Section 3.01. Payment Obligations. (a) The Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, hereby unconditionally, irrevocably and absolutely agrees to make prompt and full payment of all payment obligations owed to the Purchaser under the Related Documents and to pay any other Obligations owing to the Purchaser whether now existing or hereafter arising, irrespective of their nature, whether direct or indirect, absolute or contingent, with interest thereon at the rate or rates provided in such Related Documents and under such Obligations.

(b) (i) In the event the Purchaser has not received the Mandatory Tender Purchase Price on the Mandatory Tender Date, the Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, shall cause the Unremarketed Bonds to be redeemed on the Mandatory Tender Date; *provided* that, if the Obligated Group is required to redeem Unremarketed Bonds as set forth above and (A) no Default or Event of Default shall have occurred and be continuing and (B) the representations and warranties set forth in Article V (other than with respect to representations and warranties which expressly relate to an earlier date and, if any such representation or warranty relates to an earlier date, such date will be deemed to refer to the corresponding date in the most recent Fiscal Year) shall be true and correct in all material respects on, and shall be deemed to have been made on, the Mandatory Tender Date, then the Obligated Group Agent, on behalf of the Obligated Group, shall cause the principal amount of such Bonds to be redeemed in installments payable on each Amortization Payment Date (each such payment, an "*Amortization Payment*"), with the final installment in an amount equal to the entire then-outstanding principal amount of such Bonds to be redeemed on the Amortization End Date (the period commencing on the Mandatory Tender Date and ending on the Amortization End Date is herein referred to as the "*Amortization Period*"). Each Amortization Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Amortization Payments over the Amortization Period. During the Amortization Period, interest on Unremarketed Bonds shall accrue at the Unremarketed Bond Rate, be payable monthly in arrears on the first Business Day of each calendar month and be calculated on the basis of a 360-day year and actual days elapsed.

(ii) After the Mandatory Tender Date, the Obligated Group Agent, on behalf of the Obligated Group, may optionally redeem all or any portion of the Unremarketed Bonds or convert the interest rate on all or any portion of the Unremarketed Bonds from the Initial Index Interest Rate to a different interest rate mode on any Interest Payment Date upon giving the Purchaser at least thirty (30) days prior written notice.

(c) The Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, shall pay within thirty (30) days after demand:

(i) if an Event of Default shall have occurred, all costs and expenses of the Purchaser in connection with the enforcement (whether by means of legal proceedings or

otherwise) of any of its rights under this Agreement, the other Related Documents and such other documents which may be delivered in connection therewith;

(ii) a fee for each amendment, supplement or modification to this Agreement or any other Related Document or any consent or waiver by the Purchaser with respect to any Related Document, in each case, in a minimum amount of [REDACTED] plus the reasonable fees and expenses of counsel to the Purchaser;

(iii) the reasonable fees and out-of-pocket expenses for counsel or other reasonably required consultants to the Purchaser in connection with advising the Purchaser as to its rights and responsibilities under this Agreement and the other Related Documents or in connection with responding to requests from the Obligated Group Agent for approvals, consents and waivers;

(iv) any amounts advanced by or on behalf of the Purchaser to the extent required to cure any Default, Event of Default or event of nonperformance hereunder or any Related Document, together with interest at the Default Rate; and

(v) all reasonable fees, costs and expenses of any consultants providing services to the Corporation, any other Member or the Purchaser in accordance with this Agreement.

In addition, if at any time any Governmental Authority shall require revenue or other documentary stamps or any other tax in connection with the execution or delivery of this Agreement or other Related Documents, then, if the Corporation lawfully may pay for such stamps, taxes or fees, the Obligated Group Agent, on behalf of the Obligated Group, shall pay, when due and payable, for all such stamps, taxes and fees, including interest and penalties thereon, and the Obligated Group Agent on behalf of the Obligated Group, agrees to save the Purchaser harmless from and against any and all liabilities with respect to or resulting from any delay of the Obligated Group Agent in paying, or omission of the Obligated Group Agent to pay, such stamps, taxes and fees hereunder.

Section 3.02. Increased Payments. (a) Increased Costs. (i) Increased Costs Generally. If any Change in Law shall:

(A) impose, modify or deem applicable any reserve, liquidity ratio, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or advances, loans or other credit extended or participated in by, the Purchaser or any Bondholder;

(B) subject the Purchaser or any Bondholder to any Tax of any kind whatsoever with respect to this Agreement or the Bond, or change the basis of taxation of payments to the Purchaser or such Bondholder in respect thereof (except for Indemnified Taxes or Other Taxes and the imposition of, or any change in the rate of any Excluded Tax payable by the Purchaser or such Bondholder); or

(C) impose on the Purchaser or any Bondholder any other condition, cost or expense affecting this Agreement or the Bonds;

and the result of any of the foregoing shall be to increase the cost to the Purchaser or such Bondholder of owning the Bonds, or to reduce the amount of any sum received or receivable by the Purchaser or such Bondholder hereunder or under the Bonds (whether of principal, interest or any other amount) then, upon written request of the Purchaser or such Bondholder as set forth in clause (iii) of this Section, the Obligated Group Agent, on behalf of the Obligated Group, shall promptly pay to the Purchaser or such Bondholder, as the case may be, such additional amount or amounts as will compensate the Purchaser or such Bondholder, as the case may be, for such additional costs incurred or reduction suffered.

(ii) *Capital Requirements.* If the Purchaser or any Bondholder determines that any Change in Law affecting the Purchaser or such Bondholder or the Purchaser's or such Bondholder's parent or holding company, if any, regarding capital requirements, has or would have the effect of reducing the rate of return on the Purchaser's or such Bondholder's or the Purchaser's or such Bondholder's parent or holding company holding, if any, as a consequence of this Agreement, or ownership of the Bonds, to a level below that which the Purchaser or such Bondholder or the Purchaser's or such Bondholder's parent or holding company could have achieved but for such Change in Law (taking into consideration the Purchaser's or such Bondholder's policies and the policies of the Purchaser's or such Bondholder's parent or holding company with respect to capital adequacy), then from time to time upon written request of the Purchaser or such Bondholder as set forth in clause (iii) of this Section 3.02(a), the Obligated Group Agent, on behalf of the Obligated Group, shall promptly pay to the Purchaser or such Bondholder, as the case may be, such additional amount or amounts as will compensate the Purchaser or such Bondholder or the Purchaser's or such Bondholder's parent or holding company for any such reduction suffered.

(iii) *Certificates for Reimbursement.* A certificate of the Purchaser or any Bondholder setting forth in reasonable detail (including the provision of this Agreement under which such amount is due and a reasonable description of the circumstance that gave rise to such amount and as to the methodology of calculating such amount due) the amount or amounts necessary to compensate the Purchaser or any such Bondholder or the Purchaser's or any such Bondholder's parent or holding company, as the case may be, as specified in paragraph (i) or (ii) of this Section 3.02(a) and delivered to the Obligated Group Agent, shall be conclusive absent manifest error. The Obligated Group Agent shall pay the Purchaser or any such Bondholder, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(iv) *Delay in Requests.* Failure or delay on the part of the Purchaser or any such Bondholder to demand compensation pursuant to this Section 3.02(a) shall not constitute a waiver of the Purchaser's or any such Bondholder's right to demand such compensation.

(v) Notwithstanding the foregoing, the Corporation shall not be required to compensate the Purchaser, any Credit Protection Provider or any such Bondholder pursuant to this Section for any increased costs incurred or reductions suffered more than six (6) months prior to the date that the Purchaser, any such Credit Protection Provider or any such Bondholder, as the case may

be, notifies the Corporation of the Change in Law giving rise to such increased costs or reductions, and of the Purchaser's, any such Credit Protection Provider's or any such Bondholder's intention to claim compensation therefor (except that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six month period referred to above shall be extended to include the period of retroactive effect thereof).

(b) *Determination of Taxability.* (i) In the event a Determination of Taxability occurs, to the extent not payable to each Bondholder (or to the Purchaser for the period that it was the Bondholder of any of the Bonds) under the terms of the Bond Indenture and the Bonds, the Obligated Group Agent, on behalf of the Obligated Group, hereby agrees to pay to each Bondholder (or, if applicable, the Purchaser) on demand therefor (1) an amount equal to the difference between (A) the amount of interest that would have been paid to such Bondholder (or, if applicable, the Purchaser) on the Bonds during the period for which interest on the Bonds is included in the gross income of such Bondholder (or, if applicable, the Purchaser) if the Bonds had borne interest at the Taxable Rate, beginning on the Taxable Date (the "*Taxable Period*"), and (B) the amount of interest actually paid to the Bondholder (or, if applicable, the Purchaser) during the Taxable Period, and (2) an amount equal to any interest, penalties or charges owed by such Bondholder (or, if applicable, the Purchaser) as a result of interest on the Bonds becoming included in the gross income of such Bondholder (or, if applicable, the Purchaser), together with any and all attorneys' fees, court costs, or other out-of-pocket costs incurred by such Bondholder (or, if applicable, the Purchaser) in connection therewith;

(ii) Subject to the provisions of clause (iii) below, such Bondholder (or, if applicable, the Purchaser) shall afford the Obligated Group Agent the opportunity, at the Obligated Group's sole cost and expense, to contest (1) the validity of any amendment to the Code which causes the interest on the Bonds to be included in the gross income of such Bondholder (or, if applicable, the Purchaser) or (2) any challenge to the validity of the tax exemption with respect to the interest on the Bonds, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals); *provided* that, in no event shall a Bondholder be required to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Obligated Group or any other Person; and

(iii) As a condition precedent to the exercise by the Obligated Group Agent of its right to contest set forth in clause (ii) above, the Obligated Group Agent, on behalf of the Obligated Group, shall, on demand, immediately reimburse such Bondholder (or, if applicable, the Purchaser) for any and all expenses (including attorneys' fees for services that may be required or desirable, as determined by such Bondholder (or, if applicable, the Purchaser) in its sole discretion) that may be incurred by the Bondholder (or, if applicable, the Purchaser) in connection with any such contest, and shall, on demand, immediately reimburse the Bondholder (or, if applicable, the Purchaser) for any payments, including any taxes, interest, penalties or other charges payable by such Bondholder (or, if applicable, the Purchaser) for failure to include such interest in its gross income.

(c) *Default Rate.* Upon the occurrence and during the continuance of an Event of Default, the Obligations shall bear interest at the Default Rate, which shall be payable by the Obligated Group Agent, on behalf of the Obligated Group, to each Bondholder (or, if applicable, the Purchaser) upon demand therefore and be calculated on the basis of a 360-day year and actual days elapsed.

(d) *Maximum Interest Rate.* (i) If the amount of interest payable for any period in accordance with the terms hereof or the Bonds exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Interest Rate, then interest for such period shall be payable in an amount calculated at the Maximum Interest Rate.

(ii) Any interest that would have been due and payable for any period but for the operation of the immediately preceding subclause (i) shall accrue and be payable as provided in this subclause (ii) and shall, less interest actually paid to each Bondholder for such period, constitute the “Excess Interest Amount.” If there is any accrued and unpaid Excess Interest Amount as of any date, then the principal amount with respect to which interest is payable shall bear interest at the Maximum Interest Rate until payment to each Bondholder of the entire Excess Interest Amount.

(iii) Notwithstanding the foregoing, on the date on which no principal amount with respect to the Bonds remains unpaid, the Obligated Group Agent, on behalf of the Obligated Group, shall pay to each Bondholder a fee equal to any accrued and unpaid Excess Interest Amount.

(e) *Survival.* The obligations of the Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, under clauses (a) and (b) of this Section 3.02 shall survive the termination of this Agreement and the redemption or other payment in full of the Bonds.

Section 3.03. Obligations Absolute. The payment obligations of the Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, under this Agreement shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including without limitation the following:

(a) any lack of validity or enforceability of this Agreement, the Bonds or any of the other Related Documents;

(b) any amendment or waiver of or any consent to departure from all or any of the Related Documents;

(c) the existence of any claim, set-off, defense or other right which any Member may have at any time against the Purchaser, any other Bondholder or any other person or entity, whether in connection with this Agreement, the other Related Documents, the transactions contemplated herein or therein or any unrelated transaction; or

(d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Notwithstanding this Section, the Purchaser acknowledges a Member may have the right to bring a collateral action with respect to one or more of the foregoing circumstances. The Obligated Group Agent's payment obligations shall remain in full force and effect pending the final disposition of any such action. All fees payable pursuant to this Agreement shall be deemed to be fully earned when due and non-refundable when paid.

Section 3.04. Funding Indemnity. In the event the Purchaser shall incur any loss, cost, or expense (including, without limitation, any loss, cost, or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired or contracted to be acquired by the Purchaser to purchase or hold the Bonds or the relending or reinvesting of such deposits or other funds or amounts paid or prepaid to the Purchaser) as a result of any redemption or conversion of the Bonds on a date other than an Interest Payment Date for any reason, whether before or after default, and whether or not such payment is required by any provision of this Agreement or the Bond Indenture, then upon the demand of the Purchaser, the Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, shall pay to the Purchaser a redemption or conversion premium, as applicable in such amount as will reimburse the Purchaser for such loss, cost, or expense. If the Purchaser requests such redemption or conversion premium, as applicable, it shall provide to the Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, a certificate setting forth the computation of the loss, cost, or expense giving rise to the request for such redemption or conversion premium, as applicable in reasonable detail and such certificate shall be conclusive if reasonably determined. All of the Obligated Group's obligations under this Section 3.04 shall survive the termination of this Agreement and the repayment, satisfaction or discharge of all other Obligations.

Section 3.05. Optional Redemption or Conversion Fee. The Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, shall pay to the Purchaser an optional redemption or conversion fee in connection with each optional redemption of all or any portion of the Bonds or each conversion of the interest rate on all or any portion of the Bonds from the Index Interest Rate prior to the first anniversary of the Effective Date, in an amount equal to the product of (A) 0.10%, and (B) the principal amount of the Bonds to be optionally redeemed or converted to an interest rate other than the Index Interest Rate, and (C) a fraction, the numerator of which is equal to the number of days from and including the date of such optional redemption or conversion, as applicable, to and including the first anniversary of the Effective Date, and the denominator of which is 360, payable on the date that all or any portion of the Bonds are optionally redeemed or the date on which the interest rate on all or any portion of the Bonds are converted to bear interest at a rate other than the Index Interest Rate. Notwithstanding the foregoing, no such fee shall be payable if the optional redemption or conversion occurs after the Purchaser requests payment of amounts from the Obligated Group pursuant to Section 3.02 hereof.

Section 3.06. Purchaser Consent to Subsequent Index Interest Rate Period. (a) So long as the Purchaser is the Bondholder, the Obligated Group Agent, on behalf of itself and the other

Members of the Obligated Group, may provide written notice to the Purchaser of its desire to change the interest rate mode of the Bonds (including conversion to a new Index Interest Rate Period) and requesting the Purchaser to purchase such Bonds in such new Index Interest Rate Period or provide the liquidity or credit enhancement necessary to facilitate the conversion of the Bonds to such new interest rate mode. The Purchaser will make reasonable efforts to respond to such request within thirty (30) days after receipt of all information necessary, in the Purchaser's reasonable judgment, to permit the Purchaser to make an informed credit decision. The Purchaser may, in its sole and absolute discretion, decide to accept or reject any such request and no consent shall become effective unless the Purchaser shall have consented thereto in writing. In the event the Purchaser fails to definitively respond to such request within such thirty (30) day period, the Purchaser shall be deemed to have refused to grant such request. The consent of the Purchaser, if granted, shall be conditioned upon the preparation, execution and delivery of documentation in form and substance satisfactory to the Purchaser (which may include, but not be limited to the delivery of a "no adverse effect opinion" of Bond Counsel to the Purchaser with respect to the tax-exempt status of the Bonds as a result of such conversion and interest rate setting). In the event the Obligated Group Agent, on behalf of itself and the other Members of the Obligated Group, the Purchaser fail to document in writing their agreement of the proposed rate(s) and terms of the succeeding period(s), the Obligated Group Agent shall continue to be required to repurchase the Bonds on the Mandatory Tender Date for a purchase price of 100% of the par amount plus accrued interest to the Mandatory Tender Date, and, as applicable, have available to it the provisions set forth in Section 3.01(b) hereof.

The Corporation, each other Member of the Obligated Group and each Material Obligated Affiliate has received the written approval or permits from all federal, state and local governmental authorities materially necessary to conduct its operations as presently conducted. The execution and delivery of this Agreement and the other Related Documents is not subject to any tax, duty, fee or other charge, including, without limitation, any registration or transfer tax, stamp duty or similar levy, imposed by any Governmental Authority.

Section 7.05. Discontinuance of Proceedings. Section 7.07. Remedies under the Bond Indenture. Notwithstanding anything set forth herein to the contrary, upon the occurrence of an "event of default" under the Bond Indenture (other than an "event of default" under Section 7.01(i) thereof), the Purchaser may immediately exercise any and all remedies available thereunder (including, without limitation, under Section [8.02] thereof).

Section 8.01. Indemnification. In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, the Obligated Group Agent, on behalf of the Obligated Group, hereby agrees (to the extent permitted by law) to indemnify and hold harmless each Bondholder, the Purchaser and each Participant and its officers, directors and agents (each, an "Indemnitee") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) which may incur or which may be claimed against an Indemnitee by any Person or entity whatsoever (collectively, the "Liabilities") by reason of or in connection with (a) the execution and delivery or transfer of, or payment or failure to pay under, or the performance under any Related Document; (b) the issuance and sale of the Bonds; (c) the use of the proceeds of the Bonds; (d) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Member of the Obligated Group, or any liability under any Environmental Law related in any way to any Member of the Obligated Group, or (e) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Member of the Obligated Group, and regardless of whether any Indemnitee is a party thereto; *provided* that the Obligated Group Agent shall not be required to indemnify an Indemnitee for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of such Indemnitee. Nothing under this Section 8.01 is intended to limit the Obligated Group Agent's payment of the Obligations.

Section 8.02. Survival. The obligations of the Obligated Group Agent under this Article VIII shall survive the payment of the Bonds and the termination of this Agreement.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Patriot Act Notice. The Purchaser hereby notifies the Obligated Group Agent and each other Member that pursuant to the requirements of the Patriot Act it is required to obtain, verify and record information that identifies the Members, which information includes the name and address of the Members and other information that will allow the Purchaser to identify the Members in accordance with the Patriot Act. Each Member hereby agrees that it shall promptly provide such information upon request by the Purchaser.

Section 9.02. Further Assurances. From time to time upon the request of either party hereto, the other shall promptly and duly execute, acknowledge and deliver any and all such further instruments and documents as the requesting party may in its reasonable discretion deem necessary or desirable to confirm this Agreement, and the other Related Documents, to carry out the purpose and intent hereof and thereof or to enable the requesting party to enforce any of its rights hereunder or thereunder. At any time, and from time to time, upon request by the Purchaser, the Obligated Group Agent will, at the Obligated Group's expense, (a) correct any defect, error or omission which may be discovered in the form or content of any of the Related Documents, and (b) make, execute, deliver and record, or cause to be made, executed, delivered and recorded, any and all further instruments, certificates, and other documents as may, in the opinion of the Purchaser be necessary or desirable in order to complete, perfect or continue and preserve the Lien of the Bond Indenture. Upon any failure by the Obligated Group Agent to do so, the Purchaser or the Bond Trustee may make, execute and record any and all such instruments, certificates and other documents for and in the name of the Obligated Group Agent or such other Member, all at the sole expense of the Obligated Group Agent, and the Obligated Group Agent and each other Member hereby appoints the Purchaser and the Bond Trustee the agent and attorney-in-fact of each such Member to do so, this appointment being coupled with an interest and being irrevocable. Without limitation of the foregoing, the Obligated Group Agent, on behalf of the other Members, irrevocably authorizes the Purchaser at any time and from time to time to file any initial financing statements, amendments thereto and continuation statements deemed necessary or desirable by the Purchaser to establish or maintain the validity, perfection and priority of the security interests granted in the Bond Indenture, and the Obligated Group Agent, on behalf of the other Members, ratifies any such filings made by the Purchaser prior to the date hereof. In addition, at any time, and from time to time, upon request by the Purchaser or the Bond Trustee, the Obligated Group Agent will, at the Obligated Group's expense, provide any and all further instruments, certificates and other documents as may, in the opinion of the Purchaser or the Bond Trustee, be necessary or desirable in order to verify any Member's identity and background in a manner satisfactory to the Purchaser or the Bond Trustee, as the case may be.

Section 9.03. Amendments and Waivers; Enforcement. The Purchaser and the Obligated Group Agent may from time to time enter into agreements amending, modifying or supplementing this Agreement or the other Related Documents or changing the rights of the Purchaser or the Members hereunder or thereunder, and the Purchaser may from time to time grant waivers or consents to a departure from the due performance of the obligations of the

Obligated Group Agent and the other Members hereunder or thereunder. Any such agreement, waiver or consent must be in writing and shall be effective only to the extent specifically set forth in such writing. In the case of any such waiver or consent relating to any provision hereof, any Default or Event of Default so waived or consented to shall be deemed to be cured and not continuing, but no such waiver or consent shall extend to any other or subsequent Default or Event of Default or impair any right consequent thereto.

Section 9.04. No Implied Waiver; Cumulative Remedies. No course of dealing and no delay or failure of the Purchaser in exercising any right, power or privilege under this Agreement or the other Related Documents shall affect any other or future exercise thereof or exercise of any right, power or privilege; nor shall any single or partial exercise of any such right, power or privilege or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege. The rights and remedies of the Purchaser under this Agreement are cumulative and not exclusive of any rights or remedies which the Purchaser would otherwise have under any Related Document, at law or in equity.

Section 9.05. Notices. All notices, requests, demands, directions and other communications (collectively “*notices*”) under the provisions of this Agreement shall be in writing (including facsimile communication), unless otherwise expressly permitted hereunder, and shall be sent by first-class mail or overnight delivery and shall be deemed received as follows: (i) if by first class mail, five (5) days after mailing; (ii) if by overnight delivery, on the next Business Day; (iii) if by telephone, when given to a person who confirms such receipt; and (iv) if by facsimile, when confirmation of receipt is obtained. All notices shall be sent to the applicable party at the following address or in accordance with the last unrevoked written direction from such party to the other parties hereto:

The Issuer:

Indiana Finance Authority

The Obligated Group Agent: Indiana University Health, Inc.

The Purchaser:

The Northern Trust Company

The Bond Trustee:

The Bank of New York Mellon Trust Company, N.A.

The Purchaser may rely on any notice (including telephone communication) purportedly made by or on behalf of the other, and shall have no duty to verify the identity or authority of the Person giving such notice, unless such actions or omissions would amount to gross negligence or intentional misconduct.

Section 9.06. Right of Setoff. (a) Upon the occurrence of an Event of Default, a Bondholder may, at any time and from time to time, without notice to the Obligated Group Agent, any other Member or any other Person (any such notice being expressly waived), set off and appropriate and apply against and on account of any Obligations under this Agreement, without regard to whether or not such Bondholder shall have made any demand therefor, and although such Obligations may be contingent or unmatured, any and all deposits (general or special, including but not limited to deposits made pursuant to this Agreement and Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts, such as restricted donor accounts) and any other Debt at any time held or owing by such Bondholder to or for the credit or the account of any or all of the Members. The Obligated Group authorizes the Purchaser to exercise the set-off rights set forth herein for the benefit of the Master Trustee for the benefit of the holders of Master Obligations under the Master Indenture and, following such set-off, the Purchaser is authorized and, to the extent permitted by law, required to deliver the proceeds realized from the exercise of such set-off right to the Master Trustee. Amounts realized by the Purchaser upon exercise of the set-off rights set forth herein shall be held and applied on a parity basis for the benefit of the holders of the Master Notes.

(b) Each Bondholder agrees promptly to notify the Obligated Group Agent after any such set-off and application referred to in subsection (a) above, *provided* that the failure to give such notice shall not affect the validity of such set-off and application. Subject to the provisions of subsection (a) above, the rights of a Bondholder under this Section 9.06 are in addition to other rights and remedies (including, without limitation, other rights of set-off) which such Bondholder may have.

Section 9.07. No Third-Party Rights. Nothing in this Agreement, whether express or implied, shall be construed to give to any Person other than the parties hereto and the Bondholders any legal or equitable right, remedy or claim under or in respect of this Agreement, which is intended for the sole and exclusive benefit of the parties hereto.

Section 9.08. Severability. The provisions of this Agreement are intended to be severable. If any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

Section 9.09. Governing Law; Consent to Jurisdiction and Venue; Waiver of Jury Trial.
(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF INDIANA WITHOUT GIVING EFFECT TO CONFLICTS OF LAWS PROVISIONS; *PROVIDED* THAT THE OBLIGATIONS OF THE PURCHASER SHALL BE GOVERNED BY THE LAWS OF THE STATE OF ILLINOIS.

(b) EACH PARTY HERETO CONSENTS TO AND SUBMITS TO IN PERSONAM JURISDICTION AND VENUE IN THE STATE OF INDIANA OR THE STATE OF NEW YORK AND IN THE FEDERAL DISTRICT COURTS WHICH ARE LOCATED IN THE STATE OF INDIANA OR THE STATE OF NEW YORK. THIS CONSENT TO AND SUBMISSION TO JURISDICTION IS WITH REGARD TO ANY ACTION RELATED TO THIS AGREEMENT. REGARDLESS OF WHETHER THE PARTY'S ACTIONS TOOK PLACE IN THE STATE OF INDIANA, THE STATE OF NEW YORK OR ELSEWHERE IN THE UNITED STATES, THIS SUBMISSION TO JURISDICTION IS NONEXCLUSIVE, AND DOES NOT PRECLUDE EITHER PARTY FROM OBTAINING JURISDICTION OVER THE OTHER IN ANY COURT OTHERWISE HAVING JURISDICTION.

(c) TO THE EXTENT PERMITTED BY APPLICABLE LAWS, EACH OF THE PARTIES HERETO HEREBY WAIVES ITS RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE RELATED DOCUMENTS OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS.

(d) The covenants and waivers made pursuant to this Section 9.09 shall be irrevocable and unmodifiable, whether in writing or orally, and shall be applicable to any subsequent amendments, renewals, supplements or modifications of this Agreement. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

Section 9.10. Prior Understandings. This Agreement and the other Related Documents supersede all other prior understandings and agreements, whether written or oral, among the parties hereto relating to the transactions provided for herein and therein.

The Majority Bondholder may so designate an alternate Person to act as the Purchaser from time to time. Section 9.14. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 9.15. Acknowledge and Appointment as the Calculation Agent. The Purchaser hereby acknowledges and accepts its appointment as Calculation Agent during the Initial Period pursuant to the Bond Indenture and acknowledges, accepts and agrees to all the duties and obligations of the Calculation Agent set forth in the Bond Indenture.

Section 9.16. No Fiduciary Relationship. Each Member of the Obligated Group acknowledges and agrees that its dealing with the Purchaser are solely in the nature of a debtor/creditor relationship and that in no event shall the Purchaser be considered to be a partner or joint venturer of the Obligated Group or its individual Members. The Obligated Group Members also represent and warrant that they have independently evaluated the business transaction and have not relied upon, nor will they rely upon, the expertise, advice or other comments or statements of the Purchaser (including agents of the Purchaser), if any, in deciding to pursue such undertaking. As the Members of the Obligated Group are experienced in business, in no event shall the Purchaser owe any fiduciary or similar obligations to it in connection with the subject transaction.

Section 9.17. Electronic Signatures. The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be “written” or “in writing,” (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or “printouts,” if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, “electronic signature” means a manually-signed original signature that is then transmitted by electronic means; “transmitted by electronic means” means sent in the form of a facsimile or sent via the internet as a “pdf” (portable document format) or other replicating image attached to an e-mail message; and, “electronically signed document” means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

DEFEASANCE OF LIEN; FURTHER ASSURANCE

Section 201. Defeasance of Lien.

When the Issuer has paid or has been deemed to have paid, within the meaning of this Section 201, to the Holders of all of the Bonds the principal and interest and premium, if any, due or to become due thereon at the times and in the manner stipulated therein and herein, all amounts due under the Credit Facility Provider Agreement have been paid to the Credit Facility

Provider, all amounts due under any Continuing Covenant Agreement have been paid to the related Index Interest Period Holder, and all other obligations owing to the Trustee hereunder or under the Loan Agreement have been paid or provided for, the lien of this Indenture on the Trust Estate shall terminate. Upon the written request of the Issuer or the Borrower, the Trustee shall, upon the termination of the lien hereof, promptly execute and deliver to the Issuer, with a copy to the Borrower, an appropriate discharge hereof except that, subject to the provisions of this Indenture, the Trustee shall continue to hold in trust amounts held pursuant to Section 509 for the payment of the principal of, premium, if any, and interest on the Bonds.

Outstanding Bonds shall be deemed to have been paid within the meaning of this Section 201 if the Trustee shall be holding in trust for and shall have irrevocably committed to the payment of such Outstanding Bonds, either (i) Available Moneys, or (ii) if the Bonds bear interest at a Long-Term Rate to the maturity date of the Bonds, United States Obligations the payments on which when due, without reinvestment, together with any Available Moneys so held and so committed, will be, in the opinion of a firm of certified public accountants or other verification agent acceptable to the Trustee and the Borrower, sufficient for the payment of all principal of and interest and premium, if any, on such Bonds to the date of maturity or redemption, as the case may be; provided, however, that if any of such Bonds are deemed to have been paid prior to the earlier of the redemption or the maturity thereof, the Trustee, the Borrower and the Issuer shall have received an opinion of Bond Counsel that such payment and the holding thereof by the Trustee shall not in and of itself cause interest on the Bonds to be included in gross income for federal income tax purposes; provided, further, that if any such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given to the Bondholders or irrevocable provisions satisfactory to the Trustee shall have been duly made for the giving of such notice to the Bondholders. Notwithstanding the foregoing provisions of this paragraph, if the Bonds are rated by S&P at the time a deposit of Available Moneys is made and the interest rate on such Bonds which are the subject of such escrow has not been established for the entire period from the creation of the escrow to the date of maturity or redemption, as the case may be, the interest rate on such Bonds shall be calculated at the Maximum Bond Interest Rate for such period.

Limitations set forth elsewhere in this Indenture regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in the Bond Fund of the United States Obligations described in the preceding paragraph of this Section 201 for the purpose of defeasing the lien of this Indenture as to Outstanding Bonds which have not yet become due and payable. Notwithstanding any other provision of this Indenture to the contrary, all Available Moneys deposited with the Trustee as provided in this Section 201 and held in the Bond Fund or a separate escrow may be invested and reinvested, at the direction of the Borrower, in United States Obligations (or, if the Bonds do not bear interest at a Long-Term Rate to the maturity date of the Bonds, in a money market fund that invests solely in United States Obligations and is rated in the highest category by one of Fitch, Moody's or S&P and, if more than one of such rating agencies then rates such money market fund, is rated no less than the highest rating category by each of such rating agencies then rating such money market fund) maturing in the amounts and times as hereinbefore set forth, and all income from all United States Obligations (or money market fund) in the hands of the Trustee pursuant to this Section 201 which is not required for the payment of the Bonds and interest and redemption premium, if any, thereon with respect to which such moneys shall have been so deposited shall

be deposited in the Bond Fund or such separate escrow as and when realized and collected for use and application as are other moneys deposited in the Bond Fund or such separate escrow. Notwithstanding the foregoing provisions of this paragraph, if the Bonds are rated by S&P at the time a deposit of Available Moneys is made under this Section 201, such Available Moneys may be invested solely in United States Obligations maturing or to be available to be withdrawn at par no later than the earlier of the maturity date, a mandatory purchase date, redemption date or the next possible optional tender date.

Notwithstanding any other provision of this Indenture to the contrary, if an Outstanding Bond has been deemed to be paid under this Section 201 and the Holder or Beneficial Owner of such Bond delivers an optional tender notice with respect to such Bond that would result in a purchase of such Bond pursuant to Section 405(a) or (b) prior to its maturity or redemption date: (1) the Remarketing Agent shall not remarket such Bond; (2) the Trustee shall transfer to the Tender Agent, not later than 2:30 p.m. on the Tender Date for such Bond, Available Moneys from the deposit made under this Section 201 sufficient to pay the Tender Price of such Bond; (3) the Tender Agent shall purchase such Bond on the Tender Date applicable to such Bond; and (4) such Bond shall be delivered to the Trustee for cancellation and shall be cancelled.

Notwithstanding any other provision of this Indenture to the contrary, if Outstanding Bonds have been deemed to be paid because a deposit of Available Moneys has been made under this Section 201, and the Bonds are rated by a rating agency at the time such deposit is made, then (i) if such deposit is made with proceeds of one or more drawings under the Credit Facility, then any excess funds remaining in the Bond Fund or any separate escrow after payment of all of the Bonds at their respective maturities or redemption or purchase dates shall be returned to the Credit Facility Provider, or (ii) if such deposit is made with Available Moneys as described in clause (iii) of that definition, then there shall be delivered a written opinion of Independent Counsel experienced in bankruptcy law matters, in form satisfactory to each rating agency rating the Bonds, that the portion of such deposit needed to pay principal of and interest on the Bonds when due will not be subject to the automatic stay under Section 362 of the Bankruptcy Code in the event of an Event of Bankruptcy.

Notwithstanding any other provision of this Indenture to the contrary, if Outstanding Bonds have been deemed to be paid because a deposit of Available Moneys has been made under this Section 201, the Interest Rate Period may not thereafter be converted to another Interest Rate Period by the Borrower.

Notwithstanding any other provision of this Indenture to the contrary, if Outstanding Bonds have been deemed to be paid because a deposit of Available Moneys has been made under this Section 201 with proceeds of one or more drawings under the Credit Facility, then the surrender by the Trustee of the Credit Facility to the Credit Facility Provider for cancellation prior to the maturity or redemption date of the Bonds shall not cause the Bonds to be subject to purchase under Section 405(e).

After all of the Outstanding Bonds shall be deemed to have been paid and all other amounts required to be paid under this Indenture shall have been paid, then upon the termination of this Indenture any amounts in the Project Fund and the Bond Fund shall be paid first to the Trustee and then to the Issuer to the extent necessary to repay any unpaid obligations owing to

the Trustee and/or the Issuer hereunder or under the Loan Agreement, and then to any Credit Facility Provider or any Index Interest Period Holder to the extent necessary to pay amounts owing to any Credit Facility Provider or any Index Interest Period Holder under any Credit Facility Provider Agreement or any Continuing Covenant Agreement, and thereafter the remainder, if any, shall be paid to the Borrower.

Notwithstanding any provision of this Indenture to the contrary, Bonds paid by payments made under a Credit Facility shall be deemed to be Outstanding Bonds until all amounts due under the Credit Facility Provider Agreement have been paid to the Credit Facility Provider.

Section 202. Further Assurance.

The Issuer, at the written request of the Trustee, will from time to time execute and deliver such instruments as may be reasonably required to confirm, perfect or maintain the security interests created hereby and the transfer, assignment and grant of rights hereunder; provided, however, that the Issuer shall not be required to take any such action if and for so long as it, upon advice of counsel, reasonably believes that such action would expose it to any liability or expense for which it has not been indemnified to its satisfaction by the Borrower.

(d) By their purchase of each Bond, each Bondholder shall be deemed to have acknowledged and agreed to the provisions of this Section 302 and that the Issuer has no taxing power.

Section 303. Authentication and Delivery of Bonds.

Prior to the authentication and delivery by the Trustee of the Bonds, there shall be filed or deposited with the Trustee:

(a) a copy, certified by an authorized officer of the Issuer, of all resolutions adopted and proceedings had by the Issuer authorizing the issuance of the Bonds, including the resolution authorizing the execution, delivery and performance of this Indenture and the Loan Agreement;

(b) executed counterparts of this Indenture and the Loan Agreement and the Bonds Supplemental Master Indenture;

(c) the opinion of Bond Counsel approving the validity of the Bonds and confirming the exclusion from gross income of interest on the Bonds, subject to customary qualifications and assumptions;

(d) a request and authorization to the Trustee on behalf of the Issuer and signed by an authorized officer of the Issuer to authenticate and deliver the Bonds in such specified denominations as permitted herein to purchasers thereof upon payment to the Trustee, but for the account of the Issuer, of a specified sum of money (upon payment of the proceeds to the Trustee, the Trustee shall deposit the proceeds pursuant to Article V hereof);

(e) the executed Promissory Note;

(f) an executed counterpart of the Tax Certificates; and

(g) an opinion of counsel to the Borrower, to the effect that (A) the Promissory Note and the Loan Agreement are valid and binding obligations of the Borrower, (B) the Promissory Note constitutes an "Obligation" under the Master Indenture, and (C) the Master Indenture is a valid and binding obligation of the Obligated Group, subject to customary exceptions and assumptions.

Section 304. Execution; Authentication; Limited Obligations.

The Bonds shall be executed on behalf of the Issuer with the manual or facsimile signature of the Chairman of the Issuer and the Issuer's corporate seal shall be affixed thereto or printed or otherwise reproduced thereon and attested by the manual or facsimile signature of its Public Finance Director of the State. All authorized facsimile signatures shall have the same force and effect as if manually signed.

No Bonds shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until a certificate of authentication on such Bonds substantially in the form set forth in the form of Bonds attached hereto as Exhibit B shall have been duly executed by the Trustee, and such executed certificate of authentication upon any such Bonds shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The certificate of authentication on any Bonds shall be deemed to have been executed by the Trustee if signed by an authorized signatory of the Trustee but it shall not be necessary that the same signatory execute the certificate of authentication on all of the Bonds.

The Bonds are not general obligations of the Issuer. The Bonds are limited obligations of the Issuer. The Issuer has no taxing power. Except as provided herein, the principal of, premium, if any, and interest, on the Bonds are payable solely out of the revenues derived from the Promissory Note delivered to the Issuer and endorsed to the Trustee. The State shall not in any event be liable for the payment of the principal of, premium, if any, or interest, if any, on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever that may be undertaken by the Issuer or the Borrower. Neither the Bonds, the Promissory Note nor any of the agreements or obligations of the Issuer or the Borrower shall be construed to constitute an indebtedness of the State or the Issuer within the meaning of any constitutional or statutory provisions whatsoever, nor constitute or give rise to a pecuniary liability on, or be a charge against, the general credit or taxing powers of the State or the Issuer.

Neither the Issuer nor any other Person has any right to have the State levy any taxes or appropriate any funds for the payment of the obligations of the Borrower under the Loan Agreement or the Promissory Note.

Section 305. Mutilated, Lost, Stolen or Destroyed Bonds.

In the event any Bond is mutilated, lost, stolen, or destroyed, the Issuer shall execute and the Trustee shall authenticate a new Bond of like date and denomination as that mutilated, lost, stolen or destroyed, provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen, or destroyed Bond, there first shall be furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with an indemnity satisfactory to them. In the event any such Bond shall have matured, the Trustee, instead of issuing a duplicate Bond, may pay the same without surrender thereof, making such requirements as it deems fit for its protection, including a lost instrument bond. The Issuer and the Trustee may charge the Holder of such Bond with their reasonable fees and expenses for such service. In executing a new Bond, the Issuer may rely conclusively upon a representation by the Trustee that the Trustee is satisfied with the adequacy of the evidence presented concerning the mutilation, loss, theft or destruction of any Bond.

Section 306. Exchange and Transfer of Bonds; Book Entry System.

Upon surrender of a Bond or Bonds at the designated corporate trust office of the Trustee, as bond registrar, together with an assignment duly executed by the Bondholder or his attorney or legal representative in such form and with such guaranty of signature as shall be satisfactory to the Trustee, a Bond or the Bonds may be exchanged for fully registered Bonds of the same maturity, aggregating in amount the then unpaid principal amount of the Bond or Bonds surrendered, of Authorized Denominations.

As to any Bond, the Bondholder shall be deemed and regarded as the absolute owner thereof for all purposes and none of the Issuer, the Borrower or the Trustee shall be affected by any notice, actual or constructive, to the contrary.

Any Bond may be registered as transferred upon the books kept for the registration and transfer of Bonds only upon surrender thereof to the Trustee, as bond registrar, together with an assignment duly executed by the Bondholder or his attorney or legal representative in such form and with such guaranty of signature as shall be satisfactory to the Trustee; provided, that with respect to Bonds bearing interest at a Long-Term Interest Rate, the Trustee shall not be obliged to make any exchange or registration of transfer during the period between a Record Date and the corresponding Interest Payment Date. Upon the registration of transfer of any such Bond and on request of the Trustee, the Issuer shall execute, and the Trustee shall authenticate and deliver, a new Bond or Bonds, registered in the name of the transferee or transferees, of the same maturity, aggregating in amount the then unpaid principal amount of the Bond or Bonds surrendered, of Authorized Denominations.

In all cases in which Bonds shall be issued in exchange for or in replacement of other Bonds, the Bonds to be issued shall be signed and sealed on behalf of the Issuer and authenticated by the Trustee, and shall have attached thereto an executed validation certificate,

all as provided in Section 304. The obligation of the Issuer and the rights of the Bondholders with respect to such Bonds shall be the same as with respect to the Bonds being exchanged or replaced. Such registrations of transfers or exchanges of Bonds shall be without charge to the Bondholders, except that any taxes or other governmental charges required to be paid with respect to the same shall be paid by the Bondholder requesting such registration of transfer or exchange as a condition precedent to the exercise of such privilege. Any service charge made by the Trustee for any such registration of transfer or exchange shall be paid by the Borrower.

Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture, or for exchange or registration of transfer pursuant to this Section 306, such Bond shall be promptly canceled and destroyed by the Trustee (subject to applicable record retention requirements) and counterparts of a certificate of destruction evidencing such destruction shall be retained by the Trustee and, if requested by the Issuer or the Borrower, shall be furnished by the Trustee to the Issuer or the Borrower, as the case may be.

The foregoing provisions of this Section 306 to the contrary notwithstanding, while the Bonds bear interest at a rate other than an Index Interest Rate, the Bonds will be held pursuant to a Book-Entry System and issued initially as one fully registered bond for each maturity in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and deposited in the custody of DTC. The Beneficial Owners will not receive physical delivery of the Bonds. Individual purchases of the Bonds may be made in book-entry form only in principal amounts equal to Authorized Denominations thereof. The provisions of Section 310 notwithstanding, the payments of principal and Tender Price of and premium, if any, and interest on the Bonds will be made to DTC or its nominee as Bondholder.

DTC shall pay interest to the Beneficial Owners of record through its Participants as of the close of business on the Record Date. DTC shall pay the redemption price of the Bonds called for redemption to the Beneficial Owners of record through its Participants in accordance with its customary procedures.

While the Bonds bear interest at a rate other than an Index Interest Rate, transfer of ownership interests in the Bonds shall be made by DTC and its Participants, acting as nominees of the Beneficial Owners, in accordance with rules specified by DTC and its Participants. Index Interest Rate Bonds may be transferred in accordance with the provisions of the Continuing Covenant Agreement.

Bond certificates will be issued directly to Holders of the Bonds other than DTC, or its nominee, upon the occurrence of the following events (subject, however, to operation of the two sentences following clause (c) below):

- (a) DTC determines not to continue to act as securities depository for the Bonds; or
- (b) the Borrower with the consent of the Issuer and the Trustee has advised DTC of its determination that DTC is incapable of discharging its duties; or
- (c) the Borrower with the consent of the Issuer and the Trustee has determined that it is in the best interest of the Bondholders not to continue the Book-Entry System of transfer or

that interests of the Beneficial Owners of the Bonds might be adversely affected if the Book-Entry System of transfer is continued.

Upon occurrence of the event described in (a) or (b) above, the Borrower shall attempt to locate another qualified Securities Depository. If the Borrower fails to locate another qualified Securities Depository to replace DTC, the Trustee shall authenticate and deliver Bonds in certificated form pursuant to the written direction of DTC upon which the Trustee may rely. In the event the Borrower makes the determination noted in (b) or (c) above (as to which the Borrower undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the Borrower to make any such determination), and has made provisions to notify the Beneficial Owners of the Bonds of the availability of Bond certificates by mailing an appropriate notice to DTC, the Issuer shall cause the Trustee to authenticate and deliver Bonds in certificated form pursuant to Exhibit B to DTC's Participants (as requested in writing by DTC upon which request the Trustee may rely) in appropriate amounts. Principal of and interest on the Bonds shall be payable as otherwise provided in this Article III.

Notwithstanding anything herein to the contrary, for so long as the Bonds bear interest at an Index Interest Rate, the Issuer and the Trustee agree, unless the Index Interest Period Holder, or Bondholder Representative, on behalf an Index Interest Period Holder, if any, requests otherwise, the Bonds shall be held in physical form by the Index Interest Period Holder or Bondholder Representative.

Section 307. Temporary Bonds.

Until Bonds in definitive form are ready for delivery, the Issuer may execute, and upon the request of the Issuer, the Trustee shall authenticate and deliver, subject to the provisions, limitations and conditions set forth above, one or more Bonds in temporary form, whether printed, typewritten, lithographed or otherwise produced, substantially in the form of the definitive Bonds, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the liens and benefits of this Indenture.

Section 308. Interest on Bonds.

(a) General. Except as provided in Section 308(h) with respect to the Index Interest Rate Bonds and Unremarketed Bonds and except as provided in Section 308(j) with respect to Bank Bonds, the interest rate and Interest Rate Period on and for the Bonds may be adjusted as set forth in this Section 308. Except while the Bonds bear interest at Bond Interest Term Rates, all Bonds shall bear the same interest rate for the same Interest Rate Period.

No Bond shall, at any time, bear interest in excess of the Maximum Bond Interest Rate; provided that as set forth in Section 308(h) and (j), the interest rate on Bank Bonds and Bonds bearing interest at an Index Interest Rate and Unremarketed Bonds shall not be subject to the Maximum Bond Interest Rate and may bear interest in excess thereof up to the Maximum Lawful Rate.

(b) Payment of Interest. Interest on the Bonds shall be paid on each Interest Payment Date, any redemption date and on the Maturity Date therefor.

(c) Interest Accrual and Payment. Except during a Long Term Interest Rate Period and an Index Interest Rate Period, interest on the Bonds shall accrue on the basis of the actual number of days elapsed during the Interest Rate Period and a year of 365 days (366 days in a leap year). Interest on the Bonds bearing interest at a Long-Term Interest Rate shall accrue on the basis of a 360 day year based on twelve 30 day months. Interest accrual and payment provisions for Index Interest Rate Bonds bearing interest at a LIBOR Index Rate shall accrue on the basis of the actual number of days elapsed during the Interest Rate Period and a year of 360 days. Interest accrual and payment provisions for the Index Interest Rate Bonds bearing interest at a SIFMA Index Rate shall accrue on the basis of the actual number of days elapsed during the Interest Rate Period and year of 365 days (366 days in leap year)

Interest shall be paid on the Bonds on each Interest Payment Date. Each Bond shall bear interest from and including the Interest Accrual Date immediately preceding the date of authentication thereof or, if such date of authentication is an Interest Accrual Date to which interest on such Bond has been paid in full or duly provided for, from such date of authentication or, if it is the first payment of interest on such Bond, the date thereof. However, if, as shown by the records of the Trustee, interest on the Bonds is in default, Bonds issued in exchange for Bonds surrendered for registration of transfer or exchange shall bear interest from the date to which interest has been paid in full on the Bonds so surrendered or, if no interest has been paid on such Bonds, from the date thereof.

For any Daily Interest Rate Period, interest on the Bonds shall be payable on each Interest Payment Date for the period commencing on the Interest Accrual Date preceding the prior Interest Payment Date (or, in the case of the first Interest Payment Date during any Daily Interest Rate Period, the Interest Accrual Date preceding such Interest Payment Date) and ending on the last day of the month in which such Interest Accrual Date occurs (or, if sooner, the last day of the Daily Interest Rate Period).

For any Weekly Interest Rate Period or SIFMA Index Interest Period, interest on the Bonds shall be payable on each Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date (or, if any Interest Payment Date is not a Wednesday, commencing on and including the second preceding Interest Accrual Date) and ending on and including the Tuesday immediately preceding the Interest Payment Date (or, if sooner, the last day of the Weekly Interest Rate Period).

For any Short-Term Interest Rate Period or Long-Term Interest Rate Period, interest on the Bonds shall be payable on each Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date and ending on the day immediately preceding such Interest Payment Date.

For any LIBOR Index Interest Period, interest on the Bonds shall be payable on each Interest Payment Date for the period commencing on the immediately preceding Interest Accrual Date and ending on the day immediately preceding such Interest Payment Date.

Each Unremarketed Bond shall bear interest for each day it is an Unremarketed Bond at a rate per annum equal to the Unremarketed Bond Rate for such day.

In any event, interest on the Bonds shall be payable for the final Interest Rate Period to the date on which the Bonds have been paid in full.

The terms of the Bonds shall be divided into consecutive Interest Rate Periods during each of which the Bonds shall bear interest at the Daily Interest Rate, Weekly Interest Rate, Bond Interest Term Rates, Index Interest Rate or Long-Term Interest Rate. However, at any given time, all Bonds shall bear interest at a Daily Interest Rate, a Weekly Interest Rate, a Long-Term Interest Rate, Index Interest Rate or at Bond Interest Term Rates.

(d) Weekly Interest Rate and Weekly Interest Rate Period.

(i) Determination of Weekly Interest Rate. During each Weekly Interest Rate Period, the Bonds shall bear interest at the Weekly Interest Rate, which shall be determined by the Remarketing Agent by 5:00 p.m. on Tuesday of each week during the Weekly Interest Rate Period, or if such day is not a Business Day, then on the next succeeding Business Day. The first Weekly Interest Rate for each Weekly Interest Rate Period shall be determined on or prior to the first day of such Weekly Interest Rate Period and shall apply to the period commencing on the first day of such Weekly Interest Rate Period and ending on and including the next succeeding Tuesday. Thereafter, each Weekly Interest Rate shall apply to the period commencing on and including Wednesday and ending on and including the next succeeding Tuesday, unless such Weekly Interest Rate Period ends on a day other than Tuesday, in which event the last Weekly Interest Rate for such Weekly Interest Rate Period shall apply to the period commencing on and including the Wednesday preceding the last day of such Weekly Interest Rate Period and ending on and including the last day of such Weekly Interest Rate Period.

Each Weekly Interest Rate with respect to the Bonds shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax exempt obligations comparable, in the judgment of the Remarketing Agent, to the Bonds and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by the Bonds, would enable the Remarketing Agent to sell all of the Bonds on the effective date of that rate at a price (without regard to accrued interest) equal to the principal amount thereof.

If the Remarketing Agent fails to establish a Weekly Interest Rate for any week with respect to the Bonds bearing interest at such rate, then the Weekly Interest Rate for such week with respect to such Bonds shall be the same as the immediately preceding Weekly Interest Rate if such Weekly Interest Rate was determined by the Remarketing Agent. If the immediately preceding Weekly Interest Rate was not determined by the Remarketing Agent, or if the Weekly Interest Rate determined by the Remarketing Agent is held to be invalid or unenforceable by a court of law, then the Weekly Interest Rate for such week, as determined by the Remarketing Agent, shall be equal to 110% of the SIFMA Index, or if such index is no longer available, 85% of the interest rate on 30 day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in *The Wall Street Journal* on the day such Weekly Interest Rate would otherwise be determined as provided herein for such Weekly Interest Rate Period.

(ii) Conversion to Weekly Interest Rate. Subject to Section 309 hereof, the Borrower on behalf of the Issuer may, from time to time, by written direction to the Issuer, the Trustee, the Tender Agent (if any), the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Remarketing Agent (if any), and the Index Interest Period Holder (if any), elect that the Bonds shall bear interest at a Weekly Interest Rate. The direction of the Borrower shall specify (A) the proposed effective date of the Conversion to a Weekly Interest Rate, which shall be (1) in each case, a Business Day not earlier than the 10th day following the second Business Day after receipt by the Trustee of such direction, (2) in the case of a Conversion from a Long Term Interest Rate Period, the day immediately following the last day of the then current Long Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 401(a)(ii) if such Conversion did not occur, (3) in the case of a Conversion from a Short Term Interest Rate Period, the day immediately following the last day of the Short Term Interest Rate Period determined in accordance with Section 308(g)(iv) and (B) the Tender Date for the Bonds to be purchased, which shall be the proposed effective date of the Conversion to a Weekly Interest Rate. In addition, the direction of the Borrower shall be accompanied by a form of notice to be mailed to the Holders of the Bonds by the Trustee as provided in Section 308(d)(iii). During each Weekly Interest Rate Period for the Bonds commencing on a date so specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, the interest rate borne by the Bonds shall be a Weekly Interest Rate.

(iii) Notice of Conversion to Weekly Interest Rate. The Trustee shall give notice by first class mail of a Conversion to a Weekly Interest Rate Period to the Holders of the Bonds not less than 10 days prior to the proposed effective date of such Weekly Interest Rate Period. Such notice shall state (A) that the interest rate shall be converted to a Weekly Interest Rate unless the Borrower rescinds its election to convert the interest rate to a Weekly Interest Rate as provided in Section 309(b); (B) the proposed effective date of the Weekly Interest Rate Period; (C) that the Bonds are subject to mandatory tender for purchase on the proposed effective date and setting forth the Tender Price and the place of delivery for purchase of the Bonds; and (D) the information set forth in Section 405(g).

(e) Daily Interest Rate and Daily Interest Rate Period.

(i) Determination of Daily Interest Rate. During each Daily Interest Rate Period, the Bonds shall bear interest at the Daily Interest Rate, which shall be determined by the Remarketing Agent on each Business Day for such Business Day.

The Daily Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax exempt obligations comparable, in the judgment of the Remarketing Agent, to the Bonds and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) on or before 9:30 a.m. on a Business Day to be the minimum interest rate which, if borne by such Bonds, would enable the Remarketing Agent to sell all of such Bonds on such Business Day at a price (without regard to accrued interest) equal to the principal amount

thereof. The Daily Interest Rate for any day which is not a Business Day shall be the same as the Daily Interest Rate for the immediately preceding Business Day.

If for any reason a Daily Interest Rate for the Bonds is not so established for any Business Day by the Remarketing Agent, the Daily Interest Rate for such Business Day shall be the same as the Daily Interest Rate for the immediately preceding day and such rate shall continue until the earlier of (A) the date on which the Remarketing Agent determines a new Daily Interest Rate or (B) the seventh day succeeding the first such day on which such Daily Interest Rate is not determined by the Remarketing Agent. In the event that the Daily Interest Rate shall be held to be invalid or unenforceable by a court of law, or the Remarketing Agent fails to determine a new Daily Interest Rate for a period of seven days as described in clause (B) of the immediately preceding sentence, the interest rate applicable to the Bonds, as determined by the Remarketing Agent, shall be the interest rate per annum equal to 110% of the SIFMA Index, or if such index is no longer available, 85% of the interest rate on 30 day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in *The Wall Street Journal* as reported for each Business Day (and for the immediately preceding Business Day for each day which is not a Business Day) until such Daily Interest Rate is again validly determined by such Remarketing Agent.

(ii) Conversion to Daily Interest Rate. Subject to Section 309 hereof, the Borrower on behalf of the Issuer may, from time to time, by written direction to the Issuer, the Trustee, the Tender Agent (if any), the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Remarketing Agent (if any), and the Index Interest Period Holder (if any), elect that the Bonds shall bear interest at a Daily Interest Rate. The direction of the Borrower shall specify (A) the proposed effective date of such Conversion to a Daily Interest Rate, which shall be (1) in each case, a Business Day not earlier than the 10th day following the second Business Day after receipt by the Trustee of such direction, (2) in the case of a Conversion from a Long Term Interest Rate Period, the day immediately following the last day of the then-current Long Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 401(a)(ii) if such Conversion did not occur, and (3) in the case of a Conversion from a Short Term Interest Rate Period, the day immediately following the last day of the Short Term Interest Rate Period determined in accordance with Section 308(g)(iv) and (B) the Tender Date for the Bonds to be purchased, which shall be the proposed effective date of the Conversion to a Daily Interest Rate. In addition, the direction of the Borrower shall be accompanied by a form of notice to be mailed to the Holders of the Bonds by the Trustee as provided in Section 308(e)(iii). During each Daily Interest Rate Period for the Bonds commencing on a date so specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, the interest rate borne by the Bonds shall be a Daily Interest Rate.

(iii) Notice of Conversion to Daily Interest Rate. The Trustee shall give notice by first class mail of a Conversion to a Daily Interest Rate Period to the Holders of the Bonds not less than 10 days prior to the proposed effective date of such Daily Interest Rate Period. Such notice shall state (A) that the interest rate shall be converted to a Daily Interest Rate unless the Borrower rescinds its election to convert the interest rate to a

Daily Interest Rate as provided in Section 309(b); (B) the proposed effective date of the Daily Interest Rate Period; (C) that the Bonds are subject to mandatory tender for purchase on the proposed effective date and setting forth the Tender Price and the place of delivery for purchase of such Bonds and (D) the information set forth in Section 405(g).

(f) Long Term Interest Rate and Long Term Interest Rate Period.

(i) Determination of Long Term Interest Rate. During each Long Term Interest Rate Period, the Bonds shall bear interest at a Long Term Interest Rate. The Long Term Interest Rate for each Long-Term Interest Period shall be determined by the Remarketing Agent on a Business Day no later than the effective date of such Long Term Interest Rate Period.

The Long Term Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax exempt obligations comparable, in the judgment of the Remarketing Agent, to the Bonds and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate at which the Remarketing Agent will agree to purchase such Bonds on such effective date for resale at a price (without regard to accrued interest) equal to the principal amount thereof.

(ii) Conversion to Long Term Interest Rate.

(A) Subject to Section 309 hereof, at any time, the Borrower on behalf of the Issuer, by written direction to the Issuer, the Trustee, the Tender Agent (if any), the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Remarketing Agent (if any), and the Index Interest Period Holder (if any), may elect that the Bonds shall bear, or continue to bear, interest at a Long Term Interest Rate. The direction of the Borrower (1) shall specify the duration of the Long Term Interest Rate Period; (2) shall specify the proposed effective date of the Long Term Interest Rate Period, which date shall be (x) in each case, a Business Day not earlier than the 10th day following the second Business Day after receipt by the Trustee of such direction, and (y) in the case of a Conversion from a Short-Term Interest Rate Period, the day immediately following the last day of the Short-Term Interest Rate Period determined in accordance with Section 308(g)(iv); (3) shall specify the last day of the Long Term Interest Rate Period (which last day shall be either the day immediately prior to the Maturity Date, or a day which both immediately precedes a Business Day and is at least 181 days after the effective date thereof); and (4) shall specify a Tender Date on which Holders of the Bonds are required to deliver their Bonds to be purchased.

(B) The direction of the Borrower described in Section 308(f)(ii)(A) shall be accompanied by a form of the notice to be mailed by Trustee to the Holders of the Bonds as provided in Section 308(f)(iii). During the Long Term Interest Rate Period, the interest rate on the Bonds shall be a Long Term Interest Rate.

(C) If, by the second Business Day preceding the 9th day prior to the last day of any Long Term Interest Rate Period with respect to the Bonds, the Trustee has not received notice of the Borrower's election that, during the next succeeding Interest Rate Period, such Bonds shall bear interest at a Weekly Interest Rate, a Daily Interest Rate, the Index Interest Rate Period or another Long Term Interest Rate or at Bond Interest Term Rates, the next succeeding Interest Rate Period shall be a Weekly Interest Rate Period until such time as the interest rate shall be adjusted to a Daily Interest Rate or Long Term Interest Rate or Bond Interest Term Rates or the Index Interest Rate Period as provided in this Section 308, and the Bonds shall be subject to mandatory purchase as provided in Section 405(d) hereof on the first day of such Weekly Interest Rate Period.

(iii) Notice of Conversion to or Continuation of Long Term Interest Rate. The Trustee shall give notice by first class mail of a Conversion to a (or the establishment of another) Long Term Interest Rate Period to the Holders of the Bonds not less than 10 days prior to the effective date of the Long Term Interest Rate Period. Such notice shall state (A) that the interest rate shall be converted to, or continue to be, a Long Term Interest Rate unless (1) the Borrower rescinds its election to convert the interest rate to a Long Term Interest Rate as provided in Section 309(b) or (2) all the Bonds are not remarketed at a Long Term Interest Rate; (B) the proposed effective date, duration and last day of the Long Term Interest Rate Period; (C) that the Bonds are subject to mandatory tender for purchase on such proposed effective date and setting forth the Tender Price and the place of delivery for purchase of the Bonds; and (D) the information set forth in Section 405(g).

(iv) Conversion from Long Term Interest Rate Period. The Borrower on behalf of the Issuer may elect, by written direction to the Trustee, the Tender Agent (if any), the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Remarketing Agent (if any), and the Index Interest Period Holder (if any), subject to Section 309 hereof, that, on the day immediately following the last day of a Long Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 401(a), the Bonds shall no longer bear interest at the current Long Term Interest Rate and shall instead bear interest at a Weekly Interest Rate, a Daily Interest Rate, Bond Interest Term Rates, the Index Interest Rate Period or a new Long Term Interest Rate, as specified in such election. In the notice of such election, the Borrower shall also specify the effective date of the new Interest Rate Period, which date (1) shall be a Business Day no earlier than the 10th day after the second Business Day following the date of receipt by the Trustee of the notice of election from the Borrower or, in the case of adjustment to a new Long Term Interest Rate Period, the 10th day after the second Business Day following the date of receipt by the Trustee of such notice and (2) shall be the day immediately following the last day of the Long-Term Interest Rate Period currently in effect or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 401(a) if such Conversion did not occur. Such Bonds shall be subject to mandatory tender for purchase on the effective date of the new Interest Rate Period, in accordance with Section 405(d).

(g) Bond Interest Term Rates and Short Term Interest Rate Periods.

(i) Determination of Bond Interest Terms and Bond Interest Term Rates. During each Short Term Interest Rate Period, each Bond shall bear interest during each Bond Interest Term at the Bond Interest Term Rate for that Bond. The Bond Interest Term and the Bond Interest Term Rate for each Bond need not be the same for any two Bonds, even if determined on the same date. Each Bond Interest Term and Bond Interest Term Rate shall be determined by the Remarketing Agent no later than the first day of each Bond Interest Term. Except for any Bond purchased on behalf of the Borrower and remaining unsold by the Remarketing Agent at the close of business on the first day of the Bond Interest Term, each Bond Interest Term shall be for a period of days within the range or ranges announced by the Remarketing Agent as possible Bond Interest Terms no later than 9:00 a.m. on the first day of each Bond Interest Term. Each Bond Interest Term shall be a period of not more than 180 days, determined by the Remarketing Agent in its reasonable judgment to be the period which, together with all other Bond Interest Terms for all Bonds bearing interest at Bond Interest Term Rates then Outstanding, will result in the lowest overall interest expense on such Bonds. Any Bond purchased on behalf of the Borrower and remaining unsold by the Remarketing Agent as of the close of business on the first day of the Bond Interest Term for such Bond shall have a Bond Interest Term of one day or, if that Bond Interest Term would not end on a day immediately preceding a Business Day, a Bond Interest Term ending on the day immediately preceding the next Business Day. Each Bond Interest Term for a Bond shall end either on a day which immediately precedes a Business Day or on a day immediately preceding the mandatory sinking fund redemption date or the Maturity Date for such Bond. If for any reason a Bond Interest Term for any Bond bearing interest at Bond Interest Term Rates cannot be determined by the Remarketing Agent, or if the determination of such Bond Interest Term is held by a court of law to be invalid or unenforceable, then such Bond Interest Term shall be 30 days, but if the day so determined to be the last day of such Bond Interest Term is not a day immediately preceding a Business Day, that Bond Interest Term shall end on the first day immediately preceding the Business Day next succeeding such last day, or if such last day would be after the day immediately preceding the mandatory sinking fund redemption date or the Maturity Date for such Bond, the Bond Interest Term shall end on the day immediately preceding such mandatory sinking fund redemption date or Maturity Date. In determining the number of days in each Bond Interest Term, the Remarketing Agent shall take into account the following factors: (1) existing short term tax exempt market rates and indices of such short term rates, (2) the existing market supply and demand for short term tax exempt securities, (3) existing yield curves for short term and long term tax exempt securities for obligations of credit quality and other characteristics comparable to the Bonds bearing interest at Bond Term Interest Rates, (4) general economic conditions, (5) industry, economic and financial conditions that may affect or be relevant to the Bonds, and (6) such other facts, circumstances and conditions pertaining to financial markets as the Remarketing Agent in its sole discretion shall determine to be relevant; provided, however, that the number of days in any Bond Interest Term shall not exceed the number of days of interest coverage provided under the Liquidity Facility or the Credit Facility then in effect less five days and no Bond Interest Term shall end after the

date which is five Business Days prior to the Expiration Date of the Liquidity Facility or the Credit Facility then in effect.

The Bond Interest Term Rate for each Bond Interest Term for each Bond in a Short Term Interest Rate Period shall be the rate of interest per annum determined by the Remarketing Agent (based on an examination of tax exempt obligations comparable, in the reasonable judgment of such Remarketing Agent, to the Bonds and known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the minimum interest rate which, if borne by such Bond for such Bond Interest Term, would enable the Remarketing Agent to sell such Bond on the effective date of such Bond Interest Term at a price equal to the principal amount thereof.

If for any reason a Bond Interest Term Rate for any Bond in a Short Term Interest Rate Period (other than a Bank Bond) is not established by the Remarketing Agent for any Bond Interest Term, or the determination of such Bond Interest Term Rate is held by a court of law to be invalid or unenforceable, then the Bond Interest Term Rate for such Bond Interest Term, as determined by the Remarketing Agent, shall be the rate per annum equal to 85% of the interest rate on high grade unsecured commercial paper notes sold through dealers by major corporations as reported in *The Wall Street Journal* as reported on the first day of such Bond Interest Term and which maturity most nearly equals the Bond Interest Term for which a Bond Interest Term Rate is being calculated.

(ii) Conversion to Bond Interest Term Rates. Subject to Section 309 hereof, the Borrower on behalf of the Issuer may, from time to time, by written direction to the Issuer, the Trustee, the Tender Agent (if any), the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Remarketing Agent (if any), and the Index Interest Period Holder (if any), elect that the Bonds shall bear interest at Bond Interest Term Rates. The direction of the Borrower shall specify (A) the proposed effective date of the Short Term Interest Rate Period (during which the Bonds shall bear interest at Bond Interest Term Rates), which shall be (1) in each case, a Business Day not earlier than the 10th day following the second Business Day after receipt by the Trustee of such direction, and (2) in the case of a Conversion from a Long Term Interest Rate Period, the day immediately following the last day of such Long Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 401(a)(ii) if such Conversion did not occur, and (B) the Tender Date for the Bonds to be purchased, which shall be the proposed effective date of the Short Term Interest Rate Period. In addition, the direction of the Borrower shall be accompanied by a form of the notice to be mailed by the Trustee to the Holders of such Bonds as provided in Section 308(g)(iii). During each Short Term Interest Rate Period commencing on the date specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, each Bond shall bear interest at a Bond Interest Term Rate during each Bond Interest Term for that Bond.

(iii) Notice of Conversion to Bond Interest Term Rates. The Trustee shall give notice by first class mail of a Conversion to a Short Term Interest Rate Period to the Holders of the Bonds not less than 10 days prior to the proposed effective date of such Short Term Interest Rate Period. Such notice shall state (A) that the Bonds shall bear

interest at Bond Interest Term Rates unless the Borrower rescinds its election to convert the interest rate to Bond Interest Term Rates as provided in Section 309(b); (B) the proposed effective date of the Short Term Interest Rate Period; (C) that the Bonds are subject to mandatory tender for purchase on the proposed effective date of the Short Term Interest Rate Period and setting forth the applicable Tender Price and the place of delivery for purchase of such Bonds; and (D) the information set forth in Section 405(g).

(iv) Conversion from Short Term Interest Rate Period. Subject to Section 309 hereof, at any time during a Short Term Interest Rate Period the Borrower on behalf of the Issuer may elect, pursuant to Section 308(d)(ii), 308(e)(ii) or 308(f)(ii) or 308(h)(ii) or (iii) that the Bonds no longer shall bear interest at Bond Interest Term Rates and shall bear interest at a Weekly Interest Rate, a Daily Interest Rate, a Long Term Interest Rate or the Index Interest Rate Period, as specified in such election.

The date on which all Bond Interest Terms determined for the Bonds shall end shall be the last day of the current Short Term Interest Rate Period with respect thereto and the day next succeeding such date shall be the Maturity Date or the effective date of the Daily Interest Rate Period, Weekly Interest Rate Period, Long Term Interest Rate Period or Index Interest Rate Period elected by the Borrower for the Bonds.

(h) Index Interest Rates.

(i) SIFMA Index Rate. During each SIFMA Index Rate Period, the Bonds shall, subject to Section 308(h)(v) or (vi) hereof, bear interest at the SIFMA Index Rate. The Calculation Agent shall determine the SIFMA Index Rate on each Computation Date during the SIFMA Index Rate Period, and such rate shall become effective on the SIFMA Rate Reset Date next succeeding such Computation Date. The SIFMA Index Rate shall be rounded upward to the third decimal place.

(ii) LIBOR Index Rate. During each LIBOR Index Rate Period, the Bonds shall, subject to Section 308(h)(v) or (vi) hereof bear interest at the LIBOR Index Rate. The Calculation Agent shall determine the LIBOR Index Rate on each Computation Date during the LIBOR Index Rate Period, and such rate shall become effective on the LIBOR Index Reset Date next succeeding the Computation Date, commencing on and including the first day to but excluding the last day. The LIBOR Index Rate shall be rounded upward to the fifth decimal place. The LIBOR Index Rate for the period commencing on and including the Issue Date until but excluding the first day of the next succeeding LIBOR Index Interest Period shall be equal to [REDACTED]. Neither the LIBOR Index Rate nor any component thereof may be modified beyond the terms hereof prior to February 15, 2016 and the Bonds may not be converted from the LIBOR Index Interest Period prior to February 15, 2016.

(iii) Conversion to an Index Interest Rate Period. In addition to the notice set forth in Section 309(a) hereof, upon conversion to an Index Interest Rate Period, the Borrower on behalf of the Issuer may, from time to time, by written direction to the Issuer, the Trustee, the Tender Agent (if any), the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Remarketing Agent (if any), and any Index Interest

Period Holder (if any), provide notice of (i) the Applicable Spread and the Applicable Factor, (ii) the term of the Index Interest Rate Period, and (iii) whether such Index Interest Rate shall be a LIBOR Index Rate or a SIFMA Index Rate. The new Applicable Spread shall be determined by the Market Agent on or prior to the Conversion Date and shall be the minimum interest rate which, if borne by the Bonds would enable the Bonds to be sold at a price equal to the principal amount thereof. The direction of the Borrower shall specify (A) the proposed effective date of the Conversion to an Index Interest Rate Period or a new Index Interest Rate Period, which shall be (1) in each case, a Business Day not earlier than the 10th day following the second Business Day after receipt by the Trustee of such direction, (2) in the case of a Conversion from a Long Term Interest Rate Period, the day immediately following the last day of the then current Long Term Interest Rate Period or a day on which the Bonds would otherwise be subject to optional redemption pursuant to Section 401(a) if such Conversion did not occur, (3) in the case of a Conversion from a Short Term Interest Rate Period, the day immediately following the last day of the Short Term Interest Rate Period determined in accordance with Section 308(g)(iv) and (B) the Tender Date for the Bonds to be purchased, which shall be the proposed effective date of the Conversion to an Index Interest Rate Period or a new Index Interest Rate Period. In addition, the direction of the Borrower shall be accompanied by a form of notice to be mailed to the Holders of the Bonds by the Trustee as provided in Section 308(h)(iv). During each Index Interest Rate Period for the Bonds commencing on a date so specified and ending on the day immediately preceding the effective date of the next succeeding Interest Rate Period, the interest rate borne by the Bonds shall be an Index Interest Rate.

(iv) Notice of Conversion to Index Interest Rate Period. The Trustee shall give notice by first class mail of a Conversion to an Index Interest Rate Period or a new Index Interest Rate Period to the Holders of the Bonds not less than 10 days prior to the proposed effective date of such Index Interest Rate Period. Such notice shall state (A) that the interest rate shall be converted to an Index Interest Rate unless the Borrower rescinds its election to convert the interest rate to an Index Interest Rate as provided in Section 309(b); (B) whether such Index Interest Rate shall be a SIFMA Index Rate or a LIBOR Index Rate, the applicable Index Interest Rate Mandatory Purchase Date, and the Applicable Factor and the Applicable Spread; (C) the proposed effective date of the Index Interest Rate Period; (D) that the Bonds are subject to mandatory tender for purchase on the proposed effective date and setting forth the Tender Price and the place of delivery for purchase of the Bonds; and (E) the information set forth in Section 405(g).

(v) Interest on Unremarketed Bonds. Notwithstanding any other provision of this Indenture, each Unremarketed Bond shall bear interest for each day it is an Unremarketed Bond at a rate per annum equal to the Unremarketed Bond Rate for such day. Interest on Unremarketed Bonds shall be payable as set forth in the Continuing Covenant Agreement.

(vi) Adjustments to Index Interest Rates. From and after any Taxable Date, the interest rate on Bonds in an Index Interest Rate Period shall be established at a rate at all times equal to the Taxable Rate.

(vii) Excess Interest. Anything herein to the contrary notwithstanding, if the rate of interest payable on the Bonds during an Index Interest Rate Period or on Unremarketed Bonds shall exceed the Maximum Lawful Rate for any Interest Period, then (i) such Bonds shall bear interest at the Maximum Lawful Rate during such Index Interest Rate Period and (ii) interest on such Bonds at the rate equal to the difference between (A) the rate of interest borne by such Bonds without regard to the Maximum Lawful Rate and (B) the Maximum Lawful Rate (the "Excess Interest") shall be deferred until such date as the rate of interest borne by such Bonds without regard to the Maximum Lawful Rate ceases to exceed the Maximum Lawful Rate, at which time such portion of the deferred Excess Interest shall be payable with respect to such Bonds as will cause the rate of interest then paid thereon to equal the Maximum Lawful Rate, which payments of deferred Excess Interest shall continue to apply until all deferred Excess Interest with respect to such Bonds is fully paid.

(viii) Adjustments to the Applicable Factor or Applicable Spread. Before any Bank Purchase Date, the Index Interest Period Holder may propose an adjustment to the Applicable Spread or the Applicable Factor and the term of the next succeeding Index Interest Rate Period. If the Index Interest Period Holder proposes any adjustment to the Applicable Spread, the Applicable Factor or the term of the next succeeding Index Interest Rate Period, then the Index Interest Period Holder will deliver a certificate to the Trustee and the Borrower at least 120 days before the related Bank Purchase Date stating the new Applicable Spread, the new Applicable Factor, or new term of the next succeeding Index Interest Rate Period and whether any such new Applicable Spread will be added to or subtracted from the LIBOR Index Rate or SIFMA Index Rate, as applicable. Such new Applicable Spread, new Applicable Factor or new term will take effect on the Bank Purchase Date immediately following the proposal by the Index Interest Period Holder if the Borrower delivers written notice to the Trustee, the Calculation Agent and the Index Interest Period Holder stating that each of the Borrower and the Issuer agrees to the adjustment to the Applicable Spread, the Applicable Factor, or the term, as appropriate, at least 90 days before the related Bank Purchase Date. If the Borrower does not deliver this written notice, there shall be no adjustment to the Applicable Spread, the Applicable Factor or the term, as appropriate and the Bonds shall be subject to mandatory tender on the Bank Purchase Date. No adjustment to the Applicable Spread, the Applicable Factor or the term shall be permitted unless the Issuer, the Borrower and the Trustee shall have also received a Favorable Opinion of Bond Counsel. After each Bank Purchase Date, if the Applicable Spread, the Applicable Factor or the term has been adjusted pursuant to this subparagraph, the Calculation Agent shall use the new Applicable Spread or the new Applicable Factor, as appropriate, to determine the Bank Index Interest Rate.

(ix) During an Index Interest Rate Period and while Unremarketed Bonds are outstanding, upon the occurrence of an Event of Default or an event of default under the Continuing Covenant Agreement, the Index Interest Rate Bonds and Unremarketed Bonds shall bear interest at the Default Rate.

(i) Determinations of Remarketing Agent and Calculation Agent Binding. The determination for the Bonds of the Daily Interest Rate, Weekly Interest Rate, Long Term Interest

Rate and each Bond Interest Term and Bond Interest Term Rate by the Remarketing Agent shall be conclusive and binding upon the Borrower, the Issuer, the Trustee, the Tender Agent, the Remarketing Agent, the Liquidity Facility Provider (if any), the Credit Facility Provider (if any) and the Bondholders. The determination for the Bonds of the Index Interest Rate by the Calculation Agent shall be conclusive and binding upon the Borrower, the Issuer, the Trustee, and the Bondholders. The Calculation Agent shall not be answerable for errors in such determination except those arising from its gross negligence or willful misconduct.

(j) Bank Bonds. Notwithstanding anything in this Indenture to the contrary, Bank Bonds shall bear interest at the Bank Bond Rate and such interest shall accrue and be payable on any Interest Payment Date for Bank Bonds. On each Interest Payment Date for which interest is payable with respect to Bank Bonds, if any Bonds were not Bank Bonds at any time since the last Interest Payment Date, the Borrower shall pay directly to the Liquidity Facility Provider or the Credit Facility Provider the amount by which the interest accrued on such Bank Bonds for such period exceeds the amount of interest that would have accrued on such Bank Bonds during such period if such Bank Bonds had not been Bank Bonds during such period.

(k) Maximum Bond Interest Rate to Apply Under Certain Circumstances. Notwithstanding anything in this Indenture to the contrary, if the Bonds are bearing interest at a Weekly Interest Rate, a Daily Interest Rate or Bond Interest Term Rates and the Remarketing Agent resigns and no successor has been appointed as of the effective date of such resignation, then the Bonds shall bear interest at the Maximum Bond Interest Rate until a successor Remarketing Agent has been appointed and begins determining the Weekly Interest Rate, Daily Interest Rate or Bond Interest Term Rates. Notwithstanding anything in this Indenture to the contrary, if a Liquidity Facility is required to be maintained pursuant to Section 406 and no Liquidity Facility, Self Liquidity Arrangement or Credit Facility is in effect, then the Bonds shall bear interest at the Maximum Bond Interest Rate until an Alternate Liquidity Facility is delivered to the Tender Agent and accepted pursuant to Section 407, a Self Liquidity Arrangement becomes effective pursuant to Section 407, or a Credit Facility is delivered to the Trustee and accepted pursuant to Section 411.

Section 309. Conversion of Interest Rate Periods.

At the direction of the Borrower on behalf of the Issuer, from time to time, the Bonds may be converted, in whole, from an Interest Rate Period to another Interest Rate Period as provided in Section 308(d)(ii), 308(e)(ii), 308(f)(ii) or 308(g)(ii) or 308(h)(iii).

(a) Notice Upon Converting Interest Rate. If the Borrower on behalf of the Issuer elects to convert the interest rate of the Bonds to a Weekly Interest Rate, a Daily Interest Rate, a Long-Term Interest Rate, Bond Interest Term Rates or the Index Interest Rate Period as provided in Section 308(d)(ii), 308(e)(ii), 308(f)(ii) or 308(g)(ii) or 308(h)(iii), respectively, the written direction furnished by the Borrower to the Issuer, the Trustee, the Tender Agent (if any), the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), the Remarketing Agent (if any), and the Index Interest Period Holder (if any) as required by those Sections shall be made by registered or certified mail a recognized overnight delivery service, or by Electronic Means confirmed by registered or certified mail or a recognized overnight delivery service. That direction shall specify whether the Bonds are to bear interest at the Weekly Interest Rate, Daily

Interest Rate, Long Term Interest Rate, Bond Interest Term Rates, SIFMA Index Interest Rate or LIBOR Index Interest Rate and shall be accompanied by (a) a copy of the notice required to be given by the Trustee pursuant to Section 308(d)(iii), 308(e)(iii), 308(f)(iii) or 308(g)(iii) or 308(h)(iv), as the case may be and (b) a Favorable Opinion of Bond Counsel.

(b) Rescission of Election. Notwithstanding anything in Section 308 or this Section 309, in connection with any Conversion, the Borrower shall have the right to deliver to the Issuer, the Trustee, the Remarketing Agent (if any), the Tender Agent (if any), the Liquidity Facility Provider (if any), the Credit Facility Provider (if any), and the Index Interest Period Holder (if any) on or prior to 10:00 a.m. on the Business Day preceding the effective date of any such Conversion a notice to the effect that the Borrower on behalf of the Issuer elects to rescind its election to make such Conversion. If the Borrower rescinds its election to make such Conversion, then the Bonds shall bear interest at a Weekly Interest Rate commencing on the date which would have been the effective date of the Conversion unless the Bonds were in a Daily Interest Rate Period or Index Interest Rate Period. If the Bonds were in a Daily Interest Rate Period immediately prior to such proposed Conversion, then the Bonds shall continue to bear interest at the Daily Interest Rate as in effect immediately prior to such proposed Conversion. If the Bonds were in an Index Interest Rate Period immediately prior to such proposed Conversion, the Bonds remain in the Index Interest Rate Period and constitute Unremarketed Bonds and bear interest at the Unremarketed Bond Rate. In any event, if notice of a Conversion has been mailed to the Holders of such Bond as provided in Section 308 and the Borrower rescinds its election to make such Conversion, then the Bonds (except Bonds in an Index Interest Rate Period) shall continue to be subject to mandatory tender for purchase on the date which would have been the effective date of the Conversion as provided in Section 405(d).

(c) Certain Additional Conditions. No Conversion shall take effect under this Indenture unless each of the following conditions, to the extent applicable, shall have been satisfied.

(i) With respect to the new Interest Rate Period, there shall be in effect a Liquidity Facility, a Self Liquidity Arrangement or a Credit Facility if and as required under Section 406 or Section 410.

(ii) The Trustee shall have received a Favorable Opinion of Bond Counsel with respect to such Conversion dated the effective date of such Conversion.

(iii) In the case of any Conversion with respect to which there shall be no Liquidity Facility or Credit Facility in effect to provide funds for the purchase of Bonds on the Conversion Date, the remarketing proceeds available on the Conversion Date shall not be less than the amount required to purchase all of the Bonds at the Tender Price (not including any premium).

(iv) In the case of any Conversion of the Bonds from any Index Interest Rate Period to any other Interest Rate Period (except a Long-Term Interest Rate Period effective to the Maturity Date), prior to the Conversion Date the Borrower shall have appointed a Tender Agent and a Remarketing Agent and there shall have been executed and delivered a Remarketing Agreement and, except in the case of a Conversion to a

Long-Term Interest Rate Period (unless the Borrower elects otherwise pursuant to Section 406 or Section 410), a Liquidity Facility, a Self Liquidity Arrangement or a Credit Facility shall be in effect on the Conversion Date. Any Liquidity Facility to be in effect upon a Conversion shall meet all the requirements of an Alternate Liquidity Facility set forth in Section 407 as well as those provided in Section 406(a). Any Credit Facility to be in effect upon a Conversion shall meet all the requirements of an Alternate Credit Facility set forth in Section 411.

(d) Failure to Meet Conditions. In the event that any condition to a Conversion shall not have been satisfied as provided in this Section 309 or otherwise under this Indenture, then the Bonds shall bear interest at a Weekly Interest Rate commencing on the date which would have been the effective date of the Conversion unless the Bonds were in a Daily Interest Rate Period or an Index Interest Rate Period prior to such proposed Conversion. If the Bonds were in a Daily Interest Rate Period immediately prior to such proposed Conversion, then the Bonds shall continue to bear interest at the Daily Interest Rate as in effect immediately prior to such proposed Conversion. If the Bonds were in an Index Interest Rate Period immediately prior to such proposed Conversion, the Bonds remain in the Index Interest Rate Period and constitute Unremarketed Bonds and bear interest at the Unremarketed Bond Rate. The Bonds (except Bonds in an Index Interest Rate Period) shall continue to be subject to mandatory tender for purchase on the date which would have been the effective date of the Conversion as provided in Section 405(d).

Section 310. Method and Place of Payment.

The principal and Tender Price of and premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America. Such amounts shall be paid by the Trustee on the applicable Payment Dates (i) in the case of Bonds other than Bonds bearing interest at a Long-Term Interest Rate, by wire transfer of immediately available funds to the respective Holders thereof on the applicable Record Date to an account specified by the Holder thereof in a writing delivered to the Trustee, and (ii) in the case of Bonds bearing interest at the Long-Term Interest Rate, by check mailed by the Trustee to the respective Holders thereof on the applicable Record Date at their addresses as they appear as of the close of business on the applicable Record Date in the books kept by the Trustee, as bond registrar, except that in the case of such a Holder of \$1,000,000 or more in aggregate principal amount of such Bonds, upon the written request of such Holder delivered to the Trustee before such applicable record date, specifying the account or accounts of a bank located in the United States to which such payment shall be made, such payments shall be made by wire transfer of immediately available funds on the applicable Payment Date following such Record Date. Any request referred to in clause (ii) of the preceding sentence shall remain in effect until revoked or revised by such Holder by an instrument in writing delivered to the Trustee.

Notwithstanding anything herein to the contrary, for so long as the Bonds bear interest at an Index Interest Rate, the Issuer and the Trustee agree that all amounts payable to the Index Interest Period Holder with respect to any Bonds held by the Index Interest Period Holder may be made by the Borrower to the Index Interest Period Holder, upon the written notice of the Index Interest Period Holder to the Trustee and the Borrower (without any presentment thereof, except upon the payment of the final installment of principal, and without any notation of such

payment being made thereon), in such manner or at such address in the United States as may be designated by the Index Interest Period Holder in writing to the Trustee (the "*Direct Payment Period*"). During any Direct Payment Period, (i) any payment made shall be accompanied by sufficient information to identify the source and proper application of such payment, (ii) the Index Interest Period Holder shall notify the Trustee in writing of any failure of the Borrower to make any payment of the principal of or interest on the Bonds when due, and the Trustee shall not be deemed to have any notice of such failure unless it has received such notice in writing, and (iii) if any Bonds are sold or transferred, the Index Interest Period Holder shall notify the Trustee and the Borrower in writing of the name and address of the transferee, and it will, prior to delivery of such Bonds, make a notation on such Bonds of the date to which interest has been paid thereon and of the amount of any prepayments made on account of the principal thereof. Furthermore, to the extent that the Borrower has made the required payments to the Index Interest Period Holder during any Direct Payment Period, the Paying Agent shall have no obligations to make payments of the principal of or interest on the Bonds, nor shall the Trustee be obligated to collect Loan Payments, pursuant to the Loan Agreement, to act as bond registrar or to take any other action in respect thereof, except at the express written direction of the Index Interest Period Holder or the Issuer.

ARTICLE IV

REDEMPTION AND PURCHASE OF BONDS BEFORE MATURITY

Section 401. Redemption of Bonds.

The Bonds shall be subject to redemption prior to maturity as follows:

(a) **Optional Redemption.** The Bonds shall be subject to redemption prior to stated maturity by the Issuer, at the written direction of the Borrower, in whole or in part, in accordance with the provisions of this Section 401(a).

(i) Weekly Interest Rate Period, Daily Interest Rate Period, Short-Term and Index Interest Rate Period.

(A) Bonds bearing interest at a Daily Interest Rate or a Weekly Interest Rate shall be subject to optional redemption by the Issuer, at the written direction of the Borrower, in whole or in part, at a redemption price of 100% of the principal amount thereof plus accrued interest, if any, to the redemption date at any time.

(B) Bonds bearing interest at Bond Interest Term Rates shall be subject to optional redemption by the Issuer, in whole or in part, at the written direction of the Borrower, at a redemption price of 100% of the principal amount thereof on the day succeeding the last day of any Bond Interest Term.

(C) Bonds bearing interest at an Index Interest Rate shall be subject to optional redemption by the Issuer, at the written direction of the Borrower, in whole or in part, at a redemption price of 100% of the principal amount thereof at

any time on any Interest Payment Date, subject to the provisions of the Continuing Covenant Agreement.

(ii) Long-Term Interest Rate Period. During a Long-Term Interest Rate Period, the Bonds shall be subject to optional redemption by the Issuer, at the written direction of the Borrower, (1) on the first day of such Long-Term Interest Rate Period, in whole or in part, at a redemption price of 100% of the principal amount thereof, and (2) thereafter, during the periods specified below on any Business Day, at the redemption prices (expressed as a percentage of principal amount) specified below plus accrued interest, if any, to the redemption date:

Length of Long-Term Interest Rate Period (expressed in years)	Redemption Prices
Greater than 15	after 10 years at 101%, declining by 0.5% every year to 100%
less than or equal to 15 and greater than 10	after 7 years at 101%, declining by 0.5% every year to 100%
less than or equal to 10 and greater than 7	after 5 years at 101%, declining by 0.5% every year to 100%
less than or equal to 7 and greater than 4	after 3 years at 100 ½%, declining by 0.5% after a year to 100%
less than or equal to 4	after 2 years at 100%

In the event that the date on which the Bonds are adjusted to a Long-Term Interest Rate is a date other than a day which would be an Interest Payment Date during such Long-Term Interest Rate Period, then the date on which such Bonds shall first be subject to redemption pursuant to the foregoing table (after the first day of such Long-Term Interest Rate Period) shall be the first Interest Payment Date next succeeding the date on which such Bonds otherwise would be subject to redemption, and the redemption price shall be adjusted on each anniversary of that Interest Payment Date as provided in such table.

The above table may be amended prior to a conversion to a Long-Term Interest Rate Period upon delivery of a Favorable Opinion of Bond Counsel.

(iii) Bank Bonds. Notwithstanding anything to the contrary in this Indenture, the Borrower may redeem Bank Bonds, at its option, at any time, upon one Business Day's notice of redemption to the Liquidity Facility Provider or the Credit Facility Provider and the Trustee, unless a longer notice period is required by the Liquidity Facility or the Credit Facility Provider Agreement then in effect, at a redemption price of 100% of the principal amount of the Bank Bonds to be redeemed plus accrued interest, if any, at the Bank Bond Rate to the redemption date.

(iv) Unremarketed Bonds. Notwithstanding anything to the contrary in this Indenture, the Borrower may redeem Unremarketed Bonds, at its option, at any time,

upon one Business Day's notice of redemption to the Index Interest Period Holder and the Trustee, unless a longer notice period is required by the Continuing Covenant Agreement then in effect, at a redemption price of 100% of the principal amount of the Unremarketed Bonds to be redeemed plus accrued interest, if any, at the Unremarketed Bond Rate to the redemption date.

(b) Extraordinary Optional Redemption. The Bonds shall be redeemed in whole or in part by the Issuer at any time, at the written direction of the Borrower, at a redemption price equal to 100% of the principal amount thereof plus accrued interest thereon to the redemption date, without premium, in the event that the Project or any portion of the Project shall have been damaged, taken or condemned so as to render the Project or such portion thereof, in the judgment of the Borrower, unsatisfactory for its intended use for a period of time longer than one year.

(c) Redemption of Bank Bonds and Unremarketed Bonds. Notwithstanding anything to the contrary in this Indenture, any Bank Bonds outstanding shall be redeemed in accordance with the terms of the Liquidity Facility or the Credit Facility Provider Agreement then in effect and shall be redeemed prior to the redemption of any other Bonds under this Indenture unless otherwise provided in the Liquidity Facility or the Credit Facility Provider Agreement then in effect. Notwithstanding anything to the contrary in this Indenture, any Unremarketed Bonds outstanding shall be redeemed in accordance with the terms of the Continuing Covenant Agreement then in effect.

(d) Mandatory Sinking Fund Redemption.

The Bonds shall be redeemed in part on December 1 in each year listed below, commencing December 1, 2028, at a redemption price equal to 100% of the principal amount redeemed plus accrued interest thereon to the redemption date, in the principal amount set forth below next to such year:

<u>Year</u>	<u>Principal Amount</u>	<u>Year</u>	<u>Principal Amount</u>
2028	\$5,480,000	2037	\$685,000
2029	5,725,000	2038	1,930,000
2030	4,880,000	2039	2,415,000
2033	4,580,000	2040	2,475,000
2034	185,000	2041	14,400,000
2035	100,000	2042*	7,145,000

*Final maturity

Notwithstanding the foregoing, when any Bonds to be redeemed pursuant to this Section 401(d) are in a Weekly, Daily, or Index Interest Rate Period, if such December 1 is not an Interest Payment Date, the mandatory sinking fund redemption shall occur on the Interest Payment Date immediately succeeding such December 1.

(e) Credit for Non Mandatory Redemption.

The requirements of Section 401(d) are subject, however, to the provision that any partial redemption of Bonds under Section 401(a), under Section 401(b) or under Section 401(c) shall

reduce the mandatory sinking fund redemption requirements of Section 401(d) as provided in this paragraph. In the event of a partial redemption of Bonds under Section 401(a), Section 401(b) or Section 401(c), the Bonds so redeemed shall be credited by the Trustee at 100% of the principal amount thereof against future mandatory sinking fund redemption requirements of Section 401(d) as shall be specified in a certificate, signed by a Borrower Representative for the Bonds; provided, however, if the Borrower does not provide such certificate, the Trustee shall allocate the principal amount of Bonds redeemed against future mandatory sinking fund redemption requirements of Section 401(d) in chronological order.

Section 402. Intentionally Omitted.

Section 403. Selection of Bonds to be Redeemed.

In the case of any redemption in part of the Bonds, the Bonds to be redeemed under Section 401 shall be selected by the Trustee, subject to any requirements of this Section. A redemption of Bonds shall be a redemption of the whole or of any part of the Bonds, provided, that there shall be no partial redemption of less than \$5,000. If less than all the Bonds shall be called for redemption under any provision of this Indenture permitting such partial redemption, the particular Bonds to be redeemed shall be selected by the Trustee, in such manner as the Trustee in its discretion may deem fair and appropriate consistent with the requirements of the last paragraph of Section 401(d); provided, however (a) that the portion of any Bond to be redeemed under any provision of this Indenture shall be in the principal amount of \$5,000 or any multiple thereof, (b) that, in selecting Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000, (c) that, to the extent practicable, the Trustee will not select any Bond for partial redemption if the amount of such Bond remaining Outstanding would be reduced by such partial redemption to less than the Authorized Denomination and (d) Bank Bonds shall be redeemed prior to any Bonds which are not Bank Bonds. If there shall be called for redemption less than all of a Bond, the Issuer shall execute and deliver and the Trustee shall authenticate, upon surrender of such Bond, and at the expense of the Borrower and without charge to the owner thereof, a replacement Bond in the principal amount of the unredeemed balance of the Bond so surrendered.

At its option, to be exercised on or before the 45th day next preceding any mandatory sinking fund redemption date for Bonds under Section 401(d), the Borrower may deliver to the Trustee for cancellation Bonds of the appropriate maturity in any aggregate principal amount which have been purchased by the Borrower in the open market. Each Bond so delivered shall be credited by the Trustee at 100% of the principal amount thereof against the mandatory sinking fund redemption requirement for Bonds on such mandatory redemption date; and any excess of such amount shall be credited against future mandatory sinking fund redemption requirements in chronological order, unless the Borrower, on or before the 45th day preceding each mandatory sinking fund redemption date, furnishes the Trustee with a certificate, signed by a Borrower Representative for the Bonds, specifying a different method of crediting such amount against future mandatory sinking fund redemption requirements. If there is a Liquidity Facility or Credit Facility in place with respect to the Bonds, any funds used to purchase such series of Bonds to be delivered by the Borrower to the Trustee for cancellation shall constitute Available Moneys.

Anything in this Article to the contrary notwithstanding if a Credit Facility is then in effect, upon the occurrence of a redemption under Section 401(a) or (b) in part, such redemption and the selection of the mandatory sinking fund requirements against which the principal amount of such Bonds being redeemed shall be credited, shall be subject to the prior written approval of the Credit Facility Provider.

Section 404. Procedure for Redemption.

(a) In the event any of the Bonds are called for redemption, the Trustee shall give notice, in the name of the Issuer, of the redemption of such Bonds, which notice shall (i) specify the Bonds to be redeemed, the redemption date, the redemption price, and the place or places where amounts due upon such redemption will be payable (which shall be the principal corporate trust office of the Trustee) and, if less than all of the Bonds are to be redeemed, the numbers of the Bonds, and the portions of the Bonds, so to be redeemed, (ii) state any condition to such redemption, and (iii) state that on the redemption date, and upon the satisfaction of any such condition, the Bonds to be redeemed shall cease to bear interest. CUSIP number identification shall accompany all redemption notices. Such notice may set forth any additional information relating to such redemption.

(b) Such notice shall be given by mail, postage prepaid, at least 20 days (or, in the case of acceleration of the Bonds pursuant to Section 802, immediately) but not more than 60 days prior to the date fixed for redemption to each Holder of Bonds to be redeemed at its address shown on the registration books kept by the Trustee; provided, however, that failure to give such notice to any Bondholder or any defect in such notice shall not affect the validity of the proceedings for the redemption of any of the other Bonds. The Trustee shall send a second notice of redemption by certified mail return receipt requested to any registered Holder who has not submitted Bonds called for redemption 30 days after the redemption date, provided, however, that the failure to give any second notice by mailing, or any defect in such notice, shall not affect the validity of any proceedings for the redemption of any of the Bonds and the Trustee shall not be liable for any failure by the Trustee to send any second notice.

(c) Any Bonds and portions of Bonds which have been duly selected for redemption and which are paid in accordance with Section 509 shall cease to bear interest on the specified redemption date.

(d) Notwithstanding anything in this Section to the contrary, if a Credit Facility is in effect, then unless the Credit Facility Provider has failed to honor a properly presented and conforming drawing under the Credit Facility (and such failure remains uncured), no notice of optional redemption shall be given by the Trustee until (i) the Borrower has deposited with the Trustee moneys in an amount sufficient to reimburse the Credit Facility Provider in accordance with the terms of the Credit Facility Provider Agreement then in effect for the amount of any draw which is permitted to be made, if any, on the Credit Facility in connection with such redemption, or (ii) the Trustee has received the prior written consent from the Credit Facility Provider to such optional redemption and, if not otherwise permitted under the Credit Facility, to draw on the Credit Facility in connection with such redemption.

(e) Notwithstanding anything set forth in this Indenture to the contrary, there shall be no requirement to present Index Interest Rate Bonds in a Direct Payment Period for redemption except on the Maturity Date or the date on which the Bonds have been redeemed in full.

Section 405. Purchase of Bonds.

(a) During Weekly Interest Rate Period. During any Weekly Interest Rate Period, any Bond (other than a Bank Bond or a Borrower Bond) bearing interest at a Weekly Interest Rate shall be purchased in an Authorized Denomination (provided that the amount of any such Bond not to be purchased shall also be in an Authorized Denomination) from its Bondholder at the option of the Bondholder on any Business Day at a purchase price equal to the Tender Price, payable in immediately available funds, upon delivery to the Tender Agent at its Principal Office for delivery of Bonds, to the Trustee at its Principal Office and to the Remarketing Agent of an irrevocable written notice which states the principal amount of such Bond, the principal amount thereof to be purchased and the date on which the same shall be purchased, which date shall be a Business Day not prior to the seventh day after the date of the delivery of such notice to the Tender Agent, the Trustee and the Remarketing Agent. Any notice delivered to the Tender Agent after 4:00 p.m. shall be deemed to have been received on the next succeeding Business Day. Bank Bonds may not be tendered for purchase at the option of the Holder thereof. For payment of the Tender Price on the Tender Date, such Bond must be delivered at or prior to 10:00 a.m. on the Tender Date to the Tender Agent at its Principal Office for delivery of Bonds accompanied by an instrument of transfer, in form satisfactory to the Tender Agent executed in blank by the Bondholder or its duly authorized attorney, with such signature guaranteed by a commercial bank, trust company, or member firm of the New York Stock Exchange or pursuant to a recognized signature guarantee program.

During any Weekly Interest Rate Period for which the book-entry-only system described in Section 306 is in effect, any Bond bearing interest at the Weekly Interest Rate or portion thereof (provided that the principal amount of such Bond to be purchased and the principal amount to be retained shall each be an Authorized Denomination) shall be purchased on the date specified in the notice referred to below at the Tender Price. The irrevocable written notice, executed by the Participant, shall be delivered on any Business Day by the Participant for such Bond to the Tender Agent at its Principal Office for the delivery of such Bonds, to the Trustee at its Principal Office and to the Remarketing Agent. Any notice delivered to the Tender Agent after 4:00 p.m. shall be deemed to have been received on the next succeeding Business Day. That notice shall state the principal amount of such Bond (or interest therein), the portion thereof to be purchased and the date on which the same shall be purchased, which date shall be a Business Day at least seven days after the date of delivery of such notice to the Trustee. Upon confirmation by the Securities Depository to the Trustee that such Participant has an ownership interest in the Bonds at least equal to the amount of Bonds specified in such irrevocable written notice, payment of the Tender Price of such Bond shall be made by 3:00 p.m., or as soon as practicably possible thereafter, upon the receipt by the Trustee of the Tender Price as set forth in Section 416(b) on the Business Day specified in the notice upon the transfer on the registration books of the Securities Depository of the beneficial ownership interest in such Bond tendered for purchase to the account of the Tender Agent, or a Participant acting on behalf of such Tender Agent, at or prior to 10:00 a.m., on the date specified in such notice.

(b) During Daily Interest Rate Period. During any Daily Interest Rate Period, any Bond (other than a Bank Bond or a Borrower Bond) bearing interest at a Daily Interest Rate shall be purchased in an Authorized Denomination (provided that the amount of any such Bond not to be purchased shall also be in an Authorized Denomination) from its Bondholder at the option of the Bondholder on any Business Day at a purchase price equal to the Tender Price, payable in immediately available funds, upon delivery to the Tender Agent at its Principal Office for delivery of Bonds, to the Trustee at its Principal Office and to the Remarketing Agent, by no later than 11:00 a.m. on such Business Day, of an irrevocable written notice or an irrevocable telephonic notice, promptly confirmed by telecopy or other writing, which states the principal amount of such Bonds to be purchased and the date of purchase. Bank Bonds and Borrower Bonds may not be tendered for purchase at the option of the Holder thereof. For payment of such purchase price on the date specified in such notice, such Bonds must be delivered, at or prior to 12:00 noon, on such Business Day, to the Tender Agent at its Principal Office for delivery of Bonds, accompanied by an instrument of transfer thereof, in form satisfactory to such Tender Agent, executed in blank by the Bondholder thereof or its duly-authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange or pursuant to a recognized signature guarantee program.

During any Daily Interest Rate Period for which the book entry only system described in Section 306 is in effect, any Bond bearing interest at the Daily Interest Rate or portion thereof (provided that the principal amount of such Bond to be purchased and the principal amount to be retained shall each be an Authorized Denomination) shall be purchased on the date specified in the notice referred to below at the Tender Price. The irrevocable written notice, executed by the Participant, shall be delivered on any Business Day by the Participant for such Bond to the Tender Agent at its Principal Office for the delivery of such Bonds, to the Trustee at its Principal Office and to the Remarketing Agent prior to 11:00 a.m. That notice shall state the principal amount of such Bond (or interest therein), the portion thereof to be purchased and the date on which the same shall be purchased. Upon confirmation by the Securities Depository to the Trustee that such Participant has an ownership interest in the Bonds at least equal to the amount of Bonds specified in such irrevocable written notice, payment of the Tender Price of such Bond shall be made by 3:00 p.m., or as soon as practicably possible thereafter, upon the receipt by the Trustee of the Tender Price as set forth in Section 416(b) on the Business Day specified in the notice upon the transfer on the registration books of the Securities Depository of the beneficial ownership interest in such Bond tendered for purchase to the account of the Tender Agent, or a Participant acting on behalf of such Tender Agent, at or prior to 1:30 p.m. on the date specified in such notice.

(c) Mandatory Tender for Purchase on Day Next Succeeding Last Day of Each Bond Interest Term. On the first day following the last day of each Bond Interest Term for a Bond unless such day is the first day of a new Interest Rate Period (in which case such Bond shall be subject to mandatory purchase pursuant to Section 405(d)), such Bond shall be subject to mandatory tender for purchase at the Tender Price, payable by wire transfer in immediately available funds, if such Bond is delivered to the Tender Agent on or prior to 12:00 noon on the Tender Date, or if delivered after 12:00 noon, on the next succeeding Business Day. Interest shall cease to accrue on such Bond on the last day of each Bond Interest Term. The Tender Price shall be payable only upon surrender of such Bond to the Tender Agent at its Principal Office for delivery of Bonds, accompanied by an instrument of transfer, in form satisfactory to the Tender

Agent, executed in blank by the Bondholder or its duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange or pursuant to a recognized signature guarantee program.

(d) Mandatory Tender for Purchase on First Day of Each Interest Rate Period. The Bonds shall be subject to mandatory tender for purchase on the first day of each Interest Rate Period (or on the day which would have been the first day of an Interest Rate Period had one of the events specified in Section 309(b) or 309(d) hereof not occurred which resulted in the interest rate on such Bonds not being converted) at the Tender Price, payable in immediately available funds. Pursuant to Sections 308 and 309, the Bonds shall be subject to mandatory tender for purchase pursuant to this Section 405(d) on the first day following the last day of each Long-Term Interest Rate Period (because such day will be, or would have been, the first day of a new Interest Rate Period). For payment of the Tender Price on the Tender Date, a Bond must be delivered at or prior to 10:00 a.m. on the Tender Date. If delivered after that time, the Tender Price shall be paid on the next succeeding Business Day. The Tender Price shall be payable only upon surrender of such Bond to the Tender Agent at its Principal Office for delivery of Bonds, accompanied by an instrument of transfer, in form satisfactory to the Tender Agent, executed in blank by the Bondholder or its duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange or pursuant to a recognized signature guarantee program.

(e) Mandatory Tender for Purchase upon Termination, Replacement or Expiration of Liquidity Facility, Self Liquidity Arrangement or Credit Facility; Mandatory Standby Tender. If at any time the Trustee gives notice, in accordance with Section 409 or Section 410 hereof, that Bonds tendered for purchase shall, on the date specified in such notice, cease to be subject to purchase pursuant to the Liquidity Facility or the Credit Facility then in effect as a result of (i) the termination, replacement or expiration of the term, as extended, of that Liquidity Facility or Credit Facility, including but not limited to termination at the option of the Borrower in accordance with the terms of such Liquidity Facility or Credit Facility, or (ii) the occurrence of a Mandatory Standby Tender, then the Bonds shall be purchased or deemed purchased at the Tender Price. If a Self Liquidity Arrangement is replaced with an Alternate Liquidity Facility or a Credit Facility, then the Bonds shall be purchased or deemed purchased at the Tender Price. Any purchase of the Bonds pursuant to this subsection (e) shall occur: (1) on the fifth Business Day preceding any such expiration or termination of such Liquidity Facility or Credit Facility without replacement by an Alternate Liquidity Facility, a Self Liquidity Arrangement, a Credit Facility, an Alternate Credit Facility or a Liquidity Facility or upon any termination of a Liquidity Facility as a result of a Mandatory Standby Tender, and (2) on the proposed date of the replacement of a Liquidity Facility, a Self Liquidity Arrangement or a Credit Facility, in any case where an Alternate Liquidity Facility is to be delivered to the Tender Agent pursuant to Section 407(a), a Self Liquidity Arrangement is to become effective pursuant to Section 407(c) or a Credit Facility or an Alternate Credit Facility is to be delivered to the Trustee pursuant to Section 411(a). In the case of any replacement of an existing Liquidity Facility, Self Liquidity Arrangement or Credit Facility, the existing Liquidity Facility, Self Liquidity Arrangement or Credit Facility will be drawn upon to pay the Tender Price, if necessary, rather than the Alternate Liquidity Facility or the Alternate Credit Facility. No mandatory tender pursuant to this subsection (e) will be effected upon the replacement of a Liquidity Facility or a Credit Facility in the case where the Liquidity Facility Provider or the Credit Facility Provider is failing to honor

properly presented and conforming draws. The assignment of any Liquidity Facility or Credit Facility which relieves the Liquidity Facility Provider or the Credit Facility Provider of its obligation to purchase Bonds shall be considered a replacement for the purposes of this Section 405(e).

Payment of the Tender Price of any such Bond shall be made in immediately available funds by 3:00 p.m. on the Tender Date upon delivery of such Bond to the Tender Agent at its Principal Office for delivery of Bonds, accompanied by an instrument of transfer, in form satisfactory to the Tender Agent, executed in blank by the Bondholder with the signature of such Bondholder guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange or pursuant to a recognized signature guarantee program, at or prior to 12:00 noon on the Tender Date specified in Section 409 or Section 410(d). If, as a result of any Mandatory Standby Tender or expiration, termination with notice or replacement of a Liquidity Facility or a Credit Facility, any Bond is no longer subject to purchase pursuant to a Liquidity Facility or a Credit Facility, the Tender Agent (upon receipt from the Holder thereof in exchange for payment of the Tender Price thereof) shall present such Bond to the Trustee for notation of such fact thereon.

(f) Mandatory Tender for Purchase at the Direction of the Borrower or the Credit Facility Provider; Mandatory Tenders while Bonds are bearing interest at an Index Interest Rate.

(i) During any Daily Interest Rate Period or Weekly Interest Rate Period, the Bonds are subject to mandatory tender for purchase on any Business Day designated by the Borrower, with the consent of the Remarketing Agent and the Liquidity Facility Provider or the Credit Facility Provider, if any, at the Tender Price, payable in immediately available funds. Such purchase date shall be a Business Day not earlier than the 10th day following the second Business Day after receipt by the Trustee of such designation.

(ii) If a Credit Facility is in effect, the Bonds are subject to mandatory tender for purchase on the fourth Business Day after receipt by the Trustee of a written notice from the Credit Facility Provider directing the Trustee to cause a mandatory tender of the Bonds on such date because either (x) an "Event of Default" under the Credit Facility Provider Agreement has occurred and is continuing or (y) there has not been a reinstatement of a draw on the Credit Facility with respect to the Bonds (other than a draw relating the permanent reduction of the Stated Amount of the Credit Facility).

(iii) If the Bonds are bearing interest at an Index Interest Rate, the Bonds are subject to mandatory tender for purchase on any Index Interest Rate Mandatory Purchase Date.

(iv) For payment of the Tender Price on the Tender Date, Bonds must be delivered at or prior to 10:00 a.m. on the Tender Date. If delivered after that time, the Tender Price shall be paid on the next succeeding Business Day. The Tender Price shall be payable only upon surrender of such Bonds to the Tender Agent at its Principal Office for delivery of Bonds, accompanied by an instrument of transfer, in form satisfactory to the Tender Agent, executed in blank by the Bondholder or its duly authorized attorney,

with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange or pursuant to a recognized signature guarantee program.

(g) Notice of Mandatory Tender for Purchase. In connection with any mandatory tender for purchase of Bonds in accordance with Section 405(d) or 405(e) hereof, the Trustee shall give the notice required by this Section 405(g) as a part of the notice given pursuant to Section 308(d)(iii), 308(e)(iii), 308(f)(iii), 308(g)(iii), 308(h)(iv), or 409, 410(d). In connection with any mandatory tender for purchase of Bonds in accordance with Section 405(f)(i), the Trustee shall give notice of a mandatory tender for purchase by first-class mail to the Holders, with a copy to the Issuer, the Tender Agent, the Remarketing Agent and the Liquidity Facility Provider or the Credit Facility Provider, not less than 10 days prior to the Tender Date. In connection with any mandatory tender for purchase of Bonds in accordance with Section 405(f)(ii), the Trustee shall give notice of a mandatory tender for purchase by first-class mail to the Holders, with a copy to the Issuer, the Borrower, the Tender Agent and the Remarketing Agent, not less than three days prior to the Tender Date. In connection with any mandatory tender for purchase of Bonds in accordance with Section 405(f)(iii), the Trustee shall give notice of a mandatory tender for purchase by first-class mail to the Holders, with a copy to the Issuer, the Tender Agent, the Remarketing Agent and the Liquidity Facility Provider or the Credit Facility Provider, not less than 10 days prior to the Tender Date with respect to clause (i) and (iii) of the definition of Index Interest Rate Mandatory Purchase Date and not less than 2 Business Days prior to the Tender Date with respect to clause (ii) of the definition of Index Interest Rate Mandatory Purchase Date. Such notice shall state (i) in the case of a mandatory tender for purchase pursuant to Section 405(d) hereof, the type of Interest Rate Period to commence on such mandatory purchase date; (ii) in the case of a mandatory tender for purchase pursuant to Section 405(e) hereof, that the Liquidity Facility, Self Liquidity Arrangement or the Credit Facility will expire, terminate or be replaced and that the Tender Price of the Bonds will no longer be payable from the Liquidity Facility or the Credit Facility then in effect and that any rating applicable to such Bonds may be reduced or withdrawn; (iii) that the Tender Price of any Bond subject to mandatory tender for purchase shall be payable only upon surrender of that Bond to the Tender Agent at its Principal Office for delivery of Bonds, accompanied by an instrument of transfer, in form satisfactory to the Tender Agent, executed in blank by the Bondholder or its duly-authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange or pursuant to a recognized signature guarantee program; (iv) that, provided that moneys sufficient to effect such purchase shall have been provided through the remarketing of such Bonds by the Remarketing Agent, through the Liquidity Facility or the Credit Facility or funds provided by the Borrower, all Bonds subject to mandatory tender for purchase shall be purchased on the mandatory Tender Date; and (v) that if any Holder of a Bond subject to mandatory tender for purchase does not surrender that Bond to the Tender Agent for purchase on the mandatory Tender Date, then that Bond shall be deemed to be an Undelivered Bond, that no interest shall accrue on that Bond on and after the mandatory Tender Date and that the Holder shall have no rights under this Indenture other than to receive payment of the Tender Price.

(h) Irrevocable Notice Deemed to be Tender of Bond; Refusal to Accept Without Proper Instrument of Transfer.

(i) The giving of notice by a Holder of Bonds as provided in Section 405(a) or 405(b) hereof shall constitute the irrevocable tender for purchase of each Bond with respect to which such notice is given regardless of whether that Bond is delivered to the Tender Agent for purchase on the relevant Tender Date.

(ii) The Tender Agent may refuse to accept delivery of any Bond for which a proper instrument of transfer has not been provided. However, such refusal shall not affect the validity of the purchase of such Bond as described in this Indenture.

(i) Payment of Tender Price by Borrower. If all or a portion of the Bonds tendered for purchase cannot be remarketed and the Liquidity Facility Provider or the Credit Facility Provider, if any, fails to purchase all or any part of the unremarketed portion of such tendered Bonds in accordance with the Liquidity Facility or the Credit Facility then in effect on a Tender Date, the Borrower shall pay to the Tender Agent as soon as practicable on a Tender Date immediately available funds (together with any remarketing proceeds and any funds provided under the Liquidity Facility or the Credit Facility then in effect) sufficient to pay the Tender Price on the Bonds tendered for purchase. The Tender Agent shall deposit the amount paid by the Borrower in the Borrower Purchase Account of the Bond Purchase Fund pending application of the money to the payment of the Tender Price as set forth in Section 416(b)(iii) hereof.

(j) Bonds to be Paid at Maturity or Redeemed Instead of Being Purchased. Notwithstanding the provisions of Sections 405(c), 405(d), 405(e) and 405(f), Bonds that are to be paid at their stated maturity or upon acceleration, or to be redeemed in accordance with Section 401, on the same date that such Bonds are to be purchased pursuant to Section 405(c), 405(d), 405(e) or 405(f) (and Bonds issued in exchange for or upon the registration of transfer of such Bonds) shall be paid or redeemed, as applicable, on such date instead of being purchased on such date.

Section 406. Liquidity Facility.

A Liquidity Facility, in an amount at least equal to the sum of outstanding principal and interest calculated at the Maximum Bond Interest Rate for an Interest Rate Period plus five days, shall be maintained by the Borrower for Bonds bearing interest at the Weekly Interest Rate, the Daily Interest Rate or Bond Interest Term Rates and, if and to the extent that the Borrower shall elect, for Bonds bearing interest at the Long-Term Interest Rate. The Borrower may maintain a Self Liquidity Arrangement in lieu of a Liquidity Facility.

(a) Requests to Pay Tender Price. If by 12:30 p.m., New York, New York time, on a Tender Date on which Bonds are required to be purchased pursuant to Section 405 there is not a sufficient amount of money available to pay the Tender Price pursuant to Section 416(b)(i) hereof, then by 12:45 p.m., New York, New York time on such Tender Date the Tender Agent shall (i) notify the Borrower and the Trustee by telephone, promptly confirmed in writing, as to the aggregate Tender Price of Bonds to be purchased and as to the Funding Amount, and (ii) make a Request or Requests under the Liquidity Facility in accordance with its terms to

receive immediately available funds not later than 2:45 p.m., New York, New York time on the Tender Date sufficient to pay the balance of the Tender Price. The Tender Agent agrees to deposit the proceeds of such Request or Requests in the Liquidity Facility Purchase Account pursuant to Section 416(b)(ii) hereof pending application of that money to the payment of the Tender Price. As soon as practicable after its receipt of funds from the Liquidity Facility Provider, as described in the preceding sentence, the Tender Agent shall notify the Borrower, the Trustee, the Remarketing Agent and the Liquidity Facility Provider by telephone promptly confirmed by a written notice if, after receipt and application of such funds there is a deficiency in the Funding Amount. In determining the amount of the Tender Price then due, the Tender Agent shall not take into consideration any Bank Bonds or Borrower Bonds. No Requests shall be made under a Liquidity Facility to pay the Tender Price of Bank Bonds or Borrower Bonds or, to the best knowledge of the Tender Agent, Bonds registered in the name of any nominees for (or any Person who owns such Bonds for the sole benefit of) any of the foregoing. Bank Bonds and Borrower Bonds may not be tendered for purchase at the option of the Liquidity Facility Provider or the Borrower, respectively. If the Liquidity Facility Provider fails to honor a properly presented and conforming draw presented in accordance with the terms of the Liquidity Facility, the Tender Agent shall immediately by Electronic Means notify the Borrower and request that the Borrower make a deposit to the Borrower Purchase Account of the Bond Purchase Fund in an amount together with other funds on deposit in the applicable account will be sufficient to make the related payment.

(b) Surrender of Liquidity Facility. If an Alternate Liquidity Facility is delivered to the Tender Agent and accepted pursuant to Section 407, a Self Liquidity Arrangement becomes effective pursuant to Section 407, or a Credit Facility is delivered to the Trustee and accepted pursuant to Section 411, then the Tender Agent shall surrender the Liquidity Facility previously held for cancellation, provided that no Liquidity Facility shall be surrendered until after the date on which Bonds required to be purchased pursuant to Section 405(e) have been purchased or deemed purchased in accordance with Section 405(e). If a Liquidity Facility automatically terminates or is no longer required to be maintained hereunder, the Tender Agent shall surrender such Liquidity Facility to the issuer thereof for cancellation in accordance with the terms of the Liquidity Facility. Upon the defeasance of the Bonds pursuant to this Indenture and if, at such time, the Bonds are no longer subject to tender for purchase, the Tender Agent shall surrender the Liquidity Facility, if any, to the Liquidity Facility Provider for cancellation in accordance with the terms of that Liquidity Facility. The Tender Agent shall comply with the procedures set forth in each Liquidity Facility relating to the termination thereof and shall deliver any certificates reducing the stated amount of the Liquidity Facility in accordance with the provisions thereof.

Section 407. Alternate Liquidity Facility; Self Liquidity Arrangement.

(a) Delivery by Borrower of Alternate Liquidity Facility.

(i) Prior to the expiration or termination of a Liquidity Facility or a Credit Facility in accordance with the terms of that Liquidity Facility or Credit Facility or if a Self Liquidity Arrangement is in effect, the Borrower may provide for the delivery to the Tender Agent of an Alternate Liquidity Facility which has a term of at least 364 days. Any Alternate Liquidity Facility delivered to the Tender Agent pursuant to this Section

407(a)(i) shall be delivered and become effective not later than 10 days prior to the date on which the former Liquidity Facility or Credit Facility, if any, terminates or expires and shall contain administrative provisions reasonably acceptable to the Tender Agent and the Remarketing Agent. On or prior to the date of the delivery of the Alternate Liquidity Facility to the Tender Agent, the Borrower shall furnish to the Tender Agent (A) a Favorable Opinion of Bond Counsel, (B) written evidence from at least one of Moody's, S&P or Fitch and by all of them that will maintain short-term ratings of the Bonds upon the delivery of the Alternate Liquidity Facility confirming that the Bonds will be rated in the highest short-term rating category (without giving effect to any gradations within such category) by such Rating Agency upon delivery of the Alternate Liquidity Facility, (C) if the Alternate Liquidity Facility is issued by a Liquidity Facility Provider other than a domestic commercial bank, an opinion of Counsel addressed to the Issuer, the Borrower, the Trustee, the Tender Agent and the Remarketing Agent and satisfactory to the Trustee and the Remarketing Agent that no registration of the Alternate Liquidity Facility is required under the Securities Act, and no qualification of this Indenture is required under the Trust Indenture Act, or that all applicable registration or qualification requirements have been fulfilled and (D) an opinion of Counsel addressed to the Issuer, the Borrower, the Trustee, the Tender Agent and the Remarketing Agent and satisfactory to the Trustee to the effect that such Alternate Liquidity Facility is a valid and enforceable obligation of the issuer thereof.

(ii) In lieu of the opinion of Counsel required by clause (A) of subparagraph (i) above, there may be delivered an opinion of Counsel addressed to the Issuer, the Borrower, the Trustee, the Tender Agent and the Remarketing Agent and satisfactory to the Trustee and the Remarketing Agent to the effect that either (A) at all times during the term of the Alternate Liquidity Facility, the Bonds will be offered, sold and held by Holders in transactions not constituting a public offering of the Bonds or the Alternate Liquidity Facility under the Securities Act, and accordingly no registration of the Alternate Liquidity Facility under the Securities Act nor qualification of this Indenture under the Trust Indenture Act will be required in connection with the issuance and delivery of the Alternate Liquidity Facility or the remarketing of the Bonds with the benefits thereof, or (B) the offering and sale of the Bonds, to the extent evidencing the Alternate Liquidity Facility, has been registered under the Securities Act and any indenture required to be qualified with respect thereto under the Trust Indenture Act has been so qualified. If the opinion described in clause (A) of this subparagraph (ii) is given, the Bonds and any transfer records relating to the Bonds shall be noted indicating the restrictions on sale and transferability described in clause (A).

(b) Acceptance by Tender Agent of Alternate Liquidity Facility. If at any time there is delivered to the Tender Agent (i) an Alternate Liquidity Facility covering all of the Bonds, (ii) the information, opinions and data required by Section 407(a), and (iii) all information required to give the notice of mandatory tender for purchase of the Bonds, then the Tender Agent shall accept such Alternate Liquidity Facility. If a Liquidity Facility is then in effect, the Tender Agent shall surrender the Liquidity Facility pursuant to Section 406. If a Credit Facility is then in effect, the Tender Agent shall surrender the Credit Facility pursuant to Section 411.

(c) Effectiveness of Self Liquidity Arrangement. A Self Liquidity Arrangement shall become effective upon delivery to the Tender Agent of letters from at least one of Moody's, S&P or Fitch and by all of them that are then rating the Bonds confirming that the Bonds are rated in the highest short-term rating category (without giving effect to any gradations within such category). A Self Liquidity Arrangement shall be deemed to be replaced by an Alternate Liquidity Facility or a Credit Facility on the date that such Alternate Liquidity Facility is delivered to the Tender Agent and accepted pursuant to Section 407 or a Credit Facility is delivered to the Trustee and accepted pursuant to Section 411.

Section 408. Rights and Duties under Liquidity Facility.

The Tender Agent, by accepting its appointment as such, agrees without further direction, to make Requests under the Liquidity Facility then in effect, if any, for the payment or purchase of Bonds in accordance with the terms and conditions set forth in this Indenture and that Liquidity Facility at the times, in the manner and for the purposes set forth herein and therein.

Section 409. Notice of Expiration, Termination, or Proposed Replacement of Liquidity Facility or Self Liquidity Arrangement.

The Trustee shall give notice by first class mail to the Holders of the Bonds secured by a Liquidity Facility (i) on or before the 10th day preceding the expiration or termination of such Liquidity Facility (except in the case of a termination resulting from an event referred to in the following paragraph) in accordance with its terms or the proposed replacement of such Liquidity Facility, or (ii) in the case of any Mandatory Standby Tender under such Liquidity Facility, as soon as reasonably possible, but no later than the Business Day following the receipt by the Trustee of notice of the Mandatory Standby Tender. The Trustee shall give notice by first class mail to the Holders of the Bonds on or before the 10th day preceding the proposed replacement of a Self Liquidity Arrangement with an Alternate Liquidity Facility or a Credit Facility. Such notice shall (A) state the date of such expiration, termination or proposed replacement of such Liquidity Facility or Self Liquidity Arrangement, (B) state that the Bonds are subject to mandatory tender for purchase as a result of such expiration, termination or proposed replacement, including any termination as a result of a Mandatory Standby Tender, (C) state the date on which such purchase will occur pursuant to Section 405(e) hereof and set forth the Tender Price and the place of delivery for purchase of such Bonds, and (D) provide any other information required by Section 405(g) hereof. The Borrower shall provide the Trustee with written notice of any information required to enable the Trustee to give the foregoing notice. The Trustee shall send a copy of the foregoing notice to the Issuer, the Borrower, the Tender Agent, the Remarketing Agent and the Liquidity Facility Provider.

If there should occur any event resulting in the immediate termination or suspension of the obligation of the Liquidity Facility Provider to purchase Bonds under the terms of any Liquidity Facility, then the Trustee shall as soon as practicably possible thereafter notify the Issuer, the Borrower, the Tender Agent, the Remarketing Agent and the Holders of all the Bonds then outstanding that: (i) the Liquidity Facility has been terminated or suspended, as the case may be; (ii) the Tender Agent will no longer be able to purchase Bonds with moneys available under the Liquidity Facility; and (iii) the Liquidity Facility Provider is under no obligation to purchase Bonds or to otherwise advance moneys to fund the purchase of Bonds.

Section 410. Credit Facility.

While the Bonds bear interest at the Weekly Interest Rate, the Daily Interest Rate or Bond Interest Term Rates and, if and to the extent that the Borrower shall elect, the Long-Term Interest Rate, the Borrower may maintain a Credit Facility in lieu of a Liquidity Facility as contemplated by Section 406.

(a) If a Credit Facility for the Bonds is in effect, the Trustee is hereby directed, on or before each Interest Payment Date and each other date on which a payment of principal is due either at maturity or as a result of any mandatory or optional redemption of such Bonds or any acceleration of the maturity of such Bonds or otherwise to make a drawing under such Credit Facility, in accordance with the terms of the Credit Facility, no later than the time provided in such Credit Facility for presentations of drafts in order to receive payment in immediately available funds by 1:00 p.m. on such date, equal to the interest on Bonds then payable from such Credit Facility due on such date (other than such interest representing a portion of the Tender Price of any Bonds required to be purchased on such date and other than any interest due on Bank Bonds) and to use such drawing to pay such interest due on the Bonds on such date. The proceeds of such drawing shall be deposited in the Bond Fund in a separate account or subaccount separate and apart from any moneys not received pursuant to a draw on a Credit Facility and held uninvested and without liability for interest pending application to the payment of interest on such Bonds. In determining the amount of any such interest then due, the Trustee shall not take into consideration any interest due on any Bond for any period when such Bond is a Bank Bond or for any Bonds owned by a member of the Credit Group or any affiliate of a member of the Credit Group, and no drawings under such Credit Facility shall be made, or be used, to pay interest on any Bond for any period when such Bond is a Bank Bond or for any Bonds owned by a member of the Credit Group or any affiliate of a member of the Credit Group.

(b) If a Credit Facility for the Bonds is in effect, on or before each date on which a payment of principal or redemption premium (if covered by such Credit Facility) is due either at maturity or as a result of any mandatory or optional redemption of such Bonds or any acceleration of the maturity of such Bonds or otherwise (in each case, other than an amount representing the principal portion of the Tender Price of any such Bonds required to be purchased on such date and other than any principal due on Bank Bonds or Borrower Bonds), the Trustee is hereby directed to make a drawing under such Credit Facility, in accordance with the terms of the Credit Facility, no later than the time provided in such Credit Facility for presentations of drafts in order to receive payment in immediately available funds by 1:00 p.m. on the date such principal or redemption premium (if covered by such Credit Facility) is payable, equal to the amount of such principal or redemption premium payment and to use such drawing to make such payment. The proceeds of such drawing shall be deposited in the Bond Fund in a separate account or subaccount separate and apart from any moneys not received pursuant to a draw on a Credit Facility and held uninvested pending application to the payment of the principal of and redemption premium (if covered by such Credit Facility) on such Bonds. In determining the amount of such principal and redemption premium then due, the Trustee shall not take into consideration any principal or redemption premium required on Bank Bonds or for any Bonds owned by a member of the Credit Group or any affiliate of a member of the Credit Group, and no drawings under such Credit Facility shall be made or be used to pay any principal of or

redemption premium on Bank Bonds or for any Bonds owned by a member of the Credit Group or any affiliate of a member of the Credit Group.

(c) If a Credit Facility for the Bonds is in effect, and if by 12:30 p.m. on a Tender Date on which Bonds are required to be purchased pursuant to Section 405, there is not a sufficient amount of money available to pay the Tender Price pursuant to Section 416(b)(i) hereof, then by 12:45 p.m., New York, New York time on such Tender Date (i) the Tender Agent shall notify the Borrower and the Trustee by telephone, promptly confirmed in writing, as to the aggregate Tender Price of Bonds to be purchased and as to the Funding Amount, and (ii) the Trustee is hereby directed to make a drawing under such Credit Facility, in accordance with the terms of the Credit Facility, no later than the time provided in such Credit Facility for presentations of drafts in order to receive payment in immediately available funds by 2:45 p.m. on the Tender Date sufficient to pay the balance of the Tender Price. The proceeds of such drawing may be paid directly to the Tender Agent or, if such proceeds are received by the Trustee, shall be transferred immediately by the Trustee to the Tender Agent, for deposit in the Credit Facility Purchase Account, and held uninvested and without liability for interest pending application to the payment of the Tender Price of such Bonds. In determining the amount of the Tender Price then due, the Tender Agent shall not take into consideration any Bank Bonds or any Bonds owned by a member of the Credit Group or any affiliate of a member of the Credit Group, and no drawings under the Credit Facility shall be made or be used to pay the Tender Price of any Bank Bonds or of any Bonds owned by a member of the Credit Group or any affiliate of a member of the Credit Group.

(d) The Trustee shall give notice by first-class mail to the Holders of the Bonds on or before the 10th day preceding the expiration or termination of a Credit Facility in accordance with its terms or the proposed replacement of such Credit Facility. Such notice shall, to the extent applicable, (1) state the date of such expiration, termination or proposed replacement of such Credit Facility, (2) state that the Bonds are subject to mandatory tender for purchase as a result of such expiration, termination or proposed replacement, (3) state the date on which such purchase will occur pursuant to Section 405(e) hereof and set forth the Tender Price and the place of delivery for purchase of such Bonds, and (4) provide any other information required by Section 405(g) hereof. The Borrower shall provide the Trustee with written notice of any information required to enable the Trustee to give the foregoing notice. The Trustee shall send a copy of the foregoing notice to the Issuer, the Borrower, the Tender Agent, the Remarketing Agent and the Credit Facility Provider.

(e) If the Credit Facility Provider fails to honor a properly presented and conforming draw presented under clause (a), (b) or (c) in accordance with the terms of the Credit Facility, the Trustee or the Tender Agent, as appropriate, shall immediately by Electronic Means notify the Borrower and request that the Borrower make a deposit to the Bond Fund or the Borrower Account of the Bond Purchase Fund, as appropriate, in an amount together with other funds on deposit in the applicable account will be sufficient to make the related payment.

Section 411. Alternate Credit Facility; Delivery of Credit Facility to Replace Liquidity Facility or Self Liquidity Arrangement; Surrender of Credit Facility.

(a) If there is delivered to the Trustee (i) an Alternate Credit Facility covering the Bonds, (ii) a Favorable Opinion of Bond Counsel, (iii) either (A) written evidence from each Rating Agency then rating the Bonds, in each case to the effect that such Rating Agency has reviewed the proposed Alternate Credit Facility and the ratings of the Bonds after substitution of such Alternate Credit Facility will not result in a long-term rating of below "A" and a short-term rating below the highest short-term rating category (without giving effect to any gradations within such category) from such Rating Agency or (B) written evidence that the long-term debt and short-term debt of the provider of the proposed Alternate Credit Facility is rated "A" or better and in the highest short-term rating category (without giving effect to any gradations within such category), respectively, by Moody's, S&P or Fitch, (iv) if such Alternate Credit Facility is other than a letter of credit issued by a domestic commercial bank, an opinion of Counsel addressed to the Issuer, the Borrower, the Trustee, the Tender Agent and the Remarketing Agent and satisfactory to the Trustee and the Remarketing Agent that no registration of the Bonds or such Alternate Credit Facility is required under the Securities Act, (v) an opinion of Counsel addressed to the Issuer, the Borrower, the Trustee, the Tender Agent and the Remarketing Agent and satisfactory to the Trustee to the effect that such Alternate Credit Facility is a valid and enforceable obligation of the issuer or provider thereof, and (vi) if the Credit Facility then in effect with respect to the Bonds does not cover premiums due on the Bonds, and the Bonds could be subject to mandatory tender for purchase at a Tender Price in excess of the principal amount thereof plus accrued and unpaid interest thereon to but not including the date of purchase under Section 405, Available Moneys in an amount sufficient to pay the premium due on the Bonds under Section 405, then the Trustee shall accept such Alternate Credit Facility.

(b) If a Liquidity Facility or a Self Liquidity Arrangement is in effect with respect to the Bonds, a Credit Facility covering the Bonds may be delivered to the Trustee if all of the conditions set forth in the immediately preceding paragraph regarding the delivery of an Alternate Credit Facility for the Bonds are satisfied.

(c) If an Alternate Credit Facility is delivered to the Trustee and accepted pursuant to this Section 411, an Alternate Liquidity Facility is delivered to the Tender Agent and accepted pursuant to Section 407 or a Self Liquidity Arrangement becomes effective pursuant to Section 407, then the Trustee shall surrender the existing Credit Facility for cancellation, provided that no Credit Facility shall be surrendered until after the date on which Bonds required to be purchased pursuant to Section 405(e) have been purchased or deemed purchased in accordance with Section 405(e). If a Credit Facility terminates or is no longer required to be maintained hereunder, the Trustee shall surrender such Credit Facility to the Credit Facility Provider for cancellation in accordance with the terms of the Credit Facility. Upon the defeasance of the Bonds pursuant to this Indenture and if, at such time, the Bonds are no longer subject to tender for purchase, the Trustee shall surrender the Credit Facility, if any, to the Credit Facility Provider for cancellation in accordance with the terms of the Credit Facility. If the Trustee makes a drawing under the Credit Facility relating to the Bonds after the principal of the Bonds has been declared immediately due and payable following the occurrence of an Event of Default with respect to the Bonds, the proceeds of such drawing shall be applied by the Trustee immediately to the payment of the Bonds entitled to be paid therefrom. So long as the Credit Facility remains in effect with respect to any Bonds, the Trustee may not waive an Event of Default with respect to the Bonds if a drawing has been made under the Credit Facility, all or any portion of which is subject to reinstatement as provided in the Credit Facility relating thereto, and such reinstatement has not yet occurred. The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Trustee and of the Issuer and all obligations of the Credit Facility Provider (including the obligation of the Credit Facility Provider to honor drafts properly presented in accordance with the terms and conditions of the Credit Facility) under and pursuant to the Credit Facility, for the benefit of the Holders of the Bonds. Section 420. Election Not to Sell Bank Bonds.

The Liquidity Facility Provider or the Credit Facility Provider (or any subsequent owner of a Bank Bond) shall have the right, by written notice or by telephonic notice, promptly confirmed in writing to the Remarketing Agent, the Trustee and the Tender Agent, to elect not to sell the Bank Bonds or any portion thereof to a purchaser identified by the Remarketing Agent. From and after any such election not to sell the Bank Bonds, such Bonds shall cease to be Bank Bonds and shall bear interest as provided herein for Bonds other than Bank Bonds.

Section 421. Inadequate Funds for Tenders.

If sufficient funds are not available for the purchase of all Bonds tendered or deemed tendered and required to be purchased on any Tender Date, the failure to pay the Tender Price of all tendered Bonds when due and payable shall constitute an Event of Default pursuant to Section 801(c) and all tendered Bonds shall be returned to their respective Holders and shall bear interest at the Maximum Bond Interest Rate from the date of such failed purchase until all such Bonds are purchased as required in accordance with this Indenture. Thereafter, the Trustee shall continue to take all such action available to it to obtain remarketing proceeds from the Remarketing Agent and sufficient other funds from the Liquidity Facility Provider, the Credit Facility Provider or the Borrower.

ARTICLE V

SOURCE AND APPLICATION OF FUNDS

Section 501. Project Fund.

There is hereby created and established with the Trustee a trust fund to be designated "Indiana University Health Project Fund (the "Project Fund"). The Trustee shall, from time to time, establish such accounts in the Project Fund as may be requested by the Borrower. On the Issue Date, the Trustee shall establish an account in the Project Fund to be referred to as a "Refunding Account."

(a) Deposit of Proceeds of Bonds. Upon the issuance and delivery of the Bonds, \$50,000,000 of the proceeds of the sale thereof shall be deposited by the Trustee in the Refunding Account.

(b) Use of Money in Refunding Account. On the Issue Date, \$50,000,000 of the monies in the Refunding Account shall be transferred by the Trustee to The Bank of New York Mellon Trust Company, N.A., as escrow trustee for deposit under the Escrow Agreement to pay the principal of and interest on the Refunded 2006A Bonds through and including February 15, 2016. After such transfer, the Refunding Account shall be closed.

Section 502. Bond Fund.

There is hereby created and established with the Trustee a trust fund to be designated "Indiana University Health Bond Fund," which shall be used to pay when due the principal of, premium, if any, and interest on the Bonds. Moneys shall be deposited in the Bond Fund from time to time and shall be applied solely as follows:

(a) Loan Payments (excluding any amounts relating to the Tender Price of Bonds) shall be deposited into the Bond Fund in the amounts required to pay the principal of and premium, if any, and interest next coming due on the Bonds.

(b) Sums received by the Trustee after drawing on a Credit Facility shall be deposited in the Bond Fund and applied to the payment of principal of and interest on the Bonds when due.

(c) Sums for the redemption of Bonds as described in Section 401 shall be deposited into the Bond Fund and shall be applied to make such redemptions.

(d) Sums received upon exercise of remedies by the Trustee or the Issuer after an Event of Default (except sums received by the Issuer pursuant to the Reserved Rights) shall be deposited in the Bond Fund. Such monies shall be applied in accordance with the provisions of Section 805.

While a Credit Facility is in effect, each deposit into the Bond Fund not constituting Available Moneys shall be placed in a separate account or subaccount within the Bond Fund, and may not be commingled with other money in any such account or subaccount until such money becomes Available Moneys.

The Issuer hereby authorizes and directs the Trustee, and the Trustee hereby agrees, to withdraw from the Bond Fund, and make available at the Principal Office of the Trustee sufficient funds (to the extent available) to pay the principal of, redemption premium, if any, and interest on the Bonds as the same become due and payable, whether due by maturity, acceleration, redemption or otherwise, only in the following order of priority:

FIRST: Amounts drawn by the Trustee under a Credit Facility.

SECOND: Available Moneys on deposit in the Bond Fund, other than amounts received by the Trustee in respect of drawings under a Credit Facility.

THIRD: Any other amounts in such funds or accounts, including but not limited to moneys obtained from the Borrower.

After provision is made for the payment of the principal of, redemption premium, if any, or interest on any Bonds on a payment date and such payments have been made from amounts drawn by the Trustee under a Credit Facility, the Trustee is directed and authorized to transfer to the Credit Facility Provider any moneys held in the Bond Fund (other than proceeds from a drawing under a Credit Facility) to reimburse the Credit Facility Provider for such payment, in an amount not in excess of the amount of the drawing on the Credit Facility on such payment date.

Section 503. Reserved.

Section 504. Rebate Fund.

(a) The Trustee shall establish and maintain, so long as any Outstanding Bonds are subject to a requirement of the Code that arbitrage profits be rebated to the United States of America, a "Indiana University Health Rebate Fund." The Trustee shall make information regarding the Bonds and investments hereunder available to the Borrower. Anything in this Indenture to the contrary notwithstanding, this Section 504 may be superseded or amended by new written procedures delivered by the Borrower and accompanied by an opinion of Bond Counsel addressed to the Trustee to the effect that the use of the new procedures will not cause a loss of the exclusion from gross income of the interest on the Bonds for federal income tax purposes.

(b) Pursuant to the Rebate Memorandum, the Borrower is required to make certain computations and make certain payments to the United States of America in order to comply with its obligations under Section 148(f) of the Code. The Borrower is required to provide copies of such computations and evidence of such payment to the Trustee on or before the respective payment dates specified in the Rebate Memorandum. If the Trustee does not receive copies of such computations and evidence of such payment on or prior to the respective payment date set forth in the Rebate Memorandum, the Trustee shall request copies of such computations and evidence of payment immediately. Records of the computations and payments required under the Rebate Memorandum must be retained by the Borrower until six (6) years after the Bonds are no longer outstanding.

(c) If the Borrower elects to make a deposit to the Rebate Fund, the Trustee shall accept such amounts from time to time and invest those amounts in accordance with the written instructions of the Borrower. Upon written instructions from the Borrower, the Trustee shall disburse funds from the Rebate Fund to make payments required under the Rebate Memorandum or transfer excess funds to the Borrower.

Section 505. Bond Purchase Fund.

There is hereby created and established with the Tender Agent a trust fund to be designated "Indiana University Health Bond Purchase Fund." The Tender Agent shall further establish within the Bond Purchase Fund a separate trust account to be referred to herein as a "Remarketing Account", a separate trust account to be referred to herein as a "Liquidity Facility Purchase Account," a separate trust account to be referred to herein as the "Credit Facility Purchase Account" and a separate trust account to be referred to herein as an "Borrower Purchase Account".

(a) Remarketing Account. Upon receipt of the proceeds of a remarketing of Bonds on a Tender Date pursuant to Section 419, the Tender Agent shall deposit such proceeds in the Remarketing Account of the Bond Purchase Fund for application to the Tender Price of such Bonds in accordance with Section 416(b)(i) and, if the Tender Agent is not a paying agent with respect to such Bonds, shall transmit such proceeds to the Trustee for such application. Only proceeds derived from the remarketing of Bonds shall be deposited into the Remarketing Account and such moneys shall not be commingled with moneys derived from any other sources. Notwithstanding the foregoing, upon receipt of the proceeds of a remarketing of Bank Bonds, the Tender Agent shall immediately pay such proceeds to the Liquidity Facility Provider.

(b) Liquidity Facility Purchase Account. Upon receipt from the Liquidity Facility Provider of the immediately available funds transferred to the Tender Agent pursuant to Section 406 hereof, the Tender Agent shall deposit such money in the Liquidity Facility Purchase Account of the Bond Purchase Fund for application to the Tender Price of the Bonds required to be purchased on a Tender Date in accordance with Section 416(b)(ii) to the extent that the money on deposit in the Remarketing Account of the Bond Purchase Fund shall not be sufficient. Only moneys received from the Liquidity Facility Provider pursuant to the Liquidity Facility shall be deposited into the Liquidity Facility Purchase Account and such moneys shall not be commingled with moneys derived from any other sources. Any amounts deposited in the Liquidity Facility Purchase Account and not needed with respect to any Tender Date for the payment of the Tender Price for any Bonds shall be immediately returned to the Liquidity Facility Provider.

(c) Credit Facility Purchase Account. Upon receipt from the Credit Facility Provider of the immediately available funds transferred to the Tender Agent pursuant to Section 410 hereof, the Tender Agent shall deposit such money in the Credit Facility Purchase Account of the Bond Purchase Fund for application to the Tender Price of the Bonds required to be purchased on a Tender Date in accordance with Section 416(b)(ii) to the extent that the money on deposit in the Remarketing Account of the Bond Purchase Fund shall not be sufficient. Any amounts deposited in the Credit Facility Purchase Account and not needed with respect to any Tender

Date for the payment of the Tender Price for any Bonds shall be immediately returned to the Credit Facility Provider.

(d) Borrower Purchase Account. Upon receipt from the Borrower under Section 405(i) of any funds for the purchase of tendered Bonds, the Tender Agent shall deposit such money, if any, in the Borrower Purchase Account of the Bond Purchase Fund for application to the Tender Price of the Bonds required to be purchased on a Tender Date in accordance with Section 416(b)(iii) to the extent that the money on deposit in the Remarketing Account and the Liquidity Facility Purchase Account or the Credit Facility Purchase Account of the Bond Purchase Fund shall not be sufficient. Only moneys received from the Borrower shall be deposited into the Borrower Purchase Account and such moneys shall not be commingled with moneys derived from any other sources. Any amounts deposited in the Borrower Purchase Account and not needed with respect to any Tender Date for the payment of the Tender Price for any Bonds shall be immediately returned to the Borrower.

Section 506. Investment of Moneys in Funds.

(a) Any moneys held as a part of the Project Fund or any fund other than the Bond Fund shall be invested or reinvested by the Trustee, to the extent permitted by law, as shall be determined by the Borrower, at the written request of and as directed by a Borrower Representative, in any Qualified Investments. Any moneys held as a part of any account of the Bond Fund shall be invested or reinvested by the Trustee, at the written direction of the Borrower Representative, to the extent permitted by law as shall be determined by the Borrower, in United States Obligations with such maturities as shall be required in order to assure full and timely payment of amounts required to be paid from the Bond Fund, which maturities shall, in any event, extend no more than 30 days from the date of acquisition thereof; provided, that any moneys held pursuant to the provisions of Section 509 either shall be held uninvested without liability for interest.

(b) The Trustee may make any and all such investments through its own bond or investment department or the bond or investment department of any bank or trust company under common control with the Trustee. All such investments shall at all times be a part of the fund or account from which the moneys used to acquire such investments shall have come and all income and profits on such investments shall be credited to, and losses thereon shall be charged against, such fund. All investments hereunder shall be registered in the name of the Trustee, as Trustee under the Indenture. All investments hereunder shall be held by or under the control of the Trustee. The Trustee shall sell and reduce to cash a sufficient amount of investments of funds in any account of the Bond Fund whenever the cash balance in such account of the Bond Fund is insufficient, together with any other funds available therefor, to pay the principal of, premium, if any, and interest on the Bonds when due. The Trustee shall not be liable or responsible for any reduction in value or loss with respect to any investment made in accordance with the written instructions received from a Borrower Representative.

(c) The Issuer covenants and certifies to and for the benefit of the Holders of the Bonds from time to time Outstanding that so long as any of the Bonds remain Outstanding, the Issuer shall not direct that moneys on deposit in any fund or account in connection with the Bonds (whether or not such moneys were derived from the proceeds of the sale of the Bonds or

from any other sources), be used in a manner which will cause the Bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code. The Issuer further agrees to cooperate with any reasonable request of the Borrower relating to maintaining the exclusion of interest on the Bonds from gross income; provided, however, that the Issuer shall have no responsibility for directing the investment of any moneys, determining the amount of moneys subject to any applicable yield restriction under Section 148 of the Code, or calculating or paying any rebate pursuant to Section 148(f) of the Code.

(d) Notwithstanding any provision of this Indenture to the contrary, the Trustee shall not be liable or responsible for any calculation or determination which may be required in connection with or for the purpose of complying with Section 148 of the Code or any applicable Treasury Regulations (the "Arbitrage Rules"), including, without limitation, the calculation of amounts required to be paid to the United States under the provisions of the Arbitrage Rules, the maximum amount which may be invested in "nonpurpose obligations" as defined in the Code and the fair market value of any investments made hereunder, it being understood and agreed that the sole obligation of the Trustee with respect to investments of funds hereunder shall be to invest the moneys received by the Trustee pursuant to the written instructions of the Borrower Representative given in accordance with Article VII hereof. The Trustee shall have no responsibility for determining whether or not the investments made pursuant to the direction of the Borrower Representative or any of the instructions received by the Trustee under this Section 506 comply with the requirements of the Arbitrage Rules of Section 4.02 of the Loan Agreement and shall have no responsibility for monitoring the obligations of the Borrower or the Issuer for compliance with the provisions of the Loan Agreement or the Indenture with respect to the Arbitrage Rules.

(e) All amounts held in the Bond Purchase Fund by the Tender Agent shall be held uninvested and separate and apart from all other funds and accounts.

(f) Although the Issuer and the Borrower recognize that they may obtain brokerage confirmations or written statements containing comparable information at no additional cost, the Issuer and the Borrower agree that confirmations of permitted investments are not required to be issued by the Trustee for each month in which a monthly statement of investments is provided to it. No hard copy statement needs to be provided, however, for any Fund and Account for any month in which no investment activity occurred during such month in such Fund and Account. The Trustee may rely on the Borrower's investment directions as to both the suitability and legality of the directed investments.

Section 507. Avoidance of Arbitrage.

Each of the Issuer and (in the Loan Agreement) the Borrower agrees to restrict the use of proceeds of the Bonds in such manner and to such extent as necessary to assure that the Bonds will not constitute arbitrage bonds under section 148 of the Code. Any officer of the Issuer (including its Chairman and the Public Finance Director of the State) having responsibility with respect to the issuance of the Bonds is authorized and directed, alone or in conjunction with any other officer, employee or consultant of the Issuer or the Borrower, to give an appropriate certificate on behalf of the Issuer, for inclusion in the transcript of proceedings for the Bonds,

setting forth the facts, estimates and circumstances and reasonable expectations pertaining to section 148 of the Code.

Section 508. Authorized Application of Funds; Moneys to be Held in Trust.

All moneys required to be deposited with or paid to the Trustee for the account of any fund or account referred to in any provision of this Indenture or the Loan Agreement shall be held by the Trustee in trust, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien and security interest created hereby, except as otherwise specifically provided herein.

Section 509. Nonpresentment of Bonds.

In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if moneys sufficient to pay any such Bond shall have been deposited with the Trustee for the benefit of the Holder thereof, all liability of the Issuer to the Holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such funds at the direction of the Borrower Representative, uninvested without liability for interest thereon, for the benefit of the Holder of such Bond which shall thereafter be restricted exclusively to such funds for any claim of whatever nature on its part under this Indenture with respect to such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the Borrower upon written direction of a Borrower Representative, and thereafter Bondholders shall be entitled to look only to the Borrower for payment, and then to the extent of the amount so repaid, and all liability of the Trustee with respect to such money shall thereupon cease, and the Borrower shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 510. Bonds Are Not General Obligations.

The Bonds, together with interest thereon and premium, if any, shall be limited obligations of the Issuer payable solely from payments or prepayments of the Promissory Note (except to the extent paid out of moneys attributable to Bond proceeds or the income from the temporary investment thereof and under certain circumstances, proceeds from insurance and condemnation awards) and other amounts payable under the Loan Agreement (except for the Reserved Rights) and shall be a valid claim of the respective Holders thereof only against the Trust Estate, including, without limitation, the funds established under this Indenture and other moneys held by the Trustee for the benefit of the Bondholders and the Credit Facility Provider, if any, and the payments due or to become due upon or under the Promissory Note and the Loan Agreement (except the Reserved Rights) all of which are hereby assigned and pledged hereunder for the equal and ratable payment of the Bonds and all amounts owed to the Credit Facility Provider, if any, under the Credit Facility Provider Agreement, and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds and all amounts owed to the Credit Facility Provider under the Credit Facility Provider Agreement, except as

may be otherwise expressly authorized in this Indenture. The Bonds are not general obligations of the Issuer. The Bonds are limited obligations of the Issuer. The Issuer has no taxing power. The principal of, premium, if any, and interest, on the Bonds are payable solely out of the Trust Estate, including, without limitation, the revenues derived from the Promissory Note delivered to the Issuer and endorsed to the Trustee. The State shall not in any event be liable for the payment of the principal of, premium, if any, or interest, if any, on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever that may be undertaken by the Issuer or the Borrower. Neither the Bonds, the Promissory Note nor any of the agreements or obligations of the Issuer or the Borrower shall be construed to constitute an indebtedness of the State or the Issuer within the meaning of any constitutional or statutory provisions whatsoever, nor constitute or give rise to a pecuniary liability on, or be a charge against, the general credit or taxing powers of the State or the Issuer. Neither the Issuer nor any other Person has any right to have the State levy any taxes or appropriate any funds for the payment of the obligations of the Borrower under the Loan Agreement or the Promissory Note.

ARTICLE VI

INTENTIONALLY OMITTED.

ARTICLE VII

REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 701. Payment of Principal, Premium, if any, and Interest.

The Issuer covenants that it will promptly pay, or cause to be paid, the principal of, redemption premium (if any) and the interest on the Bonds, at the places, on the dates and in the manner provided herein and in the Bonds, according to the true intent and meaning thereof, but only from the Trust Estate. The Issuer further covenants that it will faithfully perform at all times all of its covenants, undertakings and agreements contained in this Indenture, the Loan Agreement, in the Bonds or in any proceedings of the Issuer pertaining thereto. The Issuer represents and warrants that it is duly authorized under the laws of the State, particularly the Act, to issue the Bonds and to enter into this Indenture and the Loan Agreement and to pledge the Trust Estate in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds initially issued hereunder and the adoption of this Indenture has been duly and effectively taken; and that the Bonds in the hands of the registered owners thereof are and will be valid and enforceable limited obligations of the Issuer according to their terms.

The principal of and interest and premium, if any, on the Bonds are payable solely from payments or prepayments by the Borrower upon the Promissory Note, the Loan Agreement and as otherwise provided herein or in the Promissory Note or the Loan Agreement, and nothing in this Indenture shall be considered as assigning or pledging any other funds or assets of the Issuer (except the Promissory Note and the Loan Agreement pledged under this Indenture).

Section 702. Borrower Covenants.

Pursuant to the Loan Agreement, the Borrower has entered into certain covenants with respect to the operation and maintenance relating to its facilities and other matters and is required to provide the Trustee and the Issuer with certain certificates, opinions and reports from time to time. The Trustee and the Issuer are entitled to rely on such opinions, reports and certificates with respect to the matters covered thereby without further investigation. Reference is hereby made to the Loan Agreement and to the Master Indenture for a detailed statement of the covenants and obligations of the Borrower thereunder. The Issuer agrees that the Trustee, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all covenants and obligations of the Borrower and the Obligated Group under and pursuant to the Loan Agreement (other than the Reserved Rights) and the Master Indenture for and on behalf of the Holders of the Bonds, whether or not the Issuer is in default thereunder.

Section 703. Recording and Filing.

The Borrower has agreed pursuant to the Loan Agreement that it will cause all financing statements related to this Indenture and all supplements hereto to be recorded and filed in such manner and in such places as may from time to time be required by law in order to preserve and protect fully the security of the Holders of the Bonds and the rights of the Trustee hereunder, and to take or cause to be taken any and all other action necessary to perfect the security interest created by this Indenture.

Section 704. Intentionally Omitted.

Section 705. Inspection of Books.

All books and records, if any, in the Issuer's possession relating to the Project and the amounts derived from the Project shall at all reasonable times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 706. List of Holders.

The Trustee will keep on file a list of names and addresses of the Holders of all Bonds as from time to time registered on the registration books maintained by the Trustee, together with the principal amount and numbers of such Bonds owned by each such Holder. At reasonable times and under reasonable regulations established by the Trustee, such list may be inspected and copied for any purpose by the Borrower or by the Holders (or a designated representative thereof) of 15% or more in aggregate principal amount of Outstanding Bonds, such possession or ownership and the authority of such designated representative to be evidenced to the satisfaction of the Trustee.

Section 707. Covenant Against Encumbrances.

Except as provided in this Section, the Issuer covenants that it will not voluntarily create any lien, encumbrance or charge upon the Trust Estate, except the pledge, lien and charge for the security of the Bonds hereby created.

ARTICLE VIII

DEFAULT PROVISIONS AND REMEDIES.

Section 801. Events of Default; Defaults.

The occurrence of any one or more of the following events shall constitute an "Event of Default" hereunder:

- (a) failure to pay interest on any Bond when due and payable;
- (b) failure to pay any principal of or premium on any Bond when due and payable, whether at stated maturity or pursuant to any redemption requirement under Section 401;
- (c) failure to pay the Tender Price of any Bond when due and payable;
- (d) failure by the Issuer to observe or perform any other covenant, condition or agreement on its part to be observed or performed in this Indenture or the Bonds, for a period of 30 days after written notice of such failure shall have been given to the Borrower and the Issuer by the Trustee; provided, however, that if such observance or performance requires work to be done, actions to be taken or conditions to be remedied which by its or their nature cannot reasonably be done, taken or remedied, as the case may be, within such 30-day period, no Event of Default under this subsection (d) shall be deemed to have occurred or to exist if and so long as the Issuer or the Borrower, as the case may be, shall have commenced such work, action or remediation within such 30-day period and provided written notice thereof to the Trustee and shall diligently and continuously prosecute the same to completion;
- (e) the occurrence of a Loan Default under the Loan Agreement as defined in Section 8.01 thereof;
- (f) an "Event of Default" shall occur under Section 502 of the Master Indenture;
- (g) the Trustee shall have received written notice from the Credit Facility Provider that an "Event of Default" has occurred and is continuing under the Credit Facility Provider Agreement and that the Bonds be accelerated;
- (h) the Trustee shall have received written notice from the Credit Facility Provider that the amount of an interest drawing under the Credit Facility will not be reinstated as provided in the Credit Facility and that the Bonds be accelerated; or
- (i) the Trustee shall have received written notice from the Index Interest Period Holder, or the Bondholder Representative on behalf of the Index Interest Period Holder, if any, that an "Event of Default" has occurred and is continuing under the Continuing Covenant Agreement and a direction that the Bonds be accelerated.

Within five days after actual knowledge by a Responsible Officer of the Trustee of an Event of Default under subsection (a), (b), (c) or (e) above, the Trustee shall give written notice, by registered or certified mail or a recognized overnight delivery service, to the Issuer, the

Borrower, the Master Trustee, the Credit Facility Provider, the Liquidity Facility Provider, the Bondholders and the Index Interest Period Holder, and upon notice as provided in Section 901(h), shall give similar notice of any other Event of Default.

Section 802. Acceleration.

Upon the occurrence of any Event of Default, the Trustee may, and upon (i) the occurrence of any Event of Default described in subsection (a), (b), (c), (g), (h) or (i) of Section 801 known to a Responsible Officer of the Trustee, or (ii) (x) the written request of the Credit Facility Provider, if any, or the Index Interest Period Holder, if any, or the Bondholder Representative on behalf of the Index Interest Period Holder, if any or (y) a Majority of the Bondholders, with the prior written consent of the Credit Facility Provider, if any, or the Index Interest Period Holder, if any, or the Bondholder Representative on behalf of the Index Interest Period Holder, if any, the Trustee shall, declare all Bonds then outstanding to be due and payable immediately, and, upon such declaration, all principal and interest accrued thereon shall become immediately due and payable, and there shall be an automatic corresponding acceleration of the Borrower's obligation to make all payments required to be made under the Loan Agreement and the Promissory Note in an amount sufficient to pay immediately all principal of and accrued and unpaid interest on the accelerated Bonds. Subject to the following paragraphs of this Section 802, interest shall accrue on the Bonds to the date of payment (even if after the date of acceleration). Notwithstanding the provisions of this Section, the prior written consent of the Credit Facility Provider or the Index Interest Period Holder, if any, or the Bondholder Representative on behalf of the Index Interest Period Holder, if any, to any declaration of acceleration must be obtained by the Trustee in the case of any Event of Default described in subsection (d), (e) or (f) of Section 801 known to a Responsible Officer of the Trustee

The provisions of the preceding paragraph, however, are subject to Section 808 and the condition that if, after the principal of the Bonds shall have been so declared to be due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, (i) there shall be deposited with the Trustee a sum sufficient to pay all matured installments of interest upon all Bonds and the principal of any and all Bonds which shall have become due otherwise than by reason of such declaration and to reimburse any Credit Facility Provider for amounts drawn under a Credit Facility to pay such principal and interest, and such amount as shall be sufficient to cover all amounts due to Credit Facility Provider under any Credit Facility Provider Agreement, and reasonable compensation and reimbursement of expenses payable to the Trustee, each Paying Agent, the Tender Agent, and the Remarketing Agent and all Events of Default hereunder other than nonpayment of the principal of Bonds which shall have become due by such declaration shall have been remedied, and (ii) any Liquidity Facility or Credit Facility then in effect shall have been reinstated and the Trustee shall have received notice of such reinstatement, then, in every such case, such Event of Default shall be deemed waived and such declaration and its consequences rescinded or annulled, and the Trustee shall promptly give written notice of such waiver, rescission or annulment to the Issuer, each Paying Agent, the Borrower, the Credit Facility Provider, the Liquidity Facility Provider and the Master Trustee and shall give notice thereof to all Holders of Outstanding Bonds; but no such waiver, rescission or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon.

If a Credit Facility is in effect upon any declaration of acceleration hereunder, the Trustee shall immediately draw upon such Credit Facility as provided in Section 410 hereof. If the Credit Facility Provider honors a properly presented and conforming drawing under the Credit Facility upon a declaration of acceleration of the Bonds, interest on the Bonds shall accrue only to the date of such declaration and the Trustee shall pay the principal of and interest on the Bonds to the Holders immediately following the receipt of funds from such drawing. If no Credit Facility is in effect or the Credit Facility Provider fails to honor a properly presented and conforming drawing under the Credit Facility upon a declaration of acceleration of the Bonds, interest on the Bonds shall cease to accrue as provided in Section 805 hereof. Immediately following any declaration of acceleration, the Trustee shall cause to be mailed notice of such declaration by first class mail, postage prepaid, to each Holder of a Bond at his last address appearing on the Register. Any defect in or failure to give such notice of such declaration shall not affect the validity of such declaration.

Section 803. Other Remedies; Rights of Bondholders.

Upon the continuance of an Event of Default, if so requested by a Majority of the Bondholders, and if satisfactory indemnity has been furnished to it, the Trustee shall exercise such of the rights and powers conferred by this Indenture, the Borrower Security Instruments or any other Basic Agreement as the Trustee, being advised by counsel, shall deem most effective to enforce and protect the interests of the Bondholders; provided that the Trustee may take action with respect to the Loan Agreement only to enforce the rights expressly and specifically assigned to the Trustee under the Granting Clauses of this Indenture.

No remedy under this Indenture is intended to be exclusive, and to the extent permitted by law each remedy shall be cumulative and in addition to any other remedy hereunder or now or hereafter existing. No delay or omission to exercise any right or power shall impair such right or power or constitute a waiver of any Default or Event of Default or acquiescence therein; and each such right and power may be exercised as often as deemed expedient. No waiver by the Trustee or the Bondholders of any Default or Event of Default shall extend to any subsequent Default or Event of Default.

Notwithstanding the provisions of this Section, the prior written consent of the Credit Facility Provider or the Index Interest Period Holder, or the Bondholder Representative on behalf of the Index Interest Period Holder, if any, to any enforcement of remedies must be obtained by the Trustee in the case of any Event of Default unless, with respect to the Credit Facility Provider, (i) the Credit Facility Provider has failed to honor a properly presented and conforming drawing or (ii) no Credit Facility is in effect and no amounts remain outstanding under a Credit Facility Provider Agreement or any Credit Facility terminates in accordance with its terms and all amounts due under the Credit Facility Provider Agreement have been paid in full.

Section 804. Right of Bondholders to Direct Proceedings.

A Majority of the Bondholders shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, the Borrower Security Instruments, or any other Basic Agreement or

for the appointment of a receiver or any other proceedings hereunder or thereunder; provided that such direction shall be in accordance with applicable law and this Indenture and, if applicable, the Borrower Security Instruments, or such other Basic Agreement, and provided that the Trustee shall be indemnified to its satisfaction.

Notwithstanding the foregoing provisions of this Section, the Credit Facility Provider or the Index Interest Period Holder, or the Bondholder Representative on behalf of the Index Interest Period Holder, if any, not a Majority of the Bondholders, shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, the Borrower Security Instruments, or any other Basic Agreement or for the appointment of a receiver or any other proceedings hereunder or thereunder unless, in the case of a Credit Facility Provider, (i) the Credit Facility Provider has failed to honor a properly presented and conforming drawing or (ii) no Credit Facility is in effect and no amounts remain outstanding under a Credit Facility Provider Agreement or any Credit Facility terminates in accordance with its terms and all amounts due under the Credit Facility Provider Agreement have been paid in full. In such case, such direction shall be in accordance with applicable law and this Indenture and, if applicable, the Borrower Security Instruments, or such other Basic Agreement, and the Trustee shall be indemnified to its satisfaction.

Section 805. Application of Moneys.

All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances owing to or incurred or made by the Trustee, be deposited in the Bond Fund and the moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST - To the payment to the persons entitled thereto of all installments of interest then due on the Bonds or to the Credit Facility Provider in reimbursement for any drawing under the Credit Facility to pay interest on the Bonds, in the order of the maturity of the installments of such interest (with interest on overdue installments of such interest, to the extent permitted by law, at the rate of interest borne by the Bonds) and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege; and

SECOND - To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds matured or called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture) or to the Credit Facility Provider in reimbursement for any drawing under the Credit Facility to pay principal on the Bonds, (with interest on overdue installments of principal and premium, if any, to the extent permitted by law, at the rate of interest borne by the Bonds) and, if the amount available

shall not be sufficient to pay in full all Bonds due on any particular date, then to the payment ratably according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege; and

THIRD - To the payment to the persons entitled thereto as the same shall become due of the principal of and premium, if any, and interest on the Bonds which may thereafter become due and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with interest and premium, if any, then due and owing thereon, payment shall be made ratably according to the amount of interest, principal and premium, if any, due on such date to the persons entitled thereto without any discrimination or privilege; and

FOURTH - To the payment to the Credit Facility Provider or the Index Interest Period Holder of all amounts due under the Credit Facility Provider Agreement or the Continuing Covenant Agreement, respectively.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due, respectively, for principal and interest, to the persons entitled thereto without any discrimination or privilege, with interest on overdue installments of interest or principal, to the extent permitted by law, at the rate of interest borne by the Bonds; provided that no payment shall be made with respect to Borrower Bonds. Second, such money shall then be applied to the payment of all amounts due under the Credit Facility Provider Agreement or the Continuing Covenant Agreement.

(c) If the principal of all the Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article, then, subject to the provisions of paragraph (b) above, in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of paragraph (a) above.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue; provided, that upon an acceleration of Bonds pursuant to Section 802, interest shall cease to accrue on the Bonds on and after the date of actual payment; provided, that if the Credit Facility Provider honors a properly presented and conforming drawing under the Credit Facility upon a declaration of acceleration of the Bonds, interest on the Bonds shall accrue only to the date of such declaration and the Trustee shall pay the principal of and interest on the Bonds to the Holders immediately following the receipt of funds from such drawing. The Trustee shall give such

notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Notwithstanding the provisions of this Section, if a Credit Facility is in effect, (i) no amounts shall be paid pursuant to (a) and (b) of this Section for costs and expenses as pursuant to the first sentence hereof or from money derived from a drawing under the Credit Facility, proceeds from remarketing of Bonds or money held for the payment of Undelivered Bonds, and (ii) unless the Credit Facility permits drawings to pay redemption premium with respect to the Bonds, no money derived from a drawing under the Credit Facility shall be used to pay redemption premium with respect to the Bonds.

Section 806. Remedies Vested in Trustee.

All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Bondholders, and any recovery of judgment shall be for the equal and ratable benefit of the Holders of the Outstanding Bonds.

Section 807. Rights and Remedies of Bondholders.

No Bondholder shall have any right to institute any proceeding for the enforcement of this Indenture or any right or remedy granted hereby unless (i) an Event of Default is continuing, (ii) a Responsible Officer of the Trustee is deemed to have notice or knowledge thereof or has been notified as provided in Section 901(h), (iii) a Majority of the Bondholders shall have made written request to the Trustee and shall have afforded the Trustee reasonable opportunity to exercise its powers or to institute such proceeding in its own name, and have offered to the Trustee indemnity satisfactory to it, and (iv) the Trustee shall have failed or refused to exercise its power or to institute such proceeding. Such notice, request, offer of indemnity and failure or refusal shall at the option of the Trustee be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action for the enforcement of this Indenture or of any right or remedy granted hereby; the Holders of the Bonds shall have no right to affect or prejudice the lien of this Indenture by their action or to enforce any right hereunder except in the manner herein provided and that proceedings shall be instituted and maintained in the manner herein provided and for the benefit of the Holders of all Bonds then outstanding. Notwithstanding the foregoing, each Bondholder shall have a right of action to enforce the payment of the principal of and premium, if any, and interest on any Bond held by it at and after the maturity thereof, from the sources and in the manner expressed in such Bond.

Section 808. Waivers of Events of Default.

The Trustee shall waive any Default hereunder and its consequences and rescind any declaration of acceleration of principal upon the written request of the Holders of (1) at least a majority in aggregate principal amount of all Outstanding Bonds in respect of which default in

the payment of principal or interest, or both, exists or (2) at least a majority in aggregate principal amount of Outstanding Bonds in the case of any other Default; and provided that there shall not be waived any Default specified in subsection (a) or (b) of Section 801 hereof unless prior to such waiver or rescission, the Borrower shall have caused to be paid to the Trustee (i) all arrears of principal and interest (other than principal of or interest on the Bonds which became due and payable by declaration of acceleration), with interest at the rate then borne by the Bonds on overdue installments, to the extent permitted by law, and (ii) all expenses of the Trustee in connection with such Default. In case of any waiver or rescission described above, or in case any proceeding taken by the Trustee on account of any such Default shall have been discontinued or concluded or determined adversely, then and in every such case the Issuer, the Trustee and the Holders of Bonds shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Default, or impair any right consequent thereon.

Notwithstanding the foregoing provisions of this Section, if a Credit Facility is in effect, the immediately preceding paragraph shall not apply and the Trustee shall, upon the written request of the Credit Facility Provider, waive any Event of Default hereunder; provided, however, the Trustee shall not waive any Event of Default unless all principal and Tender Price of, redemption premium, and interest on the Bonds then in arrears are paid in full or provided for and the Trustee has received notice in writing from the Credit Facility Provider that the amount available to be drawn under the Credit Facility in respect of the principal and Tender Price of, redemption premium, if applicable, and interest on the Bonds has been reinstated in full and any notice under Section 801(g) has been rescinded by the Credit Facility Provider.

Notwithstanding the foregoing provisions of this Section, during an Index Interest Rate Period or while Unremarketed Bonds are outstanding, the preceding paragraphs shall not apply and the Trustee shall, upon the written request of the Index Interest Period Holder, or the Bondholder Representative on behalf of the Index Interest Period Holder, waive any Event of Default hereunder; provided, however, the Trustee shall not waive any Event of Default unless all principal and Tender Price of, redemption premium, and interest on the Bonds then in arrears are paid in full or provided for and the Trustee has received notice in writing from the Index Interest Period Holder, or the Bondholder Representative on behalf of the Index Interest Rate Holder, that any notice under Section 801(i) has been rescinded by the Index Interest Period Holder.

Section 809. Intervention by Trustee.

In any judicial proceeding which the Trustee believes has a substantial bearing on the interests of the Bondholders, the Trustee may intervene on behalf of the Bondholders.

Section 810. Remedies of Issuer on Event of Default.

Upon the occurrence and continuance of an Event of Default, the Issuer shall not be required to take any action which in its opinion might cause it to expend time or money or otherwise incur any liability unless satisfactory indemnity has been furnished to it.

Section 811. Rights of Credit Facility Provider.

Notwithstanding any other provision to the contrary in this Indenture and unless otherwise agreed to by the Credit Facility Provider (i) to the extent that moneys are drawn by the Trustee under the Credit Facility or the Borrower is otherwise indebted to the Credit Facility Provider under the Credit Facility Provider Agreement and (ii) the fees, costs and expenses of the Issuer and the Trustee hereunder have been paid, then: (A) the lien of this Indenture shall not be discharged; (B) the Credit Facility Provider shall be subrogated to the extent of such draws on the Credit Facility (which have been honored) or the Borrower's indebtedness to the Credit Facility Provider under the Credit Facility Provider Agreement to all rights of the Bondholders to enforce the payment of the Bonds and all other rights of the Bondholders under the Bonds, this Indenture, the Loan Agreement and the Promissory Note; (C) the Credit Facility Provider shall be entitled to its own right upon payment in full of the principal of and interest on the Bonds to exercise all rights of enforcement and remedy set forth in Article VIII hereof; (D) the Bondholders will be deemed paid to the extent of moneys drawn by the Trustee under the Credit Facility and honored by the Credit Facility Provider; and (E) the Trustee shall sign, execute and deliver all documents or instruments and do all things which may be reasonably required by the Credit Facility Provider to effect the Credit Facility Provider's subrogation of rights of enforcement and remedies set forth in Article VIII hereof in accordance with the intent of this Section, including without limitation, a conveyance and assignment of the Promissory Note to the Credit Facility Provider.

All rights of a Credit Facility Provider under this Indenture to consent to declarations of acceleration, to consent to enforcement of remedies, to direct proceedings, to compel waivers, to consent to amendments and to give any other consents or to vote hereunder shall be suspended (i) for so long as the Credit Facility Provider fails to honor a properly presented and conforming drawing or (ii) if no Credit Facility is in effect or any Credit Facility terminates in accordance with its terms and all amounts due under the Credit Facility Provider Agreement have been paid in full.

ARTICLE IX

THE TRUSTEE

Section 901. Acceptance of Trusts.

The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

(a) The Trustee, prior to the occurrence of a Default and after the curing of all Defaults which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and the Loan Agreement. In case a Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in the exercise of such rights and powers as an ordinary, prudent man would exercise or use in the conduct of his own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees, but shall not be answerable for the conduct of the same if appointed with due care, provided that the Trustee shall be entitled to advice of counsel concerning its duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Borrower) selected by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or inaction taken or not taken, as the case may be, in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds (except with respect to the certificate of authentication endorsed on the Bonds), or for insuring the Project, or for collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the Project or any lien waivers with respect to the Project, and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Borrower under the Loan Agreement except as hereinafter set forth; but the Trustee may require of the Issuer and the Borrower full information and advice as to the performance of the aforesaid covenants, conditions and agreements. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Loan Agreement.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the Holder of Bonds secured hereby with the same rights which it would have if not the Trustee hereunder.

(e) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Holder of any Bond shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed by an Issuer Representative or an Borrower Representative as sufficient evidence of the facts therein contained and prior to the occurrence of a Default of which the Trustee has been notified as provided in Section 901(h) hereof, or of which by said subsection the Trustee is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed by it to be necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of such officials of the Issuer who executed the Bonds (or their successors in office) to the effect that a resolution in the form

therein set forth has been adopted by the Issuer as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any Default hereunder except for Defaults specified in subsections (a), (b), (c) or (e) of Section 801 hereof, unless a Responsible Officer of the Trustee shall be specifically notified in writing at its Principal Office of such Default by the Issuer or by the Holders of at least 50% in aggregate principal amount of Outstanding Bonds, and all notices or other instruments required by this Indenture to be delivered to the Trustee, must, in order to be effective, be received by a Responsible Officer at the Principal Office of the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume there is no Default except as aforesaid.

(i) At any and all reasonable times the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect all books and records of the Issuer pertaining to the Project and the Bonds, and to make such copies and memoranda from and with regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture with respect to the authentication of any Bonds, the withdrawal of any cash, the release of any property or any action whatsoever within the purview of this Indenture, the Trustee shall have the right, but shall not be required, to demand any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action, deemed desirable by the Trustee for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash or the taking of any other action.

(l) Before taking any action under this Indenture or under the Loan Agreement (other than accelerating the Bonds as required under Section 802 hereof, taking action to draw on the Credit Facility or Liquidity Facility as required by Section 410 or Section 406, respectively, hereof, and paying the Tender Price of, principal of, redemption premium (if any) and interest on the Bonds as the same shall become due and payable), the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of any expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any such action.

(m) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent otherwise required herein or required by law.

(n) The Trustee's immunities and protections from liability and its right to compensation and indemnification in connection with the performance of its duties under this

Indenture shall extend to the Trustee's officers, directors, agents and employees. Notwithstanding anything else contained herein or in any other document or instrument executed by or on behalf of the Trustee in connection herewith, no stipulation, covenant, agreement or obligation contained herein or therein shall be deemed or construed to be a stipulation, covenant, agreement or obligation of any present or future officer, director, employee, or agent of the Trustee in any such person's individual capacity and no such person, in his individual capacity shall be liable personally for any breach or non-observance of or for any failure to perform, fulfill or comply with any such stipulation, covenant, agreement or obligation. All immunities and protections and rights to indemnification of the Trustee and its officers, directors, employees and agents, together with the Trustee's rights to compensation, shall survive the Trustee's resignation or removal and final payment of the Bonds.

(o) Notwithstanding anything else herein contained, (i) the Trustee shall not be liable for any error or judgment made in good faith unless it is proven that the Trustee was grossly negligent in ascertaining the pertinent facts, and (ii) no provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it believes the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(p) The Trustee shall not be liable or responsible for the acts or omissions of the Remarketing Agent.

(q) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders of the Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

(r) The Trustee shall have no responsibility for any registration, filing, recording, reregistration, refiling or rerecording of this Indenture or any other document or instrument executed in connection with this Indenture and the issuance and sale of the Bonds, including without limitation, any financing statements or continuation statements with respect thereto.

(s) To the extent that it is necessary for the Trustee to determine whether any Person is a Beneficial Owner, the Trustee shall make such determination based on a certification of such Person (on which the Trustee may conclusively rely) setting forth in satisfactory detail the principal balance and bond certificate owned and any intermediaries through which such bond certificate is held. The Trustee shall be entitled to rely conclusively on information it receives from DTC or other applicable Securities Depository, its direct participants and the indirect participating brokerage firms for such participants with respect to the identity of a Beneficial Owner. The Trustee shall not be deemed to have actual or constructive knowledge of the books and records of DTC or its participants.

(t) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided

by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(u) The Trustee shall not be accountable for the use or application by the Issuer or the Borrower of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or for the use and application of money received by any paying agent.

Section 902. Successor Trustee.

Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 903. Resignation by Trustee; Removal.

The Trustee may at any time resign from the trusts hereby created by giving 45 days' written notice to the Issuer, the Borrower, Credit Facility Provider, the Index Interest Period Holder and each Bondholder, but such resignation shall not take effect until the appointment of a successor Trustee, acceptance by the successor Trustee of such trusts and assignment to such successor Trustee of the rights of the predecessor Trustee under the Borrower Security Instruments. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee, the Issuer, any Credit Facility Provider, any Index Interest Period Holder and the Borrower and signed by the Borrower or a Majority of the Bondholders, but such removal shall not take effect until the appointment of a successor Trustee and acceptance by the successor Trustee of such trusts and transfer to the successor Trustee of any Credit Facility or Liquidity Facility then outstanding, provided, in the case of removal by the Borrower, notice of such removal must be provided by the Borrower to the Bondholders at least 45 days prior to the effective date of such removal. The Trustee may also be removed at any time for any breach of trust, or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture or any other Basic Agreement with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the Issuer, the Borrower, the Credit Facility Provider or a Majority of the Bondholders.

Section 904. Appointment of Successor Trustee.

If the Trustee hereunder shall resign or be removed, or be dissolved, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor shall be appointed by the Borrower, with the prior written consent of the Credit Facility Provider or the Index Interest Period Holder, which consent shall not be unreasonably withheld. If the Borrower does not appoint a successor

Trustee within 45 days of the Trustee providing notice of its resignation, the Trustee, at the Borrower's expense, may petition a court of competent jurisdiction to appoint a successor Trustee. At any time within one year after any such vacancy shall have occurred and provided a court has not appointed a successor Trustee as provided above, a Majority of the Bondholders may appoint a successor Trustee by an instrument or concurrent instruments in writing signed by or on behalf of such Holders, which appointment shall supersede any Trustee theretofore appointed by the Borrower. Each successor Trustee shall be a trust company, national association or bank having the powers of a trust company which is in good standing and has a reported capital, surplus and undivided profits of not less than \$100,000,000. Any such successor Trustee with the prior written consent of the Credit Facility Provider shall become Trustee upon giving notice to the Borrower, the Issuer and the Bondholders, if any, of its acceptance of the appointment, vested with all the property, rights and powers of the Trustee hereunder, without any further act or conveyance. Any predecessor Trustee shall execute, deliver and record and file such instruments as the Trustee may reasonably require to confirm or perfect any such succession.

Section 905. Dealing in Bonds.

The Trustee and any of its directors, officers, employees or agents may become the owners of any or all of the Bonds secured hereby with the same rights as if such owner were not the Trustee or an affiliate of the Trustee.

Section 906. Trustee as Bond Registrar; List of Bondholders.

The Trustee is hereby designated as bond registrar for the Bonds and, as such, will keep on file a list of names and addresses of the Holders of all Bonds; provided, however, that the Trustee shall be under no responsibility with regard to the accuracy of the address of any Bondholder. At reasonable times and under reasonable regulations established by the Trustee, such list may be inspected and copied by the Borrower or by owners (or a designated representative thereof) of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 907. Successor Trustee as Custodian of Funds, Bond Registrar and Paying Agent.

In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be custodian of any funds it may hold pursuant to this Indenture, and cease to be the bond registrar and paying agent for any of the Bonds, and the successor trustee shall become such custodian, bond registrar and paying agent.

Section 908. Adoption of Authentication.

In case any Bonds shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of the predecessor Trustee and deliver the Bonds as so authenticated.

Section 909. Designation and Succession of Paying Agents.

After 15 days' written notice to the Borrower and subject to the Borrower's approval (which shall not unreasonably be withheld or delayed), the Trustee may designate any other banks or trust companies as paying agent. Any bank or trust company with or into which any paying agent other than the Trustee may be merged or consolidated, or to which the assets and business of such paying agent may be sold, shall be deemed the successor to such paying agent for the purposes of this Indenture. If the position of such paying agent shall become vacant for any reason, the Trustee shall, within 30 days thereafter, appoint a bank or trust company located in the same state as such paying agent to fill such vacancy, subject to the Borrower's approval (which shall not unreasonably be withheld or delayed). The paying agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in Section 901 with respect to the Trustee, insofar as such provisions may be applicable.

Section 910. Trust Estate May Be Vested in Co-Trustee.

It is the purpose hereof that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation hereunder, and in particular in case of the occurrence of an Event of Default, it may be necessary that the Trustee appoint an additional institution as a separate Trustee or Co-Trustee. The following provisions of this Section 910 are adapted to these ends.

Upon the incapacity or lack of authority of the Trustee, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers and trusts herein granted to the Trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed herein or intended to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in a separate Trustee or Co-Trustee appointed by the Trustee but only to the extent necessary to enable the separate Trustee or Co-Trustee to exercise such rights, powers and trusts, and every agreement and obligation necessary to the exercise thereof by such separate Trustee or Co-Trustee shall run to and be enforceable by either of them.

Should any deed, conveyance or instrument in writing from the Issuer be required by the separate Trustee or Co-Trustee so appointed by the Trustee in order to more fully and certainly vest in and confirm to him or it such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments shall, on request, be executed, acknowledged and delivered by the Issuer. In case any separate Trustee or Co-Trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee. Any separate Trustee or Co-Trustee appointed pursuant to this Section 910 shall be a trust company, national association or bank in good standing having trust powers and having a reported capital, surplus and individual profits of not less than \$100,000,000.

Section 911. Trustee to Retain Information; No Responsibility.

So long as any of the Bonds shall be outstanding, the Trustee shall retain all certificates, all financial statements for the most recent three years and all other written information furnished to it by or on behalf of the Issuer, the Borrower or any other Person under this Indenture, the Loan Agreement and the other Basic Agreements and shall make such documentation available for review after reasonable prior written notice during regular business hours at the designated corporate trust office of the Trustee to the Issuer, the Borrower and any Bondholder and, so long as the Bonds are held by the DTC or other Securities Depository or its nominee, any Beneficial Owner of Bonds presenting evidence of such ownership reasonably satisfactory to the Trustee. The Trustee shall permit such reviewers to take copies of all or any part of such documentation, subject to their payment of such reasonable copying and handling charges as the Trustee may impose. Unless otherwise expressly provided, the Trustee shall not have any responsibility with respect to any such reports, notices, certificates, financial statements and other written information furnished to it hereunder, except to make them available for inspection, at reasonable times, as provided above. The Trustee shall have no duty to review any financial statement delivered to it pursuant to this Indenture, the Loan Agreement or any other Basic Document and does not have a duty to verify the accuracy of such financial statements. In addition, the Trustee shall not be considered to have notice of the contents of such financial statements or of a Default or Event of Default under this Indenture, the Loan Agreement or any other Basic Document based on such contents.

Section 912. Trustee Authorized to Vote Master Indenture Obligations; Exercise of Remedies; Substitution of Promissory Note.

(a) Except as provided below, the Trustee, as assignee of the Promissory Note, shall be entitled to vote the Promissory Note or the indebtedness represented thereby in connection with any proposed amendment, change, modification, waiver or consent (hereinafter in this Section referred to as an "amendment") to or in respect of the Master Indenture. The Trustee may agree to any such amendment, without obtaining the consent of or the provision of notice to the Holders of the Bonds, if the Trustee receives an opinion of Bond Counsel in form and substance satisfactory to it stating that the effect of such amendment is not materially adverse to the interests of the Holders of the Bonds. In the event that the Trustee does not receive such opinion of Bond Counsel, the Trustee shall solicit the consent of the Holders of the Bonds to such amendment. The Trustee shall consent to such amendment if the Holders of at least a majority in principal amount of the then-Outstanding Bonds consent to such amendment; provided, that (i) no such consent shall be given to an amendment which affects the rights of some but less than all the Outstanding Bonds without the consent of the Holders of a majority in aggregate principal amount of the Bonds affected and (b) no such consent shall be given to an amendment which alters the time, amounts, currency or terms of any payment terms of the Promissory Note without the consent of the Holders of all Outstanding Bonds.

(b) The Trustee is hereby authorized and directed to accept a substitute promissory note (the "Substitute Promissory Note") in substitution for the Promissory Note, which Substitute Promissory Note must provide for the full and timely repayment of the Bonds on substantially the same repayment terms of the existing Promissory Note and must be executed and delivered to the Trustee by an entity or a group of entities of which the Borrower is a part, upon receipt of

- (i) the written request of the Borrower;
- (ii) an opinion of Bond Counsel to the effect that the substitution of the Substitute Promissory Note for the Promissory Note complies with the terms of this Indenture and will not cause the interest on the Bonds to become includable in the gross income of the owners thereof for federal tax purposes; and
- (iii) an opinion of counsel to the Borrower to the effect that the Substitute Promissory Note is a valid and binding obligation of the obligor or obligors thereunder, including the Borrower.

Section 913. Certain Notices to Rating Agencies and Bondholders.

The Trustee or the Borrower shall give or cause to be given to each Rating Agency then rating the Bonds notice of (i) any change in the identity of any Tender Agent, any Remarketing Agent or the Trustee, (ii) any amendment to any Credit Facility, any Credit Facility Provider Agreement, any Liquidity Facility, any Remarketing Agreement, the Loan Agreement or this Indenture, (iii) any extension of the Expiration Date of any Credit Facility or any Liquidity Facility, (iv) the termination of any Credit Facility or any Liquidity Facility, whether or not prior to its stated Expiration Date, (v) any optional redemption, mandatory redemption (except mandatory sinking fund redemption), mandatory tender, defeasance or acceleration of Bonds, (vi) the occurrence of any Event of Default under this Indenture and (vii) the conversion of Bonds to bear interest at a Daily Interest Rate, Weekly Interest Rate or Long-Term Interest Rate, at Bond Term Interest Rates or at the Index Interest Rate Period. In addition, no Credit Facility shall be replaced or substituted for by an Alternate Credit Facility issued by any Person other than the current Credit Facility Provider and no Liquidity Facility shall be replaced or substituted for by an Alternate Liquidity Facility issued by any Person other than the current Liquidity Facility Provider unless, in each case, prior notice thereof shall have been given by the Trustee or the Borrower to DTC and each other Holder of Bonds and to each Rating Agency then rating the Bonds. The Trustee, at the Borrower's expense, or the Borrower shall provide any information within its control necessary to maintain the ratings on the Bonds requested by any Rating Agency rating the Bonds. For the purpose of this paragraph, the addresses of the Rating Agencies shall be the following (or in each case such other address as the Rating Agency has specified to the parties hereto):

Moody's Investors Service

Standard & Poor's Rating Services

Section 914. Electronic Means.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Methods; provided, however, that the Borrower shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Borrower whenever a person is to be added or deleted from the listing. If the Borrower elects to give the Trustee Instructions using Electronic Methods and the Trustee in its discretion elects to act, in good faith, upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Borrower understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume, in good faith, that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Borrower shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Borrower and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Borrower. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Borrower agrees: (i) to assume all risks arising out of the use of Electronic Methods to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Borrower; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

ARTICLE X

SUPPLEMENTAL INDENTURES AND WAIVERS; AMENDMENT OF LOAN AGREEMENT, PROMISSORY NOTE AND MASTER INDENTURE

Section 1001. Supplemental Indentures Not Requiring Consent of Bondholders.

The Issuer and the Trustee may without consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Indenture;
- (b) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee;
- (c) to subject to this Indenture additional revenues, properties or collateral;
- (d) to modify, amend or supplement this Indenture or any indenture supplemental hereof in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States of America;
- (e) to evidence the appointment of a separate or Co-Trustee or the succession of a new Trustee hereunder;
- (f) to correct any description of, or to reflect changes in, any of the properties comprising the Trust Estate;
- (g) to make any revisions of this Indenture that shall be required by a Rating Agency in order to obtain or maintain an investment grade rating on the Bonds;
- (h) to make any revisions of this Indenture that shall be necessary in connection with the Borrower or the Issuer furnishing a Liquidity Facility, a Self Liquidity Arrangement, a Credit Facility or a bond insurance policy, including but not limited to revising the Interest Payment Dates for Bank Bonds;
- (i) to provide for an uncertificated system of registering the Bonds or to provide for changes to or from the Book Entry System;
- (j) to effect any other change herein which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders; or
- (k) to make revisions to this Indenture that shall become effective only upon, and in connection with, the remarketing of all of the Bonds then Outstanding.

In the event any Rating Agency has issued a rating of any of the Bonds, such Rating Agency or Rating Agencies, as the case may be, shall receive prior written notice from the Trustee of the proposed amendment but such notice shall not be a condition of the effectiveness of such amendment. Copies of all documents which have been amended or supplemented shall be provided to S&P no later than ten (10) business days after execution of such documents.

Section 1002. Supplemental Indentures Requiring Consent of Bondholders.

Exclusive of supplemental indentures permitted by Section 1001 hereof and subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds (or during an Index Interest

Rate Period, the Index Interest Period Holder, or the Bondholder Representative on behalf of the Index Interest Period Holder), shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing in this Section or in Section 1001 hereof contained shall permit, or be construed as permitting (a) an extension of the maturity of the principal of, or the interest on, any Bond issued hereunder, or (b) a reduction in the principal amount of, or redemption premium on, any Bond or the rate of interest thereon, or (c) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (d) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indentures or any modifications or waivers of the provisions of this Indenture or the Loan Agreement, or (e) the creation of any lien ranking prior to or on a parity with the lien of this Indenture on the Trust Estate or any part thereof, except as hereinbefore expressly permitted, or (f) the deprivation of the Holder of any Outstanding Bond of the lien hereby created on the Trust Estate, or (g) an extension of the date for making any scheduled mandatory redemption under Section 401(d).

If at any time the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be given to the Bondholders in the same manner as provided in Section 404 of this Indenture for the giving of notices of redemption; provided, that prior to the delivery of such notice, the Trustee may require that an opinion of Bond Counsel be furnished to the effect that the supplemental indenture complies with the provisions of this Indenture and will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by all Bondholders. If, within 60 days or such longer period as shall be prescribed by the Issuer following such notice, the Holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no Bondholder shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

In the event S&P or Moody's has issued a rating of any of the Bonds, the Trustee shall mail to each such rating agency prior written notice of the proposed amendment but such notice shall not be a condition of the effectiveness of such amendment.

Section 1003. Intentionally Omitted.

Section 1004. Borrower Consent.

Anything herein to the contrary notwithstanding so long as the Borrower has not caused an Event of Default, a supplemental indenture under this Article shall not become effective unless and until the Borrower shall have consented to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution of any such supplemental indenture together with a copy of the proposed supplemental indenture to be mailed to the Borrower at least 15 Business Days prior to the proposed date of execution and delivery of any such supplemental indenture.

Section 1005. Opinion of Counsel.

The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it, who may be counsel for the Issuer or the Borrower, as conclusive evidence that a proposed supplemental agreement complies with the provisions of this Indenture, and that it is proper for the Trustee, under the provisions of this Article, to join in the execution of such supplemental agreement.

Section 1006. Modification by Unanimous Consent.

Notwithstanding anything contained elsewhere in this Indenture, the rights and obligations of the Borrower, the Issuer, the Trustee and the Holders of the Bonds, and the terms and provisions of the Bonds and this Indenture, any other Basic Agreement or any supplemental agreement may be modified or altered in any respect with the consent of the Borrower, the Issuer, the Trustee, and the Holders of all of the Bonds then outstanding.

Section 1007. Execution of Amendments and Supplements by Trustee.

The Trustee shall not be obligated to sign any amendment or supplement to this Indenture or the Bonds pursuant to this Article if the amendment or supplement, in the judgment of the Trustee, could adversely affect the rights, duties, liabilities, protections, privileges, indemnities or immunities of the Trustee. In signing an amendment or supplement, the Trustee (subject to Section 901) shall be fully protected in relying on an opinion of Bond Counsel stating that such amendment or supplement is authorized by this Indenture, and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Section 1008. Amendments to Loan Agreement and Promissory Note Not Requiring Consent of Bondholders.

The Issuer and the Trustee may, without the consent of or notice to the Bondholders, consent to any amendment, change or modification of the Loan Agreement or the Promissory Note as may be required or permitted (i) by the provisions of the Loan Agreement or the Promissory Note, (ii) for the purpose of curing any ambiguity or formal defect or omission in the Loan Agreement or the Promissory Note, (iii) so as to more precisely identify the Project, or to substitute or add additional improvements or equipment to the Project or additional rights or interests in property acquired in accordance with the provisions of the Loan Agreement or the

Promissory Note, (iv) to enter into an indenture or indentures supplemental hereto as provided in Section 1001 hereof, to provide for the issuance of a substitute note in accordance with Section 912 or in connection with any supplement to the Master Indenture permitted in Section 1010, (v) to make any revisions that shall be required by a Rating Agency in order to obtain or maintain an investment grade rating on the Bonds, (vi) in connection with any other change therein which, in the judgment of the Trustee, is not to the prejudice of the Trustee, the Bondholders or the Credit Facility Provider, or (vii) to make revisions thereto which shall be effective only upon, and in connection with, the remarketing of all of the Bonds then Outstanding.

Section 1009. Amendments to Loan Agreement and Promissory Note Requiring Consent of Bondholders.

Except for the amendments, changes or modifications as provided in Section 1008 hereof, neither the Issuer nor the Trustee shall consent to any other amendment, change or modification of the Loan Agreement or the Promissory Note without mailing of notice and the written approval or consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds (or during an Index Interest Rate Period, the Index Interest Period Holder, or the Bondholder Representative on behalf of the Index Interest Period Holder, if any), provided that the written consent of the Holders of all Bonds Outstanding is required for any amendment, change or modification of the Loan Agreement or the Promissory Note that would permit the termination or cancellation of the Loan Agreement or the Promissory Note or a reduction in or postponement of the payments under the Loan Agreement or the Promissory Note or any change in the provisions relating to payment thereunder except as provided in Section 912. If at any time the Issuer and the Borrower shall request the consent of the Trustee to any such proposed amendment, change or modification of the Loan Agreement or the Promissory Note, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided by Section 1002 hereof with respect to supplemental indentures; provided, that prior to the delivery of such notice or request, the Trustee or the Issuer may require that an opinion of Bond Counsel be furnished to the effect that such amendment, change or modification complies with the provisions of this Indenture and will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by all Bondholders.

Section 1010. Supplements to the Master Indenture.

The Trustee, as the registered owner of the Promissory Note issued under the Master Indenture, shall be authorized to consent to any supplement to the Master Indenture as provided in Section 701 of the Master Indenture, without any notice to, or consent of, the Bondholders. The Trustee, as the registered owner of the Promissory Note, shall be authorized to consent to any supplement to the Master Indenture as provided in Section 702 of the Master Indenture other than as described in the preceding sentence only upon the consent (evidenced as provided in this Article X) of the Holders of not less than a majority of the outstanding principal amount of Bonds, which consent shall be obtained in the same manner as obtaining consents to

supplemental indentures; provided, however, that the Trustee shall not consent to any supplement to the Master Indenture which would extend the maturity of the Promissory Note or reduce the rate of interest thereon or extend the time for payment thereof or reduce the amount payable thereon unless corresponding changes are being made to the provisions of the Bonds pursuant to a supplemental indenture authorized pursuant to Section 1002 hereof.

Section 1011. Execution of Amendments and Supplements by Trustee.

The Trustee shall not be obligated to sign any amendment or supplement to the Master Indenture, the Loan Agreement or the Promissory Note pursuant to this Article if the amendment or supplement, in the judgment of the Trustee, could adversely affect the rights, duties, liabilities, protections, privileges, indemnities or immunities of the Trustee. In signing an amendment or supplement, the Trustee (subject to Section 901) shall be fully protected in relying on an opinion of Bond Counsel stating that such amendment or supplement is authorized by this Indenture, and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Section 1012. Consent of Credit Facility Provider: Consent of the Index Interest Period Holder.

Anything herein to the contrary notwithstanding, no supplemental indenture or amendment or supplement to the Master Indenture, the Loan Agreement or the Promissory Note described under Section 1002, 1009 or 1010 of this Article shall become effective unless and until the Credit Facility Provider (or during any Index Interest Rate Period, the Index Interest Period Holder) shall have consented to the execution and delivery of such supplemental indenture or amendment or supplement to the Master Indenture, the Loan Agreement or the Promissory Note.

ARTICLE XI

MISCELLANEOUS

Section 1101. Consents, etc., of Bondholders.

Any consent, request, direction, approval, objection or other instrument required by this Indenture to be signed and executed by the Bondholders may be in any number of concurrent documents and may be executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the written appointment of any such agent or of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken by it under such request or other instrument. The fact and date of the execution by any person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by an officer authorized by law to take acknowledgments of deeds certifying that the person signing such instrument or writing acknowledged to him the execution thereof. The fact of ownership of Bonds and the amount or amounts, numbers and other identification of such Bonds, and the date of owning the same shall be proved by the registration books of the Issuer maintained by the Trustee pursuant

to Section 306 hereof. The fact of beneficial ownership of Bonds in book-entry form, when required, shall be determined as provided in Section 901(s).

For purposes of giving any consents, approvals, waivers or directions contemplated under this Indenture, or exercising any voting rights given to Bondholders under this Indenture, (i) for so long as a Credit Facility is in effect and subject to Section 811 hereof, the Credit Facility Provider shall be deemed to be the Holder of the Bonds and (ii) during an Index Interest Rate Period, the Index Interest Period Holder, or, at the designation of the Index Interest Period Holder, the Bondholder Representative on behalf of the Index Interest Period Holder, shall be deemed the Holder of the Bonds.

Section 1102. Limitation of Rights.

With the exception of any rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any person or company other than the parties hereto, the Credit Facility Provider and the Bondholders, any legal or equitable right, remedy or claim under or with respect to this Indenture or any covenants, conditions and provisions herein contained; this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto, the Credit Facility Provider and the Bondholders as herein provided.

Section 1103. Severability.

If any provision of this Indenture shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

Section 1104. Notices.

All notices, certificates or other communications hereunder shall be sufficiently given and, except as provided in Section 901(h), shall be deemed to be delivered if in writing or in the form of a facsimile addressed to the appropriate Notice Address and if either (a) actually delivered at said address or (b) in the case of a letter, three Business Days shall have elapsed after the same shall have been deposited in the United States mails, first-class postage prepaid and registered or certified. A copy of each notice, certificate or other communication given by any party hereto shall also be given to the other party hereto and to the Borrower in the manner provided for in this Section 1104. A duplicate copy of all notices, certificates or other communication provided hereunder to an Index Interest Period Holder shall also be provided to any Bondholder Representative at the address set forth in the Continuing Covenant Agreement.

A duplicate copy of each notice required to be given hereunder by any person listed above shall also be given to the others. The Issuer, the Borrower, the Trustee, the Tender Agent, the Market Agent, the Bondholder Representative and the Remarketing Agent may designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent.

Section 1105. Payments Due on Saturdays, Sundays and Holidays.

In any case where a Payment Date is not a Business Day, then payment of interest or principal and any premium due on such day need not be made by the Trustee on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the Payment Date.

Section 1106. Extent of Issuer Covenants; No Personal Liability.

No covenant, stipulation, obligation or agreement of the Issuer contained in this Indenture or any other Basic Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any past, present or future member, director, officer, employee or agent of the Issuer in his or her individual capacity; and no such person (including any such person executing the Bonds) shall be liable personally on the Bonds or be subject to any personal liability by reason of their issuance. No recourse shall be had by the Borrower, the Trustee or any Bondholder for any claim based on any Basic Agreement against any member, director, officer, employee or agent of the Issuer alleging personal liability on the part of such person.

Section 1107. Bonds Owned by Issuer or Borrower.

In determining whether Holders of the requisite aggregate principal amount of the Bonds have concurred in any direction, consent or waiver under this Indenture or any other Basic Agreement, Bonds which are owned by the Issuer or the Borrower (unless one or more of such Persons own all of the Bonds which are then outstanding, determined without regard to this Section 1107) shall be disregarded and deemed not to be outstanding for the purpose of any such determination, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver, only Bonds which the Trustee knows are so owned shall be so disregarded. Bonds so owned which have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer or the Borrower (unless one or more of such Persons own all of the Bonds which are then outstanding, determined without regard to this Section 1107). In case of a dispute as to such right, any decision by the Trustee taken in good faith upon the advice of counsel shall be full protection to the Trustee in accordance with its standards of performance hereunder.

Section 1108. Captions; Index.

The captions, headings and index in this Indenture are for convenience only and in no way define or describe the scope or content of any provision of this Indenture.

Section 1109. Counterparts.

This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same Agreement.

Section 1110. Governing Law; Sealed Instrument.

The validity and interpretation of this Indenture and the Bonds shall be governed by the laws of the State. It is the intention of the Issuer and the Trustee that the situs of the trust created by this Indenture be, and it be administered, in the state in which is located the principal office of the Trustee from time to time acting under this Indenture.

Section 1111. Third Party Beneficiary.

The Credit Facility Provider and the Index Interest Period Holder shall be third party beneficiaries of this Indenture.

IN WITNESS WHEREOF, each of the Issuer and the Trustee has caused this Indenture to be executed and delivered in its name and behalf by its authorized officer or authorized agent, all as of the date appearing on page 1.
