Community Description

Life Care Services has managed Aldersly since 2004. Aldersly originally opened in 1921. Aldersly is a life plan community on a 3.5 acre campus located in San Rafael, California, approximately 30 miles northwest of San Francisco. Aldersly consists of a RCFE, with a capacity of 85 units, and a SNF, with a capacity of 20 beds (SNF opened in 1993). The entire campus is licensed either as a RCFE or SNF. The RCFE consists of 55 IL units and 30 assisted living units (AL opened in 2004), all of which are licensed by the California Department of Social Services ("DSS") under the RCFE Law. Aldersly has a certificate of authority from DSS to enter into continuing care contracts with residents.

The project was financed with \$6,360,000 of revenue refunding series A bonds and \$275,000 of series B taxable revenue bonds. Bond proceeds were used to refund the 2002 bonds, finance or reimburse the costs of constructing, remodeling and equipping long-term care facilities, fund a debt service reserve fund, pay outstanding balance to the California Health Facilities Financing Authority and to pay for the cost of issuance.
