

Investor Presentation February 2018  
Stacey M. Haskell - Executive Director  
Nicki Sinclair - High School Director

# Mission and Vision

Corvian Community School develops the whole child and seeks to address the cognitive, emotional, social and physical needs of each student. The ultimate goal is to help students develop happy, healthy lives well equipped for the future.

Corvian Community School believes that every child can and will succeed in ways that reflect his or her own aptitudes, interests, and healthful lifestyle practices. Our mission is to implement the principles of Dr. Ernest Boyer's Basic School philosophy in order to provide an optimal learning environment in which:

- Teachers and parents work together to create an inclusive community of learning
- Students are intrinsically motivated as lifelong learners through hands-on teaching and an integrated curriculum
- Students are encouraged to develop healthy lifestyle practices for social, emotional and physical health
- Teachers are empowered to meet the needs of students on an individual basis

# Health & Wellness

Corvian Community School is committed to the physical, emotional, and mental health of all of its students. By specifically teaching the Common Core standards within our curriculum, our hope is for students to become young adults who make healthy choices for their lives. In addition, teachers will model and teach children about healthy diets and the importance of exercise and good health habits. Attention is given to teaching children about healthy food choices, and to that end, parents are encouraged to pack healthy snacks and healthy lunches each day that include fruits, vegetables, and a good source of protein. Tennis shoes will be required for all elementary students on a daily basis. Students will exercise each day during outside play and physical education classes. Parents are also encouraged to provide outside play in the afternoons and on weekends.

# Accolades in 2017

## **FY2017 Audit Complete**

2016-2017 Financial Audit complete with zero findings and a net position of \$142,873.

## **Corvian Community School is a Wipe Out Waste Award Recipient (click to watch video)**

Corvian has been selected as an award recipient of Charlotte Mecklenburg's Wipe Out Waste Recycling Ambassador Program. This event recognizes Mecklenburg County businesses with outstanding waste reduction and recycling programs. Congrats, Cardinals!

# Accolades in 2017

**We met our Fundraising goal for 2017!**

Corvian is very fortunate to have supportive families and community businesses who contribute to our annual fundraising goal. Please see the link below where the generous contributions have been applied in 2017.
