For Immediate Release
Henry Ford Health System, Notice to Bondholders

Henry Ford Health System Henry Ford Health System is pleased to announce that Robin S. Damschroder, MHSA, FACHE, will serve as Interim Chief Financial Officer beginning Monday, December 11, 2017.

Ms. Damschroder has served as a proven health care leader for more than 27 years, including senior executive roles in Southeast Michigan with St. Joseph Mercy Health System (Trinity Health) and The University of Michigan Health System. Robin has demonstrated experience in operational growth, implementation of large strategic capital projects and improved health system performance in large, complex organizations. Equally important, she has proven experience leading change, integration efforts and innovation in value-based contracting.
