS and \$697,589 for PERS. Under the terms of the pension deferral, the City is obligated to repay the entire deferral in 15 amortized annual installments starting April 1, 2012 and ending April 1, 2026. These payments will be added to the regular pension bills. The amount of the deferral paid during the years ended December 31, 2015 and 2014, as well as the short term liability of the deferral, are as follows:

	Combined Interest and Principal		
	Paid During Year Ended June 30,		Due April 1,
	2014	2015	2016
PERS	\$ 104,020	\$ 106,411	\$ 107,071
PFRS	2,079,520	2,120,956	2,127,246
Total	<u>\$ 2,183,540</u>	<u>\$ 2,227,367</u>	<u>\$ 2,234,317</u>

DEFINED CONTRIBUTION RETIREMENT PROGRAM

The DCRP was established under the provisions of P.L. 2007, Chapters 92 and 103 and expanded under the provisions of Chapter 89, P.L. 2008 and Chapter 1, P.L. 2010. It provides eligible members with a tax-sheltered, defined contribution retirement benefit, along with life insurance and disability coverage.

Individuals eligible for membership in the DCRP include (a) state or local officials elected or appointed to new office on or after July 1, 2007, (b) employees enrolled in PERS on or after July 1, 2007 or PFRS after May 21, 2010 who earn salary in excess of established maximum compensation limit and (c) employees otherwise eligible for PERS on or after November 2, 2008 or PFRS after May 21, 2010 that earn below the minimum PERS or PFRS salary but more than \$5,000 annually.

Vesting occurs upon commencement of the third year of membership. Should the vesting period not be reached, contributions will be refunded to the appropriate contributing parties. Employer matching contributions and earnings are only available after the age of 55. Distributions render the member retired and ineligible for future participation in any State-administered plans. Otherwise, distributions are available at any time as lump sum, fixed term or life annuity.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

DEFINED CONTRIBUTION RETIREMENT PROGRAM (continued)

Members are covered by employer-paid life insurance in the amount of 1 ½ times the annual base salary on which DCRP contributions were based. Members are also eligible for employer-paid long-term disability coverage after one year of participation. Eligibility occurs after six consecutive months of total disability. Members would receive a regular monthly income benefit up to 60% of the base salary on which DCRP contributions were based during the 12 months preceding the onset of the disability, offset by any other periodic benefit the member may be receiving. Benefits will be paid until the age of 70 so long as the member remains disabled and has not begun receiving retirement annuity payments. The following table represents the City and employee contributions during the previous three years:

Year Ended Dec. 31,	Employee Contributions		City Contributions	
	Amount	As a Percentage of Base Payroll	Amount	As a Percentage of Base Payroll
2015	\$ 72,582	5.50%	\$ 39,590	3.00%
2014	52,465	5.50%	28,617	3.00%
2013	17,144	5.50%	9,351	3.00%

EMPLOYEES' RETIREMENT SYSTEM OF JERSEY CITY

The Employees' Retirement System of Jersey City (JCERS) became effective February 22, 1965, under N.J.S.A. 43:13-22.50, et seq. Legislation was approved amending the JCERS on May 9, 1990, effective June 1, 1990 and August 19, 1996 to revise the retirement and survivorship benefits payable to retirees and beneficiaries. Legislation in 2003 (Chapter 167, P.L. 2003) increased retirement allowances to 100% of CPI increases, replacing the previous 60%. Finally, Chapter 247, P.L. 2005 decreased the early retirement factor from 2/12 of 1% to 1/12 of 1% per month for retirees prior to the age of 60. The following plan description reflects these amendments. Under Chapter 282, P.L. 2013, legislation amends Section 43:13-22.73 to decrease retirants' Cost of Living Adjustments from 100% to 50% of the percentum of change in the Department of Labor's Consumer Price Index, which is assumed to increase at 3% per year.

Plan Members - The number of plan members at January 1, 2016 was as follows:

Retired Members and Eligibles Survivors	346
Inactive Members Entitled to But Not Yet Receiving Benefits	19
Active Members	754
	<u>1,119</u>

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

EMPLOYEES' RETIREMENT SYSTEM OF JERSEY CITY

Plan Description - The Plan is a single employer defined benefit pension plan covering certain employees of the City. Employees who were members of the former pension system (other than police, fire and Board of Education employees) hired after February 22, 1965, and under age 40 at the date of employment must become members of the Plan. In addition, temporary employees hired after October 7, 1984, with one year's continuous service, and under age 40 at the date of employment, must also become members of the Plan. Employees of the City who are not eligible to become members of the Plan are covered under the Public Employees' Retirement System which is managed by the State of New Jersey.

The activities of the JCERS are administered by a Pension Commission, which consists of the Mayor, Chief Financial Officer, two elected employee representatives, and one appointed citizen member. UBS and Trust Company of the West are designated custodians of the Plan's investments.

The JCERS has an actuarial valuation performed bi-annually as required by GASB. The most recent actuarial valuation shows the financial condition of the JCERS as of January 1, 2016 and gives a basis for determining the contributions payable by the City.

The JCERS issues publicly available financial reports that include the financial statements and required supplementary information of the system. The financial report may be obtained by writing to the City Clerk, City of Jersey City, 280 Grove Street, Jersey City, NJ 07302.

Funding Policy - The JCERS is supported by joint contributions of its members and of the City.

Each member, on the effective date of the system, is required to contribute 6% to 8.5% of gross payroll. The contribution percentage varies with the member's age at the time of appointment. Each active member, who became a member after the effective date of the Plan, is required to contribute from 6.2% to 10.15% of their salary. The contribution percentage varies with the member's age on the date of entry to the Plan.

Although it has not expressed any intention to do so, the City has the right to discontinue its contributions to the JCERS at any time and to terminate the JCERS subject to legislation. The City's contribution to the JCERS for the years ended December 31, 2015 and 2014 was \$7,782,323 and \$7,483,003, respectively.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

EMPLOYEES' RETIREMENT SYSTEM OF JERSEY CITY (continued)

Pension Benefits - For the purpose of this section "final salary" for benefit purposes is to be defined as the average annual salary during the member's final 3 years of service or for any 3 fiscal years of membership providing the largest possible benefit to the member or beneficiary. Final Salary for employees hired after January 17, 2014 is changed to be the average annual compensation for any five fiscal years of membership providing the largest benefit.

Pension benefits partially vest after 10 years of credited service. If a member has completed 10 years of credited service, and is separated from service either voluntarily or involuntarily, prior to age 60 (65 for employees hired after January 17, 2014), the member may elect to receive a lump- sum distribution of their own contributions, or to receive a deferred pension commencing at age 60 (65 for employees hired after January 17, 2014). The deferred pension is equal to 50% of the member's final salary multiplied by the ratio of years of credited service to years of credited service which would have been attained had the member continued to age 60 (65 for employees hired after January 17, 2014). The minimum annual pension is \$3,600.

On August 19, 1996, the Plan was amended. Participants are eligible to receive normal retirement benefits upon completion of 20 years (25 years for employees hired after January 17, 2014) of service and attainment of age 60 (age 65 for employees hired after January 17, 2014). Benefits under the Plan are calculated on the basis of 55% of final salary, plus 1% of the final salary for each year in excess of 20 (25 years for employees hired after January 17, 2014) years.

Participants are eligible for retirement benefits upon attaining age 60 (65 for employees hired after January 17, 2014) with less than 20 (25 years for employees hired after January 17, 2014) years of service. Benefits under the Plan are calculated on the basis of 2% of the retirant's final salary for each year of creditable service.

For members electing early retirement, prior to age 60 (65 for employees hired after January 17, 2014), with 25 (30 years for employees hired after January 17, 2014) years of credited service, benefits under the Plan equal 55% of final salary reduced by 1/12 of 1% for each month that the member is less than age 60 (3/12 of 1% for each month that the member is less than age 65 for employees hired after January 17, 2014).

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

EMPLOYEES' RETIREMENT SYSTEM OF JERSEY CITY (continued)

Disability and Death Benefits - Any member who has 5 or more years of creditable service and has become permanently disabled may retire on a disability pension computed on the basis of 50% of their final salary plus 1% for each year of creditable service in excess of 20 years. Any member who becomes permanently disabled as a result of the performance of their regular duties during employment may retire on a disability pension. The pension is equal to two-thirds of final salary.

In the event of the member's death, there is a survivorship benefit to the member's surviving spouse of 50% of the member's final salary provided the member was employed by the City for a period of five years. In the case of no surviving spouse, other dependents receive a benefit to a lesser extent. Death of a retirant will result in the surviving spouse, minor children or dependent parents, receiving a survivorship benefit equal to 50% of the retirant's pension at retirement, not less than \$3,600.

Net Pension Liability - The components of the net pension liability as of December 31, 2015 and 2014 are as follows:

	As of December 31,	
	2015	2014
Total Pension Liability	\$ 209,666,894	\$ 197,876,479
Plan Fiduciary Net Position	99,943,789	102,334,776
City's Net Pension Liability	<u>\$ 109,723,105</u>	<u>\$ 95,541,703</u>
Plan's Fiduciary Net Position as a Percentage of the Total Pension Liability	47.7%	51.7%

Sensitivity of the Net Pension Liability to Changes in the Discount Rate - The following presents the net pension liability, calculated using the discount rate of 8.25%, as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (7.25%) or 1- percentage-point higher (9.25%) than the current rate:

	1% Decrease to 7.25%	Current Discount Rate 8.25%	1% Increase to 9.25%
Net Pension Liability	\$ 134,533,353	\$ 109,723,105	\$ 88,942,460

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

EMPLOYEES' RETIREMENT SYSTEM OF JERSEY CITY (continued)

Actuarial Assumptions - The total pension liability as of December 31, 2015 and 2014 was determined by use of update procedures to roll forward the plan's total pension liability as of January 1, 2014 to December 31, 2014 and 2015 using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial cost method: Entry Age Normal, Level Percentage of Pay

Inflation: 3.00% per annum

Salary increases: Salaries are assumed to increase as follows:

<u>Age</u>	<u>Annual Rate of Salary Increase</u>	<u>Age</u>	<u>Annual Rate of Salary Increase</u>
20	4.91%	50	3.57%
25	5.00	55	3.09
30	4.86	60	2.74
35	4.50	62	2.57
40	4.23	65	2.30
45	3.85	69	1.86

Investment rate of return: 8.25%, net of pension plan investment expenses. This is based on an average inflation rate of 3.00% and a real rate of return of 5.25%.

Mortality rates among healthy and disabled annuitants were based on the 2014 IRS Static Mortality tables. These tables use the mortality tables specified in IRS Regulation 1.430(h)(3)-1, applied on a projected 7 years from the valuation date for annuitants and 15 years for non-annuitants. Effective January 1, 2016, the Pension Commission adopted new mortality assumptions for the actuarial valuation. The new mortality assumptions are the same assumptions used for the Public Employees Retirement System of New Jersey – Local Employers and are outlined below. The Total Pension Liability as of December 31, 2015 reflects this new mortality assumption.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

EMPLOYEES' RETIREMENT SYSTEM OF JERSEY CITY (continued)

Best estimates of arithmetic rates of return for each major asset class included in the pension plan's target asset allocation are summarized in the following table (note that the rates shown below include the inflation component).

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major asset class included in the pension plan's target asset allocation are summarized in the following table (note that the rates shown below include the inflation component):

Asset Class	Long-Term Expected Rate of Return at December 31,	
	2015	2014
Domestic Equity	7.59%	7.50%
International Equity	8.79%	8.50%
Fixed Income	2.71%	3.50%
Real Estate	8.52%	8.50%
Cash	2.50%	2.50%

Discount Rate - The discount rate used to measure the total pension liability was 8.25%. The projection of cash flows used to determine the discount rate assumed that Jersey City contributions will continue to follow the current funding policy. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. In the event for benefit payments that are not covered by the pension plan's fiduciary net position, a municipal bond rate of 3.20% and 3.34% as of December 31, 2015 and 2014, respectively, are to be used to discount the benefit payments not covered by the pension plan's fiduciary net position. The rates are based on the S&P Municipal Bond 20 Year High Grade Rate Index. However, since the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. The long-term expected rate of return of 8.25% per annum was used to reflect the expected asset allocation.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE F. RETIREMENT SYSTEMS AND DEFERRED COMPENSATION (continued)

DEFERRED COMPENSATION PLAN (unaudited)

The City has established a deferred compensation program for its employees under Section 457 of the Internal Revenue Code. The deferred compensation program is a Public Employees' Deferred Compensation Plan, covering employees and elected officials who perform services for the City. The plan is underwritten by Prudential Insurance Company.

The Plan is a tax-deferred supplemental retirement program that allows City employees to contribute a portion of their salaries, before federal taxes, to a retirement account. Contributions, or deferrals, are made through payroll deductions. Individuals are 100% vested. Distributions are not available to employees until termination, retirement, death, or unforeseeable emergency. All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property or rights are solely the property and rights of the individual contributors and are not subject to the claims of the City's general creditors.

Assets of the plans are invested in various mutual funds at the discretion of the participants.

NOTE G. POST-EMPLOYMENT BENEFITS

Plan Description

The City provides eligible retirees with medical, prescription drug, and life insurance benefits. Retirees who do not meet eligibility requirements for 100% City paid coverage but meet the eligibility requirements for 100% employee paid coverage can continue coverage by paying premiums established by the City.

Two medical plans are offered to eligible retirees and their dependents: a Traditional plan and a Direct Access plan. These plans are self-insured through Horizon Blue Cross. Future retirees are only eligible for the Direct Access plan.

Medical benefits coordinate with Medicare and retirees and their dependents are required to participate in Medicare A and B upon eligibility for these programs. Retirees, dependents, and surviving spouses are reimbursed the Part B premium by the City.

Prescription drug benefits are provided to eligible retirees and their dependents at varying co-pays.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE G. POST-EMPLOYMENT BENEFITS (continued)

Plan Description – continued

Dental and Vision benefits are available to eligible retirees and their dependents, however, retirees are required to pay 100% of the cost of these plans.

Retirees of the Jersey City Police Officers Benevolent Association, Jersey City Police Superior Officers Association, Uniformed Fire Fighters Association of Jersey City and Jersey City Uniformed Fire Officers Associations receive life insurance or death benefits ranging from \$1,500 to \$5,000 dependent on retirement date. Employees other than Police and Firemen have no postemployment death benefits paid by Jersey City.

Eligible dependents of retirees are provided medical and prescription drug benefits for their lifetime.

In March 2010, the Patient Protection and Affordable Care Act (PPACA) was signed into law. The high cost excise tax (“Cadillac tax”) provisions of the Act are applicable. Additionally, on June 28, 2011 P.L. 2011 c. 78 (Chapter 78) was enacted. Chapter 78 contained many changes to the retirement and healthcare plans offered to employees and retirees of New Jersey State and Local government. Among these changes was the requirement for certain retirees to pay a varying portion of postretirement healthcare costs.

The number of retirees receiving benefits as of June 30, 2015, the effective date of the valuation is 2,241, 980 of whom receive single benefit coverage. Active employees number 2,197 as of the same valuation date. The average age of active employees is 46 with an average accrued years of service of 11 years.

Eligibility

The above benefits are available for employees who retire under the following conditions:

- After twenty-five years of service in PFRS or PERS
- Upon disability retirement from PFRS, service requirements of four years for ordinary disability and none for accidental disability
- Upon disability retirement from PERS, service requirements of ten years for ordinary disability and none for accidental disability
- Upon disability from JCERS, service requirements of five years for ordinary disability and none for accidental disability

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE G. POST-EMPLOYMENT BENEFITS (continued)

Funding Policy

Current retirees, dependents and survivors are not required to contribute toward the cost of the postretirement medical and prescription drug coverage. All costs are paid 100% by the City. Any employee who retires after satisfying the eligibility requirements who had less than 20 years of PERS or PFRS as of June 28, 2011, shall be required to contribute toward the cost of postretirement healthcare benefits. The retiree contributions are based on a percentage of the postretirement healthcare cost. The contribution percentages, which are phased-in over a four-year period, vary based on healthcare coverage tier and amount of PERS or PFRS pension amounts. Retired Police and Firefighters are not required to contribute toward the cost of post retirement life insurance benefits.

The City currently accounts for these post retirement benefits on a pay-as-you-go basis. During the years ended December 31, 2015 and 2014, the City paid \$19,873,491 and \$18,535,372, respectively, for post-employment benefits. The City receives additional funding from the Early Retirement Reinsurance Program (ERRP) which is budgeted as a reduction to retiree health insurance costs.

Actuarial Valuation Results

Under GASB criteria, the City would recognize the cost of other post-employment benefits in the year when the employee services are received, report the accumulated liability from prior years, and provide information useful in assessing potential demands on the City's future cash flows. However, since the City is using the modified accrual basis of accounting as prescribed by the Division, the City is not required to show any accrued liability on the face of its financial statements, only to the notes to those financial statements.

The actuary has assumed the Annual Required Contribution will be amortized over 30 years, the maximum funding period. The OPEB's benefit obligations, currently, are in two parts: (1) the present value of the benefits yet to be paid for those who are currently covered as retirees and (2) the present value of the benefits to be paid for those active participants once they become eligible for retiree benefits.

Included in each present value is a cost for administering the retiree claims. The determination of the benefit obligation for those who are retired and covered involves estimating the survival and future claims for them and then discounting those future claims for the present time. With regard to the active group, a further estimate must be made regarding who will actually survive, in active employment, to retire and be covered after employment.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE G. POST-EMPLOYMENT BENEFITS (continued)

Actuarial Valuation Results – continued

The Actuarial Accrued Liability is as follows:

Summary of Valuation Results - June 30, 2015	
Actuarial Accrued Liability	
Retirees	\$ 557,799,995
Active or Terminated Vested Participants Not Yet Retired	60,487,605
Other Active Participants	358,661,969
Unfunded Actuarial Accrued Liability	<u>\$ 976,949,569</u>
Discount Rate	4.50%
Normal Cost	\$ 35,135,265
Annual Amount Toward Unfunded Actuarial Accrued Liability	<u>57,393,724</u>
Annual Required Contribution	\$ 92,528,989
Less: Actuarial Determined City Contribution (estimated)	<u>26,167,422</u>
Net Increase	<u>\$ 66,361,567</u>

Actuarial Assumptions and Methods

The mortality, turnover, medical trend and healthcare cost assumptions have been changed since the previous actuarial valuation.

Turnover – The actuary assumed that terminations of employment other than for death or retirement will occur in the future in accordance with twice the rate of the US Office of Personnel Management regarding the experience of the employee group covered by the Federal Employees Retirement System some excerpts from which are:

	Termination
<u>Age</u>	<u>Percent</u>
20	35.2%
40	8.0%
50	0.0%

Furthermore, the actuary assumed no terminations of employment other than for death or retirement once an employee accrued ten years of service.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE G. POST-EMPLOYMENT BENEFITS (continued)

Actuarial Assumptions – continued

The remaining actuarial assumptions used to value the City's post-employment benefits are as follows:

<i>Mortality:</i>	The mortality table employed is the 1994 sex distinct Group Annuity Mortality Table.
<i>Disability:</i>	No terminations of employment due to disability. Retirees resulting from a disability were factored into the actuary's determination of age at retirement.
<i>Age at Retirement:</i>	Police and Fire active employees, on average, will receive their benefits when eligible but no earlier than age 45. For those eligible to retire at such age, a 10% load in the actuarial liabilities was included. Civilian active employees, on average, will receive their benefits when eligible but no earlier than age 55
<i>Spousal Coverage:</i>	Married employees will remain married.
<i>Prior Service:</i>	No prior service for active employees.
<i>Health Care Cost of Inflation:</i>	Health care gross costs will increase at an annual rate of 7.0% for both Pre-Medicare and Post-Medicare benefits.
<i>Administration Expenses</i>	The annual cost to administer the retiree claims, approximately 2%, is included in the annual health care costs.
<i>Final Average Salary</i>	The actuary assumed that the final average salary for retirees age 55 and over is \$78,886.
<i>Current Per Capita Claims Costs</i>	An annual average gross claims costs of \$11,880 per covered retiree was used based on review of claims data for the 24 month period July 1, 2013 through June 30, 2015.

Methods

Actuarial Cost Method - There are several acceptable actuarial methods listed in the GASB standard. The actuarial cost method used to determine the plan's costs is the "unit credit" cost method in establishing the annual required contribution and actuarial accrued liability for the participants.

Asset Valuation Method - The plan is currently unfunded.

Amortization Method and Period - The unfunded actuarial accrued liability is amortized as a level dollar amount using an open period of 30 years.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE H. COMPENSATED ABSENCES

Under the existing contracts and policies of the City, certain employees are allowed to accumulate certain levels of vacation and sick pay over the duration of their employment. As of December 31, 2015 and 2014, the total accumulated absence liability was \$117,785,923 and \$85,078,679, respectively. As of December 31, 2015 and 2014, the City had \$1,634,427 and \$869,997, respectively in its reserve for accumulated absence account.

During the years ended December 31, 2015 and 2014, the City passed Special Emergency Appropriations to pay for severance liabilities arising from retirements and layoffs in the amounts of \$8,000,000 and \$7,500,000, respectively, and issued Special Emergency Notes to finance the appropriations. As described more fully in Note D, total Special Emergency Notes issued for contractual severance payments and outstanding as of December 31, 2015 and 2014 were \$21,600,000 and \$20,760,000, respectively.

NOTE I. RISK MANAGEMENT

Disaster Recovery

The City has entered into contracts with various vendors in an effort to protect its financial processes and data in the event unforeseen disaster should occur. Included in these contracts are offsite storage of financial data tapes and payroll data offsite backup. The latter also provides the City the ability to run such process offsite if needed.

Insurance Coverage

The City established a self-insurance program in 1982 in accordance with New Jersey Statute Chapter 40:10-6. The Chapter enables the governing body of any local unit to create a fund to provide insurance coverage for its exposure to a wide variety of property casualty risks, including property damage caused to any of the unit's property, motor vehicles, equipment or apparatus; liability resulting from the use or operation of such motor vehicles, equipment or apparatus; liability for the unit's negligence, including that of its officers, employees and servants and workers' compensation obligations.

The City self insures against tort claims (including claims arising from the use of motor vehicles), claims arising from police activities, unemployment compensation and workers' compensation lawsuits.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE I. RISK MANAGEMENT (continued)

Insurance Coverage - continued

The City has also obtained the following coverage:

- Public officials' liability insurance with limits of \$1,000,000 for employee theft, \$1,500,000 for premises theft, \$500,000 for computer fraud and \$500,000 for forgery.
- Directors and Officers liability policy with limits of \$2,000,000.
- General liability excess coverage of \$2,000,000 per occurrence, \$5,000,000 aggregate, after exhaustion of a retained limit of \$1,000,000 for workers' compensation claims.
- Building coverage ranging from \$33,600 to \$25,154,150, depending on the location insured.
- Business personal property coverage ranging from \$12,485 to \$12,778,198, depending on the location insured.
- Total property coverage of \$270,030,728.
- Commercial watercraft insurance providing hull coverage for \$1,671,422 and protection and indemnity coverage in the amount of \$1,000,000 per incident.
- Recreation Department liability policy with limits of \$1,000,000.
- Flood insurance for maintenance building on Berry Street of \$100,000.

NOTE J. CLEARING ACCOUNT

The City maintains a clearing account in the Current Fund General Ledger so that cash received for revenues may be deposited promptly and distributed to proper accounts at a later date.

The City also maintains a claims account, or a cash clearing bank account, from which bills are paid for the Current, Trust and Capital Funds.

NOTE K. PREPAID DEBT SERVICE – QUALIFIED BONDS

The City reverted its fiscal year from one ending June 30, annually, to one ending December 31, annually. This resulted in a six month transition year as follows:

12 months ended June 30, 2010.....	Final "June 30" Year End
July 1, 2010 through December 31, 2010.....	Six Month Transition Year
January 1, 2011 through December 31, 2011.....	First "December 31" Year End

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE J. PREPAID DEBT SERVICE – QUALIFIED BONDS (continued)

The Division requires municipalities reverting to a calendar year to anticipate a full year of State Aid during the six month Transition Year. Whereas the City receives State Aid in two forms; (1) direct cash receipts from the State, and (2) debt payments made by the State on behalf of the City (Qualified Bonds), the City realized State Aid during the Transition Year as follows:

Six Month Transition Year Ended December 31, 2010

State Aid Anticipated		\$ 66,933,632
Less:		
State Aid Received in Cash	\$ 28,599,305	
Qualified Bond Program Payments	<u>21,329,093</u>	
Subtotal: Aid Received		<u>49,928,398</u>
Prepaid Debt Service (To Realize State Aid in Full)		<u><u>\$ 17,005,234</u></u>

As a result, the City recognized State Aid revenues in the amount of \$17,005,234 for debt service payments of the succeeding year, resulting in prepaid debt service at year end

The following schedule summarizes the State Aid received, qualified bond payments applied and the prepaid amounts as of December 31, 2015 and 2014.

	<u>2015</u>	<u>2014</u>
Balance, Beginning of Year	\$ 17,355,207	\$ 17,619,318
Add: State Aid	<u>68,430,369</u>	<u>68,569,897</u>
	85,785,576	86,189,215

NOTE L. FIXED ASSETS

In accordance with accounting practices prescribed by the Division, and as further detailed in Note A, no depreciation has been provided for and fixed assets acquired through grants in aid or contributed capital have not been accounted for separately.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE L. FIXED ASSETS (continued)

The City had the following investment balance and activity in general fixed assets as of and for the year ended December 31, 2015:

	Balance, Dec. 31, 2014	Activity During Current Year		Balance, Dec. 31, 2015
		Additions	Dispositions	
Land	\$ 135,599,800	\$ -	\$ -	\$ 135,599,800
Improvements	125,651,897	7,100	-	125,658,997
Machinery and Equipment	60,780,563	1,243,985	-	62,024,548
	<u>\$ 322,032,260</u>	<u>\$ 1,251,085</u>	<u>\$ -</u>	<u>\$ 323,283,345</u>

The City had the following investment balance and activity in general fixed assets as of and for the year ended December 31, 2014:

	Balance, Dec. 31, 2013	Activity During Current Year		Balance, Dec. 31, 2014
		Additions	Dispositions	
Land	\$ 135,599,800	\$ -	\$ -	\$ 135,599,800
Improvements	125,624,022	27,875	-	125,651,897
Machinery and Equipment	58,977,066	1,803,497	-	60,780,563
	<u>\$ 320,200,888</u>	<u>\$ 1,831,372</u>	<u>\$ -</u>	<u>\$ 322,032,260</u>

NOTE M. PREPAYMENTS OF PILOT REVENUES

The City has entered into certain financial agreements under the Long Term Tax Exemption Law, which allows developers to pay Annual Service Charges in Lieu of Taxes (PILOTs) upon completion of such construction projects. The City further structured many PILOT agreements prior to 2009 whereas (a) entities would prepay to the City, upon execution of the agreement and well in advance of project completion, the first year's estimated Annual Service Charge and (b) the City would be required to refund or credit this prepayment to the entity once the project is completed, typically over a period of four years.

The City realized these prepayments as revenues in the period received. In each of the first four years after project completion, the City reduces the amount of revenues from the calculated Annual Service Charges by crediting 25% of the prepaid amount each year.

As of December 31, 2015 and 2014, the balance of City revenues collected in prior years which will be applied as refunds and credits on Annual Services Charges was \$14,728,397 and \$16,337,705, respectively. Of this amount, the City expects to refund and credit \$2,002,457 during the year ended December 31, 2016.

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE N. DEFERRED CHARGES TO BE RAISED IN SUCCEEDING BUDGETS

Certain expenditures are required to be deferred to budgets of succeeding years. At December 31, 2015, the following deferred charges are shown on the balance sheets of the various funds. The appropriations in the 2016 budget are not less than that required by statute.

	Balance, Dec. 31, 2014	Add: Results of Current Year	Less: 2015 Budget Appropriation	Balance, Dec. 31, 2015	2016 Budget Appropriation	Balance to Succeeding Budgets
Special Emergency Authorizations (40A:4-53.b)

Contractual Severance Payments-2015	-	8,000,000	-	8,000,000	1,600,000	6,400,000
Special Emergency Authorizations (40A:4-54)						
Superstorm Sandy	3,022,992	-	1,193,000	1,829,992	1,193,000	636,992
Expenditure without an Appropriation						
Bank Adjustments	605,901	-	605,901	-	-	-
	<u>\$ 25,648,893</u>	<u>\$ 8,000,000</u>	<u>\$ 9,588,901</u>	<u>\$ 24,059,992</u>	<u>\$ 8,723,000</u>	<u>\$ 15,336,992</u>

Further description of the above deferred charges follows.

Contractual Severance Liabilities

A significant number of employees either retired or otherwise had their employment with the City terminated. The City passed special emergency appropriations to provide for payment of the resulting severance liabilities in 2015, 2014, 2013, 2011 and the transition year ended December 31, 2010 for \$8,000,000, \$7,500,000, \$9,500,000, \$9,500,000 and \$9,300,000, respectively. The current balance to be raised is noted in the preceding table. The special emergency appropriations were financed with special emergency notes, discussed further in Note D.

Superstorm Sandy

During the year ended December 31, 2012, the City suffered extensive damages from the effects of Superstorm Sandy and subsequent flooding. The City passed Resolution No. 12-842 which consisted of two emergencies related to this storm. The first is a \$580,000 emergency appropriation and the second is a \$15,420,000 special emergency appropriation. On March 28, 2013, the City adopted Ordinance No. 13-031 which re-appropriated \$10,000,000 of this emergency as a capital ordinance for items as allowable under State statutes. The current balance to be raised in future current fund budgets is noted in the preceding table.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE N. DEFERRED CHARGES TO BE RAISED IN SUCCEEDING BUDGETS (continued)

Revaluation of Properties

During the year ended December 31, 2011, the City passed a Special Emergency Appropriation of \$3,150,000 for the preparation and execution of a complete program of revaluation of real property for the use of the local assessor. The current balance to be raised is noted in the preceding table.

Expenditure without Appropriation

During the year ended December 31, 2014, the City wrote off \$605,901 of bank charges and adjustments which were deemed to no longer be recoverable. In order to fund these write-offs, a deferred charge was established. The amount was raised in full in the 2015 budget.

NOTE O. RELATED PARTY TRANSACTIONS

JERSEY CITY MUNICIPAL UTILITIES AUTHORITY

On February 1, 1998, the City transferred its water operating functions to the Jersey City Municipal Utilities Authority (JCMUA). Pursuant to the franchise and service agreement, the City and the JCMUA agreed that the JCMUA will, in addition to paying the City an up-front franchise fee and annual franchise concession fees, (a) assume the responsibility for and the payment of the principal and interest on the City's water bonds; (b) pay the City for the oversight of the operations of the water system and (c) provide water and sewer service to the City free of charge for all governmental public facilities as identified by the City.

As noted above, the JCMUA is responsible to reimburse the City for payments of principal and interest on water bonds. The amount of Water Serial Bonds payable, and therefore the amount receivable from the JCMUA to the City's Capital Fund, at December 31, 2015 and 2014 was \$28,645,000 and \$31,180,000, respectively.

During the year ended June 30, 2003, the City and the JCMUA agreed to extend the franchise agreement through March 31, 2028 for the price of \$42,000,000. The City received \$28,000,000 for the franchise extension in 2003 and 2004 combined, while the final payment of \$14,000,000 is deferred. As of December 31, 2015 and 2014, the City had a receivable due from the JCMUA of \$14,000,000, each year, for the franchise extension.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

	<u>\$ 45,180,000</u>	<u>\$ -</u>	<u>\$ 2,535,000</u>	<u>\$ 42,645,000</u>

A summary of the amounts due from the JCMUA at December 31, 2014 is as follows:

	<u>Balance Dec. 31, 2013</u>	<u>Savings on Refunding</u>	<u>Payments Received</u>	<u>Balance Dec. 31, 2014</u>
Current Fund:				
Franchise Extension Agreement	\$ 14,000,000	\$ -	\$ -	\$ 14,000,000
Capital Fund:				
Water Bond Principal	<u>34,450,000</u>	<u>15,000</u>	<u>3,255,000</u>	<u>31,180,000</u>
	<u>\$ 48,450,000</u>	<u>\$ 15,000</u>	<u>\$ 3,255,000</u>	<u>\$ 45,180,000</u>

During the year ended December 31, 2015 and 2014, the City received the following payments from the Authority:

- Franchise Concession Payments of \$19,000,000 and \$14,500,000, respectively.
- Water Debt Service Payments of \$3,493,569 (for principal of \$2,535,000 and interest of \$958,569) and \$4,361,300 (for principal of \$3,255,000 and interest of \$1,106,300), respectively.

JERSEY CITY BOARD OF EDUCATION

As described in Note D, although the Jersey City Board of Education (JCBOE) is a Type II School District effective November 4, 2008, prior to that date the Board of Education operated as a Type I School District, therefore, bonds and notes authorized by the Board of Education prior to November 4, 2008 are general obligations of the City, are reported on the balance sheet of the City's General Capital Fund and are accordingly included in the summary of municipal debt. The City budgets the principal and interest payments of the Board of Education's obligations as they become due. These obligations are funded by the City through an amount to be raised by taxation called "addition to local district school tax", less any regular school debt service aid received from the State of New Jersey.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE O. RELATED PARTY TRANSACTIONS (continued)

JERSEY CITY BOARD OF EDUCATION (continued)

For the years ended December 31, 2015 and 2014, the City's budget included the following debt service requirements of the Board of Education and corresponding anticipated revenues:

	<u>Dec. 31, 2015</u>	<u>Dec. 31, 2014</u>
Debt Service Requirements of the Board of Education:		
Maturing Serial Bonds - School Qualified	\$ 8,555,000	\$ 7,945,000
Interest on Bonds - School Qualified	<u>1,444,305</u>	<u>2,538,807</u>
	9,999,305	10,483,807
Less: Applicable Revenues Anticipated

Balance for Support of Board of Education:		
Addition to Local District School Tax	<u><u>\$ 5,429,458</u></u>	<u><u>\$ 5,774,432</u></u>

NOTE P. INTERFUND BALANCES

The City has various transactions by and between its individual funds. Certain accounts of the Trust and Capital Funds earn interest which is required to be recorded as revenue in the Current Fund budget. Other transactions include budget appropriations in the Current Fund which are required to be turned over to the Federal and State Grant, Trust and Capital Funds. All these transfers are routine and are consistent with the activities of the funds making the transfers.

As of and during the year ended December 31, 2015, the Current Fund had the following interfund activity and receivable balances at year end:

	<u>Balance: Dec. 31, 2014</u>	<u>Additions</u>	<u>Deductions</u>	<u>Balance: Dec. 31, 2015</u>

NOTE R. ECONOMIC DEPENDENCY (continued)

State Aid

The City is a recipient of State Aid. During the years ended December 31, 2015 and 2014, State Aid accounted for 12% and 13%, respectively, of the City's realized revenues. Significant changes in State Aid policy, if they were to occur, in conjunction with legislation capping increases to the tax levy, could have a material impact on the City's operations, if any such policy modifications were to occur.

NOTE S. LEASE COMMITMENTS

The City has various lease commitments at December 31, 2015 for office space, employee parking and fire apparatus. The minimum future lease payments on these commitments are as follows:

Year Ended December 31,	Total	Operating	Capital
2016	\$ 1,290,712	\$ 1,027,943	\$ 262,769
2017	1,396,611	281,092	1,115,519
2018	1,460,061	264,292	1,195,769
2019	1,411,908	216,139	1,195,769
2020	1,408,995	213,226	1,195,769
2021-2025	7,333,328	1,115,076	6,218,252
2026-2030	8,118,581	1,074,970	7,043,611
2031-2035	9,155,955	1,186,852	7,969,103
2036-2040	9,016,413	-	9,016,413
2041-2042	2,235,302	-	2,235,302
	<u>\$ 42,827,866</u>	<u>\$ 5,379,590</u>	<u>\$ 37,448,276</u>

The capital leases include:

Fire Apparatus - The acquisition of two fire apparatus for a total original cost of \$1,761,871. The terms of these leases are 7 and 8 years with annual payments of \$232,769.

MLK HUB - A \$1 bargain purchase option for the "MLK HUB" located at the intersection of Kearney Avenue and Martin Luther King Drive as authorized by Ordinance No. 15.020 adopted on March 11, 2015. The basic term of this lease agreement is 25 year bondable triple net lease with base rent payments commencing on the date of substantial completion of the building, but not later than February 1, 2017. Annual rent will range from a minimum of \$963,000 in the first five years of the lease to a minimum payment of \$1,944,708 in year 25. Total minimum payments under the lease would be \$35,889,174.

CDBG Trust	-	7,015,320	-	7,015,320
Home Trust	-	5,932,226	-	5,932,226
HOPWA Trust	-	2,121,407	-	2,121,407
State and Federal Grants Fund	-	17,060,457	-	17,060,457
Improvement Authorizations*	-	-	19,635,788	19,635,788
	<u>\$ 9,188,797</u>	<u>\$ 36,299,051</u>	<u>\$ 20,398,982</u>	<u>\$ 65,886,830</u>

* All encumbrances noted above are included on the balance sheets of the City with the exception of 2014 amounts encumbered for Improvement Authorizations. The balance noted is reflected as part of the improvement authorization balance.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE U. CONTINGENCIES

Grant Programs

The City participates in several federal and state financial assistance grant programs. Entitlement to the funds is generally conditional upon compliance with terms and conditions of the grant agreements and applicable regulations, including the expenditures of funds for eligible purposes. The state and federal grants received and expended in the year ended December 31, 2015 were subject to the Uniform Guidance and NJ OMB Circular 15-08 and 2014 were subject to U.S. OMB Circular A-133 and State of New Jersey OMB Circular 04-04 which mandates that grant revenues and expenditures be audited in conjunction with the City's annual audit. In addition, these programs are also subject to compliance and financial audits by the grantors or their representatives.

In a report dated March 30, 2016, the City was notified by the Office of Inspector General (OIG) of \$16,206,508 of "Questioned Costs and Funds to Be Put to Better Use" in respect to its Community Development Block Grant (CDBG) funding, the majority of which is recommended to be reimbursed to the City's CDBG bank account. The City continues to appeal these findings.

The State of New Jersey is transitioning from the Urban Enterprise Zone Program (UEZ) and will no longer provide additional UEZ grant funding to municipalities containing such zones, which includes the City. The City has received significant UEZ grant funding in previous years. All unspent First and Second Generation Zone Funds will be available to complete existing projects and fund new projects until the funds are exhausted. The City will continue to draw down on Second Generation UEZ Funds until such funds are exhausted.

Arbitrage Rebate

The City is subject Section 148 of Internal Revenue Code, which was enacted to minimize the arbitrage benefits from investing gross proceeds of tax-exempt bonds in higher yielding investments and to remove the arbitrage incentives to issue more bonds, to issue bonds earlier, or to leave bonds outstanding longer than is otherwise reasonably necessary to accomplish the governmental purposes for which the bonds were issued. During the year ended December 31, 2015 and 2014, the City was not obligated to remit any funds for arbitrage rebate, yield reduction and interest payments. As of December 31, 2015 and 2014, the City had \$937,315, each year, on reserve for such payments.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE U. CONTINGENCIES (continued)

Tax Appeals

The City is a defendant in various tax appeals that they are defending vigorously. The tax appeals it is currently defending are not unusual for a municipality of its size. In the past, the City has utilized both the Reserve for Tax Appeals account, which is funded through budget appropriations, and has issued refunding notes to pay for the appeals. During the years ended December 31, 2015 and 2014 the City appropriated a total of \$1,900,000, each year, to fund tax appeal interest and overpayments.

During the years ended December 31, 2015 and 2014, the City further funded tax appeal payments through a charge to operations of \$2,719,265 and \$3,154,845, respectively.

In addition, the Local Finance Board has allowed the City to issue tax refunding obligations to finance certain tax refunds. They are renewable annually for five to seven years after their date of issuance, with the amortization schedule approved by the Local Finance Board. The following table illustrates ordinances which have been adopted to fund the payment of tax appeals as well as any the outstanding balance of notes issued on those ordinances.

Ord. No.	Original Authorization	Balance Dec. 31, 2014	Paid or Charged and Encumbered	Balance Dec. 31, 2015	Outstanding Notes at Dec. 31, 2015
09-028	\$ 11,471,819	\$ -	\$ -	\$ -	\$ 1,638,740
10-031	7,201,450	40,351	40,257	94	-
11-116	7,000,000	231,402	231,005	397	1,000,000
	<u>\$ 25,673,269</u>	<u>\$ 271,753</u>	<u>\$ 271,262</u>	<u>\$ 491</u>	<u>\$ 2,638,740</u>

Ord. No.	Original Authorization	Balance Dec. 31, 2013	Paid or Charged	Balance Dec. 31, 2014	Outstanding Notes at Dec. 31, 2014
09-028	\$ 11,471,819	\$ -	\$ -	\$ -	\$ 3,277,580
10-031	7,201,450	43,851	3,500	40,351	1,440,290
11-116	7,000,000	236,402	5,000	231,402	2,200,000
	<u>\$ 25,673,269</u>	<u>\$ 280,253</u>	<u>\$ 8,500</u>	<u>\$ 271,753</u>	<u>\$ 6,917,870</u>

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE U. CONTINGENCIES (continued)

Non-Recourse Debt

On November 13, 2013, the City adopted Ordinances 13.122 through 13.124 approving the execution of financial agreements with Journal Square I Urban Renewal, LLC, Journal Square II Urban Renewal, LLC and Journal Square III Urban Renewal, LLC related to the authorization and issuance by the Jersey City Redevelopment Agency of not to exceed \$10,000,000 for each agreement (\$30,000,000 total) of Redevelopment Area Bonds. Under N.J.S.A. 40A:12A-67, these bonds are issued as non-recourse obligations to the full faith and credit of the City are not considered to be direct and general obligations of the City. The City is not obligated to levy and collect tax sufficient in an amount to pay the principal and interest on the bonds when they become due and payable. Further, these bonds are not considered gross debt of the City on any debt statement filed in accordance with the Local Bond Law, N.J.S.A. 40A:2-1 et seq.

Litigation

The City of Jersey City, its officers and employees are defendants in a number of lawsuits including, but not limited to, lawsuits arising out of alleged torts, alleged breaches of contract and alleged violations of civil rights, none of which is unusual for a municipality of its size. The City is also engaged in activities, such as police protection and public works construction, which could result in future litigation with a possible significant monetary exposure to the City.

Based upon the information available to date, it does not appear that any individual lawsuit or the cumulative effect of these lawsuits will impair the City's ability to pay any judgments or settlements in an orderly manner, since the likelihood is that the amount of any judgments and eventual settlements will be much less than the amount claimed, and payments can be spread over two or more fiscal years. Because many lawsuits are still in the discovery stage, the Corporation Counsel is unable to determine the probability of a successful defense to them at this time.

The City self-insures against tort claims, which include general liability, automobile liability, employment practices, public officials and police professional and workers compensation lawsuits. The City also carries excess insurance for all lines of coverage which provides \$2 million coverage with a self-insured retention in the amount of \$1 million for each covered event. The cases listed below have a potential monetary exposure in excess of \$500,000.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE U. CONTINGENCIES (continued)

Litigation (continued)

EQR-LPC Urban Renewal North Pier, LLC and EQR-Lincoln Urban Renewal Jersey City, LLC v City of Jersey City – The City’s PILOT revenue collection office identified a PILOT agreement in which the City claims excess net profits were not paid to the City as an additional service charge per the terms of the abatement agreement. The City issued a default notice dated August 27, 2013 in the amount of \$2,266,345 for such billings. The entity paid the bill “under protest” and initiated litigation to recover the amount paid. This case is currently in progress.

212 Marin Blvd. et. al. v City of Jersey City (Sixth Street Embankment) – This case involves various complex lawsuits involving the original plaintiffs, counter suits and notices of intent to file by outside parties. It was originally brought by several commonly owned/controlled LLC entities owning property know as the Sixth Street Embankment, alleging that the City has interfered with their development rights and violated constitutional rights. These matters have been pending in Superior Court for several years despite numerous attempts to achieve a settlement. The main case is now before the Surface Transportation Board in Washington DC, where the City has so far been successful. The state court cases have been “stayed” pending resolution of the matter in Washington. The City continues to defend against all of the claims. On January 13, 2016, the City was authorized to file an Offer of Financial Assistance (a federal eminent domain remedy) to acquire this property. The property has an appraised value in excess of \$6,000,000 and the plaintiffs claim a current value of approximately \$40,000,000.

V.M. v City of Jersey City – This case arises from a complaint by a female police sergeant (now retired) alleging that the chief of police did not promote her because of her political affiliation and her gender. Summary Judgment was granted to the defendants on the Federal claims, however the trial court order was reversed by the 3rd Circuit Court of Appeals and the matter remanded for trial. The State law claims are pending in the Superior Court of New Jersey where Summary Judgment on the remaining claims was granted. The plaintiffs took an appeal to the Superior Court, Appellate Division where the order was vacated and the case remanded for trial in State court. Although the reversal of the order for summary judgment is a serious setback for the defendants, the City and the individual defendants (former Mayor Healy and former Chief of Police Troy) are prepared to defend this lawsuit on the merits. There is a significant monetary exposure for economic damages and attorney fees. Recently, at a conference before the Federal trial judge, the plaintiff’s attorney made an “informal” demand of \$5,000,000 to settle. The matter is being mediated by a retired judge. If it does not settle, a trial date will be set.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE U. CONTINGENCIES (continued)

Litigation (continued)

A. v City of Jersey City – This case is related to the V.M. case noted above. In this case, eight other sergeants allege that because V.M. was wrongfully not promoted to Lieutenant, they could not be promoted since they were behind her on the promotion list. They claim the difference in pay and benefits between what they contend they would have received if they had been promoted and what they actually have received. These claimed damages continue to accrue as the case proceeds. This case has the same procedural history as in V.M., above. Although the summary judgment obtained in this case was reversed, the defendants maintain that the defenses to the plaintiff's claims are viable and the case will be defended on its merits. The plaintiffs also claim attorney fees and back pay. If they prevail, the combined award could exceed \$1,000,000.

Realty Appraisal Co. v City of Jersey City - Plaintiff alleges the City unlawfully terminated a contract to conduct a citywide property revaluation. The City lost the bench trial. The City has filed an appeal. If the appeal is unsuccessful, the City owes more than \$1,000,000 in damages for services performed and lost profit.

B. v City of Jersey City - Wrongful death and personal injury case. Third person invaded apartment of plaintiff, killed infant and injured occupant. Plaintiff alleges JCPD failed to enforce restraining order or act on outstanding warrant. The trial is scheduled for January 9, 2017. The Plaintiffs' demand is \$12,000,000.

A. v B. v City of Jersey City – In this matter, a bicycle operator alleges that she was struck by a private vehicle operated by a Jersey City police officer who had completed his tour of duty and was going to Municipal Court to testify. The City contends that the officer was not in the course of his employment at the time of the accident. The officer's personal auto liability insurance carrier settled the claim against the office for his personal auto liability of \$50,000. As a result, the City filed a motion to dismiss which was granted. The plaintiff appealed and the appellate division affirmed the dismissal of the claim against the City. Plaintiff has filed a petition for certification to the Supreme Court, which is pending. Plaintiff claims a permanent inability to work as well as permanent disability. If her appeal is successful and she prevails at trial, her damages could exceed \$1,000,000.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE U. CONTINGENCIES (continued)

Litigation (continued)

M v. City of Jersey City - Plaintiff, the City's Deputy Tax Assessor, has brought a claim in federal court for race discrimination and retaliation. She also alleges a whistleblower claim under CEPA. Discovery is ongoing. Written discovery is complete, plaintiff has been deposed, and plaintiff's counsel has deposed approximately ten defense witnesses. If plaintiff is able to prove her claims at trial, she could obtain an award between \$200,000-\$300,000 for her severe emotional distress, as well as an attorneys' fees award between \$250,000- \$300,000.

A. et al v. Jersey City Fire Dispatch - Plaintiffs are the Administrators of the Estates of four decedents who died in a house fire, and five relatives who claim emotional distress damages from perceiving the death of their family members in the fire. In the lawsuit, they claim that a City dispatcher sent the firefighters to the wrong address resulting in the deaths. The City has asserted various immunities and the plaintiffs contend that they have overcome the bar of the immunities. Discovery is in the preliminary states. Exposure could surpass \$1,000,000.

H. et al. v. City of Jersey City – W.H., 80-year-old disabled male, died in a fire on November 5, 2012. Plaintiffs are the Administrators of the Estate. They allege that the death was a result of negligence by members of the Jersey City Fire Department. Exposure for the death and emotional distress could exceed \$500,000.

W. v. City of Jersey City et al - Plaintiff D.W. has filed claims against the City of Jersey City and director Anthony Cruz. Mr. W. alleges that the defendants discriminated and harassed him on the basis of his sexual orientation. He also alleges that the City violated his first amendment rights. If Mr. W. prevails, the defendants could be liable for lost wage damages, punitive damages, emotional distress, damages, and plaintiff's attorney's fees, in excess of \$500,000.

P. et al. v. City of Jersey City et al - On December 31, 2013, the Plaintiffs' decedent drowned as a result of him losing control of his motor vehicle which became submerged in the waters of the Morris Canal. Plaintiffs allege that the accident occurred on dangerous property owned, controlled or maintained by the City. The City contends that the accident occurred on privately owned property. Discovery is ongoing. If the City is unsuccessful, exposure for the wrongful death and survivorship claim could exceed \$500,000.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE V. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 28, 2016, the date which the financial statements were available to be issued. The following material subsequent events have been noted:

Dissolution of Jersey City Incinerator Authority – On April 1, 2016, the City effectively dissolved the Jersey City Incinerator Authority (JCIA) in accordance with Ordinance No. 15.104 adopted on October 14, 2015 and as approved by the State of New Jersey Local Finance Board. The City has assumed the debts, obligations and functions of the JCIA.

Defeasance: \$3,024,000 – On August 31, 2016, the City defeased its Hyatt Section 108 in the amount of \$3,024,000 at interest rates ranging from 1.54% to 2.45% and annual maturities on August 1, 2017 through 2020. The original loans were dated November 17, 2011 in the amount of \$5,524,000.

Refunding Bond Ordinance: \$32,000,000 - On February 10, 2016, the City adopted Refunding Bond Ordinance No. 16.018 providing for (i) the refunding of certain outstanding Qualified General Improvement Bonds, Series 2009 and Qualified General Improvement Bonds (Parking Authority Project), Series 2009A of the City dated February 10, 2009 and December 30, 2009, respectively, to provide debt service savings, and (ii) authorizing the issuance of not to exceed \$32,000,000 aggregate principal amount of General Improvement Refunding Bonds of the City to effect such refunding and appropriating the proceeds therefor. These bonds were issued as follows in the next paragraph.

Refunding Bonds: \$32,335,000 - On June 3, 2016, the City issued \$32,335,000 in General Obligation Refunding Bonds, Series 2016, consisting of \$26,000,000 General Improvement Refunding Bonds and \$6,335,000 Water Improvement Refunding Bonds. Issued with interest rates ranging from 2.0% to 5.0%, these bonds mature on July 15, 2016 and annually thereafter on January 15 from 2017 through 2029. The bonds are being issued to (i) advance refund all of the City's outstanding and callable Qualified General Improvement Bonds, Series 2009, dated February 10, namely those bonds maturing on January 15, 2020 through 2029, (ii) advance refund all of the City's outstanding and callable Qualified General Improvement Bonds (Parking Authority Project), Series 2009A, dated December 30, 2009, namely those bonds maturing on July 15 in the years 2020 through 2029 (iii) currently refund outstanding and callable Qualified Water Refunding Bonds, Series 2006D, dated March 30, 2006, namely those bonds maturing on September 1 in the years 2017 through 2022 and to call for redemption the 2006D Water Refunded Bonds on September 1, 2016 at the option of the City at a redemption price of 100% of the principal amount, as well as (iv) to pay certain costs associated with the issuance of these bonds.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE V. SUBSEQUENT EVENTS (continued)

Bond Anticipation Notes: \$7,085,000 – On June 24, 2016, the City issued \$7,085,000 of Bond Anticipation Notes, Series 2016A (Federally Taxable) at an interest rate of 1.5% and due on June 23, 2017. The City will apply the proceeds from the sale of the Notes to pay a portion of the maturing principal of the City's \$7,215,000 Bond Anticipation Notes, Series 2015C (Federally Taxable) which were issued on July 6, 2015 and mature on July 6, 2016 (the "2015 Notes"), and used to refinance certain capital improvements and pay a portion of the costs of issuing the Notes. The remaining \$130,000 of maturing principal of the 2015 Notes will be paid from budgeted appropriations.

Bond Anticipation Notes: \$10,208,000 – The City is scheduled to issue \$10,208,000 of bond anticipation notes on October 5, 2016. The notes are expected to mature on January 20, 2017 at a rate of 1.5%.

Re-Appropriation Ordinance: \$2,054,353 - On April 27, 2016, the City adopted Ordinance No. 16.066 re-appropriating \$2,054,353.47 of proceeds of obligations not needed for their original purposes in order to provide for various capital improvements in and by the City.

Capital Ordinance: \$29,858,755 - On May 25, 2016, the City adopted Ordinance No. 16.083 providing for various capital improvements for the City and appropriating \$29,858,755, therefor, and providing for the issuance of \$28,436,905 in General Improvement Bonds or Notes of the to finance the same.

Capital Ordinance: \$16,000,000 - On July 13, 2016, the City adopted Bond Ordinance No. 16.106 providing aid to the West Campus Redevelopment Project located in the and appropriating \$16,000,000, therefor, and providing for the issuance of \$16,000,000 in Bonds or to finance part of the cost thereof.

Refunding Bond Ordinance: \$4,500,000 - On September 14, 2016, the City adopted Refunding Bond Ordinance No. 16.129 providing for the refunding of all or a portion of the City's Qualified Water Refunding Bonds, Series 2007B, appropriating an amount not exceeding \$4,500,000 therefor and authorizing the issuance of not to exceed \$4,500,000 Water Refunding Bonds for financing the cost thereof.

Special Emergency: \$5,000,000 - On September 14, 2016, the City adopted Ordinance No. 16.130 providing for a special emergency appropriation of \$5,000,000 for the preparation and execution of a complete program of revaluation of real property for the use of the local Assessor of the City.

**CITY OF JERSEY CITY
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2015 AND 2014

NOTE V. SUBSEQUENT EVENTS (continued)

Refunding Bond Ordinance: \$8,000,000 - On September 14, 2016, the City adopted Refunding Bond Ordinance No. 16.131 providing for the refunding (On a Crossover Basis) of all or a portion of the City's General Improvement Bonds (Recovery Zone Economic Development Bonds-Direct Payment), taxable Series 2010C, appropriating an amount not exceeding \$8,000,000 therefor and authorizing the issuance of not to exceed \$8,000,000 General Improvement Refunding Bonds for financing the cost thereof.

Refunding Bond Ordinance: \$19,500,000 - On September 14, 2016, the City adopted Refunding Bond Ordinance No. 16.132 providing for the refunding of all or a portion of the City's Qualified General Improvement Refunding Bonds, Series 2007A, appropriating an amount not exceeding \$19,500,000 therefor and authorizing the issuance of not to exceed \$19,500,000 General Improvement Refunding Bonds for financing the cost thereof.

Refunding Bond Ordinance: \$82,000,000 - On September 14, 2016, the City Refunding Bond Ordinance No. 16.133 providing for the refunding (On a Crossover Basis) of all or a portion of the City's, General Improvement Bonds (Build America Bonds-Direct Payment), Taxable Series 2010B, appropriating an amount not exceeding \$82,000,000 therefor, and authorizing the issuance of not to exceed \$82,000,000 General Improvement Refunding Bonds of for financing the cost thereof.

The City is scheduled to close on the issuance of these bonds on October 24, 2016.

The Honorable Mayor and Members
of the City Council
City of Jersey City, New Jersey

Management is responsible for the accompanying financial statements of the City of Jersey City, New Jersey (the "City") which comprise the balance sheet – regulatory basis, of each fund and General Fixed Assets as of December 31, 2016, and the statement of operations and changes in fund balance – regulatory basis, statement of revenues – regulatory basis and statement of appropriations – regulatory basis, of the Current Fund, and the related statement of changes in Fund Balance – regulatory basis, of the General Capital Fund, which collectively comprise the City's basic financial statements. We have performed the compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2016 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The 2015 financial statements were audited by us, and we expressed an unmodified opinion on them in accordance with the financial reporting provisions of the Division as described above in our report dated September 28, 2016.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the financial reporting provisions of the Division. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the City's assets, liabilities, fund balance, revenues and expenditures. Accordingly, the financial statements are not designed for those who are not informed about such matters.

FORM OF BOND COUNSEL OPINION

[THIS PAGE INTENTIONALLY LEFT BLANK]

*An opinion in substantially the following form will be
delivered by Bond Counsel at Closing, assuming no
material changes in facts or law.*

_____, 2017

Mayor and Council of the City of Jersey City,
in the County of Hudson, New Jersey
280 Grove Street
Jersey City, New Jersey 07302

Re: City of Jersey City, in the County of Hudson, New Jersey
\$6,955,000 Bond Anticipation Notes, Series 2017B (Federally Taxable)

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance by the City of Jersey City, in the County of Hudson, New Jersey (the "City") of \$6,955,000 Bond Anticipation Notes, Series 2017B (Federally Taxable) (the "Notes"). The Notes are general obligations of the City and the full faith, credit and taxing power of the City is available to pay the principal of and interest on the Notes. The Notes are issued in fully registered form, are dated June 22, 2017, mature on June 22, 2018, are not subject to redemption prior to maturity and bear interest at a rate of 1.875% per annum payable at maturity.

The Notes will be initially issued in fully registered book-entry form only in the form of one certificate in the aggregate amount of the Notes, registered in the name of and held by Cede & Co., as nominee of The Depository Trust Company ("DTC"), which will act as securities depository for the Notes. DTC will be responsible for maintaining the book-entry system for recording the interests of its participants and transfers of such interests among such participants. Such participants shall be responsible for maintaining records regarding the beneficial ownership interests in the Notes on behalf of individual purchasers. Individual purchases may be made in the principal amount of \$5,000 or more, through book-entries on the books and records of DTC and its participants.

The Notes are issued under the provisions of the Local Bond Law, Chapter 169 of the Laws of 1960 of the State of New Jersey, effective January 1, 1962, and the acts amendatory thereof and supplemental thereto (the "Act") and a bond ordinance numbered 10-085 finally adopted by the Municipal Council of the City on July 14, 2010, as amended by a bond ordinance numbered 15.125 finally adopted by the Municipal Council of the City on October 14, 2015 (collectively, the "Bond

Ordinance"). The Notes are issued for the purpose of providing funds to pay a portion of the maturing principal of the City's \$7,085,000 Bond Anticipation Notes, Series 2016A (Federally Taxable) issued on June 24, 2016 and maturing on June 23, 2017, which provided funds for the refinancing of various capital improvements, as described in the Bond Ordinance (the "Project"). The Project was authorized by the Bond Ordinance.

In our capacity as Bond Counsel and as a basis for the opinions set forth below, we have examined the proceedings relating to the authorization and issuance of the Notes, including: (a) a certified copy of the Bond Ordinance; (b) such matters of law, including, inter alia, the Act and the Internal Revenue Code of 1986, as amended, and (c) such other agreements, proceedings, certificates, records, approvals, resolutions and documents as to various matters with respect to the issuance of the Notes as we have deemed necessary. We have further assumed and relied upon the genuineness, accuracy and completeness of all of the documents and other instruments which we have examined. As to questions of fact material to our opinion, we have relied upon the proceedings and other certifications of public officials executed and furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion that:

1. The Notes have been duly authorized, issued, executed and sold by the City; the Bond Ordinance has been duly authorized and adopted by the City; and the Notes and the Bond Ordinance, are legal, valid and binding obligations of the City enforceable in accordance with their respective terms.
2. Interest on the Notes is not excluded from gross income for federal income tax purposes.
3. Under the laws of the State of New Jersey as enacted and construed on the date of original issuance of the Notes, interest on the Notes and gain from the sale thereof are excludable from New Jersey gross income under the New Jersey Gross Income Tax Act.
4. The power and obligation of the City to pay the Notes is unlimited and, unless paid from other sources, the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for the payment of the principal of and interest on the Notes, without limitation as to rate or amount.

For purposes of this opinion, the enforceability (but not the validity) of the documents mentioned herein may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws now or hereafter enacted by any state or by the federal government affecting the enforcement of creditors' rights generally, and by equitable principles, and the phrase "enforceable in accordance with their respective terms" shall not mean that specific performance would necessarily be available as a remedy in every situation.

Mayor and Council of the City of Jersey City,
in the County of Hudson, New Jersey
_____, 2017

Page 3

Other than as set forth in Paragraphs 2 and 3 hereof, we express no opinion regarding other federal and state tax consequences arising with respect to the Notes.

We express no opinion herein as to the adequacy or accuracy of any official statement, private placement memorandum or other offering material pertaining to the offering of the Notes.

APPENDIX D

FORM OF CONTINUING DISCLOSURE CERTIFICATE

[THIS PAGE INTENTIONALLY LEFT BLANK]

FORM OF CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (the "Disclosure Certificate") is executed and delivered by the City of Jersey City, in the County of Hudson, New Jersey (the "Issuer") in connection with the issuance by the Issuer of its \$6,955,000 Bond Anticipation Notes, Series 2017B (Federally Taxable) (the "Notes"). The Notes are being issued pursuant to a bond ordinance duly adopted by the Municipal Council. The Issuer covenants and agrees as follows:

SECTION 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the Issuer for the benefit of the Noteholders and Beneficial Owners of the Notes and in order to assist the Participating Underwriter in complying with the provisions of Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission ("SEC") under the Securities Exchange Act of 1934, as the same may be amended from time to time ("Exchange Act").

SECTION 2. Definitions. In addition to the definitions set forth in the Resolution, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

"Beneficial Owner" shall mean any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Notes (including persons holding Notes through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Notes for federal income tax purposes.

"Continuing Disclosure Information" shall mean: (i) any notice required to be filed with the MSRB pursuant to Section 4 hereof; and (ii) any notice of an event required to be filed with the MSRB pursuant to Section 3(c) hereof.

"Dissemination Agent" shall mean the Issuer, or any successor Dissemination Agent designated in writing by the Issuer and which has filed with the Issuer a written acceptance of such designation.

"Listed Events" shall mean any of the events listed in Section 3(a) of this Disclosure Certificate.

"MSRB" shall mean the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Exchange Act.

"Noteholder" shall mean any person who is the registered owner of any Note, including holders of beneficial interests in the Notes.

"Participating Underwriter" shall mean any of the original underwriters of the Notes required to comply with the Rule in connection with offering of the Notes.

"Rule" shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Exchange Act.

"State" shall mean the State of New Jersey.

SECTION 3. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 3, the Issuer shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Notes:

1. principal and interest payment delinquencies;
2. non-payment related defaults, if material;
3. unscheduled draws on the debt service reserves reflecting financial difficulties;
4. unscheduled draws on the credit enhancements reflecting financial difficulties;
5. substitution of the credit or liquidity providers or their failure to perform;
6. adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Notes, or other material events affecting the tax-exempt status of the Notes;
7. modifications to rights of Noteholders, if material;
8. Note calls, if material, and tender offers;
9. defeasances;
10. release, substitution or sale of property securing repayment of the Notes, if material;
11. rating changes;
12. bankruptcy, insolvency, receivership or similar events of the Issuer, which shall be considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or

governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer;

13. the consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
14. appointment of a successor or additional trustee or the change of name of a trustee, if material.

(b) Whenever the Issuer obtains knowledge of the occurrence of a Listed Event described in subsection (a) for which the disclosure obligation is dependent upon materiality, the Issuer shall as soon as possible determine if such event would be material under applicable federal securities laws.

(c) If disclosure of a Listed Event is required, the Issuer shall in a timely manner not in excess of ten business days after the occurrence of the event, file a notice of such occurrence with the MSRB in an electronic format as prescribed by the MSRB. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

SECTION 4. Termination of Reporting Obligation. The Issuer's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Notes. If such termination occurs prior to the final maturity of the Notes, the Issuer shall give notice of such termination in the same manner as for a Listed Event under Section 3(c).

SECTION 5. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Issuer pursuant to this Disclosure Certificate. The initial Dissemination Agent shall be the Issuer.

SECTION 6. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Section 3, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Notes, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Notes, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Noteholders or Beneficial Owners of the Notes.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the Issuer shall describe such amendment in the same manner as for a Listed Event under Section 3(a), and shall include a narrative explanation of the reason for the amendment or waiver.

SECTION 7. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Certificate to update such information or include it in any future notice of occurrence of a Listed Event.

SECTION 8. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate, any Noteholder or Beneficial Owner of the Notes may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default on the Notes, and the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance.

SECTION 9. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the Issuer agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Notes.

SECTION 10. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriters and the Noteholders and Beneficial Owners from time to time of the Notes, and shall create no rights in any other person or entity.
