June 2011

I am hereby submitting the 2011-12 Special Districts Adopted Budget. The budgets contained in this workbook are for the Board-governed special districts managed through the Special Districts Department, the San Bernardino County Fire Protection District (County Fire), the Public Works Department (County Flood Control District) and the County Airports Department (CSA 60 – Apple Valley Airport).

The budget workbook is presented by department in the following order: San Bernardino County Fire Protection District, Special Districts Department (including CSA 60 – Apple Valley Airport), and the County Flood Control District. The adopted operating budgets within each department are followed by sections on Equipment Budget Detail and Capital Improvement Projects and Reserves.

THE BUDGET IN BRIEF

This budget book presents special revenue funds, capital project funds, and enterprise funds of the Special Districts Department, County Fire, and the Public Works Department (County Flood Control District). The total spending authority for all departments (excluding CIP and Reserves) totals \$358,098,615 and a summary of the overall operating budget authority and funded positions adopted for 2011-12 is shown by department below:

Department	Adopted Budget	Funded Positions
County Fire	\$156,952,140	969
Special Districts Department	62,775,459	207
County Flood Control District	138,371,016	161
Total	\$358,098,615	1,337

As in past years, these budgets have been presented at formal meetings with the appropriate advisory commission and/or municipal advisory council (MAC) for review and comment.

The mission of the government of the County of San Bernardino is to satisfy its customers by providing service that promotes the health, safety, well being, and quality of life of its residents according to the County Charter, general laws, and the will of the people it serves.

2011-12 HIGHLIGHTS

- Property Taxes – Budgetary property tax revenues for 2011-12 were adjusted based on the current year's property tax and special assessment collections and reflects a 6% decrease for County Fire, 5% decrease for Special Districts, and a 3% decrease for the County Flood Control District.
- Fee Adjustments – Proposition 218 notices were sent to all Special District water and sewer ratepayers regarding fee increases and the 2011-12 budget reflects an overall increase in related revenue of 4.75%. Fee revenue is also included for County Fire and Special Districts, including new fees and adjustments to existing fees based on program changes and/or increases in operating expenses. The 2011-12 budget reflects a 2% increase in fee revenue for County Fire and a 2% increase in fee revenue for Special Districts
- County General Fund Support – Support to County Fire is \$12.8 million, a 73% increase in an effort to sustain acceptable service levels.
- Staffing Changes – Overall net increase of positions due to a change in the accounting for extra-help positions and there has been no net increase in the number of actual positions. Historically, budgeted extra-help positions have not been included in the budgeted staffing count.
- Service Level Changes – Current service levels for Special Districts will be maintained and although County Fire will have a reduction in services levels, service delivery will be minimally impacted.

The current economic climate continues to cause reductions in county programs and local government. We are committed to making the most of our funding and capitalizing on the strengths of our employees to provide the necessary services in the most efficient manner. The County will continue to evaluate functions that can be consolidated. A continuing examination of the County's programs and functions is underway in order to maintain basic and mandated services and to streamline service delivery to end users. The County will continue its practice of cost reduction by thoroughly reviewing all hiring and scrutinizing other expenditures.

Although the 2011-12 budget meets the County's budget objectives and addresses major policy issues, as we enter into the new fiscal year and beyond, we will be facing challenges to ensure the Board's goals and objectives and the mission of the County, which is to serve and enhance the well-being of its residents, are accomplished.

COUNTY OF SAN BERNARDINO SPECIAL DISTRICTS

The Special Districts Adopted Budget covers the period from July 1, 2011 – June 30, 2012. The budgets contained in this workbook are for the Board-governed special districts managed through the Special Districts Department, the San Bernardino County Fire Protection District (County Fire), the Public Works Department (County Flood Control District) and the County Airports Department (CSA 60 – Apple Valley Airport). The budget consisting of the special revenue funds, capital project funds, and enterprise funds has a total appropriation of \$358.1 million. Each department is responsible for operating within their budget and has the authority to spend up to the approved budget.

When developing their individual budgets, each department considers the following mission, vision, and value statements of the County of San Bernardino:

Mission Statement

The mission of the government of the County of San Bernardino is to satisfy its customers by providing service that promotes the **health, safety, well-being, and quality of life** of its residents according to the County Charter, general laws, and the will of the people it serves.

Goals

On September 28, 2010, the Board of Supervisors adopted the following goals to provide direction to the Chief Executive Officer and the organization, while the county engages in the creation of a new Countywide Vision Statement, and subsequent related goals and objectives.

- Create, Maintain and Grow Jobs and Economic Value in the County
- Improve County Government Operations
- Operate in a Fiscally-Responsible and Business-Like Manner
- Ensure Development of a Well-Planned, Balanced, and Sustainable County
- Maintain Public Safety
- Provide for Health and Social Services Needs of County Residents
- Pursue County Goals and Objectives by Working with Other Governmental Agencies

Development of new Countywide Vision Statement

In the fall of 2010, the County of San Bernardino and San Bernardino Associated Governments (SANBAG) launched an initiative to collaborate with the community to develop a vision for the county's future. Input was received from more than 4,000 residents through an online survey and community meetings held throughout the county. In addition, focus group meetings were convened with more than 25 industry-specific groups, as well as with each of the 24 cities and towns in the county to more fully understand their perspectives and priorities.

The data collected through these outreach efforts was summarized into a report that identified nine core vision "elements," a set of shared values and a series of examples that demonstrate innovative and collaborative solutions to critical issues. The end result, the following Countywide Vision statement, was adopted on June 30, 2011, by the County Board of Supervisors and SANBAG Board of Directors.

Countywide Vision Statement

We envision a complete county that capitalizes on the diversity of its people, its geography, and its economy to create a broad range of choices for its residents in how they live, work, and play.

We envision a vibrant economy with a skilled workforce that attracts employers who seize the opportunities presented by the county's unique advantages and provide the jobs that create countywide prosperity.

We envision a sustainable system of high-quality education, community health, public safety, housing, retail, recreation, arts and culture, and infrastructure, in which development complements our natural resources and environment.

We envision a model community which is governed in an open and ethical manner, where great ideas are replicated and brought to scale, and all sectors work collaboratively to reach shared goals.

From our valleys, across our mountains, and into our deserts, we envision a county that is a destination for visitors and a home for anyone seeking a sense of community and the best life has to offer.

The County and SANBAG are now committed to facilitating discussions centered on how each of the nine core vision elements can be effectively focused to implement the Vision for a complete community – one that affords all citizens an opportunity for healthy lifestyles, strong public safety and quality amenities. These discussions will involve diverse stakeholders representing residents, employers, educators, community and faith-based organizations, and government. The Countywide Vision statement, report and related documents are available for review at www.sbcounty.gov/vision.

Countywide Vision Elements and Shared Values

To achieve a countywide vision to build a complete community, we must work together to improve each essential element of our society:

Jobs/Economy	Public Safety	Environment
Education	Infrastructure	Wellness
Housing	Quality of Life	Image

The following shared values drive how we address these elements. Our values are our identity, which is what sets us apart and makes us unique from other Southern California regions:

Charity	Honesty	People
Collaboration	Innovation	Responsibility
Commitment	Integrity	Self-reliance
Culture	Natural Resources	Sense of Place
Diversity	Opportunity	Sustainability
Efficiency	Participation	Transparency
History	Patience	Volunteerism

The Countywide Vision, and subsequent goals and objectives, will be an important factor in future budget decisions.

BUDGET PLANNING CALENDAR

For 2011-12, the Special Districts annual budget process has changed due to the elimination of the publication of the Annual Report and Business Plan document. For 2011-12, the production of the Annual Report and Business Plan document has been eliminated, and the information has been incorporated into the budget document. Providing all of this information in one document is more reader friendly and cost effective. Therefore, the 2011-12 Adopted Budget book includes prior year accomplishments, departmental strategic goals, objectives, and performance measures, which demonstrate how departments meet their overall departmental mission as well as the global mission of the county.

ONGOING

The Board of Supervisors provides ongoing policy direction to the Chief Executive Officer.

Departments provide year end estimates of revenues and expenditures to Finance and Administration on a monthly basis and any significant changes will be addressed timely.

Each quarter the County Administrative Office brings an agenda item to the Board of Supervisors requesting modification of the adopted budget. These quarterly budget adjustments serve as a management tool to help each department assess the current environment, and anticipate and respond appropriately to that environment. In addition, the quarterly budget adjustments provide the Board of Supervisors with the most current information on county department revenues (sources) and appropriation (requirements) with which to base decisions, and serve as a guideline to lead the county in preparing the upcoming budget.

OCTOBER THROUGH DECEMBER

Fee Development – Departments develop their recommended fee changes for the upcoming budget year and submit them to Finance and Administration for review and recommendation to the Chief Executive Officer, and to the Board of Supervisors for final approval. For 2011-12, Finance and Administration required departments to compute their full cost of service, capturing both direct and indirect costs associated with fees. Departments were able to provide an alternate fee amount for the Board of Supervisors, if based on their knowledge, implementation of a full cost fee or internal service rate would not be beneficial.

JANUARY AND FEBRUARY

Five-year Operating Forecast – Finance and Administration develops a five-year operating forecast of financial operations for general fund programs, projecting major revenues (sources) and expenditures (requirements), based on current service levels and expected future changes to those programs or service levels. The analysis includes the identification of trends, significant impacts, and recommendations, which are presented to the Chief Executive Officer for recommendation to the Board of Supervisors for final approval.

Budget Prep System – The in-house budget system is updated for changes in the various Memorandums of Understanding between the county and the various employee representation units.

MARCH AND APRIL

Budget Prep System – The system is opened up for departmental input in preparation of the budget submittal and internal training is conducted for all users of the system.

Fee Hearing – The Board of Supervisors conducts a public hearing on the Recommended Fee changes for the upcoming fiscal year. Approved fee changes are included in the Recommended Budget submittals to the Board of Supervisors.

Strategic Plan – The upcoming five-year strategic plan is developed based on revenue projections and estimates for cost increases of ongoing costs for the five years. This plan includes the allocation of discretionary general funding (net county cost) and provides estimates of any remaining funding or shortfall needed to maintain current services.

Preparation of Recommended Budget – Departments develop their respective recommended budgets and submit them to Finance and Administration for review, and to the Chief Executive Officer for recommendation, and to the Board of Supervisors for final approval. General fund departments must budget within their respective net county cost allocations given to them based on the strategic plan.

MAY AND JUNE

Submission of Recommended Budget – The Recommended Budget Book is finalized and presented to the Board of Supervisors. The County Administrative Office publishes notices and schedules public hearings to discuss the Recommended Budget.

Budget Hearing and Adoption of Adopted Budget – The Board of Supervisors conducts a public hearing on the Recommended Budget. At this time, the Board may modify the Recommended Budget. All Board approved changes are incorporated into the Adopted Budget.

JULY THROUGH SEPTEMBER

Budget Prep System –Finance and Administration makes final budget changes to the Budget Prep System for items approved by the Board of Supervisors, including final fund balance adjustments.

Preparation of Adopted Budget Book –Finance and Administration updates the Recommended Budget Book to reflect final changes.

Budget Process

Special Districts has special revenue funds, capital project funds, and enterprise funds. All of these funds are restricted to the revenue sources they receive. Each department having these types of funds is responsible for developing its budget based on the revenue (sources) available to them. These sources include projected revenue to be collected in 2011-12 and any revenue not spent and carried forward from prior years (for example, fund balance for special revenue funds). These budgets will be discussed during the Budget Hearing. When the Board of Supervisors approves the adopted budget, they will also approve the necessary fund balance adjustments to special revenue funds to agree to the Auditor-Controller/Treasurer/Tax Collector's actual fund balance.

Amending the Adopted Budget

An operating budget is adopted each fiscal year for all Governmental Funds. Expenditures are controlled at the appropriation unit level within budget units for the county. Any increases in appropriation in a budget unit after adoption of the adopted budget will be submitted on a quarterly budget report placed on the agenda of the Board of Supervisors and a four-fifths vote is necessary for approval.

Transfers of appropriation within the same budget unit may be approved by the County Administrative Office or the Board of Supervisors depending upon the appropriation unit. Exceptions are noted below:

Transfer of Salaries and Benefits Appropriation:

- Transfers out funded with discretionary general funding (net county cost) are not allowed.
- Transfers out not funded with discretionary general funding require Board of Supervisors approval and should be included in a quarterly budget report.
- Transfers in from other available appropriation within the budget unit will be required if budgeted salaries and benefits appropriation is inadequate to meet expenditures.

Transfer of Fixed Asset Appropriation:

- Transfers out requires Board of Supervisors approval and should be included in a quarterly budget report.
- Transfers in, less than \$10,000, may be approved by the County Administrative Office.
- Transfers in, greater than \$10,000, requires Board of Supervisors approval and should be included in a quarterly budget report.

BUDGET BOOK FORMAT

Budget units presented in this book are displayed at a fund/department level. Although some departments incorporate additional organizational levels when developing their budgets, the fund/department level of presentation was selected to provide consistency between all budget units. A sample of the departmental budget format is included in this overview.

2011-12 GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

GOAL 1: INCREASE AMBULANCE SERVICE BILLING ACCURACY TO MAXIMIZE THE POTENTIAL FOR A TIMELY COLLECTION OF AMBULANCE SERVICE REVENUES.

Objective: Transmit the standardized service call report electronically so that patient information is transmitted to the ambulance service billing contractor in an accurate and timely manner.

Measurement	2008-09 Actual	2009-10 Actual	2010-11 Target	2010-11 Actual	2011-12 Target
Percentage of service call reports with billing information submitted to the billing contractor within 5 working days from the incident.	38.3%	72.68%	90%	76%	N/A

GOAL 2: RELOCATE RICHARD SEWELL TRAINING AND SERVICE CENTER FROM A LEASED FACILITY AT SAN BERNARDINO INTERNATIONAL AIRPORT (SBIA) TO A NEW CENTRALIZED, SECURE, AND STRATEGIC LOCATION.

Objective: Continue to estimate project cost and identify potential revenue sources to fund relocation of facility.

Measurement	2008-09 Actual	2009-10 Actual	2010-11 Target	2010-11 Actual	2011-12 Target
Percentage of completion of project cost estimate and potential revenue source identification.	N/A	N/A	N/A	0%	10%

GOAL 3: DEVELOP AND IMPLEMENT EXPANDED BACKUP FIRE COMMUNICATIONS CENTER AT THE HIGH DESERT GOVERNMENT CENTER IN HESPERIA.

Objective A: Develop an integrated plan with county Architecture and Engineering for the implementation of the expanded backup communications center.

Objective B: Apply for and secure \$300,000 from the 2011 Homeland Security Grant to fund the Computer Aided Dispatch (CAD) and Information Technology (IT) equipment to support the Center.

Objective C: Purchase equipment required to make the Center operational.

Measurement	2008-09 Actual	2009-10 Actual	2010-11 Target	2010-11 Actual	2011-12 Target
A. Develop an integrated plan with county Architecture and Engineering (A&E) and Information Services Department (ISD) for the implementation of the expanded/backup center	N/A	N/A	N/A	N/A	90%
B. Apply for and secure \$300,000 from the 2011 Homeland Security Grant to fund the CAD and IT equipment to support the center.	N/A	N/A	N/A	N/A	90%

The Consolidated Fire Agencies (CONFIRE) Communication Center functions as the dispatch center for thirteen fire agencies and the County of San Bernardino. The Center processes approximately 112,000 Fire/Emergency Medical Services (EMS) incidents per year and 7,600 local government calls for service. Presently there is not dedicated backup center for the facility and there is little capacity to handle a substantial increase in work load.

At the direction of the Board of Supervisors, a needs assessment was completed by an outside consultant in 2007 and it was recommended that an additional site be established as an expanded or backup center to be activated when large incidents occur that require the additional capacity and staffing. Space has become available in the High Desert Government Center to move the Sheriff/Coroner/Public Administrator's Desert Dispatch Center and create an additional center for the CONFIRE Agencies. Funding for the dispatch equipment is being applied for in 2011-12 in the 2011 Homeland Security Grant application and if approved should total \$300,000. The county is funding both the building modifications and any ISD related costs regarding the radio system and consoles. The timeline for the project will be dependent upon 2011 Homeland Security Grant funding availability and availability of the new work space. Due to grant funding timelines it is anticipated this goal will not be completed until 2012-13.

GOAL 4: TO INCREASE REVENUE COLLECTED BY AMBULANCE TRANSPORT COST RECOVERY COLLECTION STAFF BY 20% OVER A THREE-YEAR AVERAGE OF COLLECTED REVENUE BEGINNING 2008-09.

Objective A: To increase Cost Recovery collections by 20% in collected revenue based on the average collected over three-year average beginning 2008-09.

Measurement	2008-09 Actual	2009-10 Actual	2010-11 Target	2010-11 Actual	2011-12 Target
Percentage increase of revenue collected from three-year average of \$180,000	N/A	N/A	N/A	N/A	20%

During the last quarter of 2010-11 County Fire's fiscal division underwent a staffing reorganization. The purpose was to focus more on the collection of revenues but still maintain the staff necessary to perform the technical and reporting functions of the Fiscal Division. With the increase in staff County Fire should see an estimated 20% increase in our collected Ambulance Transport Cost Recovery Revenue in 2011-12. The collection of this revenue offsets the costs of the County Fire staff and the contract biller to the regions. The more that is collected the less the regions are charged at the end of the fiscal year.

San Bernardino County Fire Protection District Administration

DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Fire Protection District (County Fire) covers 18,353 square miles, operates 81 fire stations and facilities within 4 Regional Service Zones (Mountain, North Desert, South Desert and Valley), and serves 64 unincorporated communities, the city of Grand Terrace, and the Town of Yucca Valley. There are also 6 ambulance enterprise operations that provide service within these Regional Service Zones. In addition, five cities are Independent Fire Protection Districts which contract with County Fire: Adelanto, Fontana, Hesperia, Needles and Victorville. County Fire's executive management is provided by the Fire Chief/County Fire Warden, Deputy Chief, Assistant Chief of Administration, Assistant Chief of Operations as well as Division Managers and Division Chiefs.

County Fire is an all-risk department providing emergency mitigation and management for fire suppression, emergency medical services (paramedic and non-paramedic), ambulance services, hazardous materials (HAZMAT) response, arson investigation, technical rescue including water borne, flooding and mudslide, winter rescue operations, and terrorism and weapons of mass destruction. As part of disaster preparation, response, and mitigation, the department's Office of Emergency Services specifically provides support and assistance to the 24 cities and towns, as well as, all the unincorporated portions of the county. The field functions are supported by a countywide management system that includes organizational business practices, human resources, financial and accounting services, vehicles services and support, and equipment warehousing and distribution. County Fire also provides for the management of community safety services such as: fire prevention, building construction plans and permits, household hazardous waste, Local Oversight Program for hazardous materials, HAZMAT facility inspections, planning and engineering, and public education and outreach.

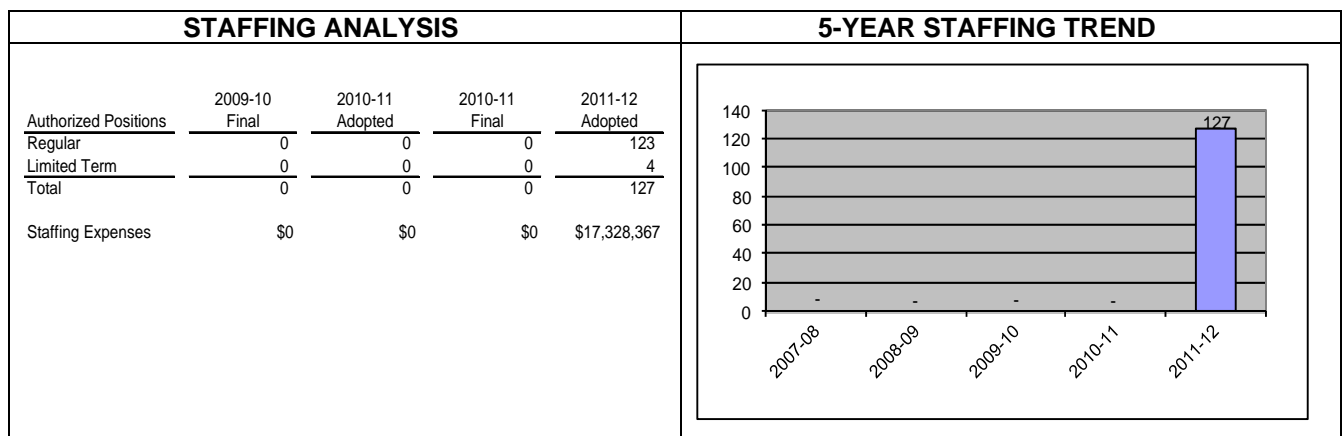

Beginning with 2011-12, County Fire Administration operating budget SKX is reflected in a new fund code FPD and the following operating budgets are separated from County Fire Administration (SKX 106) into special revenue funds with new fund agency codes: Office of Emergency Services (FES 108), Hazardous Materials (FHH 107) and Household Hazardous Waste (FHZ 107). Also, based on GASB 54 requirements, all accounting for Fire Protection Contracts have been moved to the region the contract is serving as follows: City of Needles (FSZ 610), Fontana Fire Protection District (FVZ 580), Hesperia Fire Protection District (FNZ 590), City of Victorville Fire Protection District (FNZ 590) and the City of Adelanto (FNZ 590).

Buffer Zone Protection Program Grant

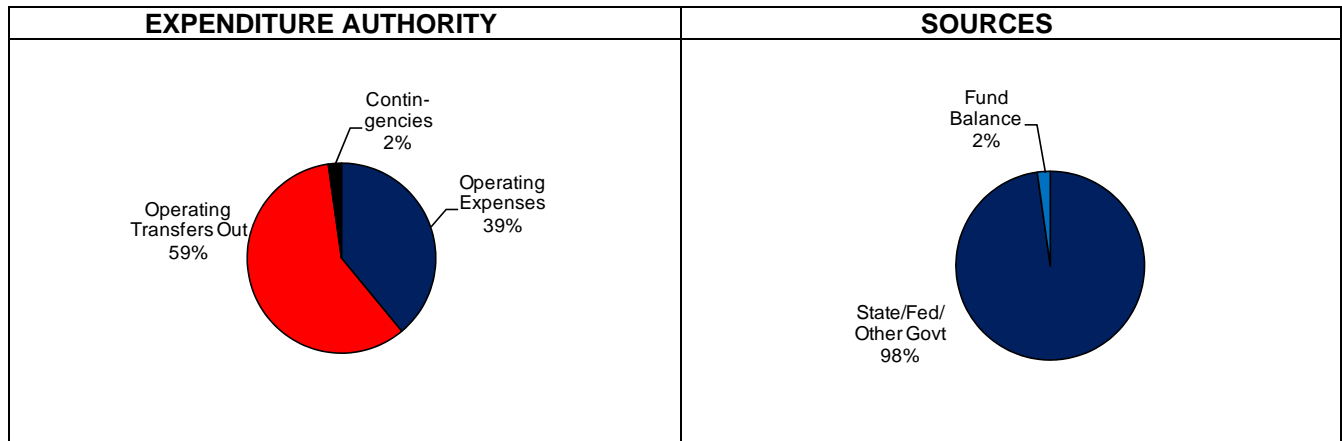

DESCRIPTION OF MAJOR SERVICES

Since Fiscal Year 2005, the U.S. Department of Homeland Security has funded the Buffer Zone Protection Program (BZPP). The BZPP is designed to provide funding to protect and secure Critical Infrastructure and Key Resource (CI/KR) sites across the country as well as reduce vulnerabilities of these facilities. The program also significantly enhances their protection and deters threats or incidents of terrorism aimed at these facilities. The CI/KR sites are potential terrorist targets, which were identified through a National Review by the Preparedness Directorate Office of Grants and Training of the U.S. Department of Homeland Security. The San Bernardino Operational Area has three critical infrastructure sites that qualified for the Buffer Protection Plan and Vulnerability Reduction Purchase Plan programs in the 2006-07 BZPP grant. Information related to these critical infrastructure sites cannot be released due to the confidentiality of CI/KR facilities.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$14,238 includes services and supplies, central services, travel, and reimbursements to other budget units. The net decrease of \$81,431 is primarily due to the completion of grant projects in the prior fiscal year.

Contingencies of \$811 are increasing by \$655 to fund future year operations. This is the result interest earned on daily cash balance of grant.

Operating transfers out of \$21,422 are decreasing by \$7,664 due to the decreased reimbursements to the Sheriff/Coroner/Public Administrator's Department as a result of the completion of the project.

Departmental revenue of \$35,660 is decreasing by \$89,251 due to the completion of grant projects in the prior fiscal year.

USFS ARRA Stimulus Grant

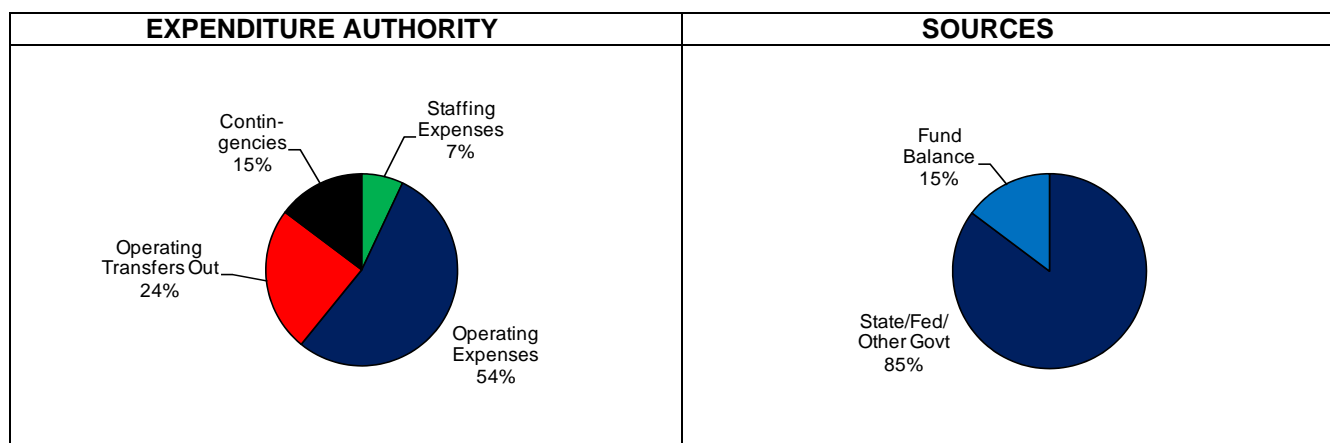

DESCRIPTION OF MAJOR SERVICES

On August 18, 2009 (Item No. 35), the Board of Directors authorized County Fire to accept a total grant award of \$3,150,000 from the United States Forest Service through the American Recovery and Reinvestment Act of 2009 (ARRA) to continue the fuels reduction and fuels management program. The grant provides funding for fuels management modification/reduction projects creating defensible space, community zones, fuel breaks, and removal/modification of overgrown fuels that threaten lives and property in and around the mountain communities' Wildland Urban Interface, evacuation routes, and critical infrastructure while protecting and managing the forest to achieve a sustainable, healthy ecosystem appropriate for the area and land use. The grant performance period is from July 22, 2009 to July 31, 2012.

Hazardous Materials

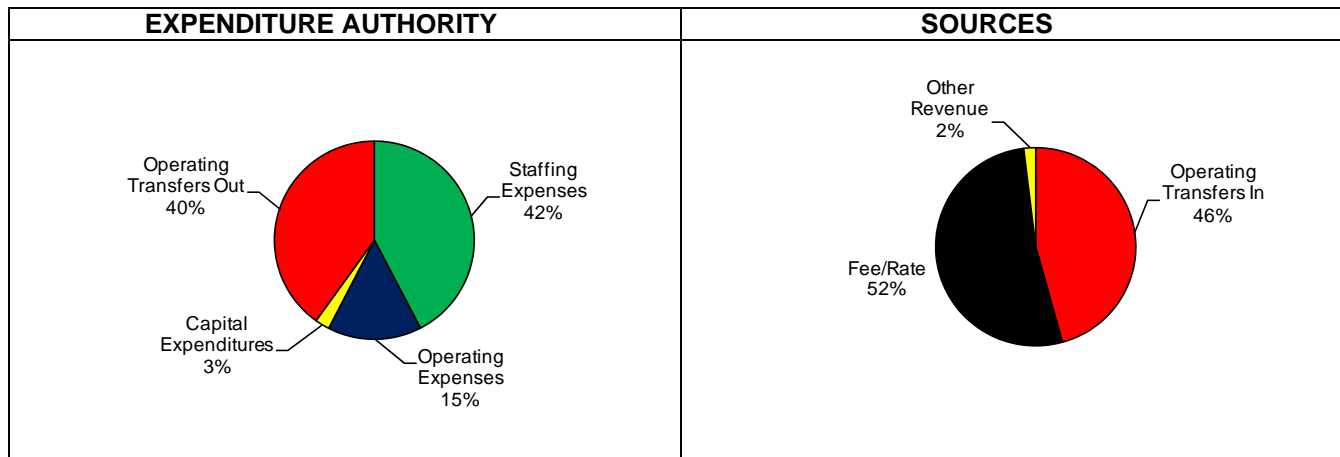

DESCRIPTION OF MAJOR SERVICES

County Fire is an all-risk department that provides for the oversight and regulation of all commercial hazardous materials and wastes. The program provides services in three major areas and these services are provided to all businesses in all cities within the county. The first area is the Consolidated Unified Program Agency or the CUPA that inspects about 4,000 businesses to ensure the proper management of hazardous materials and wastes in six areas of regulatory concern. The second program involves the cleanup of contamination from leaking underground storage tanks. Monitoring of about one thousand underground storage facilities has lead to the investigation of leaks at hundreds of facilities. This program works with the owner of the facility to provide the best and fastest methods to remove the contamination and protect ground water. The third program provides emergency response to, and investigation of, all releases of hazardous materials. This 24/7 team responds to all types of releases from businesses, pipelines, tanker trucks and rail cars. They are capable of mitigating the release as well as ensuring that any contamination resulting from the spill or release is remediated below any level of health risk concern. If there is any sign of misconduct, the program coordinates the county Environmental Crimes Task Force that coordinates all investigatory activity with the District Attorney's office. All activities are funded by permit fees and grants with no support from the general fund.

Household Hazardous Waste

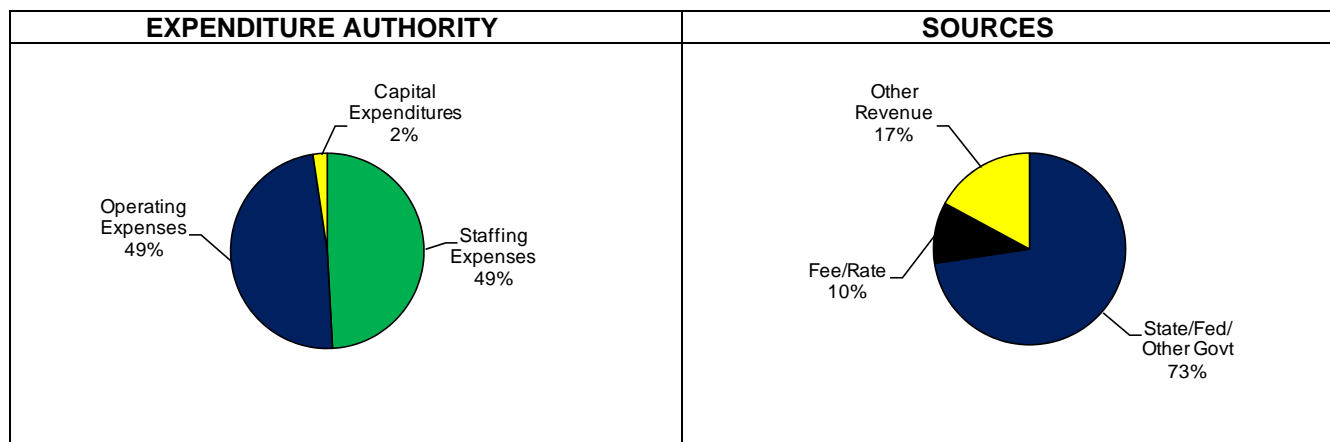

DESCRIPTION OF MAJOR SERVICES

County Fire is an all-risk department that provides a nationally recognized, award winning program for management of Household Hazardous Waste (HHW). These full service activities include the collection, packaging, transportation, re-use, recycling and ultimate environmentally safe disposal of HHW. The program re-uses or recycles hundreds of thousands of pounds of waste paint, used oil, batteries, pesticides and other household chemicals that can't go down the drain or be dumped in the landfill. The program also conducts public education programs and activities to try to eliminate the impact of these hazardous wastes on public health and the environment. The program contracts with every city and town in the county, except one, to make these services available to almost every single resident within the county.

Office of Emergency Services

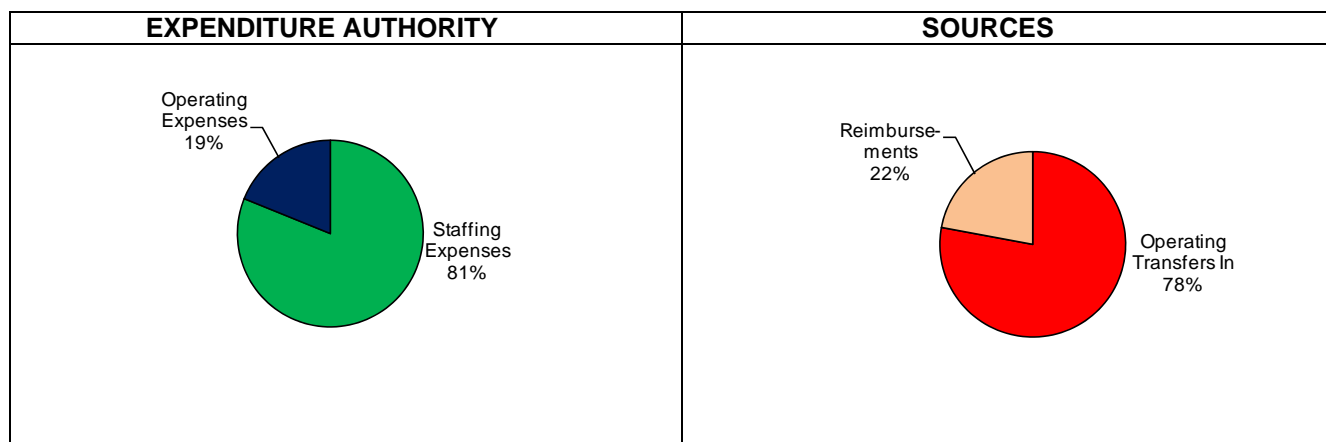

DESCRIPTION OF MAJOR SERVICES

County Fire is an all-risk department providing emergency management and disaster planning and coordination throughout the county through its Office of Emergency Services (OES). It functions as the Lead Agency for the San Bernardino County Operational Area (OA). While County OES does not directly manage field operations, it ensures coordination of disaster response and recovery efforts through day-to-day program management and during a disaster or emergency. As part of disaster preparation, response, and mitigation, OES specifically provides support and assistance to all 24 cities and towns, as well as, all the unincorporated portions of the county. It is the single point of contact for the California Emergency Management Agency (CalEMA) for all county activities. OES manages numerous grants totaling millions of dollars such as the Homeland Security Grant, the Emergency Management Performance Grant, the Disaster Corps Grant for Volunteering and Preparedness and Urban Area Security Initiative Grant among many others. OES is also responsible for developing and implementing numerous county-wide plans such as the Hazard Mitigation Plan, the Mass Care and Shelter Plan just to name a few. OES also coordinates various task forces and boards such as the county's Flood Area Safety Taskforce (FAST). The county's use of the Telephonic Emergency Notification System (TENS) is also coordinated by OES. OES takes a full service approach to all of its endeavors and to all citizens of the county.

Mountain Regional Service Zone

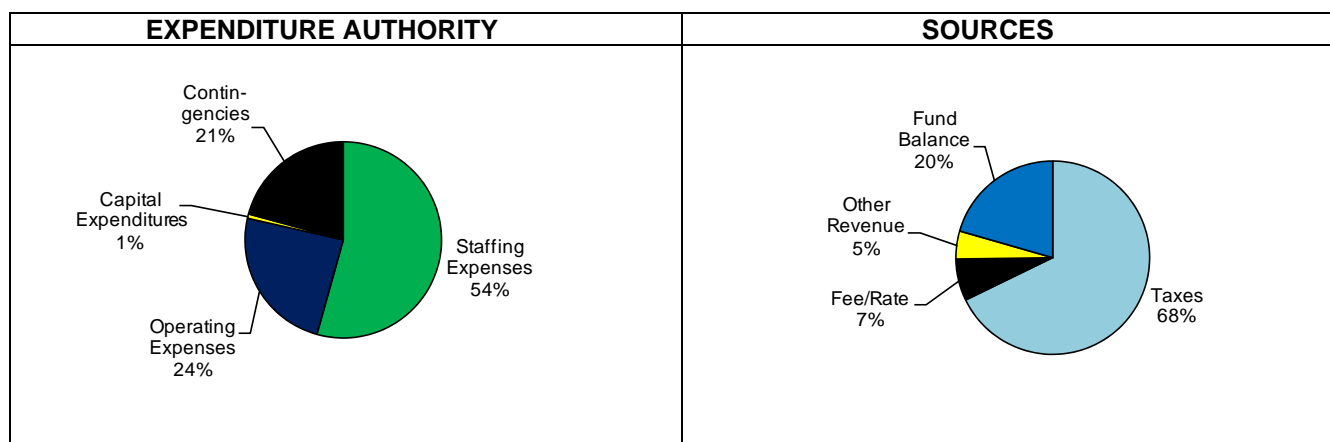

DESCRIPTION OF MAJOR SERVICES

The Mountain Regional Service Zone was formed through a reorganization process effective July 1, 2008 per Local Agency Formation Commission (LAFCO) Resolution 2986/2989. This Regional Service Zone provides fire protection services to the areas of Angelus Oaks (Station #98), Fawnskin (Station #96), Forest Falls (Station #99), Green Valley Lake (Station #95), and Lake Arrowhead (Stations #91, #92, #93 and #94). The budget also funds Limited Term Firefighters, a Paid Call Firefighter program and administrative staff. This service zone provides ambulance services to the Lake Arrowhead community out of Stations #91, #92 and #94 and paramedic services out of Service Zone PM-1 Lake Arrowhead Paramedic. Beginning in 2011-12, based on GASB 54 requirements, this region will record all the revenues and appropriation for both the Ambulance and Paramedic Services (Lake Arrowhead Ambulance and Service Zone PM-1) located within this region.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$6,579,823 fund 108 budgeted positions of which 43 are regular positions and 65 extra-help. The decrease of \$190,565 is due to MOU decreases in benefits from Suppression and Non Represented/Supervisory staff. Budgeted positions are increasing by 62 positions due to a change in the accounting for extra-help positions and there has been no net increase in the number of actual positions. Historically, budgeted extra-help positions have not been included in the budgeted staffing count.

Operating expenses of \$2,934,438 includes services and supplies, central services, travel and related costs, and reimbursements to other budget units. The net increase of \$320,339 is primarily due to the inclusion of ambulance and paramedic service budget units in this budget unit beginning 2011-12. This increase is offset by reduced clothing expense due to MOU changes for Suppression and a reduction in both inventoriable equipment expense and building maintenance expense.

Capital expenditures of \$85,000 include the purchase of an apparatus bay exhaust system and a water tender. The decrease of \$76,292 is primarily due to a reduction in vehicle purchases for 2011-12.

Contingencies of \$2,513,203 are increasing by \$1,909,335 to fund future year operations.

Reimbursements are decreasing by \$244,547 primarily due to these transfers in are now being reflected in departmental revenue as a result of the inclusion of ambulance and paramedic service budget units in this budget unit.

Operating transfers out is decreasing by \$60,500 due to a decrease in capital improvement projects transfers out.

Total revenue of \$9,096,914 includes property taxes, charges for current services, and other revenue. The increase of \$1,061,669 is primarily due to charges for current services as a result of the inclusion of ambulance and paramedic services budget units in this budget unit beginning 2011-12.

Operating transfers in of \$527,979 includes transfers for general fund support from San Bernardino County Fire Protection District Administration and reserves to provide funding for capital expenditures and minor CIPs. The decrease of \$299,312 is primarily due to the inclusion of ambulance and paramedic service budget units in this budget unit and their special assessments and ambulance rates are now reflected in fee/rate revenue.

Service Zone PM-1 Lake Arrowhead was approved by the Board of Supervisors in June 1981 (originally CSA 70 PM-1). A special tax for paramedic services, not to exceed \$10 per parcel, was approved in November 1981. In 1991, the voters increased the special tax not to exceed \$17 per parcel. This Service Zone provides additional funding to support the paramedic staffing and services at the Lake Arrowhead stations in the Mountain Regional Service Zone. Parcel count for 2011-12 is 15,709. Special tax revenue for 2011-12 is \$245,689.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$27,904,911 fund 292 budgeted positions of which 176 are regular positions and 116 are extra-help positions. The net increase of \$17,736,976 and 234 positions is due to the city contracts for Victorville, Hesperia, and Adelanto being added to this budget unit from San Bernardino County Fire Protection District Administration and a change in the accounting for extra-help positions. Historically, budgeted extra-help positions have not been included in the budgeted staffing count. There has been no net increase in the number of actual positions for the district. This increase is offset by MOU decreases in benefits from Suppression and Non Represented/Supervisory staff.

Operating expenses of \$12,294,197 includes services and supplies, central services, travel and related costs, and reimbursements to other budget units. The net increase of \$8,172,777 is primarily due to the inclusion of the city fire service contracts and the ambulance and paramedic service budget units in this budget unit beginning 2011-12. This increase is offset by reductions in clothing expense due to MOU changes for Suppression, non-inventoriable equipment, special department expense, and automotive repairs and maintenance.

Capital expenditures of \$1,299,000 include equipment purchases of cardiac monitors, a fire engine, three brush patrol engines, a water tender, and an ambulance. The increase of \$1,167,456 is primarily due to an increase in vehicle purchases.

Contingencies of \$399,654 are increasing by \$150,103 to fund future year operations.

Reimbursements of \$139,737 are decreasing by \$829,276, primarily due to them being reflected in fee/rate revenue versus reimbursements as a result of the inclusion of city fire service contracts and the ambulance and paramedic service budget units in this budget unit.

Total revenue of \$34,307,451 includes special assessment fees, ambulance service fees, city contract revenues, other revenue, and residual equity transfers in. The increase of \$27,616,925 is a result of the inclusion of city fire service contracts and the ambulance and paramedic service budget units in this budget unit.

Operating transfers in of \$6,764,092 reflects the general fund support from San Bernardino County Fire Protection District Administration and the use of reserves to provide funding for capital expenditures. The

general fund support and use of reserves increased by \$947,776. These increases are offset by decreases as a result of the inclusion of ambulance and paramedic service budget units in this budget unit and their transfers in are now reflected in fee/rate revenue.

Service Zone FP-1 Red Mountain was originally approved by the Board of Supervisors on September 26, 1995 (originally as CSA 30). Service Zone FP-1 provides fire protection services to the community of Red Mountain through a contract, which includes staffing with Kern County Fire Department under the administrative direction of the San Bernardino County Fire Protection District. A special tax of \$100 per parcel was approved in May 1985 to generate revenue for fire protection services. Parcel count for 2011-12 is 72. Special tax revenue for 2011-12 is \$6,624.

Service Zone FP-2 Windy Acres was formed in January 1985 (originally as CSA 70 FP-1 Improvement Zone) to provide fire protection to the community of Windy Acres, and is funded by a voter approved special tax, not to exceed \$407 per parcel. The budget for Windy Acres provides for a continuation of the contract, which includes staffing, with Kern County Fire Department, approved by the Board of Supervisors on September 26, 1999. Service Zone FP-2 provides fire protection services to the community of Windy Acres under the administrative direction of the San Bernardino County Fire Protection District. The current special tax rate of \$60 per parcel was established September 26, 1995. Parcel count for 2011-12 is 117. Special tax revenue for 2011-12 is \$6,458.

Service Zone FP-3 El Mirage was originally approved by the Board of Supervisors on March 16, 1986 (originally CSA 38 N). Service Zone FP-3 provides funding to the North Desert Regional Service Zone for fire protection staffing and services to the community of El Mirage under the administrative direction of the San Bernardino County Fire Protection District. A special tax of \$9 per parcel was approved in July 1987 to generate revenue for these fire protection services. Parcel count for 2011-12 is 3,591. Special tax revenue for 2011-12 is \$29,733.

Service Zone FP-5 Helendale/Silver Lakes was originally approved by the Board August 1, 2006 (originally CSA 70 FP-5 Improvement Zone). Service Zone FP-5 provides funding to the North Desert Regional Service Zone for fire and paramedic services staffing to the community of Helendale/Silver Lakes under the administrative direction of the San Bernardino County Fire Protection District. A special tax for fire services of \$117 per parcel with an annual 3% cost of living increase was approved on August 1, 2006. Parcel count for 2011-12 is 7,679. Special tax revenue for 2011-12 is \$903,290.

South Desert Regional Service Zone

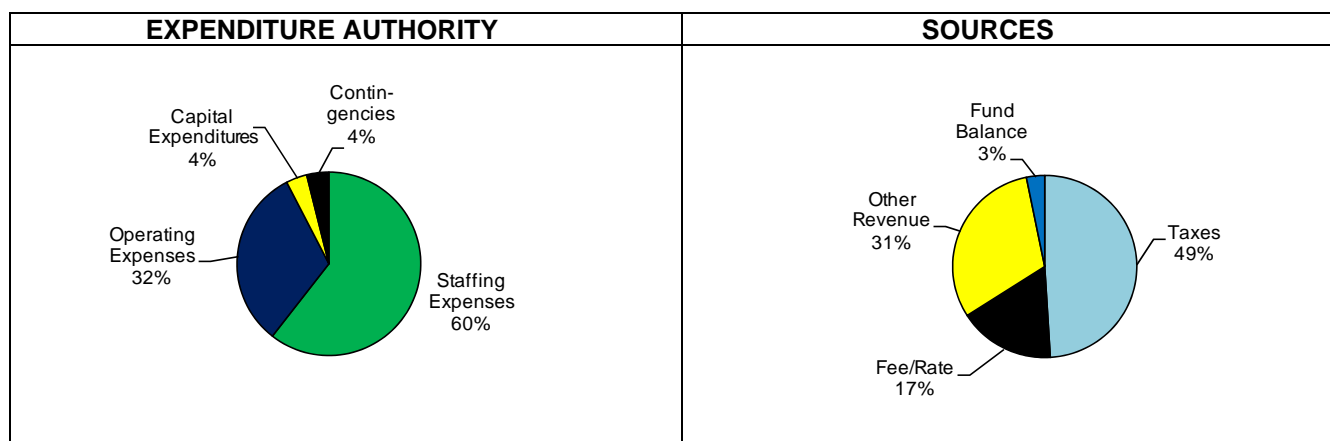

DESCRIPTION OF MAJOR SERVICES

The South Desert Regional Service Zone was formed through a reorganization process effective July 1, 2008 per Local Agency Formation Commission (LAFCO) resolution 2986/2989. This Regional Service Zone provides fire protection services to the areas of Big River (Station #17), Black Meadow Landing (Station #55), Copper Mountain Mesa (Station #44), Havasu Landing (Station #18), Johnson Valley (Station #43), Joshua Tree (Station #36), Landers (Station #19), Panorama Heights (Station #35), Parker Strip (Station #21), Park Moabi (Station #34), Pioneer Town (Station #38), Wonder Valley (Station #45), Wonder Valley – East (Station #47), Yucca Mesa (Station #42), and Yucca Valley (Station #41). The budget funds Limited Term Firefighters, a Paid Call Firefighter program and Administrative Staff. This service zone provides ambulance and paramedic services to the communities of Havasu Lake and Yucca Valley out of Stations #18, #41 and #42. Beginning in 2011-12, based on GASB 54 requirements, this region will manage the Fire Protection Contract with the City of Needles; it will also record all the revenue and appropriation for all Fire Protection Zones (FP-4 Wonder Valley and FP-6 Havasu Lake) and ambulance operations (Yucca Valley Ambulance and Havasu Lake Ambulance) located within this region.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$6,712,181 fund 113 budgeted positions of which 39 are regular positions and 74 are extra-help. The increase of \$362,749 and 77 positions is due to the city contract for Needles being added to this budget unit from San Bernardino County Fire Protection District Administration and a change in the accounting for extra-help positions. Historically, budgeted extra-help positions have not been included in the budgeted staffing count. There has been no net increase in the number of actual positions for the district. This increase is offset by MOU decreases in benefits from Suppression and Non Represented/Supervisory staff.

Operating expenses of \$3,533,112 includes services and supplies, central services, travel and related costs, other charges for financed equipment, and reimbursements to other budget units. The increase of \$555,662 is primarily due to the inclusion of the city fire service contract and the ambulance and paramedic service budget units in this budget unit beginning 2011-12 based on GASB 54 to account for appropriations and revenues in the region in which they operate. This increase is offset by reductions in non-inventoriable equipment, building maintenance, and reduced clothing expense due to MOU changes for Suppression.

Capital expenditures of \$408,253 include a gate opener in structures and improvement to structures, the anticipated replacement costs of an ambulance and brush patrol in vehicles, and the continuing five year payment schedule for a fire engine in lease purchase - vehicles. The increase of \$220,900 is primarily due to increased vehicle purchases for 2011-12.

Contingencies of \$432,981 fund future year operations.

Reimbursements of \$34,913 include salaries and benefits transfers in for a shared District Coordinator position. The decrease of \$277,924 is primarily due to some reimbursements that are now being reflected in fee/rate revenue as a result of the inclusion of the city fire service contract and the ambulance and paramedic service budget units in this budget unit.

Total revenue of \$7,449,259 includes property taxes, special assessment fees, ambulance service fees, city contract revenue, other revenue, and residual equity transfers in. The increase of \$2,002,076 is primarily due to the inclusion of the city fire service contract and the ambulance and paramedic service budget units in this budget unit and is offset by decreased property tax revenue based on current trends.

Operating transfers in of \$3,244,079 reflects the general fund support from San Bernardino County Fire Protection District Administration and the use of reserves to provide funding for capital expenditures. The general fund support and use of reserves increased by \$1,114,868. These increases are offset by decreases as a result of the inclusion of ambulance and paramedic service budget units in this budget unit and their transfers in are now reflected in fee/rate revenue.

Service Zone FP-4 Wonder Valley was originally approved by the Board June 7, 2005 (originally CSA 70 M). Service Zone FP-4 provides funding to the South Desert Regional Service Zone for fire services staffing to the community of Wonder Valley under the administrative direction of the San Bernardino County Fire Protection District. A special tax for fire services of \$30 per parcel with an annual 1.5% cost of living increase was approved June 7, 2005. Parcel count for 2011-12 is 4,664. Special tax revenue for 2011-12 is \$136,622.

Service Zone FP-6 Havasu Lake was originally approved by the Board July 14, 2009. Service Zone FP-6 provides funding to the South Desert Regional Service Zone for fire and emergency medical services staffing to the community of Havasu Lake under the administrative direction of the San Bernardino County Fire Protection District. A special tax for fire services of \$113 per parcel with an annual 3% cost of living increase was approved on July 14, 2009. Parcel count for 2011-12 is 1,346. Special tax revenue for 2011-12 is \$140,537.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$20,988,332 fund 200 budgeted positions of which 142 are regular positions and 58 are extra-help. The increase of \$12,888,038 and 153 positions is due to the city contract for Fontana being added to this budget unit from San Bernardino County Fire Protection District Administration and a change in the accounting for extra-help positions. Historically, budgeted extra-help positions have not been included in the budgeted staffing count. There has been no net increase in the number of actual positions for the district. This increase is offset by MOU decreases in benefits from Suppression and Non Represented/Supervisory staff.

Operating expenses of \$8,455,158 includes services and supplies, central services, travel, other charges, and reimbursements to other budget units. The increase of \$5,525,871 is primarily due to the inclusion of the city fire service contract and the paramedic service budget units in this budget unit beginning 2011-12. This increase is offset by a reduction of clothing expense due to MOU changes for Suppression.

Capital expenditures of \$319,306 include a bathroom remodel project, a roof replacement project, a parking lot rehab in improvements to structures, and also the final payment of a fire engine in lease/purchase vehicles. The decrease of \$9,125 is primarily due to the final payment on a fire engine being made midway thru the year.

Contingencies of \$331,111 fund future year operations.

Reimbursements are decreasing by \$381,060 primarily due to these reimbursements are now being reflected in fee/rate revenue as a result of the inclusion of the city fire service contract and the paramedic service budget units in this budget unit.

Total revenue of \$27,153,830 includes property taxes, special assessment fees, ambulance service fees, city contract revenue, other revenue, and residual equity transfers in. The increase of \$19,787,485 is primarily due to the inclusion of the city fire service contract and the paramedic service budget units in this budget unit and is offset by decreased property tax revenue based on current trends.

Operating transfers in of \$2,620,780 includes transfers in for general fund support of \$2,276,006 from San Bernardino County Fire Protection District Administration and transfers in from reserves to provide funding for capital expenditures. The general fund support and use of reserves increased by \$667,774. These increases are offset by decreases as a result of the inclusion of paramedic service budget units in this budget unit and their operating transfers in are now reflected in fee/rate revenue.

Service Zone PM-2 Highland was originally approved by the Board of Supervisors on June 8, 1985 (originally CSA 38 L). In November 1985 voters approved a special tax for paramedic services not to exceed \$19 per residential unit and \$38 per commercial unit. Service Zone PM-2 provides paramedic service to the unincorporated portion of San Bernardino. In 1999 the City of Highland detached from CSA 38L. Service Zone PM-2 contracts with the City of San Bernardino Fire Department to provide staffing for paramedic services to unincorporated area remaining within the PM-2 Zone boundaries. Parcel count for 2011-12 is 4,573. Special tax revenue for 2011-12 is \$95,930.

Service Zone PM-3 Yucaipa was approved by the Board of Supervisors on February 24, 1986 (originally CSA 38 M). In June 1987 voters approved a special tax for paramedic services not to exceed \$24 per residential unit and \$35 per commercial unit. Service Zone PM-3 provides paramedic service to the unincorporated portion of Yucaipa. In 1999 the City of Yucaipa detached from CSA 38 Zone M. Service Zone PM-3 contracts with the City of Yucaipa to provide staffing for paramedic services to the remaining unincorporated area within the PM-3 Zone boundaries. Parcel count for 2011-12 is 252. Special tax revenue for 2011-12 is \$5,918.

Homeland Security Grant Program

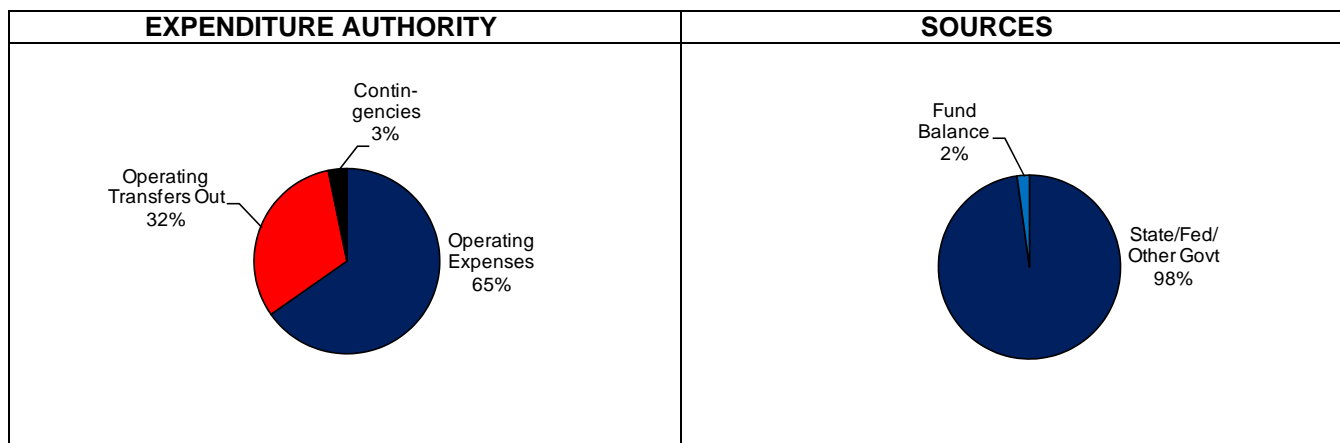

DESCRIPTION OF MAJOR SERVICES

Since 1999, grant funds have been received from the California Emergency Management Agency (Cal EMA) for terrorism risk capability assessments and eligible equipment for Emergency First Responders. The Homeland Security Grant Program is one tool among a comprehensive set of federal measures administered by Cal EMA to help strengthen the state against risks associated with potential terrorist attacks. Cal EMA has approved and awarded this grant, and the acceptance of this grant will continue San Bernardino County's effort to continue implementing the objectives and strategies of the Homeland Security Grant Program and respond to other catastrophic events.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$3,809,492 includes services and supplies, central services, travel, and reimbursements to other budget units. The net increase of \$1,027,681 is primarily due to the increased FY10 Homeland Security Grant Program funding from Cal EMA in 2011-12.

Contingencies of \$188,129 are increasing by \$139,301 based on amount of grant funding unallocated in 2011-12.

Operating transfers out of \$1,839,836 is increasing by \$374,367 due to increased transfers out to the Sheriff/Coroner/Public Administrator and Public Health as a result of increased grant expenditures in 2011-12 which is funded by the FY10 Homeland Security Grant Program from Cal EMA.

Departmental revenue of \$5,711,596 is increasing by \$1,417,366 due to the funding of FY10 Homeland Security Grant Program from Cal EMA being increased in 2011-12.

2008 Federal Pre-Mitigation Tree Removal Grant

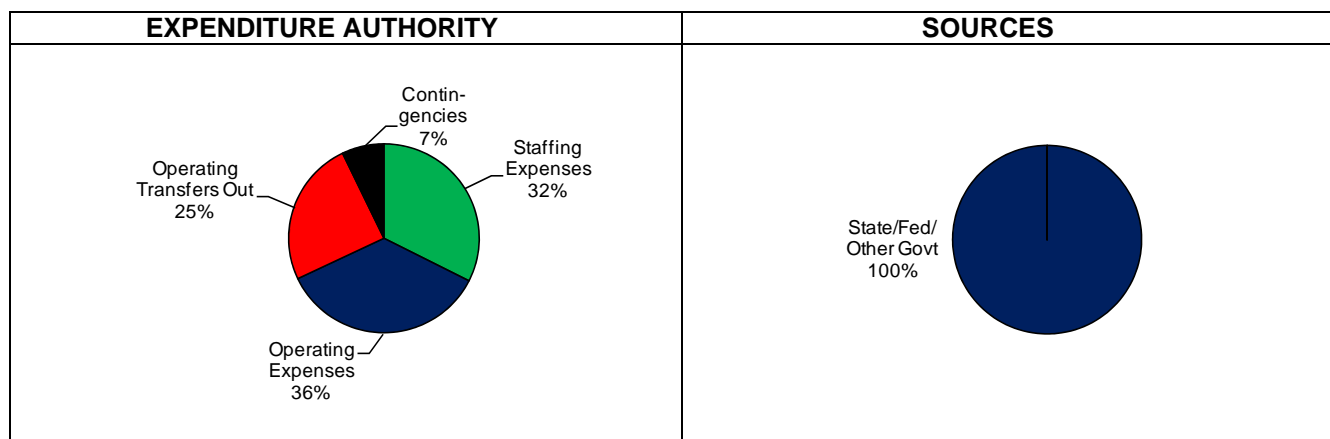

DESCRIPTION OF MAJOR SERVICES

On July 8, 2008 the Board of Directors authorized County Fire to accept a total grant award of \$3,500,000 from the United States Forest Service to continue funding for the Tree Removal/Fuels Reduction Program under the Cooperative Forestry Assistance Act of 1978. On May 12, 2009, the Board approved the acceptance of an additional \$10,000,000 from Public Law (PL) 110-329 Consolidated Security, Disaster Assistance, and Continuing Appropriation Act of 2009 to extend the programs end date from July 14, 2011 to July 14, 2013. The grant provides funding for fuels management modification/reduction projects creating defensible space, community zones, fuel breaks, and removal/modification of overgrown fuels that threaten lives and property in and around the mountain communities' Wildland Urban Interface, evacuation routes, and critical infrastructure while protecting and managing the forest to achieve a sustainable, healthy ecosystem appropriate for the area and land use. The grant performance period is from July 15, 2008 to July 14, 2013.

GENERAL DISTRICTS SPECIAL DISTRICTS DEPARTMENT

2011-12 SPECIAL DISTRICTS ADOPTED BUDGET

- County of San Bernardino -

SPECIAL DISTRICTS

Jeffrey O. Rigney

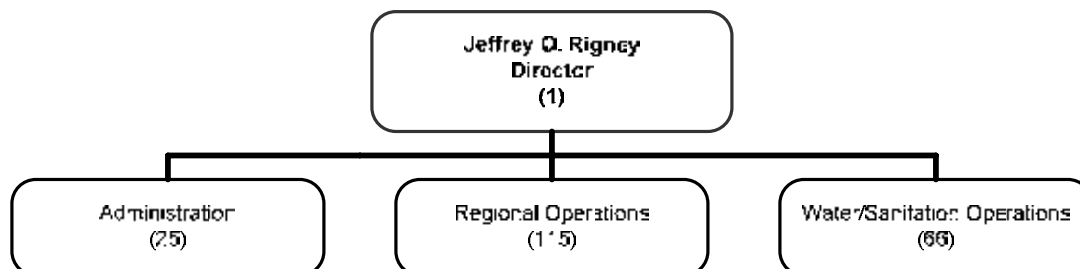

MISSION STATEMENT

The Special Districts Department promotes safe, healthy, enjoyable and dynamic communities by providing essential programs and municipal services that meet the current and future needs of the communities served.

GENERAL

ORGANIZATIONAL CHART

2009-10 AND 2010-11 ACCOMPLISHMENTS

- County Service Area (CSA) 120 North Etiwanda Preserve interpretive trail improvements dedication.
- Cedar Glen Phase I water line replacement project completed.
- CSA 63 Oak Glen park renovation completed.
- Memorandum of Understanding (MOU) with Department of Public Works for snow removal services finalized.

2011-12 GOALS, OBJECTIVES, AND PERFORMANCE MEASURES

GOAL 1: INCREASE CUSTOMER SERVICE LEVELS TO DISTRICT CUSTOMERS

Objective: Redesign the Internet website, increasing functionality, public awareness and to support district operations.

Measurement	2008-09 Actual	2009-10 Actual	2010-11 Target	2010-11 Actual	2011-12 Target
Percentage of completion of redesigning the Internet website.	N/A	20%	100%	60%	100%

Redesigning the Internet website will allow the department to establish a visible local presence within each community served. The website will make business information available, answer frequently asked questions and allow for customer feedback. It will also increase public awareness of the department, district programs and services, and outlying district websites through direct website links. The department will also incorporate convenient web based payment options for district customers.

GOAL 2: CREATE A SAFER WORK ENVIRONMENT FOR EMPLOYEES

Objective: Increase employee safety training opportunities and awareness.

Measurement	2008-09 Actual	2009-10 Actual	2010-11 Target	2010-11 Actual	2011-12 Target
Percent of employees that attend tailgate safety meetings.	N/A	N/A	N/A	N/A	85%
Percent decrease of worker's compensation claims prior year.	N/A	N/A	N/A	N/A	10%
Percent decrease of vehicle accidents over prior year.	N/A	N/A	N/A	N/A	10%

Training and education improve safety in the workplace, support employees' professional development, and increase customer service levels. Frequent meetings and training sessions keep employees updated on the latest changes in regulations, safety procedures, job skills, assignments, and responsibilities. Safety meetings and training opportunities encourage employees to think about their work environment, apply best practices and decrease accidents. Through continuous education efforts, the department expects to see an increase in employee safety awareness, a decrease in accidents and associated costs, as well as a higher level of productivity as employees remain on the job injury free.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$104,773 include 1 regular budgeted position and 1 public service employee (PSE) position. The increase of \$18,425 is primarily due to an increase in PSE hours.

Operating expenses of \$272,187 include costs for utilities, maintenance, other professional and specialized services for technicians, vehicle charges, insurance, administrative support, and COWCAP charges. The increase of \$84,861 is primarily due to higher utility charges, insurance costs, general maintenance expenses and additional allocation from CSA 70 for district management and administration.

Capital expenditures of \$65,000 support the purchase of translators/modulators and a digital monitoring system. The increase of \$63,259 accommodates the purchase of the translators/modulators and digital monitoring system not required in prior year.

Contingencies of \$594,635 are decreasing by \$160,208 to fund current year capital expenditures and CIP.

Operating transfers out of \$50,000 fund the Pinto Mountain roadway capital improvement project.

Departmental revenue of \$329,801 includes property taxes and interest earnings and is increasing by \$6,818 based on projected trends.

CSA 60 – Apple Valley Airport

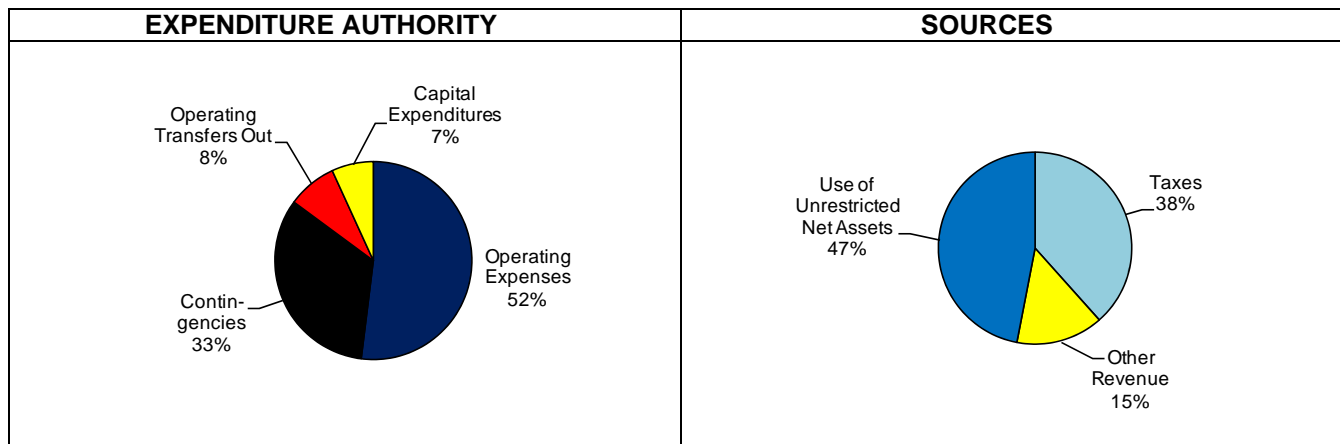

DESCRIPTION OF MAJOR SERVICES

County Service Area 60 (CSA 60) funds the operation, capital projects and maintenance of Apple Valley Airport, which is administered and staffed by the County of San Bernardino Department of Airports. Apple Valley Airport, which was built in 1970, is a public airport providing general aviation services to the High Desert region. CSA 60 is primarily funded by local property tax and revenue generated from leasing activities.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$2,063,104 includes \$160,000 for the Apple Valley Airshow 2011, \$130,000 for utilities, \$71,037 for COWCAP, \$827,652 in reimbursements for staffing expenses for the personnel assigned to CSA 60 and the administrative overhead. The remaining balance supports vehicle maintenance, office supplies, and general maintenance to support the administration and maintenance of the airport.

Contingencies of \$1,316,621 are set aside for unanticipated expenses.

Operating transfers out of \$319,718 are used to fund the CSA 60 Apple Valley Airport Capital Improvement Fund for costs of several projects including Storm Water Detention Drainage Improvements, pavement repairs and land acquisition. Initiation of specific projects will be updated with the completion of the Airport Master Plan, which is scheduled for completion by December 2011.

Taxes of \$1,512,435 are estimated lower due to lower property tax values.

Fee/rate revenue of \$13,600 is from fuel flowage and commissions.

Other revenue consists of \$527,272 from leasing activities and \$50,000 from use permit fees, landing fees, fuel flowage and commissions. The reduction is based on pending state enforced reallocation of redevelopment monies.

Capital expenditures consist of \$270,000 in vehicle and service equipment purchases, as detailed on the Equipment Budget Listing for County Service Area 60 – Apple Valley Airport.

CSA 60 – Apple Valley Airport – Capital Improvement Fund

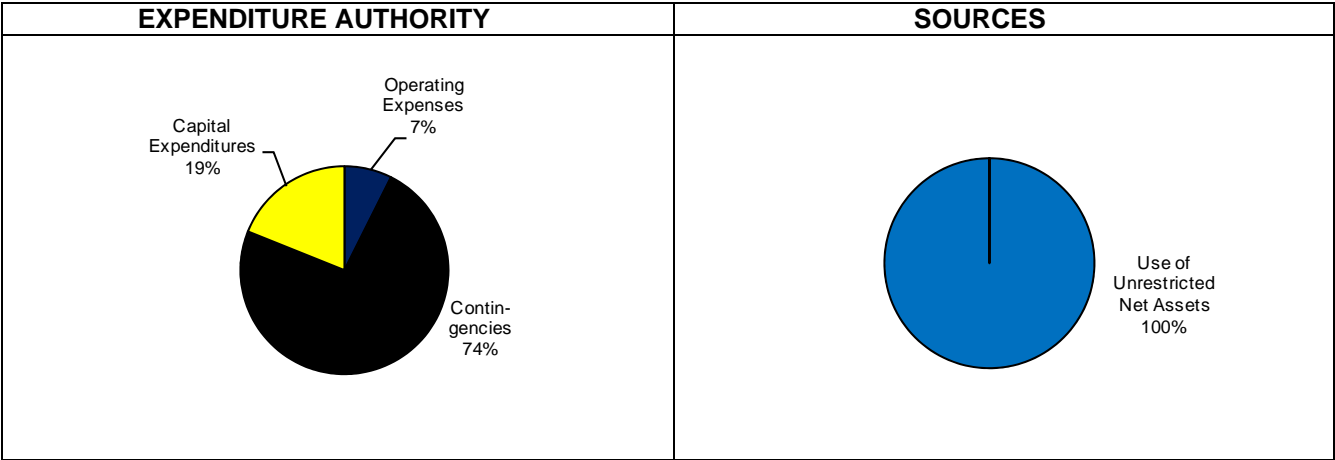

DESCRIPTION OF MAJOR SERVICES

Community Service Area 60 (CSA 60), through the Department of Airports, manages the Capital Improvement Program (CIP) for Apple Valley Airport. Projects include utility, storm water, fire suppression plans, Airport Master Plan and construction/rehabilitation of numerous runways, taxiways, and airport facilities. Projects are funded with proceeds from CSA 60 – Apple Valley Airport budget and when available, Federal Aviation Administration (FAA) grants.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$500,000 are primarily for professional services for the Utility Master Plan, Airport Drainage Plan, Fire Suppression Plan, and Environmental Compliance program.

Contingencies of \$4,985,584 are set aside to fund future projects. The decrease is primarily due to less operating transfers in from the County Service Area 60 operating budget.

Total revenue has decreased based on no federal grant revenues expected in 2011-12.

Operating transfers in of \$500,000 are funds from the CSA 60 – Apple Valley Airport operating budget unit to fund capital projects. It is anticipated that upon completion of the Master Plan, projects will commence.

CSA 70 Countywide

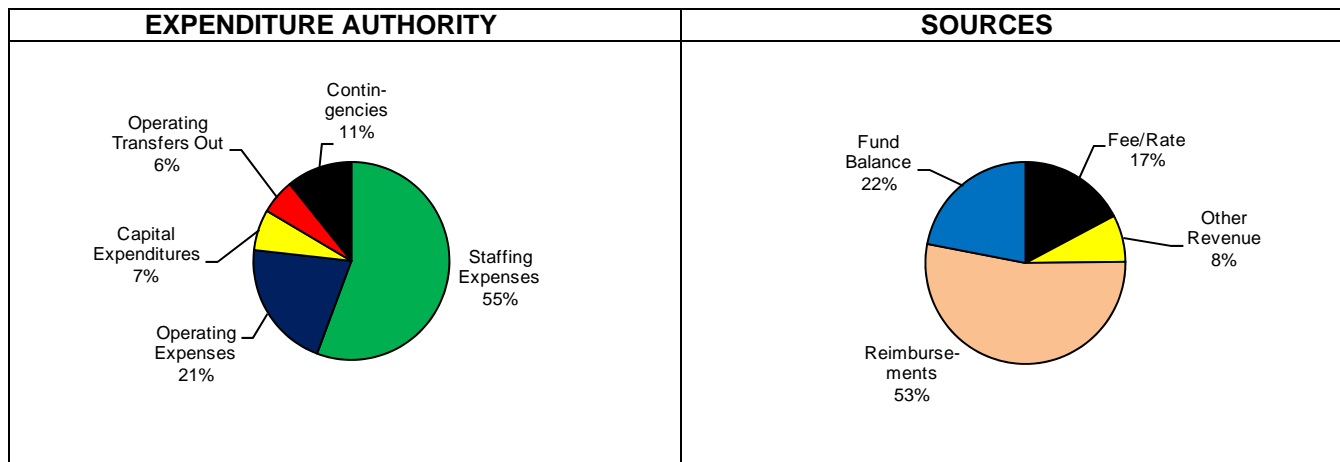

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 70 was established by an act of the County of San Bernardino Board of Supervisors on December 29, 1969 to provide a centralized mechanism for administration of personnel which serve all board governed special districts. The employees are engaged in multi-district operations funded by the various sanitation, water, road, streetlights, park and recreation districts. Staff provides centralized and regional management services, administration, engineering, fiscal, human resources, lien administration, park maintenance, payroll and information services, road maintenance and inspection.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$9,461,886 fund 86 regular budgeted positions and 18 extra help regular positions and are increasing by \$1,459,557 primarily due to funding positions, previously vacant in 2010-11, that will support contract business services in 2011-12.

Operating expenses of \$3,590,509 include computer hardware and software costs, small tools and instruments, non-inventoriable equipment, insurance premiums, COWCAP charges, other professional and specialized services for engineering services, rents and leases, vehicle service charges, maintenance charges, central computer charges, costs for Facilities Management basic custodial, grounds, and maintenance services, travel and training costs, and transfers for shared human resources staff and County Administrative Office administrative support. The increase of \$112,585 is primarily due to increases in central services, travel and related costs and transfers to County Fire for shared staff.

Capital expenditures of \$1,146,000 include the replacement of four vehicles at the end of their useful life, one camera van and trailer at the end of its useful life, radio read system equipment for the remote meter reading system, radio meter read software, and improvements to land and structures to support contract business activities, including the water system improvements at Calico Regional Park and continued work on the Gilbert Street water tank. The increase of \$846,725 is primarily due to reclassifying of contract service work support from outside contractors to capital expenditures from operating expenses.

Contingencies of \$1,828,265 are decreasing by \$1,625,518 to fund current year operations.

Reimbursements of \$9,048,074 include salaries and benefits, services and supplies, and fixed assets transfers incurred by CSA 70 Countywide and charged back to the appropriate district. The decrease of \$326,941 is primarily due to the loss of reimbursements from Crestline Sanitation District which is now a self-governed district.

Operating transfers out of \$974,302 provides for advances to districts to expedite reimbursement-based grant-funded projects and funds the purchase of an office building. The increase of \$713,253 is primarily due to higher capital improvement project (CIP) funding requirements in 2011-12.

Total revenue of \$3,098,548 includes interest earnings, current services revenue primarily from contract business activities, construction and engineering services, and administrative services. The decrease of \$157,948 is primarily due to reduced interest earnings, reduction in grant funds from Air Quality Management District (AQMD) and lower anticipated contract business activity revenue.

Operating transfers in of \$1,122,302 represents CIP funding support from reserves and interest revenue transfers from reserve funds. The increase of \$1,019,754 is primarily due to funding from reserves for the purchase of an office building.

CSA 70 D-1 Lake Arrowhead Dam

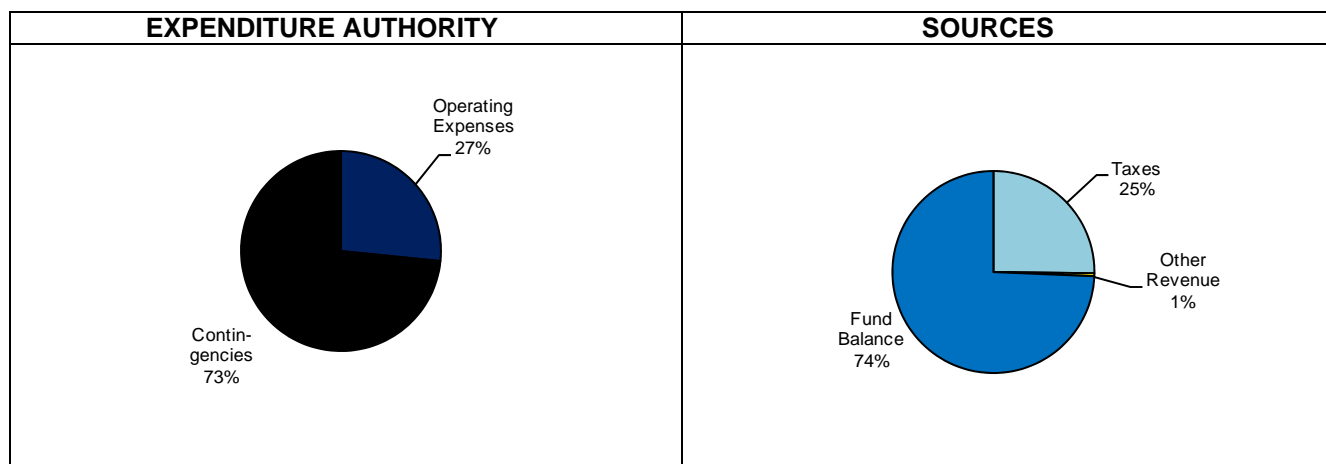

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 70, Zone D-1 was established by an act of the County of San Bernardino Board of Supervisors (Board) on August 26, 1974 to maintain a dam located on the east side of Lake Arrowhead known as Papoose Lake. The district is funded by property taxes, which fund security, maintenance, replacement shrubbery, reforestation, and engineering services. This District has a Board appointed Advisory Commission and utilizes the CSA 70 D-1 Office for meetings.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1,164 is for additional worker's compensation payment to Special District's Joint Powers Authority (JPA) insurance fund for the prior year. The decrease of \$1,441 is due to lower worker's compensation costs.

Operating expenses of \$519,611 are primarily for maintenance costs, insurance, professional engineering services, cost for a shared position with CSA 70 countywide, and administrative support costs. The increase of \$118,943 is primarily due to higher anticipated general maintenance costs and additional allocation costs from CSA 70 Countywide.

Capital expenditures are decreasing by \$119,082 due to completion of the purchase of a loader in 2010-11 and no capital purchases programmed in 2011-12.

Contingencies of \$1,433,624 are decreasing by \$25,512 to fund current year operations.

Departmental revenues of \$501,396 include property taxes and interest earnings and are increasing by \$3,120 based on projected revenue.

CSA 120 North Etiwanda Preserve

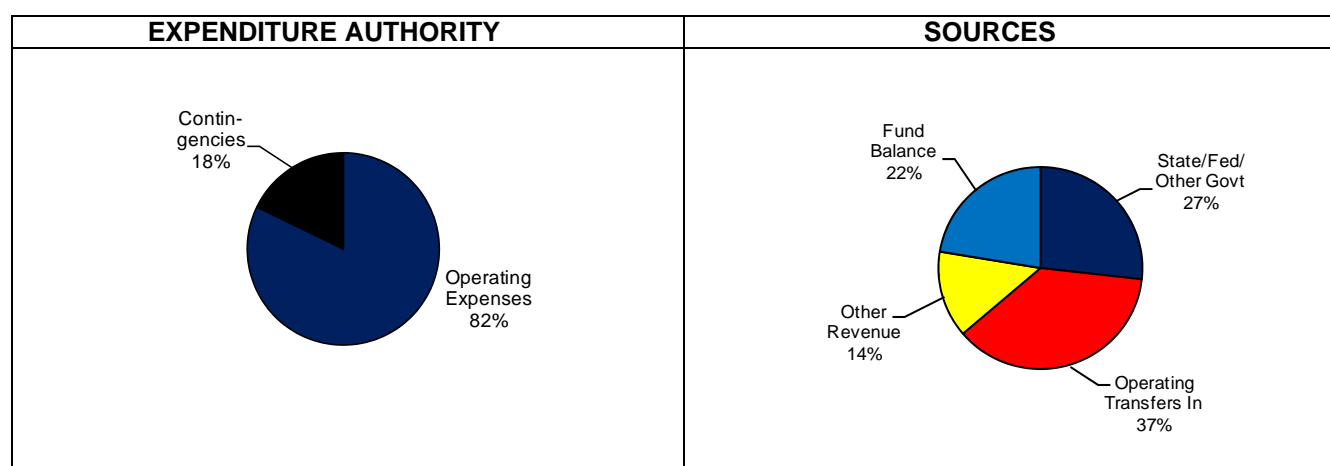

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 120 was formed on July 1, 2009 as a result of Local Agency Formation Commission Resolution Number 3051. The resolution included the dissolution of CSA 70 OS-1 and OS-3. The District provides for the management, protection and operation of 762 acres of a preserved Riversidian Coastal Sage Habitat located north of Rancho Cucamonga and east of Day Creek Boulevard. The district is funded by interest income generated annually from a \$700,000 endowment from SANBAG; from additional endowments received when acreage is accepted into the district for open space management; and from grant funding when available. This district has an advisory commission and utilizes the Second Supervisorial District's Rancho Office for meetings.

CSA 20 Joshua Tree

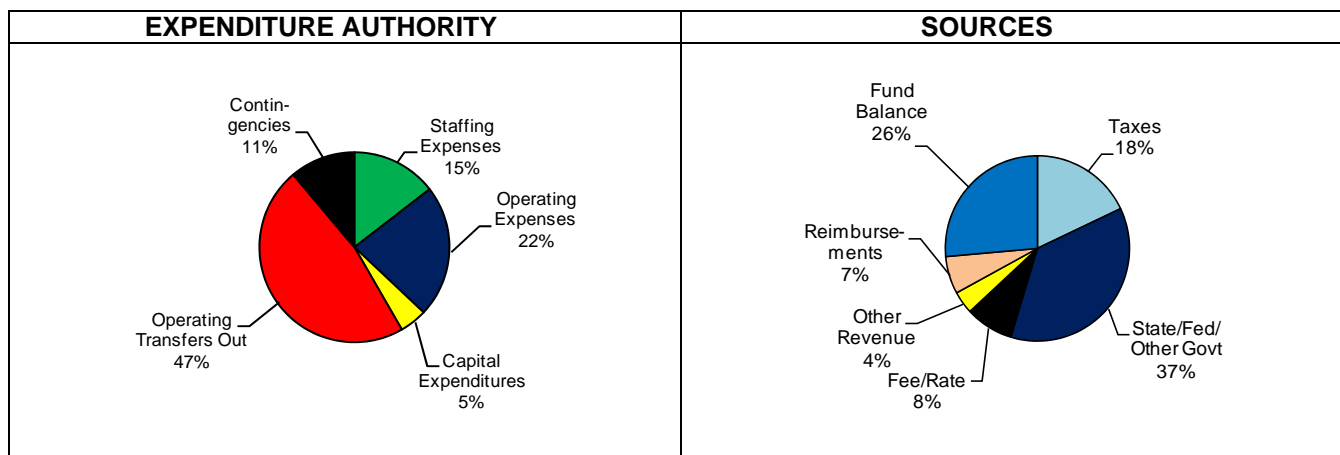

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 20 was established by an act of the County of San Bernardino Board of Supervisors (Board) on June 1, 1964. Resolution 1993-22 consolidated the services of fire with streetlighting, park and recreation. This District provides funding for four parks, three ball fields, one recreation center building, a water playground, a skateboard park, and a 12,000 square foot community center. The District also provides maintenance for area streetlights. Fire powers were removed by adoption of a resolution by the Board of Supervisors on June 17, 2008, effective July 1, 2008, as a result of the County Fire Department reorganization. This District has a Board appointed Municipal Advisory Council and utilizes the Joshua Tree Community Center for meetings.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$375,940 fund 5 regular budgeted positions and 5 public service employee (PSE) positions and are increasing by 2 PSE positions. The increase of \$103,761 is primarily due to an increase in Worker's Compensation costs, health insurance premiums and PSE scheduled hours.

Operating expenses of \$581,397 include costs for utilities, maintenance, professional services for recreational classes, vehicle charges, insurance, administrative support, and COWCAP charges. The increase of \$168,835 is primarily due to higher costs for non-inventoriable equipment, insurance premiums, utilities and COWCAP charges.

Capital expenditures of \$120,000 support a landscape improvement at Community Park and for remodeling the fitness center at Sunburst Park Community Center. The increase of \$113,966 is due to additional fixed asset requirements in 2011-12.

Contingencies of \$288,218 are decreasing by \$414,284 to fund current year programmed capital improvement projects and operations.

Reimbursements of \$170,000 represent capital improvement funding for district projects and are increasing by \$136,091 due to additional funding available to this district for 2011-12.

Operating transfers out of \$1,220,000 includes \$950,000 to fund improvements at the Desert View Conservation Area Educational Trail Project, improvements to the Community Center, and other capital improvement project funding. The increase of \$1,135,000 is primarily due to funding the Desert View Conservation Area improvements, a parking pavement project, and ADA restroom improvements at the Community Center.

Departmental revenue of \$1,732,272 primarily represents property taxes, park program fees, grant funds, concessions and rent, interest earnings, and other miscellaneous revenue and is increasing by \$1,006,858 primarily due to expected Proposition 84 grant funding for the Desert View Conservation Area Educational Trail Project.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$224,858 fund 3 regular budgeted positions and 1 public service employee position (PSE). The decrease of \$2,439 is primarily due to a reduction in PSE hours.

Operating expenses of \$413,862 include costs for utilities, maintenance, vehicle charges, insurance, administrative support, repayment of short-term loan from CSA 70 Countywide, and COWCAP charges. The increase of \$78,237 is primarily due to the repayment of a short-term loan from CSA 70 Countywide and an increase in vehicle charges.

Capital expenditures of \$19,000 are for the purchase of playground equipment for Midway Park.

Contingencies of \$102,241 are increasing by \$14,490 due to available fund balance to fund future year operations.

Reimbursements of \$134,000 are from Community Development and Housing capital improvement funds and Community Development Block Grant programs for three different projects. The increase of \$112,734 is due to funding of the projects not required in prior year.

Operating transfers out of \$65,000 is to fund the capital improvement project at Midway Park. The decrease of \$110,500 is due to reduced transfers for programmed capital improvement projects.

Total revenue of \$551,711 primarily represents property taxes, park program fees, concessions and rent, interest earnings, and other miscellaneous revenue. The decrease of \$162,858 is primarily due to no Proposition 40 funding in 2011-12.

Operating transfers in of \$50,000 represent a short-term loan from CSA 70 Countywide not required in prior year.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$578 fund 1 public service employee position. The decrease of \$7,230 is due to a reduction in PSE hours as a result of maintenance functions now performed by a Maintenance Worker II position shared with CSA 70 P-6 El Mirage and CSA 56 Wrightwood.

Operating expenses of \$79,002 includes costs for utilities, maintenance, vehicle charges, insurance, administrative support, and COWCAP charges. The net increase of \$51,520 is primarily due to the repayment of short-term loan to CSA 70 Countywide and higher costs for utilities and insurance.

Capital expenditures are decreasing by \$14,700 due to no programmed capital improvement projects for this budget unit in 2011-12.

Contingencies are decreasing by \$14,243 due to reduced departmental revenue and less fund balance.

Reimbursements are decreasing by \$15,641 due to a reduction in reimbursable projects.

Operating transfers out are decreasing by \$29,055 due to the reduction in programmed capital improvement projects requiring transfers in 2011-12.

Total revenue of \$62,289 includes property taxes, park program fees, concessions and rent, interest earnings, and other miscellaneous revenue. The decrease of \$11,119 is primarily due to no Proposition 40 grant funding expected in 2011-12 and reduced residual transfers for capital improvement projects.

Operating transfers in of \$20,000 represent a short-term loan from CSA 70 Countywide to meet operational cash flow needs.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$93,022 fund 1 regular budgeted position and 4 public service employee (PSE) positions. The increase of \$20,449 is primarily due to an increase of 3 PSE positions.

Operating expenses of \$118,429 include costs for utilities, maintenance, vehicle charges, insurance, administrative support, and COWCAP charges. The increase of \$43,230 is primarily due to the purchase of picnic tables and benches and an anticipated increase in utilities.

Contingencies of \$264,815 are decreasing by \$50,478 to fund current year operations.

Reimbursements of \$10,279 are for costs of shared position with CSA 42 Oro Grande and are decreasing by \$139,721 due to completion of Capital Improvement Program (CIP) reimbursement transfer in prior year.

Operating transfers out of \$1,550,000 includes a \$1,400,000 transfer of Proposition 84 funding to capital improvement project and \$150,000 transfer to fund skate park project. The increase of \$1,480,000 is due primarily to transfer of Proposition 84 funds to park improvement project fund.

Total revenue of \$1,550,929 primarily represents property taxes, Proposition 84 grant funding, park program fees, concessions and rent, interest earnings, and other miscellaneous revenue and is increasing by \$1,401,480 primarily due to \$1,400,000 Proposition 84 grant funding expected in 2011-12.

Operating transfers in of \$150,000 represents receipt of capital improvement funding for skate park project.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$83,604 include costs for utilities, maintenance, administrative support, and COWCAP charges. The increase of \$22,864 is primarily due to increased road maintenance, park upgrades, and higher utility costs.

Contingencies of \$53,780 are decreasing by \$30,551 to fund park upgrades and current operations and due to reduced departmental revenue and available fund balance.

Departmental revenue of \$53,406 includes per parcel service charges, interest earnings, and other miscellaneous revenue and is decreasing by \$3,104 based on projected revenue.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$25,214 include costs for utilities, maintenance, vehicle charges, insurance, and administrative support. The increase of \$10,552 is primarily due to higher costs for maintenance and property insurance associated with a newly completed playground area and contributions to the Joint Powers Authority (JPA) insurance pool as a result of financing shortfalls.

Contingencies of \$17,986 are decreasing by \$4,052 to fund current year operations.

Operating transfers out of \$60,000 fund a capital improvement project for the Senior Center remodel and are increasing by \$29,000 due to additional Capital Improvement Program (CIP) funding requirements in 2011-12.

Departmental revenue of \$81,220 includes property taxes, interest earnings, and residual equity transfer for reimbursement of a Community Development and Housing (CDH) grant funded capital improvement project. The increase of \$35,533 is primarily due to an increase in CDH funding.

CSA 82 Searles Valley

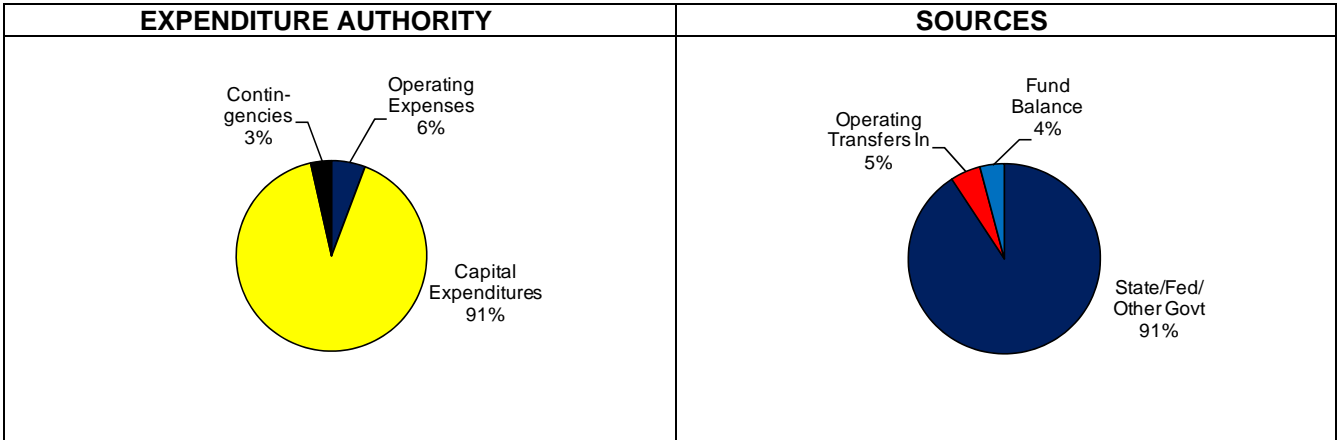

DESCRIPTION OF MAJOR SERVICES

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$28,155 include costs for utilities, maintenance, and administrative support from CSA 70 Countywide. The increase of \$6,788 is primarily due to higher anticipated landscape contractor costs.

Capital expenditures of \$445,000 support a capital improvement project to provide playground equipment, a basketball court, and restrooms with funding from Proposition 84 grant.

Contingencies of \$17,286 are decreasing by \$3,050 to fund current year operations.

Departmental revenue of \$445,100 includes Proposition 84 grant funds and interest revenue.

Operating transfers in of \$25,046 represent annual funding from CSA 82, Sanitation District.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$928,656 fund 7 regular budgeted positions and 44 public service employee (PSE) positions. The decrease of \$106,612 is due to a reduction in hours for budgeted staff.

Operating expenses of \$1,579,409 include costs for utilities, maintenance, professional services for recreational classes, vehicle charges, equipment leases, insurance, administrative support, and COWCAP charges. The increase of \$235,809 is primarily due to repayment of short-term loan to CSA 70 Countywide.

Capital expenditures of \$5,000 fund the purchase of a new water slide at Swim Beach. The decrease of \$4,374 is due to reduced equipment requirements in 2011-12.

Contingencies of \$539,332 are increasing by \$301,934 to fund future year operations.

Reimbursements of \$41,003 are for costs of shared Park General Manager position with CSA 29 Lucerne Valley Park and are decreasing by \$18,001 primarily due to reduction in costs of General Manager position.

Operating transfers out of \$170,000 include a \$100,000 transfer of shared property taxes to Moonridge Zoo and a transfer to fund Bear City Park capital improvement project. The decrease of \$81,968 is due primarily to a reduction in grant funding for Paradise Park.

Total revenue of \$2,411,654 primarily represents property taxes, park program fees, grant funds, concessions and rent, interest earnings, and other miscellaneous revenue and is decreasing by \$2,856,339 due to no Proposition 84 grant funding expected in 2011-12.

Operating transfers in of \$230,000 represent a short term loan from CSA 70 Countywide for cash flow purposes and a contribution for Big Bear City Park through the Third Supervisorial District not received in prior year.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$148,685 fund 2 regular budgeted positions and 5 public service employee (PSE) positions. The increase of \$5,814 is due to additional hours for PSE positions for park projects in 2011-12.

Operating expenses of \$236,426 include costs for utilities, maintenance, professional services for recreational classes, vehicle charges, insurance, administrative support, and COWCAP charges. The increase of \$63,144 is primarily due to higher costs for utilities, insurance, and COWCAP charges.

Capital expenditures of \$40,000 include the purchase of a riding lawnmower to support operations not required in prior year.

Contingencies of \$227,516 are decreasing by \$123,275 to fund current year operations including capital expenditures.

Reimbursements of \$33,254 are for salaries and benefits for a Maintenance Worker II position shared with CSA 120 North Etiwanda Preserve and CSA 70 P-6 El Mirage Park and are increasing by \$15,508.

Operating transfers out of \$1,370,952 include a transfer of \$1,293,452 of Proposition 84 funds to Kessler Park capital improvement project and transfer of \$77,500 in district funds to Ayala Park capital improvement projects. The increase of \$807,952 is due primarily to capital improvement projects funded by Proposition 84 in 2011-12.

Departmental revenue of \$1,641,739 includes property taxes, Proposition 84 grant funds, interest earnings, residual transfers in from capital improvement projects, and other miscellaneous revenue and are increasing by \$815,724 primarily due to receipt of Proposition 84 funding expected in 2011-12.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1,200 fund prior year workers' compensation payment due to Risk Management Joint Powers Authority (JPA) insurance fund.

Operating expenses of \$337,716 primarily represent costs for street maintenance, equipment repairs, insurance, and transfers for salaries and benefits and services and supplies support from CSA 70 Countywide including use of a District Coordinator. The increase of \$29,099 is due in part to additional road repairs required following 2010-11 storm damage.

Contingencies of \$37,729 are decreasing by \$105,470 due to additional road repairs and reduced departmental revenue and available fund balance.

Operating transfers out of \$60,000 to capital improvement project fund CKO-190 for paving project are decreasing by \$140,000 due to change in Capital Improvement Project funding requirements in 2011-12.

Departmental revenue of \$281,391 represents property taxes, interest, and service charges and is decreasing by \$2,954 based on projected revenue.

CSA 59 Deer Lodge Park

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$8,176 include road maintenance, auditing costs, and transfers for salaries and benefits and services and supplies support from CSA 70 Countywide. The decrease of \$3,467 is primarily due to lower debt payment for CSA revolving fund loan, for which final payment is budgeted in 2011-12.

Contingencies of \$1,482 are decreasing by \$2,163 due to reduced departmental revenue and available fund balance.

Departmental revenue of \$6,040 includes annual service charges and interest, and is decreasing by \$331 due to higher anticipated delinquencies based on projected revenue.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$1,468 include audit charges and transfers for salaries and benefits and services and supplies support from CSA 70 Countywide and is increasing as 2011-12 is the first full year of operations.

Contingencies are decreasing by \$4,271 to fund current year operations and due to reduced departmental revenue.

Operating transfers out of \$19,761 includes transfers for funding to capital improvement project fund CPY-566 for road improvements. The decrease of \$45,239 is due to reduced CIP funding requirements in 2011-12.

Departmental revenue of \$16,850 represents special taxes and is decreasing by \$52,421. The 2010-11 special tax included a component to fund the road paving capital improvement project. Beginning in 2011-12, the special tax includes only the amount necessary to fund road maintenance services.

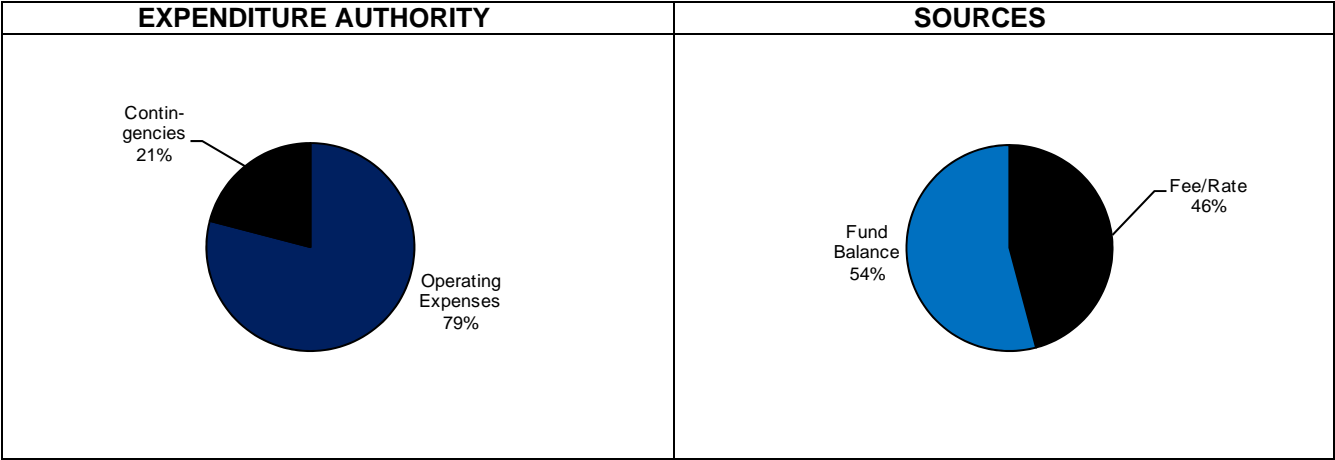

CSA 79 R-1 Green Valley Lake

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$39,551 includes road maintenance, auditing costs, and transfers for salaries and benefits and services and supplies support from CSA 70 Countywide. The increase of \$24,313 is primarily due to higher anticipated road maintenance costs and an adjustment to the debt service schedule for the outstanding CSA Revolving Loan Fund loan.

Contingencies of \$10,477 are decreasing by \$16,568 to fund current year operations.

Operating transfers out is decreasing by \$13,000 due to full reimbursement of funds to CSA 70 Countywide in 2010-11.

Departmental revenue of \$22,952 represents special taxes and interest and is decreasing by \$30,263 primarily due to a reduction in other revenue as a result of loan proceeds from CSA revolving loan fund in 2010-11 that will not be received in the current year.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$693,276 include utilities, lab testing, general system maintenance, and allocation of management and operations support from CSA 70 Countywide. The increase of \$93,132 is primarily due to higher anticipated utility costs, permit fees, lab testing, and additional allocation charges from CSA 70 Countywide.

Contingencies of \$607,027 are decreasing by \$184,958 to fund current year operations.

Operating transfers out of \$448,834 represent funding for a capital improvement project and a transfer to capital replacement reserves for future system replacement projects.

Departmental revenue of \$972,445 includes interest earnings, developer contributions and user fees for sanitation services and is increasing by \$130,540 primarily due to user fee adjustments.

Capital expenditures of \$18,450 fund a remotely operated isolation valve that will help prevent sewer overflows.

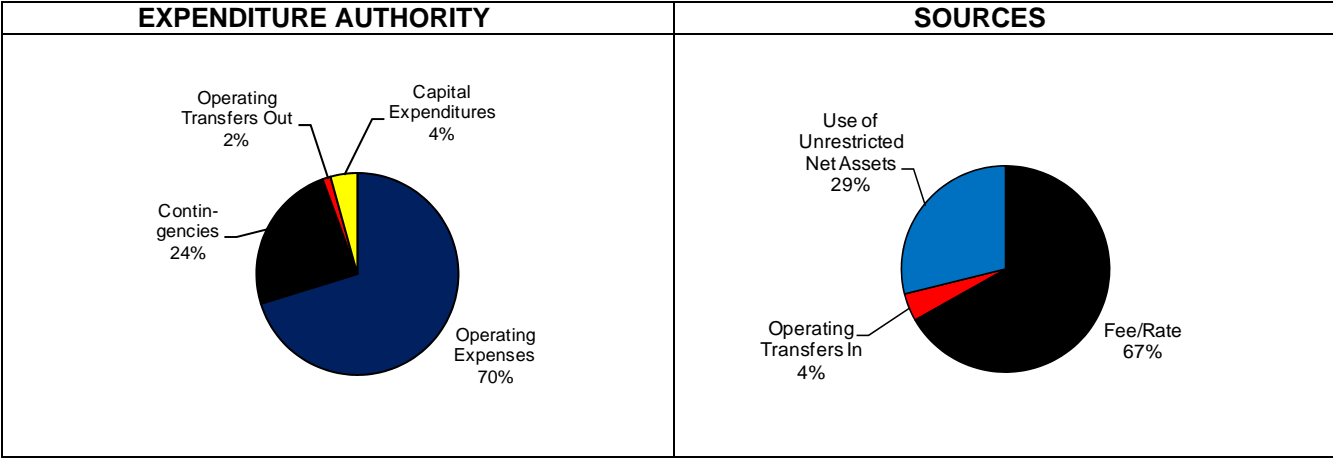

CSA 70 S-3 Lytle Creek

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 70, Zone S-3 was established by an act of the County of San Bernardino Board of Supervisors on December 2, 1974 to provide sanitation services to residents in the Lytle Creek Community and the U.S. Forest Service. The District currently provides sewer service to 794 Equivalent Dwelling Units. The District does not utilize an Advisory Commission or Municipal Advisory Council. BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$572,733 include non-inventoriable equipment for a remote monitoring system, utilities, other professional and specialized services, laboratory testing, and allocation of management and operations support from CSA 70 Countywide. The increase of \$38,538 is primarily due to higher non-inventoriable equipment costs and higher use of professional and specialized services.

Contingencies of \$197,162 are decreasing by \$65,269 to fund a remote monitoring system and current year capital improvement project.

Operating transfers out of \$10,622 to capital replacement reserves will be used to fund future system replacement projects.

Total revenue of \$545,921 includes interest earnings and user fees for sanitation services and is decreasing by \$18,810 primarily due to higher anticipated delinquencies.

Operating transfers in of \$35,000 fund the sewer line relocation project not required in prior year.

Capital expenditures of \$35,000 support a sewer line relocation project and are increasing by \$23,050 due to current year adjustments in fixed asset requirements.

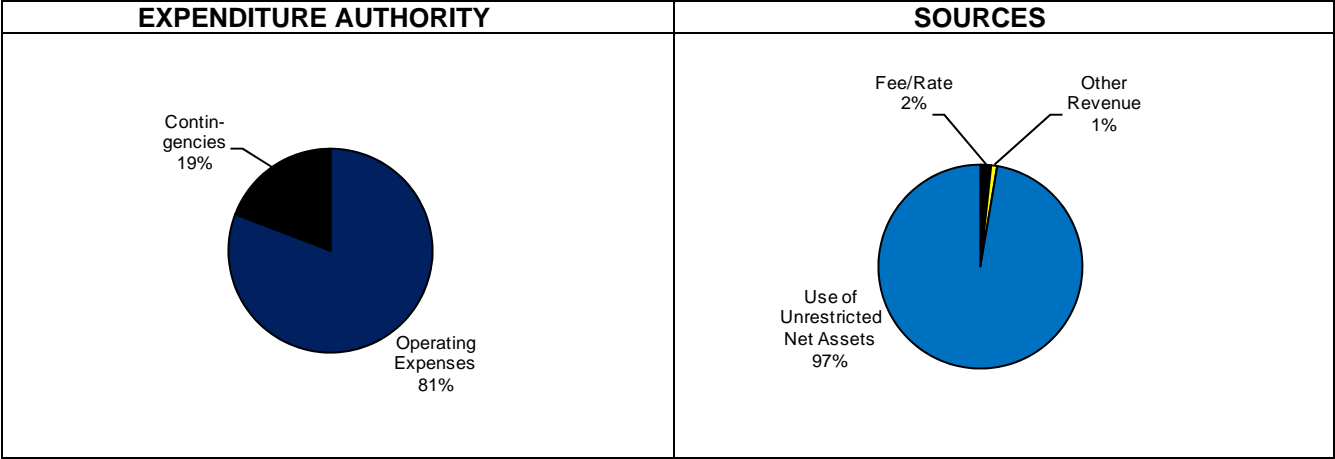

CSA 70 S-7 Lenwood

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 70, Zone S-7 was established by an act of the County of San Bernardino Board of Supervisors on December 19, 1977 to provide sewer services to the community of Lenwood. The District recently completed construction of a new sewer system to replace individual septic systems within Lenwood but is limited to specific property owners who approved assessments to pay the debt service. The City of Barstow performs routine maintenance of the system. This District is responsible for non-routine repairs. The District does not utilize an Advisory Commission or Municipal Advisory Council. Meetings are held with residents as needed.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$385,773 include professional services, general maintenance costs and allocation of management and operations support from CSA 70 Countywide. The increase of \$276,636 is primarily due to higher use of other professional and specialized services for the backfilling of abandoned seepage pits.

Contingencies of \$91,635 are decreasing by \$413,667 due to funding of the abandoned seepage pits backfill project.

Departmental revenue of \$12,600 includes interest earnings and user fees for sanitation services and is decreasing by \$16,695 primarily due to billing cycle adjustments and no anticipated emergency activity support from FEMA and Cal EMA.

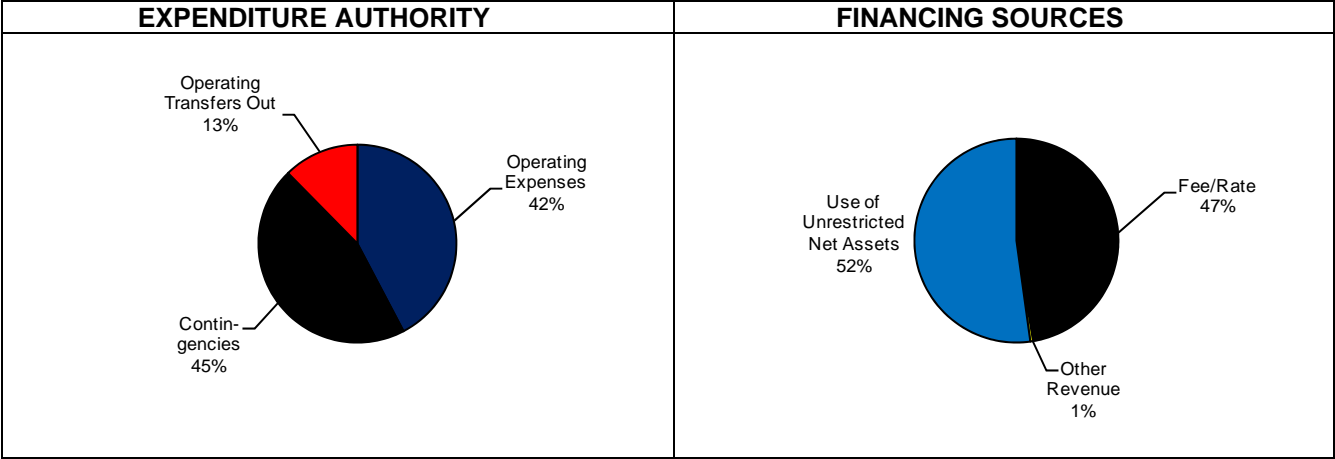

CSA 70 SP-2 High Country

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 70, Zone SP-2 was established by an act of the County of San Bernardino Board of Supervisors on May 20, 1985 and is located 1.5 miles west of Hesperia. The District owns and operates a sewer collection system that provides service to 231 Equivalent Dwelling Units (EDUs) in the High Country Development tract of homes. Through an out-of-area service agreement with the City of Hesperia, the District also provides service to 286 EDUs within city boundaries. The District does not utilize an Advisory Commission or Municipal Advisory Council. Meetings are held with residents as needed in the Rick Novack Community Center.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$961,098 include utilities, other professional and specialized services for sewage treatment, general system maintenance, and allocation of management and operations support from CSA 70 Countywide. The increase of \$13,318 is primarily due to higher allocation of charges from CSA 70 Countywide.

Contingencies of \$386,745 are decreasing by \$143,190 to fund current year capital improvement projects.

Operating transfers out of \$186,662 represent funding for a capital improvement project and a transfer to capital replacement reserves for future system replacement projects. The increase of \$68,636 is primarily due to additional capital improvement project funding requirements in 2011-12.

Total revenue of \$931,573 includes interest earnings and user fees for sanitation services and is decreasing by \$6,496 primarily due to higher anticipated delinquent charges.

Operating transfers in of \$70,000 are increasing by \$65,046 primarily due to additional support from capital replacement reserves to fund the capital improvement projects.

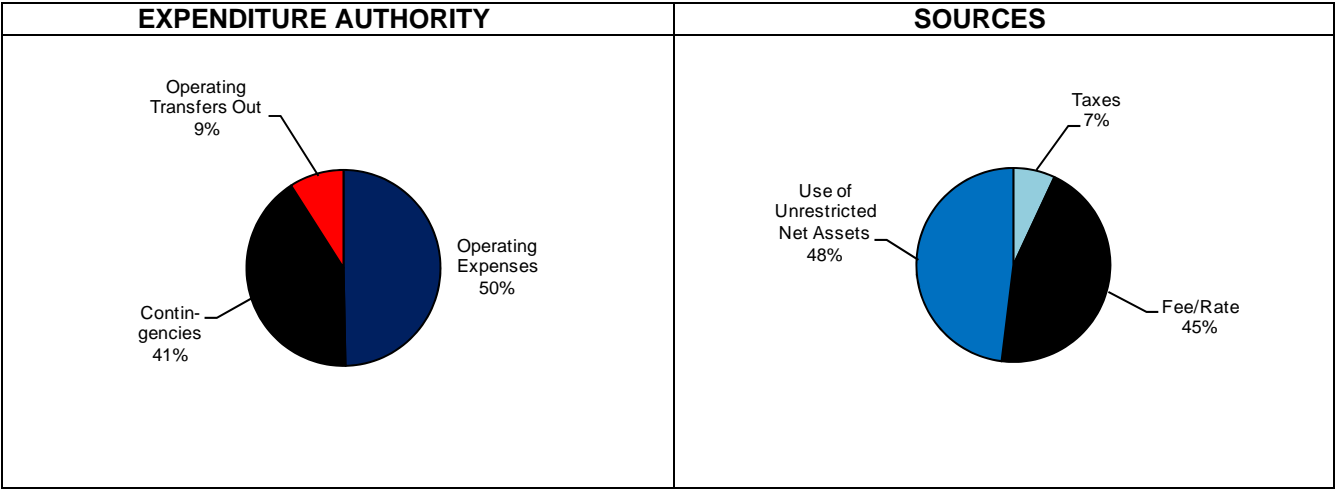

CSA 82 Searles Valley

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 82 was established by an act of the County of San Bernardino Board of Supervisors on June 28, 1976. On June 6, 2000, the District combined and included Improvement Zones SV-3 (Trona) and SV-4 (Pioneer Town) through the Board of Supervisors Resolution No. 2000-132. The newly combined CSA 82 provides sewage collection service to 768 Equivalent Dwelling Units as well as streetlight services. The District has a Board appointed Municipal Advisory Council and an Advisory Commission and utilizes the Trona Community Senior Center for meetings.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$380,111 include other professional and specialized services for sewage treatment, general system maintenance, and the allocation of management and operations support from CSA 70 Countywide. The increase of \$39,864 is primarily due to an increase in other professional and specialized services for system maintenance.

Contingencies of \$316,292 are decreasing by \$35,146 to fund current year operations.

Operating transfers out of \$68,940 represent funding to CSA 82 Park to support park operations and a transfer to capital replacement reserve for future system replacement projects and is increasing by \$43,894 primarily due to reserve funding requirements in 2011-12.

Departmental revenue of \$399,398 includes taxes, interest earnings, and user fees for sanitation services and is increasing by \$51,802 primarily due to user fee adjustments.

Crestline Sanitation

DESCRIPTION OF MAJOR SERVICES

The Special Districts Department provided management and operations services to 5,330 Equivalent Dwelling Units (EDUs) within the Crestline Sanitation District (CSD). On August 5, 2010 the residents of the Crestline area voted in favor of Measure T approving an independent Board of Directors for CSD. As a result, the CSD is now a self governed district and completely separated from the Special Districts Department.

ANALYSIS OF ADOPTED BUDGET

All Crestline Sanitation District assets are now managed by the CSD Board of Directors.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$38,778 represent electric billings, lease of lights from Edison, COWCAP, auditing, and transfers for salaries and benefits and services and supplies support from CSA 70 Countywide. The net decrease of \$9,706 is primarily due to reduced use of other professional services.

Contingencies of \$20,959 are decreasing by \$2,032 due to reduced departmental revenue and available fund balance.

Departmental revenue of \$36,774 includes property taxes and interest earnings and is decreasing by \$1,285.

Operating transfers in are decreasing by \$8,980 due to elimination of Priority Policy Needs funds from the County of San Bernardino for the installation of streetlights in the Blue Jay area of Lake Arrowhead completed in 2010-11.

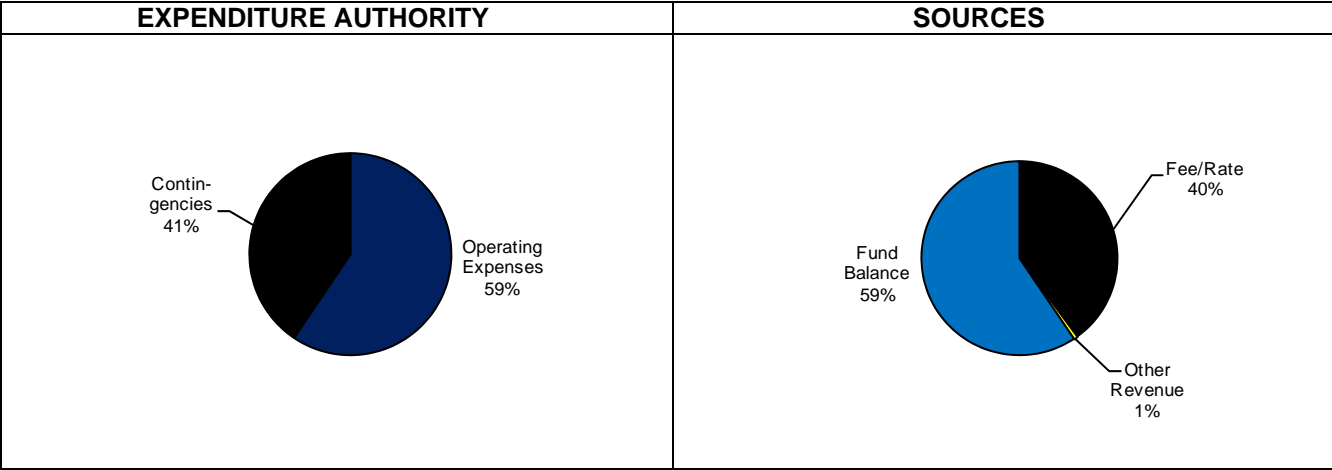

CSA 70 EV-1 Citrus Plaza

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 70, Zone EV-1 was established by an act of the County of San Bernardino Board of Supervisors on April 23, 1996. BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$44,695 includes electric billings, lease of lights from Edison, and transfers for salaries and benefits and services and supplies support from CSA 70 Countywide. Additionally, zone formation costs of \$8,650 are included. The increase of \$16,166 is primarily due to increased Edison costs and formation costs.

Contingencies of \$30,521 are decreasing by \$14,283 to fund current year operations.

Departmental revenue of \$30,500 represents service charges and interest for a full year and is increasing by \$12,249 due to higher anticipated receipts of service charges for newly located businesses in this area.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$50,247 include electric billings, lease of lights from Edison, COWCAP and transfers for salaries and benefits and services and supplies support from CSA 70 Countywide. The decrease of \$1,743 is primarily due to the cancellation of the installation of additional streetlights.

Contingencies of \$777 are decreasing by \$6,470 due to reduced available fund balance.

Departmental revenue of \$43,902 includes service charges and interest earnings and is increasing by \$14,614 primarily due to the anticipated receipt of a private contribution from the developer of Lytle Creek North. It is anticipated that the additional development within Lytle Creek North and the fee increases that will be implemented over the course of the next couple of fiscal years will realize sufficient revenues to support operations.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$187,920 include non-inventoriable equipment for magnetic flow meters, utilities, other professional and specialized services for tank inspections, general system maintenance costs, water mitigation costs, and the allocation of management and operations support from CSA 70 Countywide. The increase of \$29,393 is primarily due to higher anticipated system maintenance, non-inventoriable equipment requirements and water mitigation costs.

Contingencies of \$117,763 are increasing by \$2,181 to fund future year operations.

Operating transfers out of \$52,348 include funding for current year capital improvement projects (funds EAV and ELR) and a transfer to capital replacement fund (EAX) for future system replacement projects. The decrease of \$18,152 is primarily due to reduced capital improvement projects funding requirements in 2011-12.

Total revenue of \$169,695 includes interest earnings, residential sales and revenues from leasing water rights. The decrease of \$26,297 is primarily due to anticipated reduction in water consumption and reduced number of water rights available for lease.

Operating transfers in of \$60,149 includes a transfer from capital replacement fund (EAX) to support operating transfers out to capital improvement projects (funds EAV and ELR) and to support district operations. Support for district operations is to fund operating expenses programmed for unforeseen emergencies and high maintenance and repair activity throughout the year and will be processed only if necessary. The increase of \$60,149 is due to higher capital improvement projects requirements in 2011-12 and additional operations and management support.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$2,288,799 include utilities, other professional and specialized services for road paving, general system maintenance, water mitigation costs, and the allocation of management and operations support from CSA 70 Countywide. The increase of \$346,252 is primarily due to higher anticipated professional and specialized services, general system maintenance and water mitigation costs.

Contingencies of \$936,350 are decreasing by \$141,659 to fund current year operations.

Operating transfers out of \$379,794 represent transfers for current year programmed capital improvement projects (funds CEK and EDB) and a transfer to capital replacement reserve for future system replacement projects (fund EIV). The decrease of \$720,206 is primarily due to reduced capital improvement projects funding requirements in 2011-12.

Total revenue of \$2,402,767 includes property taxes, interest earnings, and residential sales. The increase of \$149,067 is primarily due to higher anticipated property tax collections, higher water sales revenue and user fee adjustments.

Operating transfers in of \$125,000 from the capital replacement reserve (fund EIV) support an operating transfer out for a current year programmed capital improvement project (fund EDB) and is decreasing by \$1,125,000 due to reduced capital improvement projects requirements in 2011-12.

Capital expenditures are decreasing by \$60,842 as the district completed a water well efficiency project in 2010-11.

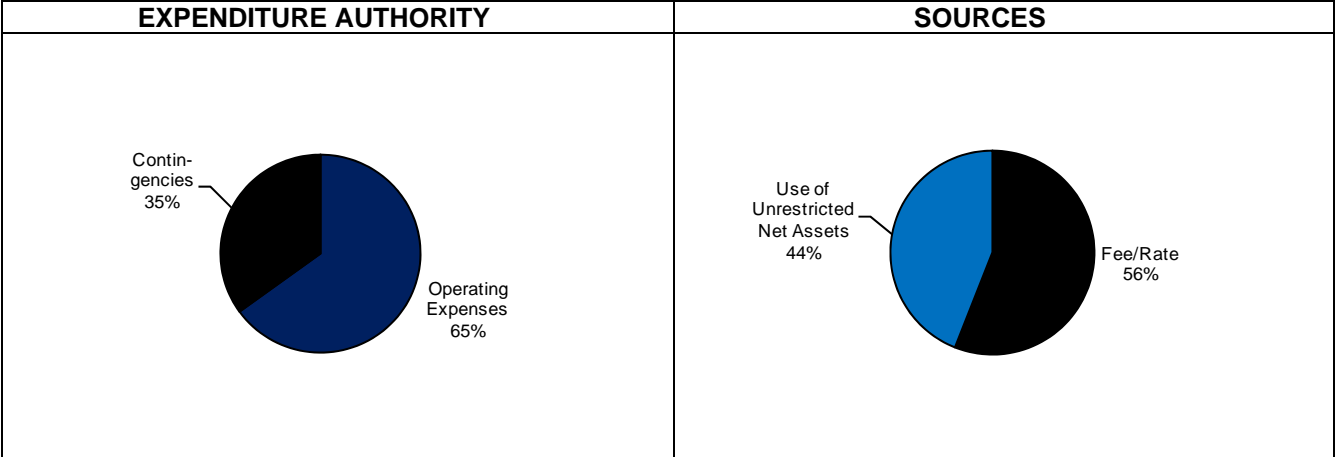

CSA 70 CG Cedar Glen

DESCRIPTION OF MAJOR SERVICES

County Service Area (CSA) 70, Zone CG was established by an act of the County of San Bernardino Board of Supervisors on July 12, 2005 to provide water service to the community of Cedar Glen. Through an Operations and Maintenance agreement the District provided water service to approximately 331 Arrowhead Manor Water Company (AMWC) customers from November 2006 through January 2009. The District closed escrow on AMWC on January 29, 2009 acquiring all of its assets. The District has also undertaken a multi-phase capital improvement project to upgrade system infrastructure. The District does not utilize an Advisory Commission or Municipal Advisory Council. Meetings are held with residents as needed.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$749,705 include utilities, other professional and specialized services, laboratory testing, general system maintenance, CSA revolving loan fund and county loan debt service payments, and the allocation of management and operations support from CSA 70 Countywide. The increase of \$78,587 is primarily due to higher general maintenance costs, higher allocation costs from CSA 70 and adjustments to the loan repayment schedule.

Contingencies of \$402,058 are decreasing by \$118,063 to fund current year operations and due to reduced departmental revenue and available fund balance.

Departmental revenue of \$646,429 includes interest earnings, special taxes for loan repayment and residential sales and is decreasing by \$63,295 primarily due to completion of pre-payment special tax option and lower anticipated water consumption.

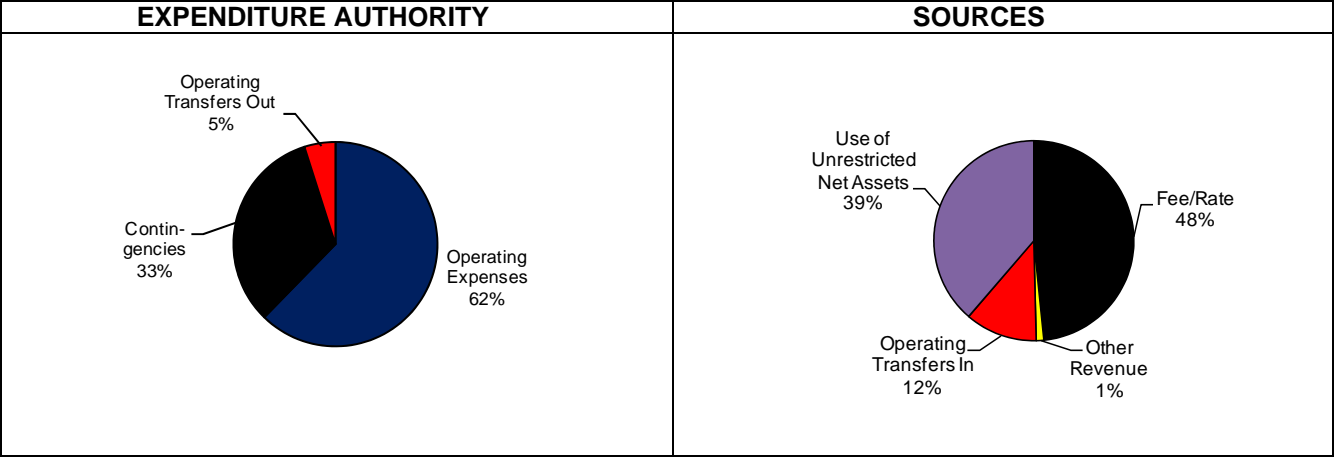

CSA 70 F Morongo Valley

DESCRIPTION OF MAJOR SERVICES

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$117,147 include utilities, other professional and specialized services for tank inspections, laboratory testing, general system maintenance, and the allocation of management and operations support from CSA 70 Countywide. The increase of \$33,440 is primarily due to higher anticipated utilities costs, general maintenance and use of other professional and specialized services.

Contingencies of \$61,599 are decreasing by \$1,880 to fund current year operations.

Operating transfers out of \$9,281 to capital replacement fund (EIO) are to provide funding for future replacement projects.

Total revenue of \$93,300 includes interest earnings and residential sales and is increasing by \$533.

Operating transfers in of \$21,971 from a capital replacement fund (EIO) supports district operations and is increasing by \$21,971 due to funding requirements for operations in 2011-12. Transfers fund one-time operating expenses, additional appropriations for emergencies and high maintenance and repair activity throughout the year and will be processed only if necessary.

Capital expenditures are decreasing by \$7,628 due to the anticipated well site security project completion.

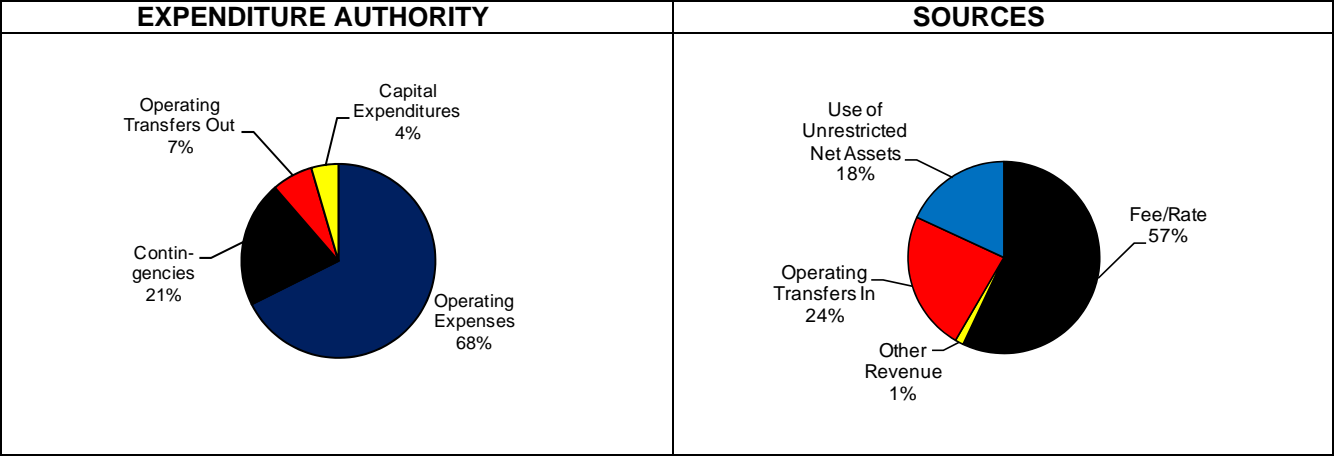

CSA 70 J Oak Hills

DESCRIPTION OF MAJOR SERVICES

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$2,719,917 include utilities, other professional and specialized services, general system maintenance, water mitigation costs, and the allocation of management and operations support from CSA 70 Countywide. The increase of \$17,515 is primarily due to higher anticipated utilities costs, higher general system maintenance expenses and higher water mitigation costs.

Contingencies of \$846,055 are increasing by \$55,376 to fund future year operations.

Operating transfers out of \$274,364 include transfers to capital improvement project funds (CCN and CJU) and are decreasing by \$610,636 primarily due to reduced capital improvement project requirements in 2011-12.

Total revenue of \$2,349,950 includes interest earnings and residential sales and is decreasing by \$72,638 primarily due to lower anticipated delinquent user charges and other miscellaneous revenue.

Operating transfers in of \$943,523 include transfers from capital replacement and expansion funds for district operations and capital improvement projects and are decreasing by \$1,438,875 primarily due to the completion of temporary water shares purchased in 2010-11. The district utilizes replacement and expansion funds to support expenditures related to replacement and expansion activities throughout the year, such as funding for water replacement costs, debt service for expansion projects, and fixed asset purchases to support system expansions. Additionally, transfers fund operating expenses budgeted for emergencies and high maintenance and repair activity throughout the year and will be processed only if necessary.

Capital expenditures of \$182,060 include equipment purchases and well rehabilitations and are decreasing by \$835,590 primarily due to the completion of temporary water shares purchased in 2010-11.

Operating expenses of \$536,356 include utilities, other professional and specialized services for tank inspections, system maintenance, maintenance of structures, and the allocation of management and operations support from CSA 70 Countywide. The increase of \$90,078 is primarily due to higher maintenance requirements, allocation costs from CSA 70 and adjustments to the loan repayment schedule.

Contingencies of \$253,767 are decreasing by \$20,619 to fund current year operations.

Total revenue of \$380,608 includes interest earnings and residential sales and is decreasing by \$11,930 primarily due to lower anticipated delinquent charges revenue.

Operating transfers in of \$134,089 represent funding from replacement reserves to support district operations and are decreasing by \$1,957 due to reduced operations and maintenance support requirements in 2011-12. Additionally, transfers fund operating expenses budgeted for emergencies and high maintenance and repair activity throughout the year and will be processed only if necessary.

COUNTY FLOOD CONTROL DISTRICT AND CAPITAL PROJECTS

2011-12 SPECIAL DISTRICTS ADOPTED BUDGET

- County of San Bernardino -

COUNTY FLOOD CONTROL DISTRICT

Granville M. Bowman

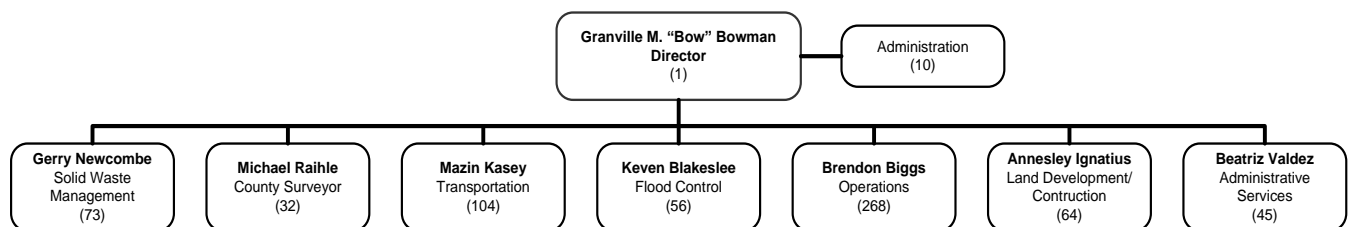

MISSION STATEMENT

The Public Works Department provides a broad range of services and infrastructure to help ensure safe and desirable communities for the people of San Bernardino County. Areas of responsibilities include roads, traffic, flood control, storm water quality, water conservation, solid waste services, and County Surveyor functions.

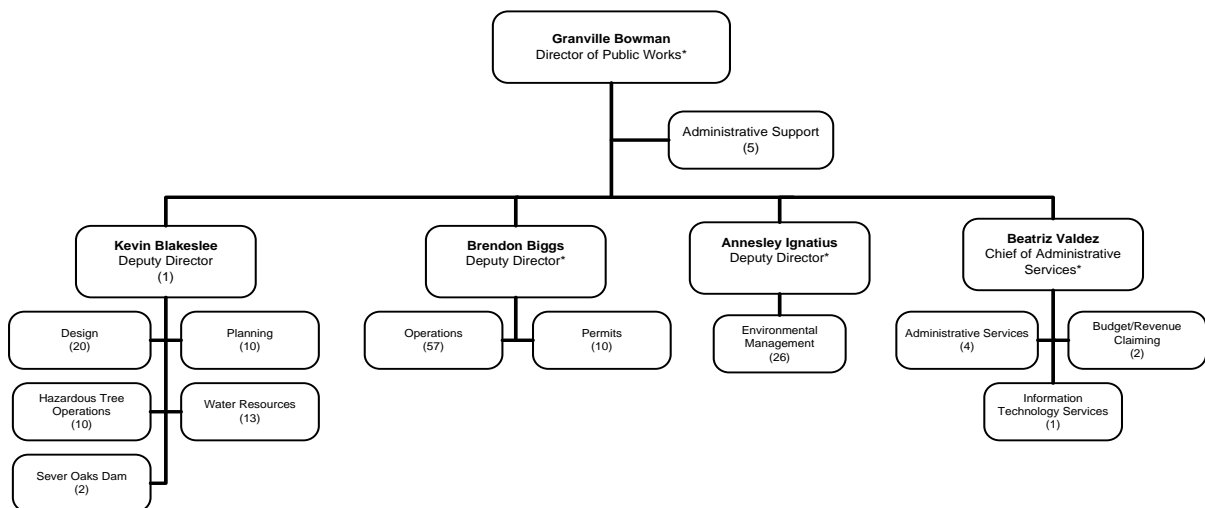

ORGANIZATIONAL CHART

Public Works:

County Flood Control District:

*Position budgeted in a different budget unit.

2009-10 AND 2010-11 ACCOMPLISHMENTS

- During 2009-10, the County Flood Control District (District) completed two major projects: 1) Sultana Cypress Storm Drain Phase IIA and 2) Cucamonga Basin No. 6 Phase 1. In 2010-11, the District completed Sultana Cypress Storm Drain Phase IIB and Phase IIC. In addition, during the December 2010 storms, over 64 District locations received damage including 5 basins filled to capacity. Four basins have been fully excavated and repairs are being completed at a few remaining sites. Approximately \$2.9 million in damages has been determined to be eligible for disaster reimbursement.

2011-12 GOALS, OBJECTIVES, AND PERFORMANCE MEASURES**GOAL 1: COUNTY FLOOD CONTROL DISTRICT – IMPROVE FLOOD PROTECTION AND INCREASE WATER RECHARGE AT FLOOD CONTROL FACILITIES.**

Objective A: Continue to increase the annual volume of water recharge at District facilities.

Objective B: Continue to reduce risk of flooding by evaluating and improving District levees.

Measurement	2008-09 Actual	2009-10 Actual	2010-11 Target	2010-11 Actual	2011-12 Target
1A. Acre-feet of water recharged at Flood Control District basins.	27,300	39,300	60,000	81,500	60,000
1B. Number of District Levee or Flood Control facilities studied to meet FEMA standards.	66	75	75	78	87

Projections for the coming year show an increase because the local water agencies are anticipating a further increase in their allocation of state project water. The significant increase from 2010-11 target to actual is attributable to the near record levels of rainfall which occurred statewide during the 2010-11 storm season. Because of these record levels, local water agencies saw an increase in storm water capture and the availability of state project water for recharge purposes.

County Flood Control District

DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Flood Control District (District) was created in 1939 under special state legislation. Since its inception, the District has developed a very extensive system of flood control and water conservation facilities, including dams, conservation basins, debris basins, channels and storm drains. The purpose of these facilities is to intercept and convey flood flows through and away from developed areas of the county, as well as to promote water conservation and improved water quality.

Budget at a Glance

Total Expenditure Authority	\$144,824,932
Total Sources	\$89,501,595
Fund Balance	\$55,323,337
Total Staff	161

The District covers the entire county, including all of the incorporated cities. The District is divided into six geographic flood zones (in recognition of the different characteristics and flood control needs in various areas). Zone 1 encompasses the county's West End, from the Los Angeles and Riverside County lines to West Fontana. Zone 2 encompasses the central area of the San Bernardino Valley easterly of Zone 1 to approximately the Santa Ana River and City Creek demarcations. Zone 3 covers the east end of San Bernardino valley, east of Zone 2. Zone 4 covers the Mojave River valley region, from the San Bernardino Mountains to Silver Lakes. Zone 5 primarily includes the San Bernardino mountains. Zone 6 encompasses the remainder of the county not covered by other zones. The District has also established a countywide administrative zone (Zone 7). The District's funding is primarily derived from property taxes, federal and state aid on specific projects, subdivision and permit fees, rents and royalties, and revenue from local water agencies for water spreading services.

The District's principal functions are as follows:

Flood Protection on Major Streams: In cooperation with the federal government, the District conducts programs for channel and levee construction, floodwater retention, and debris basin maintenance. Programs or projects are often done in cooperation with the incorporated cities, the U.S. Army Corps of Engineers, and the U.S. Bureau of Reclamation.

Water Conservation: The District operates and maintains water conservation basins and spreading grounds. Water from the local mountains and northern California is spread and percolated into the groundwater basins underlying the county. The District has numerous joint use agreements with water districts allowing use of District facilities for groundwater recharge.

Storm Drain Construction: The District is active in comprehensive storm drain master planning/construction and cooperates with incorporated cities and other agencies in storm drain projects.

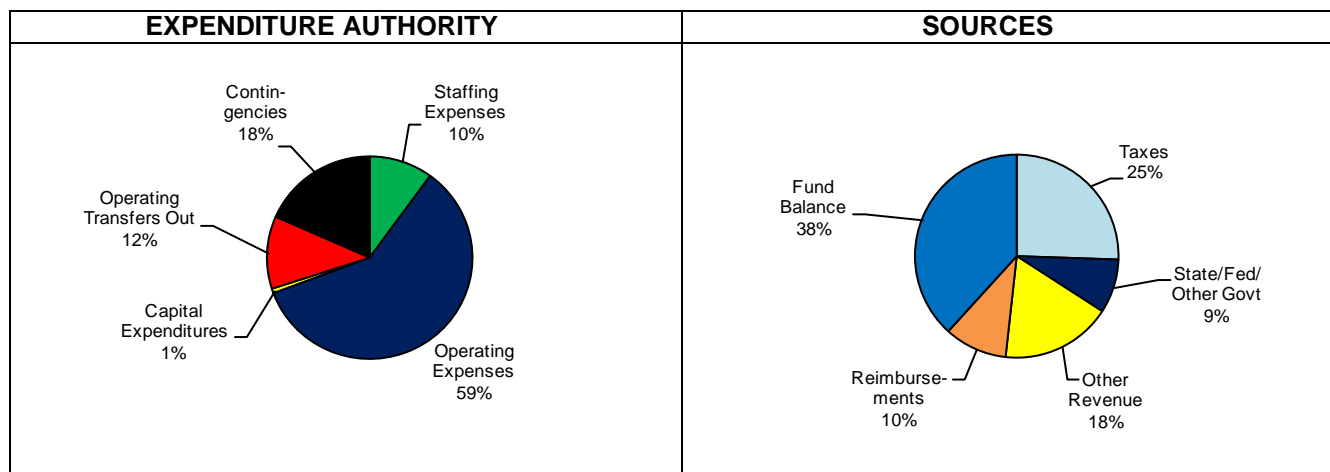

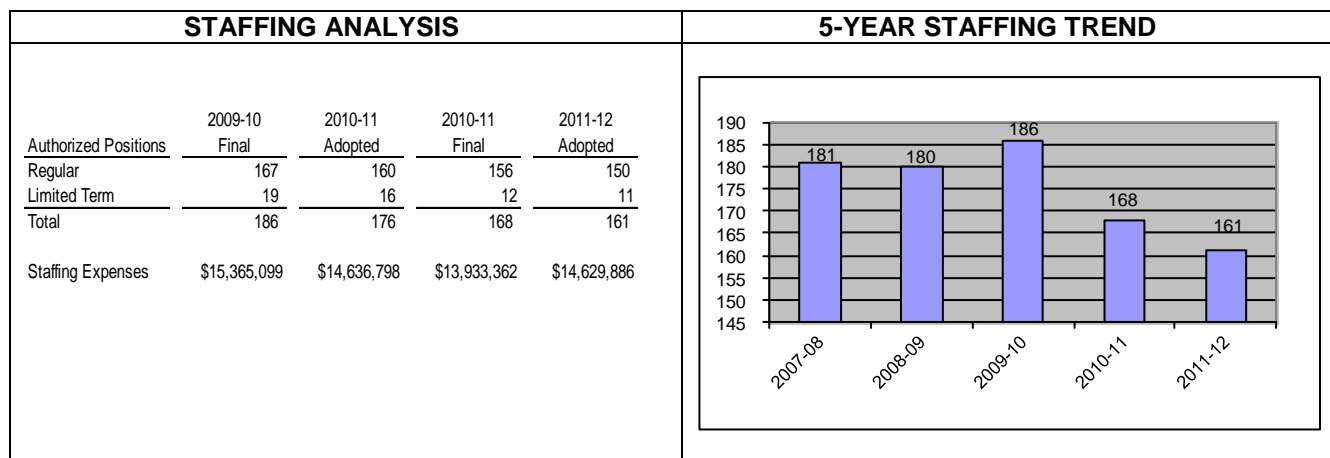

Facility Maintenance: The District has a proactive maintenance program for its facilities. Regular inspections of the storm drains, channels, and basins are made as required by various state and federal agencies.

National Pollution Discharge Elimination System (NPDES): The District is the lead permittee in the San Bernardino valley area-wide NPDES permit with 16 cities as co-permittees. The NPDES program, through the State Water Quality Management Board, regulates storm water quality through very detailed and complex permits, which affect everyone within the Santa Ana River Watershed and is expanding into the high desert area of the Victor Valley under Phase II of the permit.

Flood Operations: During the flood season, the District maintains telemetry systems for monitoring rainfall and runoff and dispatches storm patrols as dictated by the projected severity of a storm. The District has access to a weather satellite data delivery system to provide state-of-the-art weather information. The system provides advance warning of major storm activity.

Flood Area Safety Task Force (FAST): As a result of the October/November fires of 2003, the FAST organization was created. The District is a key component of this task force, which is meant to respond to the elevated flood risk associated with the aftermath of these devastating fires.

BUDGET CHANGES AND OPERATIONAL IMPACT**Appropriation**

Staffing expenses of \$14,629,886 fund 161 budgeted positions. The overall net increase of \$696,524 is due to retirement and negotiated labor agreement cost increases and anticipating filling 20 positions that were vacant during 2010-11. The increase is partially offset by 1.5 hour per pay period leave bank savings and the net deletion of 7 vacant positions that are no longer needed.

Operating expenses of \$85,826,497 include service contracts for Flood Control construction project costs, legal fees, COWCAP charges, liability insurance, office supplies, equipment charges, computer hardware/software and ISD support, travel and training, debt service payments, right-of-way costs and transfers. The net increase of \$26,759,591 is primarily due to an increase of \$23,354,287 in professional services for construction of the following projects: San Sevaire Channel repair, Cucamonga Basin #6, Cactus Basin #3, Alabama at City Creek, Lytle Cajon and Warm Creek Channels, San Timoteo Basins, Elder Creek Channel (design and environmental), Mojave River I-15 Levee, Mountain View Acres, Yucca Loma Storm Drain Project, and Sheep Creek repair; an increase in transfers of \$3,040,340; an increase of \$122,600 for motor pool charges; and an increase in Other Charges of \$1,989,453 which includes debt service and right of way charges for District projects. These increases were partially offset by the following decreases: 1) \$614,200 in outside legal services; 2) \$560,400 in equipment and vehicle charges and repairs based on anticipated usage; 3) \$346,900 in special department expenses based on actual usage; 4) \$123,100 decrease in COWCAP charges; 4) minor increases and decreases in miscellaneous expenses of \$102,489.

Capital expenditures of \$1,039,200 are increasing by \$784,781 due to the following: an increase of \$531,250 related to increase in land/easement purchases for District construction projects; an increase of \$80,000 to structures and improvement to structures to replace or repair the Rancho Cucamonga yard building, an increase of \$173,500 in equipment purchases needed to replace the gatehouse generator at Lytle Cajon Creek, and the purchase of rain gauges to be installed in Zones 3, 4 and 6, and a small increase of \$31 related to the District's computer lease.

Contingencies of \$26,681,686 are decreasing by \$33,267,072 due to allocating funds to projects that are now anticipated to go into the construction phase. Those funds are reflected in the operating expenses category.

Reimbursements of \$14,437,046 are decreasing by \$498,215 and consists of the following: 1) internal payroll distribution reimbursements of \$12,809,446; 2) labor reimbursements of \$1,220,000 from Transportation as the District's employees work on Transportation projects; 3) reimbursements for Human Resources services: \$18,900 from the County Surveyor; \$14,500 from Airports; \$48,000 from Solid Waste; and \$201,100 from Transportation; 4) reimbursements for Computer Services costs: \$6,700 from Surveyors; \$105,100 from Transportation and \$13,300 from Solid Waste. The overall decrease is primarily due to a reduction in internal payroll distribution charges as a result of deleting several positions during 2010-11 in addition to the proposed staffing reduction in 2011-12.

Operating transfers out of \$16,647,663 is increasing by \$6,420,451 and consists of the following:

- \$6,700,000 as a transfer from fund RFA General to fund RFB Bond Debt fund (both in Zone 1) to pay for the Judgment Obligation and Etiwanda San Sevaine bond payments plus administration;
- \$3,500,000 transfer from Zone 4 (RFQ) to Zone 1 (RFA) as a loan so that Zone 1 can complete construction of San Sevaine Channel and for cash flow purposes;
- \$3,363,700 for inter-fund contributions from Zones 1 thru 6 to the Administrative Zone 7 to pay a fair share of administrative costs;
- \$1,792,411 from fund RFG to fund RFF (both in Zone 2) to close out fund RFG which is no longer needed;
- \$1,075,000 from Zone 2 (RFF and RFG) to Zone 3 (RFL and RFM) for Zone 2's share of costs for Seven Oaks Dam and San Timoteo Channel construction and maintenance;
- \$100,000 from Zone 4 (RFQ) to Transportation to fund the Mojave River Watershed Group; and
- \$116,552 from fund RLC Etiwanda San Sevaine Fee plan to Zone 1(RFA) for reimbursement of Etiwanda San Sevaine costs.

Departmental Revenue

Taxes of \$36,920,100 are decreasing by \$488,837 to reflect an overall 1.3% decrease from 2010-11 final budget revenue.

State, federal, and other government aid of \$12,435,830 is decreasing by \$4,362,632 and consists of the following:

- \$3,443,700 from Federal Highway Administration for the Alabama at City Creek project;
- \$2,357,450 from the Rancho Cucamonga Redevelopment Agency to assist in the San Sevaine Bond payment;
- \$1,883,700 from local cities for the Valley wide National Pollution Discharge Elimination System program.
- \$1,000,000 from Department of Water Resources for a grant to assist in construction of Cactus Basin #3;
- \$800,000 from Orange and Riverside Counties for reimbursement on Seven Oaks Dam maintenance;
- \$600,000 from the Ontario Community Facilities District for reimbursement of Etiwanda/San Sevaine costs;
- \$491,500 from Chino Basin Watermaster and Inland Empire Utilities Agency for work on the San Sevaine Channel repair in Zone 1;
- \$435,200 from the Cities of Highland, Redlands and San Bernardino, Inland Valley Development Agency (IVDA) and State Office of Emergency Services Alabama at City Creek project;
- \$426,200 for the General Tax Levy Homeowners Exemption;
- \$360,000 from the City of Rialto for their share of costs of street improvements as part of the Cactus Basin #3 project;
- \$243,000 from the Town of Yucca Valley for their share of costs for the Long Canyon Corps Study;
- \$225,000 from the City of Rancho Cucamonga to assist in the San Sevaine Bond payment;
- \$100,080 from the State of California Department of Water Resources for retention of the Local Levee Grant;
- \$50,000 from the City of Fontana drainage fees to assist in the San Sevaine Bond payment;
- \$20,000 from various water agencies for water spreading activities;

The decrease of \$4,362,632 in state, federal, and other government aid is primarily due to a decrease of \$1,540,000 due to completion of the Natural Resources Conservation Service grant; a decrease of \$1,000,000 in the Levee Certification (LOLE) state grant; and a decrease in other government aid of \$1,922,712 for various agency cost shares due to completion of projects.

Fee/rate revenue of \$232,850 are increasing by \$209,505 due to an increase in permit fees that were approved by the Board of Supervisors on May 3, 2011 and an increase in services provided to the Solid Waste Management Division.

Other revenue of \$2,362,150 consists of revenue from interest earned on the District's available cash, rents and concessions, surplus property sales, and other miscellaneous revenues and sales. The decrease of \$2,744,013 is due to a \$99,526 decrease in interest revenue on the District's cash balances and rent and royalty revenue; a \$2,406,316 decrease in surplus property sales, and a \$238,171 decrease in sales of master plans of drainage, aerial room services and other reports.

Operating transfers in of \$23,113,619 are increasing by \$5,278,227 due to increased needs by the different zones.

STAFFING CHANGES AND OPERATIONAL IMPACT

During 2010-11, the District had a net reduction of 8 vacant positions. For 2011-12, the District is eliminating 8 vacant positions, which consist of 2 limited term positions and 6 regular positions (1 Maintenance and Construction Supervisor, 1 Maintenance and Construction Worker II, 1 Pesticide Applicator, 1 Public Works Engineer II, 1 Automated Systems Technician, and 1 Office Assistant III) that are no longer necessary due to a reduction in workload and streamlining of duties within the department. In addition, the District is adding one limited term position, Public Works Engineer IV, to provide support with the levee certification program.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses of \$2,287,269 consist of Auto Liability insurance, motor pool charges and equipment repair and maintenance charges from Fleet Management Department. The increase of \$134,784 is primarily due to an anticipated increase in automotive repairs and maintenance charges.

Contingencies of \$4,695,861 represent available net cash available set aside for future use.

Depreciation of \$1,000,000 is increasing by \$150,000 based on depreciation schedule.

Fee/rate revenue of \$3,000,000 is decreasing by \$5,025 due to flat usage/rates of the District's heavy equipment fleet. County Flood Control District equipment is available for usage by both the District and the Public Works Department - Transportation Division and is reimbursed by Transportation when used for their projects and maintenance.

Other revenue of \$245,000 is increasing by \$197,484 due to anticipated increased sales of fully depreciated equipment.

Capital expenditures of \$1,115,000 represent the following purchases:

- \$750,000 to replace 3 Caterpillar IT 14 wheel loaders; each costing \$250,000.
- \$250,000 for a 6x6 4000 gallon Compress Natural Gas truck for watering the grading dust perimeter, mowing operations, and other maintenance work throughout the District.
- \$10,000 for items needed to compact washouts in compliance with the Levee Certification program.
- \$45,000 for toilet trailers to be used for work release and county crews when working on large projects.
- \$60,000 to replace 2 4x4 pickups; one for the Environmental Management Division and one for the Stormwater Program. Each vehicle is anticipated to cost \$30,000.
