Rating Action: Moody's Assigns Aa3 to Fallbrook Union High School District, CA's GO Bonds, 2016 Election, 2017 Series A

Global Credit Research - 09 Oct 2017

New York, October 09, 2017 -- Issue: General Obligation Bonds, 2016 Election, 2017 Series A; Rating: Aa3; Rating Type: Underlying LT; Sale Amount: \$10,000,000; Expected Sale Date: 10/17/2017; Rating Description: General Obligation;

Summary Rating Rationale

Moody's Investors Service has assigned an Aa3 rating to the Fallbrook Union High School District, CA's General Obligation Bonds, 2016 Election, 2017 Series A. The bonds will have an expected par amount of \$10 million. We have also affirmed the Aa3 rating on \$2.3 million of the district's outstanding general obligation bonds.

The Aa3 rating is driven by the district's growing assessed value that remains sufficiently sized despite losing a third of its value due to the creation of the Bonsall Unified School District (Aa3 GO rating). The rating also reflects the district's resident wealth levels and solid fiscal position inclusive of healthy cash levels. We anticipate that the fiscal profile will remain appropriate for the rating despite the projection of a moderate deficit in fiscal 2018. The district's debt and fixed cost burden is also stable and consistent with the rating.

The rating further incorporates the above average strengths of California school districts' general obligation bonds. Not only are these GOs secured by a voter-approved, unlimited property tax pledge, the proceeds of which are constitutionally restricted for debt service payment, but the county, rather than the district, will levy, collect, and disburse the GO tax proceeds.

Rating Outlook

Outlooks are usually not assigned to local government credits with this amount of debt outstanding.

Factors that Could Lead to an Upgrade

- Material growth of the assessed valuation and wealth
- Stabilization of enrollment
- Strengthening of fiscal position to include consistently higher balance and liquidity

Factors that Could Lead to a Downgrade

- Significant decline of assessed valuation
- Material narrowing of financial profile including weaker reserves
- Significant increase in total fixed costs as a portion of revenues

Legal Security

The bonds are general obligations of the district payable solely from ad valorem property taxes. The Board of Supervisors of the County is empowered and obligated to annually levy ad valorem property taxes upon all property subject to taxation by the district, without limitation as to rate or amount (except certain personal property which is taxable at limited rates), for the payment of principal and interest on the bonds when due.

Use of Proceeds

Proceeds from the sale will be used to finance repairing and upgrading aging classrooms and school facilities. This includes deteriorating roofs, plumbing and electrical systems, and improving campus safety/security among other items. Funds will also be used to upgrade career-training facilities, classrooms, and science labs

supporting instruction in math, engineering, technology, science and skilled trades.

Obligor Profile

The District operates three high school campuses; Fallbrook High School, Ivy Continuation High School, and Oasis High School (Independent Study). The District encompasses approximately 500 square miles in unincorporated San Diego County including the communities of Fallbrook, Rainbow, Camp Pendleton and the Naval Weapons Station Fallbrook.
